

Bull Town Bulletins

By

Bill Ellis

WE HAVE BEEN asked by officials of Bovina High School to reprint the following article, which appeared recently in an issue of "The Leaguer," the official publication of the University Interscholastic League.

From time to time, fans tend to forget that sports events are sponsored by the school, and that the home team can get into trouble if they do not conduct themselves properly.

Here is the gist of the article:

1. There is no such thing as a "right" to participate in athletics. Math, history, English, and certain other courses are mandated by the state authorities, and each student has a "right" to be exposed to them. But as a participant in athletics, a youngster must follow rules or his "privilege" will be taken away from him.

2. Your team does not belong to the community. It belongs to the school. And that school has voluntarily agreed to abide by a certain set of rules, so that all athletes may compete under the same standards.

If these rules offend any special-interest groups to the point where they cannot conduct themselves in a rational manner, then, by all means, these persons should direct all their energies toward some other level of athletics, but NOT the high school level.

3. All high school athletes make mistakes. They are not perfect, and never will be. While these mistakes make high school athletics unpredictable and interesting, it is sad to hear so-called fans boo youngsters at an athletic event.

4. Your coach is also a teacher. In fact, he is a teacher first, and coach second. When misguided people try to reverse this order, the athletic program is in the first stages of collapse.

Nobody wants to see a program fail. In many cases, failure can be attributed to unrelenting, merciless pressure by well-meaning fans. Most of the time, these fans played little or no part in the building of the program. Small wonder that the high school coaching profession has the highest turnover of any coaching level.

5. Make an attempt to learn the rules of the game and then leave the officials alone. Much time is spent in training these officials so that a contest can proceed smoothly.

The spectator who constantly criticizes game officials is ignorant of the rules under which the game is played. Psychologists have also stated that persons with inferiority feelings tend to vent their frustrations on game officials.

6. Finally, keep in mind that you are a guest of the school. While winning is certainly an admirable goal, victory is hollow if it comes at the expense of morals, ethics and just plain common sense.

Do not become the laughing stock of your community. Be a loyal, sensible, thinking spectator. Ask yourself this question, "What would this crowd be like if everyone acted the way I do?"

++++

ON THE SUBJECT of athletics, it was announced this week that Bovina will serve as host for both the girls and boys district track and field meets this year.

Coach Joel Nelson has served as district chairman for the girls for the last few years, and it will be the second straight year for the girls meet to be here.

The girls' meet will be held on April 6-7. The boys' district meet will be held on April 20-21. Both high school and junior high school divisions will be held.

++++

Don't Forget To Turn In Your Valentine Picture For Next Week's Bovina Blade. Deadline Is Monday, February 12.

Farmers Have D.C. Problems

The crusading members of the American Agriculture Movement encountered problems upon reaching Washington, D.C., which hampered their planned protest parades and demonstrations.

After snarling traffic somewhat Monday morning in the nation's capital, the AAM farmers found their tractors corralled into a shopping mall parking lot, barricaded through the night Monday and Tuesday.

Some violence had erupted between the farmers, tired and frustrated from their long trip on slow-moving vehicles, and the capital police, who were trying to avoid the disruption of traffic.

Leaders of the AAM were meeting with Washington Mayor Marion Barry in an attempt to solve the police-farmer difficulty.

The first incidence of violence occurred near the U.S. Department of Agriculture building. A farmer reportedly tried to drive down a restricted street in his tractor, at which time police shot tear gas through his windshield. The farmer, said to be from Georgia, was admitted to George Washington Hospital.

Another tractor was said to have rammed a Capitol Police cruiser, which was stationed at a barricade at the corner of the Capitol grounds.

William W. Kirby, Capitol Police deputy chief, termed the morning incident "more than violent demonstrations." Later in the day, it was reported that a tractor plowed over three police motor scooters and turned over a squad car.

The farmers from this area arrived in Washington last Friday, and spent the weekend readying for the week's rally.

As of press time on Tuesday, the Blade had not received a direct report, as members in Washington from this area apparently were busy with their mission.

"The trip went great," said AAM national wagonmaster Gerald McCathern of Hereford. "Except for a few minor breakdowns, we had very little trouble."

The final campsite chosen for the gathering fathers is near Arlington, Virginia, some 20 miles from the White House itself.

McCathern, who had preceded the farmers into Washington, said that he had already spoken with several government officials, and said they seemed "much more willing to listen to us than they were last year."

Rep. Kent Hance, along with another new congressman, Charles Stenholm of Stamford, have arranged a meeting for the farmers with the House of Representatives' freshman Democratic delegation, tentatively set for Tuesday afternoon.

The group plans to set up a "Farmers Market," across from the Capitol Building, to which the farmers will drive their tractors and

participate in a mock "marketing" demonstration.

Hundreds of other farmers and their wives are expected to join those making the tractorcade, for the coming week's activities.

