WHITTLIN'

By DOLPH MOTEN

For all the sympathetic comments people have made to us following the Texas Tech-Texas A&M game Saturday night, we're appreciative.

In regard to the comments which were made on a smart-aleck basis, we want to remind you to . . . "Wait 'Til Next Year!"

An Aggie-sympathizing writer said about the game, "The Aggies didn't lose, they just ran out of time."

But the Texas Tech Red Raiders played a fine football game and we certainly want to give them all the credit they have coming all the time and especially this year, which could be Tech's greatest.

The closeness of the games between A&M and Tech during recent years has been amazing. A fellow who buys a ticket to one of their games has certainly gotten his money's worth in thrills during recent seasons.

This would be an appropriate time to bring up last year's game between the two schools, but we won't do that.

We attended the aforementioned game Saturday night and while we were expectedly disappointed at the final outcome of the score, we felt that we had seen a great ball game which had more-than-could-be-expected thrills and excitement.

Proud we were to that the Texas Tech supporters who were in our party were impressed with the Texas Aggie Cadet Corps and the tremendous display of that school characteristic which is sometimes known as Aggie Spirit.

Our Tech buddies had the long end of the score and could afford to be generous, and they were, bless their hearts.

Somehow, it seemed to make it all easier to take.

One of this department's most severe critics, who is for Nixon in the presidential race, naturally, has pleaded with us not to predict here that his favorite candidate will win the election.

He points out that our prediction that the Cardinals would win the Series evidently caused them to blow it even though they were odds-on favorites to down the Tigers.

He says, "Please, please don't predict a win for Nixon." And last week was a bad one for us, sports-wise: In addition to the A&M-Tech game, the Cardinals lost as did the Bovina Mustangs. And to put a little more frosting on the defeat cake, we had privately predicted that Oklahoma would win over Texas in their traditional battle in the Cotton Bowl.

That kind of luck is sure to change, though, if you can just hold on long enough.

While we're on the subject of sports, we'll point out a gripe of ours about the lack of courtesy of some football players. In our opinion, some players don't show the proper respect to the game officials in that they throw the pigskin down at the end of a play instead of giving it to the officials who is often standing patiently by to accept the ball.

Just because a man has on a striped shirt doesn't mean that he isn't human and entitled to the courtesies there of.

We may be off base on this complaint because it doesn't seem to bother anyone else that we know about. It seems nothing but right to us that the playing field should be level.

Mr. and Mrs. Barney Green were approved for employment by the school system, Mr. Green will serve as custodian at Bovina Schools, along with Dick Allen, Mrs. Green will be employed in the cafeteria.

Game Friday Highlights Homecoming

Dies Monday --

Walt Verner Services Today

Walter Edward (Walt) Verner, 64-year-old resident of the Oklahoma Lane community, died Monday morning in Parmer County Community Hospital in

Priona. He had been ill since Thursday.

Funeral services will be held at 2 p.m. today (Wednesday) in Oklahoma Lane Baptist Church with Rev. Charles R. Vick, pastor, and Rev. Irving Looney of Happy officiating. Burial will be under direction of Claborn Funeral Home.

Born in Mt. Pleasant in 1905, Mr. Verner moved to Oklahoma Lane from Kilgore 35 years ago. He was a retired farmer.

He was active in community and civic affairs, having served on the Bovina School board and as a member of the Farwell Masonic Lodge in Bovina. Mr. Verner was a deacon in the Oklahoma Lane Baptist Church.

Survivors include his wife, Dora; three daughters, Mrs. Bill Meeks of Farwell, Mrs. Lavon Jones of Hereford and Mrs. Lee Porst of Encino, Calif.; three sons, Eugene of Ghana, West Africa, Donald Ray of Farwell and Charles of Moses Lake, Wash.; and 12 grandchildren.

Pallbearers will be Montie Barrett, J. B. Sudderth, Donald Phelps, Howard Garner, Wendol Christian, Harold Carpenter, John Vaughan, and Melvin Terry.

Honorary pallbearers include Jack Roach, Frank Edwards, Sterling Donaldson, C. C. Christian, Delbert Garner, Virgil Woodson, Sam Sides, E. R. Barry, Tom Caldwell, Clyde Perkins, Levi Johnson, Lloyd Gober, Vernon Symcox, Claude Watson, Jeter Garner, Chester Fowler, Dee Brown, Kenneth Johnson and J. M. Dale.

Band Parent Membership Drive Held

Band Parents organization here is conducting a membership drive, according to Mrs. J. D. Stevens, secretary.

Every parent of band students in Bovina Schools, from grade school through high school, is invited to become a member of the organization and will be conducted by the membership committee before the next meeting in November. (Continued on Page 2)

At Ridgelea --

School Board Names Wing For Grace Paul

The classroom section of Ridgelea Elementary School was named the Grace Paul Wing by members of Bovina Independent School District's school board at its monthly meeting Monday night.

Naming the wing after Miss Paul pays tribute to her 20 years of service to the Bovina Schools out of the 41 years she has spent in the classroom, L. F. Jacobs, superintendent, said.

The board made the decision that if additional wings are constructed at Ridgelea Elementary in the future that they will also be named for well-known Bovina teachers.

Miss Paul has taught in every capacity in the Bovina Schools. In addition, she served as principal of elementary school.

Last May she received a 20-year pin here.

Mr. and Mrs. Barney Green were approved for employment by the school system, Mr. Green will serve as custodian at Bovina Schools, along with Dick Allen, Mrs. Green will be employed in the cafeteria.

