WHEN IT COMES TO agriculture, the state of Texas has always ranked at, or close to the top in virtually every category you can imagine.

For instance, agricultural products raised and marketed in the Lone Star State came to right at \$13 billion for the latest year for which figures were available.

Only the state of California, with ag commodities worth approximately \$20 billion, topped Texas in the total income category.

In the number of farms and ranches, Texas leads the nation with 202,000. Others in the top five are Missouri, Iowa, Kentucky and Minnesota. Texas had almost twice as many operations as runner-up Missouri.

Texas also led in acres of farm and ranch land, with 129 billion acres. Montana was a distant second with 59 billion, followed by Kansas, Nebraska and New Mexico.

Our state also led in the total value of farm real estate, at \$64.2 billion. California (2) made a race out of it, with \$51.1 billion. Illinois (3) tallied \$46 billion; Iowa (4) had land worth \$43.8 billion and Nebraska (5) came in at \$29 billion.

As might be expected, Texas also led the nation in the number of cattle on feed, with 2.4 billion. Kansas had 2.0 billion, Nebraska 1.9 billion; Colorado 990,000 and Iowa 910,000.

When it comes to cash receipts for livestock products, Texas likewise led, with \$8.3 billion. Nebraska (2) had sales of \$5.4 billion; California (3) had sales of \$5.3 billion; Iowa (4) sold \$5.1 billion and Kansas cattlemen earned \$4.8 billion.

In the category of all cattle and calves, Texas was far and away in the lead, with 15.3 billion. Kansas (2) had 6.3 billion head; Nebraska (3) tallied 6 billion; Oklahoma (4) had 5.7 billion; and California (5) had 4.7 billion.

You might be surprised to learn that Texas, always known for its cattle, also leads the country in the number of sheep and lambs, with 1.7 billion head. California was second with 1.06 billion. Wyoming, Colorado and South Dakota were a distant third, fourth and fifth.

In the growing of cotton, Texas leads the nation, producing 5 million bales in the sample year. The crop was worth 1.3 billion dollars.

The Lone Star State also leads in the production of hay, worth \$123 million; and in production of wool and mohair, worth \$45 million.

Texas is second only to Georgia in the production of peanuts, with a crop worth \$172 million annually. Our state is also second in pecan production, which brings another \$48.8 million into the state's income, and in grain sorghum, which adds \$323 million.

The state's citrus crop ranks third most years, with production worth an estimated \$21 million.

Otherwise, hogs bring in \$77.4 million; broilers (chickens) adds \$659 million (ranking the state sixth), rice earns \$173 million, and oats come in with \$4.2 million for the farmers.

The timber industry, which is also grouped under agriculture, adds considerably to the state's income, with sales of around \$744 million yearly.

So-like the old bumper stickers said: "Don't Cuss the Farmers With Your Mouth Full!"

Alzheimer's Research Project Scheduled At Prairie Acres

Area families with members affected by Alzheimer's disease are invited to participate in a research project to be conducted at the Friona Prairie Acres Care Facility. Dr. Shirley E. Podusio, director of the DNA Alzheimer's Research Bank of Texas Tech University Health Sciences Center, will visit Prairie Acres on Tuesday, June 15, to work with patients and members of their families and any interested persons in the area who would like to participate.

A video describing this research project will be shown at 7 p.m., Monday May 24, 1999 in the community room of the Friona State Bank.

In addition to possible Alzheimer's and other dementia patients, blood samples will be collected from families with Parkinson's