"Senator John Tower told me six months ago that for us to do any good, we'd have to come back to Washington this year," McCathern said. "Well, we're here."

FFA Tells Sweetheart Plowgirl

The Bovina Chapter of the Future Farmers of America recently announced their selections for their 1978-79 Sweetheart and Plowgirl.

Miss Laura Widner, daughter of Mr. and Mrs. Lawrence Widner, is the Chapter's Sweetheart. Miss Kim Naegle, daughter of Mr. and Mrs. Cap Naegle, was chosen as the Plowgirl.

Both Miss Widner and Miss Naegle were presented special F.F.A. jackets by the chapter. The girls will wear these jackets in the performance of their duties.

The duties include the presentation of the ribbons and trophies at the Bovina Junior Livestock Show, February 14. The girls will also assist at the Parmer County Junior Livestock Show, February 16, in Friona.

BHS Grads On Tech Honor List

More than 4,000 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the fall semester.

Among them were four students from Bovina, Tina M. Isaac, Gregory S. Richards, Connie G. Ware, and Loretta K. Ware.

To qualify for the dean's honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken as many as 12 semester hours of work.

Texas Tech University has an enrollment of more than 22,000 students in six colleges: Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics. There also are a Graduate School and a School of Law.

KING AND QUEEN.....Sandi Sides and Ronnie Cary were named as the 1978-79 Basketball Homecoming King and Queen. Miss Sides, a

senior, is the daughter of Mr. and Mrs. Henry Minter. Cary, also a senior, is the son of Mr. and Mrs. Kenneth Cary.

SWEETHEART AND PLOWGIRL... Kim Naegle and Laura Widner, F.F.A. Plowgirl and F.F.A. Sweetheart (respectively), are shown

above with Mike Read, Bovina F.F.A. President, after he had presented them with their F.F.A. jackets. Miss Naegle and Miss

Widner will be presenting ribbons and trophies at the Bovina Junior Livestock Show on February 14. (Photo by R.D. Looney)

Bovina Jr. Livestock Show Set February 14

By JIM RHODES

The Bovina boys and girls are working very hard preparing their animals for the upcoming livestock show.

The Bovina Junior Livestock Show will be held Wednesday, February 14, beginning at 8:30 a.m., with the weighing of all steers, lambs, and barrows.

The steer show will begin at 3 p.m. It will be judged by Bo Chum, a cattleman from Causey, New Mexico. There will be approximately 12 steers in the show.

The lamb show will follow immediately after the steer show, about 4 p.m. The lambs will be judged by Ross Caviness, Hampshire lamb breeder from Causey, New Mexico.

Again this year, immediately following the judging of the lambs, there will be a Pee Wee Lamb Class for all the little boys and girls who are not old enough to be in F.F.A. or 4-H. There will be approximately 50 lambs in this show.

The judging of the barrows will follow the lambs, with the boys and girls exhibiting approximately 100 barrows and six to eight gilts. The swine show will be judged by Marcus Phillips, Vo-Ag teacher at Hereford and prominent swine breeder.

The Lions Club and Chamber of Commerce and Agriculture are co-sponsoring the show again this year and will present the trophies to all breed champions in addition to Grand Champion and Reserve

Grand Champions of each species. There will also be a desk set presented to the best showman in each species.

The poultry division will consist of competition in pens of five broilers and Grand and Reserve Champions will be named.

The Bovina Show is a warmup for the Parmer County Junior Livestock Show to be held in Friona, February 15-16-17.

"Come support our boys and girls and see how they do against the rest of the county livestock," say the members of the local F.F.A. and 4-H Club members.

Blade Sets Heart Page

The Bovina Blade will print a Valentine page in its issue of Wednesday, February 14, and is asking for readers to submit pictures of their favorite "Valentine" and a message to go under the picture.

The favorite "Valentine" may be a boyfriend, girlfriend, husband, wife, aunt, uncle, mother, father, grandma, grandpa, grandchild, etc.

The Blade will make a charge of \$7.50 per valentine photo, to cover the printing costs of the page. Payments should accompany the pictures which are turned in. Deadline for the special page will be Monday, February 12.

School Asks Advice On Cafeteria Plans

Bovina Schools are continuing to study the school cafeteria question, according to Superintendent of Schools Larry Wilson.

The school is sending questionnaires home with students, and asking parents to fill these out and return copies to the school. Parents are asked to fill out just one questionnaire per family.

The questionnaire contains five statements, and parents are asked to rate the decisions in order of their preference, one through five.

The statements are recommending that the school do as follows:

Continue to operate both cafeterias; or operate the cafeteria at the high school campus and bus Ridgelea students to the High School

campus for meals; Or, operate the cafeteria at the Ridgelea campus and lease the high school cafeteria to an outside party; or close both cafeterias and lease the high school cafeteria to an outside party; or close both cafeterias.

