A QUICK READ-OF THE NEWS

Sentence is silence

A young Painesville, Ohio, man convicted of disorderly conduct for blasting his car stereo was sentenced to three hours of silence.

Kenyata Reid, 22, served the sentence Tuesday, when a park ranger dropped him off more than a mile inside a forested stretch about 25 miles northeast of Cleveland.

Reid got in hot water by blasting his car stereo in front of a police officer. Municipal Judge Michael Cicconetti offered two days in jail or three hours alone in the woods.

"He's not a bad kid," Cicconetti said. "I realized that he, like a lot of city kids, only know asphalt and concrete."

A ranger picked up Reid after the three-hour sentence was served.

"I thought I was never going to get out of there," Reid said. "But I got the message. I will be careful about keeping the music down from now on."

Ravioli used as threat

A Natrona Heights, Pa., man allegedly attempted to rob a store by intimidating the clerk with a can of ravioli in his pocket.

Thomas Rokosky, 26, allegedly entered a store in Harrison Township on Aug. 31 and showed the clerk that he had something wrapped in his shirt. He demanded money, but walked out emptyhanded, township police Chief Mike Klein said.

"The only thing visible was a can of ravioli," Klein said. "The clerk was too scared and couldn't open the register."

Rokosky wasn't arrested until he tried to rob a pharmacy Sept. 6, police said. He allegedly demanded money from the cashier, but ran away when the cashier called for help.

Rokosky has been charged with two counts of criminal attempt of robbery.

Fireworks on and off field sink Friona

By DELTON WILHITE
Journal correspondent

The Mules stormed past the Friona Chieftains 42-24 in a game stopped in the third quarter because of Mother Nature's dramatic lightning display.

"The kids wanted to finish the game; they wanted to make a statement, and in fact they were willing to go to Friona tomorrow to finish the game," coach David Wood said.

The game may have ended early, but the Mule offensive statistics are impressive. Lincoln Riley had completed 11 of 13 passes for 236 yards, including three TDs, and had six carries for 97 yards.

A.J. Flores had 11 carries for 110 yards, caught three passes for 82 yards and was in the end zone three times. Kyle Atwood had five receptions for 125 yards and ran for a two-point conversion.

Friona had its own moments, returning the opening kickoff to its 34 and marching 66 yards in five plays. Adam Bandy carried 13 yards for the opening score. The kick was good, but the lead was brief.

The Mules answered quickly with a five-play drive of their own. It paid off when Riley broke up the middle for a 45-yard romp with Atwood supplying a block to lead the way.

Atwood added two points to give the Mules a lead they kept the rest of the night.

On the ensuing kickoff, Tad Lutz and Luis Sánchez met at the Friona return man, jarring him loose from the ball and giving the Mules a first and goal on the Chiefs' nine-yard line.

Lutz pounded the ball in from five yards out. D.J. Domínguez's educated toe added his first of four extra points.

The Mules then added seven more points in the opening frame with a 67-yard drive. Jesús Tovar caught an 11-yard Riley toss into the end zone for a 22-7 edge.

The Mule defense stalled Friona on the Mule five-yard line and the Chiefs had to settle for a 22-yard field goal by Chris Wiseman as the second period began.

The Mules added seven more on a Riley toss to the sideline, where Flores was open and broke a tackle at the 35 en route to paydirt. The drive covered 59 yards in four plays to give the Mules a 29-10 pad.

The Chiefs cut that margin by seven when Nathan Haile dove in from the three-yard line to complete a five-play, 63-yard

drive. The Mules answered with a Riley five-yard toss to Daniel Campolla in the end zone 48 seconds before half.

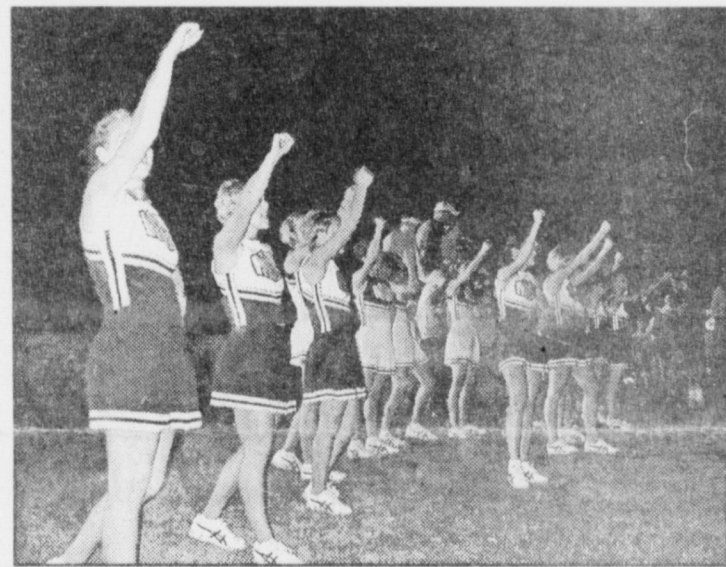

But flour plays later, the Chiefs posted the last tally of the second frame with Brock Field on the final 10 yards of a 70-yard drive. Muleshoe led 36-24 at half.