Mrs. Allen will move to Ridgelea Elementary as custodian there.

The Greens moved here from Lubbock, where he was employed at the court house and city hall. They previously worked

for the school system in Littlefield.

The board agreed to additional improvements to the boiler system, as required by the inspector, Jacobs said.

By American Dusting --

New Location, Runway Set

A site for a new headquarters location for American Dusting Co., aerial spraying service here, has been purchased by the firm from A. L. Glasscock. Glasscock made the announcement of the transaction this week.

The site is 2.5 miles west of Bovina on FM Road 2290. It has 200 foot frontage on the paved road and also consists of 110 foot wide strip of land which is three quarters of a mile long which will be used for an airplane runway.

The 110 foot strip balloons near the road into a 200 by 400 foot area which will be used for office and hangar space for the firm.

Luin McWilliams is the American Dusting Co. representative here.

Construction is expected to begin within the next 30 days. The firm presently is headquartered in office space at Gateway Produce Co.'s lot.

The runway will be available for use of non-commercial aircraft wishing to land in Bovina, McWilliams said.

SCHOOL'S OUT -- Boys and girls, who are among the 24 attending the kindergarten classes at Bovina United Methodist Church, prepare to go home following a morning's work. Mrs. Vernon Estes, teacher of the two-year-old school, is assisted by various women of the church. Children will attend the kindergarten throughout the school year to prepare for entering the public schools in the first grade next fall.

Divide Cash Prizes --

Three Places Taken By Four Contestants

A new crew took over the helm in the 1968 Bovina Business Cotton Bowl Football Contest, while four entries tied for three places in the weekly event.

Bill Roberts, Paul Jones and Neal Mager are tied at 37 for

the lead in the overall contest, taking over from Al Kerby, Jr. He and nine others are tied at 36 in second spot.

Winning prize money this week were Jimmie Clements, Bobby McFarland, Ruth Newell of Muleshoe and Grady Sorley, Clements and Mrs. McFarland split first and second prize, a total of \$8 for \$4 each, after predicting the outcome of 10

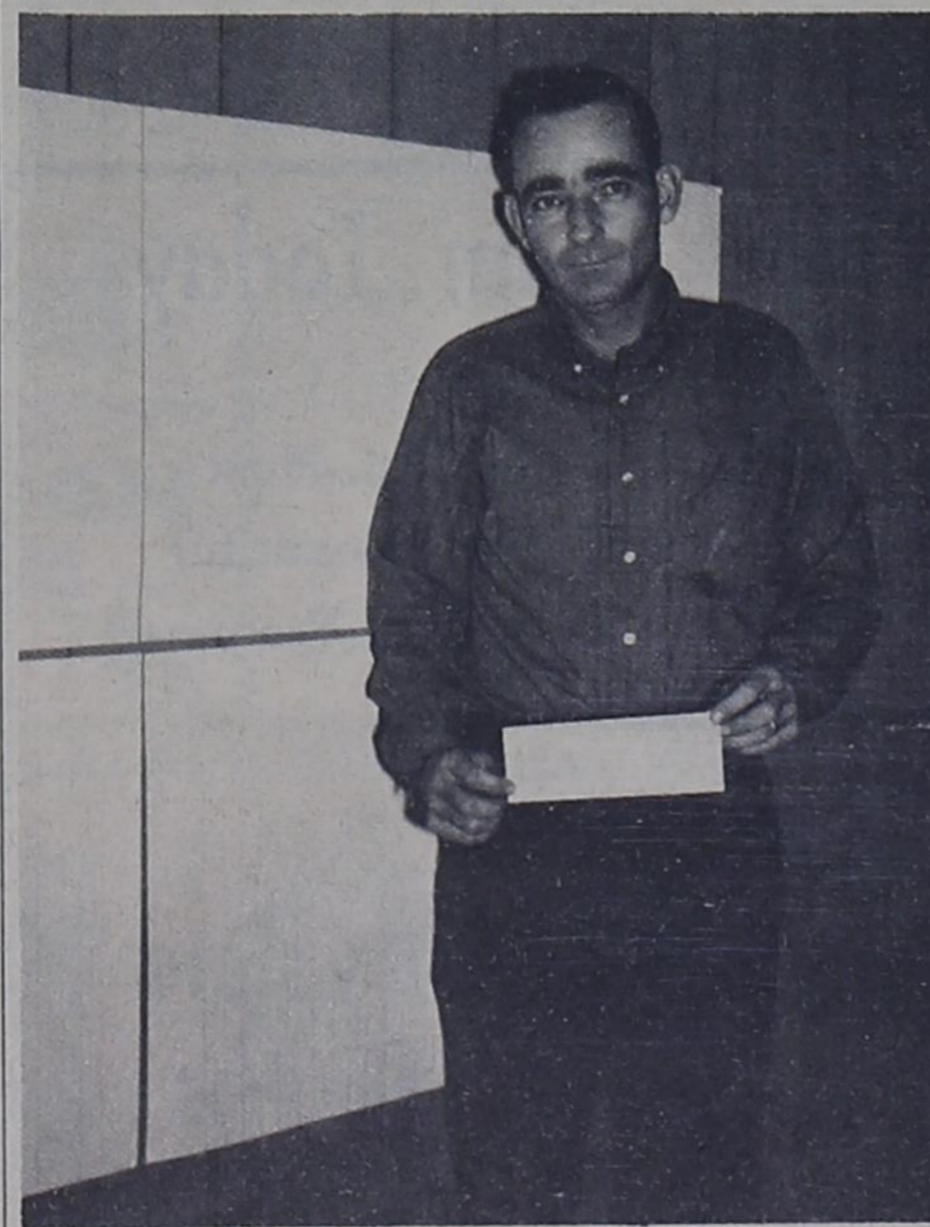

games correctly and tying on the tie-breaker with nine off. Mrs. Newell and Grady Sorley split the \$1 third prize after also predicting 10 games and tying on the tie-breaker with 12 off.