Copies of the questionnaire are printed inside this issue of the Blade, and parents or interested parties may use this form to return to the school in the event they did not receive one, and wish to make their wishes known.

In the event that either or both cafeterias would be closed, the facilities will be made available for students bringing a lunch to school, Wilson says.

Area Man Is Killed

A 27-year-old Farwell man was found dead of an apparent self-inflicted gunshot wound about 9 a.m. on Monday, February 5, at his home on the Bert Williams farm, 2.5 miles south of Farwell.

Manuel Rivera Dominguez of Farwell was pronounced dead by county coroner Judge R.E. Mears. Sheriff Charles Lovelace said Dominguez suffered a gunshot wound to the right temple with a .22 caliber rifle.

He was employed on the farm by Williams.

Reflections From The Blade

20 YEARS AGO—FEB. 11, 1959
Two people were injured in a grinding two-car crash at the intersection of Highway 60 and Third Street Wednesday of last week. Mr. and Mrs. A.P. Hobby of Lubbock were recent guests in the home of their daughter and family, Mr. and Mrs. Bill Lane and children. They are former residents of Bovina, moving from here about three years ago. Mrs. Lane reports her father recently underwent surgery on both eyes and has received assurance from doctors that his operations were successful. Three members of Masonic Lodge here were awarded degrees at a

meeting Saturday January 31. Those from here receiving degrees were D.C. Looney, Third degree; R.L. Rule, Second degree; and Willmer Conners, Second degree.

15 YEARS AGO—FEB. 5, 1964
Mrs. Tom Griffith was hospitalized at Parmer County Community Hospital in Friona recently. She is reported to be improving.

Mr. and Mrs. Jack McCracken entertained several couples with an evening of bridge Tuesday.

Members of the Bovina TOPS club were special guests at Muleshoe TOPS Thursday evening.

Girls auxiliary of First Baptist Church honored their mothers with a Tea Tuesday afternoon in Fellowship Hall.

10 YEARS AGO—FEB. 5, 1969
Announcement is made this week that Joe Pesch has purchased Bovina Service Station and Grocery at 409 Main from Clifford Leake.

Kara Mills, daughter of Mr. and Mrs. Alfred Mills, celebrated her seventh birthday Friday afternoon with a skating party at Farwell. Mrs. Leon Richards, the former

Miss Vicki Strawn, received her bachelor's degree from Texas Tech in January.

5 YEARS AGO—FEB. 13, 1974

Two men were injured in a head-on collision two-tenths of a mile east of the Bovina city limits about 6:45 pm. Monday. J.G. (Red) McFarland of Friona, driver of a 1974 Chevrolet pickup, apparently veered into the west-bound lane on Highway 60, colliding with Tito Galvadan of Clovis, driver of a 1967 Pontiac sedan. Both men were rushed to Parmer County Community Hospital in Friona by Parsons-Ellis ambulance. McFarland suffered chest injuries and a concussion. Galvadan was treated for severe facial lacerations and dismissed later that evening.

Profiles and Things

by don watkins

The trouble with our economy today, if the nation's economists are to be believed, is one of attitude. Over and over they tell us the national economic condition is related to attitudes. If pessimism and fear prevail, it naturally follows that recession or depression will ensue.

So, why is everyone perplexed about today's inflationary condition? If the above be true, all one has to do is think on today's inflated society and an answer (not a cure) will be forthcoming.

And if this is not an inflated society, why all the high-falutin titles instead of simple words that used to precede a person's position? We have engineers instead of maintenance men.

Dietetic technician has replaced cook. Transportation consultant used to be a car salesman.

And, one that really fractures me, especially when I am forced to use them and then receive their bill for services is Environmental Control Technician instead of air conditioner repairman.

One should quickly note the mention of bill for services. For everytime someone comes up with a fancy-sounding title, you can bet fees also rise.

We have all heard of sanitation engineers replacing garbage collectors and we now have Medical Products Technician instead of factory representative. And so the spiral continues, on and on and up and up.

Even the sports arenas are not

immune to this inflated egoism prevailing within the nation. Instead of defensive coaches we now have Coordinators in Charge of the Defense and Pugilistic Tacticians instead of boxing trainers.

Well, as for me, I simply refuse to get caught up in this maelstrom of nonsensical titling for title's sake, not to mention an increase in monetary returns. If I am to do my part in curing this nation's economic ills, as our President has asked us all to do, then I will simply do just that.

There is one small thing, however, that may seem contradictory, but one has to believe I have insisted upon this long before inflation came upon the scene. Simply that I have never permitted my students to refer to me as teacher. It has always been Adviser for Tutorial Design.

There are times when penning a column is the most difficult task in the world. Not for lack of words, nor the fact that sentence structure is not forthcoming. And certainly not for lack of material, though admittedly this is sometimes frustrating.

I am speaking mostly of space. Permit me to rephrase that; I meant to say LACK of space.

