WEDNESDAY, OCTOBER 24, 1962

BOVINA, TEXAS

VOL. VII, NO. 17

WHITTLIN'

BY DOLPH MOTEN

Bill Clayton, Democratic candidate for state representative, was in our office a few days ago. Said he wanted to come by and offer that "Democratic handshake" which we mentioned last week we were getting lonesome for.

Clayton, who will, of course, get our vote come November 6, said that he'd always considered himself a conservative Democrat until lately. "Now," he says, "there are so many definitions of a conservative in circulation that I don't know if I want to say I'm one or not."

He went on to point out that if being a conservative means that you're "against everything" then he's not one.

"What I mean by saying I'm conservative is that I want to see government operated on a sound business basis without needless spending and duplication. Government is business—big business—Clayton contends and it should be operated on a business-like basis. We, frankly, don't know anyone who doesn't agree with that theory and Clayton doesn't either.

We think Bill Clayton will be our next state representative.

Texas Tech football fans have, this season, been in about the same sad shape as farmers under a Republican administration. In other words, they haven't been doing well.

Here it is mid-season and their team is still winless. It's true, the Red Raiders did lose one heartbreaker in the closing seconds. Still, that might have been worse from an enthusiasm standpoint than getting beat for 60 full minutes.

Up until the past couple of games, we were of the opinion that Red Raider fans were overly critical of their coach and told a few of them that we thought that. Since then, we haven't heard as much complaint.

We don't know if they've just quit complaining to us or if they figure that a winning season is now out of the question and have given up hope and complaining. Or maybe they've decided that their coach is doing a better job than they first thought.

Of course, our favorite Southwest Conference football team hasn't been flying high enough that you could tell it. The Aggies, of course, lost a close one last week to T.C.U. Tech fans here are so down over their team that they didn't even heckle us much about that.

Darrell Read, an old T.C.U. boy, tried to rub it in on us a little, but that wasn't too bad. The Horned Frogs aren't having a great season, either, and he really couldn't get his heart in the ribbing.

Interest continues to run high, however, in Bovina Business Cotton Bowl Football contest. Last week, which was seventh week of the contest, had third highest number of series.

Competition for the grand prize seems to be a little rougher this year than last. At this stage of the game a year ago, Erith Hawkins, the eventual winner, had a safe lead . . . or at least it turned out to be safe though it might not have seemed so at the time.

Hawkins named 57 winners out of a possible 70 during first seven weeks of the '61 contest. That's one more than the present leaders, James Lawlis and Emmett Tabor, have now. Hawkins' percentage was .814 at end of seven weeks while they have an even .800.

That high percentage wasn't maintained last year, though, as it dropped below the 80 percent mark before the contest had run its course.

We expect the same to hold true this year, too. If we had a percentage of .700 or better now, in other words, we'd start trying a little harder and win ourselves that trip!

Somebody's going to win. And it might as well be you. Somebody's going to win that \$5 first prize each week, too. And that's even easier than winning the grand prize! Best get your entry in now.

(Continued on page 6.)

CANDIDATE HERE----Walter Rogers, representative from 18th Congressional District, brought his campaign for re-election to Bovina Tuesday afternoon. Rogers spoke informally with a group of supporters for almost an hour in Bovina Restaurant. At right is Penny Anderson of Bovina.

TUESDAY AFTERNOON--

Walter Rogers Campaigns Here

"There would have been a farm recession if we hadn't stopped the Benson program." Those were the words of Congressman Walter Rogers, Democrat, who brought his campaign for re-election to Parmer County and Bovina Tuesday.

Speaking to some 20 people in Bovina Restaurant from 2 to 3 p. m., he answered questions from his audience in regard to the Cuban situation and other world and national problems.

"Somebody's got to back down," the former district attorney from Pampa said in regard to the quarantine the President has placed on ships carrying arms which are entering Cuba. He pointed out that Russian leaders have said they wouldn't allow their ships to be stopped. Such a situation can't exist and one side or the other has to give, Rogers said.

"There isn't anyway for me to tell how serious the build-up of armaments is in Cuba at present," he told his listeners. "Evidently, the Communists forces are building bases from which to launch nuclear weapons," he surmised. The quarantine action of the United States will keep the weapons from being de-

livered to Cuba. "I think they're (the Russians) are trying to get a base from which they can

threaten countries like Mexico and South America," Rogers said in answer to a question (Continued on page 6.)

LADY WINNER--Drilma Boozer was first place winner in last week's Bovina Business Cotton Bowl Football Contest. Miss Boozer was one of five contestants to name nine of 10 winners and was closest to the tiebreaker score to earn the \$5 first prize.

TAKE ALL PRIZE MONEY--

Women Win Contest Again

It was "Women's Week" again in last week's Bovina Business Cotton Bowl Football Contest as female contestants won all the prize money.

Only five people of the 127 who entered the contest named as many as nine winners. From that select group, tiebreaker was used to determine how prize money checks were to be written.

Drilma Boozer took \$5 first place award as she was 30 points off on her score of the Bovina-Hart game. She predicted the score would be 48-6 Bovina, when the actual count was 60-24.

Taking second place and \$3 was Karen Beauchamp, who was 38 points off on her estimated tiebreaker score.

Keeping the record straight in favor of the women was Bernadette Pierce who won \$1 third place money. She was 43 points off on the score.

J. W. Harris and Richard Carson also named nine winners, but let the tiebreaker score keep them out of the money. Harris was 46 points off and Carson was 48 points off.

This was first time for any of the prize winners to finish in the money.

In the race for the grand prize, which is an expense-paid trip for two to Cotton Bowl in Dallas January 1, James Lawlis and Emmett Tabor remained tied for first place while Neil Smith, a former winner who was tied with them last week, dropped one notch back into a tie for second place with Patsy Sherrill, who was in the lead first few weeks of the contest.

Tabor, Lawlis and Mrs. Sherrill each had eight right last week while Smith had seven.

The two leaders now have a total of 56 out of a possible 70 for an even percentage of .800. Six weeks, including this one, remain in the 13-week con-

THERE FRIDAY AT 7:30--

Important Dist. Clash Pits Mustangs, Happy

Unofficially, Friday is DC Day (District Championship) for Bovina Mustangs.

They go to Happy to take on the Cowboys in the game which will, in all probability, decide the Champion of District 1-B. Bovina and Happy have been heavy favorites for the district title all season.

Both teams will still have two games to play after this one in district competition but each will be favored in the remaining two games.

Too, if the two high teams are tied for the district lead, the team which defeated the other will represent the district in bi-district play. Therefore, the winner of Friday night's game could possibly af-

ford to lose one of the remaining two games and still win the title.

Both the teams have one win and no losses in district competition. Happy won over Vega with ease last week, 39-6, while Mustangs were toying with Hart, 60-24.

Happy will bring a 6-1 record into the game while the Mustangs stand 5-1-1. The

Cowboys have defeated Silver-ton, Turkey, Claude, Boys Ranch and Vega. Their only loss was to strong, defending champion, Class A Kress. Score of that game was 25-6.

Mustangs own wins over Springlake, Amherst, Meadow, Friona, and Hart. They lost by four points, 18-14, to Farwell and were tied by Whitharral, 14-14.

Bovina has scored 204 points while allowing 90 to be scored against them. Happy has wracked up 187 while allowing 92.

The teams are expected to be about even in the weight department.

Happy is operating this year under a new coach and the offense is unrehearsed from a winged-T formation. The Cow-

boys have a good amount of speed in their backfield and have been able to move the ball on the ground and through the air.

