Bovina, Texas

VOL IX, NO. 21

WHITTLIN'

By DOLPH MOTEN

Another opportunity is knocking on the door of Bovina and Parmer County.

Pheasant season, scheduled again this year for the first week in December, will attract several sportsmen, with some of them, possibly many, coming from outside the county.

While pheasant season isn't likely to be an earth-shaking event here this year, it is expected to be the best ever and could lead to something big.

How we treat visiting hunters can and will have a lot of effect on how well pheasant season goes over in years to come.

Farmers who control the land, and thus the game birds, have the say about who can hunt on their land. However, it is our understanding that the people who stocked the birds a few years ago agreed to have controlled hunting when and if the season was opened. This same agreement is still in effect. There's nothing binding, of course, if an individual farmer doesn't want his place hunted. That's strictly his business and no more questions need be asked.

However, it appears that most farmers are as much for the pheasant season as are the most avid hunters. Many times the farmer and the hunter are the same individual.

The problem isn't with people who live here and are acquainted with the area, know the farmers and even where the pheasants are most likely to be. The thing we need to deal with, as we see the situation, is with strangers can go to get correct information about where they can and can not hunt.

The obvious answer is that it will be necessary to consult with each individual farmer. But there might be an easier way, if we had enough organization...

Some agency, possibly the chamber of commerce, could have a list of farmers who were interested in having pheasant hunters and another list of those who weren't. Hunters could report there when arriving in the area and could at least get information about where they couldn't hunt. They would still need to get approval from individual landowners, of course, but possibly this, too, could be arranged through a central station which would be responsible to both hunters and farmers.

This agency could also collect, through the cooperation of the hunters, invaluable information about the season, approximately how many birds were killed, how many hunters participated during the season, where most of the birds are located, etc.

Somebody figured out once that a tourist was worth as much as a bale of cotton "and is a whole lot easier to pick." We don't know if pheasant hunters from outside the area can be considered tourists or not, but it seems to us that the principal is the same.

As we pointed out earlier, pheasant season this year isn't going to be the biggest thing to ever happen, but if we do our part to make the hunters happy this year, they'll be back in years to come and will bring their buddies with them.

Pheasant season could be the biggest week-long attraction to people away from our area that we've ever had. Cultivated correctly, it could get to be a fine thing from the standpoint of both finances and fun.

We've never lived in a bird hunting center and most of our ideas aren't based on experience. They may also be worth just what we're charging for them here.

Basic questions, for instance, which we don't know the answers to are: How good will hunting be? How plentiful are the birds?

When we're approached with questions like that, we can't be specific, of course, because of a lack of knowledge. We reply, though, that the people who are in a position to know say the birds are more plentiful than ever.

Not to be overlooked is the longest tailfeather contests which have been sponsored in the county the past couple of years by individual businesses through cooperation of Parmer County Game Management Association. This is already a start in the direction we're sug-

At West Crossing Saturday --

Five Escape Injury In Car-Train Wreck

An automobile-freight train collision demolished a 1961 Chevrolet here at 3:20 p.m. Saturday. None of the five passengers in the car was injured.

The accident occurred at the crossing on Third Street.

A car driven by Roel M. Garza, travelling north, which was apparently about a foot off the track, was hit by the through west-bound freight train, sheering off the radiator. The

impact spun the car around and its rear end was thrown into the side of the train, demolishing the rear, according to a witness.

Not a window was broken in the automobile and the five passengers escaped without injury.

Riding in the automobile with Garza were his wife, Beatrice Vasquez Garza, Mr. and Mrs. Erasmo Vega, Jr. and Jose Garza.

Damage to the train was not extensive, but small parts of it were scattered over the scene. Portions of the car were also

The radiator was sheered off, a portion of it visible in the foreground at left, and the rear mangled. The driver, Roel M. Garza, in light sports jacket at right, and a Highway Patrolman are looking over the wreckage.

Vocational Survey Not Completed

Farmers in Bovina Independent School District are urged to return forms concerning the vocational survey as soon as possible. Tom Templeton, grade school principal, said this week.

