

## Bull Town Bulletins

By  
Bill Ellis

AS MOST PEOPLE know, our state will observe its Sesquicentennial, or 150th anniversary of its birth as a nation in 1986.

Our once independent nation, today is still a remarkably diverse land. Modern-day Texas is world-recognized for its computer technology, medical research and space exploration, as well as for its cowboys and oil wells.

We have received a lot of material to help promote the Sesquicentennial. Among these are a series of articles which have been collected, entitled "News From the Republic." They were gleaned from old newspapers published during the time Texas was about to battle for its independence.

Some of the articles give a glance at how people saw events of that day and time. Some contain recipes (yes, newspapers even ran them 150 years ago!), of highly unusual nature.

We will be presenting excerpts from the "News of the Republic" series from time to time, as our means of calling our readers' attention to the Sesquicentennial. Here are a couple:

(From an Extra of the Georgia Messenger):  
TEXAS

A meeting of citizens was held in this place, on Tuesday evening, (which, we think, was the largest we have ever witnessed here,) for the purpose of expressing their sentiments relative to the struggle for liberty in Texas, and devising means to aid that cause. The proceedings will be found below, which will show that the spirit of '76 is still alive among us; that we have those, not only ready to repel tyranny from our soil, but like true philanthropists in the cause of liberty, will go beyond our borders, to tender the aid of their persons and arms to a people weak in numbers and means, who are threatened with oppression. We are gratified to see this spirit prevailing to such an extent. Those who embark in it, have the sympathies and best wishes of our whole community; and we cannot but anticipate for their efforts, a glorious and successful termination.

The cries of our fellow-countrymen of Texas have reached us, calling for help against the Tyrant and Oppressor. Let all who are disposed to respond to that cry, in any form, assemble at the Court-house on Tuesday evening next, at early candle light.

They are making quite an article of traffic out of "horned frogs" in Texas. So says the Galvestonian. A large number of frog-catchers are advertised for--smart chore for loafers who have been excluded from on common by the pointed picket fence. These vagrant frogs, when chopped up with a fair proportion of wolf and river rats, are said to make first rate Bologne sausages.

An ale house girl took it into her head to be catechized at church. The person asked her what was her name? "La Sir," said she, "how can you pretend not to know my name, when you come to our house so often, and cry ten times in an evening, Nan you slut, bring us another pot!"

## Youth For Christ Begins For Summer

A summer youth group has been started called "Youth for Christ" and will be for youngsters from all denominations.

Tammy and Dennis Willard will sponsor the group and the meeting will be held Sunday afternoons at 4 p.m. in the Youth Room upstairs at the Methodist Church, unless notified otherwise. "Christianity will be stressed, not doctrines," the Willards say.

Tammy says they believe in youth ministries and that it will be a vital and important part in our children's lives. "Your child is important to God, to his church and to his community," she said.

We need your help, says

Tammy, to support the ministry effectively for the youth activities in our town. Without parental support, youth ministry is impossible, so with your help, this can work for the betterment of the community and for our youngsters.

Some activities will involve a scavenger hunt for food, which will be donated to charity. At times, there will be special guests to share with the group, swimming parties, fun, food and good Christian fellowship for everyone.

If you would be willing to help, give Tammy and Dennis Willard a call.

**CRITTER RACE winners at First Baptist Church were: 2-3 year-olds, Levi Steelman with his mouse; 4-5 year olds, Jeanny King with her rabbit; 1-2 grades, Jason Kerby with his lizard; 3-4 grades, Jo Linda Hodnett with her snake; and 5-6 grades, Belinda Dale with her lizard. The race was held on registration day for Vacation Bible School.**

## Methodists VBS Slated June 17-21

The Vacation Bible School for the First United Methodist Church will begin on Monday, June 17-21. Time will be from 9-11:30 a.m.

Dendy Williams and Trish Sherrill will serve as directors of the school.

