Up The Canyon By TOM RUSSOM

This has been a year with most any kind of weather you could think of

Some of the farmers who have not yet harvested their wheat, are saying the dry weather hurt the wheat just before the rains came. And then heavy rains with some heavy hail and high winds hit the wheat, and they aren't making too much wheat. The row crops, cotton and milo, has had a bad start, well - in a short story there isn't much row crops growing in our area.

We were in San Angelo this week to take our wool to the warehouse for storage. The rains have reached from here to there - all across the divide, around Nolan all lakes are brimming full, and water has been over most of the planted crops. The wheat and oats looked real fine and ready to harvest, but there will be water under the crops perhaps for some time. However, from Nolan all the way to San Angelo the range land is just excellent. Cattle as fat as you ever saw.

We found at the wool storage in San Angelo that there were several thousand pounds of wool that they had just shown to wool buyers. We were told that the bid on the good wool was 42 to 45 cents per pound, and most of the wool looked real good.

Farmers were wondering for awhile if they were going to get a cotton crop started in June. Now they are wondering if they will get one started in July.

Mr. and Mrs. Edwin Polk and family of Midland, visited over the wekend here with Mrs. Polk's folks, Mrs. Sam Butman Jr., and other relatives.

The new pastor of Pioneer Church has moved in. They are Mr. and Mrs. Charles Williams. They have two little daughters. Charles preached his first sermon at our church Sunday morn-

Mr. and Mrs. Arvel Griffin of Colorado City visited here in Mrs. Griffin's parents home over the week end. Her parents are Mr. and Mrs. Horace Miles.

Mr. and Mrs. Gary Rust and son, visited in the home of Mrs. Rust's parents over the wekend.

#### **Burned Victim** Is Improved

Mrs. Bartie Lou Humphries. who was critically burned early in May was transferred by Kiker Warren ambulance to Dyess AFB Hospital Monday, June 1. Her husband, Billy Joe and childeen, Jody and Michael, were fatally burned in the fire at Wichita Falls May 8.

Mrs. Humphries, who is the daughter of Mrs. Ray Reynolds of 202 Yucca, Merkel, has improved very rapidly in the past week.

#### Former Merkel **Student Selected**

Robert Keith Wilson, son of Mr. and Mrs. Ray Wilson, Merkel, has been informed that he has been selected as one of the Undergraduate Research Participation students for this summer.

Keith's research will be with the National Science Foundation at the Louisiana State University, in New Orleans, La. He will report to the Science Department June 14.

Keith is a 1963 graduate of Merkel High School.

Dear Helen:

I am 67 years old, retired 2 years. For awhile I worked part time to keep busy, but now I don't have much to do. For years I had a wish to learn Spanish, but never got to it. They have an adult education program here.

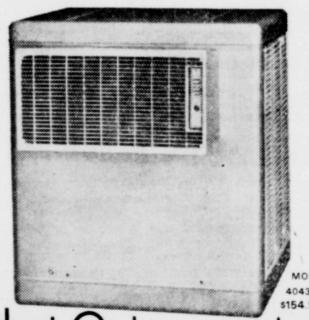

speak of since my high school days. Do you think an old-timer like me could learn a foreign language, or have I waited too long? FRANK M.

You are never too old to learn, learning, or an interest in the learn in their later years as when they were vounger. Older people may tend to learn more slowly, but they learn more carefully and thoroughly. And it's another way of keeping young. The Peace Corps has about 350 people over 50 years of age, who are serving successfully around the world. Many are in the 65 to 75 age bracket - and usually they learn the language before they're assigned to a country. So go to it, Frank - pretty soon you'll I haven't done any studying to be able to say "Hable Espanol!!"

#### **Trent School News** By FLOYDEL ROSS

Yes, Friday, May 14, 1965, Mr. Wray B. Williams, superintendent and Mr. Ralph W. Newton, prin-Trent School term of 1964-65 and cipail, closed the doors for the said all out for the summer holi-

Students, some happy, some sad, turned to take a look at Dear Old Trent School to say, "We had a pretty good school year. Plenty of tests, chewing outs from the teachers each morning, and plenty of report cards to be taken home with a big red F marked on them.'