Survey of the business district is nearing completion, he said, and has been conducted by teachers in the school system. However, there are still many farmers who have not filled in the necessary information and returned them to the school.

The survey is being conducted in the hopes of receiving additional vocational training for students in the schools.

In addition to the helicopter rides, those attending open house are invited to register for the 12 noon drawings, when merchandise will be awarded to the winners, who do not have to be present to win.

Citizens are invited to spend their coffee break at the open house and take advantage of the refreshments, Nance says.

Official announcement of the open house is made in an advertisement in this issue of The Blade.

Know The Truth

By Lavern Stewart

Do you want to go to heaven? If you do, you must pay the price. But someone will say that he thought that salvation is free because it is a gift. Salvation is a gift, but a conditional gift. The condition is a hearty obedience to the will of God. Notice that Hebrews 5:9 tells us that Jesus became the author of eternal salvation to all who obey Him. We must meet the conditions of discipleship, Luke 14:27, "Whosoever doth not bear his own cross, and come after me, cannot be my disciple." In the verses that follow the one quoted, Jesus illustrates this point by saying that one would not build a tower unless he first "counted the cost." Now notice the final emphatic statement by Jesus, verse 33, "So likewise whosoever he be of you that forsaketh not all that he hath, he cannot be my disciple." To bear the cross not only means denying ourselves many things enjoyable, but it also involves spending time, money, effort, prayers, and even tears in the service of God. Our price is "ourselves" given to God just like He gave His Son and the Son gave his life for us. Paul spoke of some "first" giving themselves to the Lord and thereafter giving liberally of their money. Because one is commanded to believe, John 8:24, repent of his sins, Luke 13: 3, and be baptized for the forgiveness Acts 2:38, to become a child of God, and thereafter is taught to be faithful until death, Revelation 2:10 -- from the mere doing of these things one must not conclude that they "earn" salvation for him. Nothing but the blood of Christ could ever erase one sin, yet we must perform these acts of obedience so as to become united with Christ, if one is in doubt about salvation being a "conditional" gift, then let him read the many times in the Bible that God blessed man only after man had done all that God told him to do. One such example is the walls of Jericho falling down after the Israelites did what God said for them to do. One who loves God will not be irked by having to obey God because John said the commands of God are not grievous, 1 John 5:3.

Our point is:
Opportunity is again knocking on Bovina's door. How great the opportunity is depends on how wide and how politely we open that door.

This week, for once, we're extremely glad we have so many Texas Tech football fans for friends and acquaintances. After their team's upset win over Arkansas they're the happiest group we've ever seen and it's wonderful for a man to have happy friends.

If the Fightin' Texas Aggies outscore the Texas U. Teasappers in their annual Turkey Day game, we'll have something to talk about this winter, too!

TEN YEARS AGO
Nov. 28, 1956

John Teetem Wilkerson Post 518, Bovina American Legion, may be re-organized. A meeting of post members has been called for Thursday night at 7:30 in the American Legion Hall, Elton Venable, a member of the Legion board of directors, has announced.

Neil Smith, back; Sonny Brito, tackle; and Dickie Steelman, guard; were members of Coach Bob Willis' Mustang football team named to the All-District 3-B second team. Charles Haney, end, and Kent Glasscock, center, received honorable mention.

Several local merchants met with members of Bovina Junior Chamber of Commerce Saturday noon to discuss changes in the operation of Boost Bovina Days which are held each Saturday.

Mrs. A. B. Wilkinson was the lone winner in Saturday's Bovina merchant-Jaycee-sponsored drawing. She was awarded the "middle size" prize of \$10.

Darla Hawkins, 14-month-old daughter of Mr. and Mrs. Charles Hawkins, broke her left arm Thursday in two places when she fell from a chair at home.

Rev. Virgil Goodwin, pastor of the First Baptist Church, spoke to Bovina Lions Club members Thursday night at a regular meeting. Title of Goodwin's talk was "Thanksgiving."

Tomorrow (Thursday) is 1956 Thanksgiving number two for Bovinians. The first was, of course, last Thursday which was the national Thanksgiving. Most of Bovina is going along with the state holiday.

