A BIGGER, BETTER  
BOVINA

"In The Agricultural Center Of Parmer County"

WEDNESDAY, NOVEMBER 5, 1975

Bovina, Texas

VOL. 20, NO. 18

BY BILL ELLIS

PERHAPS YOU HAVE been hearing about the cutbacks being suffered by the Texas Highway Department and its divisions throughout the state.

The cutbacks affected the Highway Department's maintenance headquarters at Bovina, according to foreman Weldon Moody.

So far, the Parmer County maintenance office has lost two men from its present staff of 17 which were charged with maintaining a vast network of 263 miles of paved roads in the county. One of the men was given forced retirement, and the other will be let go at the end of this month.

The two Parmer County employees were among 55 which the Lubbock district of the Highway Department lost during the massive layoffs which were announced across the state.

Moody said that the THD employees being let go ranged all up and down the scale, from resident engineers and maintenance foremen to maintenance men. One employee in this district who was severed lacked only five months' having completed the required 30 years for retirement purposes.

Some of the resident offices were combined, such as at Floydada, where the resident engineer's office was combined with that at Plainview, and at Lamesa, which was combined with Brownfield.

Some of the county maintenance offices were combined. Thus far, Parmer County has been spared this fate, and the Bovina office will remain intact.

An idea of the impact that the local maintenance office has on a community can be seen in the fact that the Bovina office puts around \$17,000 per month back into the local area's economy.

Besides the loss of manpower, Moody points out that the reduction in work force comes on the heels of an announced budget cut for his office amounting to around \$2,000 per month.

The reduced budget, along with the inflated costs involved with road maintenance, makes you wonder how things will work out. Expenses have gone up—cost of materials and parts have more than doubled in many cases.

The highway department's cutback has been blamed on inflation, and the drop in gas consumption due to the higher prices. The department's operating revenue comes directly from the amount of taxes received from the sale of gas.

"We have always operated with an increasing use of gas from the driving public. But suddenly we are faced with a decrease, and our budgets have been trimmed," Moody explains.

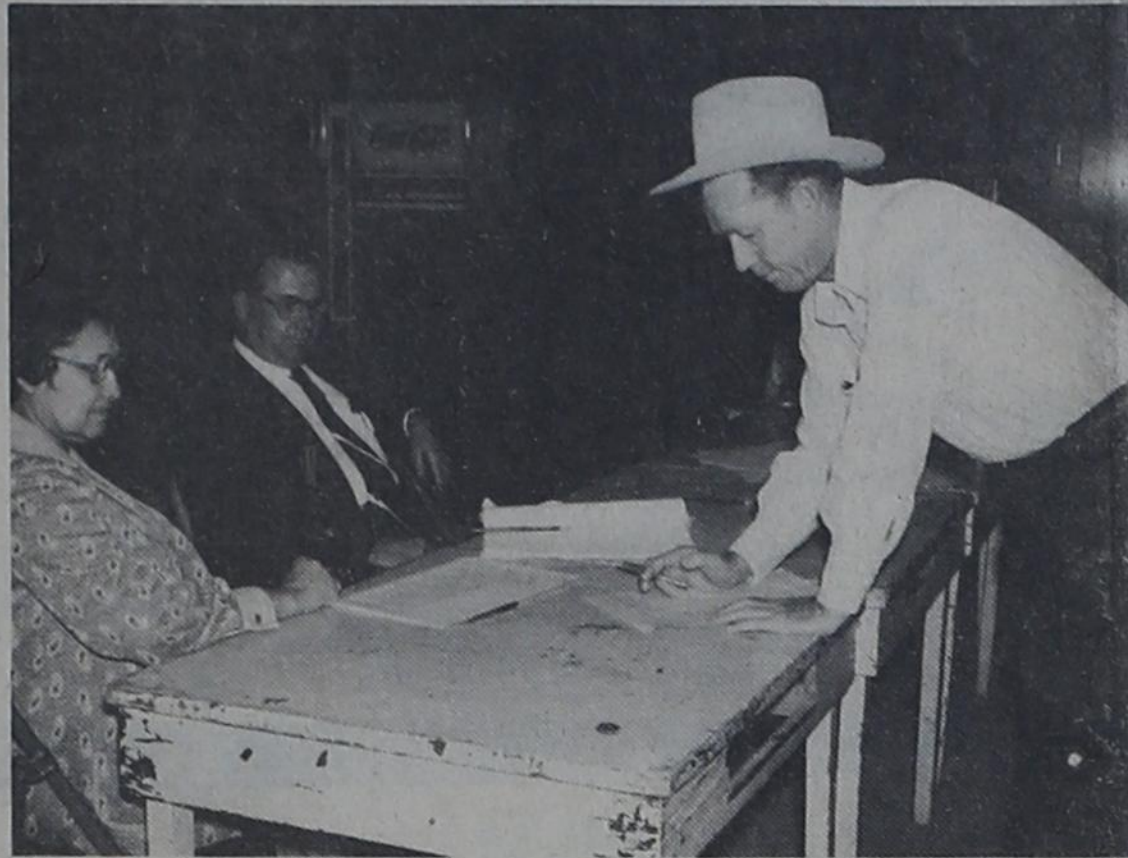

The Bovina foreman says that highway department budgets are set through September of 1977, so that everything is pretty well set through that date. After that, no one knows what will happen.

A state Highway Department official, speaking recently to the Texas County Judges and Commissioners Association, predicted that the cutbacks in the THD's budget will ultimately result in the department operating merely for maintenance purposes in our state. That would mean no new highway construction.

Texas has probably as fine a system of highways and roads of any state in the union. But it will be hard to keep this claim if the state is reduced to only taking care of what it has—and on a reduced budget at that.