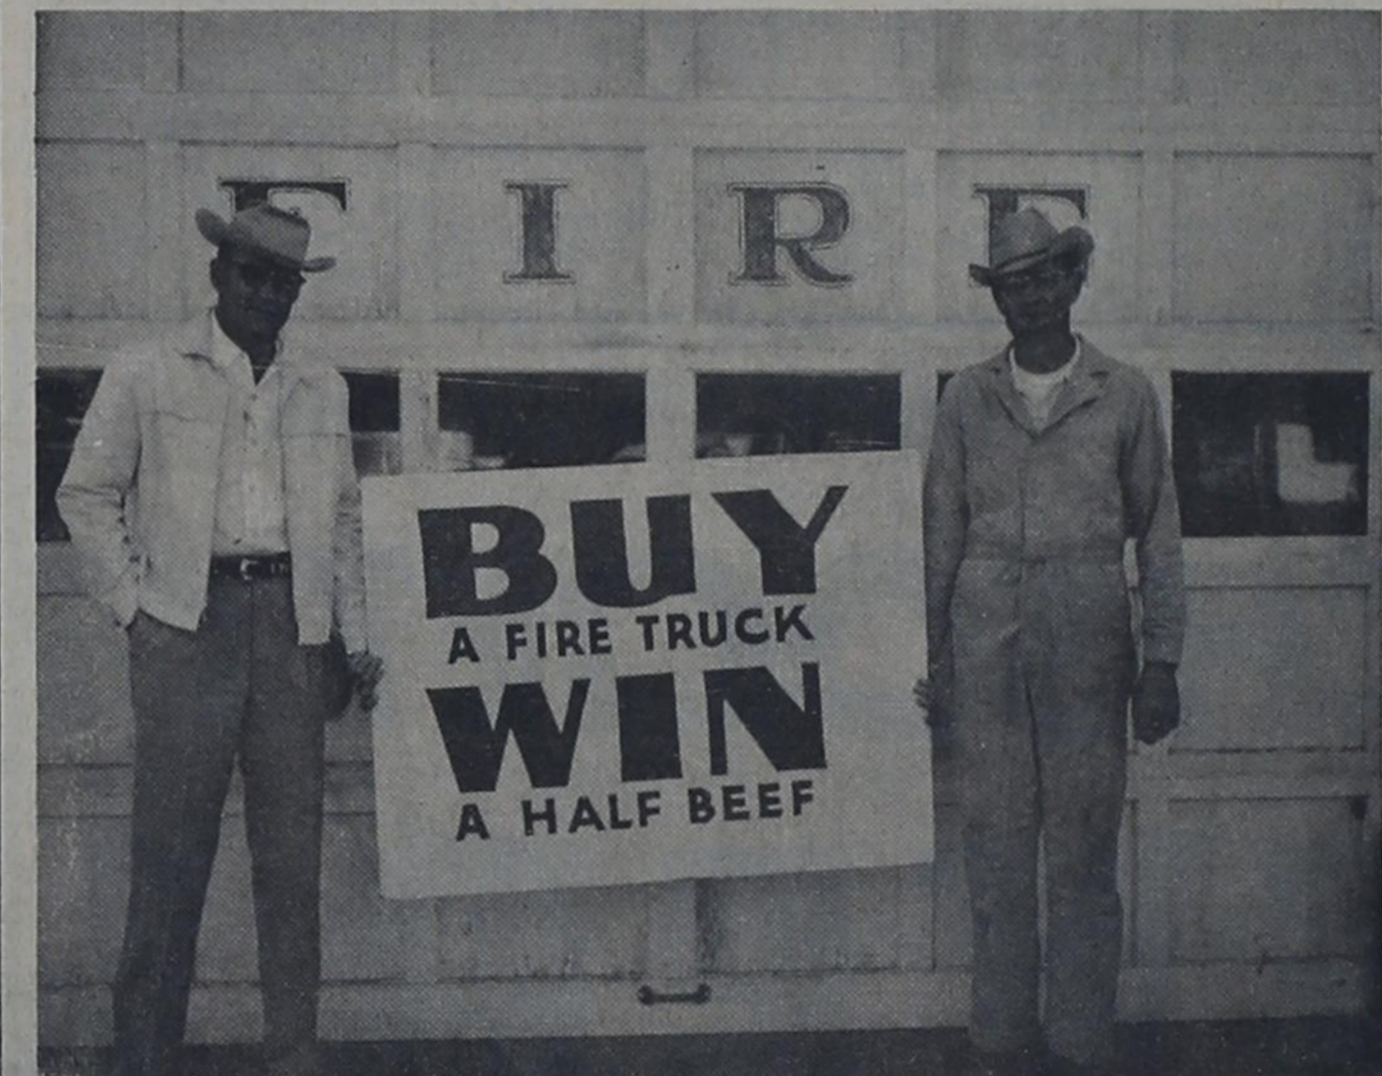

Quarterback Ronnie Middleton directs Happy's offense. He is tall and a good passer, according to reports from Bovina coaches, Hallie Gee and Malcolm Kennedy. Workhorse of the backs is Fullback Jim Blackburn, who weighs 165 and is a hard runner.

At halfbacks are Richard Kennedy, who is fast and hard to tackle, and M. L. McGeehee, who proved to be the fastest boy in the district in winning the 100-yard dash at district track meet last spring.

Bovina will be without the services of Dennis Johnston, halfback and safetyman who will "definitely be out" with a leg injury, Coach Gee says. Johnston has been running as the team's "fifth back."

Also, Dickie Clayton, regular tackle, may not see action because of a neck injury. If Clayton doesn't play, he will be replaced by Jerry Lorenzor Gary Beauchamp.

Coach Gee has had his squad (Continued on page 6.)

GOOD ADVICE--Henry Minter, et, and Fire Chief Bill Denney pose for this publicity picture in front of fire station. The sign concerns donations of \$1 which are being accepted by firemen toward the purchase of a new fire truck for the city. Two holders of lucky stubs will be awarded a half a beef each at halftime of Bovina-Lazbuddie football game here November 2. "The promotion has slowed down to a walk after getting off to a good start a few weeks ago," Denney says. Some \$400 has been taken in so far. "The fire department needs all the help it can get on this worthwhile project," Denney says, "and those halves of beef would be nice to have."

Funeral Services Held Monday For Mrs. McCutchan

Mrs. Minnie McCutchan, 84, resident of Bovina area since 1925, died at Parmer County Community Hospital in Friona Saturday at 4 a. m.

She had been seriously ill for several days.

Funeral services were conducted Monday afternoon at 2:30 in First Baptist Church of Bovina. Officiating was Rev. J. M. Lemmon of Carmen, Okla. He was assisted by Rev. Archie Cooper, pastor of Bovina Pentecostal Holiness Church. Burial was in Bovina Cemetery.

Mrs. McCutchan was born April 29, 1878 in Savannah, Mo. She moved with her family as a child to Oklahoma. She was married to Joseph Frank McCutchan in 1898. They moved to this area from Tipton, Okla. in 1925.

Mr. McCutchan preceded her in death in 1953.

Survivors include a daughter, Mrs. Beula Pumroy of Hurst; three sons, Everett of Blue Lake Calif., E. L. and Archie, both of Bovina; one brother, Charles Rauh of Friona, 15 grandchildren, and 24 great-grandchildren.

Mrs. McCutchan was a member of Pentecostal Holiness Church.

Claborn Funeral Home of Friona was in charge of arrangements.

Out-of-town friends and relatives attending funeral services included Don McCutchan and family of Dumas, Clyde Pumroy and family of Hurst, Mr. and Mrs. Hugo Kirsh and Mr. and Mrs. John Bilderback of Dover, Okla., Mr. and Mrs.

Tire Store Now Open In Bovina

OK Tire Store is a new Bovina business.

The firm, which opened last week in Gulf Station building on Highway 60, offers a large stock of new and recapped tires as well as tire repair and recapping service.

Manager of the tire store is Darrell Holland, who moved here over the weekend from Clovis. Holland is married and has two pre-school age children.

In addition to its tire business, the firm will offer Gulf gasoline, oils and greases, Holland announces.

The store will be operated under a national OK franchise which will make a nation-wide guarantee available on all recapped tires sold.

An advertisement in this issue of The Blade announces the opening of the business.

★★★

MRS. MINNIE McCUTCHAN

NEW BUSINESS--OK Tire Store on Highway 60 is Bovina's newest business. Operated by Darrell Holland, formerly of Clovis, the firm features a complete line of new and recapped tires in addition to Gulf products. The store has a national franchise for OK recapped tires.

FROM HART 60-24--

Mustangs Win First District Encounter

The Bovina Blade
 Second-Class Privileges Authorized at Bovina, Texas
 Published At Bovina, Texas, Every Wednesday.
 Dolph Moten Publisher & Editor
 Sue Moten Women's News

Gaining an even easier victory than the score indicated, Bovina Mustangs uncapped district play Friday night at Hart with a 60-24 verdict over the Longhorns.

The game was the District 1-B opener for both ballclubs. Halfback Jerry Frazier paced Mustangs to the wins he picked up a total of 218 yards in 28 carries as he put 20 Bovina points on the scoreboard.

Hart was never in the ballgame and Bovina fans didn't have any anxious moments about their team winning—Mustangs jumped to an early lead and

maintained a comfortable lead throughout in spite of the fact that Hart racked up threetouchdowns in the fourth period. The game was already on ice by that time and there was little hope for the host team to catch up.

A hard-charging, determined Bovina line forced the Hart attack to have to take to the air in the latter stages of the game and that was only way the Longhorns were able to move the ball. Their rushing game was halted by the maroon-shirted defenders and Hart wound up the game with a minus 23 yards on the ground.

The game was played on a wet, muddy field which was made worse by a quarter-inch of rain just prior to gametime.

Both teams were halted in their initial drives, but the Mustangs scored with ease second time they had the ball. They got possession on downs on Hart's nine-yard line after the Hart punter had dropped the ball and failed to get away his fourth down punt. The score came in three plays with Frazier getting the first seven in two tries and fullback Tally Kelso carrying it over from two yards away. Frazier plowed through the line for the extra points and it was 8-0 before late-arriving fans could find their seats.

Bovina's second score came with 1:27 remaining in first quarter. Putting a punt in play on their own 38, Mustangs scored in 10 plays with Frazier doing the honors from five yards away. Frazier did bulk of the damage in the drives as he picked up 49 yards in five tries. Kelso plowed over for the points to make it 16-0.

The third touchdown for the visitors came five plays later. Hart fumbled the following kickoff on its 28 and Lineman Lowell Boozer recovered for Bovina on the 29. Frazier whittled off 20 of that on a pitchout on first play from that point. Quarterback Don Cumpton made one and Frazier three more to put the ball on the five. From there Cumpton passed to End Mac Glasscock for the counter.

Billy J. Charles missed his placement attempt to leave the score 22-0.