For a look back on Trent school year, let's start with the football team. Not too bad, not too good, we lost some and we won some.

Mr. Ralph W. Newton was announced as head coach at the beginning of the year, in place of Douglas McArthur, with Johnny Jefferies as assistant coach.

Sept. 9, 1964, at the West Texas Fair, Barbara McAninch daughter of Mr. and Mrs. Cal McAninch, won championship in the poultry. Floydel Ross, daughter of Mr. and Mrs. L. W. Ross Jr., won \$22.50 prize money and the special ball jar award for the best canned vegetables.

Progressing on into the school year, the basketball team went back to Austin for their second winning in State Championship. They won all their tournaments in which they participated - the Dyess, Hardin - Simmons and Trent tournaments.

Diana Lewis and Barbara Mc-Aninch went on to play with the Wayland Bees in their National AAU Women's Basketball tournament in Gallup, New Mexico. They returned home to receive a scholarship to Wayland College next fall.

After a year of ball games, lessons, parties, and so on, the eighth grade graduation was held May 13. Afterwards, a fellowship was held for Mr. and Mrs. Wray B. Williams, who are retiring.

Friday, May 14, the 1965 senior graduation program was held. Seniors graduating were Barbara McAninch, valedictorian, Susan Scott, salutatorian, and Ricky McElmurray, highest ranking boy.

Also Kaye McWilliams, Diana week for four consecutive weeks, lene, Texas, this the 24 day of Lewis, Sue Dickerson, Floydel Ross, Marie Rhymns, Thelma Hellums, Linda Barnhill, Charles Chick, Jerry Heatly, Dennis Hobbs, and Shelia Webb.

Following the graduation program, the senior class left for 12 4 to Galveston for a week. They spent a week on the coast and went to ball games in the Astrodome. The class returned home Thursday morning, May 18.

In closing this news, your reporter, Floydel Ross, senior of Trent, would like to express "my sincere wishes to next year's reporters from Trent. Noodle and Merkel. May you have the best of luck with your news articles."

Also my best wishes to Mr. Ralph W. Newton, our senior sponsor, who barely made it back

home before retiring to his bed for a possible cast of the good old mumps.

Good luck to all of the 1964-65 Senior Classes! May the best of everything be yours.

#### **Lions Clubs Given Thanks**

Mr. and Mrs. G. N. Reynolds of Trent dropped by the Merkel Mail to give a "good news" report on their son-in-law, Gene Phillips. Phillips of Oklahoma City, Okla. sends word that after being totally blind for one and one half years and after having had four bad operations on his eyes, he now has 85 per cent

"Gene is very grateful to the Lions Club in Oklahoma City for their help during his period of blindness," said Mrs. Reynolds. "He was sent to Little Rock, Ark., to a school for the blind, and received wonderful training there. This was part of the Lions Club help, too." said Mrs. Reynolds

Gene and Mrs. Phillips, formerly Jenny Mae Reynolds, live at 19091/2 Lottie St. in Oklahoma City. Phillips is planning on going into business for himself in the very near future.

#### Five Horse Classes In Abilene Show

The West Central Texas Cutting Horse Association Show to be held in connection with the Abilene Horse Show for Crippled Children June 11-13 will include the five regular classes and not just the open class as advertised on horse show posters, said Boley Cotton of Woodson, secretary of the association.

'We will not only have the open class, but the AA novice: the novice - novice; the \$500 novice, any rider; and the \$250 novice, any rider," said Cotten.

Books for the show will close at noon, June 13, Cotten stated. Also, there will be a \$4.00 per horse office fee charged and the money, along with the fee for the two judges and the association secretary, will go the the West Texas Rehabilitation Cen-

#### **Insecticide Use** Is Clarified

Erroneous reports regulating feeding instructions on Sorghum treated with Propazine or Atrazine for weed control are confusing Sorghum growers in some areas. Following are the facts:

All restrictions on the feeding of Propazine treated grain Sorguhm to livestock have been removed. This action was approved by the U.S. Department of Agriculture on Nov. 30, 1964.

