ABOUT

Eastland

By VIRGIL E. MOORE

People are crazier than anybody. Especially small town editors. We take full responsibility for this dumb trick we pulled the other night.

A lady knocked on our door and we answered it. She asked, "Does the paper man live here?" Now we thought she was speaking of Marlin Cagle, who is a paper man, and who did live in this same house not too long ago. Marlin is circulation manager for the Fort Worth Star-Telegram in Eastland and when he lived where we now he happened to have the same phone number we do now. Well, to make a long story short we have answered the phone several times, we'd say about 50 thousand, and the person on the other end wanted to speak to the "paper man", always meaning Mr. Cagle.

So when the woman asked if the "paper man" lived here we told her, no. Even offered to look up the "paper man's" address. She said, "Thank you, no" and left.

We closed the door and at about the same time Frances said, "Virgil, you are a paper man, remember?" The woman was gone so what could we do. Nothing but admit we are stupid.

Quarterback Club members got the following message from J. E. Edwards, their secretary-treasurer. (Continued on Page Six)

BAND PARENTS TO SPONSOR CALENDAR

The Eastland Band Parents Association will sponsor a Community Birthday Calendar this year, Mrs. E. E. McAllister, president of the club said Thursday.

The calendar will give Eastland a chance to become more community minded, Mrs. McAllister said. Beside birthdays, other important announcements will be listed, such as the meeting date of clubs and public meetings.

Mrs. McAllister, who will serve as overall chairman of the campaign, said the drive would be the money-raising activity of the club this year other than sponsoring the refreshment stand at football games.

Other drive officers are Mrs. W. W. Linkenhogger, chairman of the advertisement committee; Mrs. Howard Green, chairman of the Individual Listing Committee; and Mrs. Thura Taylor, chairman of the Club and Group Listings Committee.

Members of the club and all band students will sell listings. Each listing will cost 25 cents and calendars will cost 50 cents. The club hopes to sell at least 300 calendars.

HS-U Coach To Speak At Carbon Grid Banquet

The annual Carbon High School football banquet will be held Tuesday, Dec. 8 at 7:30 p.m. in the Carbon school cafeteria.

Football boys, pep squad girls and high school teachers will be the guests.

Tickets for the banquet will go on sale Saturday, Murray Evans, Hardin Simmons College grid coach, will be the principal speaker.

OWN THE ECONOMY WINNER The 1954 DODGE McGRAW MOTOR CO.

and Harvey Lewis and Frank Lightower, directors.

Thirty members attended the upper. The free meal was praised by members and guests alike.

Hubert Westfall, the retiring president, presided over the meeting. Westfall will automatically become a director when the new officers take their oath Jan. 1. Holdover directors are John Lively and Milton Hunt.

Retiring officers are Westfall, E. K. Henderson, director; Curtis Koen, vice-president; and J. E. Edward, secretary-treasurer.

A financial report was presented to the club by Westfall. The report showed the Quarterback Club had spent \$593 to boost local sports in the past year and that an additional \$1,000 has been earmarked.

Dispersment of funds included buying three football jackets for Junior High boys, building a press box, spending Douglas track team to state meet, dirt work and well at football field, films for football game, sprinkler for football field, and miscellaneous expenses.

Funds earmarked include \$800 for construction of a practice football field and track south of Maverick Stadium and \$200 toward purchase of an electric clock for the gym.

Even after the \$1000 is spent the club will have a balance of \$270.28 for the year.

The report showed membership dues added \$795 to the treasury, the Minstrel \$875.71, and the banquet \$5.76.

Westfall told the club he was proud of the Quarterback Club's achievements during the past year. He said it had been an honor to serve as president.

Last Rites Held For Mrs. Webb

Funeral services were held at 3 p.m. Tuesday at the Cisco First Baptist church for Mrs. J. B. Webb, 64, Rt. 1, Rising Star, a pioneer of Eastland county who died Sunday in a Cisco hospital following a short illness.

Rev. A. R. Collier, pastor of the Scranton Baptist church, presided and Dr. H. M. Ward, pastor of the Cisco First Baptist Church and Rev. James Hennig, pastor of Grace Lutheran Church assisted.

Burial was in Oakwood Cemetery under the direction of Thomas Funeral Home.

Survivors include her husband; two sons, Stanley of Cisco and E. B. of Detroit; three daughters, Mrs. Stroebel of Cisco, Mrs. James Dean of Amarillo and Mrs. R. B. Huestis of Iberia, La.; a brother, Lee Chandler of Hobart, Oklahoma; two sisters, Mrs. J. P. Weatherall of Amarillo and Mrs. Addie Le Clair of Electra; and seven grandchildren.

Pallbearers were Durwood Maynard, Henry Carter, James McCracken, H. L. Gray, Troy Lamb, J. L. Thornton, Virgil Simpson and Jeff Graham.

Mrs. Webb, a resident of Eastland county all of her life, suffered a cerebral hemorrhage at her home at 1:15 p.m. Saturday and was rushed to a Cisco hospital.

She was born March 21, 1889 in the Flatwoods Community. She married J. B. Webb at Romney Feb. 5, 1905 and they had lived in that community since.

Mayor Davenport Urges Citizens To Clear City of All Dead Trees

Mayor George L. Davenport Thursday urged Eastland residents to open up an all out offensive to rid the city of dead trees, victims of the record long drought.

Mayor Davenport said the trees presented a safety hazard as well as a scar on the city's appearance. He urged the planting of new trees to replace those killed.

The ex-District Judge said, "Few home owners realize it, but this is the ideal season for removing dead, dying, dangerous or unwanted trees."

It is a well known fact that the condition of the trees won't improve with Spring. And it is much simpler to remove them while they are dormant, while gardens are abandoned and while lawns are fairly firm.

In spring and summer, the problem of tree removal is complicated by growing vegetation all around. The home owner or tree surgeon may spend as much time protecting lawns, shrubs and flower gardens as in actual removal process.

Winter removal requires skill and care, too, but the task is easier and usually less expensive than at other times, especially the twin chores of cleaning up and disposal, tree experts tell us.

Although dangerous trees may appear less hazardous without

BURLESON TO ADDRESS LEGIONNAIRES

Omar Burleson of Anson, representative of the 17th Congressional District, will address members of the Dulin - Daniel Post 70 tonight at 8 p.m.

Rep. Burleson will discuss various issues pending before Congress and achievements of Congress during the last session.