Hart's only touchdown in first three quarters came midway in the second period on a five-yard pass from Quarterback Joe Rubalcaba to Dennis McLain. The score was set-up as Hart recovered a Bovina fumble on a punt on Bovina's 41. The drive was aided by a 15-yard penalty against Bovina and a 14-yard pass play.

Mustangs wasted little time in scoring after receiving the kickoff, which was of the on-side variety, giving Bovina possession on its own 46. Ponies made the score in five plays with Frazier carrying four of those times. He went over the double stripe from 24 yards away. Kelso added the two points - after and it was 30-6.

Next time Mustangs got the ball - via a punt which rolled dead on Hart's 46 - they scored in four plays. Kelso and Frazier made 11 each, Frazier added 21 more and Halfback Pat O'Brien carried it over from three yards out. When try for points was stopped, the score remained 36-6.

It was in the fourth quarter that the points started pouring over both goals as Bovina made 24 and Hart counteracted with 18 of its own.

Mustangs started the fourth

quarter fun only seconds deep in it as Frazier plowed over the right side from the three. Center Gary Stevenson, shifted to a backfield slot for the extra points, carried them over and the score was 42-6.

Hart got in its second six-pointer of the game then on a 38-yard pass play from Kenneth Fincher to McLain to make it 44-12.

That, evidently was too close for comfort for the Mustangs. They put the following kickoff in play on their 30 and scored in seven plays with O'Brien going the last 24 yards for the score.

Tackle Lowell Boozer put on the scoring pants for the extra points and it was 52-12.

Next, Fincher threw to McLain again for a 68-yard scoring

play and it was 52-18.

That touchdown was followed by an onside kick by Hart which was successful and the Longhorns took possession on Bovina's 48. From there, Fincher passed to Billy Joe Farris on fourth down for the 48 yards and the score. That made it 52-24.

Then the Mustangs added just one more TD for good measure before time ran out. They scored in six plays from their own 46 where they took possession of Hart's onside kickoff. Cumpton went the last four yards for the marker. Guard Delbert Morris carried over the extra points to complete the scoring at 60-24.

In addition to Frazier's 218 yards, Kelso made 61 in 12 tries, O'Brien carried six times

for 63 and Cumpton made 20 in seven tries to pace Mustang ballcarriers.

In spite of the 50-mile trip to Hart, there appeared to be more Bovina fans present at the game than there were Hart supporters. The Mustangs were favored going into the game.

Colts Play Happy Thurs.

Bovina's Junior High Colts journey to Happy tomorrow (Thursday) night for a football game with Happy's junior Cowboys.

The game is a make-up of one scheduled some three weeks ago which was postponed because of rain.

Wife: "I don't think I look forty, do you dear?"
 Tanker Driver: "No, darling, not now--but you used to!"

The game was played on a wet, muddy field which was made worse by a quarter-inch of rain just prior to gametime.

Both teams were halted in their initial drives, but the Mustangs scored with ease second time they had the ball. They got possession on downs on Hart's nine-yard line after the Hart punter had dropped the ball and failed to get away his fourth down punt. The score came in three plays with Frazier getting the first seven in two tries and fullback Tally Kelso carrying it over from two yards away. Frazier plowed through the line for the extra points and it was 8-0 before late-arriving fans could find their seats.

\$300 Damage In Collision Last Week

A two-vehicle accident at intersection of Third Street and Avenue D Tuesday night of last week resulted in some \$300 in damages.

Involved in the wreck were Butch Woltmon in a '60 model Chevrolet pickup and Felton Atkins in a '53 Ford car.

The accident occurred when the Atkins car struck the rear of the pickup driven by Woltmon.

Woltmon had stopped to allow a car in front of him make a left turn.

Damage to the pickup was estimated at \$85 while the Ford, valued between \$200 and \$300, was considered a total loss by Henry Minter, deputy sheriff who aided in the investigation.

Tom Atkins, Parmer County Deputy Sheriff, attended the fall reunion of Scottish Rite Masons in El Paso this week.

Atkins, a 32nd Degree Mason, helped administer the degrees at the reunion, held at El Paso's Scottish Rite Temple.

Commissioners Oppose "De Novo" Amendment

The Parmer County Commissioner's Court in its regular meeting Monday in Farwell, went on record as opposing the proposed constitutional amendment number 14, known as the "Trial de Novo" amendment.

The commissioners expressed the feelings of all law-making-bodies in the county when they passed the following resolution:

BE IT REMEMBERED that on this 22nd day of October, A. D. 1962, at a called meeting of the Commissioner's Court of Parmer County, with all members thereof present and voting, there came on to be considered, among other items, the following for consideration:

"Whereas, the proposed Constitutional Amendment known as the "Trial de Novo Amendment", being proposition No. 14 on the November 6, 1962 General Election Ballot, will be presented to the people for approval or disapproval; and

"WHEREAS, it is believed that the effect of this proposed Constitutional Amendment

would be very harmful to the best interests of Parmer County if it is approved; and

"WHEREAS, said Constitutional Amendment would be very harmful to the best interests of Parmer County if it is approved; and

"WHEREAS, said Constitutional Amendment, if adopted, would paralyze all Commissioner's Courts, City Commissions, School Boards, and all similar Administrative Agencies in the State of Texas; and

"WHEREAS, said Constitutional Amendment would, if adopted, transfer control of local government from the people to the courts, resulting in congested Court Dockets; and

"WHEREAS, it would, if adopted, subordinate the executive branch of the government to the Judicial and to the Legislative; and

"WHEREAS, the said Amendment is not necessary to protect the people's rights through due process of law; now

"THEREFORE, be it resolved that the Commissioner's

Court of Parmer County go on record as opposed to the adoption of said proposed Amendment No. 14 on the ballot of the General Election November 6, 1962."

The above resolution was read by the County Judge, and upon a motion by Commissioner Tom Lewellen and a second by Commissioner Charlie Jefferson, said resolution was called to a vote, there being four "ayes" and no "noes", said resolution is declared carried and adopted.

The next meeting of the Commissioner's Court will be Tuesday, November 13. The Court-house will be closed Monday, November 12, due to Veteran's Day falling on Sunday.

BACK THE CANDIDATE OF THE BIRCH SOCIETY? NEVER!

The Panhandle "Republican" candidate for Congress is a member of the John Birch Society—an organization condemned for its unprincipled extremism by leaders of both parties, Republican and Democratic.

IS IT to the Republican Party that this candidate owe his loyalty?

OR IS IT to Robert Welch, the Birch Society dictator, who has made it clear he tolerates no deviation from his rule over Birch Society thought and action?

Welch called President Dwight D. Eisenhower—the Republicans' biggest name—"... a dedicated, conscientious agent of the international Communist conspiracy."

IT IS NO WONDER THAT THE JOHN BIRCH SOCIETY DRAWS BIPARTISAN CONTEMPT!

Said Eisenhower: "Those who take extreme positions in American political and economic life are always wrong."

Said Richard Nixon: "We need good, strong anti-Communists in this country. But I realize that those who exaggerate, those who make a racket of it, hurt the cause."

Said Barry Goldwater: "I am not close to the John Birch groups."

On a recent NBC Chet Huntley television program, the national chairman of both the Republican and Democratic Parties disavowed any link with the Birch Society.

BACK THE BIRCH SOCIETY CANDIDATE? NEVER! I FOR RESPONSIBLE LEADERSHIP

RE-ELECT CONGRESSMAN **WALTER ROGERS**
 ... SENSIBLY Conservative

(Political ad paid for by Parmer Co. Democrats who believe it would be disastrous to replace a loyal friend of agriculture and moderation in government with the John Birch philosophy of extremism.)

ROGERS-YES FOR CONGRESS SEALE - NO

Re-Elect WALTER ROGERS Congressman

Experience-Mature Judgement-Seniority

ASK YOURSELF THESE QUESTIONS:

1. Have you and your neighbors prospered more under a Democratic Administration?
2. Do you want to return to the Ezra Benson type Republicanism?
3. Can you remember when the Republicans ever helped small business and farmers more than the Democrats?
4. Do you want to send an inexperienced man to Washington who would have no seniority on important committees for years to come to try to fight our battles for us? Give this Serious Consideration

Vote For WALTER ROGERS

Music Group To Levelland

Baptist Youth Choir and students of Mrs. Margaret Caldwell went to South Plains Junior College at Levelland Saturday to perform for Music Federation Club.

The youth choir under direction of Mrs. Harold Hawkins, sang "The Lord is My Light" and "When The Battle's Over."

They were accompanied by Don Cumpston on trumpet and Miss Elaine Fuller at the piano.

Presenting piano solos were Zelda Donaldson and Ronnie Glascock.

Sponsoring the youth choir were Mrs. Troy Fuller, Mrs. Robert Taylor, Mrs. Dwayne Carter and Mrs. Hawkins.

Others attending were Mrs. Sterling Donaldson, Mrs. Margaret Caldwell and Miss Rita Caldwell.

Youth attending other than those mentioned were Maureen Hammonds, Joyce Hudson, June and Pam Webb, Jeanie and Tonla Vee Ivy, Billy Minter, Richard Carson, Scotty Rundell, Lynn Murphy, Larry Webb, Patsy Lloyd, Gail Boyd, Suzanne Ferguson, Margie and Shirley Carter, Pat Taylor, Wendell Davlew, Patsy Cumpston, Lynn Looney, Ken Horn, Nellie B and Patricia Crook, Judy Sisk and Teresa Page.