On April 22, 1965, U.S.D.A. accepted changes in the labeling for Atrazine. These changes permit feeding and grazing of Atrazine treated grain Sorghum 60 days following application of the herbicile. Packages now in distribution may not reflect this latest label revision.

#### **Junior Field Day** Dagins June 17

Three junior field days have been planned for June 17, 18 and 19, by the Texas Junior Hereford Association according to Bill Averhoff, Crystal City, president. All Hereford people in Texas and the surrounding area are invited, both adults and juniors.

The first field day is scheduled for Thursday, June 17, at the Phillips Hereford Ranch located near Greenville. Those who attend will see one of the top Hereford establishments in eastern Texas which accomodates 350 registered cows and where an outstanding pasture improvement program has been in operation for several years. Top herd sires have been purchased from such well known establishments as Bridwell, Hull - Dobbs, and Northern Pump Farm.

On Friday, June 18, the second field day will be held at Diamond C. Hereford Ranch located near Rosenburg. Outstanding herd bulls have been purchased from Flat Top and Bridwell Ranches in recent years. The top cow herd is strong in Mill Iron breeding.

The third and last field day is scheduled for Saturday, June 19, at the Charles Neblett Ranch located near Stephenville. Field day visitors will have an opportunity to see 200 registered cows of Battle Intense breeding.

Each of the field days will begin at 8:30 a.m. with registration of judging teams and individuals. County agents and vocational agriculture teachers are cordially invited to attend the fied day nearest them and to take as many teams of four and

individual judges as they wish. A highlight of each field day will be the awarding of a registered Hereford heifer to the member of the Texas Junior Hereford Association, placing highest in the judging contest. Each heifer is given by the host ranch and any Texas boy or guirl under 21 who owns Herefords may join the Association before 1 p.m. at the field day and be eligible to compete for the heifer. A membership fee of \$5 is good until

#### **Excellent Reading** From Bookmobile

Can you imagine what would happen if the Russian government inherited a baseball team - say the Chicago White Sox? And sent a high official, the deputy chairman of the Central Council of the All - Union Committee on Sports and Culture, to run the team? And the deputy chairman has a beautiful daughter with lavender colored ayes? And the secbaseman falls for her? Well, that's just a few of the ingredients of one of the best stories on baseball in quite a while - Paul Molloy's "A Pennent for the Kremlin." Young adults will surely like this one.

on Issaac Asimore's mind for over twenty years. His stories have taken the robot from a figure of fun to rational machines reacting to the necessities of their "positronic" brains. "The Caves of Steel" in a new collection "The Rest of the Robots" represents the first successful fusion of the science - fiction story and the murder mystery. A human detective and a robot detective join forces to find a murderer. A

Robots and robotics have been

real thriller for science fiction and mystery fans.

Dr. Asimov, a biochemist on the faculty of Boston University displays an amazing versatility in his writing. Another book by him is "The Search for the Elements," a chronicle of man's 2,-600 year search for the basic "stuff" of which the universe is made. From the futile attempts of the alchemists to turn lead into gold to the making of artificial elements, from fakery and quachery to the cyclotron, this compack history of chemistry is filled with adventure and drama.

Mary Stewart, author of "The "Moonspinners" has done it again with "This Rough Magic." It's all here - a beautiful Greek island, a young heroine caught up in a mystery, strong handsome young men.

#### 65 Year Old Urged To File Claims

Taylor County residents 65 or over who have not yet applied for social security benefits were advised this week to file a claim now even if they are not planning to retire right away.

R. R. Tuley Jr., district manager of social security in Abilene, explained that it is to the

when reaching age 65 to protect his social security rights.

THE MERKEL MAIL, MERKEL, TEXAS

"A sizeable number of Taylor County people in our district who applied late last year found that they had lost some benefits by not applying earlier." he said. "We have found that the best way for a person to protect his social security benefit rights is to file his claim at 65 whether or not he intends to go on working. Even if no benefits are payable right away, there's an advantage in having your claim already approved when you actually retire, for all then needed is to say 'Start my checks' "