Two others also picked 10 winners this week, Al Kerby and fifth grade student Susan Lance. They were edged out of prizes by the crowd at the top.

Standing at second place after five weeks are Ola Lee Jones, Randy Jones, Al Kerby, Jr., Mrs. J. Sam Gaines, Galen Carson, Richard Carson, Jimmie Clements, Al Kerby, Carl Rea and Pat Sherrill.

In this week's contest, with 174 entering, 27 named nine winners; 42 picked eight; another 42 picked seven; 39 named six; 11 five; six named four; and one named two.

As the sixth week of the contest begins, it's anyone's race. (Continued on Page 2)

A WINNER -- Jimmie Clements split the first and second place prize money with Mrs. Bobbie McFarland this week. Both named 10 winners and were nine off on the tie-breaker in the Bovina Business Cotton Bowl Football Contest. Two other contestants tied for third.

School Parade, Coronation Set

Friday is Homecoming at Bovina High School.

The Sudan Hornets and Bovina Mustangs will provide the major portion of excitement for the annual event at Mustang Field in a District 3-A football clash that begins at 8 p.m.

Other activities for the occasion have kept students busy for the past week making preparations.

A parade will pass through Bovina at 2:30 p.m. Friday, the Football Queen and King will be crowned during halftime ceremonies of the football game, and a pep rally complete with bonfires is set for Thursday at 6:30 p.m.

At least two contests are included. Under sponsorship of the Student Council, awards will be made for the best floats in the theme "Countries of the World." Top prize to school

floats, sixth through 12th grades, will be \$25; second prize, \$15; third, \$10; and fourth, \$5.

A plaque will be awarded the best float in the parade entered by a business institution or organization outside of school.

The class having the largest bonfire will win the "spirit stick" for the week.

Classes have selected the countries their floats will represent in the parade, including the United States, seniors; Mexico, juniors; Greece, sophomores; Holland, freshmen; Switzerland, eighth grade; India, seventh; and France, sixth.

Chosen candidates for Football Queen by the Lettermen's Club are Brenda Newbrough and Debra Kirkpatrick, sophomores; Pam Grissom, junior; and Kathy Estes, senior.

Named candidates for Football King are Johnnie Horn, Bobby Redden, Rodney Murphy and Danny Stanberry, all seniors.

Coronation ceremonies will also be under direction of the Student Council. Halftime activities will feature the Bovina High School Band, coronation, and the announcement of the winners in the parade.

A large number of ex-students are expected to be in town Friday for the events.

McMeans Boy, 15, Hurt In Accident

A truck-pickup accident Monday night sent a Bovina boy to the Parmer County Community Hospital, where he was listed in fair condition Tuesday morning.

Bobby McMeans, 15-year-old son of Mr. and Mrs. Bob McMeans, received broken ribs, a concussion and multiple lacerations. He was the driver of a 1968 pickup.

Mrs. Joe Burford of Pleasant Hill, driver of a grain truck, was treated at Clovis. Extent of her injuries were not known, but were not thought to be serious.

The accident occurred just before sundown about three miles west of Bovina on the Pleasant Hill road, Mrs. Burford was travelling south toward town. McMeans, who had been to his father's farm to change irrigation water, was returning home on an intersecting dirt road. His pickup was

struck at the right door by the grain truck.

Highway patrolmen from Hereford investigated the accident.

Father Dies In Accident

Elmore Stanberry, 82-year-old father of T. D. Stanberry of Bovina, died Tuesday, Oct. 8, in Danville, Arkansas after he was struck by an automobile.

He was walking across the street when the accident occurred at 1 p.m. and was killed instantly, according to members of his family here.

Funeral services were held Thursday with burial following in Danville Cemetery.

Attending from Bovina were Mr. and Mrs. T. D. Stanberry. (Continued on Page 2)

Bill Clayton's Record And Position

EDUCATION:
Education is a field in which every citizen should be interested, and from a legislative stand point Bill Clayton has been extremely concerned and active in trying to raise educational standards in Texas. He was a co-author of the bill that created the "Coordinating Board Texas Colleges and Universities System". In the last few years through coordinating efforts and increased appropriations, Texas colleges and universities are becoming recognized throughout the United States as schools of excellence. This is a continuing program to make Texas schools of higher learning second to none. In the area of junior colleges, the Coordinating Board has established districts in which community or junior colleges should be located, Clayton is on record before the House Education Committee of suggesting that the districts for our area does not take into consideration our economic and population growth and therefore proposed that two districts be established in our area instead of one. He helped pass the legislation that established a Vocational and Technical Training School in Waco at the old Connally Air Force Base and has pledged his support for a bill to establish such a school in Amarillo when the Air Force Base is phased out there. Bill Clayton has worked for more money for vocational and technical training in our junior colleges and high school programs. In the field of public school legislation, he has voted for every teacher pay raise that has come before the House and also voted for taxes to foot the bill. He also worked behind the scenes before the last regular session to help obtain as much money as possible for teacher pay raises.