We don't know what the answer would be to the THD's money problems. But we don't believe that our state can afford to let its road system decline to the level of some other states we've travelled in.

WE HEAR SOME unusual "handles" on the CB radio from time to time. This week we heard the following: Double Ugly, Droopy Drawers, and Dirty Drawers. Personally, we'd hate to have to use that last one for a name.

**TUESDAY ELECTION....R.R. Lusk** of Bovina prepares to cast his ballot in Tuesday's constitutional election. Mrs. Ben Rejino and J.E. Sherrill, election judge, are seated at the table in the American Legion Hall where the election was held. Some 155 voters had cast their ballots as of

early that afternoon in a turnout here that was larger than expected. The weather cooperated with mild, sunny temperatures prevailing. Results of the voting in Parmer County will be carried in next week's edition of The Blade.

## NINTH WEEK

# DiCuffa Picks 14 Games; Pulls Into Tie For Lead

Wilson DiCuffa, Bovina Elementary School principal, came up with 14 correct predictions on the slate of 14 high school, college and pro football games in last week's Bovina Businesses Cotton Bowl Football Contest to win first place money and also pull into a tie with A.M. and Mary Jane Wilson for the lead in overall points. One other contestant, Johnny Miller of Farwell, had 14 correct predictions to take second place prize money. DiCuffa predicted a 20-13 Bovina Mustang win over the Kress

Kangaroos, 13 points off the actual 14-6 score in Friday night's game. Miller predicted a 28-10 Bovina win, 18 points off the actual score.

Eighteen contestants had 13 correct predictions in the contest with Mrs. Wilson taking third place prize money. Mrs. Wilson missed the Pittsburgh win over Cincinnati in the pro ranks and picked Bovina to win, 14-7, only one point off the game score.

Others with 13 right were Don Bandy, who missed the Washington win over the Dallas Cowboys and picked Bovina, 18-6, four points away; J.W. Wright, who missed the Washington win and picked Bovina 14-13, seven points away; Duane Mitchell, who missed the Dimmitt win over Morton and picked Bovina, 21-6, seven points off; Mrs. Phillip Johnson, who missed the Pittsburgh game and picked Bovina, 14-13, seven points off; Jay Sherrill, who missed the Redskin win and picked Bovina, 21-7, eight points off; Dorothy Harris, who missed the Redskin win and picked Bovina, 16-12, eight points off; Tom Ware, who missed the Redskin win and picked Bovina, 20-12, 12 points off; A.M. Wilson, who missed the Pittsburgh win and picked Bovina, 20-12, 12 points off; Erik Hawkins, who missed the Redskin win and picked Bovina, 20-12, 12 points off.

Also, Bill Malcom of Tulia, who missed the Nebraska win over Missouri and picked Bovina, 28-6, 14 points off; Paul Jones, who missed the Pittsburgh win and picked Bovina, 22-13, 15 points off; Genevieve Ezell, who missed the Phillips win over Boys Ranch and picked Bovina, 21-14, 15 points off; Hattie Burnett, who missed the Redskin win and picked Bovina, 28-7, 15 points off; Lawrence Widner, who missed the Pittsburgh win and picked Bovina, 26-13, 19 points off; Don Stone, who missed the Washington win and picked Bovina, 26-13, 19 points off; Dianna Naegle, who missed the Washington win and picked Bovina, 28-12, 20 points off; and Kenny Estes, who also missed the Redskin win and picked Bovina, 28-13, 21 points off.

Contestants with 12 correct predictions included Lea Brantley, Tom Bonds, Reba Bonds, Rocky Bartlett, Johnny Curtis, Jon Cox, Joan Carson, Tommy DeLeon, Mike Grissom, Wayne Gilliland, Leroy Lambert, Linda Marcom, Monty Malcom, Norma Noyes, Joel Nelson, Mike Spears, Ron Smiley, Mrs. Frank Smith, Wendy Sherrill, Patsy Sherrill, Emmett Tabor, George Villarreal, Betty Whitecotton and Kim Ware.

Of the 147 contestants last week, two had 14 correct predictions, 18 had 13, 24 had 12, 38 had 11, 32 had 10, 18 had nine, nine had eight, five had seven and one contestant had five correct predictions.

DiCuffa and the Wilsons, each with 96 out of a possible 125 points for a percentage of .768, are three points ahead of the nearest competitors. The number of contestants still within striking distance of the

## NEXT WEEK

# Students Prepare Exhibit For Bicentennial Program

Bovina's Bicentennial Recognition Program, set to begin at 3:30 p.m. Tuesday in front of the main entrance to Bovina Schools, will feature Senator Max Sherman of Amarillo as the keynote speaker.

The program will be held in conjunction with American Heritage Week, sponsored by the Bovina Schools library.

In addition to Sherman's speech, a representative of the American Revolutionary Bicentennial Commission in Washington, D.C., will be here to present the Bovina bicentennial flag and state and national recognition certificates to Mayor Tom Bonds and member of

the city council. The Bovina High School Mustang Band will present a program of patriotic music for the occasion.

Immediately following the ceremony, a reception will be held in the school cafeteria.

Students in the Bovina Schools will be observing American Heritage Week all this week and through Tuesday.

An exhibit of relics and other historical work is being prepared by social studies classes and will be open to the public from 1 to 3 p.m. Tuesday preceding the community recognition program.

Relics displayed will depict

American heritage. Some classes will exhibit panoramas of early Americana. Students wishing to do so may contribute their relics and other entries to the new Bovina Museum.

