

## Calhoun Will Be Candidate For Re-Election

State Representative Frank Calhoun of Abilene revealed that he will be a candidate for re-election in 1972 in Legislative District 62 which lies solely within the City of Abilene. Calhoun is serving his third term in the Texas House of Representatives in a district that is comprised of both Jones and Taylor counties.

Recent action by the Legislative Redistricting Commission created District 62 solely within Abilene, where Calhoun resides, and the balance of Taylor County was united with Jones, Fisher, Nolan and Mitchell counties to form District 61.

In commenting on his decision to seek re-election to the Texas House of Representatives, Calhoun said: "It is with regret that I note that the Redistricting Board has made it impossible for me to continue to represent that part of Taylor County outside of Abilene. Through the years, I have come to know and appreciate the citizens of Taylor County as I tried to serve them in Austin; I will continue to be their State Representative through 1972 when a very crucial Special Legislative Session is scheduled, and I sincerely hope they will continue to call on me when I can be of service."

## Livestock Meeting Set for Monday

The Merkel Livestock Association will hold a planning meeting Monday, Nov. 29, at 7:30 p.m. at the Vocational Building.

Purpose of the meeting is to plan the 1972 Livestock Show for FFA and 4-H, according to chairman, Chester Collinsworth.

"We need all parents of FFA and 4-H'ers present at this meeting," said Collinsworth, who is also Voc-Ag teacher for Merkel High School. "The success of our 1972 Livestock Show will depend greatly on the attendance of parents at this meeting and the cooperation of everyone."

Benny Melton is secretary of the Association.

## DRAMA CLUB TO SEE ACT PRODUCTION

"The Pretenders" (Merkel High School Drama Club) will meet Monday, Nov. 29 at 6:30 p.m. at the high school auditorium for program and business.

Program to be presented will be by members of the cast of "Ah, Wilderness," by Eugene O'Neil, a play currently being rehearsed by the Abilene Community Theatre.

Members of the cast who will be here, according to MHS Drama Club sponsor, Mrs. Don Dudley, will be Doris Smith, who plays the part of Mrs. Miller; Vickey Babbington, who plays Muriel and Mark Dudley, who plays the part of Richard Miller. Members will do a scene from the play which will be presented at the Abilene Community Theatre December 1-4 and 8-11. Curtain time will be 8:15 for the Abilene production.

"Ah, Wilderness" is basically a family situation which revolves around the teenage son, Richard, and his revolutionary episodes.

## COUNTRY STORE AND CANDY SALE CONTRIBUTE TO UNITED FUND

Members of the Merkel Elementary School have been busy the past week wrapping up projects that contribute toward the school's United Fund Drive, a project that is worked by teachers and students and given to various worthwhile organizations.

This year the Student Council voted to give fifty per cent of the total contributions to the West Texas Rehabilitation Center, one fourth to the March of Dimes and one fourth to the Red Cross.

"Projects are in the process of being completed," said principal, Leon Walker, "and total contributions will be given at a later date."

**Fifth Grade First**  
Mrs. Carroll Benson's fifth grade class was first to make their United Fund contribution in the Elementary Building, according to class reporter, Lesa Hart. "The money was raised by hav-

ing a country store and candy sale in our room," said Lesa. "Each member in the class contributed articles of food for the sale and they were assisted by Mrs. Benson."

Class members are Robbie Baker, Kelly Barnes, Craig Bowen, Mike Brady, David Burfiend, Ted-

## Lord's Acre Sale Totals \$2413.25

A "record-breaking sale" was made this last Saturday when the Lord's Acre Sale, held at Pioneer Memorial United Methodist Church totaled \$2,413.25.

"This is the largest sale ever since the beginning in 1951," said the Rev. Harley Holloway, pastor of the church. "We had a large crowd and women of the Canyon prepared and served supper to approximately one hundred fifty people prior to the sale."

A quilt which is quilted by the women of Mulberry Canyon and sold each year, went for \$365.00 this time.