Clayton has voted for a state-wide Teacher Sick Leave Bill the last two sessions of the Legislature and both times the bill passed but was vetoed. He has worked with local school officials in teacher recruitment and is aware of the problems that exist in our area of the state. There is no question in his mind that teacher salaries will need to be increased if we are to secure and retain good teachers. During the last special session of the legislature, Representatives Red Simpson of Amarillo and Bill Clayton of Springlake introduced a tax bill that would have provided money enough for a teacher pay raise next year without having to pass still an additional tax bill in 1969. Bill Clayton is presently studying the report of the 25 man Governor's Committee on Public Education and plans to call a meeting of all school officials in this district to determine a position on this report that will reflect the best interest of this district. Clayton is currently making a survey of the interscholastic athletic program of our state and believes there might be some changes in this program that would make it more responsive to school officials and to the school children who participate in sports (not professional) rather than to the whims of a few people at one of our major universities. To meet the scholastic population growth of our area and to shoulder our share of the cost of education, we must maintain an expanding economy. This can be done by providing the tools of production essential to this area. Water is the key and Bill Clayton is in position to help our district meet its water requirements, now and for the future. Our school officials and class room teachers are shaping the lives of those who will be leaders of tomorrow, so we of today must provide the best. Bill Clayton is needed for the job ahead in the field of education.

er should, at the end of a successful play, give the ball to the handy official instead of slamming it to the ground or tossing it in the opposite direction. The player has to do something with the ball and it would ordinarily take less effort to give it to the official than anything else.

We're not complaining about the player who is tackled and

leaves the ball lying on the ground where he was stopped. It's the fellow who seems to 'most make it a point to be rude to the official who needs his manners polished, in our way of thinking.

If we're wrong or out of line on the subject, we'll stand corrected.

All classes of players seem to be guilty of this to some extent ---- school boys, collegians and the professionals.

Common courtesy is never out of place.

Reflections From The Blade

TEN YEARS AGO
Oct. 15, 1968

The First Baptist Church of Bovina adopted a \$72,000 plus budget for their 1959 fiscal year, a figure that exceeds by three times the budget the church operated under in 1958.

The Bovina grade school Colts whipped the Vega grade schoolers 42-6 for their wrap-up of the regular season Tuesday night. Bovina School will have its first edition of a newspaper appearing publication Monday of next week.

Bovina's boundaries business-wise have again extended. This time it is to the northeast as a firm organized only this year is erecting a building for warehouse and office space.

The firm is Three Way Chemical Co., and Ed Hutto, J. W. Harris and Cecil Osborne enterprise.

Parmer County's first light frosts are only around the corner. At least they are near at hand if average annual temperature means anything in 1958.

More drizzles drew the curtain on the Parmer County area grain and cotton harvest again Saturday, but not before area farmers had gotten in quite a few licks of their own.

The Mustangs of Bovina clobbered the Cooper Pirates 30-22 Friday night of last week for their second win of the season.

Three local women went to Floydada Thursday to attend a district Woman's Society of Christian Service meeting. Attending were Mrs. Warren Morton, Mrs. Earl Richards and Mrs. Billie Sudderth.

Jet air ships and other workings of the U. S. Air Force was the topic of a special speaker at the Thursday night meeting of the Bovina Lions Club.

SIX YEARS AGO
Oct. 17, 1962

Two blocks of Second Street will be included in Bovina's current paving program. Announcement of this addition to the project was made this week by Mayor Boyd Gilreath.

With their best non-district record in years --- possibly in history --- behind them, Bovina Mustangs start district action this week.

Another successful milo harvest is being wound up in the Bovina area. Grain is being stored on the ground outside the elevators here. "All the milo got ready to cut at once" was the reason given for the lack of storage space.

Mr. and Mrs. J. W. Bell will be honored with a reception Sunday in observance of their Golden Wedding Anniversary.

Ginger Gober, daughter of Mr. and Mrs. Scott Gober, celebrated her fifth birthday with a party at her home Wednesday.

Pharmacy Building --

No Protests Heard For Re-Zoning Lot

No one appeared Thursday night before the city council to protest the re-zoning of Lot 1 Block 98, Original Town of Bovina for a pharmacy, according to members of the governing body.

Membership --

(Continued from Page 1)
The membership cards sell for \$1 per person. Holders will be admitted free to all concerts presented this year by the band, Mrs. Stevens said.

The next meeting will be Nov. 25, when all parents are urged to attend.

Football Contest --

(Continued from Page 1)
Not only are there 13 at first and second places, but a large group looms within two or three points of the leaders.

The grand prize winner will be awarded a trip for two to the Cotton Bowl game in Dallas. Weekly winners receive \$5, \$3, and \$1 for the first three places.

Father Dies --

(Continued from Page 1)
Danny, Dean, Harold, Buford, Cloys and Brenda, and a nephew, wife and family, Mr. and Mrs. Alfred Stanberry, Ricky and Linda.

He is survived by three sons, T. D. of Bovina, Sol and Troy of Danville; one daughter, Mrs. Donnie Sanders of Oregon; and 15 grandchildren.

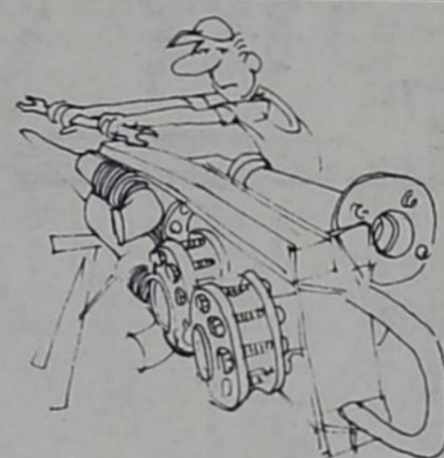

The hearing was called after a petition was presented the city, signed by resident of the area, stating they would support a pharmacy in that location, which originally was zoned as a residential area.

