Up The Canyon

By TOM
RUSSOM

After the rains we have received, everything is in excellent shape. The cloudy weather is looking promising for more rain.

Our area is making a wonderful hay crop, and it looks as if it will make a good milo crop, too. Some of the early milo is already made, and the late milo is looking real good. The Canyon has received up to three inches of rain in the past ten days.

Our Singing last Sunday was one of the best we have ever had at our Annual Singing. It was our third convention. B. B. Little of San Angelo who is our president, said he was real pleased at the turnout. We had singers from all over West Texas. It was decided that we would have the annual singing again.

A good many stockmen are sending their lambs and calves to market now. Some of the calves are weighing real well and selling at a good price. Maurice Johnson, who ranches here, and also his brother, said they had been offered 25 cents and 26 cents per pound for their calves. They have a choice bunch of Hereford calves.

Recently we had some phone calls on land being offered for sale here. But what land is left is being offered so high no one wants to give that kind of price, and it is not selling.

Mrs. W. T. Perry who has been in the Hendrick Hospital for three weeks, is returning home this week. Her friends will be glad to see her home, and up and around again.

Monday night, Aug. 16, the adult leaders of 4 - H Clubs of Taylor County will meet at the Mulberry Canyon Club Center for a covered dish supper.

The junior high boys and girls camp opened here this week at the Butman Youth Camp. There is expected to be around 160 boys and girls to attend.

Mr. and Mrs. L. A. Dudley, Merkel, were here Sunday, for our singing. Mrs. Dudley said they read about it in our Canyon news and wanted to come and meet old friends and enjoy the singing.

Dog Tagging, City Ordinance

Tags at Tax Office

"Untagged dogs are 'on the loose' in Merkel," said Mayor Johnny Cox. "And, according to the City Ordinance No. 28, this is a violation."

Section 3 of Ordinance 28 reads "It shall be the duty of any person owning or keeping a dog or dogs within the corporate limits of the City of Merkel to apply to the City Assessor and Collector, pay the tax upon his dog or dogs and obtain from said Assessor and Collector a tag as herein provided and to have such tag at all times securely fastened on a collar around the neck of the dog . . ."

Section 6 of Ordinance 28 reads: "Any person failing to comply with the provisions of this ordinance, or violating any of the provisions thereof shall be deemed guilty of a misdemeanor, and upon conviction, shall be fined in any sum not to exceed one hundred dollars . . ."

"Deadline for tagging dogs was July 1," said Mrs. Flossie McKeever, City Secretary. "Many dogs are still running loose, untagged," she said, "and this is a violation of the city ordinance."

Citizens are urged to get their dogs tagged. The paying of dog taxes and also getting tags may be done Monday through Friday, from 8 a.m. until 5 p.m., at the City Assessor - Collector office at 107 Lamar Street.

Optimists Defeat Merkel Jaycees

A week ago last Tuesday, the Merkel Jaycees tumbled and rolled along with the Merkel Optimists in an exciting fun-filled donkey softball game. "Over two hundred Merkelites joined in the laughter while watching the stubborn donkeys pitch and throw the not-so-stubborn riders," said Cory Lash, Jaycee publicity director. "It was a night that will long be remembered by many in the audience, but more so by the numerous players who limped and hobbled home."

When the dust finally settled, no one was really sure of the score, but a closer look at the scoreboard revealed the Optimists to be victorious over the Jaycees by a score of 5 to 4 — or was it 4 to 3? "Whatever the score, the real winners were undoubtedly the donkeys!" said Lash.

NOTICE

Legal notice in regards to ordinance on trash haul, which ran in Merkel Mail Aug. 5 edition, page 5, Section 5, should read "garbage will be picked up in residential dwellings at least once weekly," instead of once monthly.

Mrs. Dub Russell and daughter, Miss Edna Marie Russell, of Saford, Ariz. visited Mrs. Russell's father, Bud Coats and other relatives and friends over the weekend.

You probably use more electricity during the HOT SUMMER MONTHS because...

Year in, year out — electricity provides you with more real service per dollar spent than any other item in your family budget, but it takes hot weather to show up electricity's BIGGEST value. The average WTU residential customer is paying an average of 18% less per KWH than in 1953. Add up your Summertime extras and see why Electricity does so much more for you... at so very little additional cost.

ELECTRICITY COSTS SO LITTLE... YOU CAN USE LOTS OF IT

Lt. Col. Joe E. Lassiter, Merkel, has been promoted to commanding officer of the 4254th Civil Affairs Group, Abilene Army Reserve Unit, succeeding Lt. Col. C. O. Shiflet, who has retired.

He has had special courses in information and education, national resources and field grade officer refresher course. He has also studied military tactics and infantry weapons.

Area Convention Honors Jaycees

The Merkel Jaycees were among nearly four hundred other Jaycees from 25 clubs to represent their city at the District Two Summer Area Convention held this past weekend in San Angelo.

Numerous committee meetings were held to better inform the Jaycees on civic and club projects. "Not only were the men busy with meetings, but also were the wives who met with other Jaycee-ettes," said Cory Lash, Jaycee Publicity Director.

The Merkel Jaycees were honored for their outstanding increase in enrollment for the first part of the year with a plaque. The award was based on the per centage of new members, and Merkel's was the highest of all other Jaycee clubs in the West Texas area.

The meeting adjourned Sunday at 3:30 p.m. with the final voting to hold the winter area convention in Odessa.

The Merkel Jaycees were well represented at such a large convention.

Thermos Makes It A Picnic

The days of the old picnic hamper have vanished and the "Thermos" ice chest has taken over the scene. This attractive red and white portable refrigerator makes it possible to enjoy all sorts of gourmet delights on a picnic. It will keep all perishables at their most tempting best—as well as hold a generous supply of ice and keep beverages well chilled.

To get the most out of your "Thermos" ice chest, it's a good idea to have all foods well chilled before placing them in the ice chest. It's also important to use block or cubed ice because they melt at a slower rate than crushed or shaved ice. One other recommendation—to keep foods separate and visible, place them in polyethylene film sandwich bags and fasten with rubber bands.

Remember Labor Day doesn't mean the end of the picnic season. Picnic your way into fall at football games.

There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall exercise such powers as are herein provided together with such other powers and duties as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustee thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

"AGAINST the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

Sec. 3. The Governor of Texas shall issue necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

One and One-half Million Dollars (\$1,500,000.00); and, further provided,

"(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care, within the State of Texas, amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and, further provided,

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain such qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master, or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any Judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the Judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misconduct is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such Judges in cases of disability."

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such Judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.