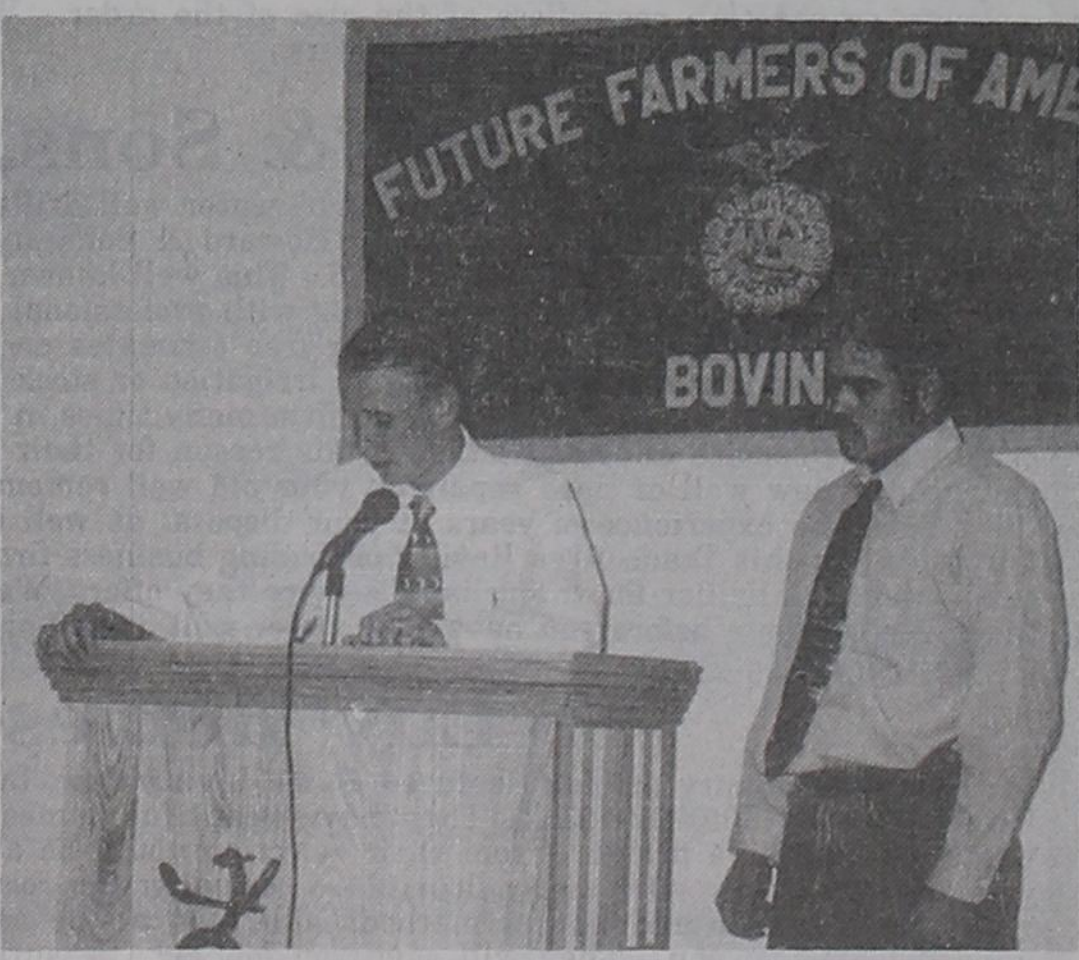

disease, Amyotrophic Lateral Sclerosis, Multiple Sclerosis, Huntington's disease, and Down's Syndrome.

Special allied studies are being conducted with these groups. All members of the extended family should consider participating. The more data available on a family, the more definitive the research can be.

Beside patients, their siblings, children and grandchildren, it is important for spouses of all of these to take part. They serve as controls for analyzing geographical and dietary influences. Each family participating in this project need to complete a family history. These forms may be obtained in advance by contacting Karene Krauel at (806) 250-3592 or (806) 250-3922.

By **RON CARR**

"Hey Mark Tuinei, What Were You Thinking?"

If you are an "American People" you might want to lay low for a while.

If travel is in your plans, better stay in some of the friendly Caribbean islands, visit the wonderful world of Disney, or go to Hawaii and pretend you are in a foreign country.

Seems that being an American is not so popular right now. If you are an American gun owner, you really better hide.

The Chinese are mad at us. Even though Billy Jeff added them to our long list of people we have apologized to, they are mad at us anyway.

Can't say how I blame them since we bombed their embassy and killed several Chinese journalists.

Get over it, Jing Jing. We bombed a civilian convoy, a train, a bus, an aspirin factory, a residential area and a marketplace too. We have said we are sorry.

Not only is China mad. How about the Serbs, Croats, Bosnians, Albanians, Macedonians, Greeks, Russians, Turks, Iranians, Iraqis, and several miscellaneous Middle East sand castle nations.

Do you suppose the inimitable and rotund Samuel "Sandy" Berger, our National

Company Is Shipping Free To Oklahoma

Kevin Hughes, Bovina agent for Beaver Express, advises that the freight company will ship donated goods free of charge to Moore, Oklahoma for the tornado victims.

The families in Moore do not need clothes now. They do need food, paper goods, baby food, diapers and water.

Beaver Express stops in Bovina and Friona 5-6 times a week, according to Hughes.