I have tried every room in our house. And I mean EVERY ROOM.

Admittedly, my study is on the back of the house, out of the way of all traffic, with no radio, TV, or stereo. Quiet. Still. Calm. Until...

"Don. Don, I need you."

I pretend I don't hear, knowing I am fooling only myself.

"Don," in a much louder voice

though close enough to the door to push it in. "Don, will you get in here?"

Knowing when I am whipped and that I'll never get back to the typewriter unless I humor the dear lady, I begrudgingly go to the door.

"What is it this time?" I ask.

"I need you to move the sofa."

"For the love of Pete," I say.

"Won't that wait until I finish my work?"

"No it will not."

"Why for gosh sakes? It's not going to get up and run away?"

"Because I may change my mind and I like it where YOU'RE going to put it."

I don't bother to ask her how she knows since it isn't even there. Discretion being the better part of valor, I simply strain and grunt and get the darn thing moved.

"Is that all?" I ask.

"For now," she replies.

I hurriedly return to my desk and the moment I touch a key, another voice yells.

"Hey dad, can I go to the rodeo?"

"Go. Go darn it, and stop bothering me."

"Well, if he can go to the rodeo I get to go to the movies," still another voice yells.

Suddenly I have had it. I grab paper, eraser and typewriter and head for the one haven of almost total seclusion I know. However, even there I have some insurmountable problems.

Have you ever tried to type in the back seat of a Yellow Cab?

To The Editor

DEAR EDITOR:

Over on the back 40, my neighbors and I are somewhat confused about TUCO, Inc. They feel so sorry for a "dummy" corporation, set up to buy fuel for a major electric company on a non-profit basis, that suddenly is worth a reported \$30,000,000. My dry hole neighbor, that's the one that drilled a dry hole where the ground looked oily, said he didn't know what TUCO meant. He said on his fuel bill it was always spelled "FUEL ADJUSTMENT." He was thinking about setting up a corporation called "bread and potatoes" which would operate on a non-profit basis, like most farming these days. Then in four or five years, after passing through added costs for fuel, he would offer it for sale to a large corporation for \$30,000,000, if that's the way it's done???

My nervous neighbor said he never understood why utilities have a rate any more, and that meter readings are a farce, actually. He wants to do away with meters, meter readers, cars, pickups, clerks and office personnel and send out a bill called "Fuel Adjustment" just so it is high enough so the utilities can make a FAIR profit.

My slow thinking neighbor said TUCO, Inc. which gathers the sticks and cowpicks to make electricity, must have had a hard time during the recent blizzard because his outhouse got pretty cold. He says he is paying more and enjoying it more and getting less and less these days. He says his new car is half as big but costs twice as much. The way he figures it, a bushel of wheat still weighs 60 pounds. Upon delivery to the elevator, it is tested, weighed, probed for bugs, cheat, dirt, weavels, moisture and mice. If quantity or quality is not up to par, he takes a dock then and there. But, for some strange reason, that bushel of wheat which is of better quality, the same weight brings about what it did in 1947, over 30 years ago. He thinks maybe electricity is more important than food and since

people spend more owning and maintaining a car than they do for food, that cars too are more important.

My sad neighbor is happy that TUCO is being sold for \$30 million so maybe he can look forward to a REFUND on his electric bill to help pay for the next FUEL ADJUSTMENT. He said as a farmer he was proud to belong to a NON-PROFIT club and he had a clear conscience because he surely had not contributed to inflation.

MARVIN MONTGOMERY Perryton

Around The House

By LAURA JACOBS

The ideal meal is one that looks good, tastes even better and is easy to make. A perfect answer can be...lemon broiled chicken accompanied by Browned Herb Rice. Your vegetable?

Try a combination such as frozen broccoli spears with hollandaise sauce. And a salad? Mixed greens with delicate cherry tomatoes.

If you're wondering how to make the Herb Rice—here's how. To make four servings, start with 1½ cups pre-cooked rice and saute it in 2 tablespoons butter or margarine until golden—be sure to stir constantly. Add ¼ cup finely chopped onion and continue to saute until the onion is tender. Add ½ teaspoon salt and ½ teaspoon thyme or oregano or rosemary leaves. Gradually stir in 1½ cups water. Bring quickly to a boil over high heat. Remove from heat, cover and let stand about 5 minutes. You're almost guaranteed praise with this one!

Society Has Meeting Here

The Guadalupe Society had their monthly meeting on February 4, with ten members present. Also present was a special guest, Mrs. Ricarda Acebedo, who is a Deacon's wife.

The meeting was opened with a prayer given by Rita Villarreal. Dues were paid during the meeting. Members also paid for the new badges, which they plan to get.

The group decided to visit the Panhandle orphanage later in the year. Closing prayer was said by Lupe Martinez. Refreshments were served by Tina Uriegas and Emiliana Martinez.