Coke Party Fetes Grand Worthy-Advisor

Cynthia Owens, grand worthy advisor from El Paso, was honored with a Coke party Thursday afternoon at Masonic Lodge Hall by Rainbow girls.

Miss Donna Kay Dunn, local worthy advisor, welcomed Miss Owens after which she gave a short talk to girls.

The refreshment table was laid with a white cloth and centered with an arrangement of chrysanthemums and dahlias. Punch and German chocolate cake, sandwiches and chips were served to guests.

Those present were the honoree, Mrs. Cortez Dalton, grand visitor of Canyon, Mrs. Otis Huggins, Mrs. Clifford Leake, Mrs. Glenn Dunn, Judy Crawford, Peggy Eason, Janice Prince, Martha Coffey, Linda Langston, Maureen Hammonds, Mary Coffey, Judy Meachum, Donna Kay Dunn, Vickie Rogers and Mrs. Roy Crawford.

Surprise B'day Party Honors Elke Steffens

Miss Elke Steffens, exchange student from Germany, was honored with a surprise birthday party Sunday afternoon in fellowship hall of Methodist church.

Hosting the party was Woman's Society of Christian Service, Elke's sponsors. Approximately 50 people were for the celebration.

Fellowship hall was decorated with balloons and carried out birthday theme. The refreshment table was laid with a birthday cloth and centered with the cake depicting the birthday theme. Paper plates, cups and napkins were also decorated with theme. Cake and homemade ice cream were served to guests by the honoree.

C. of C. Women to Portales

Several Church of Christ women went to Portales Thursday afternoon to work at church orphanage.

Attending were Mrs. Billy Marshall, Mrs. Joe Pinner, Mrs. James Boardman, Mrs. Harley Riddle, Mrs. Buck Ellison, Mrs. Howard Ellison, Mrs. J. R. Caldwell, Mrs. Don Stone, Mrs. Robert Calaway, Mrs. Levi Johnson and Mrs. Elvin Johnston.

Bridge Club Has Dinner Party

Several members of Thursday evening bridge club were entertained with a dinner party Thursday at a Clovis restaurant.

Attending were Mr. and Mrs. Gene Ezell, Mr. and Mrs. Johnnie Horn, Mr. and Mrs. Vernon Estes, Mr. and Mrs. Dean McCallum, Mr. and Mrs. Tom Caldwell and Mr. and Mrs. Bedford Caldwell.

Congratulations

Congratulations to Mr. and Mrs. Tommy Williams on the birth of a baby girl born Thursday afternoon at Parmer County Community Hospital in Friona. The new arrival weighed 5 pounds 15 ounces and is named Kathy Lynn.

The Williams also have another daughter Leslie aged 3 years.

Grandparents are Mr. and Mrs. Clifford Leake and Mrs. Jessie Williams.

Alfred Webb Gets Promotion

Alfred H. Webb, son of Mrs. Bessie Webb was recently promoted to private first class in Germany where he is a member of 26th Artillery.

Webb, a wireman in the artillery's Battery B, arrived overseas in May of this year.

Blade Sawdust by SUE MOTEN

Bill Clayton, democratic nominee for state representative, says campaigning in Bovina is a rather tough job, especially on Friday afternoon. According to Bill, no one wants to talk politics just want information on whether the football field at Hart is wet or dry.

Not only that but also the fact that a couple of weeks ago everyone was world series conscious. So a campaigning politician hasn't got a fighting chance until the game of the week is over.

Heard the term "cliff hanger" used the other evening for the first time in ages and it brought to mind a connection it used to have. Can you remember when the event of the week was going to the Saturday afternoon movie in order to see the current serial. These jewels were similar to the modern day TV soap opera only they were much more melodramatic in that the hero was usually left in extreme peril from one week to the next. Seems one of their favorites cliff hangers was to leave the hero trapped in a burning building with a mob of villains surrounding the area. Another amusing thing about these serials was the fact that many of them dealt with space men and science fiction. Can remember thinking that this was a bunch of bosh but have lived to see quite a bit of the space theory come true.

Several weeks ago was fortunate enough to take a trip to Taos, N.M. to see the Aspens in all their glory and they truly were but don't believe any of the trees were any prettier than the one in the front yard at the Billy Don Read home. Imagine that statement will arouse a "why didn't you stay at home" from my spouse.

That advice is usually free and unwanted is certainly a true statement. When trying to tell someone how to come to your house with the streets in the condition they are in you are certain to make an enemy and lose a friend. Was going to be kind recently and tell someone a good way to come to the house and as usual it ended in one of the obvious fates of advice given. Have decided the best thing to do is just let them worry their way there and fuss afterward about your not telling them what route to take.

SUPER MARKET BOVINA

Of Interest To THE WOMEN

Mr. and Mrs. J. W. Bell were honored Sunday afternoon with a reception on their 50th Wedding Anniversary. Children of the couple hosted the reception.

Bridal Shower To Fete Miss Kerby

Miss Paula Kay Kerby will be honored with a bridal shower Saturday, November 3 in fellowship hall of First Baptist Church between the hours 3 and 5 p.m.

Friends are cordially invited. Hosting the occasion are Mmes. Wallace Rogers, J. E. Sherrill, L. L. Rhinehart, J. T. Jones, M. H. Carson, Erith Hawkins, Bill Burnam, Henry Minter, Ed Hutto, Cash Richards and J. W. Harris.

Mrs. Hastings Hosts Club

Highlighting the program at Widow's Club Friday afternoon was a question and answer program, on "How to improve your appearance."

Mrs. Pearl Hastings hosted the covered dish luncheon meeting at her home.

Attending were Mrs. J.R. Caldwell, Mrs. Margaret Caldwell, Miss Rita Caldwell, Miss Ellen Reminsider, Mrs. J. Sam Gaines, Mrs. Ola Free, Mrs. Ether Glover, Mrs. C.O. Edens, Mrs. Lady Armstrong and Sheila Barbee and one guest, Mrs. Pearl Waldon.

Shower Fetes Mrs. Garner

Mrs. Keith Garner was feted with a lullaby shower Thursday afternoon at the home of Mrs. Charles Vickers.

Several layette games were conducted by the hostess after which gifts were opened.

Refreshments of blue and yellow cake decorated with safety pins and punch were served from a table which carried out the yellow and blue theme. Centering the table was an arrangement made of yellow and blue baby rattlers.

Calling were Mrs. Ralph Straw, Mrs. Weldon Moody, Mrs. Oakley Stevenson, Mrs. E. H. Moody, Mrs. D. T. King, Mrs. Buck Garner of Friona and Mrs. Elmer Patton of Balinger and Mrs. Charles Embry.

Hosting the occasion were Mrs. Malcolm Kennedy, Mrs. Grady Sorley, Mrs. Dickie Steelman, Mrs. Glenn Kelley, Mrs. John Ferguson, Mrs. Charlie Owen, Mrs. Don Murphy and Mrs. Vickers.

Club Meets In Webb Home

Mrs. Bessie Webb hosted Good Neighbor Sewing Club Thursday afternoon in her home.

During a short business session a nominating committee was selected to nominate officers for the coming year. Nominees will be voted on at next meeting which will be November 1 in the home of Mrs. Lester Williams.

Following the business session refreshments of ice cream, cookies, coffee and soft drinks were served to guests.

Attending were Mrs. Alfred Mills, Mrs. Bob McMeans, Mrs. Howard Looney, Mrs. Lester Williams, Mrs. T. J. Hopingardner and Mrs. Webb.

MISS VIRGINIA REA

Engagement Revealed

Mrs. Gene Rea announces the engagement and approaching marriage of her daughter, Virginia K., to Jackson Blase, son of Mr. and Mrs. Lawrence Parslow of Hamonton, N. J. The couple will exchange vows Saturday, November 3, at 2 p.m. at Methodist Church in Bovina. Friends of the couple are cordially invited.

Demo Women Have Coffee

Mrs. Wylie Bullock, senatorial district committeewoman, presided over a coffee meeting Monday morning at hospitality room of Friona State Bank.

Bill Nichols opened the program with a dissertation on the 14th amendment after which a question and answer period followed.

Others on program were Mrs. Leon Smith, who gave a comparison on Democratic and Republican platforms; Mrs. O. D. Spitzer highlighted the Democratic farm program and Mrs. Freeman Davis concluded the program with outlining wom-

ens activities and ways to get voters to polls.

Approximately 30 women from Parmer County were present for the coffee with women from Bovina, Farwell, Friona, Lazbuddie and Oklahoma Lane represented.

Mrs. Bullock expressed her thank you to the group and encouraged women to be more active and informed in politics.

Party Honors Vickie Hawkins

Vickie Hawkins, daughter of Mr. and Mrs. Harold Hawkins, celebrated her 12th birthday last Tuesday afternoon with a party at her home.

Theme of the party was carried out with circus decorations. Favors were clown faces with guests names on them. Refreshments of hamburgers, birthday cake, decorated with circus theme and ice cream, were served to guests.

Attending were Judy Sisk, Vicki Vaughn, Martha Adams, Myrna Ritchie Deborah Hawkins and the honoree.

