It is a source of many by-products, running a wide gamut from medicines to animal feeds, which reported, after the notification of ly brighter this year," Health Ofbring him in a substantial reven-relatives, which usually takes two ficer George Cox said. This year's ue. And the revenue he gets from the by-products make it possible for him to hold the wholesale prices of meat to a much lower level than would otherwise be possi-

So there'd be no economy in taking on that whole pig!

Let's hit the grass roots again see what folks are saying off the square. The Abilene, Kansas Daily Reflector-Chronicle says, "Perhaps the best example of a handicapped person rising to great heights, is Helen Keller, one of America's greatest ladies. Her recent trip to Latin America may have won more good will for her country than all our diplomatic missions. She is the sort of a peron to whom the people in the countries she visits can open up ricultural products nearly 3 pe their hearts."

"The million non-operating rail workers of 15 unions, who have monthly report showed slight railroads, say, they do not want crops more wages . . . The 'frings' benefit; they are now demanding include longer vacations, paid health and welfare programs, increased overtime rates for Sundays and holidays, and more liberal free transportation allowance. This may not be money to the railroad worker-but it would be to your scribe" -Coatsville, Pa., Record.

The Baltimore Daily Record "Maybe we are wrong, but we wonder if the post office deficit couldn't be cut a bit by eliminating a high per centage of the stuff that is franked by Congressmen and various government bureaus. The newspapers today keep the public pretty well informed concerning matters in Washington, and many of the franked matters seem superfluous.'

While we have not started complaining about dry weather, the dumbest ox in the county knows that we really need a good rain.

Stock Prices Get Boost In Middle July

Livestock and livestock product rices increased last month, boosting the mid-July index of prices prices increased last month, boosting the mid-July index of prices received by Texas farmers for agcent higher than in June.

The Agriculture Department's served new demands on 311 U.S., changes in prices received for

Eggs averaged 44.5 cents per dozen, highest mid-July average on record and 2,5 cents more than in

Hogs brought \$24.50 per hundred weight. up \$1.60. This was the highest mid-July price since the hig 1948. Beef cattle climbed \$1.80 to freight line, which links Wichita from the heirs of Frank Kell, \$12.80 and calves advanced \$1 to Falls with Dublin. at \$7, but lambs dropped \$1.50 Ranger. to \$16.30.

Egg Prices To Level Off, **USDA** Reports

Agriculture Department warned farmers not to expect unusually high egg prices for the remainder of the year.
Officials said egg prices won'

be able to keep pace with the big gains registered earlier in 1953 because production figures will probably set a seasonal record in the coming months.

Instead, a farmer's egg prices will keep more or less constant 1952. Raises later in the summer are not expected to be above aver-

There are more hens on farms and their production is steadily increasing.

This would ordinarily keep prices down. However, storage stocks of shell eggs are the smallest for the month since records were first kept in 1916.

Officials explained that high prices this spring discouraged storagemen from building up stocks. There are also about 7, TEXAN GETS TOOK-Texans do everything in a big way, 000,000 pounds less of frozen eggs even to losing money. Nick Rossi, Ft. The Auto is a Dandy but a Death-Dealer-

. A lot of people imagine the automobile to be a wonderful plaything like a shining toy, but actually it is a deathdealing machine. The National Safety Council says the average motorist makes from 20 to 50 decisions an hour. What happens if only one of these decisions is wrong? In heavy going a driver is never more than one second away from an accident. So folks go right ahead but don't blame us if you never

Massacre Mountains by Frank C. Robertson

made every decent instinct in Cass pealed to him. It was his way

WHEN Cass Dean received Pete's revolt.

In the morning she had not made up her mind about what to so made up her plap of action.

She had met Zad at breakfast greeted him somewhat coquettishtween them. What Pete had said about Betty scarcely made an impression. Now he was throwing her to Zad Barnes.

If that's what he wants she decreased the some thing I thought you might want to see." She handed him her to have no scruples against the institution, he hinted that this WHEN Cass Dean received Pete's rev

her to Zad Barnes.

If that's what he wants, she decided, she would marry Zad.