Dribblers To Sign Up

Registration for the 1979 Little Dribblers program has taken place and play is scheduled to begin February 20. Late registrations are still being accepted and will cost \$5.

The Jaycees are again sponsoring the program this year and are in need of coaches and sponsors. Anyone who is interested in coaching or sponsoring a team please contact Randy Barrett, Richard Carson, Bob Sparks, R.D. Looney, Mike Spears, or any Jaycee.

Most of the registrations have been received and the assigning of players and coaches will hopefully be done by this weekend. A roster of players and coaches will be posted and published in the Blade.

Caillouets Have Baby

Mr. and Mrs. Donald Caillouet are the parents of a baby boy born Friday, February 2, in Deaf Smith General Hospital in Hereford.

Named Donald Roi, he weighed seven pounds, two ounces, and was 21 inches long at birth.

Grandparents are Mr. and Mrs. Bobby Englant of Bovina and Mr. and Mrs. Louis Caillouet of Clarendon, Arkansas. His great grandparents are Mr. and Mrs. Homer Kelly of Pleasant Hill and Ernest Englant of Bovina.

Scooter's Scoops

By Scooter Russell

The group enjoyed a good visit and covered coathangers.

Mrs. Charlie Ross underwent minor eye surgery in a Lubbock hospital last Wednesday. She is with her brother Dick Brasher in Levelland now and will be at Prairie Acres Nursing Home in Friona sometime this week.

++++
The Jay Sherrills spent the weekend at their cabin in Ruidoso. Pat said they just had fun playing in the snow.

The Billy Whitecotts started toward Angel Fire to ski but the snow was too heavy so they spent the weekend at Sipapu Lodge and had a great time skiing. Paula said there was lots and lots of snow there.

++++
A reminder that Shugart's Studio will be at the Blade office on Thursday, between the hours of 9 a.m. and 5 p.m., to take photographs.

If you haven't had your picture made (or your little one's), this

would be a good chance to get it done.

++++
We've had everything from spring weather to winter snow during the past week. We have heard lots of complaints about the high utility bills caused by cold weather and rising prices. Out of curiosity, I compared our electric bill to that of a year ago and found it to be exactly half of what it was when our two teenage girls were home last year. So, you see there are things to look forward to after your kids leave home and it really helps because the telephone bill doubles.

Well, have a good week and don't forget to call.....Scooter.

Simmons Promoted

TSgt Roger Simmons, whose wife Patricia is the daughter of Mr. and Mrs. F.M. Crook of Bovina, has been selected for promotion by the U.S. Air Force to the rank of Master Sergeant.

TSgt Simmons is currently stationed at Keesler A.F.B. in Biloxi, Mississippi. Simmons also recently completed his Associates of Arts Degree from the Community College of the Air Force and has been selected to represent the Air Training Command in the development of the Specialty Knowledge Test for the Career Advisory career field.

Simmons, 32, has served in the Air Force for 14 years, of which 25 months were in Viet Nam.

TSgt Simmons and Patricia have three children; Linda, 10, Becky, 7, and Kathy, 2.

"He who serves his country well has no need of ancestors." Voltaire

TO: ALL PARENTS OR INTERESTED PARTIES

The Bovina Board Of Trustees Is Continuing To Study The School Cafeteria Operation. The Board Would Appreciate You Completing This Questionnaire And Returning It To School By Thursday, February 15, 1979. Please Return ONE Questionnaire Per Family.

Read each statement and rank them in order of your preference 1 thru 5. 1 will indicate your first choice, 2 your second, etc.

- _____ Continue to operate both cafeterias.
- _____ Operate the cafeteria at the High School campus and bus Ridgelea students to the High School campus for meals.
- _____ Operate the cafeteria at the Ridgelea campus and lease the High School cafeteria to an outside party.
- _____ Close both cafeterias and lease the High School cafeteria to an outside party.
- _____ Close both cafeterias.

In the event that either or both cafeterias would be closed, the facilities will be available for students bringing a lunch to school.

Signature of Respondent _____

Your additional comments:

PARA: TODOS LOS PADRES O INTERESADOS
La Bovina Board de Trustees esta continuando el estudio de la operacion de la cafeteria de la escuela. El Board quiere agradecer que usted complete este cuestionario lo regrese para la escuela para el Jueves, Febrero 15, 1979. Por favor regrese un cuestionario por familia.

Leya la declaracion y marke la categoria en la orden que uste preferia. 1 asta 5, uno indica su primer seleccion, dos su sequendo seleccion y etc.

- _____ que continue la operacion de las dos cafeterias.
- _____ que la operacion de la cafeteria de la High School este en operacion y que los ninos de Ridgelea sean transportados a la High School en el vos.
- _____ Que la cafeteria de Ridgelea este en operacion y van a liclar la cafeteria de High School.
- _____ que las dos cafeterias sean ceradas y van a liclar la cafeteria de la High School.
- _____ que las dos cafeterias sean ceradas.