Since no one protested the re-zoning, construction of a pharmacy in the triangle west of the Bovina Medical Center may begin whenever desired.

The city council had decided at its September meeting that the re-zoning was subject to the hearing held Thursday night.

The proposed pharmacy would be operated by Don Spring of Friona.

Attending the regular meeting, along with the hearing, were Mayor Bedford Caldwell, and councilmen Edward Isaac,

Canyon Wins Three Games

Class AAA Canyon junior high and "B" teams had little trouble downing the Class A Bovina teams there Thursday in a three-game feature.

In spite of one-sided victories, however, the Colts and Junior Varsity showed promise on several occasions but were "just outclassed."

The "B" team fell to a 41-0 decision; the eighth grade 31-7; and the seventh grade 14-0 in the closest game of the evening.

"It was a good first half" according to Coach Roger Ezell who mentored the "B" game, but continued that the Eagles were too strong for the Bovina team to hold up the second stanza. The score stood at 14-0 when the half ended, but Canyon hit the goal line for 27 more points in the last half.

Bovina threatened in the second quarter, but was unable to score. Halfback Jimmy Harris and Cornerback Gary McCormick turned in commendable performances.

The eighth grade, although losing the game, stole the show in the middle of the fourth quarter, when Jeff McCormick took the ball away from a running Canyon halfback and ran 65 yards for paydirt.

The only Bovina score Thursday was topped by an extra point kicked by Kim Rundell.

Canyon scored 25 points during the first half of the eighth grade game and added its final tally in the last three seconds of play.

Coach Bill Nicholas' seventh graders from Bovina showed promise in their game, holding the Canyon eleven to a 14-0 win.

Bovina threatened the first

time the Colts got the ball, when the seventh graders drove to Canyon's 25. They were stopped there and although did not

score in the game, held Canyon to two touchdowns in the first half. Nicholas said Halfback Joe

Delgado, Halfback Billy (Doc) Shelby, and defensive guard and end, Tony Serna, played an outstanding game.

Rabies Shots Set For Dogs

Dogs in Bovina may receive rabies vaccinations from 2 to 6 p.m., Friday, Oct. 25, in the American Legion Hall.

Dr. B. L. Russell, veterinarian of Clovis who treats small animals, will be here to administer the vaccinations.

Cost will be \$2, according to members of the Chamber of Commerce, who are sponsoring the service in conjunction with the city.

Tags stating that the animal has received rabies immunization will also be issued by Dr. Russell.

A city ordinance states that all dogs must also have a city license. However, the animal must first have its rabies vaccination before city license is obtained. The service provided Oct. 25 will allow dog owners to buy their city license as well.

More Numbers --

New Telephone Directory Out

There are 20 more telephone listings in Bovina in October, 1968 than there were at the beginning of the year.

The increase was noted when new telephone directories were mailed to subscribers of General Telephone Company last week.

Directories this year have a white cover with a large dial featured. It includes numbers of Bovina, Earth, Friona, Muleshoe and Springlake, all on General Telephone lines, as well as Hub, Parmer and Sharp exchanges of the West Texas Rural Telephone Cooperative and Lariat, Lazbuddie and Needmore exchanges of the Five

Area Telephone Cooperative. Because towns are listed alphabetically, Bovina is first in the directory.

The January, 1968 directory did not show a sizeable gain in listings over 1966, but the new October issue is plainly longer in the Bovina section.

Bovina now has listings totaling 377, as compared to 357 last January.

Tharp exchange, which includes numbers of rural residences around Bovina, has a decrease of four numbers since January, when the total was 135. Listings in the new directory stand at 131.

On The Farm In Parmer County

By RONNY MCNUTT
County Agent

IRRIGATION SURVEY NOW AVAILABLE

Farmers and businessmen in Parmer County will want to obtain a copy of the 1968 High Plains Irrigation Survey now available at the County Extension Office in Farwell. The survey contains loads of valuable information on irrigation in Parmer County as well as 41 other counties in the Panhandle and South Plains.

The survey gives the total number of irrigated farms, irrigation wells and current irrigated acreage for each county. It also shows the irrigated and dryland acreages for individual crops and pastures for this year. Irrigated acreages are listed by both surface and

sprinkler irrigation methods. Data on the kind of fuels used by the irrigation power units are also a part of the survey.

In addition, trends over the past ten years in irrigated acreages of major crops are included in the report. Other trends shown are pump capacities, pumping lifts and the number of wells required to supply water.

The survey is of value to individual farmers and others who keenly observe conditions, changes and trends in irrigation. Industry and commercial firms find the survey valuable in planning business activities.

The survey is prepared annually by Texas Agricultural Extension Service, having been published since the early 1950's when irrigation in the High Plains really began to boom.

All the facts and figures on each county in the irrigation survey are obtained through the efforts of the county agricultural agent. This county information is then sent to Leon New, Extension area irrigation specialist at Lubbock, who completes the complete report. The survey is sent to equipment firms, fertilizer, chemical, seed and utility companies and government and education agencies throughout the area.

IRRIGATION PUMPING PLANT REPORT

Texas Tech Agricultural Engineering Department recently released an irrigation report on pump power requirements, pump efficiency and power unit efficiency. This report presents complete performance test results on 134 pumping plants located primarily in the High Plains.