Students will be preparing the exhibit in the school library this week. Each relic will bear a card containing a brief history of the specific object, along with the student's name. The back of the card will relate some reference to the object from print or non-print material found in the library.

The project has several objectives, according to Mrs. Pat Jacobs, (Continued on Page 2)

# School Holiday Slated Friday For Students

Students at Bovina Schools will have a bonus holiday Friday, according to L.F. Jacobs, superintendent.

Members of the faculty will be working at school that day on the self-evaluation study. An evaluation of all schools is required periodically by the Texas Education Agency. The board of trustees of Bovina Schools elected to undertake the self-evaluation program which will be carried out throughout this school year.

Classes will be dismissed at regular time Thursday and resume at the regular time Monday morning, according to Jacobs.

# Talent Show Cancelled By Jaycee-Ettes

The Jaycee-Ette Talent Show, scheduled for Saturday night, has been cancelled because of insufficient entries, according to a spokesman for that organization. "This was just a bad time of the year to attempt a project of this type because of harvest and the numerous school activities," the spokesman said.

The Jaycee-Ettes will discuss in the near future the possibility of re-scheduling the talent show at a more suitable date.

leaders diminished once again this past week with a total of 29 contestants 10 or fewer points behind

the leaders. Four weeks remain in the 1975 contest. (Continued on Page 2)

WEEKLY WINNER.....Wilson DiCuffa, Bovina Elementary School principal, accepts a \$7.50 check for first place in the Bovina Businesses 1975 Cotton Bowl Football Contest

from Editor Lou Nuttall of The Blade. DiCuffa had 14 correct predictions out of the 14 games on the contest, winning on his tiebreaker prediction.

POURING SURFACE....A large number of Bovina men turned out Wednesday, Thursday and Saturday of last week to begin pouring the rubberized surface on the new track for Bovina Schools. However, the amount of material on hand was not

enough to complete the job. Ronnie Sudderth and Mac McCallum took a truck to Vicksburg, Miss., Thursday to purchase more of the special formula and work resumed Saturday. This time, the crew ran out of the emulsion mixed with the rubber

material and attempts to locate more of the emulsion have been unsuccessful. About two more days will be needed to finish this phase of the track. After it is completed, the sealer will be poured in approximately two weeks.

DISCUSS PROJECT

# 25 Attend Park Meeting Friday

Plans for the new city park were greeted with enthusiasm from the 25 or so people attending a public hearing concerning the park Friday morning at the Bovina Restaurant and Steakhouse.

Mrs. Jack Kassahn, spokesman for the civic organizations working on plans for the park, presented the plans, explained how the park would be developed in several phases and spoke on financing the project. Local citizens will be required to raise \$6000, which will be matched by federal funds, to complete the first phase of the park development. The money will be spent on water lines, roads, playground equipment, landscaping, picnic tables and shelters for the picnic areas.

The proposed 20-acre park is located in the southwest portion of town, just south of Texas Highway 86. The site was donated to the city several years ago.

A park fund has been established at First State Bank of Bovina to accept donations toward the park. Crop donations will also be welcome, according to Mrs. Kassahn.

In addition, Bovina Woman's Study Club voted earlier this year to designate the annual Christmas Card Project funds to the city park.

Those attending the Friday morning meeting also discussed the possibility of all civic organizations in Bovina combining to sponsor some type of fund-raising project for the park.

Officials of the Panhandle Regional Planning Commission are preparing an application to submit to the U.S. Department of Interior requesting matching federal funds for the project. Mark McConathy, a representative of the PRPC, has been working with the local group on the plan.

The first phase is tentatively set for completion in the summer of 1976. The final phase of the project calls for a club house and swimming pool to be built by late 1977 or early in 1978.

**JUDGING TEAM WINS...** Showing off the awards won at the Grand National Livestock Exposition, held recently in San Francisco's Cow Palace, are members of the Murray State College judging team. Team members and their coach are, top row from left, Coach Harold Fogleman, Ricky Terrill of

Turner, Lee Pritchard of Bells, Tx., and Larry Widner of Bovina, Tx.; bottom row from left, George Burnett of McAlester, Jerry McLemore of Ninkah and Leland McDaniel of Elgin. Widner, a sophomore, is the son of Mr. and Mrs. Lawrence Widner of Bovina.

## DiCuffa Wins Grid Event

(Continued from Page 1)

Sponsors of the '75 contest, the 16th annual contest conducted by The Blade, include Bovina Pump Co., Oklahoma Lane Farm Supply and Gin, Shirley Grain Co., Charles Oil Co., Chuck's Spraying Service, Inc., Agri-Sprayers, Inc., Bovina Gin Co., The Bovina Blade, Big Nick Farm Machinery, First State Bank of Bovina, Riverside Chemical Co., Paul Jones Texaco, Horn Insurance Agency, Bovina Wheat Growers, Inc., The Browsabout and Bovina Steakhouse.

(Continued from Page 1)

librarian, and Mrs. Janie Sudderth, who is assisting her. One is to allow students to participate in the observance of America's bicentennial and to gain a deeper appreciation of those who settled and developed a free country.

With library involvement, students may become better acquainted with various printed and media services offered, the extensive material available on American history and to find and use it in research and classwork.

In addition, the project may also stimulate student interest in the development and progress of the Bovina Museum.

# Harrelson Rites Held In Friona

Funeral services for Glen Harrelson, 47, of Friona were held Tuesday afternoon at First United Methodist Church there with Rev. Bobby McMillan, pastor, officiating. Burial was in the Friona Cemetery under direction of Parsons-Ellis Funeral Home.

Mr. Harrelson, father of Jodean Glen Harrelson of Bovina, died Sunday of an apparent heart attack.