Mrs. Caldwell Teaches Study

Mrs. Bedford Caldwell was in charge of program at a combined meeting of Wesleyan Service Guild and Marzie Lynn Circle of Methodist Church Monday evening in church parlor.

"The Rim of East Asia" is title of study course being taught by Mrs. Caldwell. They discussed Korea and Okinawa and a short skit was presented by Mrs. H. J. Charles and Mrs. Billie Sudderth.

Mrs. William Thornton presented a map talk on Okinawa and Mrs. Dean Hasting introduced and explained a comparison chart of the two countries.

Mrs. Vernon Estes gave a story titled "The Brothers." Highlighting the program was an exhibit talk given by Mrs. Caldwell on objects from Okinawa and Korea.

Following the program refreshments were served by Mrs. Rouel Barron and Mrs. Billie Sudderth.

Baptist Women To District Meet

Several women of WMU attended a district WMU meeting Tuesday of last week at First Baptist Church at Littlefield.

Some of the women dressed in 1888 costumes depicting the 75th anniversary of WMU. Attending the meet were Mrs. P. A. Adams, Mrs. R. N. Williford, Mrs. W.W. Wilcox, Mrs. H. D. Bradshaw, and Mrs. Bobby Englant.

Mr. and Mrs. J. W. Bell Note 50th Wedding Anniversary

Mr. and Mrs. J. W. Bell were feted with a reception Sunday afternoon at their home in honor of their Fiftieth Wedding Anniversary.

The Bells were married October 20, 1912 in Athens. They lived there four years and moved to Melrose, N.M. in 1916 and resided there for a year. They moved back to Athens

in 1917 and traveled 25 days via covered wagon on that journey. After six years they moved to the area of Bovina and were engaged in farming for approximately 38 years after which they retired and moved to Bovina.

Hosting the reception were their children and or husbands and wives; Mr. and Mrs. Forrest Bell of Shreveport, La.; Mr. and Mrs. Eric Pierce of Clovis and Mr. and Mrs. Durward Bell of Bovina.

The refreshment table was laid with a linen cloth edged in crochet. The heirloom cloth belonged to the aunt of their daughter-in-law, Mrs. Durward Bell. Centering the table was an arrangement of yellow mums in a gold basket flanked on either side by silver candlesticks and gold tapers. The three tiered cake was decorated with golden bells and topped with a 50 depicting the couples anniversary. Silver and crystal appointments completed the table. Mrs. Durward Bell and Mrs. Eric Pierce presided at the table.

Karen Bell, granddaughter of the couple presided at the guest registry. 110 guests called during the afternoon.

Contest Rules

1. There are 10 high school and/or college football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Saturday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl games plus hotel, food and traveling expenses to Dallas and the January 2, 1962 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p. m. Friday of each week.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Everyone, except employees of this newspaper and their families, is eligible to enter.

Turn This Blank Into Blade Office By 5 P. M. Friday

Whittlin'--

Bovina sports fans are good ones, as we've pointed out from time to time. Never was it more evident how good they are than at the Hart-Bovina game Friday night there.

We arrived at the game a few minutes before kickoff time and tried to get a seat in Bovina stands. It wasn't an easy job to do as the stands were full.

So, we went across the field and took our choice of seats in the Hart stands. And the stands or more or less equal in size. And the game was being played at Hart, remember!

We'll admit that the Mustangs were favored, but it shouldn't have made that much difference. We didn't think so, anyway.

Surely we'd turn out better than that for a home game, even if we had a losing team...

Mustangs--

working hard on defense this week, especially pass defense. "I thought we were weak defensively against Hart," he points out, "They made two touchdowns against our first team."

Gee adds that Kress defeated Farwell easier than they did Happy. "They're (the Cowboys) are bound to be pretty tough," he says.

Bovina whipped Happy 39-6 on the way to district championship in last year's game. That was first time for Bovina to beat Happy since the teams were put in the same district in 1955. Score of 1960's game was 20-12 in favor of Happy.

In case of a tie, the game's winner will be decided on penetrations. If they, too, are tied, first downs and then total yardage will determine the winner.

There can be no tie game as such according to district rules.

Kickoff time is 7:30 as it was last week and will be for all district games. A large following of Bovina is expected to be on hand for the important melee.

It's easier to stitch cotton canvas or duck if you will rub soap along seam lines before sewing.

County's Harvest Continues After Rain-Caused Delay

Harvesting operations resumed in Parmer County Monday after being interrupted by rain last week. Many farmers were resuming maize combining, which was estimated around three-quarters complete before the wet weather halted what was until then a very short and ideal grain season.