The report shows pump efficiencies range from a low of six per cent to a maximum of 82 per cent. The 82 per cent was on a new installation and is about the maximum that can be expected. Efficiency is the ability of the pump to convert engine horsepower into available water. It has a direct influence on the cost of pumping water.

VETERANS LAND BOARD SALE

The Veterans Land Board will receive sealed bids at the General Land Office, Austin, Texas, until 11:00 o'clock A.M., November 19, 1968, for the sale of 65 tracts of land. Classes Choose Honor Nominees

Students in Bovina High School and Junior High held class meetings last week and nominated members for honors, which will be featured in the yearbook "The Mustang." Classes also chose the countries their floats will represent in the Homecoming parade Friday and chose booths to erect at the Halloween Carnival being sponsored by Bovina Woman's Study Club, according to Gary Cox, high school principal. Students nominated for honors will be chosen by secret ballot. However, outcome will not be announced until later in the school year, when a program will be held for that purpose, Mrs. Glenden Sudderth, sponsor of the yearbook, said. These will include class favorites, etc.

Mrs. Wilson Has Bridge

Mrs. Robert Wilson was hostess to the Thursday Afternoon Bridge Club Oct. 10 in the community room of First State Bank of Bovina.

Movie Set Friday Night

"El Cid" is the title of the motion picture to be shown at "The Spot" Friday night following the Homecoming football game, according to Mrs. Harold Hawkins. Charlton Heston stars in the production, set in Spain in the year 400 A.D. Sponsoring the film are the First Baptist Church, Church of Christ and United Methodist Church, all in Bovina. No admission will be charged. All students from the eighth grade up are invited to attend, Mrs. Hawkins said.

LUNCHEON -- Mrs. Lane Decker, center, president of Caprock District, was introduced to Bovina Woman's Study Club Thursday by Mrs. Earl Whitten, left, of Bovina. Mrs. Leon Ware of the Bovina club is seated. The luncheon was held in Bovina Restaurant when Mrs. Decker made her official visit.

District Federation Meet Saturday

The ninth annual board meeting of Caprock District, Texas Federation of Women's Clubs, will be held Saturday at Friona High School. Theme of the meeting is "Happiness Is—A Federated Clubwoman Involved."

Registration will begin at 9 a.m. with the opening program at 10 a.m. Mrs. Lane Decker of Floydada, president of the district, will preside.

A style show, luncheon, conferences and reports are on the agenda for the day. Mrs. Ovid Lawlis, department chairman, will give a report on conservation. All officers, board members and club members are invited to attend. A prize will be given to the club president with the most club members in attendance.

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

Are homes of today planned for living — or for looking? Sometimes we wonder as we see some of the inconvenient features in some of the recently built homes. For instance this inconvenient feature was recently observed in the kitchen of a very fine home: When removing food from the refrigerator the only place for placing the foods was on the range or several feet across the range to the cabinet. A small cabinet area by the refrigerator would have added a lot of convenience to this area. This same situation was also observed with the built in oven without any convenient place to place foods when removing or placing food in oven.

desk is designed to provide specifically right lighting for study area according to the Illuminating Engineering Society, which is made up of lighting engineers, physicians and ophthalmologists, and other experts in this field. The certified study lamp is the result of this study. Good light does not cost any more than poor light or as much — for after all poor light is the cause of poor see-ability, resulting in use of eye glasses and sometimes poor grades for students. Here is a standard for desk light that may be followed in the selection of light for study:

- Wide light distribution
- Upward and outward light
- Soft shadows
- No direct or reflected glare

—this eliminates some popular lamps.

Don't be swayed by advertisements, there is no high-intensity lamp which meets the I.E.S. requirements for a study lamp, according to lighting authorities.

In a recent group of ten school girls, ages ten to 12, it was observed that eight out of the ten were wearing glasses.

One point to keep in mind when furnishing a home, "Homes are for People, not show places for Strangers."

Teenage Club Plans Dance

A Homecoming dance will be held at the American Legion Hall Friday night from 10 p.m. until 1 a.m., sponsored by the Teenage Club. "The Intruders" of Amarillo will furnish the music. Admission is \$1.50 each.

WOULD YOUR CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN . . .

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!

YOU CAN TAKE OUR WORD FOR IT!

Bovina Area Churches Welcome You!

Church Chuckles by CARTWRIGHT

"Glad you asked about my political beliefs. It reminds me of the funny story about this man with a very nosy neighbor . . ."

Read Matthew 25:22-30

Provided there is an eager desire to give, God accepts what a man has; he does not ask for what he has not. —II Corinthians 8:12 (NEB)

LARGE symphony orchestra was rehearsing for a concert. One instrument among many was the piccolo, a small flute that can produce a piercing sweetness in sound.

During rehearsal the player of the instrument quit playing, for the music of his piccolo seemed drowned completely in the tremendous sounds from the larger instruments. Soon the conductor stopped the musicians and shouted: "Where did the piccolo go? I notice it disappeared."

So often we feel that our contribution in the kingdom of God is not important. Other Christians are more outstanding, more gifted, and have greater possibilities. We become discouraged and underestimate our contribution. We give up.

The Master notices our lack of faithfulness. As His followers, He does not expect us to offer what we do not have, but to dedicate and faithfully use what we have to give, be it much or little.

PRAYER: Help me, O God, to be faithful in work my hands find to do for Thee. May my sole wish be to serve Thee according to my ability and make the most of opportunities Thou art giving me to serve. In Jesus' spirit I pray. Amen.

THOUGHT FOR THE DAY

Let us never underestimate the contribution we can make in the service of the Master.

