VOL. VII, NO. 34

WHITTLIN'
BY DOLPH MOTEN

It's
A
Girl!

Lady Beth Moten was born Sunday at 11:30 a. m. in Parmer County Community Hospital in Friona. She weighed six pounds, 13 ounces.

For some time, we've had a tendency to burn candle at both ends. By that we mean do two or more things at same time. Dual life almost caught up with us over weekend, though. It's rough, we learned, to be an overly-excited basketball fan and an immediately-expecting father all in same night with only an hour-or-so's sleep to make the transformation in. We're proud of the new daughter in our family. Think she's going to be a valuable asset. Since we've been in weekly newspaper business, we've always needed a substitute women's news writer. They're hard to come by. With that in mind, maybe it'll be a good idea to raise one to assist her mother with women's part of a newspaper. We greatly appreciate all offers of help from friends and neighbors during time Sue is in hospital. She and the baby are scheduled to be home tomorrow (Thursday).

The cigar idea at top of this column isn't original with us. We got it from our good friend Dave McReynolds, a former Friona Star editor who is now editor of Cotton Gin and Oil Mill Press, a magazine headquartered in Dallas.

Can a goose fly? That's a question Mrs. J. T. Jones wants answer to. It's our understanding that tame geese don't fly. Maybe they can soar a short distance a few feet off the ground, but they can't fly, as such. Mrs. Jones says a goose-like bird was flying around their place south of town Monday. The bird was flying high. Much higher than the barn, she said. She says she doesn't have any idea what kind of bird it was. Mrs. Jones asked if it could be a sandhill crane. The description she gave of the strange bird and that of a SH crane don't match, however. She said the bird was too pretty to kill and too wild to feed.

There are more petitions floating around Bovina than we've ever known about at one time. This is a petition-signing time, however, with school trustee and mayor election coming up in little more than a month. City commission is also being petitioned to call an election for an alderman type government, which has six members on city board instead of three, which is form being used by Bovina now.

One of the best feelings a sports fan can have is for his team to be 10 points ahead during halftime of a championship basketball game.

Back to this new baby business: Until this week we hadn't had occasion to buy many cigars since latest tax increase on tobacco products. But we learned the cost is rather high by time you pay for a box of cigars and then send Price Daniel's tax money on same to Austin.

We don't know if this idea of passing out cigars is a custom which needs to be retained for future poor fathers or not.

COMMITTEE APPOINTED--

Civil Defense Plan Outlined

Preliminary plans for establishing a civil defense organization for Bovina area were made at a meeting Monday night of some 25 interested men. Bailey County Judge Glen Williams of Muleshoe was featured speaker of this session which was in school cafeteria. Judge Williams explained civil defense organization from national level, through state and to community level. Roy Crawford, who was instructor of a civil defense course here in December, was elected by the group as assistant administrator of the plan. Mayor is automatically administrator if local plan is to be approved by state--and the group was in favor of organizing according to procedure outlined by state. Crawford appointed five assistants to work with him in naming various committees and in continuing organization of the plan for Bovina. Named to the organization committee were Jack McCracken, Bud Crump, Bill Denney, Henry Minter, and J. D. Kirkpatrick. City commission will serve as top governing body of the plan and everything done will be subject to its approval. Judge Williams pointed out that civil defense plan can be beneficial in case of natural or man-made disasters. Different committees to be set up in the plan include communications, transportation, welfare and police.

CD COMMITTEE -- These six men were named to a committee Monday night to organize a civil defense organization for Bovina community. They are, left to right, J. D. Kirkpatrick, Roy Crawford, Henry Minter, Bill Denney, Bud Crump and Jack McCracken. Crawford was elected assistant administrator of the plan and appointed on the other five men to serve with him.

AT 7:30 IN SCHOOL CAFETERIA--

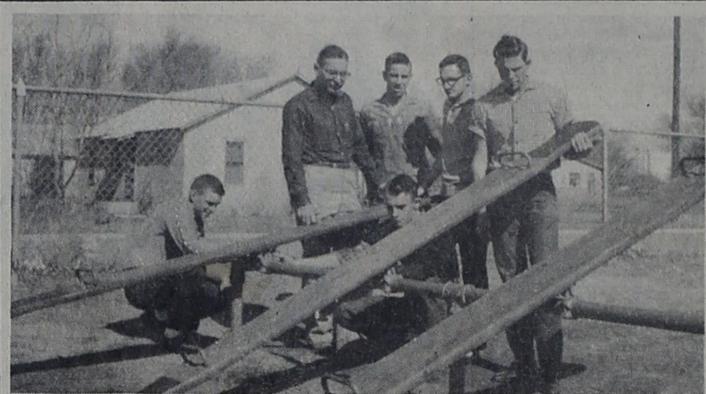

Chamber Meets Thursday Night

Annual general membership meeting of Bovina Chamber of Commerce and Agriculture--not to be confused with annual banquet--will be tomorrow night (Thursday) in school cafeteria at 7:30 p.m. Guest speaker will be Bill Thompson, manager of Deaf Smith County Chamber of Commerce. Public is invited, and urged, to attend the meeting, Jack McCracken, secretary-manager of Bovina chapter says. Highlights of program, in addition to Thompson's talk, will be election of five new directors and reports on various projects completed by chamber during its year of operation. Coffee and donuts will be served, McCracken says. Reports will be given on subjects of Little League ballpark construction, community Christmas lighting, budget, paving, housing, and membership. Five members of the 15-man board of directors go off the board this month. They are S.A. Barbee, Jr., Warren Morton, Wendol Christian, Jim Russell and McCracken. Named by a chamber nominating committee as candidates to replace them were Russell, who serves as treasurer of the board, L. M. Grissom, Archie McCutchan, Dean McCalum, and Ed Hutto. Directors who have one year remaining on their terms are