A Friona resident for the past 29 years, Mr. Harrelson was a mechanic at Terry's Shop.

Survivors include his wife, Dorothy; two other sons, Mickey Jim Harrelson and Jerry Ben Harrelson, both of Friona; his mother, Mrs. Maude Harrelson of Irving; five sisters, Mrs. Belle Alford, Mrs. Clara Alford and Mrs. Robbie Glenn, all of Sulphur Springs, Mrs. Ruth Brown of Abilene and Mrs. Ruby Greer of Dallas; and three brothers, Paul Harrelson of Dallas, Hubert Harrelson of Irving and Maurice Harrelson of Pickton.

## Powell Gets 15-Year Award From SWPS

George Powell was one of 94 employees of the Panhandle Division of the Southwestern Public Service Company honored at a service awards dinner Tuesday night in Amarillo.

Powell received an award for 15 years' service from Roy Tolk, chairman and president of the electric company, who made all presentations.

This was the last of four service award dinners held throughout the company's territory. A total of 312 employees, with a combined service of 4,855 years, were honored.

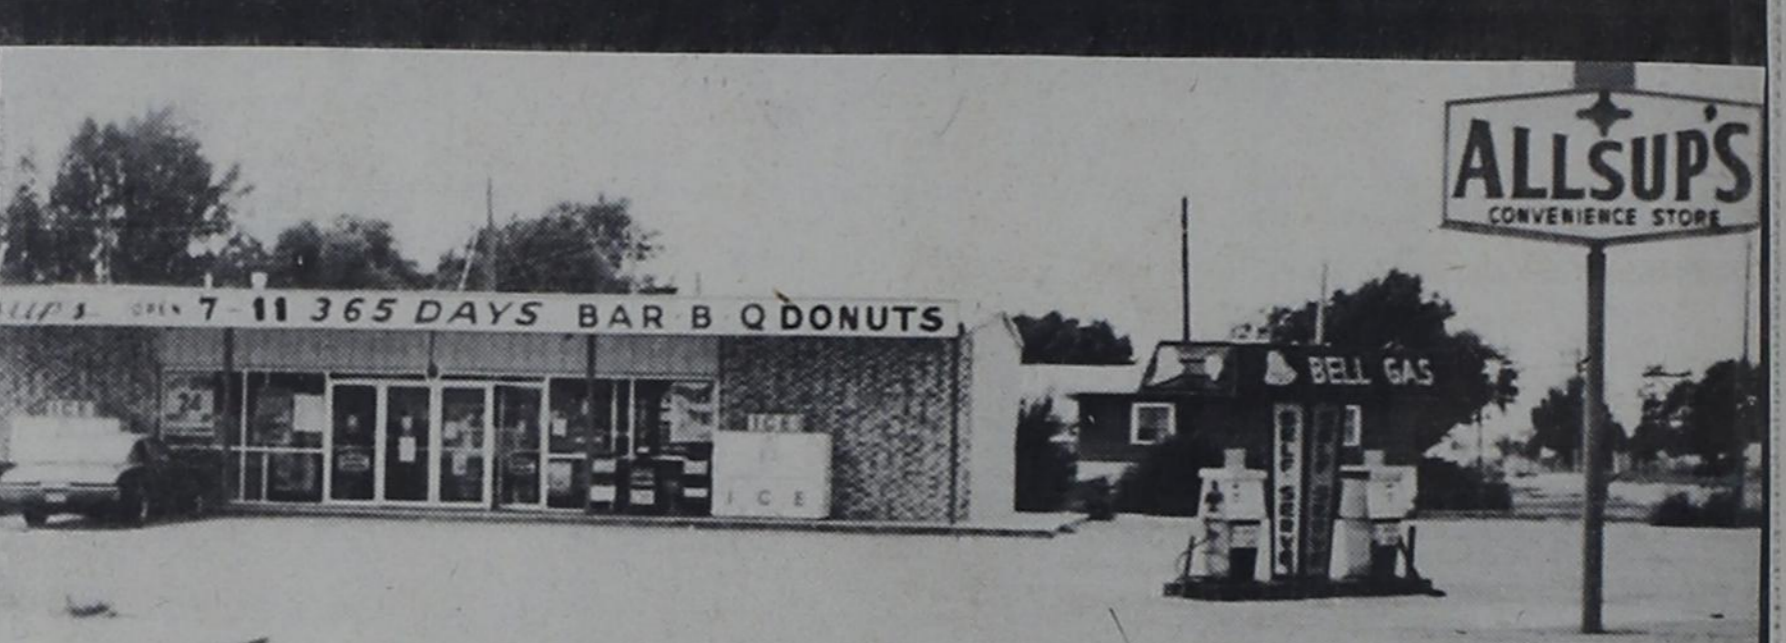

## agri-facts

By John Ricci

One of the ideas drifting out of the Industrial East is that farmers need to give up tractors and irrigation and return to the horse and mule as power sources. Along with this minor change the farmer could also give up modern pesticides and fertilizers. The thought (if there was any) behind this nostalgic notion was that the energy saved would alleviate the fuel crisis and that the jobs created would solve the unemployment situation. . . . couple of problems with this idea. First we would have to wait until 1993 in order to have enough horses and mules to go to work. Then there's the matter of 180 million extra acres to feed the 61 million animals required. Then there's 27 million people needed to take care of the 180 million acres and 61 million animals. Top it all off with an overall 150 percent increase in food prices and such a proposal takes on its appropriate designation . . . ridiculous!