New Governor, New Speaker, New Legislature Let's Build For The Future!

Frank and Margie Ford with their four children — Davis, 10, Cindy, 8, Dan, 6, and Susan, 4.

- * Raised in the Panhandle-South Plains area where his father served as a County Agricultural Agent.
- * Worked his way through Texas A and M, where he was named the outstanding student in the School of Agriculture, Cadet Corps Commander, and Delegate from the A and M Debate Team to national debate meet at West Point.
- * While on a summer job during college with the Ag Experiment Station in Lubbock, assisted in early hybrid-sorghum work.
- * Worked as assistant to manager of a farm equipment company specializing in irrigation.

As working manager of a business Frank Ford knows that government must be run on a pay-as-you-go basis.

- * Served 30 months in the U.S. Army, attaining the rank of Captain in artillery.
- * In 1959, served as bill clerk in the Speaker's office, Texas Legislature, and then in the Legal Division, State Board of Water Engineers.
- * Has lived in Hereford for the past 8 years, where he has been successful as a farmer, home-builder, and manager of a milling company.

Frank Ford will be a listening Representative when in the District - will work and speak for you when in Austin.

- * Active in his church and community, Frank has served as President of the Hereford Migrant Ministry, Vice-President of the Deaf Smith County Chamber of Commerce and United Fund.
- * Well known for his work with youth, has been Scoutmaster of Boy Scout Troop 52 for past 7 years.
- * Believes that two-party system is essential for the people of Texas to have effective control over their state government.

FRANK FORD IS A POLITICAL CONSERVATIVE WHO BELIEVES THAT THERE IS AN EXCESSIVE CONCENTRATION OF POWER IN WASHINGTON, D. C. He has been consistent in his efforts to find solutions at the local and state levels where the people can keep control over their future. Help put Frank Ford to work for you in WATER RESOURCES PLANNING, EDUCATION, SUPPORT FOR LAW ENFORCEMENT and GROWTH and PROGRESS FOR OUR AREA! He will represent the people of Cochran, Lamb, Bailey, Castro, Parmer, and Deaf Smith Counties.

Season's Second Loss --

Mustangs Get Clawed By Frenship Tigers

The Bovina Mustangs drew first blood and had a one-point halftime lead Friday night at Wolforth, but they couldn't make it stand up and lost a 7-18 decision to the Frenship Tigers.

The Class AA Tigers turned their speedy backs loose in the second and third periods to come from behind and take over the lead and win the game.

For the Mustangs, who begin District play this week, this was their second loss in five games. The Tigers are still undefeated, but they have one tie this season.

The Ponies had a touchdown nullified by a clipping penalty late in the second half. If that score had been allowed to stand, the complexion of the game could have been changed. As it was the momentum joined the home field Tigers in the final half and they picked up TD's on scoring plays of 10 yards and 61

yards in the third quarter while keeping the Bovina offensive machine bottled up.

Bovina's touchdown came on the fourth play of the second quarter and climaxed a drive which covered 87 yards and consumed most of the time in the first period. The score came on a four yard run by Quarterback Stuart McMeans after he, Fullback Royce Sisk and Halfbacks Ronny Dyer and Mike Beauchamp had taken turns lugging the leather toward the Frenship goal line.

Kenny Stone's place kick for the extra point was true to give Bovina a 7-0 lead.

The Tigers' first score came on a brilliant 49-yard run by swift Johnny Carrizales. Quarterback James Madison was stopped on a running attempt for two extra points.

The Mustangs bounced right back after the Frenship TD and almost got another of their own. The following kickoff was returned to the 38. Two ground plays earned four yards and then McMeans threw the bomb to End Rodney Murphy for a 49-yard gain which carried to the Frenship nine yard line.

A five yard penalty against Bovina moved the hoghide back

to the 14. Three plays later McMeans went in for the score, but a clipping penalty moved the ball back to the 11. After an incomplete pass, the Bovina team lost the ball on downs at the 20 with only 0:17 left in the half.

The Frenshippers got the go-ahead touchdown midway through the third period. They put a short Bovina punt in play on the Mustang 38 and got the score in six plays with Madison going the last 10 yards. A running attempt for the pair of extra points was stopped by the Mustangs.

Frenship's final score came late in the third period as Waddell Smith, the fullback, broke through the center of the line on a play that originated on the Tiger 39 and went over the goal line standing up at the end of a 61-yard jaunt.

The Mustangs were successful, for the third consecutive time, in foiling the running attempt for the extras and the scoring was all done at 7-18.

A tough Bovina defense halted a fourth quarter drive by the Tigers at Mustang three yard line. The teams then exchanged fumbles deep in Bovina territory, but the Ponies escaped

without additional damage being done.

Bovina was in possession at the 42 in its own end of the field when the final gun sounded.

The game was played in exceptionally warm weather considering the time of year. Rain-threatening clouds were in the area during the game, but failed to deposit any moisture.

Lineman Steve Pierson led the Mustang defense and received praise from his coaches for his play in the tilt.

The Bovina squad was cut short because of a B team game played the night before in Canyon. Only 16 boys were suited up for the Frenship game.

First District Game --

Defending Champion Sudan Opposition For Homecoming

The Bovina Mustangs move from non-district action into the "playing for keeps" activity of District 3-A competition Friday night. They meet the defending district champion Sudan Hornets here in a tilt which will highlight homecoming activities for the Bovina Schools.

This will be the third meeting of the Mustangs with the Sudan team since the two have been in the same district and the Ponies have yet to down the Hornets.