En el evento que las dos cafeterias sean ceradas los ninos van a tener que traer lonches.

CALL 238-1523

It's A Boy For Barnes

Mr. and Mrs. Monte Barnes are the parents of a new baby boy born Sunday, February 4, in the Amherst Hospital.

He has been named Beau Dustin, and weighed six pounds, twelve ounces and measured 21 inches long.

Grandparents are Mr. and Mrs. Sam Barnes and Mr. and Mrs. Rex Steinbock of Lazbuddie.

Beau has an older sister, Becky, four years old, and an older brother, Brannon, who is two.

Bunch Gets SPS Promotion

Berl M. Springer, president and chief operating officer of Southwestern Public Service Company, has announced the promotion of Doyle R. Bunch II to assistant secretary and assistant treasurer-finance for the Amarillo based electric utility.

Bunch is a native of Amarillo and a graduate of Tascosa High School and of Texas Tech University where he earned a bachelor of business administration-accounting degree. He obtained his certificate as a certified public accountant in 1971.

DOYLE BUNCH

Bunch started his career with Southwestern in 1976 as an executive assistant.

McKinney Rites Held

Services for Joe M. McKinney, 57, of Bovina, were held at 2 p.m. Tuesday, February 6, at Parsons-Ellis Funeral Home of Friona, with Rev. Ronald McGovern, pastor of St. Ann's Catholic Church in Bovina, officiating.

Graveside services will be held Wednesday, February 7, at 2 p.m. in Tyson Cemetery in Pilot Point with Rev. Roy Montgomery officiating, and under the direction of Parsons-Ellis Funeral Home.

McKinney died Monday morning at Deaf Smith General Hospital in Hereford after a lengthy illness.

The Denton County native moved to Bovina in 1939. He was in the Merchant Marines in World War II and was a carpenter.

Survivors include two sisters, Mary Wanda Talbot of Newman, California, and Mary Ann Lloyd of Canadian.

Vital Issues Slated For Friona Meeting

A lecture on the topics of "Issues Facing Families Today" will be presented in Friona on Feb. 15th at 7:00 p.m. in the Junior High School Auditorium.

Lecturer will be Mrs. Margarette McClain who is a member of the Pro Family Forum. She will discuss some of the issues which wear fancy labels in public such as "freedom of choice" (abortion); "sexual preference" (homosexuality); "non-sexist" education at all levels; federally-funded child development programs and others. Most of these issues stem as a direct outgrowth of the IWY Conference in Houston last

year, and, as such, are directly related to the passage of the ERA amendment.

The IYC (International Year of the Child) and Kiddies Lib goals which will require more dollars from the taxpayers while they tend to undermine traditional family values, violate parental rights and intrude upon parental authority will also be discussed.

Friona and area people who are alarmed about the government's infringement upon their private lives are urged to attend this lecture which is open to the public and free of charge.

Schrock Gets A.F. Medal

Meritorious service at Ramstein AB, Germany, has earned the U.S. Air Force Commendation Medal for Technical Sergeant Robert E. Schrock.

Sergeant Schrock, a munitions systems technician, was presented the medal at Ramstein, where he

serves with Headquarters, U.S. Air Forces in Europe.

The sergeant is a 1965 graduate of St. Agatha High School, Redford Township, Michigan. His wife, Alice, is the daughter of Joyce Hammonds of Bovina.

The leek is the national emblem of the Welsh.

Time To Rewind

I have an eight day wind-up clock that is one of my favorite possessions. It sits on a shelf in our home and ticks the hours away. It strikes the hour and half hour to remind me what time it is. Each Sunday morning I wind it and there is a noticeable improvement in the way it strikes. It chimes rapidly and cheerfully for a time and then, as the week goes by, it begins to strike slower. Sometime we wonder if it is going to make it through the week. Finally, Sunday arrives and I rewind it and the old clock is restored to its cheerfulness, relishing the new strength it has been endowed with.

As we live our lives we become tired and run-down at times. Our cheerfulness and enthusiasm is challenged every day as we fight the work-a-day world. Set backs and disappointments take their toll. It happens to all of us and many times we don't understand why we feel the way we do. It is important to know that there is a source of strength that can be yours. The services of the church can be a source of strength. Maybe you, like my old clock, just needs rewinding. Why not attend church services this Sunday and let the Word of God restore your strength. Praise Him from whom all blessings flow and be happy! Rewind this Sunday!

Rites Held For Jersig

Funeral services for Selby Jersig, 67, were held Monday, February 5, in Clovis, N.M. Jersig passed away at his home on Saturday.

Richard Sutherland, minister of the Central Christian Church, officiated. Masonic funeral rites were conducted by the Farwell Masonic Lodge No. 997 of Bovina. Burial was in Longhaven Memorial Gardens, under the direction of Steed-Todd Funeral Home.