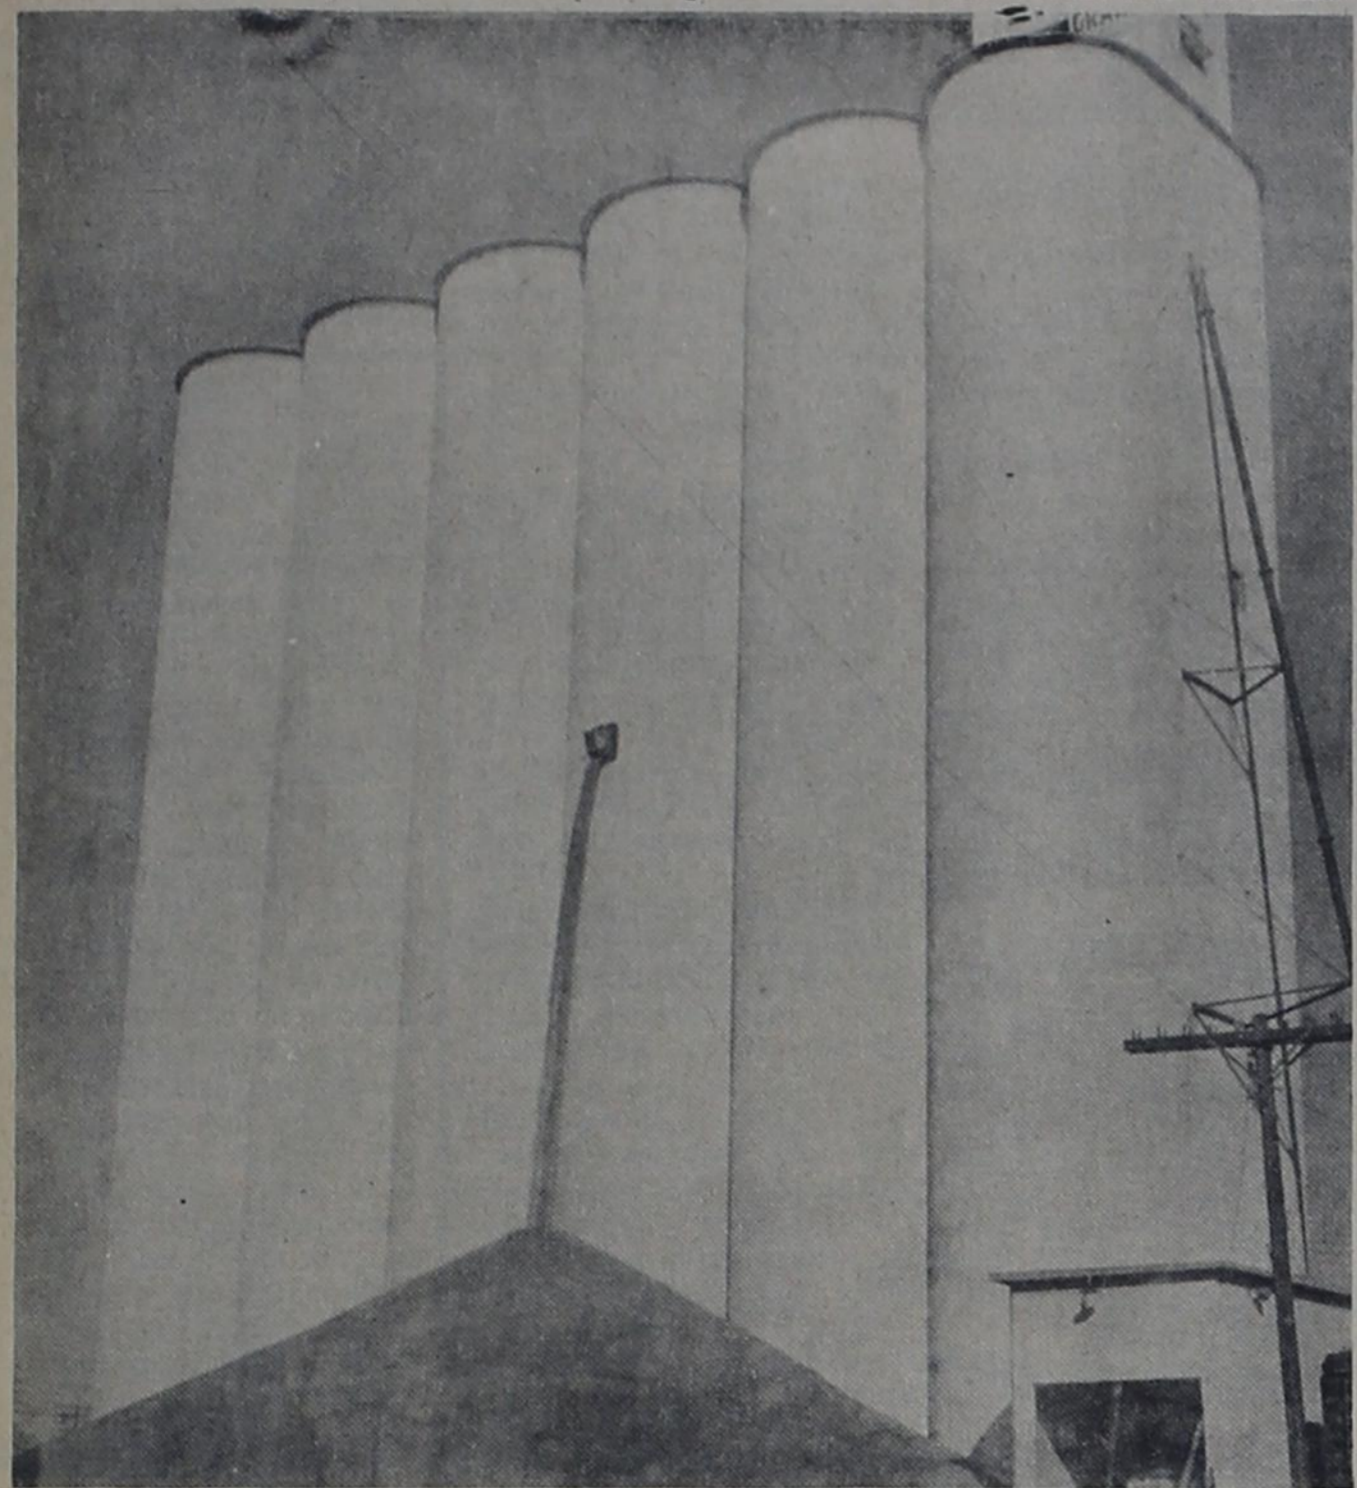

Some few farmers were having their cotton handpulled the first time over, although most preferred to wait until the entire crop matures, for a "once over" process by the strippers. The maize crop has been described in different manners. Some say it will be the "best ever," while others say they are not making as good a yield as they have the past year or so.

Farmers and elevator operators in the Lasbuddie-Farwell area termed this year's crop one of the best ever. Those in Friona and Bovina were a bit more conservative, saying it "compared" with the best while some areas, such as around Black, it appeared the yields would be lighter than some had hoped, although there was still some grain to cut.

An estimate last week, derived by figures supplied by elevator operators, showed that between eight and nine million bushels of grain sorghum had been delivered to elevators, been delivered to elevators in the county. Last year's banner yield for Parmer County was 14,610,000 bushels, an average of 82.5 bushels per acre. The cotton crop is also expected to be one of the best ever, with estimates ranging around 40,000 bales expected to be harvested.

The Highway Patrol investigated 10 rural accidents in Parmer County during the month according to Sergeant W. E. Wells, Patrol Supervisor of this area. These wrecks accounted for two persons injured and an estimated property damage of \$6,005.00. The rural accident summary for Parmer County from January through September of 1962 shows a total of 74 crashes. As a result of these crashes there were three persons killed and 39 persons injured. The estimated property damage amounted to \$48,070.00. "Accidents Go Up When the Sun Goes Down," is a slogan so true. Darkness hides danger, giving the driver a false sense of security. That is the reason traffic accidents increase during October's shorter days and longer nights. National statistics show that the traffic death rate at night is three times the daylight rate, and more than half of all accidents occur after sundown, despite reduction in the volume of traffic. At sundown, long shadows and fading light makes it increasingly difficult for drivers to spot traffic hazards and stop in time. The veteran patrol supervisor said, "make it a habit to turn on your driving lights at the first hint of dusk and always use them properly."

Who Wrote It? When you have heard two eyewitnesses relate the details of the same automobile accident you commence to worry some about history.

GRAIN ABUNDANCE in Parmer County is reflected in this elevator scene at Farwell. The scene is a common one for elevators throughout the county, as storage space became sapped by the abundant maize crop.

County Records Ten Rural Accidents During Month

The Highway Patrol investigated 10 rural accidents in Parmer County during the month according to Sergeant W. E. Wells, Patrol Supervisor of this area. These wrecks accounted for two persons injured and an estimated property damage of \$6,005.00. The rural accident summary for Parmer County from January through September of 1962 shows a total of 74 crashes. As a result of these crashes there were three persons killed and 39 persons injured. The estimated property damage amounted to \$48,070.00. "Accidents Go Up When the Sun Goes Down," is a slogan so true. Darkness hides danger, giving the driver a false sense of security. That is the reason traffic accidents increase during October's shorter days and longer nights. Homemakers Enjoy Furniture Tour

Fifty-four Parmer County homemakers will be better buyers of furniture as the result of a series of furniture store tours. Seven tours were conducted this month with all county homemakers invited to attend. These homemakers saw many new fabrics fashionable in upholstery. Cotton and nylon were the most popular on sofas and chairs. A variety of fillings were used in the cushioning. Each of these homemakers compared the feel and appearance of polyurethane (polyfoam), foam rubber, polyurethane wrapped with dacron, marshall unit coil springs in the cushions. Construction of different quality and priced range furniture were seen. Bubbles and defects were checked in all furniture for good quality. Design of furniture was discussed to meet the needs and wants of the individual families or individual family members. Each day the tours began in the office of the home demonstration agent, Miss Ettie Musil, who discussed what to look for in selecting furniture. She discussed common mistakes made in buying furniture. Miss Musil stated that homemakers commonly choose furniture that does not fit the space needed for the piece. Sometimes furniture is "too good" or uncomfortable for the family who is to use it. Always check all of the construction of the frame as well as the finish, wood, dresser drawers, or upholstery fabric and cushioning. Tours were made to S&S Furniture in Texico, McDaniels' Furniture, Slesmore Furniture, Home Beautiful, and Bryson's Furniture.

Lubbock Classing Office Sample Receipts Increase

Sample receipts continued to increase this past week at the Lubbock Cotton Classing Office, according to Mr. W. K. Palmer,

SOIL CONSERVATION DISTRICT NEWS

In 1954 Congress passed a bill called the Watershed Protection and Flood Prevention Act. You may say "What does watershed protection have to do with me?" You live in a watershed.

Everyone lives and works in a watershed. Your back yard could be a watershed. Let me explain. Let's start with the smallest of watersheds. Where does the water come from? It comes from the land around it, of course.

All the land that sheds its water into that stream is the stream's watershed. A large river watershed is made up of many small watersheds. It's a combination of the watersheds of all the streams running into it.

A watershed may include just farmland, or it may include mountains and hills. Your watershed, of course, includes your city along with other land. What happens in your watershed affects you. And it also affects the communities in larger watersheds down the stream from you.

In the Watershed Protection and Flood Prevention projects communities work together -- both the farmer and the people in a city such as yours. They plan together what the community needs. The Federal Government gives technical assistance and some financial help. But most of all, it's a community project.

The landowners install the needed conservation measures on his land. But there are some problems he can't solve alone -- they're community problems. The community works together on these. The purpose is to handle the water properly so there'll be water for all uses -- for the farm and for the city -- and to help prevent floods. Many of the projects include water storage reservoirs. These can provide swimming, boating and fishing for the community, and stockwater and irrigation water for the farmers.

We here in Parmer County are in the process of getting one of these watershed projects started. The project will be on the watershed of Running Water Draw, which is located in the central part of the county, also this watershed will cover part of Curry County in New Mexico. Farther down the draw will be parts of Castro, Lamb, and Hale Counties. This will have to be a community project if it is going to do the most good for the most people.

If you are interested in learning more about this project contact your County Agent, Soil Conservation District Supervisors, County Commissioners, or any of the Soil Conservation Technicians at the office in Friona, Texas.

Officer-in-Charge, Mr. Palmer said the rain which began Tuesday night would stop receipts until the weather clears.

The Lubbock Classing Office classed 23,000 samples this week. The Lamesa office classed 6,600 samples and the Brownfield office classed 8,200 samples for the week.

Classing at all three offices totaled 80,000 samples to date. Last year 228,000 samples had been classed at this time.

Quality improved slightly this week.

Middling counted for 60 percent of the cotton classed in the Lubbock office. The following qualities made up the other percentages: Strict Middling 5%, Strict Low Middling 7%, Strict Middling Light Spotted 9%, Middling Light Spotted 15%, and Strict Low Middling Light Spotted 2%.

The average staple length was 30.2 thirty-seconds of an inch this week.

The micronaire readings for the week are as follows: 2.7 to 2.9, 1%; 3.0 to 3.4, 5%; 3.5 to 3.9, 17%; 4.0 to 4.4, 45%; 4.5 to 4.9, 29%; and 5.0 to 5.4, 3%.

Movement of cotton on the Lubbock Market improved this week with the Lubbock Cotton Exchange reporting 4,260 bales purchased. This compares with 528 bales reported a week ago and 12,300 bales for the same week a year ago.

Prices remained stable this week. Middling inch is quoted at \$2.30. Quotations for the primary grades and staples being classed at this time are: Middling 29/32 31.05, Middling 15/16 31.30, Middling 31/32 31.80, Strict Low Middling 29/32 29.70, Strict Low Middling 15/16 30.20, Strict Low Middling 31/32 30.90, Middling Light Spotted 29/32 29.70, Middling Light Spotted 15/16 30.20, Middling Light Spotted 31/32 30.90.