Sudan, which went on to win bi-district and regional playoff games last year after taking the district crown, has an experienced team with 14 or more regulars returning from a year ago. They will be heavily favored to win over the Mustangs.

The Lamb County boys have a record of 4-1 coming into this week's game. They lost to Sudan in the season opener by the margin of one point. Since then, they've picked up wins over Amherst, a team which has also lost to the Mustangs; Morton, Seagraves and Plains. The Hornets took the measure of Plains last week, 38-14.

Sudan has six players on its team this year who were named

to the 1967 all-district team. In last year's tilt, the Mustangs put up a tremendous fight during the first half but finally lost to the eventual district champs, 33-8.

Speed is a strong point of the opposition for the Mustangs this week. But, in addition, they also have a great deal of experience, as already pointed out, and adequate size.

The Ponies are expected to be back to full physical strength for this week's game. Danny Stanberry, who did not play against Frenship last week due to a death in his family, will be back in action against Sudan.

Phil Sorley, who has been out with an injured ankle, is also expected to be ready to return to action.

Roy Stone, Mustang head

coach, indicated this week that Bovina's line-up might be changed for this week's game. "We plan to keep shifting the boys around until we come up with what we think is the best combination," he said.

Sudan won in '66, 33-0, in a game which saw the score only 6-0 at halftime.

Game time Friday night is 8 p.m.

In Bovina --

Postal Box Break-Ins Under Investigation

Investigation is underway into break-ins at the U. S. Post Office in Bovina, according to Deputy Sheriff Henry Minter. Postal boxes have been broken into during the past month, Minter said, mail removed and scattered both inside and outside the post office building.

He reminds citizens that either breaking into postal boxes or tampering with mail is a federal offense. In the event the person or persons involved are minors, the parents would be held responsible.

About 10 glasses on the postal boxes have been broken within the past month. The action occurs usually between 5 and 8 p.m., or between the hours the post office windows are closed and the front door is locked.

Mail has been taken and scattered, but also lost has film for the Mustang Theatre, a pair of glasses, and bank statements. The bank statements were later found hidden behind the building.

Glass broken from the boxes are immediately replaced, according to the Bovina postal employees.

The break-ins have been reported to the postal inspector in Amarillo.

Unless the break-ins stop,

it may become necessary to lock the doors of the post office at 5 p.m., Minter said, since

there is a large amount of loitering in that vicinity during the hours the break-ins have occurred.

Postal Rates Increase Set

Postmaster M. E. Ezell reminded postal customers today that higher parcel post and catalog rates will go into effect Saturday, October 19.

The rate increase will average 10.5 per cent and in most cases will mean an additional 10 cents postage per parcel.

The higher rates were approved by the Interstate Commerce Commission in July.

Under the new rates the minimum charge for local parcel delivery will go from 40 to 50 cents. The minimum charge for parcels destined outside the local delivery area will be raised from 50 cents to 60 cents.

Almost all parcels that are charged up to \$1.10 under present rates will go up 10 cents. This accounts for more than 80 per cent of all parcel post, Postmaster Ezell pointed out.

There will be a 15-cent hike on most parcels now charged between \$1.10 and \$4, and a 20-cent increase on parcels now charged over \$4.

Parcel post rates are based on the weight of the package and the distance it is mailed.

Higher rates for the delivery of packages and catalogs are required to bring revenue from this type of mail within four per cent of operating costs, as required by law. Postmaster Ezell explained. The higher rates are designed to put parcels and catalogs, which are fourth-class mail, on a break-even basis.

Additional revenue is needed from parcel post and catalogs to offset higher costs resulting from pay increases approved last year for postal employees.

45 Predictors Await Freeze

With the First Freeze contest deadline yesterday (Tuesday), 45 Bovina area residents have predicted when the temperature will drop low enough to kill vegetation in Bovina.

The earliest prediction was Oct. 9, while the latest is Nov. 15.

Winner will be awarded \$5 and declared "Bovina Champion First Freeze Predictor of 1968." Judge is Willie Williams, Bovina's weatherman, and decision will be based on

the first killing freeze to hit Bovina.

In several instances, more than one person predicted the same date. In case the freeze falls on that date, the entry submitted the earliest will be the winner.

The earliest freeze here since the contest began in 1965 was on Oct. 15 in the fall of 1966. Latest was the first year of the contest, Nov. 27. Winners have been Charles Smith, Mrs. E. L. Cochran and Cathie Trimble.

Following is the list of predictions. They are given in order of their submission (in case predictions fall on same day).

- Oct. 9--Norma R. Whitten
- Oct. 16--Erith A. Hawkins
- Oct. 17--Roy Allen, Mrs. Darrel R. Read.

- Nov. 11--Dorothy Looney.
- Nov. 15--Flossie Rhinehart.

Games Set At Sudan

Three football games will be played at Sudan Thursday, with the Bovina seventh grade starting the action at 5 p.m.

The eighth grade game will follow, then the "B" game between Bovina and Sudan Hornets, according to Coach Bill Nicholas, mentor of the two Colt teams.

Busses Run Early Friday

School busses of Bovina Independent School District will run at 3:15 p.m. Friday, according to L. F. Jacobs, superintendent, because of homecoming activities that day.

Classes will be dismissed at 2:30 p.m. Friday so that students may participate and see the Homecoming parade, scheduled to begin at that time.

In Canada

Mr. and Mrs. Buck Ellison accompanied their son, Howard Ellison of Lubbock, to Canada last week, where they are attending a lectureship at Western Christian College.

Howard Ellison is associated in Texas with the Canadian college.