Super Market Anniversary This Weekend

Wilson's Super Market will observe its 15th anniversary this weekend. Prizes to be awarded include 15 baskets of groceries valued at approximately \$20 each and 15,000 Gunn Bros. stamps. One basket of groceries and 1,000 stamps are awarded to lucky customers for each year A. M. Wilson has been in grocery business in Bovina. This year's anniversary celebration is combined with semi-annual Shurline sale. The celebration will be Thursday, Friday and Saturday, Saturday, Campbell's milk train will be at the store to offer children free rides. Free (Continued on page 4.)

Theft Charges Filed

IT'S FFA WEEK -- This week, February 17-24, is being observed as Future Farmers of America week. Bovina chapter is currently repairing school playground equipment. Shown inspecting see-saws they recently overhauled are, left to right, Earl Riley, Advisor Roy Crawford, Secretary Dickie Clayton, President Pat O'Brien, Vice President Lowell Boozer. Kneeling in center is Treasurer Delbert Morris.

Against Former Mayor

Emmett Tabor, veteran Bovina city official who resigned as mayor two weeks ago, has been charged with theft of city funds. A complaint against Tabor was filed Thursday. Signed by Commissioner Al Kerby, it states that Tabor took \$70 of city money. The complaint was signed in office of County Attorney Hurlshel Harding in his office in Farwell and was filed by him. Tabor was arraigned by Justice of the Peace J. R. Thornton in Farwell, also Thursday. Bond was set at \$1500 which was posted and Tabor was released immediately. The case will now go before grand jury which is scheduled to convene next month. The money Tabor is charged with stealing was in form of a \$70 check made out to Luther Vaughn, Shellwater contractor, who installed water and sewer lines in Ridgelea addition here last fall. Vaughn has no record of receiving the check, he told commissioners Kerby and Bud Crump by telephone last week. Total amount of money city officials suspect is missing has not been announced. City's books are currently being audited by H. H. DeLozier firm of Clovis and a report is expected soon. The charge was filed following considerable talk here for several days in regard to misuse of city money. Tabor was bonded for \$3000, as are other elected city officials. He lacked some six weeks of completing his first two-year term of mayor at time of his resignation. Prior to being elected mayor, he had served two two-year terms as city commissioner. A few weeks ago he was petitioned as a candidate for re-election to office of mayor.

MOORE, BARBEE, GILREATH--

3 Men Enter Mayor's Race

City politics received a new shot in arm this week when three men, all newcomers to political scene, were petitioned for candidates as Bovina mayor. One petition requested that names of Joe Moore and S. A. Barbee, Jr. be placed on the ballot. Another listed Boyd Gilreath. Signers of the Moore-Barbee petition were T. P. Griffith, W. L. Venable, E. M. Ware, David W. Wines, F. S. Pounds, James C. Russell, Wendell Garner, W. C. Mayhew, Herman Estes and J. O. Combs. Signing the petition for Gilreath were James Taylor, Oral Kunselman, Jr., Eddie R. Hutto, A. J. Barton, Burl Spears, Elton Venable, Wm. Gromousky, and J. D. Stevens. Present Mayor C. R. Elliott, recently appointed by city commission when Emmett Tabor resigned, has not joined the race. Deadline for filing as a candidate for Mayor is March 3--30 days prior to election which is slated for April 3. Names of candidates may be filed by petition with City Secretary Virgil Tritsch or an individual may submit his own name.

HAPPY WINS BEST OF THREE--

Mustangs Lose Playoffs For 4-B Championship

It was two strikes and out for Bovina Mustangs in their battle with Happy Cowboys for District 4-B championship. Happy wrapped up the sugar game of the best of three series Saturday night at Dimmitt, 52-43. Bovina won first game here Tuesday night by a one-point margin. Happy took second one there Thursday night easily. So the big story was told in Saturday night's third game. Happy took an early lead before Mustangs could get going. At end of first period, however, Pontes had rallied and trailed by one point, 9-10. Second quarter belonged to Mustangs. Led by shooting and rebounding of Jerry Frazier and rebounding of Tally Kelso, they went ahead, 12-10, early in the period, and had increased the margin to 24-14 at halftime. Third quarter was Happy's as they tallied 22 points to Bovina's 16. They had reduced the difference to four points, 40-36, at end of the stanza. Happy tied the game 40-40 with 6:23 remaining to be played in last quarter, went ahead with 5:56 left to play and Mustangs (Continued on page 4.)

Jury Sifting Starts Murder Trial Monday

Selection of 12 suitable jurors will commence Monday for the trial of two Bovina residents who are charged with the slaying of Jesse Dawkins on Dec. 8. Gene Davis, 38, alias George Evans, and Nellie Mae Thompson, 30, are named in the charges. District Judge E. A. Bills confirmed his schedule for the trial early this week and the jury panel was notified. Forty-eight residents have been called for prospective jury duty. In addition, Judge Bills will appoint a jury commission for the purpose of selecting a new grand jury and jury panel for the next court term. The new term will start March 5 and continue until Sept. 3. The commission will consist of from three to five members and will present the judge with a new grand jury and petit jury panel. Called to appear Monday are Grady King, Mrs. Ray Landrum, Kirt Crume, LaVon Jones, Don Gerles, Raymond Martin, M. A. Snider Jr., Ovid Lawlis, Conrad Nelson, Marvin Lawson, Ernest Kube, James R. Boardman, J. J. McDonald, Bob Hammonds, (Continued on page 2.)