"We sincerely thank everyone who had a part in making this our biggest sale," said Holloway. "And a special thank you goes to the women of the Canyon who quilted and who prepared and served the supper, and to Don Dudley, our auctioneer."

Proceeds from the sale are used for church expenses.

## THANKSGIVING IS 'LOTS OF THINGS'

Some serious thoughts were given this week by third graders in the Merkel Primary School about Thanksgiving.

Thanksgiving means many things to many youngsters: "It's a smelly time," said one. "Lots of turkey to eat and lots of relatives coming in," was another one's comments.

"It's a time to worship and give thanks for all the good things we have," were the thoughts of several serious-minded youngsters.

Then, there's the lighter side:

Byrd and Steve Clark. Also David Clyburn, Lori DuBose, Roger Dye, Gina Farmer, Bill Fisher, Stevie Glenewinkel and Lesa Hart.

Also Drew Mawson, Gregory McDavid, Lee Reddin, Carla Rister, Danna Russell, Mike Sims, Cindy Smith and Janice South.

Also Gwen Teaff, Tammy Thomas, Mike Tucker, Janet Wade, Rusty Watts, Debra Ybarra and Byron Cullum.

**Mystery House**  
On Friday, Nov. 19, there was much excitement and activity in the sixth grade room of Mrs. Don Hart, when her class was host to a Mystery House and Candy Sale. Purpose of the sale was to provide funds to contribute to the school's United Fund.

Each member of the class participated by bringing prizes, food to sell, preparing prizes, making signs to advertise the sale, and working during the noon hour.

Members of the class are Vivian Arney, Hector Ascencio, David Baruch, Rudy Biera, Billy Clendennin, Freda Crenshaw, Marshall Evans, Pam Evans, Alan Glasscock and Mary Goodman.

Also Cynthia Hagar, Kelly Holloway, Connie Jackson, Salinda Justice, J. D. Lindsey, Chester Messengill, Sabra Murray, Becky Page, Donnie Riggan, Suzie Rister, Michael Vinson, David Williams, Rebecca Williams and Davis Lee.

"This class was proud to participate and spend their time on this worthwhile project," said Mrs. Hart. "It was highly successful."

## MERRY CHRISTMAS WINNERS TO RIDE IN ANNUAL PARADE

Students in Merkel High School, Elementary and Primary will have an opportunity to cast their vote for Miss Merry Christmas who will be featured in the Annual Christmas Parade on Saturday, Dec. 4.

Nominees will be selected by class on Monday, Nov. 29 and voting will begin on Tuesday, Nov. 30, according to Edwin Read, high school principal.

A "Miss Merry Christmas" will be chosen from each of the three schools and will receive trophies just prior to the parade.

In the Elementary and Primary schools each class will nominate a candidate whose name will be placed on a ballot. Voting will be done and top five will then be in a special balloting with one to be elected from each school.

Deadline for the Miss Merry Christmas contest will be Thursday, Dec. 2.

Last year's winners are Patti Copeland, high school; Audy Byrd, junior high, and Danna Russell, primary.

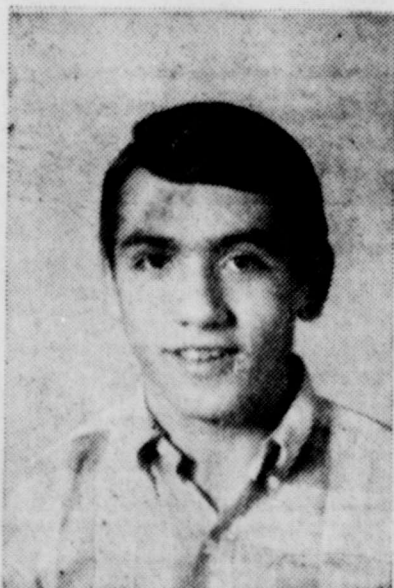

As of Wednesday morning only one float entry had come into the Chamber office, according to Benny Melton, C-C secretary. Theme