For the Mules' final tally, Riley pitched to Flores, who broke tackles on the 36- and 20-yard lines on his 55-yard run. Play was stopped with Friona driving on the Mule 14 with 3:50 showing in the third period.

Getting spirited at Thursday's homecoming bonfire are (above) cheerleaders Jodi Hawkins and Trina Hall, players D.J. Domínguez and James Hancock, and cheerleader Megan Barrett, who was crowned homecoming queen Friday. At right, cheerleaders work the crowd. A light shower dampened the activities but was no deterrent.

Muleshoe, Lazbuddie blood drives set

United Blood Services has scheduled blood drives from 12:30 p.m. to 7 p.m. Sept. 28 at 16th and D Church of Christ in Muleshoe and 11 a.m. to 2 p.m. Oct. 1 at Lazbuddie United Methodist Church.

The Lazbuddie event is sponsored by the school. Donors will be required to present a photo ID and information about any medications they are taking. They will be presented with a free T-shirt.

Although citizens' response to the recent emergency has boosted the U.S. blood supply so the country is not facing a shortage, blood donations last only 42 days, according to a press release from United Blood Services.

Citizens are being urged to keep the supply replenished, not only to see the country through the World Trade Center aftermath but in case of military action.

Conservation board to fill Maple seat

JOURNAL STAFF REPORT

The Blackwater Valley Soil and Water Conservation District will elect a director for the Maple area at 8:30 a.m. Oct. 3 at Maple Co-op Gin.

Johnny Furgeson, chairman of the district's board, said Friday that a planned program on boll-weevil eradication will be given by Stanton Mote.

Breakfast burritos and doughnuts will be provided.

Anyone at least 18 years old who lives in and owns land in Bailey County is eligible to vote. To be eligible to run in the election, the person must own land within Zone 5.

Zone 5 includes the southwestern corner of Bailey County, from the Cochran County north to two miles south of FM 298. The western boundary is the state line; the eastern boundary is FM 1731 in the north, down to a point south of Monument Lake, and then east to Muleshoe National Wildlife Refuge.

Eighth-grade tank

Tyler Sheets, the eighth-grade Mules' "big guy," prepares to run over an outsized Idalou player during the Sept. 13 game between the two teams. More eighth-graders coverage on page 5.

AROUND MULESHOE

Mule Bucks promotion set

The Muleshoe Chamber of Commerce and Muleshoe School District soon will issue about \$30,000 in Mule Bucks as part of a performance bonus for the district's faculty and staff.

The bonuses were awarded in recognition of excellent performance on last year's TAAS tests.

The Mule Bucks portion of the bonuses may be redeemed at any participating business that is a chamber member. Details on using the Mule Bucks will be released later.

Businesses that are not chamber members or whose dues are not up to date may want to become active in order to participate. More information is available by calling Jan Thompson at 272-4248.

"The chamber wishes to commend the school board and Superintendent Gene Sheets for this innovative way to reward our school personnel and help our local economy," chamber President Mark Washington stated in a press release.

Flag-retirement ceremony planned

Members of Muleshoe Boy Scouts announced Tuesday that they are planning a flag-retirement ceremony in the near future.

Anyone who has U.S. or Texas flags that are in poor condition and due for retirement may call Mike Richards at 272-3536 or Cliff Black at 272-5109.

The date for the ceremony will be announced.

Friends of Gordon Wilson donate

Wilson

The Friends of Gordon Wilson have joined forces and raised more than \$5,000 in his honor for the new nursing home.

The funds are to be used to furnish either a semi-private room or a sunroom at Park View.

Wilson has been active in the community for several years, serving in the Lions Club and as a member of the Muleshoe School Board as well as in his church.

Freshmen selling cookie dough

Muleshoe freshmen are conducting a Gourmet Frozen Cookie Dough fund-raiser through Sept. 28.

Flavors available are chocolate chunk, oatmeal raisin, peanut butter, white chocolate macadamia, sugar, brownie peanut butter chip, coconut macaroon and M&M.

The dough comes in 3-pound tubs at \$10 per tub. The dough will stay fresh for up to two months in the refrigerator or six months in the freezer, so it can be scooped out as needed.

Dough can be ordered through any freshman or class sponsor, and is scheduled for delivery two weeks after the sale ends. Class sponsors are Debbie Conner, Alice Liles,

Seventh-graders ease past Friona Braves 16-0

By DELTON WILHITE
Journal correspondent

The seventh-grade Mules continue to grow in their knowledge and ability to execute the game of football. Demonstrating those qualities Thursday night, the Mules shut out the Friona Braves 16-0.

The Mule defense set the table for the offense by stopping the Braves' initial drive dead in its tracks, with Matthew Richards and Francisco Ramirez each making key stops.