A Legion spokesman, H. E. Fitzgerald, said the meeting was open to the public. He urged members to bring their wives and friends to hear Burleson's speech. (Continued on Page Six)

Fifteen Players Report For May Cage Work-out

Feed Store To Open In Eastland

Eastland's newest business will hold its grand opening Saturday. The Brown Feed Store, owned by J. E. Brown of Gorman, will open its doors for business Saturday morning. Brown's will be headquarters for Paymaster feeds in Eastland.

Kid Mosey of Olden, well known cattleman, will be manager of the Eastland store.

Brown has lived in Gorman for the past 57 years. He has been handling Paymaster feeds for the past two years.

Brown said the store will buy poultry and eggs at the store. Brown's will handle poultry feeds, dairy feeds, hog feeds, range feeds, turkey feeds, dog food and special feeds and mineral supplement.

Open house will be held all day Saturday. Favors for the ladies and children with special entertainment by the Paymaster Hired Hands will be on schedule from 2 until 5 p.m.

Explosions Rock Eastland; Damage Light

Explosions rocked Eastland Wednesday, but no one was injured and property damage was light.

A series of explosions Wednesday morning sent the volunteer firemen rushing to the city asphalt tanks near the new Memorial Hospital. Rumor swept the town that the hospital was on fire.

A. H. Brown, a city employee who was working at the asphalt tanks when several barrels of asphalt became ignited, said the asphalt was being heated to use for road repair when it ignited. The explosions were caused when fire reached air tight barrels of the asphalt and it became hot.

County representatives who attended the State Highway Commission hearing in Austin Tuesday reported "good results" Thursday. The SHC hearing was requested by the Eastland County Commissioners Court to request that a bridge be built across the Leon River Lake which will be formed when the nearly completed dam and reservoir is finished.

Ranger City Manager Lester Crossley said he believed the Commission realized the importance of quick action. He said it was estimated that the bridge would cost about \$60,000.

Virgil Seaberry Jr., president of the Eastland Chamber of Commerce was speaker for the group. He too, said he felt action might be favorable.

Others attending the hearing were Mr. and Mrs. O. T. Hazard of Staff, Grady Pipkin and Herb Tanner of Eastland, County Judge John Hart, County Commissioner Bennett of Gorman, and Henry Davenport of Ranger.

Rep. Omar Burkett of Eastland also asked the Commission to finance the project. Another who spoke in favor of the bridge was Rep. Chambers of Brownwood.

The Commission took the project under advisement. Tanner said state engineers would probably check the possibilities before the Commission made a decision.

SHELTON TO ENTER CHARGES IN CISCO TOURNAMENT DEC. 10

Fifteen players reported to Coach Carroll Shelton's initial call for basketball workouts this week and the Maverick cage squad is whipping into shape a rapid pace. The Mavs, still with only a tentative schedule except for district play and three tournaments, will compete in District this year. The district has been divided into two zones, the east and the west in order to make play practical.

Eastland will compete with Leon, Ranger and Dublin in the East Zone, West Zone members are Rising Star, Cro's Plains, Wylie, Santa Anna and Bangs. Winners of the two zones will meet in a play off series to determine the district champion.

Coach Shelton's squad is composed of Benny Gates, Clyde Evert, Larry Graham, J. D. Hanson, George Harris, Stanley Harris, Jimmy Moran, John McAllister, Bobby Pittman, Jerry Starnes, Dale Slaton, Leo Smith, Clayton Stoker, Larry Tankersley and Douglas Williamson.

The Mavericks have tentative games scheduled with Cisco and Baird, this month. The district schedule will begin Jan. 29 when the Shelton-men entertain DeLeon on the local hardwoods.

The Mavericks will enter the Cisco tournament the 10-11-12 of this month. That leaves Coach Shelton less than a week to whip the locals into shape.

The next tourney date is Jan. 6-7-8-9. DeLeon will host visiting five days in the annual DeLeon Invitation Tournament.

Eastland will journey to Ranger Jan. 26 to meet the Bulldogs in the Mavs second district encounter. Then on Jan. 29 the Mavs will host Dublin to round out the first half of the double round-robin play.

Second round play will begin Feb. 2 with the Mavs traveling to DeLeon. Then on Feb. 5 Ranger will come to Eastland in a return match. Final district game of the season will pit the Mavs against Dublin in a game to be played there.

Coach Shelton was too busy with speeded up practice sessions this week to worry about getting down the height of his charges, but

Weather FREYSCHLAG INSURANCE AGENCY

No. Side Square Phone 173 Presents the Weather Report

FREEZE DUE TO STRIKE HERE FRIDAY

The weatherman said a second big cold front would hit Eastland county today. He said the temperature reading would drop below freezing early Friday.

The forecast came on the heels of a hard downpour and hail in Eastland. Ranger got a "hard sprinkle" and hail fell near the city.

The weatherman said it would be generally cloudy Thursday and Friday with high temperatures both days near 50 degrees. He said it would get down to near 30 degrees tomorrow night.

Eastland recorded .76 inches of rain.

Former Olden Man's Father Buried Today

Word was received here Thursday that funeral services were to have been held today for the father of Rev. Clifford Nelson, former pastor of the Baptist Church in Olden.

Mr. Nelson's father was 83 years old and had been in ill health for some time, but his death was unexpected.

Junior Play Scheduled For December 11

The Junior Class of Eastland High School will present their annual class play, "Brother Goose", under the direction of Mrs. Earl Conner Jr., Dec. 11 at 8 o'clock in the High School Auditorium.

Sparkling lines, amusing situations, and a grand cast of eleven members of the Junior Class, promise a memorable, laughter-filled evening of entertainment.

The plot concerns the troubles of Jeff Adams who is an architect by day and general cleaner-upper for his orphaned brothers and sisters in the evening. Football, a motorcycle, a sewing machine, poison ivy, and a steam shovel serve to add confusion to an already chaotic state of affairs. In the hectic midst comes Peggy Winkle, a delightfully vague girl, who is supposed to sell hoisery but really brings order, comedy, and romance to Brother Goose's household.

The cast: Doug Warren plays the part of Jeff Adams; Betty Hagar is Carol Adams; Darrell Basham, Wesley Adams; Sylvia Sullivan, Hyacinth Adams; Lovelle Lewis, Helen; Margie Lane, Peggy Winkle; Linda Brockman, Eve Mason; Leona Ellis, Sarah; Lylia Houston, Lenore; Jane Clark, Mrs. Trimmer; and Benny Warren, truck driver.

C. E. Coffman Killed In Auto Wreck

Mrs. Nora Stiles received word today that her nephew, C. E. Coffman of Breckenridge was killed Wednesday night in a car accident, near Midland.