Burglars Return To Scene

It is said that a criminal always returns to the scene of his crime. In Parmer County, the old adage seems to be the rule rather than the exception. Burglars broke into Helton Oil Company in Farwell last Thursday night for the second time in less than a month. But they didn't get away with anything. They gained entrance to the yard by cutting the two strands of barbed wire at the top of the storm fence and using an oil drum and chair to climb over the fence. Ten truck tires were then rolled out of a small shed at the north end of the yard and placed near the east fence. The thieves then cut some six feet of storm fence and opened up an exit large enough to drive through. What happened next is pure guesswork but it is thought that the thieves were either scared off or were unable to steal suitable transportation in time. A short time back, Grady Dodd's warehouse in Friona was burglarized for the second time last year. Sizeable hauls were made each time. Officers investigating the Dodd burglary expressed an opinion that the same persons committed both crimes. Allen's Jewelry in Friona was robbed twice during the past year. Three-Way Chemical in Bovina and several other businesses in the county have been bothered by burglars more than once during the past year.

FIRST BASKET -- Jerry Frazier is shown getting away a shot which resulted in Bovina's first two points in district championship playoff game with Happy Saturday night at Dimmitt. Moving in are Buddy Turner, at left, Tally Kelso, No. 33, Don Cumpston, No. 25, and Lawrence Kriegel, No. 21.

FOUL! -- Jerry Frazier is shown being fouled by Happy's No. 34 in first quarter of championship playoff game with Happy. Happy won the game 52-43 after Bovina had enjoyed a 10-point 24-14 lead at halftime. Other Mustangs pictured are Cumpston, in left background, Turner, in foreground, Kelso, behind Turner, and Kriegel, at right.

Sewing Club Has Membership Tea

Good Neighbor Sewing Club hosted a membership tea Thursday afternoon at home of Mrs. Bob McMeans.

The serving table was laid with a lace cloth and covered with a red net skirt carrying out the Valentine theme. Milk glass serving pieces were used. Refreshments of cake, nuts, mints and punch were served to guests. Mrs. McMeans presided at serving table.

Following refreshments guests played word games. Guests present were Mrs. Ethel Hall, Mrs. Fred Langer, Mrs. Pearl Boatman, Mrs. E. F. Johnson, Mrs. J. L. Sherrill, Mrs. Wilfred Sikes and Mrs. Finley Rogers.

Members attending were Mrs. Howard Looney, Mrs. Bill

Lane, Mrs. Earl Dean Boyd, Mrs. T. J. Hopingardner, Mrs. Mable Newberry, Mrs. Bessie Webb, Mrs. Jessie Sisco and Mrs. Lester Williams.

Fancy Beauty Salon Open

Lillian Rogers, owner of The Fancy Beauty Salon, announced this week that her new business is now open. It is located at 405 Eighth Street.

Beauty operators, in addition to Mrs. Rogers, are Carol Dean Huggins and Carolyn Crump. All were formerly associated with Bovina Beauty Shop.

Free coffee and donuts will be served from now through next Wednesday. Customers may register for three free permanents which will be awarded February 25.

An advertisement in this issue of The Blade announces opening of the new beauty shop.

Mrs. Thompson Attends Meet

Mrs. Barbara Thompson Bovina High Homemaking instructor, attended Area I In-Service Education for homemaking teachers Saturday at Monterey High School in Lubbock.

Mrs. Henry Jahnke visited her mother, Mrs. Frank Raindl, and Mr. and Mrs. Louis Brasch and family of Lubbock recently.

Jury--

Weldon Slayton, Mrs. Prentice Mills, Mrs. Willis Hester, W. O. Chadwick Jr., James W. Patrick, G. D. Anderson Jr., Mrs. A. F. Phillips, Geo. W. Jones, Sterling Donaldson, O. M. Hammonds;

Mrs. Sam Williams, John McGehee, Mrs. Delbert Garner, Glen Scott, L. L. Cooper, James Robinson, Truett Hardage, Mrs. James D. Roach, Jimmy Ware, Frank Hinkson, Donald Christian, Riley Goodnough, Willie Steinbock, Mrs. Frank Edwards, Connie O'Brien, Archie L. Tarter, Melvin Terry, Ewell Mitchell, Jack Waltman, Ben Foster Jr., Earl Peterson, A. H. Haseloff, Monty Barrett, Mrs. L. L. Norton.

Teachers Meet Here Monday

Parmer County school teachers will have a meeting in Bovina Monday at 6:30 p.m., Superintendent Warren Morton announces.

A Social Security representative will be present to give a brief report, Morton says. Bovina school cafeteria staff will prepare meal which will be served.

Approximately 110 teachers from county's four schools are expected to attend.

Party Honors Margaret Minter

Mrs. Ferguson Has Meet

Margaret Ann Minter, daughter of Mr. and Mrs. Henry Minter, was honored with a party on her sixth birthday February 14 at her home.

Mrs. John Ferguson hosted monthly meeting of Mary-Martha Sunday School Class of First Baptist Church Tuesday evening in her home.

Valentine theme was carried out in table decorations and refreshments. Birthday cake in shape of a heart decorated with poodles, and soft drinks was served to guests.

The group discussed visitation and had reports on average attendance.

Favors of horns, hats and valentines were given to youngsters.