Jersig was born February 16, 1911 in Bovina. He graduated from Bovina High School. He attended and graduated from N.M.M.I. in Roswell. In 1942 he joined the U.S. Marine Corps, and retired after World War II with the grade of lieutenant colonel. He moved to Clovis in 1946, and had been in the cattle business for many years.

Jersig was a member of the Shrine Khiva Temple of Amarillo and of the Marine Corps Reserve League and Central Christian Church of Clovis. Survivors include his wife, Bobbye of the home; two daughters, Mrs. Judy Filpot, and Mrs. Shelby Rogers both of Clovis and five grandchildren.

Pallbearers were Hez Abernathy, Charley Jones, Reagan Looney, Owen Huffaker, Clarence Franse, and Roy Walker. Honorary pallbearers were Johnny Townsend, John England, S.V. Chitwood, C.L. Moody, G.B. Erdwurm, and Elton Green.

On The Farm In Parmer County

By Seth Ralston

By **SETH RALSTON**
 Estate planning, in a broad sense, involves the making of present plans for the accumulation, conservation and future use of one's assets. Effective estate planning should provide for an orderly transfer of property during one's lifetime and after death, with a minimum of expenses.

Important considerations in developing an estate plan are these:
 -Inventorying assets and taxable wealth.
 -Establishing financial security with minimum erosion.
 -Deciding on alternatives based on the individual and the family's desires and goals.
 -Establishing plans for property transfer using wills and trusts.
 -Making plans for sufficient ready cash for payment of taxes, death and administrative costs.

Estate plans should be reviewed periodically. During the 1970's, inflation has resulted in substantial increases in the value of land, buildings, equipment, livestock, minerals and other assets. Consequently, a review of the estate situation may establish that a potential tax liability will exist upon the death of the owner. The review, in light of recent changes in the tax laws, may determine that the existing estate plan requires revision.

Recent changes in federal estate tax laws and Texas inheritance tax laws represent an attempt to provide tax relief from the sharp increase in asset values during the 1970's. However, failure to become informed of the recent tax law changes and to do adequate estate planning may result in higher taxes and costs.

The Texas Legislature revised the Texas inheritance tax laws during the special session in 1978. Basic changes are these:
 Effective on deaths occurring September 1, 1978 and thereafter, exemptions were increased for Class A beneficiaries (immediate family) to exempt property transferred up to \$200,000. Effective September 1, 1982, exemptions will be increased on transfers up to \$250,000. Beginning on September 1, 1985, exemptions will again be increased on amounts up to \$300,000.

The exemption allowed will be divided on a proportional basis among the beneficiaries according to the amount each beneficiary receives, in the event there are more than one beneficiary. In no event shall any beneficiary have an exemption of less than \$25,000. More detailed information on the new Texas Inheritance Tax Law is available from the Inheritance Tax Division of the Texas Comptroller's Office in Austin.

The Parmer County Extension Office has copies of the 1979 Wheat Program publication for your use.

Container gardening fits right in with today's mobile, crowded lifestyle. Home owners as well as apartment dwellers find that plants and flowers in transportable containers can enliven any home or garden, regardless of the size. All kinds of plants from petunias to pine trees can be grown in containers. However, plants in containers will dry out much faster than those growing in the ground so more frequent watering will be necessary.

Water plants when needed and not by the calendar. This will probably mean daily watering during hot summer weather. Soil in the container should be porous but retain adequate moisture. Drainage holes are necessary for proper runoff of excess water.

With frequent watering, it's important to replenish soil nutrients often since they may be washed away. A liquid or soluble plant food is best for container plants. Once the greenery is established and growing, apply plant food about every three weeks.

Home gardeners should choose containers that are strong and able to withstand continual moisture. Wooden boxes, tubs, barrel halves and clay pots are available at garden supply centers. When building wooden containers, use moisture-resistant wood such as redwood, cedar or treated pine. A big advantage of container gardening is mobility—being able to place plants in the spotlight when they are looking their best and putting them out of sight when they go into decline.

And here's a bit of advice on moving container plants. Allow the soil to dry before moving to reduce the weight of the container. It can then be set on a dolly, a small wagon or a piece of canvas and easily moved.

The top 8 corn hybrids on the Irrigated Plains are all from Pioneer.

That's a pretty bold claim, we admit. But in farmers' fields, county agent test plots, wherever they're grown, these Pioneer brand corn hybrids consistently out-perform competitive hybrids. Each hybrid has its own particular strong points that make it especially well suited for certain conditions. When thoughtfully selected and managed to meet the conditions, each of these hybrids delivers winning performance that's head and shoulders above the competition. Don't take our word for it. Ask your Pioneer dealer about yield data in your area and see for yourself. The top 8 performers are all from Pioneer!