Mr. Coffman is survived by his wife, his mother, Mrs. Ida Coffman, two brothers, Terrell Coffman and W. H. Coffman of Breckenridge, and a sister, of Lubbock.

Mrs. Coffman was visiting her mother, Mrs. Mary Barglesley of Eastland, when she received word of the death of her husband.

Funeral services will be held some time Friday.

It's Your Turn Citizen, Let's Hear From You!

Recreation Board Plans City's Future

(Editor's Note: This is the first of a series of articles written especially for the Telegram by a college Recreation major. Two more articles will follow.)

Did you know that here in Eastland there is a small group of people trying to make a dream come true? Not only a dream they can benefit by, but a dream to make Eastland a more wonderful place in which to live. It's a dream for you and me, a community-wide recreation program.

We can almost hear you sigh right now and say, "Well, it's about time." How right you are! It is about time! About time the people of Eastland wipe the dust off their glasses and see how much we NEED such a program. About time the parents see to it that the

young people of this community have something worthwhile to do in their leisure time. About time the adults find something more constructive to do than to sit and worry about their troubles and their neighbors. About time you citizens get behind this program and give it your 100 percent co-operation and support. Every civic club and organization in this town should be knocking at the door of this committee wanting to help in every possible way. The schools and churches should be there wanting to do their share, too. These are, after all, the agencies in which you citizens have your say. They belong to you. They are your way of making Eastland a better town.

What, what IS this recreation program? You ask, "What will it include?" A community recreation program is the greatest thing that can ever happen to a town. It is that dream come true, for it is that common meeting place for all. In recreation there is no segregation. It is for young and old, rich and poor. It is a chance for parent and child, employee and employer to come together to relax and have some clean, wholesome, constructive fun! A recreation program is made up of those activities that the community wants and needs. As long as the citizens are behind such a program, there is no limit to what can be done.

If everyone had the enthusiasm this recreation committee has, we dare say, we would already have our own recreation program. But, even when you try to do your best, you can't please everyone, and there has been some criticism of

the idea of such a program. Surely those who have made this criticism have made it without understanding the idea of a recreation program. After all, no civic-minded citizen is going to try to stop progress when it's for the good of the community and so badly needed. Should there be any more criticism, however, we mustn't let that stop us. We can't afford to! Remember when Eastland didn't have a hospital? We shook our heads and remarked that it was a shame that people had to drive to other towns to receive hospital care. We did something about it, too, didn't we? Well, it's worse than a shame that our young people have to drive twenty and thirty miles to find something to do! This thing is big! Are you going to be left out? Let's hear from YOU!

Missionary To Preach At Gorman Church

The Rev. Winfred Harper, who, with his wife, have been in Nigeria, West Africa, for three years as missionaries of the Southern Baptist Church, will occupy the pulpit at the First Baptist Church of Gorman for both services Sunday, Dec. 6th.

At the evening service there will be shown a number of pictures of their field of service in connection with the sermon. On Monday following, Mrs. Harper will meet with the women in the Women's Missionary Union when she will give a message on Nigeria.

The public is cordially invited to all the Sunday services and also on Monday to the ladies meeting.

While on leave the Harpers have taken courses at the Southwestern Baptist Seminary and have spoken from a number of Central Texas pulpits.

Winfred, son of Mr. and Mrs. W. D. Harper, is a native of Gorman. His parents, however, moved to Abilene when he was ten years of age. He received his high school diploma in Abilene and took his degree from Hardin-Simmons. Later going to Fort Worth he finished advanced work at Southwestern Baptist Theological Seminary.

While a student he pastored churches in Taylor, Haskell and Lampasas Counties. When he and Mrs. Harper received their assignment to Nigeria he was pastor of the Woodrow Baptist Church in Lubbock.

The Harpers have three children, Bill, 10; Dickie, 4; and Beth who is one year old.

Mr. and Mrs. Harper will return to Nigeria June 1954.

Clyde Young's father, Sam H. Young of Stamford, who suffered a heart attack about 10 days ago, is now improved enough that he was returned to his home, Wednesday from the Stamford hospital.

Baptist WMS Sets Christmas Tea Dec. 8th

One of the highlights of the Christmas season for members of the First Baptist Church each year is the Annual Christmas Tea and Book Review sponsored by the WMS for all women of the church.

This year the tea is to be in the church Fellowship Hall on Tuesday evening, December 8 at 7:30 p.m. Mrs. M. A. Treadwell will review the book, "As Love Knows How" by David and Alice Cheavens.

An extra feature at this affair will be a "Silver Tea", proceeds of which will go to a young high school girl whose parents are missionaries on the San Andres Island off the coast of Colombia, South America. She is in this country attending school and will be given a Christmas gift by the ladies attending the "Silver Tea".

Those assisting with the serving and decorations include: Mrs. V. L. Red, Mrs. Carl Jones, Mrs. Wayne Brock and Mrs. C. M. Rhatel.

Co-Ed Club Elects Officers At Tue. Meeting

New officers were elected Wednesday when members of the Co-Ed Club met in the home of Sylvia Latham.

Dixie Day was elected president; Sylvia Latham, vice-president; Goldia Skiles, secretary; Barbara Hightower, ways and means committee chairman; other members are Donna Scott, Brenda Tankersley, and Jane Jordan.

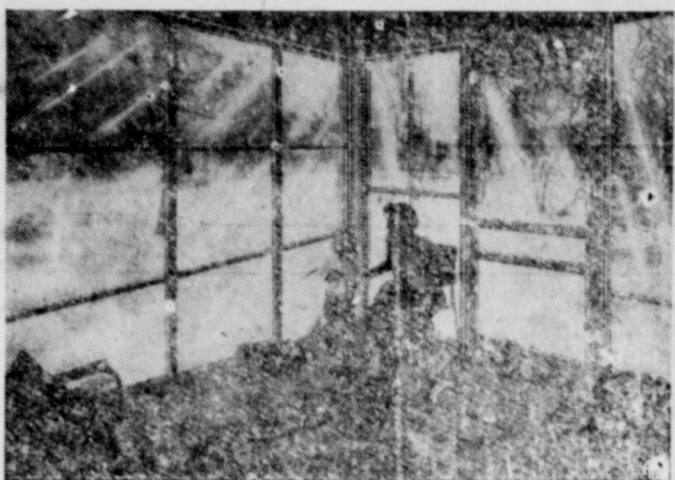

Present were Dixie Day, Ellen Whitley, Jane Jordan, Jo Ann Hollis, Geraldine Johnson, Earline Turner, Donna Scott, Pat McMoey, Betty Nell Jones, Brenda Tankersley, Betty Jo Westfall, Barbara Dalton, Barbara Hightower, Marian Myrick, Goldia Skiles, and the hostess, Sylvia Latham, who served refreshments to the group.