Friona Women

Those present were Cindy Read, Candy Turner, Jana and Joni Rogers, Gaylen Holcomb, Terry Sherrill, Bobby Wayne Englant, Regina Kelly and Darla Hawkins.

C of C Guests

Nancy Mitchell Has B'day Party

Bovina Church of Christ women entertained Church of Christ women of Friona Wednesday morning after church services.

Nancy Mitchell, daughter of Mr. and Mrs. Dean McCallum, celebrated her tenth birthday last Friday with a slumber party at her home.

The guests were served refreshments of coffee and cinnamon rolls in ministers home by Bovina women.

The girls were served dinner and refreshments of chips, dips, candy and fruit during the evening.

Friona guests present were Mrs. L. H. Nettles, Mrs. James Procter, Mrs. John Blackburn, Mrs. Newman Jarrell Sr., Mrs. Sally Cocannouer, Mrs. Jewel Cummings, Mrs. John Hays, Mrs. Elvin Wilson, Mrs. Hattie Snead, Mrs. Jinx Snead, Mrs. Lesse Watson, Mrs. Daisy Miller, Mrs. Lorraine Welch, Mrs. Jamie Lu Lillard, Mrs. Irene Gee, Mrs. Ralph Robinson, Miss Hilda Esquivel, Mrs. Doris Boggess, Mrs. Paul Smith, Mrs. David Grimsley, Mrs. Lucy Welch and Mrs. Fadine Wooley.

Attending were Karen Bell, Candy Wilson, Jacqueline Gaines, Cindy Crump, Rhonda Ragsdale, Pam Grissom and the honoree.

Why FFA Week is Observed During February

National FFA Week comes every year during the week of the anniversary of the birthday of George Washington. Although usually considered first as a great general, our first president, and an engineer, George Washington's first love was the farm he called Mount Vernon. There he was one of the first in the nation to practice contour planting, crop rotation, and other soil conserving methods. Probably no other man in America of his day spent more time seeking new agricultural information, either by experimentation on his own farm, or by correspondence with agricultural scientists in England. The title of America's first "scientific farmer" might be applied to Washington. It was more than a century after his death that many of the sound agricultural practices he advocated found general practice.

It is out of deep respect and admiration for George Washington, the farmer in whose progressive ways they seek to follow, that Future Farmers annually observe their National FFA Week at the time of his birthday.

DADS' SOCK SUPPER -- O. M. Hammonds and daughter, Maurene, left, and R. L. Douglas, Jr. and daughter, June Gay, are shown enjoying sock suppers at a recent social for members of Bovina High Future Homemakers of America and their fathers.

FHA Has Sock Supper For Dads

Dads of FHA members were honored at a sock supper Monday night of last week in home-making cottage.

Girls packed suppers for themselves and their dads in socks.

After the meal, humorous contests were held with fathers

as contestants. These consisted of a backward spelling bee, blindfolded smell and taste sessions of things found in kitchen such as salt, sugar, flour, vinegar, etc., and a thread-the-needle contest.

Those attending were Vicki Strawn, R. L. Douglas, Jr. June Gay Douglas, Alva Hudson, Joyce Hudson, Amos Shockley, Myrtle Schockley, O. M. Hammonds, Maurene Hammonds, Judy Crawford, Judy Strawn, G. R. White, Barbara White, Kathy Jones, Patricia Crawford, Roy Crawford, Lana Drager, M. L. Drager, and Mrs. and Mrs. Charles Thompson and Mark. Mrs. Thompson is homemaking instructor.

Widow's Club Meets With Mrs. Wheeler

Word games and special entertainment provided by Mrs. Betty Adams, Mrs. Ethel Glover, Mrs. J. R. Caldwell and Mrs. Lillian Wheeler, highlighted the program at Widow's Club Thursday.

Hosting the luncheon meeting in her home was Mrs. Lillian Wheeler.

Attending were Mrs. C. O. Edens, Miss Ellen Reminsnyder, Mrs. J. Sam Gaines, Mrs. Betty Adams, Mrs. Ola Free, Mrs. Lula Smith, Mrs. Margaret Caldwell, Miss Rita Caldwell and Mrs. J. R. Caldwell.

Next meeting is scheduled March 15 in home of Mrs. J. R. Caldwell.

Restaurant Scene of Breakfast Meet

Bovina Restaurant was scene of a breakfast meeting for Bovina Church of Christ Women Wednesday morning.

They discussed a food committee and made plans for visiting and aiding the sick.

Attending were Mrs. E. E. Woelfel, Mrs. Lady Armstrong, Mrs. MelGunn, Mrs. J. R. Caldwell, Mrs. James Boardman, Mrs. Billy Marshall, Mrs. Robert Read, Mrs. Rex Bearden, Mrs. Levi Johnson, Mrs. Billy Johnson, Mrs. Jay Sherrill, Mrs. Robert Calaway, Mrs. Paul Jones, Mrs. Lloyd Killough, Mrs. Joe Pinner, Mrs. Buck Ellison, Mrs. Howard Ellison, Mrs. Elvin Johnston, Mrs. Don Stone, Mrs. Sam Sudderth, Miss Joyce Marshall Miss Kay Bearden and Rex Bearden.

WMU Meets In Home Of Mrs. Bradshaw

Mrs. E. H. Moody was program leader at a regular meeting of Baptist W. M. U. Tuesday morning of last week in home of Mrs. H. D. Bradshaw.

Title of program was "The Catholic Plan for America." Ladies helping with the program were Mrs. J. O. Combs, Mrs. R. N. Williford, Mrs. Ovid Lawlis, Mrs. W. W. Wilcox and Mrs. P. A. Adams.

