Poor Eyesight Causes Children To Fail Studies

Poor eyesight can make a child slow" in school. Uncorrected visual defects can cause a normally bright youngster to dislike school, fall lighind in his class and become self conscious about playing sports and games, says Dr. George W Cox, State Health Officer.

A child will rarely complain about poor vision. It may be blurred, he may see double, yet in three cases out of four, he will not tell anyone because he does not know how well he should see. That why it is so important for parents and teachers to know the sym

toms of eye trouble. An intelli-gent child may be victimized by oor vision both at school and with his playmates.

Too often a youngsters' eyes are neglected because no one knows that they will need care, Dr. Cox points out. For this reason, visual tests should be continued throughout the child's school career.

Some of the symptoms which FOR RENT: Three room furnish a; mean that a youngster has private bath, eve trouble are: 1. Rub eyes often, attempts to

Fall Egg Output

Can Be Upped By Use Lights

Egg prices have steadily climbed since the summer slump in egg production started weeks agp. It is a situation that happens just about every year, says W. J. Moore, FOR RENT: Six room house, 909 poultry husbandman for the Texas South Bassett. Call 1810 W. or Agricultural Extension Service No. 0 Weatherford, collect. ... College Station, but good flock nanagement can help overcome

ome of the trouble. A practice that will pay divi dends during the fall and winter is the use of lights in the laying house. For maximum production a hen needs 12 to 14 hours of light each day, says Moore.

He recommends that lights be used from about the middle of September until spring. The light

Dykes Pounds Out 11th Win In Comeback

HOUSTON, Oct. 1 (UP)-Welterweight Bobby Dykes of San Antonio was firmly on the comeback trail Wednesday after wining his 11th fight in a row, a 10round decision from Joe Arthur at Indianapolis.

Dykes got a unanimous verdict Tuesday night after a battle in Houston's City Auditorium, witnessed by about 1,500 persons.

Arthur outweighed Dykes, 159 to 157, and the rugged midwester ner was the aggressor through the first three rounds. Dykes took control in the fourth with a volley of left hooks to the midsection From then on, Dykes appeared the master of the situation, but he was unable to knock Arthur to the canvas.

11 victorie, Dykes lost a split decision to welterweight champion Kid Gavilan.

Dykes had been scheduled to fight Jackie Burke last night, but several days ago because of an