Brick layers are "going up" with the addition that is being built onto Willford Gym. The additional room will, when it is completed, serve as a concession stand. It is seven feet wide and 30 feet long.

About 125 persons attended the annual meeting of the Parmer County Farmers Union in the school cafeteria Tuesday evening.

SIX YEARS AGO
NOV. 30, 1960

Three temporary committees were appointed at first director's meeting of newly-organized Bovina Chamber of Commerce and Agriculture last week.

Chances are good that a home Christmas decoration contest will be sponsored here again.

The annual event, which was originated by Bovina Jaycees three or four years ago, has more recently been sponsored by Bovina Lions Club.

At the regular meeting of the Parmer County Commissioners Court Monday, the commissioners acted on a jury of view report, voted to pay a right-of-way claim on Highway 70-84, and conducted other routine business.

Monday, Dec. 26, the day after Christmas, will be a holiday in Bovina. Announcement of the holiday was made by Mayor Emmett Tabor.

Brenda Jones, Janice Leake and Marilyn Brandon, who compose the Wilsonaire's Trio under direction of Mrs. John Wilson, performed at KCLV's annual birthday celebration at Marshall Auditorium in Clovis last Tuesday evening.

The Lazbuddie Basketball tournament begins today (Thursday) with 16 teams vying for trophies.

Bovina Mustangs footballers were honored with two positions on All-District 2-B team and two positions on second team. First team includes End Bill Strawn, senior, and Quarterback Don Caldwell, senior. On the second team are Guard Delbert Hall, senior, and Halfback Jon Riddle, senior.

Bovina boys receiving honorable mention were Tally Kelso, tackle; James Clayton, guard; Gary Stevenson, center; and backs Buddy Turner and Don Cumpton.

In spite of widespread hail damage on this year's crop, grain sorghum production in Parmer County this year apparently hit another all-time high. Overall production will probably be in excess of 22 million bushels.

MRS. JERALD R. GOBER

Betty Ann Richey Weds Jerald Gober

In a candlelight ceremony on Nov. 5 at Northside Baptist Church in Hobbs, N.M., Betty Ann Richey became the bride of Jerald R. Gober, with the Rev. Robert Tremaine performing the ceremony.

The chancel of the church was decorated with bouquets of antique gold chrysanthemums, lemon foliage, and Baker's fern arranged against a background of gold branched candelabra holding white tapers. The sanctuary railing was decorated with garlands of fern, white candles and clusters of gold chrysanthemums. A white aisle cloth marked the bridal aisle, and the couple knelt on a white wrought iron prie dieu for the benediction. Pews of the church were marked with clusters of gold chrysanthemums, greenery and white satin bows.

The bridegroom, son of Mr. and Mrs. Webb Gober, Farwell, was attended by Nathan Moore, Lubbock, as best man, Ushers were Gibson Hoffman, Lubbock and Mike Paine, Levelland, Tim Tremaine served as ringbearer. Candles were lighted by David Stewart and Alan Gober, brother of the groom.

Mrs. Robert Pyle was matron of honor. She wore a floor length sleeveless dress of antique gold brocade designed with a portrait neckline. The empire waistline was encircled with a moss green velvet ribbon tied in a bow with long streamers. Her shoes were dyed-to-match, and she carried a cascade bouquet of gold miniature mums trimmed with gold tulle and moss green velvet leaves, tied with loops of green velvet ribbon.

Bridesmaids were Linda Wiseman, sister of the bride, and Kathryn Gober, sister of the groom. Their ensembles

were identical to that of the matron of honor.

Tori Tremaine was flower girl. She wore a floor-length antique gold peau de soie dress designed with brief sleeves and portrait neckline. She carried a white lace basket trimmed with moss green velvet ribbon and leaves and filled with white rose petals.

The bride, daughter of Mr. and Mrs. Earl Wiseman, was given in marriage by her father. She was attired in a floor-length gown of white peau de soie designed with a portrait neckline. Re-embroidered Alencon lace motifs were applied on the sleeveless empire bodice and the A-line skirt. A formal redingote fastened at the front of the waistline with a bow. The elbow-length Kubuk sleeves were heavily appliqued with re-embroidered Alencon lace motifs encrusted with pearls.