Others present were Mrs. Allen Cumpston, Mrs. Sam Berryman, Mrs. Harry Smith, Mrs. French Crook, and Mrs. Don Murphy.

Mrs. Bradshaw served hot biscuits, butter, jelly and coffee.

Latin American Dishes Featured At Luncheon

Latin American dishes were featured at monthly luncheon of Woman's Society of Christian Service Wednesday at Fellowship Hall of Methodist Church.

Table decorations carried out Valentine theme. "Christian Social Relations" was title of program presented by Mrs. Hallie Gee, Mrs. John Dixon showed a film relating to program and Mrs. Lee Jones, special guest from Oklahoma Lane Methodist Church, gave short discussion on Christian-social literature.

Those present for the meeting were Mrs. Mable Newberry, Mrs. Ralph Roming, Mrs. George Turner, Mrs. Earl Ware, Mrs. L. M. Grissom, Miss Lola Grissom, Mrs. Rouel Barron, Mrs. H. L. Ivy, Mrs. Billie Sudderth, Mrs. P. O. Dixon and those on program.

Lullaby Shower Will Honor Mrs. Billy Johnson

Mrs. Billy Johnson will be honored with a lullaby shower Friday, February 23 at the home

of Mrs. Sam Sudderth, from 2:30 to 5:30 p.m. Friends are cordially invited.

Bridge Club Entertained

George Washington theme was carried out in table decorations and refreshments at Thursday Afternoon Bridge Club recently at home of Mrs. Bedford Caldwell.

Winning prizes for the afternoon were Mrs. Vernon Willard, high, Mrs. Vernon Estes, second high and Mrs. Jimmy Charles, low.

Following an afternoon of bridge refreshments of individual cherry pies topped with whipped cream and decorated with flags, coffee and tea were served to guests.

Those playing were Mrs. Johnie Horn, Mrs. Durward Bell, Mrs. Jimmy Charles, Mrs. Leon Grissom, Mrs. Dean McCallum, Mrs. Don Sides, Mrs. Vernon Estes, Mrs. Leon Ware, Mrs. A. M. Wilson, Mrs. Vernon Willard, Mrs. Jim Hemke and Mrs. Mack Ragsdale.

Shower Monday For Mrs. Harmon

Mrs. Dale Harmon will be honored with a pink and blue shower Monday at 10 a.m. at Baptist parsonage.

All friends are cordially invited to attend the coffee.

Vegetable Crop Prospects Good

Farmer County Vegetable farmers will begin work on the 1962 crops shortly providing the favorable weather continues.

Present conditions appear very favorable for vegetables at present although several additional factors will affect the produce this year.

One of the main problems which vegetable farmers in this area will be faced with is the changes being instituted by the Labor Department. Should the department repeat its recent action of raising the minimum wages paid to laborers, many of the local vegetable growers will probably feel the financial pinch.

Wage for lettuce harvesters was set at a minimum of \$2 per hour recently. The heavy freeze in the Rio Grande Valley which destroyed a portion of the produce in that area is expected to raise the price of most types of produce

in this area. The change in cotton acreage determination will also affect produce—specifically, it will affect potatoes. Cotton planted with two rows in and two rows out will not be measured by total area in determining allotment as has been done in the past. The two rows not planted will not count on total allotment this year.

The Potato Growers Association at Shafter, Calif. reports an approximate 18 per cent reduction in potatoes in that area as a result of the two in, two out change.

It is also anticipated that farmers in the Imperial Valley in California will not raise as much produce as in the past because of "labor problems."

"Prospects for a good county crop look very good at present, but changes in the labor situation could change the picture a great deal," Deryl Coker, county agent, said.

W. D. Buske keeps the wheat leveled in the truck as the farm stored grain is brought out for moving. Wheat prices are approximately 20 cents higher than when the wheat was stored last spring. Storage payments plus the possible increase in price at a later date makes farm storage appear profitable. Buske moved approximately 30,000 bushels of wheat from his storage barn last weekend.

County FU Group Visit Washington

Sam Bradley and Mr. and Mrs. Freeman Davis, of the Lazbuddie-Muleshoe area, represented Farmer County Farmers Union in Washington during the week of Feb. 5.

They were participants in the 13th Annual Farmers Union Bus Tripper program, organized and conducted by the Texas Farmers Union in cooperation with the national branch.

Members from North Dakota and Illinois were also in Washington.

Members are provided with an opportunity through participation in the bus trip program—to visit judicial and executive branches of government and to talk to their congressmen and senators about issues and policies important to farmers. The representatives from Farmer County Farmers Union met with Walter Rogers, George Mahon and others.

Some of the issues that were discussed were adequate loan funds for the Farmers Home Administration and Rural Electrification Administration, extension of the Social Security system to provide health care for the aged, and the taxation

of farmers' co-operatives. The farmers told their congressmen that the farm income and price situation was critical and that a new long range farm bill was needed which would solve the problems of surpluses and at the same time, raise farm income, according to Davis.

The current proposals to drastically revise tax revenues in regard to farmers' co-operatives were given a great deal of attention by the farmers in their discussions with their congressmen. Members of delegations pointed out that certain proposals would add greatly to burdens of farmers and weaken co-operatives, Davis said.

The group also had an opportunity to discuss current agriculture programs with the officials of the United States Department of Agriculture.

Hale Tests Prove Soil Test Value

Result demonstrations in Hale county have shown the value of a soil test in determining fertilizer need. The demonstrations were conducted by Charles Cypert, associate county agent, together with farmer co-operators in the county.

