REFLECTIONS FROM LIFE

real Christian, an individual is fully aware of the whole ruth realizes that there is just "There is but a step between me

Realizing this truth we often wonder why Christians will become lukewarm, and by so doing lose all their joys of Salvation.

They should realize that life is neertain, but that death is sure, and every moment should be stent in a manner pleasing to God.

the clan Sunday, Aug. 23, in Cameron Park in Waco. The oldest brother, Elbert Pryor of Eastland, celebrated his 84th birthday at the affair.

Five brothers and two sisters were present including Elbert Pryor of Eastland, Dan Pryor of Balas, Mrs. Leroy Dowdle of Mesaint to carry us on Calm.

dealing with us for years, we saw Paynor Teat, all of Waco. Two the light. We went to God with a other sisters, Mrs. Roy Summercontrite heart and on bended hill of Fort Worth and Mrs. Mag knees, and made a complete con-fession. We felt like the Psalmist able to attend the reunion. David felt when he wrote the 51st Also present were Mrs. Dan Psalm, and God had our complete Pryor of Dallas, Mrs. Frank Pryor story. Since that time we have been serving Him as best we could and each day our faith and strength have been increased.

He will carry us through all life's trials and temptations, and we feel that His strength will never fail us. Storm clouds may, and do arise, but He prepares a silver lining. We have been made to know that He is just as strong as we are weak, and we depend sole.

Haroid Sides, former Cisco Julious condition in a Boerne hospit-dious condition in a Boerne hospit-dio

lets it fall over in the abyss-sees ing; appare 10 y doomed to be dashed to be s; but the mother birds, watch 65 drops like a plummet, with edible speed, beneath the your bird and treceives it on the broad maternal wings and bears it up to heights, only to doomed to be the fledgling is prapared, when the hother swoops down to arrest fall, to take the wing and low the mother in her majestic.

So it is with God. He will furnish the strength and everything else we may need, until that time, when by grace and through faith we are able to care for ourselves. The mother eagle and the fledgling may become separated, but we are never separated from God (Rom.

Then let's resolve to be satisfied with God's care. Let us remember that Daniel shone in Baby lon for his fixe! will to do right. The fiery furnace could not com-pel, nor the Lion's den constrain him to conceal his religion. This takes moral courage and a real backbone, but it will pay in the end. If God be for us, who can be against us? Just answer that.

If we have doubts as to whe ther we are doing our best, why not learn the truth? That's what ich young man did when his head the Saviour "What lack I yet." The Breckenridge; three sisters, Mrs. Saviour told him, but the young man refused to pay the price, and we are told that he went away sor-

He asked for Salvation yet he refused to obey the first com-mendment— "Though shall have no other God before me." The The young man proved by his action that "Money was his God." We (Continued on Page 3)

Responsibility Is Not Fixed In Schnare's Death

Investigation surrounding the Deep down in the very bottom of their heart there is not a bornagain Christian in the world who doesn't have some kind of a desire worship God and to obey His commandments, yet there are many Christians who fail to let their lights shine, and so far as the world is concerned, non would suspect them to be Christians.

A man or woman in this condition is to be pitied. They have what it takes to make them happy, but are afraid to let it be known.

One working God and to obey His commandments, yet there are many Christians who fail to let their lights shine, and so far as the world is concerned, non would suspect them to be Christians.

A man or woman in this condition is to be pitied. They have what it takes to make them happy, but are afraid to let it be known.

The verdict does not definitely rule out the possibility that the woulds inflicted mey have been self-inflicted. It states that information has not been sufficient to fix any criminal responsibility for the death.

Two Texas Rangers and several

Two Texas Rangers and several peace officers in the area, assisted with the investigation.

Funeral services for Mr. Sch-

ruth realizes that there is just one stop between him or her and death. Samue mentioned this fact when he wrote in the inspired word of God (I Samue) 22:3—

Funeral services for Mr. Seminare were conducted from the family home in Da Leon Wednesday, Aug. 19, with burial in the De Leon cemetery.

Pryor Family Hold Annual Reunion In Waco

Funeral Rites Are Pending For J. J. Andrews, 71

pending early Saturday for Jesse John Andrews, 71-year-old resident of Breckenridge since 1919, who died in a Breckenridge hospital Friday at noon following a long illness. He had been confined in the hospital since Aug. 6.