**CONTEST RULES**

- There are 14 football games listed in ads on this page.
- Pick the team you think will win in each game and place the WINNER'S NAME beside the corresponding number in the contest entry blank at bottom of this page.
- Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
- Winners will be named by the Monday following the contest deadline each Friday and they will be named by Sunday, if possible. Cash prizes of \$7.50 for first, \$5.00 for second, and third prize of \$3.00 will be awarded.
- Tabulations of individual entrants will be kept all season and at the end of the season two grand prize winners will be named. Grand prize winner will receive two free tickets to the Cotton Bowl Game in Dallas on January 1, and \$30 in expense money. Second grand prize winner will receive two tickets to the Sun Bowl Game and \$20 in cash.
- There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p.m. or postmarked by 5 p.m. Friday.
- Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
- Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
- Contestants must be 10 years old or older.
- Everyone, except employees of this newspaper and their families, is eligible to enter.

## New Football Schedule Omits Plains, O'Donnell

The football schedule for 1976 and '77 seasons was released last week by Joe Christian, athletic director and head football coach at Bovina High School.

Alignment of District 3-A will remain the same as the past several

years. Bovina will drop Plains and O'Donnell, both members of District 5-A, and instead, will play Lubbock Christian High, an independent school, and Amherst, a member of District 2-B's North Zone.

Lubbock Christian High School will be a new regular season opponent for the Mustangs, although Bovina has scrimmaged the Lubbock team in the past.

However, the Amherst Bulldogs are old opponents of the Mustangs, the two teams being members of the same Class B district in the late 50s and early 60s.

The two teams have met 13 times since The Blade began publication in 1955 with Bovina winning seven and Amherst six games. The past record of the two teams is as follows: 1955, Amherst 13-7; '56, Amherst 32-6; '57, Bovina 7-2; '58, Amherst 24-8; '59, Amherst 40-0; '60, Bovina 18-14; '61, Bovina 22-16; '62, Bovina 30-6; '63, Bovina 26-0; '64, Amherst 25-20; '65, Amherst 12-8; '68, Bovina 26-18; and '69, Bovina 25-12.

The home and away games will be more evenly spaced with the new schedule. For instance, this year the opening game was played in Bovina on Sept. 5 and it was Oct. 10 before the Ponies played at Mustang Field again, including the open date on Sept. 26.

The '76 schedule will be:  
Sept. 3-Boys Ranch--there.  
Sept. 10-Happy--here.  
Sept. 17-Lazbuddie--here.  
Sept. 24-Lubbock Christian--there.

Oct. 1--Open.  
Oct. 8--Amherst--here.  
Oct. 15--Farwell--there.  
Oct. 22--Springlake-Earth--here.  
Oct. 29--Kress--there.  
Nov. 5--Vega--here.  
Nov. 12--Hart--there.

The home and away games will be reversed for 1977, said Christian. The two pre-season scrimmages will be arranged at a later date.

**FIELD HOCKEY TEAM....**Taking time out from practice for a team photograph are members of the women's field hockey squad at Southwestern Oklahoma State University in Weatherford. Miss Dianne Busch, standing at left, is the coach and Jean Pennycoff, standing at right, a senior from Mountain View, Okla., is the trainer. Team members (from left) are: front row--Paula Gelmers of Newkirk, Linda Denton of Apache, Kathi Beamer of Hennessey, Karen Myers of Oklahoma City, Vicki Hatton of Mangum, Pam Cole of Enid and Gay Baird of Woodward; middle row--Beverly

Coody of Elgin, Jammaye Chapman of Watonga, Rennaye Chapman of Watonga, Jan Perrin of South Haven, Kan., Loretta Rose of Beaver, Marla Price of Balko and Shirley Files of Elk City; back row--Crystal Craig of Leedeey, Sonja Wilburn of Bovina, Esther Smith of Binger, Linda Riley of Altus, Teresa Grace of Watonga, Mary Hixson of Orlando, Debbie Coody of Elgin and Dian Lemons of Elk City. Miss Wilburn, a sophomore at the Oklahoma university, is the daughter of Mr. and Mrs. Duane McDaniel of Bovina.

### Bob Lusks Have Girl

Mr. and Mrs. Bob Lusk of Oakland, Calif., announce the birth of a baby girl Thursday, Oct. 30, at an Oakland hospital.

Named Nicole Kathleen, the new arrival weighed seven pounds, nine and one-half ounces.

The Lusks have one other child, Jeremy.

Paternal grandparents are Mr. and Mrs. R.R. Lusk of Bovina. Mrs. Lusk has been in Oakland for the past several weeks and will return home Friday to meet a new grandson, born Tuesday to Mr. and Mrs. Terry Lusk.

### Terry Lusks Have Son

Mr. and Mrs. Terry Lusk of Bovina announce the birth of their first child, a son, at 9:34 a.m. Tuesday, Nov. 4, at the Deaf Smith Hospital in Hereford.

Named Jason Allen, the new arrival weighed five pounds, 10 and one-half ounces.

Lusk is employed by Griffin and Brand Produce at the Gateway Produce here. Mrs. Lusk is the former Miss Twyla Hutto.

Grandparents are Mr. and Mrs. Ed Hutto of Clovis and Mr. and Mrs. R.R. Lusk of Bovina.

Great-grandparents are Mrs. W.A. Hutto of Bovina, Mrs. Marion Fite of Dimmitt and Claude Lusk of Swink, Colo.

## In a shell

by Lou Nuttall

Joe Christian, Bovina's new head football coach, visited with us last week about the new football schedule for the next two years.

Don't think anyone regrets losing Plains and O'Donnell from the new schedule. Both are extremely long, tiring trips, not to mention other factors involved. Amherst and Lubbock will be, at least, a little closer to home.

Since this is Joe's first year at Bovina he is just getting acquainted with the fierce rivalry between Bovina and a few of the other teams--Farwell for instance. Now we will be renewing another old rivalry with Amherst that probably goes back further than the Blade files.