On the Charles Bucy Farm, the soil test recommendation called for 60 pounds of nitro-

gen and 30 pounds of phosphorus as P205. Mr. Bucy's crop yielded 602 pounds of lint per acre without fertilizer. With the application of 60 pounds of nitrogen, the yield was 678 pounds per acre. The 60-30-0 rate increased the yield to 731 pounds of lint per acre.

Treatment with nitrogen alone returned \$18.00, additional profit per acre, while treatment with the soil test recommended rate returned an extra \$30.60 per acre.

The demonstration on the Bert Lane farm yielded 558 pounds of lint per acre without fertilizer. Application of the soil test recommended rate of 60-50-0 raised the yield to 965 pounds of lint per acre. Per acre yield where 10 pounds of nitrogen and 50 pounds of P205 were applied was 691 pounds of lint.

Added net return due to the application of the recommended rate was \$112.00 per acre. The increase from nitrogen alone resulted in a net return of almost \$100.00 per acre, while application of the 10-50-0 returned \$33.00 per acre.

Cypert points out that in both

of these cases the application of a soil test recommended rate returned the greatest net profit per acre. This is typical of the results that farmers are obtaining by using soil tests to determine fertilizer needs. Have you had your soil tested?

THE HIGH PLAINS FARM AND HOME

To Control Screwworms

Sterile Fly Drop Launches Program

Texas' multimillion dollar screwworm control program is underway. It was launched Wednesday morning (Feb. 14) when sterile male screwworm flies were air-dropped over Hays county.

The release -- first of its kind in the Southwest -- was timed to coincide with a meeting of the Southwest Animal Research Foundation in Austin. More than 400 livestock producers and sportsmen from Texas and adjoining states attended the kick-off meeting. The fly release climaxed the efforts of thousands of stockmen and sportsmen who have worked on the program for many weeks.

C. G. Scruggs, president of the SAHRF, said the program involves the U. S. Department of Agriculture, Texas Animal Health Commission, Texas A&M College and the research foundation. He reported that contributions by stockmen and sportsmen now totaled approximately \$1,400,000. An intensive drive will be continued, SAHRF officials said, until the \$3 million goal is reached. Scientists, capitalizing on freeze-out of overwintering screwworms in January, believe there is an opportunity for lowering -- if not totally eradicating -- screwworms from Texas this year.

The program will follow the pattern of the successful eradication effort in Florida and the Southeast. Millions of artificially raised male screwworm flies, made sterile by exposure to radioactive material, will be released in the overwintering area in South Texas and in a "buffer zone" along the southern border of the state. A giant screwworm pro-

ducing plant will be constructed in South Texas with an expected capacity of 50-75 million flies per week. Facilities at Kerrville Lab will eventually produce 20 million flies each week. Dr. S. Gartman, who has charge of the Kerrville fly facilities, will head operations at the new plant.

Speakers at the kick-off meeting included Dolph Briscoe, Jr., Uvalde, president, Texas and Southwestern Cattle

Raisers Association; Dr. F. J. Mulhern of USDA's animal disease eradication division, and Dr. R. S. Sharman, ADE staff officer, who explained how the program will operate.

Release of sterile flies is only half the job, they said. The remainder is up to the stockmen. If maggot infestation is found, stockmen are asked to remove 10 from the bottom of the wound and report to their county agent for a positive identification.

HE Consultant Gives Program On Laundrying

"How can I wash clothes to keep them looking like new?" "How much detergent should I use?" "What's the difference in soaps and detergents and which is better?" "Why do clothes look yellowed after laundering?" "What is meant by water hardness in laundering?"

These are a few of the questions that will be answered in a county-wide program "All About Laundering" for everyone who launders clothes, Miss Lily Johnson, Home Economics Consultant at Dallas, will present a laundry demonstration Tuesday in the Hub Community Center. For convenience of all the program will be presented at 1:30 to 3:30 p.m. and 7:30 to 9:30 p.m. during the day.

Miss Johnson is Home Economics Consultant for the Southwestern Area of Philco Corporation. She has been associated with the appliance industry since 1945 working with laundry equipment, laundry aids, and fabrics.

To be included on the program are use of bleach, water softeners, fabric softeners, temperatures of washing and drying of natural fibers and man-made fibers, amounts of detergents for laundering, hardness of water, cost comparisons of different laundry aids, water capacity of washers, difference of low sudsing and high sudsing detergents, and many other answers to laundering problems.

Rural Hero Still Sought

There is still time to get in a nomination for the Texas Farm and Ranch Safety Council's Rural Heroism Award. Deadline is March 1.

The award, an engraved plaque, will be presented to the winner during the annual meeting of the Texas Safety Association scheduled for late March in Dallas.

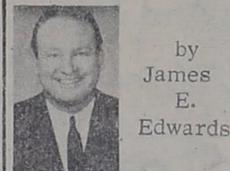

The Council points out that acts of bravery occur in many Texas communities each year which are eligible for the award.

Nominations are limited to persons who live in rural areas or in communities of 2,500 population or less. The act of bravery performed might have been in the removal of a person from a burning building, rescuing someone in danger of drowning or rescue work carried out in connection with storms or floods.

A brief written report covering the deed and a short statement about the nominee along with news clippings, if available, should be mailed before the deadline date to Texas Rural Heroism Award, 546 Rio Grande Building, Dallas 2, Texas.

By recognizing heroic rural service in this manner, the Council believes the award will help rural residents see the need for improved safety conditions in their homes as well as where they work and play.