Any group, organization, or individual interested in sending items should call Kevin Hughes in Bovina, 238-1689, or Larry Potts at Friona Metal Sales, 250-2343.

Security Advisor, he of the major league girth, actually knows where Osama Bin Laden is these days?

Do you figure Sandyberger has the foggiest notion where the next terrorist attack will happen and which outlaw tribe will try to blow us up.

It is also your fault that the shootings happened in Littleton, Colorado. You and the rest of the American People that think you need an automatic, Tech-9, DC-HOT, 200-shot clip handgun to go deer hunting.

It is your fault, its Hollywood's fault, its gun manufacturer's fault, and you might even throw in those evil Saturday morning cartoons.

It seems the only sane people in the universe are you and me and sometimes I am not too sure about you.

How else do you explain the mania over a so-so movie like the new Star Wars picture that everyone is sleeping outside for just to buy tickets.

There are a few special occasions that I might sleep outside for, but Star Wars tickets are not one of them.

Speaking of Star Wars, how about a new version with Billy Jeff as Luke Skirtchaser, Janet Reno as Sue Tobacco, and Sidney Blumenthal as C3 Peephole.

Last week, your president Billy Jeff Clinton actually said that we (American people) did to the Indians what Milosebitch is doing to the Kosovars. He said that we should be ashamed and we should never let what happened to the Indians to happen to anybody ever again.

Your president actually said that about you. You can look it up. So, you should be ashamed and you should stay at home this year because nobody likes you anymore because you are bombing innocent citizens and killing babies in the hospitals in Yugoslavia.

Not to mention that all that hair spray and freon you have been using has caused

global warming and that is why we have had such bad tornadoes and you should be ashamed about that while you are at it.

We are all nuts. That is what they say about us. We can't take care of ourselves without government intervention.

Take Mark Tuinei for instance. Great, well loved, big old teddy bear of a Dallas Cowboy. We have to assume that he had made some money. He was married and was going back to Hawaii to coach at his old high school. He was 39 years old.

They say he tried heroin for the first and last time one night last week. Hey Mark, what the heck were you thinking?

Did you think just because you are a big strong guy that a little old hit of heroin couldn't possibly do any harm? Did you go to a party just to show off? Did you just need to get high because you were depressed?

What were you thinking? Or were you thinking? Not now you are not.

We have hundreds of laws against drugs, but a guy like Mark Tuinei got his hands on the drugs and did some

Cable Co. Manager Arrested

According to Friona police chief Randy Geries, the manager of the Friona Classic Cable office was arrested on Wednesday, May 12, and charged with felony theft.

He said an investigation had revealed that the female employee, responsible for accepting payments, had embezzled up to \$5,000 from the cable company. At press time, the company was still investigating to figure out an actual total.

She was arrested by police and charged with felony theft. The case will likely be referred to the Parmer County grand jury.

damage anyway. The American People should be ashamed.

We have hundreds of laws about guns already. The two nuts in Colorado got their hands on some weapons anyway. Now they think more laws will stop the rest of the nuts. You parents and you American People should be ashamed of yourselves for allowing this to happen.

We have some hate crime laws now. You kill somebody out of hate, we are going to put you in the electric chair, which we have moved into the gas chamber, and give you a lethal injection too. In fact, we might, by God, give you a double lethal injection and hiss at you after you are dead.

We are nuts. We should be ashamed of ourselves and reach out and come together and love each other and.....!

Even you most avid and loyal Clinton lovers should be having second thoughts by now. But probably not. See I told you that you are nuts.

Or is it just me?

Facts About The BIBLE BY JOHN LEHTI

This is a dramatized version of facts taken from the Book of Genesis intending to show some of the customs of these ancient and traditional times.

ABRAHAM'S BATTLE WITH THE FIVE KINGS
ABRAHAM HAS OBEYED THE COMMANDS OF GOD AND BEGINS HIS JOURNEY TO THE DISTANT LAND OF CANAAN TAKING WITH HIM HIS NEPHEW, LOT....

BOTH ABRAHAM AND LOT HAVE LARGE HERDS AND MUST TRAVEL CONSTANTLY TO MAKE SURE THERE IS ENOUGH GRAZING FOR THE ANIMALS.

WHEN WE FOLLOW THE LORD'S WISHES WE CAN BE SURE WE ARE DOING RIGHT!