Mangum Baptist Women Meet Mon. Afternoon

Mrs. Mattie Donelson led in the Bible study with all members of the Mangum Women's Missionary Society taking parts, Monday afternoon at the Mangum Baptist Church. Study was from the books of Luke and John.

Mrs. Kitty Brown, president, presided and opened the service with prayer given by Mrs. Stella McBe. Mrs. Dorothy Shahan gave the devotional, based on the 8th chapter of Acts. Mrs. Bud May led in the singing of the hymns, with Mrs. Annie Flaherty at the piano. Mrs. Brown gave the benediction. Eleven members attended.

Tack A New Room Onto Your House

A hammer, some tacks and a new transparent plastic material are all that are needed to turn a wind-swept porch into a cozy room such as this. Thus, what has been a useless, unpleasant snow tray becomes a handy utility room to be enjoyed all winter long. It will help keep the house warmer, too, for it acts as a wind break.

An enclosed porch room is easily accomplished. Anyone can do the job. The new glass substitute, called Flex-O-Glass, comes in rolls so that the right amount can be measured and cut with ordinary shears. It is flexible, shatterproof and clear as glass. If the porch happens to have screens, leave them up and tack the material right over them. Otherwise, simply tack it between uprights. Come spring, the plastic windows can be taken down, rolled up and put away until the next winter. And you don't have the bother of storing your porch furniture from season to season.

If the room is located to receive sunlight, it makes a wonderful children's play room, because this new plastic lets in sunshine's Vitamin D (Ultra Violet Rays) which common glass filters out. Galoreches left in the enclosed porch save you mopping up in wet weather. On milder winter days, you have a nice, comfortable spot to sit in the sun. Most important in these days of high living costs, the new plastic window material is unbreakable—costs less than glass windows.

Pythian Sisters Make Christmas Plans Monday

Members of the Pythian sisters made plans at their meeting Monday evening in Castle Hall for a Christmas Dinner, Dec. 14 which will be a joint meeting with the Knights.

A program will be given following the dinner, and a Christmas tree with a gift exchange will be the grand finale, the reporter said. Mrs. Carrol Noble, president and announced that election of officers will be at the next Monday meeting December 7th.

Mrs. Noble asked the entertainment committee, composed of Mrs. Otto Crabbe, Tim Spurrier and Bill Darr to care for preparations of the Christmas Dinner. She announced a grab bag would be ready for next meeting and asked cooperation of members.

Present were Mrs. Crabb, Spurrier, Dar, Noble, J. C. Poe, Ott Hearn, Wayne Brock, H. A. Freeman, Frank Williamson, E. K. Henderson, C. C. Street, Luther Lewis, Lee Campbell.

Jr. Arterburn Re-Writes Record Book Of Great Lakes Grid Team

Junior Arterburn, probably the greatest football player ever to wear a Ranger High School and Ranger Junior College football uniform, has compiled an outstanding record this season with the Great Lakes Bluejackets. The Bluejackets completed their 1953 season last week but will meet Fort Ord, Calif., in the Salad Bowl at Phoenix, Ariz., New Year's Day.

Arterburn has practically rewritten the Great Lakes record book. Following is a clipping from the Great Lakes newspaper. The statistics do not include the last game:

"The ASH offense, which has left its cinder mark on seven victims though still smoldering because of the Fort Leonard Wood defeat, has scorched Great Lakes' football record book this season with six all-time records.

"All-Sea Quarterback Junior Arterburn, the A of the offense, has set four all-time marks. He has personally accounted for 1,498 net yards to surpass Steve Lach's 1943 record by 160 yards. He has aided in 14 touchdowns, passing for 11 and scoring three others, to top Bruce Smith's total of 13 set in 1942.

"Arterburn's completion mark of 59 per cent—79 completions in 133 attempts—is only two percentage points below the mark set by Smith 11 years ago.

"The Jackets' brilliant quarterback has passed for 1,207 yards in eight games this season to smash the record he set last year when he totaled 1,018 yards."

Remember now, the correct time of Santa's visit is 3 p.m.

Jim Ed Willman, student of Southern Methodist University spent the Thanksgiving holidays here with his parents, Mr. and Mrs. Ed Willman, who returned with him to play in the band at the SMU and TCU game, Saturday. They spent the night in Ft. Worth and returned their son to the Dallas school before returning home Sunday.

ANNUAL WEEK OF PRAYER OBSERVED BY BAPTISTS

The Woman's Missionary Society of First Baptist Church is observing the annual Week of Prayer for Foreign Missions during the week of Nov. 30-Dec. 4. Mrs. Eldon Anderson is general chairman and presented the theme for the week, "We Have Seen His Star" in the opening meeting Monday at 3:15. The decorations include a large poster depicting the theme and a Nativity scene lighted by a large star.

Monday's program was presented by the Buddin Circle with Mrs. Howard Upchurch presiding as chairman of the day. Theme for the day was "His Star Illuminating Pagan Darkness" and discussions and prayers were offered by Mrs. C. C. Street, Mrs. H. F. Vermillion and Mrs. Frank Lovett. Twenty-three women attended.

Tuesday's program was presented in the church fellowship hall at

1:15 with the Morgan Circle in charge of the day's topic, "His Star Shining Through Papal Gloom." Mrs. Frank Sayre, program chairman for the day, presented the speakers who included Mrs. V. Edwards, E. C. Watson and M. A. Treadwell. Mrs. Roy Rushing gave the devotional discussion centered around the theme of "Love" and presented the pastor of the church, C. Melvin Rathaal, who sang "The Love of God" accompanied by Mrs. Rathaal. Twenty-one attended Tuesday's meeting.

Wednesday's program given for the WMS by the men of the Brotherhood is at 8:00 p.m. The Thursday and Friday programs are at 1:15 and will be presented by other circles of the organization.

An offering for Foreign Missions is taken in connection with the Season of Prayer, and the church's goal for this year is \$3,000 which is slightly less than the total offering given last year on a similar occasion.

Eastland County Agent's Annual Report, Home Demonstration Clubs

By **MRS. MILDRED CROW**
Home Demonstration Agent
Eastland County

Eleven clubs with more than 190 members have participated in and encouraged the progress of Eastland County Home Demonstration Club work in 1953. The Morton Valley HD Club has increased its membership from 8 to 23, and the Pleasant Hill club has increased from 5 to 15 this year. Other clubs have also increased their membership.