Checked back in the files to get the past history, as far as it went, and included that date in the schedule story. Anyhow, in 1955 some of the Mustangs were Billy Richards, Neil Smith, Sonny Brito, Ferman Kelso, Darrel Read, Larry Ezell, Erith Hawkins, Kenneth Estes, Lynn Isham, Jerry Loflin, Terry Adams, Dickie Steelman, James Lawlis, Dick Horn, Mike Barraza, Don Bandy, Philip Caldwell, Jerry Burnett, Julius Bradshaw, Paul Harrison, Ramey Brandon, Dick O'Neal, Charles Haney, Ronnie Isham, Junius Williams, Billy Burnam, Gene Stevens and Joe Bob Pena. Donald Jones was the manager and Bob Willis the coach.

Seven of the players were seniors--Richards, Read, Ezell, Hawkins, Estes, Lynn Isham and Loflin. Golly! That was a long time ago, wasn't it?

According to the newsletter from the Methodist Church here a former exchange student will be visiting in Bovina soon. Adalheidur (Heidi) Jonasdottir and her husband, Benedikt, are planning a visit. Heidi, who is the mother of three girls, made her Bovina home with the Robert E. Wilsons 11 years ago.

Other exchange students, and we don't have their last names handy, were Elke, Alexander and Trudy.

Trudy, who lived with the A.M. Wilsons, lives in Tonsburg, Norway. She is married to a dentist and has a son, Elke, a German, lived with the Vernon Estes. She is married to a doctor, Alex, who was also from Germany, lived with the Jimmy Charles and Bedford Caldwell families.

The depression, the high rate of inflation and all that stuff hasn't only affected the farmers and some businesses in this part of the country, it seems.

Weldon Moody, supervisor of the

maintenance crew at the Texas Highway Department facility here, filled us in this week on how the economy is affecting Farmer County. The state has cut back over 5000 employees with the highway department in District V being forced to cut down its force from 571 to 516 employees. Farmer County lost two employees from that 55 in District V. That 5000 employees is not just in the highway department--that includes all types of state agencies.

Weldon explained that the five cent per gallon gas tax (which is split three-fourths to the state and one-fourth to school funds) has not been increased since the tax was levied in the late 1930s. The amount has proven to be sufficient until now because of the huge increase in the volume of gasoline used over the years. However, the past two years gasoline sales have dropped, causing a financial squeeze when combined with the high rate of inflation. The Farmer County Highway Department took a \$24,000 budget cut for the 1975-'76 fiscal year.

Probably doesn't seem like too big a deal in this county, until you consider that two productive, employed members of the community are forced to look elsewhere for jobs. And, if they don't find jobs here, they may move to another county or move to a big town and become another statistic on the welfare rolls. We aren't saying that is what will happen in this case, but it will happen to a certain percentage of those 5000 people "laid off" by the state.

## 32 Attend October Meeting

Some 32 Bovina senior citizens attended the monthly luncheon and program Wednesday, Oct. 22, in Fellowship Hall of First United Methodist Church.

The group voted to change the November meeting to Wednesday, Nov. 19, because of the Thanksgiving holiday. Following the luncheon, those attending played dominoes and "42." A spokesman for the group expressed appreciation on behalf of the senior citizens to Mr. and Mrs. H.H. Kelso for furnishing ice for the luncheon.

## INSUR-MATION

Jay Claborn  
Parmer County Farm Bureau Insurance.  
Phone 238-1361 or 238-1664

My wife and I have been married for less than a year. How much life insurance do we need?

There is no set answer... depending on your needs, responsibilities and lifestyle. If you are childless, both working with well-paying jobs, your need for protection is less than a family with children, a non-working wife and probably a smaller savings account. Think of life insurance in terms of income. Income... to meet medical expenses in case of disability, to help cover the cost of your children's education, income to help support a family. With all these variables, you should discuss your personal circumstances with your agent. He will help advise you as to your needs and what is practical.

## ON THE FARM In Parmer County

**MACK HEALD** County Agent

TWO SOIL CHEMISTS and two agronomists will be featured speakers for a fertilizer shortcourse at the County Exposition Building in Dimmitt beginning at 7:30 p.m. on November 6.

The one-evening event is of special interest to area producers needing a refresher course on plant nutrients, forage and grain fertilization and soil testing. Dr. Charles D. Welch, head of the Texas Agricultural Extension Service Soil Testing Laboratory at College Station and Jim Valentine, head of the Extension Soil Testing Laboratory at Lubbock, will discuss fertilizing corn and sorghum and the value of soil testing.

Dr. James Supak, Extension agronomist-cotton, will take a practical look at plant nutrient carriers, and Dr. Frank Petr, Extension area agronomist at Amarillo, will discuss fertilizing small grain.

Sponsored by the Texas Agricultural Extension Service and the Panhandle Economic Program for Castro, Deaf Smith and Parmer counties, the fertilizer shortcourse is designed to aid area producers in planning their fertilizer programs.

Topics to be discussed will be short and to the point. Included will be factual information on fertilizer use practices that have been proven effective in our area. Refreshments will be provided. No fee will be charged for the shortcourse.

WELL PARMER COUNTY FARMERS, you've done it again! Statistics released from the USDA and Texas Department of Agriculture on the 1974 cash receipts from the sale of farm commodities show that Parmer County grossed \$158,205,000. This ranked Parmer County third in the state in 1974 with Hidalgo being first with \$201,993,000 and Deaf Smith second with \$160,690,000. Parmer County ranked second in crops behind Hidalgo with \$93,052,000.00 being received.