Departments include three year olds through six graders. Those in charge of the departments are as follows: three and four year olds, Yvonne Stevenson; kindergarten age, Elouise Dixon; first and second graders, Debra Beau-

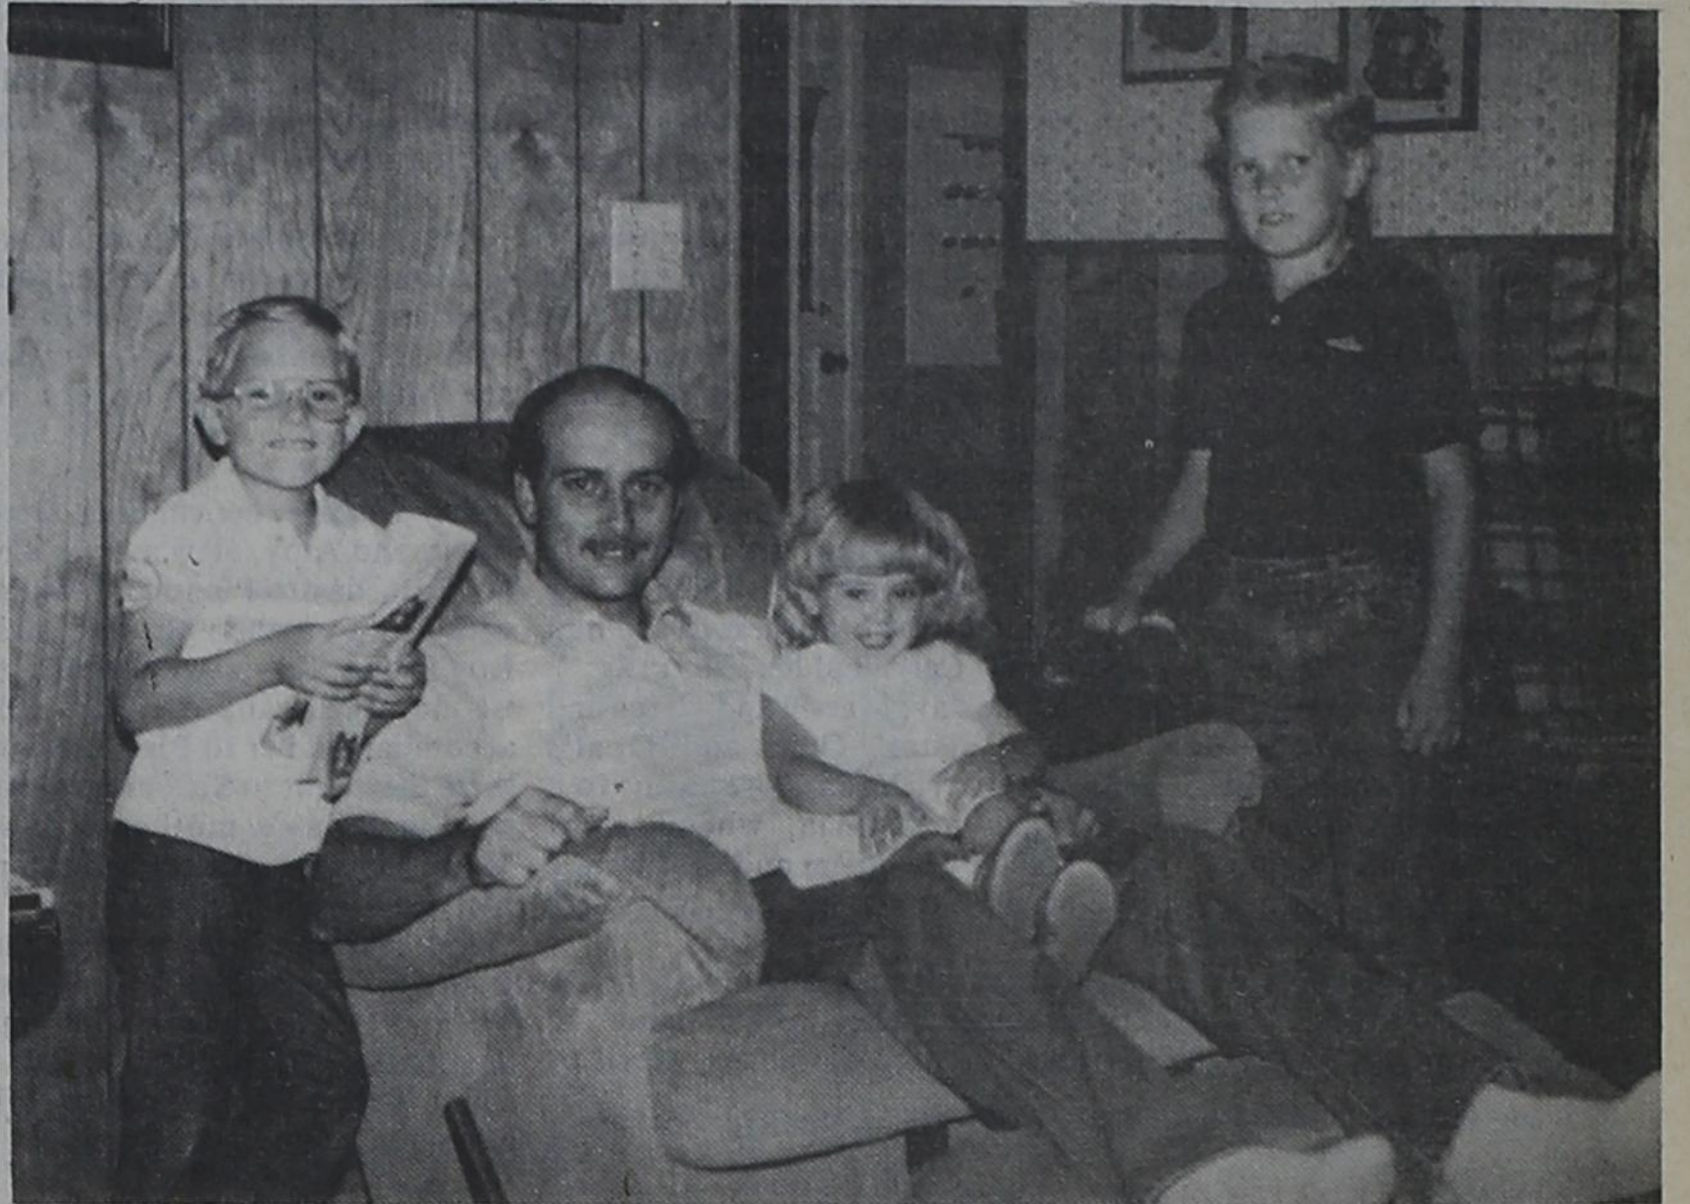

champ; third and fourth graders, Candy Dyer; and fifth and sixth graders, Tammy Willard.

A trailer will pick up the children in town if they wish to ride. Parents will need to call Dendy or Trish, 238-1674 or 238-1407 to arrange transportation. It will begin its route about 8 a.m.

On Friday following Bible School, a program will be presented by the youngsters and parents and friends are invited to attend. A picnic will follow at the City Park.

**FIRST LOAD...Chantel Ward of Sherley grain presents a check of \$50 to John Dixon who delivered the first load of barley June 3. The dryland crop was harvested on the Goolsby place five miles north of Bovina.**

**DEAR OLE DAD...Rehearsing for their parts in making Father's Day, which is Sunday, a happy occasion for father Terry Lusk are his three children, Jason, nine, Justin, six, and Jessica, four. Justin is making Terry's newspaper available, and Jason is on hand with Pop's houseshoes to provide still more comfort. Fathers throughout the community are no doubt hoping they will be the center of such attention on their special day Sunday.**

## Chamber Discusses Events For July 4th

The Bovina Chamber of Commerce and Agriculture's board of directors gathered for their regular meeting on Wednesday, May 22. Members present were: Billy Whitecotton, Tammy Willard, Debra Beauchamp, Joe Bradburn, Connie King, Pat Read, Virginia Rhodes, Gladys Spring, T-Bone Treinen and Frances Willard.

Committee reports were given and Billy Whitecotton said he had been in touch with people at the Del Monte Cannery and more information on the prospect of getting them in Bovina will be learned at a later date.

Virginia Rhodes reported that the lawn furniture had been purchased for a drawing to be held July Fourth and tickets have been printed and distributed to each director. Everyone agreed that their ticket sales were going slow.