Soft pleats at the back of the coat formed a chapel-length train. Her headdress was a caplet of peau de soie petals edged with pearls and accented by a bow holding a tiered veil of imported silk illusion.

The bride carried a cathedral bouquet of white Butterfly roses, stephanotis and camellia foliage accented with white lace leaves and satin ribbon atop a white Bible. For something old she wore a 54-year-old wedding ring belonging to her maternal grandmother; new was her wedding gown; borrowed was a handkerchief belonging to her mother; and blue was a garter. In her shoes were pennies minted in the couple's birth years.

Mrs. Benny Garner was organist and Corrine Case sang, "I Do," "More," and "The Wedding Prayer." A reception was held in the

They were accompanied by Mrs. Morris' mother, Mrs. C. O. Edens, also of Anson.

Mrs. Loucile Foster of Fort Worth and formerly of Bovina, who also made the same tour with the Morris family, attended the meeting here.

The dinner served to about 25 people included ham and trimmings, and a choice of pie and coffee.

A regular meeting of the Eastern Star was held preceding the program.

fellowship hall at the church. The bride's table was covered with a scallop-edged cloth of white satin with a net overskirt. Flowers held each scallop. A four-tiered cake centered the table and was flanked by sterling silver candelabra. Green tulle packets of rice, tied with gold ribbons were distributed to the guests. Presiding at the serving table were Meses. James Waldeck, Katie Atwood and Wesley Stewart. Miss Jo Ann Stewart registered the wedding guests.

For a wedding trip to Las Vegas, Nev., the bride wore a three-piece orange and bone colored double knit wool suit with a box jacket. Her attire was complemented by a corsage lifted from her bridal bouquet.

The couple is now at home in the Conquistador Apartments in Lubbock.

The bride is a graduate of Hobbs High School and attended South Plains Junior College. She was employed by the Hobbs Flare as composing supervisor for three years.

The groom, a graduate of Farwell High School, attended South Plains College and Texas Tech. He is a second lieutenant in the National Guard and is employed by Litton Systems in Lubbock.

Scoopin' Around

By Pat Jacobs

Very rarely does talent come along that is so good it sends shivers up and down the spine. If you were at the Junior Play, no more explanation is necessary. If you weren't, you missed one of the highlights of the year -- the debut of a singer that is not just good -- he's great.

We're speaking of one Carl Harris, better known to most of you as an athlete. He sang with a group, "Leftover Five," who proved to be a thrill themselves -- and then he sang alone. This scribe is not sticking her neck out very far in saying that with some training and some breaks -- the next Nat King Cole may be growing up right now in Bovina.

Carl did not begin singing until the previous Sunday when what became the "Leftover Five" began "fooling around" with a few songs. What everyone heard rocked them back on their heels. No one was more surprised than big Carl's "little-bitty" mother, who heard him for the first time Friday night, when he stole the show with a couple of songs including "Rambolin' Rose."

Some folks downtown said some local ladies used to be pretty fair basketball players. They remember some of them playing when the girls wore black bloomers.

Lula White says they also were required to wear white middie blouses and long stockings. The stockings and bloomers had to overlap so that no part of the body could be exposed. During one game, Mrs. White said some of the girls decided to pull the bloomers higher and then pulled the stockings up a notch.

Almost disgraced, the coach had to call time out to make the players readjust the bloomers to a proper length.

Thursday is Thanksgiving. How few of us stop to remember that had it not been for the first Thanksgiving, for the courage and perseverance of those people who began a new life in a strange new country, Americans might not be able to call themselves free men.

It has almost become unpopular to recall the American heritage and the freedoms for which those early-day men fought. One television personality on a late night show always gets a big laugh from his audience when he makes light of such sentimentality, and even religion.

Since when can we no longer proudly wave our flag and shed a tear when the "Star Spangled Banner" is played? Can we no longer remember that thousands of men have died for us on the battlefield --- from Valley Forge to Viet Nam?

Thank God this Thursday that all men since 1776 have not been beatnik protesters.

"We're counting on you for Thanksgiving dinner. Ed shot something on his hunting trip he's fairly sure is a wild turkey."