...WHERE EVER THEY TRAVEL THEY FIND RICH GRAZING LANDS UPON WHICH THEIR ANIMALS PROSPER....

THEIR HERD'S GROW LARGER AND LARGER DUE TO THE FINE PASTURE LANDS...

GOD HAS BEEN GOOD TO US - FOR WE HAVE OBEYED HIS COMMANDS!

ONCE AGAIN THE FLOCK OF YOUR MASTER HAS MINGLED WITH MY MASTER'S FLOCK!

OUR FLOCK?! IT IS YOUR FLOCK THAT HAS COME IN AND MINGLED WITH OURS!

BUT SUCH INCREASED BOUNTY ALSO BRINGS PROBLEMS - WITH THE EVER-GROWING SIZE OF THE HERDS, IT BECOMES MORE AND MORE DIFFICULT FOR THE HERDSMEN TO KEEP THEM SEPARATE, AS THE SHEEP SCRAMBLE EVERYWHERE IN THEIR SEARCH FOR THE SWEETEST GRASSES - MANY MIX-UPS OF THE HERDS OCCUR!

Next Week TROUBLES INCREASE!

Scooter's Scoops

By SCOOTER RUSSELL

The storms were so terrible in Oklahoma last week and later a bad storm hit Dekalb, Texas, where some of our former residents lived.

Nicky and Carolyn Foster live there and reported no damage to any of their property or their family's property but so many homes and businesses, that Carolyn said it looked as though ten percent of Dekalb was destroyed.

She said the funeral home, two churches, and mercantile stores were gone and it did a lot of damage to two of the schools.

This was only a part of the damage discussed by Carolyn and family members in Bovina.

NEWS AROUND TOWN...

Polly Mills and her three sisters, Joyce Smith of Cleburne, June Muse of Lubbock, and Pam Clark of Bovina met at Polly's home for their annual get-together and slumber party.

They had supper of stir-fry, exchanged gifts and talked about the "good old days" until midnight.

The next day they had breakfast at Polly's, then attended church services at the Baptist church where they were joined by other family members, Pam's daughters, Melissa of Bovina and Tammy and son Alex of North Carolina.

The ladies' brother and his wife, Sam and Rhonda Webb of Farwell were with them and also Joyce's husband, Art Smith.

The ladies then had a Mexican food meal at Polly's and friends Joe Looney and Sid Lloyd joined them.

Sid Lloyd had all her family with her on Mother's Day. Her son, Don Lloyd came from Grand Prairie and they went to Hale Center to her daughter Patsy and Larry Webb's home. They were joined by another

daughter, Julia Ann and Reyes Olona of Belen, New Mexico.

Dottie Ward has been in the hospital in Amarillo but is out of the hospital and came home on Monday of this week.

Her daughter and son-in-law, Billie and Ken Harrison brought her to Bovina after she spent a few days with them in Amarillo and on Mother's Day had all three of her grandchildren with her and also her great granddaughter. Dottie is feeling much better and glad to be home.

Nelline Spicer is home after spending a few days in the Muleshoe hospital. Her condition is much improved.

Larry and Carol Scott, former residents, now from Abilene, were in Bovina for the Mother's Day weekend and visited with Larry's mother, Edna Scott and Carol's mother, Erna Jamerson. They had dinner at Edna's home and also with the family was Diana, Edna's daughter who lives in Clovis.

Thought this was interesting...Edna's parents lived in Clovis many years ago and had a home there. Recently the house came up for sale and daughter Diana bought the home so they are excited about having it back in the family.

Kara and Mike Fulcher of Lorenzo and Mike's brother, Von, came to Bovina Sunday and had dinner at the Lion's Club's annual Mother's Day meal at the high school cafeteria with Kara's mother, Polly Mills, and spent Sunday night with her. They attended church together on Sunday.

Rose McCain has recently returned home from a wonderful trip to California where she spent several fun

days with her sons, daughter-in-law and precious grandchild.

She stayed with Ben, who lives in Los Angeles and son Butch and Betty and little Augusta live only a short distance away.

They went to Malibu beach where the boys had made a movie and watched the dolphins playing while they had dinner at a fabulous restaurant.

The next day they went to Magic Mountain where they rode all the really big rides. One night Butch cooked dinner for the family at his home and Rose had a great time with little 'Gus'.

Rose said the trip was great.

May Russell of Hereford was honored on Mother's Day with five generations of her family coming from Hereford, Bovina, Spearman, and
