BASE PREMIUMS FOR COTTON ON GRADE, STAPLE

Same Plan to be Followed as in Past Two Years; First Bale Of Season, Twenty Days Later Than Last Year.

First bale of the 1941 cotton crop in the Merkel territory was raised by John Fulton on the Fred Horton place, southwest of town, and was ginned about noon Tuesday by the Farmers Cooperative Society No. 1 gin. The bale weighed 526 pounds and was ginned from 1,900 pounds of seed cotton.

First bale to reach Merkel in 1940 was ginned on Aug. 12.

Again this year the merchants of Merkel will offer premiums for the best first, second and third bales, according to grade and staple, out of the first 25 bales registered according to the prescribed rules.

Details of the plan, as announced by a committee from the Lions club, headed by Chester Collinsworth, chairman, and W. O. Boney and Nolan Palmer as other members, are along the same lines as last year.

The cotton must be produced, ginned and marketed in the Merkel trade territory, the judging to be limited to the first twenty-five bales of cotton thus produced in 1941. The samples are to be left at the Farmers & Merchants National bank. It is required that bales must weigh a minimum of 450 pounds and it is suggested that the producer shall take his sample to the bank for registration immediately after ginning shall have been completed.

In leaving samples at the bank, it is requested that these facts be written out: name, address, where ginned and weight of bale, and sample must be enclosed in a paper bag, sealed or tied so that it cannot dry out.

Judging will be done by a competent cotton classifier.

Badgers Doped to Bring Home District 6A Championship

(By DICK WEST.)

After a week of intensive drill at the Baptist encampment grounds in Lueders, Coach Carroll Benson and 34 members of the 1941 Merkel High school football squad return tomorrow to resume practice on the local field before entering the campaign which they hope will bring them the District 6A championship.

Early season observers have given the Badgers the favorite role in Class A competition and with Eugene Sunderman, former Howard Payne College star, assisting in the coaching duties, Benson predicts that after another week of training, "We'll be ready for somebody." This should indicate that the Clyde Bulldogs may expect a tough date Sept. 13 when they engage the locals in the season opener.

Throughout the training camp activities the coaching staff has stressed blocking in order to launch a successful power attack, but fans can look forward to a well-rounded program with two triple-threat veteran backs and a pair of rangy, blue-fingered wingmen on hand to handle the aerial assault.

Showing up well in early scrimmages, including several sham engagements with Munday, also in training at Lueders are, Buster Jack Melton and Captain Raymond Smith in the backfield; Cox and Hickam at ends; and Buddy Derrington and Euell Hickam at the guard slots. Others expected to complete the starting lineup are Higgins and Carson, backfield men; Reynolds and Butman at the tackle posts, and Warren in the pivot position.

Most of the Badgers' offensive plays will originate from a modified punt formation following a trick/shift and defensive strategy will be planned from the standard 6-2-2-1. Coach Benson, who is beginning his second year as head mentor at Merkel, is a former Hardin-Simmons University athlete.

Three Visitors at Lions Club Luncheon

At Tuesday's luncheon of the Lions club, it was voted to again sponsor the raising of cotton premiums for the first, second and third best bales, according to grade and staple, out of the first 25 registered under the plan.

Chester Collinsworth was named chairman of the cotton premium committee, with W. O. Boney and Nolan Palmer as his co-workers.

As chairman of the cheese plant committee, Dr. W. T. Sadler submitted a report as to subscription of \$2,300 from merchants, the application for a charter and other details, which are covered in another part of this issue of The Mail.

The club welcomed three guests: Bob Landrum, of Abilene, E. B. Barnes and W. H. Bullock. Opening singsong was led by Nathan Wood, with Gay West at the piano. Invocation was given by Byers Petty.

ATTENDANCE ON OPENING DAY IS 52 HIGHER

Tabulation on Opening Day Shows 322 Students Enrolled in High School, 437 in Grammar, Reaching Record Total.

Merkel's schools began the 1941-42 term with a record enrollment of 759 students, Supt. Connor Robinson announced after tabulations had been completed Monday.

The total was 52 higher than last year's figure, peak up to that time in the school's history. This year, 322 were enrolled in High school, and 437 in Grammar school.