Thanksgiving

O Lord,
Thou hast given so much . . .
Give one thing more -----
a grateful heart,
--George Herbert

The common conception of Thanksgiving Day in the United States is that it originated as a festival of praise to God for the abundance of good things he had bestowed upon the first settlers of Plymouth Colony. Quite to the contrary, there was no great abundance. The Pilgrims seemingly had little of material goods for which to be thankful. Here they were on the inhospitable shores of a strange land, separated from their homeland by miles of ocean. Their houses offered poor shelter from the merciless winds and cruel cold. Their food supply was inadequate. They couldn't catch enough fish, their agricultural methods were unproductive, and trade with the Indians faltered because of the plague. That first winter half their number died, and the rest lived in general misery. Yet they assembled to thank God for what they did have. They counted as a blessing their freedom from religious persecution. They appreciated the friendly Indians who helped them in understanding the secrets of wilderness living and agriculture. They were grateful for their faith in God. They were thankful to be alive, with hope for the future. For many years thereafter Pilgrim parents placed five kernels of corn at each dinner plate at Thanksgiving time, as a reminder of the time food was so scarce in the Plymouth Colony that each person was given an allotment of five grains of corn each day to keep alive. We who have inherited this great land bow our heads in humble gratitude and lift our hearts in joyful praise to God from whom all blessings flow.

PEP Schedules Canyon Meet

A meeting of the Panhandle Economics Program (PEP) will be held Wednesday, Dec. 7, from 1:30 until 4:30 p.m. in the Student Union Ballroom of West Texas State University in Canyon, according to Miss Pat Simons, homemaking teacher, and John Paul Jones, vocational agriculture teacher.

It is one of four such meetings being held in the Panhandle of leading businessmen and farmers to discuss the economic problems of the West Texas area and to return to their homes and take action in solving some of them, Miss Simons said.

Other meetings are being held at Dalhart, Borger and Memphis.

Extension agents, teachers and others involved in farm problems attended a recent meeting concerning the PEP undertaking.

All leading citizens of each community in 35 counties are being asked to attend the meetings to help solve some of the primary economic problems facing this area of Texas.

Dec. 5-9 --

Cotton Producers Vote Two Issues

By Prentice L. Mills
Parmer Co. ASCS
Office Manager

Cotton producers will have the opportunity to vote in two referendums during the period of December 5-9.

The questions are as follows:
1. Producers of upland cotton will vote to determine whether a research and promotion order should be issued for upland cotton.

If approved, the program would be financed through assessment of \$1 per bale from upland cotton producers. This program would be administered by a cotton board. The members of this cotton board would be nominated by cotton producing organizations. The \$1 will be collected by cotton handlers designated by the cotton board. What kind of vote will cause this program to become effective?

A total of \$5,000 will be paid by the Texas Forestry Association in 1966 for information resulting in the felony conviction in District Court of any person or persons responsible for committing a felony by willfully starting a forest fire in East Texas.

Approval by two-thirds of the producers voting, or by a majority of the producers voting if that majority accounts for two-thirds of the cotton represented in the referendum, is necessary for the order to become effective.

If the order becomes effective, you can get your money money back. Collections from any cotton producer who did not wish to contribute would be refunded upon written application. The \$1 per bale assessment would start at the beginning of the ginning season for the 1967 crop.

2. Cotton quota referendum is basically the same thing cotton producers have voted on each year since 1953. Quotas will become effective and the upland cotton diversion program will be available next year if at least two-thirds of the growers voting approve the quotas. This program would provide price-support and diversion payments as was true in 1966.

If more than a third of the growers who vote disapprove quotas, price support at 50 percent of parity will be available to growers who keep their 1967 upland cotton crop acreage within their farm allotments. Both of the questions will be

balloted by mail. Ballots will be mailed to all known eligible voters by the local ASCS Office in each county. Instructions will be enclosed with ballots. Any person who engaged in the production of 1966 crop upland cotton is eligible to cast one vote.

