************** This week marks the start of another --- the 10th --- Bovina Businesses Cotton Bow! Foot-

ball Contest.

The popular feature, sponsored by 10 area businesses, attracts more than its share of interest. Some weeks, 200 or more entry blanks are turned in, if memory serves us cor-

The challenge is what attracts the interest, we'd guess. The prizes are nice, but they're not really the main thing that makes people want to take part. The idea that you might beat your fellow contestants . . . and win a prize, too, all adds up to make the contest appealing to a lot of sports fans.

It's a good idea, as we've said here before, to get in on the contest right at the beginning. There's never been an overall winner who missed a week of the competition, Almost a necessity it is to enter each and every week if you're going to have a shot at the grand prize. Each and every week means this week, too, of course, so get your entry blank filled out and turned in.

There'll be adequate publicity for winners, too, during the 13week duration of the contest.

We broke even last week in regard to comments in this space about men's fashions. We got one anonymous letter against what we thought and one nice public official said he didn't agree with us often, but he did go along with our dislike for the stylish, too-tight men's trousers.

A batting average of .500 isn't bad.

An area television station. we learned in a local coffee shop, not from watching TV, calls Friday night's Farwell vs. Friona football game a battle for the Parmer County championship.

That might be right, but at the same time, it might not be. Sponsored By Businesses --Bovina and Lazbuddie would probably like to have some say in this county championship matter. Let's don't turn over the title until after the fight,

The Bovina team will play both Lazbuddie and Farwell before the current campaign is over this year, If Farwell beats Friona and Bovina defeats Lazbuddie and Farwell, maybe the Mustangs would have the right to claim the county championship. By the same token, if the same things happened except that Lazbuddie knocked off Bovina, then the Longhorns could claim to be the best team in Parmer County.

The main thing is not to pay too much attention to these television stations. Sometimes they get as confused as newspapers.

The pet food processing plant being put in five miles northwest of town will be another boost for the area economy. Van Horn, a co-owner of the business, says plays are now to hire about 15 people on a regular basis.

A payroll of that size is to be looked on favorably by community boosters, we'd say.

This new business is another benefit from the expanding cattle feeding industry.

At the risk of appearing even more foolish, we're going to offer our selections in the football contest. We'll try this as long as we can keep our percentage on the top side of that .500 mark which we mentioned

Our choice of winners will be listed in capital letters and when it's fitting we'll try to offer a brief reason why we're picking the team which we do.

Use this "information" if you like, but at your own risk. Here goes nothing:

Farwell at FRIONA --- This is a grudge game, no doubt, but it is being played at Friona and as a part of the annual Maize Days celebration, That plus the fact that Friona is a

classification higher than the Steers should give the Chieftains the advantage. VEGA at Groom --- That's too far north for us to really

have an opinion, but here again Vega is Class A while the Tigers are Class B. But they have the reputation of being a good Class B team most years. SUDAN at Sundown --- Su-

dan is picked to win our District 3-A. The Hornets got upset by the tough Class B Rouchnecks last year, but same is not apt to happen again.

Kress at IDALOU --- Kress is still rebuilding?

Chandler Rites Held Monday

Funeral services were conducted in Farwell First Baptist Church Monday afternoon for Herman C. Chandler, 56. Rev. J. L. Bass officiated at final rites and burial was in Lawn Haven Cemetery directed by Steed-Todd Funeral

Mr. Chandler was on a fishing trip to Ute Lake with men from the Parmer County ASCS office and a friend from Muleshoe when he suffered a fatal heart attack Friday evening. He passed away in a Tucumcari hospital Friday night.

Mr. Chandler, a native of Curry County, N.M., was born at Hollene, March 22, 1913. He was the son of the late Caleb Chandler and Mrs. Lula Chandler of Clovis. He grew to manhood in the Hollene and Bellview communities and was married to Sallie Patterson of the same area on August 9, 1931. For a number of years they continued to make their home team. SECURITY IS FOR THE BIRDS

Bird-watchers might think a robin has flipped his feathers when they see him pecking away at a shiny hubcap. Not so. It could be a male defending nesting territory and confused when seeing his own reflection in the shiny metal surface. He thinks it's another bird. An enemy.

THE BEAR FACTS

The largest of the flesh-eating land animals are in the bear family. The great Alaska brown bear is the biggest. It weighs as much as 1,600 pounds and measures up to nine feet in length.