FOOTSAVING EDUCATION

These Movable Parts Nearly A Hundred Of Them -

are movable for a purpose. If the foot wasn't elastic and mobile it would be rigid, without yield on weight-bearing. When you walked, with every weight-bearing step the foot would feel a clump-like shock. You couldn't walk two blocks without having to stop because of the constant jarring to your whole nervous system. Thus, the elastic or mobile foot comes with a built-in shock-absorbing system. The "give" to the foot-thanks to all those muscles, tendons, ligaments and joints-enables one to walk with ease and pleasure. But that same shock-absorbing system also requires a constant change of shape and size in the foot. (cont)

The HAPPY HOMEMAKER

BY JUNE FLOYD

If you don't have a stand by for fluffy icing, clip this one and use it often.

Fluffy Seven-Minute Icing
2 egg whites, unbeaten
1 1/2 cups sugar
Dash of salt
1/2 cup water
1 tablespoon light corn syrup
1 1/4 teaspoons vanilla

Combine egg whites, sugar, salt, water, and corn syrup in top of double boiler. Beat 1 minute, or until thoroughly mixed.

Then place over boiling water and beat constantly with sturdy egg beater (or at highest speed of electric beater) 7 minutes, or until frosting will stand in stiff peaks. (Stir frosting up from bottom and sides of pan occasionally with a rubber scraper, spatula, or spoon.)

Remove from boiling water. (For a very smooth and satiny frosting, pour at once into a large bowl for final beating.)

Then add vanilla and food coloring, if desired; beat 1 minute, or until thick enough to spread. Yield: enough to cover two 9-inch layers.

CHILLED PICKLES

4 quarts sliced cucumbers, medium size
6 medium onions sliced
3 cloves of garlic
1 sweet red pepper
1/3 cup salt
3 cups distilled white-vinegar
5 cups sugar
1 1/2 teaspoon celery seed
1 teaspoon turmeric
1 tablespoon mustard seed
Slice cucumbers thin. Add onions, sliced, garlic, and pepper, cut in narrow strips. Add salt. Cover with cracked ice. Mix thoroughly. Let stand 3 hours. Drain. Combine remaining in-

gredients and pour over cucumber mixture. Heat to boiling and seal in jars. Makes 8 pints.

SOUTHERN PECAN PIE

Arrange in 9" pie shell:
1 cup pecan halves
Beat:
3 eggs
Add and blend:
1 cup light corn syrup
1 tablespoon melted butter
1/2 teaspoon vanilla
Combine:
1 cup sugar
1 tablespoon flour
Blend with egg mixture and pour over nuts in pie shell. Let stand until nuts rise, so they'll get a nice glaze during baking. Bake in 350 degree oven 45 minutes.

LEMON CHESS PIE

1 cup milk
1/2 cup butter
1 tablespoon flour and 1 tablespoon meal mixed with sugar
5 eggs
1 large lemon and rind
1/3 teaspoon lemon extract.
Cream Butter, sugar, corn meal, and flour. Add eggs one at a time. Add milk and Lemon and Rind. Place in unbaked pie shell. Cook 40 to 50 minutes at 350 degrees

BANANA CREAM PUDDING

Make a filling of two cups of milk, 1 1/2 cups sugar, 2 egg yolks, 2 tablespoons of flour. Cook in double boiler until thick custard. When cool, add 1 teaspoon of vanilla. Arrange layer of vanilla wafers, or stale cake crumbs, in bottom of dish. Then add a layer of sliced bananas; a layer of filling. Alternate layers and top with beaten egg whites and brown in oven. Pineapple may be used instead of bananas.

SOIL CONSERVATION DISTRICT NEWS

The construction of flood detention structures along Running Water Draw is a feasible project, according to the preliminary investigations made by the Soil Conservation Service team from the state office in Temple, Texas.

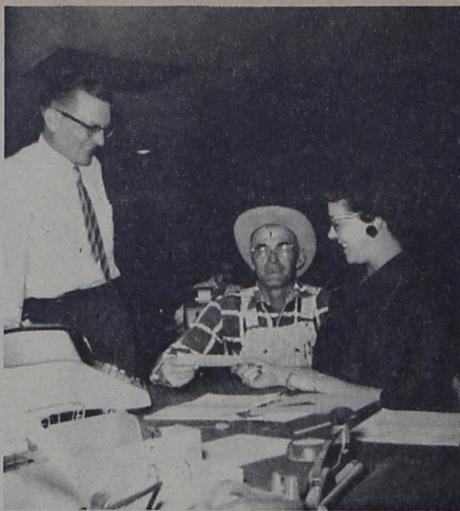

This was the information presented at a meeting of Soil Conservation District Supervisors, county commissioners, local farmers and interested business men in Dimmitt. All of this came as result of an application submitted to the Soil Conservation Service by the board of supervisors of the Hale County Soil Conservation District. The soil conservation districts in Lamb, Swisher, Castro and Parmer Counties have agreed to co-sponsor this application with Hale County, Curry County in New Mexico has been asked to join in the project since Running Water Draw heads in that county.

For a project like this to be justifiable under the Watershed and Flood Detention Act, the damage that has been inflicted to property, both on farms and in towns, must equal or exceed the cost of such a project. The damage to the city of Plainview along with the damage to farms along the draw well exceeds the cost of 10 to 12 structures that would be needed to halt another flood like the one in 1960.

Even though there is very little damage from flood water here in Parmer County, this is an excellent opportunity to build structures and impound water for recreation, irrigation or even municipal water supply if the people of this county want.