Motion was made by Tammy Willard to have a raffle booth, displaying the furniture at the June Trade Days. It was suggested that the furniture be displayed at the Bovina Supermarket and Pioneer Days to be held in Clovis.

Gladys Spring reported that to handle Class B fireworks, they would need a permit, insurance and so forth. It was decided to get up to \$1,500 worth of Class C fireworks this year. The display

would immediately follow the AAG finals.

Connie King is in charge of the Pet Show. She will get Terri Sorley to assist her and they will work out the details. This event will take place at 1:30 p.m. in the park.

Tammy Willard will be in charge of publicity and it was reported that the J-Team from KZZO in Clovis is coming with their remote unit and will MC the "Almost Anything Goes."

The committee to head the "Almost Anything Goes" said the event will begin at 5 a.m. with preliminaries and finals at 9 a.m. at the football field.

## C-C Making Plans For July Fourth

Members of the Chamber of Commerce are now making plans for the first Fourth of July celebration locally in several years.

Among activities of the day will be a pet show for the kids, an "Almost Anything Goes," a fireworks display and a community choir.

Youngsters planning to show their pets during the pet show are asked to begin working now with your animals to have them ready.

The chamber is encouraging all who had concession stands during Trade Days, to have their concession stands ready for the July Fourth celebration.

Further notices will be posted each week before July Fourth to let the public know how things toward the Independence Day observance are progressing.

## County Steer Validation Is Set June 18

Parmer County show steer validation for all 4-H and FFA exhibitors will be held Tuesday, June 18 from 8 a.m. until 12 noon at the Jerry London farm four miles west of Hub on the Bovina-Dimmitt Highway.

All show steers that will be exhibited in the county must be validated at this time.

If anyone should desire more information, please contact the Parmer County Extension Agent or the Vocational Agriculture teacher in each respective community.

The treasury report was given as follows: regular dues amounted to \$1,267.59; banquet, \$19.57; and Bull Town Days, \$190.54.

Billy Whitecotton made a motion to close out the Bull Town Days account and transfer it to the regular account.

New business discussed was the idea of discussion of having a current brochure with information about Bovina. It was stated that Southwestern Public Service Company did one approximately two years ago.

It was stated that Christmas lights for Bovina had been purchased by the Jaycees in the past, but since the club was out of existence, the Bovina Chamber would take over this project. Billy Whitecotton agreed to check with City Hall, to see if more decorations were needed.

The next meeting will be held June 26 at the First State Bank Community Room and each member is asked to bring their lunch.

The meeting then adjourned and members went to the High School Cafeteria for lunch.

## Ford Gets Bid On Co. Pickup

Friona Ford-Mercury Sales was awarded the bid for a new pickup for Precinct 1 at the regular meeting of the Parmer County Commissioners May 28.

Two bids were received, the other being from Reeve Chevrolet-Olds. The bid accepted was for a trade difference of \$9,069.16.

Another bid awarded was to West Texas Equipment Company for a motor grader for Precinct 2. The bid was for a trade difference of \$37,547, with two maintainers being traded in.

Sheriff Bill Morgan met with the court asking for a new car for his department. Although commissioners Anthony and McGeehee voted against, Judge Porter Roberts broke the tie, voting in favor of seeking bids.

The court voted to hire a janitorial service, R&G Enterprises, on a 90-day trial basis, to begin on June 1.

A motion was passed to reinvest a certificate of deposit amounting to \$125,000 from the general fund.

Another motion was passed to seek bids for a used tractor to be used in Precinct 2.

# Scooter's Scoops

By Scooter Russell

We spent a few days at our trailer in the Cimmaron Canyons. They had had lots of rain and the trees and wild flowers were beautiful. The fishing was fantastic and we had a lot of fun visiting with people in the area. We went on Wednesday of last week and returned Sunday evening.

We talked with Laura Bartlett on Monday morning and she said Barty was going to be put in a cast to his waist and he would be moved on Monday of this week to a rehabilitation center in Roswell, New Mexico. Barty was in a one vehicle accident in Ruidoso a couple of weeks ago and suffered back injuries.

Pearl Murry returned home last week after spending three weeks in Phoenix, Arizona with her daughter and son-in-law, Roberta and Norman Vandeventer.