The offense delivered the first tally with 2:45 remaining in the initial period when Tony Guzmán took a D.J. Robertson pitch wide for the final 10 yards to paydirt.

The offensive line pushed

the Braves back, and Guzmán carried through the middle for the two-point conversion giving the Mules an 8-0 advantage.

Ramírez covered a short kick to start the second half, and the Mules set up shop on their own 44. Guzmán and Dustin Barker shared ball-handling duties as the Mules marched down the field. Robertson mixed in a couple of quarterback sneaks to add to the Braves' confusion.

Guzmán blasted into the end zone from six yards out and then took a pitch wide to add the two-point conversion and seal the game for the Mules. The scoring drive covered 56 yards in nine plays and consumed

John Gulley and April Smith.

Softball tourney entry deadline set

The deadline to sign up for the second annual softball tournament sponsored by El Divino Salvador United Methodist Church is Sept. 27.

The tournament is scheduled for Sept. 29-30, and the entry fee is \$120. First place will receive long-sleeve T-shirts; second and third place will receive regular T-shirts.

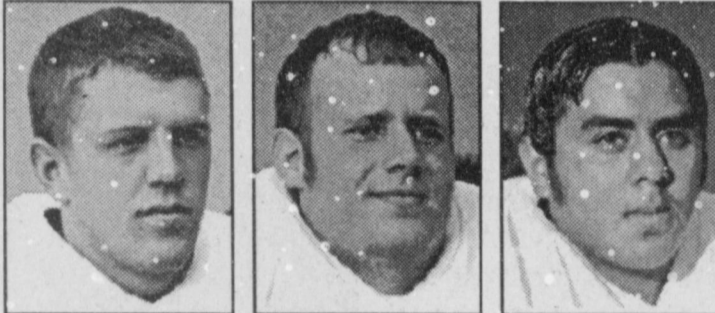

More information is available by calling Jorge Barrón at 272-3577 or Ramón Guillén at 272-5050.

Military prayer list being compiled

The First United Methodist Church of Muleshoe will be putting together a prayer list of active military personnel over the next several weeks.

Anyone who knows someone in the military may call 272-5517 and provide the person's name, address, and what branch of the military he or she is serving in.

Muleshoe football players honored

Shelburne

Skipworth

Sánchez

Muleshoe Mules honored for their performances against Slaton on Sept. 14 were Stephan Shelburne, who received the Slobberknocker Award; Jeffre Skipworth, the offensive player of the week; Luis Sánchez, the defensive player of the week; and Brian King (photo not available), special teams player of the week.

The Mules were in action again Friday night against Friona, and will face Tulia this Friday at 8 p.m. in Tulia.

Public calendar

Sept. 23 — 5 p.m. at El Divino Salvador United Methodist Church, 619 E. Fifth St. Singer Elsa Diaz and Evangelist Roberto Diaz.

Sept. 24 — 5 p.m. Parents of Muleshoe freshmen will meet in Room 10 at the high school to discuss class fund-raisers. Anyone who is unable to attend but wants to help should contact Debbie Conner, Alice Liles, John Gulley or April Smith.

Freshman Mules stop Idalou 26-6

By DELTON WILHITE
Journal correspondent

The freshman Mules exhibited character and confidence Thursday in their 26-6 victory over a very athletic Idalou Wildcat team.

The Mules, now 3-0, refused to panic after Idalou scored on the games opening drive and then Mules fumbled away a their first scoring opportunity of the game.

After spotting the Wildcats six points, the Mules fumbled on Idalou's 15. The 'Cats used a sideline pass and an interference penalty to march the ball to the Mules' 15.

Barry Morris managed to get a hand on the ball and knock down a pass that

would have given the 'Cats a first and goal on the Mule five-yard line.

Jorge Mendoza was able to break through the pass protection and pressured the Wildcat passer into an incomplete pass on a fourth and 10, to give the Mules ownership on their own 15. The Mule offensive line opened a hole for Danny Bonilla and he broke a tackle at the 25 on his way to an 84-yard touchdown romp to tie the game at six points.

Kory Atwood read the option play from his line-backer spot and crashed through the offense for a seven-yard 'Cat loss, forcing Idalou to punt.

Tyler Wood called the signals as the Mules strung

together an 11-play drive, consuming more than five minutes of the second frame and covering 65 yards.

Raul Muñoz followed his blocks for the final five yards for the Mules' second tally.

The Mules used all but six ticks of the third frame in hiking 84 yards for their third score.

Bonilla, Muñoz and Morris advanced the ball on the ground while Wood mixed in a roll-out pass in the flat to Erik Newton giving the Mules first and goal on the eight.

Morris performed the honors with an eight-yard counter play, and Wood froze the defense with a play action pass to Joel

Salcido for the two-point conversion. After three periods, the Mules owned a 20-6 cushion.