Opening exercises were held at 9 o'clock Monday in the gymnasium, with the devotional conducted by Rev. Cooper Waters. Faculty members were next introduced by Supt. Connor Robinson, who also presented Nathan Wood, president of the board of trustees, and R. T. Gray, its secretary.

Further changes in the faculty were brought about by the resignations of Billy Stewart, who had been employed as assistant coach, and of Miss Mildred Holt, who accepted a place in the Midland school.

Elected as assistant coach, Eugene Sunderman, graduate of Howard Payne college, reached here in time to accompany Coach Benson and the Badgers on their training camp at Lueders. He has had four years' teaching experience in East Texas.

To fill Miss Holt's place, Miss Mary Jo Brady of Abilene, graduate of Texas State College for Women, assumed her duties Tuesday, being assigned to the third grade, and Miss Heizer, previously assigned to the third grade, was given the fourth grade.

James Harris, who formerly taught at Warren, is teaching history in the 6th, 7th and 8th grades.

In adapting the system to the 12-grade plan, the designation of the primer grade has been changed to the first grade and each grade advanced to make the Senior class the 12th grade.

Fireboys Plan for District Convention

Oct. 2 is the date set for the semi-annual convention of the Mid-West Texas Firemen's association, which is to be held in Merkel, and local committees are now working on preparations and plans for this get-together, with every hope of a fine and successful meeting.

To look after details of the convention, President Herbert Dunn has appointed the following committees:

Program—Floyd McCoy, L. B. Whitaker, Roy H. Mathews.

Finance—John Mansfield, Homer Laney, Claude Perry, Ollie Fox.

Menu—Roy Robbins, Ray Wilson, Pete White, Milton Case.

When practice drill was called Tuesday evening, eight members were present: John Mansfield, Roy Robbins, Homer Laney, Waymon Adeock, Hosea Windham, Parker Sharp, L. B. Whitaker, Roy Mathews and Ollie Fox.

In anticipation of the district convention, plans are being laid to organize a ladies' pumper team as one of the features of the day's program, and a men's pumper team is to be organized to set the pattern.

The department answered a call coming from the Merkel hotel last Friday and found an old-windmill tower on fire just west of the hotel—this being the only call during the last several days that the truck has been called to answer. A token of high appreciation was offered to the department Friday evening when Mrs. Seth Hamilton, owner and manager of the hotel, made a volunteer contribution to the treasury of the department with her compliments. The department wants to thank her publicly for such appreciation of its efforts, and the contribution.

Special attention is called, to members of the department, to the regular monthly business meeting Monday evening, Sept. 8, at the fire station. EVERY member is urged to be present.

Social to Honor Local Boy Soon to Begin Study for Ministry

Fast Time Hung Up In Cow Milking, Concluding Show

In the concluding show of the 1941 series of free rodeos sponsored by the Merchants Trade Extension association of Merkel, Leonard Huff, Merkel cowboy, broke under 13 seconds in the wild cow milking event, his time being 12 4-5, to win first money. Vester Parrish of Wingate copped the calf roping prize in 22 2-5 seconds.

Only two teams were successful in the team tying contest. S. G. Russell ranked first, with Vester Parrish heeling; James Russell won second time, with his brother, Ralph, as heeler.

Ten of the 12 junior cowboys entered completed their rides: Tuffy Frazier, Lonzell Price, Shorty Brownuff, James Boy Bacus, Bertie Black, Bobby J. Criswell, Elmer Lee Criswell, W. B. Criswell, Clyde Lewis and Ted Milnick.

Special acts of a circus nature, including a roman team, trick mule, two youthful cowboys, Billy Spivey and Edward Hipp, and the world's smallest rodeo performer, 3-year-old Little Brown Jug Reynolds, enlivened the final performance with spectacular and amusing stunts. They were presented by Fess Reynolds, father of the little champion.

During the opening moments of the show, Harry Bullock served as announcer until arrival of Supt. Connor Robinson, who attended a county board meeting in Abilene. Substituting for Burl Hitson as riding judge was Frank Bridges, of San Angelo.