The County HD Council met in regular session 11 times with an average attendance of 27. Mrs. H. C. Fridge has served as chairman after the resignation of Mrs. W. W. Fewell in April. There were 20 visitors at the November meeting.

Other council officers were Mrs. Bill Tucker, vice chairman; Mrs. Marshall Berry, secretary; Miss Willie Word, treasurer. Chairman of standing committees were: Mrs. M. W. Greiger, finance; Mrs. Carl Burns, EEE; Mrs. G. G. Crowell, yearbook; Mrs. Bulah Turner, recreation; Mrs. R. L. Justice, 4-H; Mrs. Bill Tucker served as marketing chairman until elected as vice chairman.

Nine of the eleven clubs have adopted patients at the Mexia State School and have sent boxes to them. Five clubs have packed boxes with clothing and food and given other assistance to local unfortunate families. Six clubs have had programs given by local 4-H Club girls. All clubs have sponsored several family or community nights, and four of them had demonstrations on artificial respiration at these meetings.

Thirteen HD Club women attended the Tri-County HD Camp at Lake Brownwood in July. All the clubs had Christmas parties and there were 50 members present at the Council Christmas Party. In observance of National Home Demonstration Week and the 50th Anniversary of Home Demonstration Work, the clubs had a county-wide picnic in which about 30 families participated.

Home gardens and living room improvements were the two major demonstrations carried this year. This was the second year of a program which will be completed next year. Thirty-six living rooms were substantially improved, and 120 home gardens were planted by HD Club women.

One of the outstanding events of the program was Annual HD Achievement Day at which clubs and individuals entered exhibits based on the year's demonstrations. Ribbons and cash were awarded the winners.

Under the garden program demonstrations were given in how to plan gardens, seed treatment and seed boxes, cultivation and insect control, cooking and using green and yellow vegetables, and canning the right quantity of quality vegetables. Club women reported that they canned a total of 1,468 quarts of vegetables this year despite the drought.

The agent gave demonstrations on comfort in the living room, cleaning and care of the living room, storage in the living room, a background for the living room, and a good lighting demonstration was given by the home economist for a local power and light company. Two furniture refinishing workshops were conducted at which 16 pieces of furniture were refinished. One county-wide basket weaving workshop was conducted by Mrs. H. C. Fridge from Pioneer

and Mrs. D. Ball from Cisco. Council sent Mrs. M. P. Farnsworth, Mrs. John Love, and Mrs. John Nix to district THDA meeting in Brownwood. To the State THDA Convention they sent Mrs. Buck Maples, Mrs. Bulah Turner, and Mrs. M. P. Farnsworth as delegates.

One local leader and 3 4-H club girls attended District 8, 4-H Girls Camp. Barbara Moore, Gold Star Girl, and her mother attended Round-Up at A&M. Mary Carolyn Berry and her brother, Ralph, were district winners in the electric contest and attended state contest at A&M. There were a total of 460 girls enrolled in 4-H clubs last year in Eastland County. Their two major demonstrations were dairy foods and kitchens. 4-H Rally Day was held in April and there were 400 boys and girls present. County Judge John S. Hart presented county medals to deserving boys and girls. There was a picnic lunch in the park followed by a "Share the Fun Festival" in the afternoon.

There were over 500 girls enrolled in 4-H clubs this year and they are in the second and last year of the dairy foods and kitchen demonstrations. Their aim is to continue to "Make the Best Better."

The following clubs and council officers will guide the Home Demonstration work in Eastland County in 1954:

Council—Chairman, Mrs. H. C. Fridge; vice chairman, Mrs. Bill Tucker; secretary, Mrs. Marshall Berry; treasurer, Miss Willie Word.

Cheaney HD Club—President, Mrs. Bill Tucker; vice president, Mrs. Gene Ferrell; sec-trea., Mrs. Theibert Jones; council delegate, Mrs. R. W. Gordon.

Miss Taylor Makes Weekend Houston Trip

Miss Helen Taylor joined Miss George Thomas of Fort Worth for a trip last weekend to Houston to see the Rice and Baylor football game and a weekend visit in the home of George's parents, Dr. and Mrs. Bradley Thomas, who entertained the boys of both teams with a party in their home following the game.

The girls returned to Dallas by plane, where they were met by friends and relatives.

Miss Thomas is the granddaughter of Mr. and Mrs. Claude Bell.

Music Club Meets Wednesday For Business Meeting

Members of the Music Study Club completed plans Wednesday afternoon, for the Christmas Concert they have set for 3 p. m. Sunday, Dec. 6 at the First Methodist Church. The Fine Arts department of the McMurray College at Abilene will be presented.

Mrs. A. F. Taylor, president, presided at the meeting, which was held at the Woman's Club, and reported on the recent district convention held in Abilene.

She also told of the Club's invitation to host next year's convention and their acceptance.

Announcement was made of the Christmas party, which will be held at the Woman's Club, at 7 p.m. Tuesday, Dec. 15 honoring Mrs. Ina Wooten Jones, of Abilene, new state president of TFMC. The Madrigal Singers of Cisco Junior College under the direction of Jack Chambliss, will be presented on the program.

Mrs. A. H. Johnson reported on the Christmas Concert. Mrs. L. E. Corbell reported on the Band's project of Birthday Calendars and the club voted to cooperate.

Present were Mmes. W. E. Brasher, Corbell, A. D. Dabney, H. M. Hart, D. L. Houle, Johnson, D. L. Kinnaid, B. W. Patterson, T. E. Richardson and Taylor.

Homemaker's Change Date of Christmas Party

Members of the Homemaker's Class of the First Baptist church have set their annual Christmas dinner for 7 p.m. Monday, Dec. 1, instead of their regular time, Tuesday, which was set for the WMS Christmas tea.

The dinner, honoring members' husbands as usual, will be held in the Fellowship hall of the church, Mrs. C. A. Timmons, president, announced.

Mrs. Ben Heitner, chairman and Mmes. O. L. Hooper and Victor Cornelius are decorations committee.

er who just recently moved out of Eastland: "Hope you all choke to death for waiting until I left to have the feed." Q-backers at the stag supper got a big kick out of the wire.

It was election night as well as feed night at the Quarterback Club Tuesday night. During the vote counting one of the "election judges" piped up with, "Who wrote down Eisenhower."

You would be surprised just how many Eastland fans were at the Ranger-Albany football game played last Friday in Breckenridge. We were, at any rate. And from all indications there will be more than a few Eastlanders in McCamey this Saturday to see the 7-A champs in action. It's a 270 mile trip but several have told us

they planned to be there at kick-off time. We, it might be mentioned, will be among that number. Kick-off time: 2 p.m.