Big back-to-back offensive plays then moved the 'Cats to the Mule 32. Michael Sexton and Salcido sacked the Idalou quarterback on the following two plays to give the Mules possession on their own 40.

Bonilla scored the Mules' final points from 10 yards out, sealing the game at 26-6.

Dal Grumbles stopped the 'Cats a yard short of a first down to allow the Mules to take the final 2:26 off the clock.

The Mules face the Tulia Hornets next Thursday in Muleshoe.

Facts About The BIBLE BY JOHN LEHTI

THIS IS A DRAMATIZED VERSION OF FACTS TAKEN FROM THE BOOK OF AMOS, CHRONOLOGICALLY AND AUTHENTICALLY CONSOLIDATED!

AMOS THE SHEPHERD TURNED PROPHET

OBEYING THE LORD'S COMMAND TO GO AND WARN THE SINNERS IN ISRAEL TO REPENT THEIR WAYS, AMOS, AFTER A LONG JOURNEY, FROM THE SOUTH, HAS AT LAST ARRIVED IN BETHEL....

...HE ENTERS THE TEMPLE, WHERE ALREADY MANY OF THE PEOPLE ARE CONGREGATED TO BEGIN THE DAILY RITUAL OF PSALMS AND PRAYERS....

...NOW HE COUNTS THE STEPS OF THE INNER COURT AND ADDRESSES THE CONGREGATION WHICH LOOKS AT THIS HUMBLE HERDNER IN CONSTERNATION!

HEAR YE, TO WHOM IT IS SPOKEN, FOR YE ARE ALL SINNERS!

WOE UNTO THEM THAT TAKE THEIR EASE WHILE THE POOR HAVE LITTLE TO EAT AND LESS TO CLOTHE THEMSELVES!

WOE UNTO ALL ISRAEL, WHO FORSAKETH THE LORD'S WAYS, WHO BOW DOWN TO THE GOLDEN CALF SET UP BY THE KING IN THIS VERY TEMPLE!

WHO IS THIS UNCOUTH HERDMAN? HOW DARE HE SPEAK TO THE PRINCES IN ISRAEL IN SUCH A MANNER?!

THERE IS A FIERCE MUTTERING AMONG THE GATHERED PEOPLE! THE REMARKS OF THIS LOW BORN, UNEDUCATED SHEPHERD ARE NOT TO BE PUT UP WITH! THE PRIDE AND VANITY OF ISRAEL'S NOBLES HAS BEEN RUFFLED, INDEED—TO BE INSULTED IN ONE'S OWN TEMPLE IS NOT A THING TO BE CONDONED.... 269

Eighth-grade Mules dropkick Friona Braves 50-6

By DELTON WILHITE
Journal correspondent

It took a while Thursday night, but the eighth-grade Mules wore down the Friona Braves for three quarters and then lived in the Braves' end zone during the final period for a 50-6 final score.

The Mules owned a 20-6 halftime advantage but neither team could score in the third period.

Wear and tear began to show on the Braves in the final frame as the Mules put on an offensive show.

It began when Brady Black blew threw a hole in the middle of his line for a 55-yard scoring strike only 56 seconds into the final period.

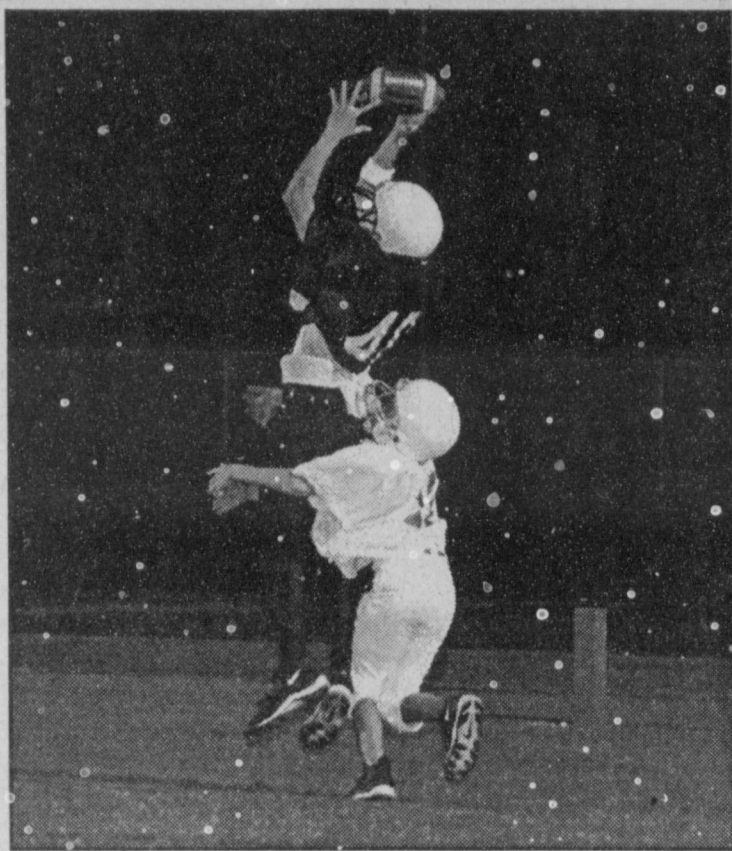

Garrett Behrends stepped in front of a roll-out pass to the flat to give the Mules their second scoring opportunity of the final eight minutes. Utilizing the shotgun option, with Jared Flores at quarterback and Juan Carlos Reyes at running back, Reyes scampered wide right for the Mules' second tally in the first two minutes of the final quarter.

