History, Scenery Make Far West Texas Good Vacation Spot

1st in a Series

Texas history from a century ago and scenery shaped through the ages dominate the vacation opportunities of far West Texas, that region rolling west of the Hill Country to El Paso.

And today's 55 mph speed limit stretches the fuel far enough to see it all: the Sonora Caverns, Langtry, Big Bend, restored old Fort Davis, and Guadalupe National Park and El Capitan.

These and more than five dozen travel stops are mentioned in the new "Wonderful West Texas Fun and Adventure Map," says J. Fike Godfrey, executive vice president of the West Texas Chamber of Commerce.

Sonora Caverns, best-known of the Edwards Plateau caves, was discovered only in 1961.

Langtry is the home of Judge Roy Bean's frontier court and an attractive Texas Highway Department tourist information center. It shares the Rio Grande region with Amistad (Friendship) Reservoir and the Texas-Mexico towns of Del Rio and Ciudad Acuna.

Up river is Big Bend, one of Texas' two national parks, a blend of desert and mountains, horseback trails and house trailers, and the canyon waters of Santa Elena, Mariscal and Boquillas.

Pleasant air currents make Marfa the site in early summer of the twenty-one mile north-south 15th Century Fort Davis isn't far from the 20th Century's McDonald Observatory, both open to the public.

The Texas Highway Department also recommends a scenic 741-mile drive, looping through the Davis Mountains.

More mountains lie across Interstate 10 between Van Horn and Ysleta, location of the Tigua Indian Reservation, the only one in West Texas.

Just beyond there's populous El Paso and Juarez. A tank of gasoline goes a long way with the concentration of border shopping, bullfights, dog and horse racing and the Mt. Franklin scenic tramway.

Between El Paso and Carlsbad Caverns rise El Capitan and Guadalupe Peak both above 8,000 feet, and Guadalupe Mountains National Park.

To the east, the wind has Monahans Sandhills State Park. Oiltown Odessa has

WICHITA FALLS, Tex. — Airman Roy L. Sharp, son of retired Master Sergeant and Mrs. I. M. Sharp of Trent, Tex., has graduated at Sheppard AFB, Tex., from the U.S. Air Force corrosion control specialist course conducted by the Air Training Command.