And speaking of Ranger did you know that the city had granted Southwestern Bell Telephone Co. a rate increase? Residence phones will cost 25 cents more a month in the future.

Cheer calls it the 1960 Balance Sheet. Starting off with 160,000, 000 people, the population of the U. S. A. subtract all people over 65, or 49,000,000. That leaves a balance of 111,000,000 to "do the work." Then subtract the 56,000,000 people 21 years of age or younger and that leaves 56,000,000 people to "do the work." From that figure take away the 29,000,000 people working for the government and the balance left to "do the work" is 26,000,000. Then subtract the 11,000,000 people in the armed services and you have but 15,000,000 people to "do the work." Next take away the 12,800,000 folks in state or city offices and you have just 2,200,000

Pick '54 Colors

As one of several steps in the selection of best finishes for soon-to-be-shown 1954 models, Chevrolet officials viewed 300 miniature cars, each painted a different color. Above, E. N. Cole, chief engineer, (L) and W. E. Fish, general sales manager, inspect a candidate.

County Deer Hunting Good, Kills Show

Have any doubts about deer hunting in Eastland county? If you do this story should set you straight.

A hunting party of ten men—nine of them from Eastland county—have just returned from the Low Wallace ranch east of Ranger in Eastland county and seven of the men brought back their bucks. That's a percentage record of 70 per cent, which can't be beat anywhere in the state.

The ranch covers 1,200 acres. Included in the kill was one 11 pointer, one nine pointer, three eight pointers, a seven pointer and one six pointer.

Joe Gregg, 407 North Daugherty, Eastland, reported the best kill. He brought down the 11 pointer. The deer weighed 108 pounds.

Elbert Richardson of Carbon got credit for the nine point buck. Eight pointers were killed by Jim Drake, J. M. Sherrill and S. L. Bourland, all of Eastland. G. W. Seaborn of Eastland got the seven pointer and John Townsend, the six pointer.

W. G. Greer and W. E. Walker of Carbon and Roy Ussery of Brownwood were the three hunters to miss out on kills.

It's Real, Too! Robert Cummings can't believe his eyes when Marie Wilson shows him her million dollar inheritance in scene from "Marry Me Again," Alex Gottlieb's romantic comedy for RKO Radio in which Cummings and Miss Wilson are starred. Playing at the Majestic Sunday and Monday.

Burleson—

(Continued from Page 1)

Fitzgerald said the program would begin officially at 7:30 when the Woman's Auxiliary will serve tea, coffee and cake. At 8 p. m. Mrs. Andy J. Taylor, talented Eastland pianist and vocalist, will present several selections.

Judge Allen D. Dabney, Sr., Eastland attorney and a longtime friend of the congressman, will introduce Burleson.

Regular business will be dispensed with at the regular bi-monthly meeting of the Legion, Fitzgerald said.

Mr. and Mrs. Rex Gray and children, Sherrill, Steve, and Betty, of Amarillo, were holiday visitors in the home of Mrs. Walter Gray and Joe Gray.

Sawdust Shortage Leads To A Business

AKRON, O. — Lewis Miller's father-in-law ran out of sawdust for his meat market, so the 25-year-old man went into business.

Miller was surprised when he found that his wife's father Bernard Durago Sr. had to go to suburban Hartsville for his sawdust. He designed and built a machine to reduce wood shavings to sawdust and went into business in a barn. Trade was so good he soon left that building and set up a small factory.

He gets the shavings from lumber yards throughout the city. They are shoveled into the mouth of the machine after which they are passed automatically through row after row of knives. The powdery product is blown out of a pipe at the other end of the machine into burlap bags.

Health Officer Issues Warning On Gas Heaters

There is no doubt that carbon monoxide — associated with gas heaters—is one of the most deadly and least publicized of all the poisonous gases, said Dr. George W. Cox, State Health Officer. Carbon monoxide is formed when there is not enough oxygen mixed with the burning gas, or when the design and operation of the equipment is faulty.

With a toxicity comparable to the gases that have been used in warfare not enough attention has been given to the deadly effects of prolonged exposure to carbon monoxide. This gas claims far more than its share of accidental deaths in Texas.

Dr. Cox makes the following recommendations for use of gas heaters:

1. Make sure the heater is properly adjusted.
2. Use metal tubing for connecting stove to gas line and check for leaks.
3. Always ventilate a room when the heater is burning.
4. Do not use any artificial gas in a heater designed for natural gas.
5. Never let the stove burn all night.

Carbon monoxide from automobile exhausts is a big health hazard warns Dr. Cox. He said many motorists have wrecked their cars and been listed as a highway death when carbon monoxide was the real killer. Cars should never be run in garages with the doors closed.

Wildcat Is Staked West Of Eastland

Location for a wildcat was taken three miles west of Eastland as Monardk Oil and Gas Co., Eastland, No. 1 J. L. Arnold.

Proposed depth is 1,650 feet with cable tools, site is 1,250 feet from the north and 1,750 feet from the west lines of Section 44, HT&B Survey.

Other area oil news: T. G. Shaw, Trustee, Ft. Worth, announced location for No. 1-A The Allar Co. as a Palo Pinto Co. wildcat five miles west of Pickwick, 330 feet from the north and 525 feet from the east lines of J. Poitevent Survey, A-108. Slated depth is 1,900 feet.

Fletcher Oil and Gas Drilling Corp., Dallas, No. 1 M. Brooker, Section 44, Block 7, T&P Survey, four miles south of Wayland, has been completed for 189.88 barrels of 41 gravity oil per day.

Production was on pump from 24 perforations at 3,492 - 3,502. Total depth was 3,710 feet. Casing was set at 3,525 feet. Gas-oil ratio was 430-1.

Graokla Gas Co., Wichita Falls, No. 2-A Robert Jackson, Section 78, Block 4, T&P Survey, Jackson Strawn Field, has been completed for 200 barrels of 40 gravity oil per day, flowing through 1 1/4 choke with 300 pounds on casing and 125 pounds on tubing from open hole at 1,879 - 91 feet. Gas-oil ratio was 795-1. Pay was topped at 1,790 feet.

people left to "do the work." Then you have to subtract the 2,000,000 bums and others who don't work and you have just 200,000 left to "do the work." There are 126,000 people in hospitals and asylums, subtract them and you have just 74,000 people left to "do the work." Then take away from the figure the 73,998 persons in jail and you have a balance of just 2 people left to "do the work."

TWO!—Why, that's you and me. Then you better get to work because I'm awfully tired of running this country alone!