Kevin Kilmer found his big tight end, Tyler Sheets, in the end zone for the two-point conversion.

Friona's offense struggled to mount any offense and fumbled a pitch-out that Flores scooped up from the turf and carried 40 yards for the Mules' third trip to the end zone. Caleb Heinrich followed his blocks straight ahead for the two-point conversion and the Mule lead grew to 42-6.

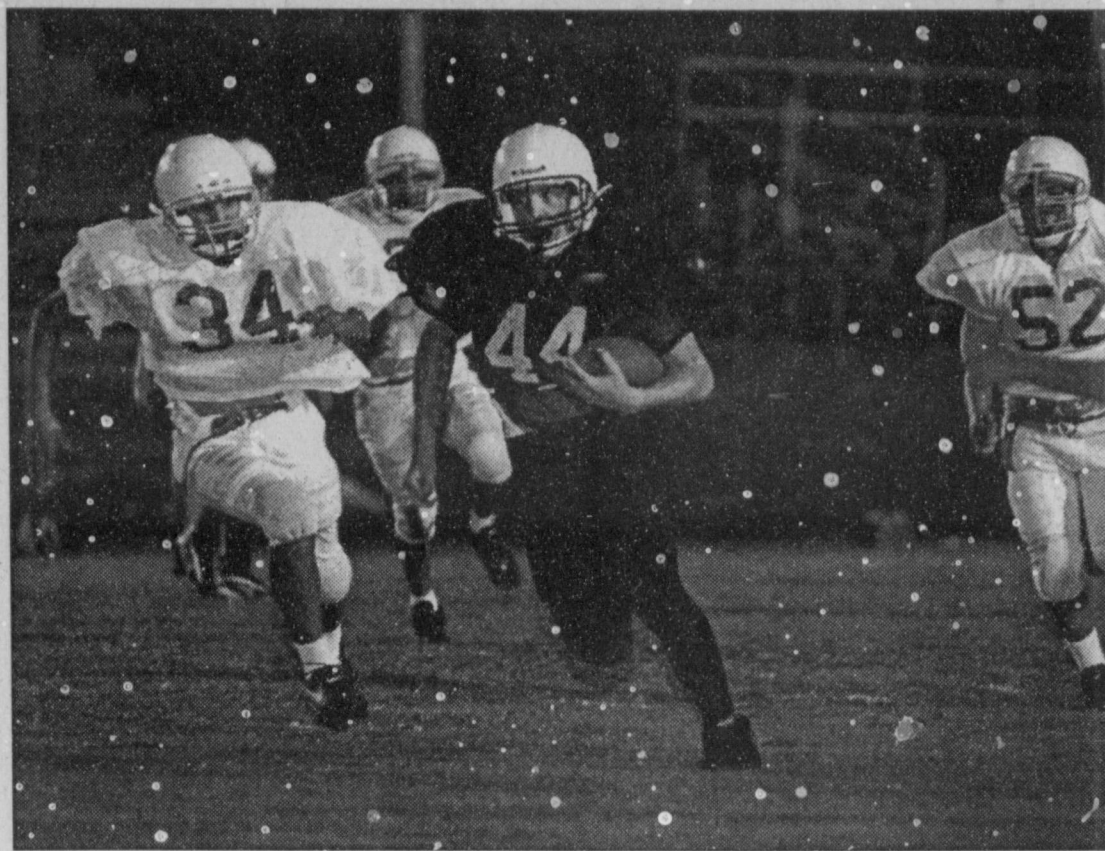

The Mule defense shook loose a final Brave fumble after the Mule kickoff. Black returned to the end zone, covering 37 yards, and Heinrich again claimed the two-point conversion for the Mules.

Muleshoe's longest scoring series had come in the first period after Randall Radford fell on a Brave fumble on the Friona 48. Black took a pitch from

Brady Black turns on the gas Thursday night during a second-quarter touchdown run for the eighth-grade Mules. Black also set off a fourth-quarter Mule scoring frenzy with a 55-yard strike only 56 seconds into the quarter. Muleshoe went on to score 30 points in the fourth quarter after wearing Friona down.

Kilmer 30 yards to complete the Mules' first scoring drive of the night. The Mules had covered 48 yards on four plays in a minute and a half.

The Mule defense forced the Braves to punt on the final play of the first period, and the Mules returned the ball to the Mule 12-yard line. Reyes got the call and scooted around right end as Flores provided the final block to set him free for a 90-yard journey for the Mules' second tally.