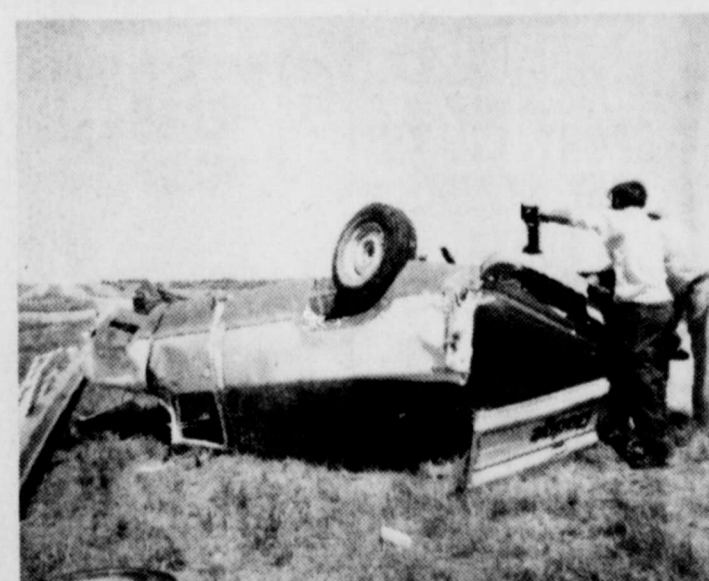

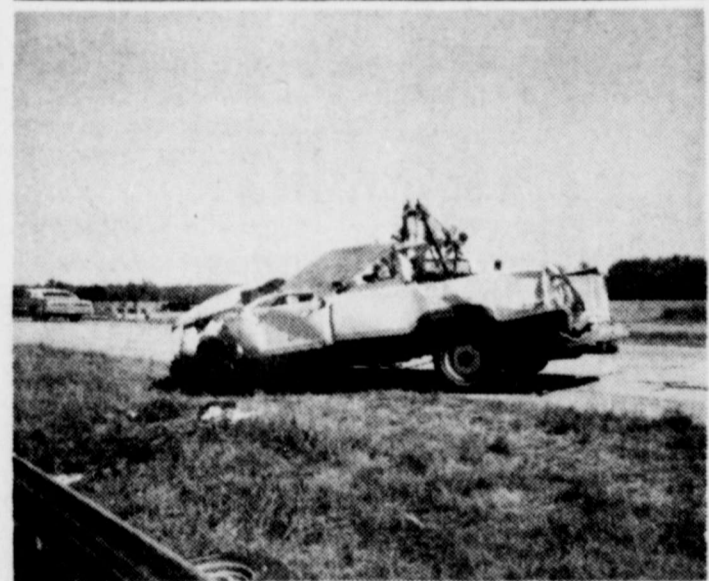

The airman, who was trained to identify corrosion and apply preservative treatment to metal surfaces, is being assigned to Carswell Air Force Base, Fort Worth, Tex., for duty with a unit of Strategic Air Command.

Airman Sharp, a 1973 graduate of Trent High School, attended Angelo State University, San Angelo, Tex.

America's second largest meteor crater and Globe of the Southwest, an authentic replica of the original Shakespeare Globe Theatre, with professional talent.

And there's Balmorhea State Park with one of the world's largest swimming

pools. Fantasyland in Iraan with Alley Oop and dinosaur tracks beside U.S. 67 between McCamey and Fort Stockton. Details are available in a library of 200 brochures available from the West Texas Chamber of Commerce, Box 1561, Abilene, Texas 79604.

CALEB JACKSON DAVIS of Lubbock was taken to Hendrick Memorial Hospital with back injuries and other undetermined injuries when he was involved in a one-vehicle wreck 4 miles east of the red and white Wagon Creek about 3:30 p.m. Monday. The red and white Dodge pickup was going west and hit a guard rail by a culvert, went a short distance, hit another guard rail and flipped over it and landed on the side of the highway in the east bound lane. Highway Patrolman James Glibbreath was at the scene, assisted by Patrolman Hood. Wrecker driver Tom Hallford and Fred Crenshaw readied the pickup to be hauled off.

Annual Park Entrance Permits Planned Soon

AUSTIN — State park users will soon have the opportunity to purchase an annual park entrance permit designed much along the lines of vehicle inspection stickers.

Texas Parks and Wildlife Commissioners in their May meeting approved the concept of an annual permit which is valid for 12 months from the date of issuance.

The TP&W Department currently issues three types of annual entrance permits: \$12 fee, \$5 restricted park and a \$12 group fee for youth organizations composed of individuals 17 years of age or under.

All such permits now expire Aug. 31 of each year. Commissioners approved the implementation of the new system beginning Sept. 1, 1974, which will coincide with a similar policy for issuing fishing licenses.

Starr Nursing Home News

BY MARY OUTLAW

Everyone is feeling fair at this writing except Grover Blair and he is doing better. He is a new patient in our home.

We were sorry to lose Tommie Smith. She died suddenly. Our sympathy goes to the family. Tommie used to be my night nurse years ago and her plans were to be able to go back to work for me when she got well. We all loved her so very much. Mrs. Lou Petty passed away Sunday morning in the wee hours of the morning. We had her for many years and she was a very sweet person and a nice patient. It is very lonesome with out her. Our sympathy to her family.

Thank you of Tommie Smith's family for the two beautiful arrangements that they brought the nursing home for the church room.

I would like to thank the ones who have been bringing the glasses also the sheets for the pads.

Mrs. Benson Barnett brought 3 gowns and a pair of house shoes for one of the patients. Thank you very much. We will let some one have the gowns who are less fortunate than others, that have no relatives.

Isabell Delacruz has been on her vacation. We will be glad when she comes back.

Mr. and Mrs. Roy of Odessa visited her daughter Mrs. McDonald, during the weekend.

We welcome Dorothy Thorp to our staff, she's a real nice person and we hope she will be happy with us.

Sunday is Fathers Day, so we would like for you to visit our fathers.

Last Sunday, the Methodist people of Merkel were to have the church services but we didn't on account of Tommie Smith's funeral.

Thank you Mr. Pribble and Church of Christ people of Merkel for the 9 o'clock services as Larry, was out of town.

Foster Watts of Abilene visited the nursing home recently. Everyone was proud to see him.