Mr. Andrews, a retired book keeper and accountant who had Lived in Stephens County for more than half a century, formerly opperated the cotton gin at Necessity in the southern part of the county, and later operated a mill at Eliasville, He was born Feb. 1,

1882 in Alabama. Survivors include his wife, Lu-la Mae Andrews; two sons, A. C. Andrews and W. D. Andrews, both of Breckenridge; three daughters, Mrs. H. B. Post of Tallulah, Ala., ge, Mrs. D. H. Collier of Austin; Dick Newell of Albany, Mrs. Smitt Crowley of Abilene, Miss Ora An-drews of Breckenridge; and eight

More than two million Ameri cans will be living in mobile houses by the end of the year, it was revealed when the trailer coach in-dustry staged its annual showing. Almost three quarters of a million homes on wheels will be in use, and most of the new ones wift be 30 feet or more in length—as long as the "long side" of the averago

EASTLAND, TEXAS, SUNDAY, AUGUST 30, 1953

Former Cisco Grid Ace Shot By Hitch-Hikers

The youngest of the two adattempted to escape, but that the actual shooting was done by the older man. He said that Sides had given them a ride and that they had decided to pull a few "holdups" while en route to California. The younger man said that he was A.W.O.L. from his duties as a Marine.

Sides attended Cisco Junior College for two years some four years ago. He was a hard running back on the Wrangler team. After leaving Cisco he entered the Navy and was still in the service at the time of the skooting.

Little Hope For End of Strike Over Trouband

There was little hope early Satarday for settlement of the sixtate Southwestern Bell Telephone strike over the weekend period. Representatives of the CIO

phone workers' union and of the Southwestern Bell organization are still deadlocked over the wording of a "no strike' 'clause demanded by the telephone company. In the meantime, Eastland

County's three Southwestern Bell exchanges - Ranger, Eastland and Cisco - will continue to be manned by skeleton crews of supervisory personnel. Emergency calls only are being accepted for transit on both local and long distance circuits.

In addition to the three Eastland Southwestern Bell units, other manually - operated exchanges in the area also involved in the walkout include Weatherfand, Mineral Wells and Breckenridge.

A total of 53,000 CIO telephone workers walked out at 6 a.m. Thursday, Aug. 20. The strike began its 10th day Saturday.

Wood Houses Can Survive **Atomic Blasts**

What are the chances of your use surviving an atomic blast? Pretty good, according to the Association, if it's a wood house and if it's located away from the immediate target area. How far on the size of the atomic blast, on how well the house was con structed, and on a number of oth

New information about the re sistence of wood houses to an ato mic blast is contained in a report just published by the National Lumber Manufacturers Association. The report, written by NL MA's Pacific Coast building codes consultant, appraises the results of an atomic test conducted last March on two typical wood houses in the Nevada desert, Kimbell and Fies were present as observers at

the trst.

House No. 1 was located about two-thirds of a mile from ground zero—the point directly below a 300-foot tower from which the explosion was set off. House No. 2 was situated about a mile and a half from ground zero. The atomic Cleats and moleskine come out blast was equal to some 15,000 less than the A-bombs dropped on

The NLMA report said the test indicated that under similar con In Eastland County pre-season ditions the following could be ex-

ATTEND CHURCH SUNDAY

Sunday - Monday - Tuesday

Dear Patron:

wish to answer.

I would like to tell you of a

very different type of motion

picture, "The Moon Is Blue".

This is an adult picture and is

not for children. A child would

not understand it and it might

lead to questions you would not

frank and human story, with no

flowers of fancy trimmings.

The talk is right to the point,

making it a hilarious adult

When you see "The Moon I

Blue" in the cool and comfort of the Majestic Theatre I can

promise you and hour and 40

in of the most sensational en-

tertainment you have ever seen.

Children will be admitted

Corle Pierce, Mgr.

with their parents. Or if an

adult buys the ticket. All seats

for this feature will be 60c.

"The Moon Is Blue" is a

The Auto is a Dandy but a Death-Dealer-

A lot of people imagine the automobile to be a wonderful plaything like a shining toy, but actually it is a deathdealing machine. The National Safety Council says the average motorist makes from 20 to 50 decisions an hour. What happens if only one of these decisions is wrong? In heavy going a driver is never more than one second away from an accident. So folks go right ahead but don't blame us if you never