In livestock sales Parmer County ranked fourth with \$65,153,000.00. Parmer County's number one ranking in corn and number two ranking in fed cattle helped push the overall gross income to number three in the state. In a later issue of this paper I'll have the 1975 projection that was recently figured.

REMEMBER THE HIGH sugar prices and widespread hoarding just a short year ago. Well, if the current outlook for sugar production in the United States and the rest of the world is accurate, sugar supplies will be plentiful during the coming year. So, consumers may see a slight softening in retail prices.

U.S. production of both sugar cane and sugar beets should be up sharply this year compared to 1974. The U.S. Department of Agriculture has estimated sugar cane output will be up about 14 per cent while production from sugar beets may be up 25 per cent from levels a year ago.

Combined U.S. production of sugar cane and sugar beets should total in the neighborhood of 56 million tons while the world sugar crop may exceed 93 million tons—up four to six million tons from a year ago.

At the same time that production is expanding, per capita consumption of refined sugar in the U.S. is down. Each American may consume less than 90 pounds of refined sugar this year, the lowest amount since the sugar-short years of World War II.

The decline in sugar use is mainly due to consumer resistance to high prices of sugar and sugar-containing products. Also, a new highfructose corn syrup is becoming available in larger quantities and is competing with the sugar market.

The decreasing consumption of sugar is not unique to the U.S. alone. Demand is also expected to be down in Europe, Japan and Canada.

What effect will the larger sugar crop have on prices? Prices for raw sugar in the U.S. may drop as low as \$17 per hundred pounds this fall, after rising above the \$23 level at mid-August.

This means that consumers may see a little relief at the supermarket. But for those hoping for sugar at the bargain basement price of several years ago, it's just not in the cards.

**TEN COMMANDMENTS FOR WIVES**

- Honor thine own womanhood, that thy days may be long and happy in the house which thy husband provideth. for thee.
- Expect not thy husband to give thee (at first) as many luxuries as thy father hath given thee after long years of hard labor and sacrifice.
- Forget not the virtue of good human, for verily all that a man hath will he give for a woman's smile.
- Thou shalt not nag.
- Thou shalt seek well to please thy husband.
- Remember that the husband is worth more to thee than the sidelong glances of many strangers.
- Forget not the grace of cleanliness and good dressing.
- Permit no one to assure thee that thou art having a hard time of it.
- Keep thy home with all diligence, for out of it shall come the joys of thine old age.
- Commit thy ways unto the Lord thy God, and thy children shall rise up and call thee blessed.

**CORNER CATCHER**

**The only center pivot in the world that hits the corners.**

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation.

For flood irrigators, it's also the answer to automatic water and labor saving center pivot, without wasting valuable acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY**

## Mustangs Take On Longhorns Friday

Bovina's Mustangs travel to Vega Friday night in the next-to-last district game of the 1975 season and the Ponies have to win to remain in contention for the District 3-A title. Kickoff is at 7:30 p.m.

Going into Friday night's games, the district race has boiled down to three teams—Bovina, Vega and Hart—with Hart in the lead with three wins and no losses and Bovina and Vega tied at two wins and one loss on the district slate.

"We have to win our next two games to represent our district and we think we can do it," said Head Coach Joe Christian this week, "but, we need all the support we can get from the Bovina fans Friday night at Vega."

The powerful Longhorns have a winning tradition, especially on their home field, losing only six games in nine years in their own stadium.

"Vega has a good team, no doubt about it," commented Christian, "however, we are in real good position at this stage in the race and our boys really want this win."

Vega edged Farwell Friday night, 14-12, in a game that ended on a controversial call at the neighboring Parmer County school. Farwell scored what appeared to be the winning touchdown on the final play of the game. One official ruled the play began before the buzzer sounded, however, he was overruled and the play was nullified.

According to reports, Vega's quarterback and top rusher, Larry Richardson, was injured on the second play of the game Friday night. However, Christian said he expects Richardson to be back in the lineup Friday night against the Mustangs.

The Longhorns come into this week's tilt with a 4-3-1 season record with wins over Claude, Panhandle,

Springlake-Earth and Farwell. The 'Horns have lost to Groom, Sunray and Hart and were tied, 7-7, by Boys Ranch.

Vega operates from a Power I formation, running off-tackle plays quite frequently, according to Christian, who wryly commented that with a couple of 250-pound tackles they could be expected to do that quite often.

Only two offensive starters return from last year's tri-championship team—Richardson and Tackle Gerald Berry (6-2, 250-lb. senior).

Richardson was All-District last year and Berry was All-State. The big tackle has been listed in the top 22 players in the entire state on college's recruiting scale and is definitely considered a "blue-chipper," according to a pre-season football publication.

Six starters on defense return this year including Richardson at halfback, Berry at end, David Doshier at linebacker, Kevin Montgomery at corner, Jerry Artho at tackle and Mike Yell at end.

Concerning Friday night's win over Kress, Christian commented: "We didn't have a good game at all; our kids were a little flat and we were fortunate to win the game."

The head coach singled out the defensive work of Joe Olvera who recovered a fumble and made a number of key tackles in the game against Kress.

Concerning injuries, Christian noted that the Mustangs only suffered ordinary bumps and bruises Friday night and the entire 22 member squad will be suited out this week—the first time in several weeks. Dapa Harris, senior guard who was out of the Kress game because of a foot injury which developed into blood poisoning, will be back in action this week.

# Kress Miscues, Maroon Defense Preserve Narrow 14-6 Dist. Win

Kress fumbles spelled the difference at Mustang Field Friday night with Bovina's Mustangs hard-pressed to salvage a 14-6 victory needed to remain in contention for the District 3-A title.