Feed Grain Acreage Policy For 1963 Is Announced

All feed grain acreage, including corn, grain sorghum and barley will be lumped together as the feed grain base for the 1963 Feed Grain Program, states Prentice Mills, Parmer County ASCS office manager.

As an example, Mills said that a farmer who had a 20 acre barley base in 1962, along with 10 acres of corn and 200 acres of grain sorghum would in all likelihood have a 230-acre feed

grain base for 1963, and could plant the acreage to any one crop, or a combination, and participate in the Feed Grain Program as long as he makes a minimum diversion of 20 percent of the feed grain base and plants no more than 80 percent of the base.

Mills said that he would be passing along more details of the 1963 Feed Grain Program as soon as they were released to him.

Acreage Notices To Be Mailed

Notices will be mailed to County farmers next week advising them of their normal yield as established by the Agricultural Marketing Service for the 1963 Wheat Program, according to Parmer County ASCS office manager, Prentice Mills.

The yields and proposed diversion payments will be listed so that the farmers who intend to participate in the program may know what they will receive.

Farmers who are going to participate in the 1963 wheat program by making a diversion may sign an intention to participate at the ASCS office between November 15 and December 14, Mills stated.

HD Agent's Notes

BY MISS ETTIE MUSIL

Many of you have been wondering where Miss Celia Patton is located. She began her duties October 8 as County Home Demonstration Agent of Castro County. Her last day of training in Parmer County was September 30 at which time she completed three months training in all phases of her responsibilities as home demonstration agent.

I saw her in Hereford last Thursday during a sub-district meeting. She was interested in events scheduled during these three weeks since she has been away. I'll see her several more times during the remainder of the month. We have a special training in Amarillo, October 22 and 23, and in College Station during Agents' Conference, October 29 to November 2.

Wish you all could have gone with us to the furniture tours during the last two weeks. After the last store we toured, I asked the group of ladies attending, "Did you learn anything?" All were so impressed by the many things they learned to check before buying.

Several homemakers had sad experiences of looking into one or two dresser or chest of drawers, only to find later poor construction of drawers at the bottom. Several homemakers commented that they were thoroughly confused by the many factors to consider in selecting good quality furniture.

My comment to these homemakers was, "If you are confused you have learned something." This is so true because each homemaker will thoroughly examine each piece of furniture and she will ask questions. While she asks questions she will want to see labels that give authentic information about each piece, or choose a reputable dealer.

If we can help any of you with specific problems of selecting furniture, choosing design, arranging furniture, budgeting furniture, choosing wood furniture, or choosing upholstered furniture, let us know. We have mimeograph copies of valuable information that you may study in the office. Do come by.

You may be interested to know that a new man-made fiber has been seen in knit wear for the first time this fall. Orlon Sayelle is a bi-component acrylic fiber, bi-component means

"consisting of two parts."

This fiber has two separate and different types of acrylic components that have been fused in a two sided structure. This structure is continuous throughout the entire length of the fiber.

Can you imagine that each side maintains its own individuality within a single fiber. The fiber has a permanent spiral crimp that gives bulk without addition of extra fibers.

This fiber is made into wash and machine dry garments. Simply wash and machine dry the garments in warm water washing or as your washer instructs to launder acrylic fabric. Spread loosely on a flat surface to dry. It is most important to completely dry the garment before using.

No power on earth can keep a first-class man down, nor a fourth-class man up.

FOR CASH SALE

Section 89 and the north 1/2 of Section 65, Block 1-C, G.H.&H. R.R. Company, Sherman County, containing 960 acres. Existing oil and gas lease covering to depth of 3500 feet; 1/4 royalty from 2 existing gas wells has returned approximately \$30,000 in past 4 years. Approximately 800 acres of good grass land, with producing windmill on each tract. Section 89 has approximately 199 acres of land in cultivation, but about 500 acres on the two tracts are suitable for cultivation. One tract has REA line and pavement adjoining. Owners desire offer for surface only and separate offer for surface and 1/2 minerals. Sealed bids should be mailed to The Reverend Oblate Fathers, Box 550, Amarillo, Texas. Sellers reserve the right to reject any offers. Cash bids only.

Farm Facts

Scientists are evaluating bird-repellent grain sorghums. Growing from seed coverings of test varieties are sharp spines which seem to keep birds from feeding.

Agricultural Research, published by the U. S. Department of Agriculture, reports some of these sorghums have been grown in south Florida and tests are being conducted at Beltsville, Md., and in Mississippi and other states.

An effort will be made to cross sweet sorghums with the grain sorghum strains to learn if widely adaptable bird-repellent sweet sorghums can be produced.

Bird feeding on sorghums is a problem in the South and Southwest.

Agronomist F. T. Boyd, in charge of the Plantation Field Laboratory of the Florida Agricultural Experiment Station at Fort Lauderdale, found the bird-repellency characteristic during tests of hundreds of sorghums. Blackbirds, rice birds, English sparrows, and Florida grackles left two sorghums strictly alone. By crossing these with others, some 50 strains have been developed with their own built-in bayonets.

New grain sorghums repel birds.

4-H Council Announces Achievement Program Plans

Parmer County 4-H Council has announced plans for the annual 4-H Achievement Program to be held Saturday, November 10 at 6:30 p.m. in the Hub Community Center. This year the 4-H Council planned for a covered dish supper to be served for all 4-H Club members, parents, and guests in the county.

These plans were made during the meeting of the 4-H Council Saturday, October 20 at 9:30 to 11:00 a.m. in the District Courtroom of the Courthouse in Farwell. Gary Foster, chairman, presided and Katie Blackstone served as acting secretary.

Bruce Billingsley led the 4-H Pledge and Dale Blackstone led the Pledge to the U.S. Flag. Reports of the 4-H Bake Show, Favorite Foods Show, 4-H Boys Camp, and 4-H Dress Revue were made by 4-H Club members and adult leaders.

For the 4-H Achievement Day, November 10, Council

members voted to serve the covered dish supper. Following the meal 4-H achievement awards medals will be presented to all eligible members who entered their record book in August for judging.

After the awards presentation each of the 4-H Clubs will present club talents as skits, musicians, vocalists or choruses, or comedies. This is the first time for 4-H members to present talent as the program.

Different responsibilities were given each club for the Achievement Program. Farwell 4-H Club is in charge of registration, Lazbuddie 4-H Club will decorate the building, Rhea 4-H Club and Friona 4-H Club will be on the clean up committee. Junior 4-H Leadership will assist in clubs in which they are members. 4-H Council will furnish tea, coffee, paper plates, cups, napkins, and decorations.

D. H. Foster was elected council chairman for 1963.

Bruce Billingsley and Katie Blackstone was elected co-vice chairmen. Secretary is Gary Foster and treasurer is Reba Lesly. Judy Koelzer was elected reporter.

Parmer County becomes part of the District 4-H Council through elected delegates. Elected Keith Black and Kathryn Guber will attend District Council and report district business to the County 4-H Council. Danny Miller and Linda Gleason were elected alternate delegates.

County 4-H Council is composed of the president and council delegates of each of the five 4-H Clubs plus the officers who are elected from the previous year's council members. Council is the connecting link of all the 4-H Clubs. Its purpose is to discuss and make plans for county-wide 4-H events and activities.

Attending the Council meeting were Gary and D. H. Foster, Katie and Dale Blackstone, Bruce Billingsley, and Reba Lesly. Mrs. Leon Billingsley and Mrs. Harvey Blackstone attended as visitors. Also attending as advisors were Extension Agents, Miss Ettie Musil and Deryl L. Coker.

WITH THE COUNTY AGENT

DERYL COKER

LP gas, or liquified petroleum gas, is now being used more and more on Texas farms and ranches as a fuel for tractors and for household purposes. As with any combustible fuel, safety precautions are necessary when using LP gas to prevent injury and damage by explosion or fire.

About two months ago a farm house was destroyed by an explosion caused by butane and the life of one person was taken due to the explosion.

Here are some precautions that we should consider.

One important precaution is to locate the tank at least 50 feet from any major building and 20 feet from other tanks containing flammable liquids. Also, the tank should be located so that it is isolated from open fires, sparks and other sources of ignition.

If a pump is used on the tank, erect a low fence around it to prevent accidental damage to

the pump, hose connections, and the pipe fittings which may cause dangerous leaks.

Low spots and holes around the tank should be filled because LP gas is heavier than air and gas that leaks from the tank will settle in these low spaces and become a fire hazard.

If leaks are suspected in the tank they should not be detected by using a flame, keep away from the tank and call the local service man.

LP gas is a fuel and should never be used for cleaning purposes or to inflate tires.

LP gas is a safe fuel and can be used without fear of explosion or fire if proper care and safety practices are observed.