# Gifts That Do Things for a Woman

Frippery is fun. And a woman will always welcome flattering gifts of glamour. But if you want to please today's vital and concerned female, a gift that'll really do something for her is the best idea going. Like helping her get her dinner faster, with an electric pressure cooker, newly colorful in sunny harvest or soft avocado finish. Same trusty features as the well-loved top-of-stove model, to cook flavor in, not out. Control master maintains just the right heat automatically, and detaches so cooker can be completely dunked. Or, consider the electric deep fryer to cook the family's favorite crispy chicken or fish and chips neatly one night, and double as a Dutch oven for an appetizing stew the next. Same pretty colors, same detachable heat control and dunkability. Add to her fame as a hostess with the flameless and foolproof automatic fondue that turns out classic cheese or dessert fondues, meaty oil fondues, with equal ease and safety. And there's no need to fiddle with heat settings. Give her a better way to broil—both sides at the same time, to seal in meaty flavor and juices—with the unique Presto vertical broiler. Added convenience—it comes apart for fast wash-up. And a gift for you, husband or beau—she'll be ready to go out on time with a gift of a professional mist hair-dryer or conditioning mist curlers that'll let her re-set hair even without shampooing, if you're in that much of a hurry!

for this float will be "Christmas Is Giving."

"We urge organizations and clubs to turn in their float theme as soon as possible," said Bill Burton, chairman of the Parades and Events division of the Chamber. "This year we will have only one theme per float and first to turn in their entry, has priority for that particular theme."

First, second and third place prizes of \$25, \$15 and \$10 will be given to organizations entering floats. Floats will be judged on color, originality and theme, said Burton.

Deadline for float entry is Wednesday, Dec. 1.

The Chamber is also sponsoring a home lighting and decorating contest this year, with a panel of judges to view all homes and yards and winners to be announced Christmas Week.

Invitations have been extended to area bands to participate in the parade; however, as of press time the Chamber had not received replies.

The Badger Band, under direction of Glen Reed, will be featured in the parade.

## Bentsen Sponsors Amendment To Revenue Act

WASHINGTON — Senator Lloyd Bentsen sponsored an amendment to the Revenue Act which will provide property tax credit to elderly persons of modest means who own or rent their residences.

The amendment would allow persons over 65 who have adjusted gross incomes of \$6500 or less, a tax credit of up to \$300 — or \$150 for a married person filing separate returns — for the amount of state and real property taxes paid on a principal residence occupied by the owner.

That portion of rent considered to be for payment of property taxes would also come under the amendment and be defined as 25 per cent of rent, not including utilities, furnishings or services.

## SKIPPY SAYS

### Make Any Type of Sandwich with Peanut Butter

It's smart to keep adding to your collection of ideas for sandwich fillings, spreads and toppings. Remember that peanut butter is most versatile . . . good alone or used in combination with many other good foods.

Peanut butter is a highly nutritious food furnishing lots of food energy, protein and B vitamins in each tablespoonful. Niacin, one of the B vitamins, is very important for everyone and just 2 tablespoons of Skippy peanut butter per day will give the 6 year old child about one-half his daily requirement.

Keep peanut butter on the pantry shelf within reach of the smallest school child and teach him to spread his own sandwich. Top it with jelly, jam, banana or pickle slices.

Three popular types of sandwiches are shown here — little open face sandwiches, a grilled or French toasted one and a regular covered sandwich made with enriched white bread.

**Little Sandwiches:** Cut bread slices into halves, thirds or quarters. Spread with peanut butter and top with cheese, pineapple, shredded carrot or marmalade. Make your favorite chicken or egg salad and top the bread slices.

**Grilled Sandwiches:** Make the covered sandwich using peanut butter and jelly, cooked ham, bacon or chicken slices. Spread both sides with margarine or dip in egg-milk mixture such as used for French toast. Grill on both sides.

**Peanut Butter Sandwiches:** Spread 2 slices bread with peanut butter. Top one slice with raisins, jam, marshmallow, cranberry sauce, tomato slices, or crisp bacon. Cover with second slice of bread. Garnish, if desired.