A summary of the six shows reveals that after the first show, which is always attended by the largest crowds, receipts from the sale of seats were nearly an average, ranging. (Continued on Page Two)

Good Show of Oil in Huddleston Test

Directly east of the W. H. Peckham No. 1 Buel Perry, which opened a shallow pool in June, Lewis Production Co. No. 1 L. L. Huddleston is scheduled for completion this week.

Five-inch casing has been run to 2,620 feet, where a good show of oil was encountered, and casing has been cemented preparatory to a test. The new pay section is believed to correspond to that producing in the Brookover No. 1 Church, Wimberly field well four miles to the north.

Ungren & Frazier started drilling Tuesday on their Trinity university test, about four miles north of town.

Hereford Tour Makes Two Merkel Ranches

Breeders from all sections of the state, many of them directors of the Texas Hereford Breeders association, were included in the representative group of cattlemen numbering more than two hundred who joined in the two-day tour (Monday and Tuesday) of the West Texas Hereford Breeders association.

At the same time the recently enlarged rock ranch home was inspected.

From Largent & Stevens, the tour group went to the Noodle Hereford ranch, operated by Mr. and Mrs. Bill Brown, and here a few calves being fitted for the Hereford show of the West Texas fair, the herd bull, Harris Domino, and a portion of the breeding herd were on exhibition at the ranch headquarters.

Stop for lunch was made at the Hardy Grissom ranch the first day. On the second day, ranches in South Taylor county were visited, with lunch at the Dibrell ranch in Coleman county.

Yes Sir! We've got a bigger job these days

We're building telephone systems at army cantonments, navy bases, munitions plants—wherever they can use us to speed the job.

And building new lines to these bases . . . sometimes stringing them hundreds of miles to places that used to need only one or two circuits.

Between jobs for the government . . . we're adding whatever equipment we can get to our network of lines and central offices in the Southwest . . .

While this emergency lasts . . . on the biggest job we've ever tackled . . . we're doing our level best to serve the nation, and serve you.

QUEEN THEATRE CALENDAR

Friday-Saturday—William Boyd, Russell Hayden in "In Old Colorado;" Three Stooges comedy, "Spider Returns" No. 3.

Saturday preview, Sunday matinee, Monday night—Gary Cooper, Barbara Stanwyck in "Meet John Doe," a Frank Capra production; color cartoon, Paramount News.

Tuesday only—"Passage from Hongkong," with Lucile Fairbanks, Keith Douglas; also selected short subjects. Wednesday-Thursday—Carole Landis, Cesar Romero in "Dance Hall;" cartoon, selected shorts.

"Meet John Doe" The new Frank Capra picture starring Gary Cooper and Barbara Stanwyck, will come to the Queen theatre Saturday preview, Sunday matinee and Monday night.

"Meet John Doe" was produced and directed by Frank Capra at the Warner studios in Burbank, Calif., from a script by Robert Riskin, his collaborator on the series of outstanding films that includes "It Happened One Night," "Mr. Deeds Goes to Town," and "You Can't Take It With You." The Riskin script was based on a story by Richard Connell. Cooper, it will be remembered, played the starring role in "Mr. Deeds Goes to Town." Barbara Stanwyck, too, is no novice to Capra productions, having won her first big film success in an earlier Capra picture, "Ladies of Leisure," and having starred in three other Capra productions before she was cast in "Meet John Doe."

John Doe is the man who reaches into the return slot of a pay telephone hoping to grab a nickel someone forgot. He is also the guy who will give his last dime to a beggar on the street. He is the guy who will do anything within the law to beat a fellowman on a business deal and when he has succeeded will take the guy out and spend twice as much as he made getting the fellow drunk. He is the same fellow who will sneer "Flag Waving" at a display of patriotism but will knock another chap's block off for saying anything against the flag or against the nation.

Capra and Riskin bring all these back to the minds of Americans through the film "Meet John Doe" in the form of good solid entertainment.

"Passage from Hongkong" A stimulating adventure-mystery story is behind Warner Bros.' exciting new film, "Passage From Hongkong," starring lovely Lucile Fairbanks and Keith Douglas, to be presented at the Queen theatre Tuesday only.

The mysterious, incomprehensible Orient is the setting. When war hits any of the Orient's key centers, the international intrigue reaches a high point of tension rife with drama. It is under such circumstances that Douglas meets Miss Fairbanks, both Americans and both desperately trying to get back to America.