- 3195** High-yielding, full-season powerhouse! 3195 gets off to a good start with high seedling vigor, then makes the most of High Plains conditions.
- 3183** Contest winning yield potential with excellent disease tolerance makes 3183 an ideal companion for 3184.
- 3305** A silage grower's dream come true (even if your plans change mid-season)! Tall with good standability.
- 3780** The corn you can manage almost like sorghum. Total fertilizer, water and insecticide requirements similar to sorghum.
- 3184** Steady corn maker, popular for excellent yields and consistency.
- 3311** A new hybrid you can trust like an old friend! It delivers top yields and is an outstanding companion for 3195.
- 3541** Very early silking, a long kernel fill period, and fast drydown help 3541 produce high yields for its maturity.
- 3360** Plant this one for your banker! It has the consistency to be the high-yielding workhorse hybrid you can rely on.

Jr. Teams Win Three Contests

The Bovina Junior High basketball teams travelled to Farwell last Monday, January 29 to take on the teams from Farwell. The Bovina teams fared very well, winning three out of the four games.

The eighth grade boys won their game, 31-11. Joe Pat Wright was the Colts' leading scorer with eight points.

The eighth grade girls also won their game, 22-10. Lisa Shepherd was the high point girl with 10.

In the third win of the night, the seventh grade boys beat their rivals 32-18. Kelly Wilson scored 18 points in the winning effort.

The only loss of the night came when the Bovina seventh grade girls lost to the Farwell seventh grade girls, 10-18.

KIM NAEGLE....Has to go over the outstretched hands of the Springlake-Earth opponents to score for the Fillies. The Fillies had a big lead going into the second half, but the

S-E girls came back in the second half to give the Fillies some anxious moments. The Fillies hung on to win, 52-50.

(Photo by R.D. Looney)

KEEP RECORDS INTACT

Ponies, Fillies Are Homecoming Winners

Friday night, February 2, was Basketball Homecoming here at Williford Gym. What may be the largest crowd of the season watched as Miss Sandi Sides was crowned as the 1978-79 Basketball Homecoming Queen. Ronnie Cary was crowned as the Homecoming King.

The crowd, which nearly filled the gym, was about three quarters home folks, and they watched as the Mustangs and Fillies both took wins over their rivals from Hart.

The Mustangs, now 18-6 for the year and 7-1 in district, took an easy win over the Longhorns, 46-26. One

thing really pleased Coach Don Heard, besides the win, and that was the chance to play all the team members for much of the game. This experience for the players could prove valuable later in the season.

The Fillies beat the Lady Horns, 50-37. The Fillies now have second place in District 3-A cinched with a 6-2 record. Although they have second secured, the Fillies will be trying their best in the remaining games as they still have a very good chance to take it all. The Vega girls are only two games ahead of the

Fillies, and if the Bovina girls should win all their remaining games, one of which is against Vega, they will go into the District Tournament with a very good chance of winning District.

In the third game of the night, the Mustangs J.V. lost to the Hart J.V., 36-38.

The remaining games for both the Mustangs and Fillies are: Farwell, February 6, (here); Vega, February 9, (there); Adrain, February 13, (there); and the District Tournament, February 15-16-17. The site of the District Tournament was recently announced, and for those who haven't heard, the tourney will be held at Friona.

Be sure and get out to see the games and support the Bovina teams as they try for the District 3-A titles.

HEAVY TRAFFIC....Roy Shelby (25) puts up a shot in heavy traffic against the Springlake-Earth Wolverines. Ronnie Carry (11) and

Harvey Shepherd (23) stand by to help out. The Mustangs won the game, 73-53.

Varsity Sweeps S-E Cagers

The Bovina High School Varsity teams took important wins over the Springlake-Earth teams in action Tuesday night, January 30.

The Mustangs retained their tie for first place in the District 3-A race by beating the Springlake-Earth Wolverines, 73-53. The Mustangs now have a 17-6 season record, but more important, the Ponies are tied with Vega with a 6-1 district record.

The Fillies kept their district hopes alive with a narrow 52-50 win

over the Wolverettes. The Fillies carried a lead of over ten points into the second half, but the S-E girls came out with a very good defense in the second half that let them catch back up during the final two quarters of play. But the Fillies rose to the occasion and held off the Wolverettes to retain the win.

The only loss of the night came when the Mustangs J.V. lost, 33-42.

COMING
Wednesday, February 14

The Blade will publish a photo feature page of your favorite valentine, who may be a boyfriend, girlfriend, husband, wife, aunt, uncle, mother, father, grandma, grandpa, grandchild, godchild or godparent.

For only \$7⁵⁰ an individual photo of your favorite valentine will be featured on a keepsake page in the February 14 issue of The Blade.

The Blade cannot take special order pictures for this program. The \$7⁵⁰ charge for each picture is necessary to cover the printing costs. Payments due in advance. All pictures must be in The Blade office by 5 p.m. Monday, February 12th. They may be picked up Wednesday, February 14th.