Hubert Westfall and your columnist were discussing Eastland the other day and Hubert said, "Have you ever seen a town that had so much going on all the time?" We never did get around to answering the question and have been thinking about it every since. You know, for a fact, this is the out-doingest place we ever saw.

And we might mention it's the prettiest city in the state at Christmas. Eastland has managed that "just right" combination of lights in the downtown area. There are not too many or not too few lights. The city really has that "these folks enjoy Christmas" appearance. The courthouse sure looks beautiful as you drive into the city from the east at night.

Merchants too, are helping the holiday appearance of the city. We made a special trip around the square looking at the decorations Wednesday. Some have their stores completely decorated while others are just starting their preparations. By the end of the week Eastland should be completely dressed for Santa's visit.

Don't forget the Herbie Fox fund.

J. C. Penney Co. Employees Get 'Bonus'

Nine employees of the Eastland J. C. Penney Co. Store received good word Thursday. Manager Clyde Young informed them that the directors of J. C. Penney Co. had authorized a special year-end payment for the more than 50,000 associates in the company's 1,633 stores, offices and warehouses throughout the United States.

Young said the payment will be an amount equal to two week's pay for all full time associates who have been employed for the full year 1953, and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penney associates will share in the payment except management staff members whose earnings are determined largely by the company's long-standing profit-sharing plan. It will be made Dec. 15 at each associate's December 15 rate of pay.

In a letter to the firm's associates, A. W. Hughes, president, said the payment was based upon the company's results for 1953. "We are particularly happy to be able to make this payment as a result of what has been accomplished this past year," he said. "The possibility of future payments of course will continue to depend upon year to year results."

The payment is in addition to regular company provisions for associates' benefits, including sick benefit, gratuitous death and dismemberment benefit, thrift and profit-sharing retirement fund plans, discounts on company purchases and others. It is the seventh to be made since the end of World War II.

NEWS FROM CHEANEY

Mrs. Bill Tucker

Funeral services were held Friday afternoon, Nov. 27, 1953, for Ellen Tucker, age 73 years, seven months, who passed away at her home Thursday evening, after a long illness. Aunt Ellen, as she was called by everyone, was one of the pioneer citizens of the Cheaney Community, having lived on the homestead, since 1900.

She was a member of the Church of Christ, obeying the gospel early in life, and her more than a half a century of faithful service has been an inspiration to all who knew her.

Friday services were in charge of Pro. Max Crumley, minister of the Church of Christ, Ranger, with Morris Funeral Home of Ranger, directing the interment at Alameda Cemetery.

Her nephews were pallbearers and are Dave, Johnny and Herbert Love, Chris, Richard and Claude Tucker.

Survivors of her immediate family are one brother, John D. Tucker; one niece, Betty Tucker, who has been a constant companion through the years; another niece, Mrs. Rosa Love Miller of Muleshoe, Tex., whom she helped to rear from babyhood; a sister, Mrs. Ann Love; a sister-in-law, Mrs. Mary (Joe) Tucker; numerous nephews and nieces, including the above named, also survive.

The many beautiful floral tributes and the tender offerings of sympathy and understanding of friends and neighbors, is a living testimony of their esteem for her. Deepest gratitude to all, is extended for such kindness in our hour of sorrow.

The Monroe Ainsworths had as their guests over the weekend, her brother, Mr. and Mrs. Fred Goswick and their granddaughter, Deannie Hughes, whose mother, Mrs. Margaret Hughes is a patient in the Ranger hospital.

Others were Mr. and Mrs. Vergil Goswick, Miss Bonnie Goswick of Ranger, and Mr. and Mrs. Lee Morgan of Odessa.

Mr. and Mrs. Hollis Snell of Carbon, were visitors Sunday in the home of her mother, Mrs. J. P. Strickler.

Mr. and Mrs. Don Kincaid of Cisco were Sunday afternoon callers in the John Love home.

Mrs. Bonny Highsmith visited recently in San Angelo, with her son, Carl Highsmith and wife, Pearl. She tells us that Billy Anthony Highsmith is now stationed at Camp Kilmer, New Jersey.

Mr. and Mrs. Dick Weekes of Comanche, and their children, Ann, Sue and Dickie, were supper guests of the Ben Freemans, on Saturday night, this included a visit with Mr. and Mrs. Hatley Dean, also.

Miss Minnie Walton of Brownwood visited her brother, W. E. Walton and family in Ranger for Thanksgiving, and with other relatives at Cheaney. She also attended funeral services of Aunt Ellen Tucker.

Visitors in the Sanford Lemley home for Thanksgiving were Mr. and Mrs. Heinz of Clarksville, Tex. Mrs. Heinz will be remembered as Martha Jarrett, and lived near Alameda.

Mrs. Lamar Perrin visited her parents, Mr. and Mrs. Jno. Shook in Ranger Sunday. Barbara, the small daughter, is reported feeling much better, after her visit to the doctor, who suggested having her tonsils removed, when she is older.

Mr. and Mrs. Ott McDonald of Colorado City are visiting in the home of Mr. and Mrs. Hugh Vermillion this week.

Mr. and Mrs. Marvin Hutton were in Odessa visiting relatives over the holidays.

Drinking Cause Of 23% of Traffic Mishaps

"Drinking plus driving equals disaster."

This statement was made by Col. E. P. Tilley of Houston, president of the Texas Safety Association, as he discussed the holiday hazards program which is being conducted this month by the Texas Safety Association and the Texas Department of Public Safety.

"If anyone doubts the truth of this equation, I invite him to visit the local traffic court and look at the records," he said.

Col. Tilley said, "National Safety Council figures show that in 23 out of 100 fatal accidents occurring in the United States during 1952, a driver or a pedestrian had been drinking."

"Drinking is a big traffic safety problem at Christmas time," he said. "With all the parties and celebrations that take place around this time, there is much more drinking. And the trouble starts when people who have been drinking venture out in traffic."

He pointed out that it takes maximum alertness to stay safe in today's hazardous traffic. He said, "that since alcohol slows reactions and impairs judgment, it reduces alertness."

"And I want to make it clear," he said, "that pedestrians, as well as motorists, should not venture into traffic after they've been drinking. A pedestrian needs a clear head every minute to protect him from injury by cars. The slightest inebriation can cost him his life."

Col. Tilley appealed to all citizens to protect themselves this holiday season by making arrangements beforehand for transportation to and from parties at which they know they'll be drinking. "Those planning office parties and other large gatherings," he said "should be especially careful to make provision for transportation if alcoholic beverages are to be served at the affair."