Friona's only score came on a screen pass to the left to culminate a seven-play 68-yard drive with 37 seconds left in the first half. Reyes handled the ensuing kickoff and used the wall of blockers to return to the Braves 42. Flores, running from the shotgun, streaked to the three before being pushed out of bounds.

Kilmer found Sheets in the end zone on a play action pass with nine seconds remaining in the first half; Reyes picked up the two-point conversion to lead into halftime.

The Mules travel to Tullia Sept. 27 to test the Hornets and try to extend their win streak to 3-0.

Girls win JV division of cross country meet

JOURNAL STAFF REPORT
Muleshoe High School's junior varsity girls blew away the competition in the JV race last weekend at Tullia.

The first two finishers were both Lady Mules — Mitci Hawkins in first and Gradee Adrian in second — and seven Muleshoe runners finished in the top 20.

Following Hawkins and Adrian were Sara Benham, fourth; Christy Morgan, sixth; Marlie Black, 11th; Jessica Hall, 12th; Jamie Carpenter, 17th; Irene Torres, 34th; Cassandra Gonzales, 35th; and Amanda López, 36th.

Coach Su Scott said competition at the varsity level was stiff, but the Lady Mules again placed third — with three runners finishing in the top

20. Those three were Lindsey Wood, 14th; Lilia Flores, 16th; and Ashley Gutiérrez, 19th.

Other Muleshoe finishers for the varsity girls were Mindy Locker, 23rd; Jodi Hawkins, 24th; Annie Cox, 30th; and Eva Pylant, 35th.

The varsity boys competed for the first time as a team and finished sixth in what Scott described as "strong competition."

Finishers on that squad were Kyle Atwood, first; Valentine Colunga, 30th; Eric Villa, 38th; Chris Peña, 39th; and A.J. Flores, 43rd.

Layne Sheets placed eighth for the junior varsity boys.

The next cross country meet for Muleshoe will be Sept. 29 at Mae Simmons Park in Lubbock.

Texas pumpkin farmers preparing for Halloween

SPECIAL TO THE JOURNAL COLLEGE STATION — Halloween is around the corner, and Texas' pumpkin producers are preparing for their peak season, Texas Cooperative Extension reports.

Extension agent J. D. Ragland of Floyd County, one of the major U.S. production areas for pumpkins, said producers are starting to harvest and will continue through the end of October.

"We have some that are starting to come off right now, but I think our better pumpkins are going to be our later-crop pumpkins," Ragland said.

He also said farmers have been forced to use irrigation due to lack of rainfall, and irrigation sometimes causes pumpkins to mature a little later.

While there are some good pumpkins in the field right now, a lot of them are still green and need more time to develop.

Three varieties of pumpkins are grown in Texas. Mini pumpkins are used primarily for pies, while medium Jack-o-lanterns and large Big Macs, which can reach 200 to 300 pounds, are used mostly for decorative purposes.

"Most of our producers plant a little bit of all three varieties," Ragland said.

Big Macs are generally sold by size and can sell for as much as \$100 each. Small and medium pumpkins are usually sold by the pound.

"What they get in terms of price for them varies from year to year — anywhere from 5 cents to 7 cents per pound," Ragland said. "This

year, so far, they're bringing about 7 cents per pound, which is a good price."

Ragland said most of the producers in the Floyd County area sell their pumpkins to volume buyers, who then sell to grocery stores or roadside stands.

"We have a lot of volume buyers that come out of the Dallas/Fort Worth area and Oklahoma City area," he said. "The volume buyers kind of act as the middleman between the producer and the grocery store or roadside seller, or whoever he sells them to."

When selecting a good pumpkin, Ragland says to look for uniformity and bright color.

"It needs to be really round and really shapely," he said. "It also needs to have a good color to it. A

TODAY'S RECIPE

HONEY OATMEAL BREAD

- 1 1/2 cups water
- 1/2 cup honey
- 1/3 cup butter or margarine
- 5 1/2 to 6 1/2 cups all-purpose flour
- 1 cup quick-cooking oats
- 2 tsp. salt
- 2 pkgs. active dry yeast
- 2 eggs
- 1 Tbsp. water
- 1 egg white
- Oatmeal

Combine water, honey and butter in small saucepan. Heat over low heat until liquids are very warm (120 to 130 degrees F).

Place 5 cups flour, oats, salt and yeast in a bowl. Attach bowl and dough hook, turn to Speed 2 and mix for 15 seconds.

Gradually add warm liquids to the flour mixture and beat for about a minute. Add eggs and mix for another minute.

Continuing on Speed 2, add the remaining flour, half a cup at a time, until the dough clings to the hook and cleans the sides of the bowl. Knead on Speed 2 for two minutes longer.

Place in a greased bowl, turning to grease the top. Cover; let rise in a warm place, free from drafts,

until doubled in bulk — about an hour.