Douglas takes time off to hunt up a little adventure of his own and causes a near-riot in Hongkong. Murders and murderers fly by Miss Fairbanks at such a pace the young American nearly breaks under the strain. The experiences are a challenge to the young people's ingenuity.

"Dance Hall" Romantic Cesar Romero meets up with blonde and beautiful Carole Landis in the new 20th Century-Fox comedy, "Dance Hall," which will be the attraction at the Queen theatre Wednesday and Thursday.

Romero as Duke, the manager of a dance hall, has quite a reputation as a local Casanova. But he fails to impress Carole, who is a newcomer to the dance palace. And when this same blonde barges into a crap game in which Duke is a big winner and then cleans him out, he really loses his ego. From that moment, Duke is out to get even—and how he does it makes

MOLLIE FRANK TOUCHSTONE, FORMER MERKEL GIRL, AND J. B. JORDAN TO MARRY SEPT. 6.
(Abilene Reporter-News)

Abilene society will mark another fall wedding day on its calendar with announcement being made of the engagement of Mollie Frank Touchstone, only child of Mrs. Lila Sears Touchstone, and James Burrell Jordan, Jr., a son of Mr. and Mrs. J. B. Jordan of Abilene.

The wedding is to take place on the evening of September 6 in St. Paul Methodist church, with the pastor, Dr. C. A. Long, and Dr. C. A. Bickley, superintendent of the Abilene Methodist district, reading the service.

Virginia Lee Smith of Fort Worth, maid-of-honor, and Frances and Billy Sears, the bride's cousins, bridesmaids, will be her only attendants.

Attendants to the bridegroom will be his brother, Bob Jordan, best man, and A. C. Sears and Neil Daniels, ushers.

The bride will be given in marriage by her cousin, Lynn Harris, of Dallas.

Harold L. Thomas will give the wedding music and play the accompaniment for Rupert Phillips of Big Spring, Wiley Caffey, Velda Horton of Albany and Mrs. Bob Mead to sing a quartet arrangement of the hymn, "Oh, Perfect Love." Mr. Phillips will sing "I Love Thee, Dear" (Grieg) as the nuptial solo.

Romance of the couple had its beginning when they were classmates at McMurry college, from which both were graduated. Miss Touchstone taught public school music in Albany last year. Mr. Jordan is an employee of the C. I. T. corporation.

Many parties are being planned to honor the bride-elect.

At the conclusion of the program, entertainment was moved to the church lawn, where interest centered in a farm yard game in which the younger pupils were called on to give imitations of fowls and animals. In the anagram contest, Ann Booth won the prize. Junior and senior girls served a dainty refreshment plate of punch and cakes, with attractive musical favors. It had been planned and looked forward to with pleasurable appreciation that a number of group pictures would be taken but this was prevented because of illness of the photographer.

Butman Women Aid In Red Cross Sewing

Women of the Butman community are actively engaged in sewing for the Red Cross, meeting once each week at the Live Oak Baptist church. At present they are working on convalescent robes.

Typical of the interest being shown by these patriotic women is the work being done by Mrs. Ford Butman, who is the mother of four children, ranging in age from 18 years to 18 months. She does all her own work, including the sewing and laundry work, and has canned 400 quarts of food for winter out of her own garden, which she tends herself. She has also raised 300 chickens.

Besides working with the group in her community, she is making one robe per week at home.

Red Cross Workers Engage in Sewing Needed Garments

As chairman of Red Cross sewing work in this community Mrs. C. B. Gardner reports general activity along several fronts; in fact, Mrs. Gardner says that she is finding more workers than she has materials to work on. In connection with the Red Cross sewing program, everything is furnished and instructions given for the work.

Several church societies are busy: the T. E. L. class of the First Baptist church, Mrs. A. R. Booth, chairman, is making men's bathrobes; the Fidelis Matrons class, Mrs. David Gamble, chairman, is making children's robes, and on Wednesday the Comrades class of the Methodist church sewed at the home of Mrs. Andy Shouse, making children's nighties.

Making of children's nighties is also engaging the Sewing Club's time, of which Mrs. George T. Moore is president.

At Salt Branch, the home demonstration club members are working on bathrobes.