Since we are in harvest I am going to list average figures on some crops. It should be of interest to you to see if you are above or below average on the different recommendations listed below:

Per-Acre Production and Production Requirements for Crop Enterprises*

Item	Dryland	Irrigated			
		Preplant only	Preplant plus 1 postplant	Preplant plus 2 postplant	Preplant plus 3 postplant
Cotton					
Yield (lb.)	130	350	575	700	750
Water (ac.in.)		5	9	13	17
Nitrogen (lb.)			30	40	60
Phosphorus (lb.)					
Early poison (no. appl.)				1.00	1.00
Late poison (no. appl.)	0.33	1.50	2.00	2.00	2.00
Hoeing (times over)	1.20	1.20	1.50	2.00	2.00
Grain Sorghum					
Yield (lb.)	1100	2000	3000	5500	6500
Water (Ac.in.)			5	9	13
Nitrogen (lb.)				40	80
Phosphorus (lb.)					40

*Yields shown are based on experimental tests conducted by the Texas Agricultural Experiment Station on hardlands soils. They reflect the production potentials that can be attained by better managers following recommended practices, assuming no damage from hail. Losses from hail damage are handled by including a charge for hail insurance in the budgets. ** An average of one application every three years.

Co-op Gin Schedules Grand Opening Sunday

The Friona Farmers Co-op Gin will hold a Grand Opening Sunday afternoon from 1 p.m. to 5 p.m. Refreshments will be served, and door prizes will be awarded.

"We'd like to invite everyone in the area to come out and see our new plant, whether they are cotton farmers or not," said Jimmy Fletcher, gin manager.

"Anyone who has pride in his community and county will want to come and see its newest addition," Fletcher continued. The gin is located two and a half miles south of Friona, off State Highway 214.

The gin, which was completely installed by Continental Gin Company, features three high-

speed gin stands. The capacity of the gin, when operating at full speed, is estimated at from 10 to 12 bales per hour.

The gin is ready to receive cotton, and has already ginned its first bale. C. D. Nolan, who farms near Lazbuddie, had the honor of ginning the first bale at the new gin, on Tuesday, October 16.

Members of the board of directors for the gin are Ellis Tatum, president; Keith Brock, Secretary-Treasurer; Charles Howell, R. J. Renner, Jr., D.L. Carmichael, vice president; A. W. Anthony, Jr., Raymond Scheuler and Fletcher.

Head ginner is James Jenkins, who has had some 10 years experience in the ginning industry, and he is assisted by Bob Mullins, Buford Hartwick is bookkeeper.

Just think how many poor people were denied a horse and buggy in the olden days because nobody had thought of this convenient dollar-down idea.

Lazbuddie 4-H Elects Leaders

The Lazbuddie 4-H Club met Thursday, October 18 to elect organizational leaders for the club.

President Danny Miller called the meeting to order and Katie Blackstone led the 4-H Pledge.

Mrs. Ruth Miller and Gerald Ramage were elected organizational leaders. County Agent Deryl Coker presented the program on "Wildlife of Texas."

Three new members were present. They were Doyle Crim, Royce Barnes, and Terver Ford. A total of 23 original members were present, along with 20 guest, including parents and small children.

TUESDAY-- Wheat Topic Of FU Meet

Prentice Mills, Parmer County ASC manager, will be guest speaker at a Farmers Union meeting Tuesday, Oct. 30, at Hub Community Building.

Mills will outline the wheat program in detail and will offer information on the entire farm program, announces Leon Smith, Jr., Parmer County Farmers Union president.

The meeting will begin at 8 p.m. The public is invited and urged to attend, Smith says. Refreshments will be served.

You can't make a silk purse out of a sow's ear; in fact, it takes the whole hog just to buy one.

Mills To Explain Wheat Program

Prentice Mills, office manager of the Parmer County ASCS, will explain details relating to the 1963 wheat program in a meeting at the Hub Community Building at 8 p.m. Tuesday, October 30.

Mills said that he would also give some information pertaining to the 1963 Feed Grain Program to the farmers attending.

THE COTTON HARVEST is barely underway in Parmer County. Only a few farmers are having their cotton hand-pulled at

this time. Some have defoliated, while others prefer to wait for nature to take its course.

Pros And Cons Of Chemical Use Discussed By Specialist

As the High Plains cotton harvest gets into full swing, many growers are weighing the pros and cons covering the use of chemicals to prepare their crops for machine harvesting. Each grower will need to evaluate his situation and decide whether defoliation will pay, points out Fred Elliott, cotton specialist for the Texas Agricultural Extension Service. He offers these guidelines for making the evaluation. Best results are obtained with mature cotton with a heavy boll load and where the irrigation cut-off date has been followed; leaf moisture is normal and growth about stopped. At least 60 percent of the cotton bolls should be open before a true defoliant is applied and 80 percent before a desiccant is used. Harvest-aid materials used under these conditions have not reduced either yields or quality, says Elliott. Top

bolts expected to mature should be 30-35 days old at time of application, he adds. Cool weather slows up the defoliation process, explains the specialist. This is listed as weather when night temperatures are constantly below 50 degrees F. and day temperatures are below 70 degrees F. Maturity is not speeded up by the use of defoliants, points out Elliott. For all practical purposes, maturity of the cotton fiber stops when defoliants or desiccants are applied, depending upon the coverage obtained. Bolls have been noted to open sooner in treated fields, but fiber from the treated cotton was not more mature, Elliott said. Some growers have found that if frost has not occurred by about October 20 and if plant and weather conditions are normal, the use of a defoliant or desiccant about two weeks ahead of the average first frost -- usually the first week in November -- can be considered. This leaves the cotton in a dehydrated condition at the time of the first frost and permits earlier stripping after frost. One of the regular chlorate defoliants used at the upper rates plus water and emulsifiable

penta as an additive for increased top growth kill for these late applications has proved successful, Elliott said. Experience has shown, he added, that proper use of harvest-aid chemicals on older, mature cotton permits earlier harvest before exposure to weather has reduced grades or caused actual field losses of lint. The president of the Blue Cross Association announces that the over - 65 age group will be able to obtain hospitalization insurance without physical examination, and regardless of physical condition. He also says that the Blue Shield is "travelling in a parallel path" in plans to provide doctors' services for the elderly.

Farm Facts

Of 12 to 13 inches of average annual precipitation in the 17 Western states, only about 30% contributes to the fresh water supply. According to J. S. Robbins of the Agricultural Research Service, much of the moisture evaporates from soil, water, and plant surfaces. The rest infiltrates the soil and is transpired back into the atmosphere by vegetation. An additional inch of water for plant use could increase Western wheat production up to five bushels per acre. Scientists are studying plastic or mechanical barriers to control water or vapor flow to the soil surface and are testing chemical or physical treatments of soil to inhibit water loss. At Tempe, Ariz., they're experimenting with sprays to sterilize the soil and kill weeds, stabilize it to prevent water infiltration.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

"Society cannot leap into Communism from Capitalism without going through a Socialistic stage of development", said Nikita Krushchev, as he addressed the 21st Communist Party Congress on February 9, 1959.

"An immediate attack upon the sanity of the attacker (of any Communist activity) before any possible hearing can take place is the very best defense. The by-word should be built into the society that paranoia is a condition in which the individual believes he is being attacked by Communists". It will be found that this defense is effective." This quote is from writings of the head of the Russian Secret Police in which he outlines effective methods of overcoming opposition to Communist infiltration in the United States by "psychopolitical" means; that is, by declaring any effective leader opposing Communism insane, thus destroying any confidence the public may have placed in the individual.

Texas and American Farm Bureau policies state that the organizations will oppose Communism whenever and wherever it is found. Your local county Farm Bureau has similar

policies on record as voted by the membership in convention. It is recognized that the greatest defense against Communism is a strong Christian community, composed, of course, of faithful Christian citizens, the exact opposite of Communist communists composed of Communist individuals.

Delegates to the Texas Farm Bureau Convention in San Antonio November 11-14 can look forward to hearing Paul Harvey, noted radio and TV commentator speak words of wisdom and interest regarding America's past, present and future. Your Farm Bureau has purchased fifteen tickets to the banquet where Harvey will speak, and they will be used by delegates and their wives. If there are any left over, and you are there, you can have one, too. A good time to file for refund of state road tax paid on tractor and other non-highway used gasoline is right after maize harvest when most of it is used in combines. Don't forget to come in for this service.

CONSIDER THIS: The firing pot is for silver, and the furnace for gold; but the Lord trieth the hearts, Proverbs 17:3

ATTEND MEETING County Agricultural Agent Deryl Coker and Home Demonstration Agent, Miss Ette Musil, attended the District meeting of the Extension Service on Monday and Tuesday of this week in Amarillo.

Fertilizer Course Asks Registration

Fertilizer Dealers, Agency Personnel and members of the County Program Building Committee are invited to register for a course to be held in November, states County Agricultural Agent Deryl Coker. Detailed programs and registration forms are now available in the Agent's office.

There will be a series of three night meetings at each of the following locations; Lubbock, Plainview, Dimmitt, and Lamesa, and individuals are encouraged to attend the one nearest their place of business. Subject matter to be handled by both Industry and College Personnel will include nitrogen, phosphorus and potassium, soil testing, and fertilizer use in sound soil management practices.

The \$5 registration fee includes a notebook of the material presented, a diploma for those completing the course and a dinner the last night the meeting is held.

The deadline for registration is November 2, Coker concludes.

The young cowboy was getting slicked up in the bunkhouse in preparation for a trip into town. "What are you planning to do in town, Slim?" asked one of the other cowboys.

"Going to the dance," replied Slim. "You going to the dance?" asked his friend. "You don't know nothing about dancing." "That's true, all right," replied Slim. "I can't dance a step, but I sure like to hold 'em while they do!"