MRS. STACY GENE PENDERGRASS

Double Ring Ceremony United Miss Vaughn, Pendergrass

vows at 7:30 p.m. Aug. 30 in the

First Baptist Church of Bovina. Rev. Ken Moore, pastor, read the ceremony before an altar adorned with candelabra and arrangements of pale yellow and hot orange bouquets.

Candle spirals and pews marked with floral arrangements completed the decor.

Parents of the couple are Mr. and Mrs. Richard Vaughn of Route 2, Friona and Mr. and Mrs. Pendergrass of Dalhart, formerly of Olton.

Miss Cherry Lewis of Wellington, organist, played traditional wedding music and accompanied Mark Langley of Hale Center who sang "Love Can Make You Happy" and "If Ever I Would Leave You."

Given in marriage by her father, the bride wore a white Juliet gown of silk organza over linen, forming a chapel length train. The fitted empire bodice of lace and bouffant bishop sleeves were re-embroidered with individual daisies. The neckline, feathered cuffs and empire waistline was dotted with daisies centered with tiny pearls.

THE BEST LIFE

A noted professor of philosophy pointed to the humble life of St. Francis of Assisi as an example of the best and perfect life. One of his students responded by asking, "What do you mean by the best and perfect?"

This is a good question. Christians in all ages have pointed to the life of Jesus as representing the best possible life for man. Jesus did not live apart from people. Instead He lived among all kinds of people. He was even at home with the outcasts. His was a life that touched all manner and conditions of men. The life of Jesus shows us that the best life is one of shar-

ing and serving. He wants us to become involved in the life of our community -- its political, its cultural and religious sincere invitation and a hearty, friendly welcome to each and every person to <u>come</u> and <u>share.</u> To respond is to enlarge one's life. Report From Sheriff's Office

Dennis Hilts received a three year probated sentence on a forgery charge when he was tried last week in district court in Farwell.

A hearing on revocation of probation was conducted for Manuel Garcia, who had been returned here from Santa Fe. The probation was continued: however, Garcia was ordered to pay all additional costs of returning him to Parmer County for the hearing and also the court costs incurred by the hearing.

The probation of Rudy Cardenas was revoked in a similar hearing. He was sentenced to serve the remainder of his sentence in the state penitentiary. He had been on probation on a burglary charge since Febru-

Ponies Meet Amherst In Season Opener

Football season 1969 will be launched by the Bovina Mustangs Friday night against the Amherst Bulldogs. The game will be played at Amherst, in Lamb County, and will begin at 8 p.m.

For the Mustangs, enthusiasm is running high about the gridiron sport. They have a new head coach in Gib Hough and the largest squad in their history with over 50 boys out for the

This will mark the Ponies' fourth year in Class A competition. They had a 6-4 season mark last season and finished third in District 3-A, losing only to the district champion, Sudan, and the always tough Farwell Steers. Non-district losses were to Lazbuddie and Fren-

The Bovina team will be favored to win the season opener. The Bulldogs are Class B and on paper, at least, that would automatically give the Mustangs the favorite's nod.

The Bulldogs are led by an outstanding quarterback, Royce McAdams, who is an excellent passer and a far better-thanaverage runner. Coach Hough says, "We'll have to stop Mc-Adams to stop Amherst."

The coach was reasonably pleased with his team's effort in a scrimmage session here Thursday afternoon with Claude. "We were just a little better than they were and that wasn't too good," he admitted. "We looked ragged in places, but it was an early season type of ragged and we hope to get better as the season progres-

The Claude scrimmage was the second pre-season workout for the Mustangs against outside opposition. They scrimmaged Ralls the previous week.

Strong points for the Bovina team will be outstanding size in the backfield and experienced running back. The passing attack is unproven. Roy Ramirez, a sophomore, will be the quarterback and will do the throw-

JIGSAW PUZZLE FANS HAVE NEW CHALLENGE

> New puzzle can provide instant elation or gradual despair.

Now they've come out with jigsaw puzzles so hard to put together that even fans who are a cut above their friends may go to pieces seeking a solution. Get the picture? You actually can't with the new puzzles, for there is no picture. Instead, the 15 interlocking pieces go together to form a chain outlining a well known shape.

At the Milton Bradley Company, where they make the puzzles, called "Gradual Despair," they say that people who can't solve the puzzle in the first five minutes may not be able to solve it even in five years!