Miss Ruby Griffin visited her twin sister in Abilene over the weekend.

Police Report

By JIM BROUSSARD

On May 29th, the Merkel Police Department was notified that a Juvenile had received serious injuries sometime during the night of May

28, or the morning of May 29th. The Police started the investigation under the assumption that the injuries were received by participating in some various pranks being pulled around town after the Graduation Exercise at the Merkel High School. The incident developed to the point that a full scale investigation is now being conducted. Various persons had and many more will be interviewed in regards to the injury. The Taylor County Sheriff's Department will assist in the investigation, as some of the persons yet to be interviewed lives outside the City of Merkel. The case should be ready for presentation to the Grand Jury within the next few days.

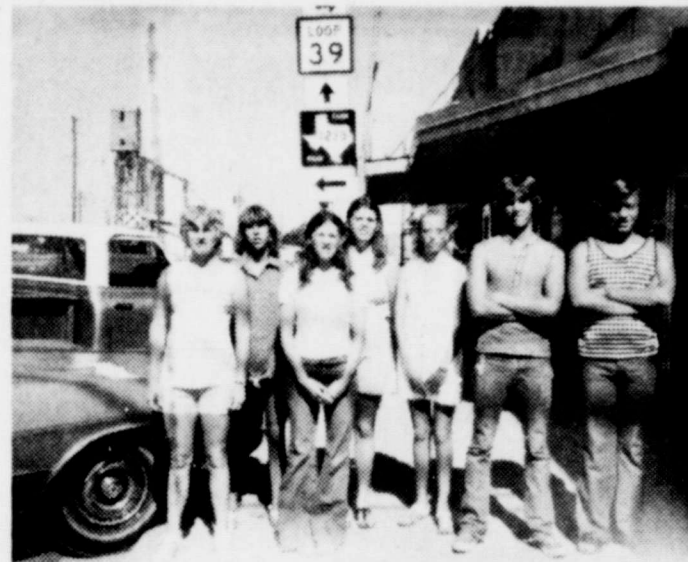

On June 7th, the Police Department received notification that there had been a vehicle accident on Oak St. Investigation revealed that two subjects were seen leaving the scene of the accident

on foot. The driver of the vehicle which is believed to be Dennis Butmann was the only one that remained at the scene. A search of the City in an attempt to locate the persons which might have left the scene after the accident was conducted. Two subjects were brought to the Police Office for questioning and it was learned that one of the subjects had marijuana in his possession. This subject was filed on for misdemeanor possession of marijuana and was placed in the Taylor County Jail in lieu of a \$500.00 Bond.

On June 8, the Police was called to the scene of an accident. Upon arrival it was determined that a parked vehicle had been backed into. It was noted at that time that the driver of the vehicle which backed into a parked car was drunk. The Police Officer had not witnessed the subject driving so he was filed on for being Drunk In Public. Subject was fined \$48.00 by the Merkel City Judge on June 11.

On June 10, the Police Department learned that two subjects residing in Merkel had been filed on for aggravated Robbery which oc-

curred the night of June 8. Chief Jim Broussard and Patrolman Walter Harris arrested Dennis Butman and Richard L. Long on these charges and turned them over to the Taylor County Sheriff's Officers. Subjects are now in the Taylor County Jail in lieu of \$50,000.00 each.

WORKING ON THE SUMMER Program this year are from left to right, Tonya Crenshaw, Nancy Fudge, Donna White, Lisa Gregory, Dorothy Constable, Danny DuBose and Mike Davis. George Martin is in charge of the program which started June 10th.

tea topics

By David and Eunice Bigelow

"A cup o' tea" is as symbolic of England as Big Ben, the Beatles and British tweeds. Everyone there from the local chimney sweep to the Queen is reputed to indulge in tea sipping two or three times a day. One of the most popular blends happens to be Earl Grey.

There's an interesting story behind this fine tea. In the early 1800's, a Chinese mandarin admiral supposedly sent this unusual tea to Earl Grey, then Prime Minister of England. It became so popular with his friends and colleagues that soon Earl Grey's drawing room became almost more famous for tea than for political discussions. As a result, he eventually authorized the sale of the blend under his name.

The taste for his once-privately blend has crossed the ocean and has been melted into this country's teapot-making Earl Grey an all-American, at-home favorite.