On Memorial Day weekend, Pearl's granddaughter and family, from Flagstaff and her grandson and family from Showlow, Arizona came to Phoenix to be

with the family. They enjoyed their visit including a barbecue and swimming.

Maesie Flynn and her sister, Grace Parr of Friona, have recently attended a family reunion with fifty-one family members present at Mooreland. A dinner of barbecue was served at a niece's home, Mr. and Mrs. Ed Russell. Maesie said they had just completed a huge enclosed patio with a beautiful manicured garden in the back.

Maesie and Grace stayed at their sister's home, Mr. and Mrs. Carl Lehr, and at that time celebrated Carl's 80th birthday, which will be this month. Maesie said she had known Carl all of her life.

One day, Maesie and Grace and their sister, Opal and Opal's daughter, Vada Rose, went to a ranch and farm, where all of Maesie's brothers and sisters were born.

Ricky and Dana Radford of Laverne, Oklahoma came to Bovina with daughter, April of

Alamogordo, New Mexico, and visited in Bovina with Ricky's grandparents, Mr. and Mrs. J.L. Pruitt.

Mrs. J.L. Pruitt has recently had eye surgery and her daughter, Sally Radford of Laverne, Oklahoma, spent a week with her parents.

We congratulate Wayne Spears on the birth of a grandson, Brandon Wayne, who was born June 3. Parents of the youngster are Mike and Lisa Spears of Albuquerque.

Kay Venable, her children, Bud, Rusty and Amy, flew a week ago last Saturday to Plano and visited with Kay's parents, Mr. and Mrs. Roy Stone. Kay's grandmother, Leona McElwany of Amarillo, accompanied her to Plano. While there they went to Six Flags, where they met Kay's mother-in-law, Marie Venable and her daughter, Margaret Jo and her sons.

Kay said they had a good visit in Plano and had fun at Six Flags. They returned home Saturday, June 8. Bud stayed in Plano and his grandparents will bring him home in about a week.

Ronnie and Chantel Ward and son Dustin have recently returned from San Diego, California where they visited Chantel's dad, Dennis Kilmer. While there, they enjoyed sightseeing, going to the beach,

Disneyland, Sea World and San Diego Zoo. Ronnie went deep sea fishing and caught about 50 fish. They said the weather was nice, averaging 75 degrees. They spent about a week in California before returning to Bovina.

Donald Ray Barron is getting along real well, according to his dad, Rouel Barron. Donald Ray underwent open heart surgery for the third time in Maryland and spent eleven days in the hospital. His home is in Amarillo and he flew back to Amarillo and spent a week in St. Anthony's Hospital there. Rouel said he had some problems following surgery, but seems to be getting along real well now and is back home with his family.

We congratulate Joe and Denise

Jones on the birth of a son, Montana D., born Friday, June 7, at 8:45 a.m. in the Clovis High Plains Hospital. The couple have two other children, D'Anne, age seven and Jimmi Dawn, age three. We also congratulate Bovina grandparents, the J.T. Joneses and the Jimmie Clements.

Marilyn Carrell underwent surgery in Lubbock Methodist Hospital on Tuesday of last week. She is getting along fine and came home on Sunday.

Bobby and Irma Jo England and daughter, Devanee, drove to Colby, Kansas and visited with daughter, Carissa and her family. While there, they helped Carissa and family move to Goodland, Oklahoma. They were in Kansas a week before returning to Bovina.

French Crook was taken by Bovina Ambulance on Thursday morning of last week to Parmer County Community Hospital in Friona suffering with breathing problems. His wife, Nellie, said on Monday that he is getting along some better. Their daughter, Nellie Be, will be flying in from Ft. Worth on Tuesday.

Visiting in the home of Elmer and Veda McKay were Elmer's cousin and his wife from Amarillo, Mr. and Mrs. A.H. Phillips. They came on Friday of last week and left on Sunday.

Edna Estes entered Lubbock Methodist Hospital Monday of this week for a liver biopsy. She spent a week in the Friona hospital before going to Lubbock for tests.