Punch dough down and divide in half. Shape each half into a loaf and place it in a greased loaf pan, 8 1/2 x 4 1/2 x 2 1/2 inches.

Cover; let rise in a warm place, free from drafts, until doubled in bulk again — about another hour.

Combine water and egg white. Brush tops of loaves with this mixture. Sprinkle with oatmeal.

Bake at 375 degrees for about 40 minutes. Remove from the pans immediately and cool on wire racks.

Yield: 2 loaves.

bright orange color is what's usually preferred." Stems are also indicators of good pumpkins — but more for convenience purposes. "A big, thick, heavy, long stem is ideally preferred," Ragland said. "The reason is mostly so you have a handle to pick it up and lift it."

Pumpkins are not only for Halloween decoration though. Ragland said many of the producers grow other items, to go along with their pumpkins, intended for Thanksgiving. "We have a lot of other producers who sell items such as gourds and Indian corn to go along with pumpkins," he said. "People can come and pick up some pumpkins and some gourds and some Indian corn, all of which are used primarily around Thanksgiving for decoration."

Heavy rains cause concern over central Texas

SPECIAL TO THE JOURNAL
COLLEGE STATION
—Recent prolonged heavy rainfall over Central Texas has reduced cotton lint and seed quality while lowering yields and has threatened regrowth potential, according to Dr. Robert Lemon, interim state cotton specialist with Texas Cooperative Extension.

"The prolonged wet conditions and warm temperatures have created perfect conditions for seed to germinate," Lemon said, noting that most fields in the central part of the state have experienced some level of seed sprouting in the burr.

"Such conditions make harvesting, cleaning and marketing the cotton more difficult, and discounts will be applied to both lint and seed. Due to these serious conditions, harvest and ginning costs may exceed the value of the cotton lint and seed," he added.

Lemon said that from a ginning perspective, processing seed cotton that has undergone extensive weather and seed sprouting is a challenge.

Substantial drying will be needed and the ginning process will be much slower than normal.

"The structural integrity of the seed will be reduced after germination," Lemon said. "The weakened seed may not remain intact and often is reduced to meal and hulls.

"Under these conditions," he continued, "bits and pieces of broken seed and seed coats will enter in with the lint and generally will require two stages of lint cleaning to remove the trash.

"Also, cotton seed removed

by the ginning process will be of lesser value due to quality degradation associated with high moisture and seed sprouting."

Lint yields also will be affected, Lemon noted, as weight is lost "in at least two ways when heavy rains fall on cotton fields."

Leaching of oils from the fiber reduces lint weight.

"This can be observed in any year that rain is sufficient to cause cotton to string-out," he said. "Rain and wind can also result in substantial losses of fiber as the lint becomes soggy, strings-out and drops to the ground.

"Oil lost from the lint not only reduces lint weight, but makes the fiber more brittle. This lint could ultimately be shorter in fiber length. Staining due to contact with leaves, burrs and plant residues can yellow or significantly off-color fiber."

Producers are advised to harvest cotton only after several days of good drying potential, especially in fields that have significant seed sprouting, which will allow the sprouts to die and dry down, as well as the cotton seed that remains intact.

"To avoid heating in modules and trailers, the moisture content of the harvested cotton needs to be below 12 percent," Lemon said. "High moisture modules can't be stored for more than 24 hours, so it's critical that sufficient drying occur prior to harvesting."

Most fields are showing large amounts of regrowth. The plant tissue will be difficult to defoliate or desiccate, Lemon said.

"Young leaves aren't conditioned like older leaves," he said. "Consequently, harvest aids

that do a good job on 'normal' cotton leaves may be somewhat ineffective against regrowth. Young leaves don't form abscission zones like old leaves, thus the 2- to 3-week-old leaves will resist defoliation."

Fields that have had harvest aids applied prior to the lengthy rains will now require additional treatments.

"Ginstar and paraquat (CycloneMax and Boa) are probably the best choices for desiccating the regrowth," he said. "The desiccation activity of paraquat has been found to be

TOPS No. 34 will have an open house at 5:45 p.m. Sept. 20 at the Muleshoe Church of Christ. Everyone who would like to attend will be welcome.

Laverne James, leader, opened the Sept. 13 meeting, held at the same site.

She led the prayer and pledge. Both TOPS songs were led by Elaine Coburn, who also read the previous week's minutes in the absence of Secretary Tommie Fulcher. The minutes were approved as read.

The Jar Contest, which started last week, was brought in by Fulcher. Coburn was in charge of the contest in the absence of Fulcher.

weighed in, with Lucille Harp the best loser and Molly Davis first runner-up. Retha Knowles was the second runner-up.

Apologies to Sherry White and Alma Robertson, whose names were unintentionally left out of the Aug. 30 weigh-in results. They tied for the second runner-up position.