Parmer county farmers have always shown a high degree of interest in the farm commodity programs and have turned out to vote in goodly numbers in past years. The Parmer County ASCS office urges each and everyone (who is eligible) to study the situation, mark their ballots (soon after received) and return them to the ASCS office to be counted. This is the way to let the rest of the public know what cotton producers want or don't want.

Greenhands Elect Slate Of Officers

The Greenhands, freshmen vocational agriculture students in Bovina High School, have elected officers for this year, according to John Paul Jones, ag teacher.

Stephen Sherrill was named president of the group; Randy Barrett, vice president; Carroll Foster, secretary; Stuart McMeans, treasurer; Penny McKay, reporter; and Royce Grissom, sentinel.

There are 23 students in the Greenhand organization, Jones said, and 56 in all high school agriculture classes this year.

HOSPITAL NOTES

A. B. Wilkinson, who has been a patient for several days in Parmer County Community Hospital, was released Monday. He became ill while he and Mrs. Wilkinson were at Falcon Lake. They returned home and he was immediately hospitalized.

On The Farm In Parmer County
By RONNY MCNUITT
County Agent
Sprayers and dusters should be given special attention prior to winter storage. Proper care at this time can add years to their useful life, and have them ready for use without delay next spring. Be sure and follow the manufacturer's manual for cleaning and storing.
All pesticide materials should be removed from the equipment by washing or by other means. Moving parts should be lubricated. Some parts, may need to be disassembled for cleaning.
After spraying is completed in the fall, soak nozzles and strainer (screens) in kerosene. Run a wire through the spray rods and rinse the hoses. Clean hoses should be put where they will not crack or freeze.
Before putting the cleaner power sprayer away for the winter, a good practice is to pour at least a pint of new or used oil in the tank, filling it with water and starting the pump. As the water is discharged, a thin coating of oil will cover the inside of the tank, pumps, valves and circulating system. The spraying should then be drained completely and stored in a dry place.
Dusters, like sprayers, should be cleaned to prevent caking, clogging and eventual corrosion. All slipjoints should be given a protective coating

Tuberculin Tests Read In Schools

A double-check last week showed that nearly 600 students received the tuberculin skin tests in the Bovina Schools recently, according to Mrs. Katherine Lockhart, school nurse.

A previous report stated that about 500 received the tests. Mrs. Lockhart has studied the results of the tests and will mail out letters to those parents whose children should see their physicians.

She pointed out that those showing a positive reaction to the test will be notified, but this does not mean the child has tuberculosis. However, a physician should be consulted, who will determine whether or not the student has the disease.

All first and seventh grade students are required by law to have the tuberculin test, but it was also available to any student in the schools who had his parents' permission.

The testing is being carried out over the entire state of Texas for the purpose of eradicating tuberculosis.

Junior Play Grosses \$335

BHS Junior Class collected a total of \$335.25 at its annual play Friday night in Bovina Schools auditorium; a large crowd attending the performance.

Results of the ticket sales were announced by Mrs. Ann Corn and Richard Roberts, sponsors of the class.

In addition to the three-act comedy, those attending were entertained between acts by several students presenting musical selections.