Let's say that a land owner has an ideal site for construction of a dam on his land. If he does not want the structure on his land, then other sites will be sought for either upstream or downstream. Let's say again that this landowner that has an ideal site on his land gives an easement for construction of a dam. After construction is completed this landowner still has full rights of the land as before, with exception that qualified persons would come in occasionally to inspect and maintain the structure as needed. The land owner may pump the water for irrigation, stock the lake with fish or do as he pleases since the land still belongs to him.

The growing water shortage in the Southwest is something that needs to be taken seriously. This is a chance to hold some of our runoff water that is being lost to the downstream areas. We need all the water that can be held here in the Parmer County Soil Conservation District.

Jack Glenn, Farwell, receives the first layout payment check under the 1962 feed grain program at the Farwell ASC office. Prentice Mills, office manager, looks on as Dorothy Gast presents the check. Mills reports that 458 farms have been signed and payments of \$631,000 had been made by Tuesday.

Feed Grain Price Support Eligibility

How does a feed grain producer become eligible for price support on his 1962 crop?

County Agent Deryl Coker says that although the 1962 Feed Grain program is voluntary, corn and grain sorghum producers must participate in it if they want to be eligible for price supports on this year's corn and grain sorghum crops. Also, Coker points out that oats and rye will be eligible for price supports only if the farm participates in the barley or the corn - grain sorghum programs.

Thus, eligibility for 1962 - Crop Price Support, says Coker, is determined as follows:

- (1) For corn and grain sorghum there must be a minimum reduction of 20 percent from the 1959 - 60 average acreage of these crops, and the producer (other than certain producers of malting barley) must not exceed the farm's barley base.
- (2) For barley there must be a minimum reduction of 20 percent in the average 1959-60

ducers of malting barley.

(3) A grower of oats and rye will be eligible if the farm complies with either the corn-grain sorghum program or the barley program.

Anyone interested in the use of data processing for keeping beef cattle production records should get a copy of the recent Extension Service publication B-978, "Using Data Processing Equipment To Keep Beef Cattle Records." This bulletin contains a thorough discussion on the use of this service, as well as information on what is necessary to employ it. A copy may be obtained from the local county agent.

INTRODUCING -- LITTLE ELK NO. T-950 -- Standing at Stud, Little Elk is a registered Appaloosa with four generations of spots on both his Sire and Dam side. Its very few Appaloosas that you ever see with quarter horse head and ear, quarter horse conformation and still have this dominant color distinction, Little Elk is red roan with leopard spots. With this, you can put a distinctive color on your colts from good quarter mares and never have a doubt but what you bred to a top quarter horse. Stud fee for 1962, \$50.00. Little Elk is owned by Jake Snipes and Sons (Snipes Appaloosa Acres) Rt. 3 Box 215 Clovis, New Mexico Phone No. PO 3-7570 or PO 3-3455. We are also standing a 51" Registered P.O.A. Appaloosa Stud No. T-1733. Stud Fee \$50.00. You are invited to look at our Stallions.

WHEAT SUPPLY AND DISTRIBUTION

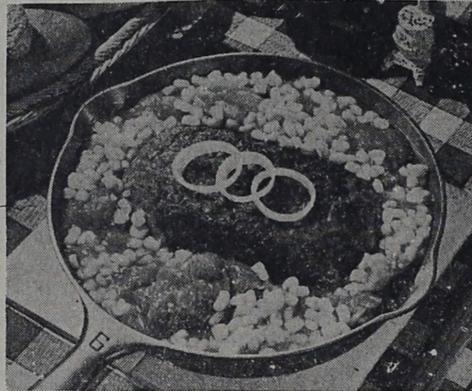

Price Supports Affect Income

"Parmer County farmers should study how participation in the 1962 Feed Grain Program will affect their net farm income," says County Agent Deryl Coker.

He can now provide budget forms to county producers of corn, grain sorghum, and spring barley. Farmers can use these forms in estimating net income if they participate or don't participate in the program. By comparing these estimates, Coker says, farmers will have a better basis for making their decision.

Under provisions of the program, farmers will receive payments for diverting to conservation use 20 to 40 percent of their feed grain acreages. In addition, feed grain crops raised on remaining land will be eligible for price supports. So farmers have several alternatives on extent of participation. Each will have a different effect on their net income, Agent Coker points out.

A PICNIC IS A PICNIC, the Texas Beef Council feels, whether it's served in the back yard or beside a cool stream far from the city. To make a memorable outing in any setting, serve this delicious, inexpensive ground beef Skillet Supper.

Richard E. Bell of the U.S. Department of Agriculture's Economic Research Service reminds us the Russians need a farm labor force 6 1/2 times bigger than ours—or about 45% of the available Russian labor—to supply a population only 20% greater than ours. The American farmer is supplying 182 million of us with nearly all of our food and fiber and there's enough left over to export one-sixth of his cropland output.

Art of the Ages in Modern Glass

Artists and artisans have always found inspiration in the signs of the Zodiac which are used here in gold coins on green glass, all around this modern Zodiac casserole. It can go from refrigerator to stove to table where it rests in style on a brass stand and candle warmer. One, or more, of these would be stunning for a buffet party while their everyday uses are endless. Among others, it would serve nicely as a soup tureen. It is also an unusually tasteful and useful gift especially for a bridal shower. For a plus, type a few good casserole recipes on three by five cards, cover them with cellophane and tie together with a pretty ribbon! Linen fish print towel by Vera. Casserole, 2 1/2 quart size, \$7.95 by Corning Glass.