A Prayer for Our Nation

A good friend of mine in Houston, Jerry Reeves, penned this prayer just hours following our recent national tragedy:

Lord, have mercy on our nation. In a time where we have called evil "good" and good "evil," forgive us. For the families of the victims of the terrorist attacks, have mercy. I pray that the church will truly be your church and provide comfort and guidance during this time. May we lay down our agendas and serve our fellowman in a manner that demon-

If the world couldn't receive even your Son, what hope was there for us? Yet you took that seeming defeat and turned it into the greatest victory that will ever be.

Help us to learn the wisdom of Psalm 46:

"God is our refuge and strength, / an ever-present help in trouble. / Therefore we will not fear, / though the earth give way / and the mountains fall into the heart of the sea, / though its waters roar and foam / and the mountains quake with their surging.

"There is a river whose streams make glad the city of God, / the holy place where the Most High dwells. / God is within her, she will not fall; / God will help her at break of day. / Nations are in uproar, kingdoms fall; / he lifts his voice, the earth melts. / The Lord Almighty is with us; / the God of Jacob is our fortress.

"Come and see the works of the Lord, / the desolations he has brought on the earth. / He makes wars cease to the ends of the earth; / he breaks the bow and shatters the spear, / he burns the shield with fire. / Be still, and know that I am God; / I will be exalted among the nations, / I will be exalted in the earth. / The Lord Almighty is with us; / the God of Jacob is our fortress."

"Oh God, our God, our refuge and strength in times of struggle, we will not fear, though the earth gives way and the mountains fall into the depths of the sea. For the Lord our God is with us, the God of Jacob is our strength. We will be still and know that you are God in all the earth.

In all of this, we will yet praise you, our precious Lord and Savior, Jesus.

Amen.

strates to the world that you sent your Son (John 17:21).

For those offering emergency assistance, from fire and policemen, to the doctors and nurses, to every level, please protect them, and reward them for offering a cool cup of water in your name.

For our President, Lord Jesus, give him protection and wisdom and discernment. May our political agendas all fall by the wayside as we rally together to ask that you endow him with wisdom from above to guide this nation back to you. May we not rest our security in our armies and navies, but may we make you the foundation of our security.

Turn this evil on the head of Satan. Please, make this which he intended for evil to be turned into good. Only you could do such a thing. We remember a horrible black Friday, long ago, when your Son hung on the cross. Everything seemed lost.

TUNE UP. LIGHT UP. WARM UP.

The clock is ticking and winter is not that far away. If your gas service is inactive, now's the time to make arrangements to have your gas turned back on. That way you'll avoid the rush that always occurs at the first cold snap.

So, act now. Call Energas today at the number listed below to make arrangements to

have your gas turned back on early. That way you don't have to wait to enjoy that warm, comfortable natural gas heat when winter arrives.

You should also consider calling a heating contractor to schedule a furnace inspection.

A furnace inspection should include installing a clean filter, lubricating the blower and bearings if needed;

making sure pilot and burners are clean and in proper adjustment; and checking the heat exchanger, safety controls and thermostat.

An annual inspection is important for your system to operate safely and efficiently. And, of course, an efficient system means you'll conserve energy and save money on your heating bills.

CALL A GAS ADVANTAGE HEATING CONTRACTOR FOR A HEATING INSPECTION:

CREATIVE LIVING

Information on using a sloper in sewing garments, preparing breakfast foods ahead of time, and faux tortoise finishes on furniture will be featured on "Creative Living" at 1 p.m. Sept. 25 and 3 p.m. Sept. 29. (All times are Central.)

"Creative Living" airs on public broadcasting station KENW-TV from Eastern

New Mexico University in Portales.

Karen Howland, a custom fashion designer from Loveland, Ohio, will explain how to use a sloper to take the struggle out of fitting when sewing garments at home.

Tara Gillette of KitchenAid in Benton Harbor, Mich., will demonstrate some recipes for preparing breakfast foods

ahead of time.

Sharon Hanby-Robie of Minwax Home Decor in Lancaster, Pa., will demonstrate how to create the look of faux tortoise on furniture with brush strokes and decorative paint.

Information on garments made from Folkwear patterns and floral centerpieces will be featured at 10:30 p.m. Sept.

25 and at 1 p.m. Sept. 27.

Kate Mathews, general manager of Folkwear Patterns in Asheville, N.C., will show sample garments made from Folkwear patterns. Mathews will also discuss how to apply some favorite sewing techniques to create wearable art with a vintage or ethnic flair.

Virginia Eckhoff of Fenton, Mo., a designer with Conve-

nience Products, will show how to use "Arrange It" to create beautiful floral centerpieces.

"Creative Living" is produced and hosted by Sheryl Borden of Portales.

The show is carried on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Westlink of

Albuquerque.

Viewers can request copies of materials offered on the show by sending a first-class stamp for each handout requested.

Send the stamps, along with name, address and booklets requested, to "Creative Living" Requests, c/o KENW-TV, 52 Broadcast Center, Portales 88130.