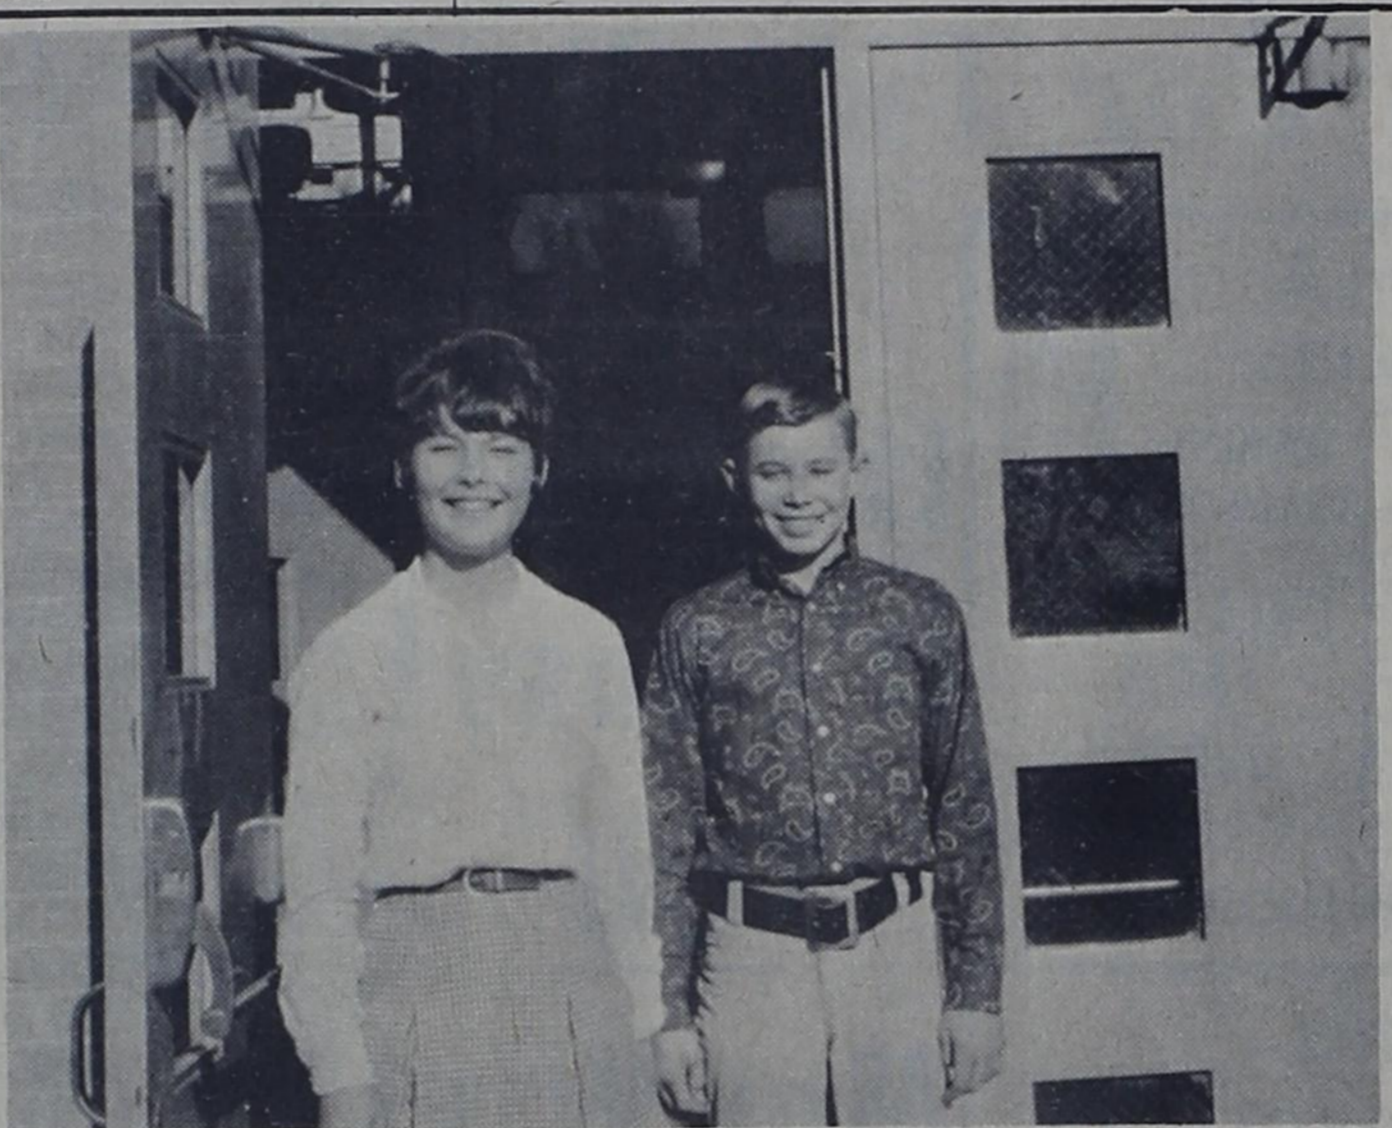

The "Leftover Five," consisting of LaNelle Christian, Zella Donaldson, Gina Clawson, Carl Harris and Gaylon Hromas, presented three songs accompanied by the three girls, who played ukuleles.