We Read in the Papers— "Nice home burns. Nothing saved. Partially insured". These are expected occurrences and always happen, hence they have little news value except, perhaps, locally. But if the story should say "completely insured" then you have a news item of national interest because the incident is a rarity. THE PORT OF HOUSTON, SECOND LARGEST IN THE NATION, 50 MILES FROM THE GULF. VISION INITIATIVE RESOURCEFULNESS

A greater America tomorrow depends largely upon continuing harbor and channel development—but according to George H. Palmer, Publisher of The Marine News of New York, during the past two years such work has been allowed to dwindle to almost nothing.

For the fiscal year ending June 30, 1954, only \$3,144,000, a little less than three fourths of one per cent of the Army Civil Functions Appropriation Bill is provided for actual harbor and channel widening and deepening in only eight states. The Nation has a coast line of some 30,000 miles (Great Lakes included) along which are more than 200 harbors with many of them needing more depth and area. Many channels need straightening, widening and deepening; many cannot be maintained for maximum use with the amounts being appropriated for that purpose.

Palmer says that real federal economy is efficient management, waste avoidance and spending that adds to assets and productiveness. Waterway development of the past contributed tremendously to the America of today through its fine ports, harbors and channels. They are tremendously important in the economic progress of the Nation, vital both during peace and war.

Who knows what future harbors and channels may become indispensable to the Nation, and when? The Marine News says many at present cannot take care of modern deep draft vessels; those that can might not be strategically located or available at a critical time. More adequate harbors and channels and adequate maintenance are not only security safeguards; they are needed to care for the Nation's expanding industry and commerce and to accommodate larger and deeper vessels.

The natural harbors and channels of America are unrivaled in all the world. They are yet largely undeveloped. Unless it is realized that development and expansion have been almost completely abandoned and that a reasonable program must be resumed immediately, great potential benefits will not be available for many years.

West Texas C-C Sponsors Chemical Talk

A two-day conference on agricultural chemicals will be conducted at Texas Technological College January 13-14, 1954, according to a joint announcement by sponsors of the event.

The conference, which will include discussions on the use and effectiveness of fertilizers, herbicides and insecticides, is to be sponsored by Texas Tech, the Texas A&M College System, the Lubbock Chamber of Commerce and the West Texas Chamber of Commerce.

"We believe the conference will be valuable to agricultural interests of the entire region," R. M. Fielder of Abilene, chairman of the West Texas Chamber of Commerce agriculture committee stated. "We are going to urge that agricultural chemical retail dealers, county agents, vocational agriculture teachers, newspaper and magazine farm editors, chamber of commerce managers and agricultural representatives of banks, utility companies and railroads make special efforts to attend."

Dr. W. L. Stangel, Dean of Agriculture at Texas Tech, is chairman of the committee planning the event.

Christian Science

That the universe in its grandeur and order testifies to the harmonious control of God—a God who is Principle—is brought out in the Christian Science Lesson-Sermon for this week entitled "God the Only Cause and Creator." The Golden Text from Psalms declares (75:1): "Unto thee, O God, do we give thanks, unto thee do we give thanks; for that thy name is near thy wondrous works declare."

Mary Baker Eddy, the Discoverer and Founder of Christian Science, says of God: "He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. He is all-inclusive, and is reflected by all that is real and eternal and by nothing else" (Science and Health).

Make Your Own Holiday Decorations With Kit

NEW YORK—Christmas decorations may be made at home with a new kit containing several colors of glitter crystals and a tube-pen for applying the necessary adhesive to packages, ornaments, and ribbons. The tube, used like a fountain pen, provides a controlled flow of the vinyl adhesive. It will bind the glitter to glass, paper, wood, cloth and metal.

Former Eastland Girl Will Sing In 'The Messiah'

Mrs. John Seelig of 5226 Bradford, Dallas, will be one of the soloists for the presentation of "The Messiah" Christmas Oratorio by G. F. Handel at the Fair Park Auditorium in Dallas, at 8 p.m. December 11.

Five-hundred voices and soloists composed of voices from the one hundred and sixty-two churches of Dallas, will be directed by William E. Anders. Seats and admission will be free, according to announcement.

Mr. Anders is minister of Music East Grand Baptist Church, Dallas. Soloists include Halouise Wilcox, soprano, Virginia Seelig, contralto, John Mizell, tenor, Frank Boggs, bass, Opal Heath and Arthur King will be the accompanists.

Mrs. Seelig is the former Miss Virginia Garrett, daughter of Mr. and Mrs. Clyde Garrett of Waco, formerly of Eastland. She is a graduate of Eastland high school, Hardin Simmons University and

has done graduate work at Southern Methodist University.

She is at present the contraalto soloist for the Gaston Avenue Baptist Church of Dallas. She also teaches private voice. At Hardin-Simmons she was featured on many programs throughout West Texas.

An interesting experience was her first radio appearance in Washington when she and Margaret Truman sang together on a children's program, while making her home in Washington when her father was congressman from Texas.

OUR DEMOCRACY — by Mat

"GO WEST, YOUNG MAN, GO WEST"

FOR MANY GENERATIONS, AMERICA WAS ABLE TO LOOK TOWARD OPEN COUNTRY FOR GROWTH AND EXPANSION AND FOR OPPORTUNITY. PUSHING BACK THE WILDERNESS, OUR PIONEER SETTLERS STEADILY MOVED THE FRONTIERS WESTWARD AND FAMILIES FOLLOWED TO DEVELOP THE LAND WHICH THEY HAD OPENED UP.

THE LURE OF NEW FRONTIERS STILL DRAWS AMERICANS — FRONTIERS NO LONGER ON THE MAP BUT IN THE MIND. AND AS NEW OPPORTUNITIES ARE OPENED UP, THIRTY EIGHT INVENTION, THROUGH RESEARCH AND THROUGH PLAIN HARD WORK, FAMILIES FOLLOW THROUGH IN THEIR DEVELOPMENT BY STAKING THEIR MONEY, THROUGH LIFE INSURANCE AND SAVINGS, IN THE PRODUCTIVE PROGRESS OF THE NATION'S DEVELOPMENT.

PROFIT NEWS FOR HOG MEN!

It's generally agreed that it takes an average of five pigs per litter to break even raising hogs.

Last year the average hog man saved 6.44 pigs per litter. So he had 1.4 profit pigs.

The Purina Farm Duroc herd recently averaged 9.15 pigs per litter. That left 4.1 pigs, about three times the profits the average hog man made.

Why not let the Purina Hog Program help you TRIPLE PROFITS!

Come see us next time you're in town. Let us tell you more about the profit-making results your own neighbors are getting on the easy-to-follow Purina Program. Make it soon!