**ATTEND CONVENTION** — Taylor County Farm Bureau delegates are shown as they registered for the 38th annual meeting of the Texas Farm Bureau held Nov. 14-17 in Amarillo. They are, front row from left, Mmes. Loyd Perry, H. W. McKee Sam Beam, Dub McMillon and Frank Antilley; second row from left, Loyd Perry, H. W. McKee, Sam Beam, Dub McMillon and Frank Antilley. ## BURLESON REPORTS ON SUMMER JOB EXAMINATIONS

WASHINGTON, D.C. — Congressman Omar Burleson (D-Texas) said today that the Civil Service Commission is now receiving applications for the 1972 competitive examination for summer employment with the United States Government. The examination leads to eligibility for appointment to most temporary summer jobs at Grades GS-1 through 4, and also Post Office Clerk-Carrier PFS-5.

Those who are interested in the summer jobs covered may apply to take the written test on or before three filing dates — December 3, 1971, January 7, 1972 and February 2, 1972. Representative Burleson stressed that applications for the written test postmarked after February 2, 1972, will not be accepted. If you miss the last test, you can not be considered for jobs filled by this application and for maximum consideration you should apply as soon as possible.

The Congressman noted that applicants rated eligible in 1971 need not take the written test again unless they wish to improve their scores. They will automatically receive a special form to update their qualifications and indicate their availability for employment in 1972.

Any application forms needed to apply for jobs described in Civil Service Announcement No. 414 may be obtained from college placement offices, most post offices, and U.S. Civil Service Commission Area Offices.

Copies of Announcement No. 414 entitled "Summer Jobs in Federal Agencies," which provides complete information about summer job opportunities in Federal Agencies, are currently available on request through Congressman Burleson's Washington office, located in Room 2239 Rayburn House Office Building, Washington, D.C. 20515 or at the Congressman's district office, 2101 Federal Building, Abilene, Texas 79601.

## State Policies Read at Meeting

Taylor County Farm Bureau was represented at the 38th annual meeting of the Texas Farm Bureau Nov. 14-17 in Amarillo by 10 delegates. Sessions were held in the Amarillo Civic Center.

State policies and recommendations on national issues were adopted by more than 900 official voting delegates from most of the 206 organized county Farm Bureaus. Total attendance at the convention was more than 1,500.

Registration got underway Nov. 14. Highlights of that day included Discussion Meet and Talent Find, competition for young people and vesper services.

The Monday morning program included the annual address by TFB President J. T. Woodson of Geboer, an administrative report by Executive Director O. R. Long of Waco, and an address by William J. Kufuss, president of the American Farm Bureau Federation.

# WANT ADS GET RESULTS

## Restoration of the Church

The Apostles of Christ were led by God's Holy Spirit "into all truth" (John 14:26; 16:13) What they wrote was "inspired" (meaning God-breathed) — 2 Timothy 3:16, 17 and "revealed" (Ephesians 3:1-7 and 1 Corinthians 2:8-13). Therefore what they wrote becomes our standard, what we are obligated today to follow exactly. What they taught and what they did we must do and teach if we are to meet God's approval.

During the late 1800's and early 1900's those men leading the restoration movement re-discovered this truth. Barton Stone and others issued "The Last Will and Testament of the Springfield Presbytery." It urged the right of self government for each congregation, protested against religious division and party splits, and insisted that the Bible be accepted as the sole authority in religion.

Each of these are taught plainly in God's Word, these are Apostolic "revealed" and "inspired" statements for the Church today that these men re-discovered. (Consider the following: Acts 14:23 and Acts 20:17-35 and other scriptures shows each congregation had elders to do the 'ruling', 'overseeing' and there was no church organization nor church ruling body greater than the local church. 1 Corinthians 1:10-13; 3:1-6 and other passages teach we are not supposed to be divided. II Timothy 3:16, 17; I Thessalonians 2:13; II Peter 1:3, 4; Revelation 22:18, 19 and other passages show that the Bible is the sole and only authority in religious matters.)

Thus those men and others came to this conclusion: "Where the Bible speaks, we speak; where the Bible is silent, we are to be silent." That must be our conclusion and our practice.