At the end of the second act, a duet composed of Sharon Pierson and Margaret Jo Venable, presented two songs accompanied by Mrs. Doris Wilson.

Carl Harris also presented two solos accompanied at the piano by Gina Clawson.

The sponsors express their appreciation to those who attended the play, to the cast and committees who helped make the presentation possible.

Following the play, the Juniors were entertained with a party in the home of Mrs. Corn.

MR. AND MISS JUNIOR HIGH -- Debra Kirkpatrick and Mike Beauchamp received the most votes from Junior High students in Bovina schools for outstanding honors in their grades. Both are eighth grade students.

At Lazbuddie Openers --

Mustangs Lose 31-28, Girls, 'B' Team Win

In the first basketball outing of the season, Bovina Mustangs dropped a close 31-28 ball game to Lazbuddie there Tuesday night after holding a third period 22-22 tie.

The varsity girls burned the nets to win 50-30 and the "B" boys brought home a 31-15 victory.

Lazbuddie took a 7-5 first period lead over the Mustangs, but the game was a close one from beginning to end. Halftime score saw the local quintet trailing 15-13.

Randy Jones made nine points and Alfred Stanberry eight to

pace the Mustangs, who had worked out only one day prior to the game. Timmy Foster took game honors for Lazbuddie with 13 points.

Carol Kirkpatrick and Judy Minyen flipped the ball through the basket for 25 and 23 points, respectively, as the Bovina Fillies substantiated early predictions that Coach Darrel Read would have a good girls team.

The Fillies led by a slim 10-8 when the first quarter ended and the score was tied 18-18 at the half. Third quarter saw the Bovina team turn on the

steam and lead 33-19 when that period was over.

Top scorers for Lazbuddie were T. Jennings with 15 and C. Morris with 11 points.

The "B" boys team held a comfortable 14-1, 16-2 and 29-3 margins the first three quarters. Lazbuddie found the basket in the final period, but could not catch up, Bovina winning 31-15.

Ricky Kunselman was responsible for 11 Bovina points and Larry Lee added 10 more. All boys on the squad saw action in the game.

Bobby Gleason paced Lazbuddie with 12 points.

Saturday Night Games --

Elida Blasts Bovina 107-41; 'B' Boys Lose

The sharp-shooting Elida basketball team burned up the nets with 107 points Saturday night, while the Mustangs garnered 41 in a game played there. "B" team dropped its game to Elida 54-38.

With seven players scoring in double figures, the team, which does not play football, took an early 22-6 first quarter lead, and held a 62-31 halftime margin. Third period score stood at 80-31.

In spite of the one-sided score, Coach Darrel Read said the Mustangs played a "pretty good game" and were simply outclassed.

Wayne Davies paced the scoring for Bovina with nine points, while three boys hit the basket for six, Lynn Murphy, Carl Harris and Gaylon Hromas.

Rush was high point man for the winners with 20 while Chandler and Creighton tossed in 16 each.

Elida held a 9-5 lead when the whistle blew on the first

stanza of the "B" game and the halftime score was 24-13. Third period score was 41-25.

Gary Rogers hit the basket

for 13 Bovina points while Larry Lee added nine more, Radcliff and Moore made 15 and 13, respectively, for Elida.

Junior High --

Bovina, Lazbuddie Split Two Games

Bovina and Lazbuddie split two junior high basketball games there Thursday night in the two local teams' first encounters of the year. Bovina won the boys' game, 44-23, and Lazbuddie took the girls' clash, 21-8.

Coach Truck Lusk said the boys started off a little shaky but came alive in the third quarter, scoring 20 points to put the game on ice. All team members saw action and played a good defensive game the second and third quarters.

Halftime score was 18-16, Bovina. Leading the scoring attack were Tommy McCormick, who hit for 14 points, and Manuel Quintana, who made 10.

The girls couldn't hit the basket until the third quarter although they got plenty of shots. Halftime score was 10-0, Lusk said the forwards played pretty good defense at times.

Twila Hutto made the most points, four, for the Bovina team.