Zad had a queer fascination for her. In her heart she admired men, who took what they wanted. She hated poverty, and she knew Zad was the face as he read. "Where did crossing Tobey—a dangerous business.

A FROWN deepened on Zad's but that it would mean double—the face as he read. "Where did crossing Tobey—a dangerous business.

The finally Caes got the rest out of the property of the property and his Indians were him. Tobey and his Indians were him. Tobey and his Indians were him. Tobey and his Indians were him. was rich. Already he had hinted washed out some clothes yester-him. Tobey and his Indians were that if she would have him they day I hung them out in the trees, going to loot Nate Wilkinson's

was rich. Afready he had hinted washed out some clothes yesterthat if she would have him they day I hung them out in the trees,
would clear out and go where and when I brought them in this
they could live in luxury the rest was pinned to one of my garof their lives.

For a few minutes she paced her
room with a tigerish stride, and
then she read the note again. This gotten right into his stronghold,
then she read the note again. This gotten right into his stronghold.
She had now come to know
time she caught Pete's meaning but he had no reason to question
and her anger subsided, but her her word.
opinion was not changed. She was
still sure that Pete no longer
cared for her, but had fallen for Morrison?"

"Is what he wrote true?" he
still him she would have to reaked abruptly, "Do you hate
nounce every moral principle of
her life. And all he had to offer
this girl, Betty. But she sensed
that he had deliberately given her I was infatuated with you, but why
away to establish herself with should I lie about it? I admire
Zad Barnes without for a moment men who make their own way.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.
Deliberately she tore off the mired you before I ever met you.

Deliberately she tore off the mired you before I ever met you.
Delib

match. She knew that Pete wanted his bold gaze across the table withher to come out to High Valley and
find out from old man Williams
where he was. That meant that
Pete was somewhere near, and in
great personal danger.

The thing was, she realized, that's why I don't care what hapher imagination.

Cass said, "Don't ever make me
great deal of money for himself
you. Pete Morrison threw me over:
In that she was drawing purely on
that the still loved Pete enough peers to him or this girl he told me.

Cass tried without heing too ob-

that she still loved Pete enough pens to him or this girl he told me that if she couldn't have him she he was crazy about."

Cass tried, without being too obtained in the couldn't have him she he was crazy about." that if she couldn't have him she he was crazy about."

And she had the means right in worry. If that's the way you feel see the girl and, if possible, help her hands. In bed that night her about Morrison, I'll make you a her. By observing little things mind kept turning to the girl, Betty, and in spite of herself a strange pity began working within her. At pleast the girl was innocent and she was getting a horrible deal which to, but I may have other plans."

Cass tried, without being too obvious about it, to learn where Betty is seen to learn where Betty is s

thing out of him, but Cass knew the tricks. She would not marry

since the government had done a- I "fair condition", he did not think way with WPA. He said that the WPA was the finest organization honor and had taken the public he ever worked for and that he services oath, should get so "het" had more or less retired since up over a bunch of frogs, that his they laid him off. There was a reason and judgment was "off." twinkle of pride in his eyes when! The writer feels that theoretically he noticed the writer marvelling at Laney is, of course, right, but the 14 children playing in the front | looking at it from a psychiatric he said, "I keep fairly busy around of iron could have controlled his home, have to, with my family. Mr. Lushwell said that he might stay with his nephew, Willy, until WPA started up again and that he thought that would be any day now with Eisenhower in the president' chair. Mr. Lushwell was amazed and fascinated at the way water and sewage could be piped into the home. In his words: "I'll be dad-burned, what will they think of next-that beats all I ever did see." The writer took Mr. Lushwell down and showed him through the Sewage Disposal Plant - Lushwell remarked: "If Truman had stayed in office, we could have had the government furnish us one of them

Mr. Lushwell seemed very proud of his newphew, Willy. He said, "I allus knew Willy would make "I allus knew Willy would make suspicion along with Johnson. good, some folks back home thought he was backward and not very smart, just cause he didn't do much good in school, but if they could see him now, in shoes, living in to smell his breath also-consea house, and all diked out in his golf clothes." He told the writer that Willy had promised to teach him how to play golf, so no doubt we will soon have a new member in the Country Club set. Frogs