Many farmers in recent years have expanded their cropland acres. Some have purchased land, or are leasing or renting land which is seldom right next door to the homestead farm. Usually, it's a few miles away.

That's why we recently created the All-Traction 23°. It has excellent traction in the field but travels to be unusual tread design rides extremely smooth on the highway at top modern tractor speeds.

Firestone

Save up to 5% on your fuel bills.

Compared to Firestone's All-Traction Field & Road 23° bias-ply tractor tire is 2-wheel drive, heavy tillage service, the Radial 230° delivers up to 11% more horsepower on loose soil.

While some tire companies may give you monetary incentives or an exchange program to buy their products, Firestone has a way you don't have to fill out rebate forms or change tires. With our Radial 230° tires, you can go to the field and get your work done at the lowest possible cost. Isn't that what you really want?

## Circus Sets Area Date

The Greatest Show on Earth, America's legendary national treasure of live family entertainment, is coming to Amarillo, bringing a host of fresh attractions combined with traditional oldtime favorites in two-and-a-half hours of action, suspense, daring and hilarity.

The sparkling new Ringling Bros. and Barnum & Bailey Circus opens at the Amarillo Civic Center Coliseum on Tuesday, June 18 for four star-studded performances through Wednesday, June 19.

This season's Edition celebrates the 100th anniversary of the first performance of Ringling Bros.

Circus. The hands of time are turned back a century as audiences travel down the rhinestone and sawdust trail to meet those five innovative Ringling brothers who built the biggest, boldest and best circus the world has ever known.

This season also marks the 125th year of the most romantic of all circus art forms--the flying trapeze. In apt recognition, The Greatest Show on Earth proudly features Miguel Vazquez, the greatest trapeze artist of all times. Miguel is the first and only person ever to complete the once impossible quadruple somersault from the trapeze bar to the hands of the catcher.

## Scooter's Scoops...

(Continued from Page 2)

We congratulate Jimmy and Lola Parson on the birth of their fourth grandchild, a little girl named Blythe Ann. Her parents are Danny and Lisa Parson of Amarillo.

Claude Lusk, Roland's dad, fell at his home in Rocky Ford, Colorado and suffered a broken hip. He underwent surgery and is getting along fairly well.

Twyla and Terry Lusk and children, Jason, Justin and Jessica attended the Hutto family reunion over the weekend at the home of Jay and Furne Harris of Odessa.

Twyla said 44 people were at the reunion and they had a lot of fun. She said Jay and Furne, former Bovina residents, were getting along real well.

NOTICE: Tammy Willard was in the office on Tuesday morning and said the Tug-O-War has been canceled for the July 4th celebrations. So if you would, pass the word. The "Almost Anything Goes" will take care of everything, Tammy says.

Buck and Freda Lloyd, their daughter, Pauline, and Pauline's daughter and grandson, Carla and Jason of Lubbock, all went recently to see the Lloyd's son and daughter-in-law, Paul and Esther. They live at the resort area of Hill Top Lakes, which is about 100 miles from Waco. They had a great time being together and Freda said Paul and Esther had a huge six bedroom home and the country side was beautiful.

Pete Hernandez' father came to Bovina Sunday. Pete drove to South Texas and brought his dad home with him. On Monday night of this week his dad was taken to the emergency room of the Friona hospital for treatment. He was released and will spend a couple of days with Pete, then Pete said he would be taking him to his sister's home in Hereford.

## Class Attends Church Conference In Amarillo

The Youth Methodist Sunday School Class and some of their friends traveled with their teacher, Tammy Willard, to the Northwest Texas Annual Conference. The Bovina group attended the activities, which included devotional and worship services, Water Wonder World, swimming, took in a movie, ate out, shopped, attended Dance with Spirit Wind at St. Luke's UMC, bowled, played racquetball, skated, jogged and did workouts at the Activity Center.

Tammy expressed her appreciation to a group of youngsters, that "couldn't be beat," and also to the parents of these youngsters who let their children attend the conference.

The children included in the group were: Keri Mitchell, Mendi Rhodes, Joann Clayton, Jennifer Beauchamp, David Boozer, Clay Carrell, Todd Ware, Chris Caldwell and Robby Dyer.