The Maroon offense looked, at least in the first five minutes of the game, as if it would be un-stoppable. However, the offensive punch completely bogged down in the second half. With the momentum of the game obviously on the side of the Kangaroos, Kress almost pulled off an upset win over the Ponies.

Kress, receiving the opening kickoff, began their first offensive drive at their own 33, however, three plays found the 'Roos back at their own 29 where they were forced to punt the ball away.

Ruben Salazar took the punt on the Bovina 35 and brought the ball back to the Mustang 49 on the runback. Halfback Tommy DeLeon picked up eight yards in two carries and then broke loose on a 42 yard gallop before being run out of bounds at the four-yard-line. Fullback Ray Martinez scored from the one and then

kicked the extra point to put Bovina ahead, 7-0, with 8:42 remaining on the clock in the first quarter of play.

The Kangaroos lost the first of six fumbles to the Ponies on their first play following the kickoff.

The Ponies put the ball into play on the Kress 16, only to lose the ball on a fumble four plays later at the six. The Kangaroos returned the favor on the next play, losing the ball with Joe Olvera covering the ball at the line of scrimmage. DeLeon lost 12 on the next play and then a Dennis Willard aerial was plucked out of the air by a 'Roo defender at the five.

Quarterback Jon Weatherred completed a pass to Halfback Dane Sisemore out to the 17 and then Kress coughed up the pigskin once again.

This time the Mustangs capitalized on the turnover with DeLeon going over from the three. Martinez' kick was good and Bovina led, 14-0. The scoreboard clock had stopped running with 5:59 left in the first quarter, however, there was about four minutes left in the period when DeLeon scored.

The Maroons held Kress to only one first down and a total of six yards on offense in the first period of play. The 'Roos didn't get the football to the mid-field stripe until the last play of the first half.

With the Bovina offense bogging down in the second half, Kress errors and an alert Maroon defense kept the Kangaroos off the scoreboard until three minutes and 13 seconds deep into the final quarter of play.

Duane Mitchell had recovered a Kress fumble at the opponents' 47 with three minutes left to play in the third quarter. However, the 'Hosses could only drive to the 35 before losing the ball on downs at the Kress 39.

Seven plays later Halfback Martin Alcozer scored from the Bovina 18 to put the 'Roos on the scoreboard. Billy Boggs' extra point kick was blocked, leaving the score at 14-6, Bovina.

With the momentum obviously on the side of the Kangaroos, the remainder of the game turned into a struggle for the Maroon defensive unit.

Kress attempted an onside kick following their touchdown. Starting at their own 42, a five-yard offside penalty moved the Ponies back to the 37. Bovina failed to pick up the crucial first down and were forced to punt from their 44.

The Kangaroos, behind the running of Halfback Kelly Durham and Alcozer, drove to the Bovina 23 from their own 25 in just seven plays. However, on a fourth and five situation from that point, the Mustang defense finally stiffened and the first down attempt was short by inches.

The Ponies lacked two yards picking up a first down in three plays

and were once again forced to punt the ball away with only 41 seconds left in the game.

Taking over on their own 40 following the punt, the 'Roos moved the ball to the Bovina five with Durham picking up eight yards, Weatherred passing to End Zane Weiss for nine and then to Sisemore for 15 to the Bovina 12. Alcozer picked up six yards and a Weatherred pass to Durham netted one yard to the five.

With only six seconds remaining on the clock, Weatherred fumbled the handoff and the entire Mustang line smothered the ball to preserve the narrow Bovina victory.

DeLeon was the workhorse for the Ponies, picking up 88 yards in 17 carries. Martinez toted the ball five times for 30 yards, Fullback Gerald Shelby seven times for 25 and Halfback Clint Cox eight times for a net three yards. End Ken Sorley was on the receiving end of one pass for 31 yards and End John Caldwell caught one pass for three yards.

## Heards Show Champion At Paint Show

Mr. and Mrs. Jim Heard showed their three-year-old gelding, "Hy Copper," to a grand championship in the gelding division this past weekend at the New Mexico American Paint Horse Association's four-judge show in Albuquerque.

The gelding's sire is "Copper Joe," and his dam is "Hy Joe." The Heards have been showing the horse for the past several months.

In addition to being named grand champion in the gelding division, "Hy Copper" took a first place ribbon and three second-place ribbons in halter and third and fourth place ribbons in western pleasure.

**THURSDAY**—Barbecued hamburgers, cheese, potato chips, pickles, apple cobbler, milk.

**FRIDAY**—Fish, tartar sauce, scalloped potatoes, broccoli, toast, chocolate pudding with topping, milk.

## Pickup Strikes Bovina Woman, Man Stabbed

Mrs. S.A. Brito of Bovina was injured about 2:30 p.m. Monday of last week when she was struck by a pickup driven by Odis White at a point near Second Street and Avenue A. Mrs. Brito, who was pushing a loaded grocery cart, suffered a broken shoulder, numerous bruises and contusions. Parsons-Ellis ambulance of Friona carried Mrs. Brito to the Parmer County Community Hospital in Friona where she was admitted for treatment.

City Marshal Mike Reilly reported that Halloween was "...one of the most quiet and peaceful" holidays the city has experienced with virtually no malicious mischief or vandalism reported. "The Halloween carnival was a big factor in holding down any trouble and I think everyone should express their appreciation to the Jaycee-Ettes for sponsoring the carnival that night," Reilly said.

Reilly reported a stabbing incident Sunday morning. Mario Espinoza of Bovina was slashed across the face and hands about 2:30 a.m. Sunday on North Main Street. The man accused of the incident is being sought by city and county law officials.
