JIM HUGGINS in the **LOCKNEY BEACON**...Folks, we urge you to enter the talent show at the fair anyway. There's no danger of catching a terrible disease if you should happen to win the over-all talent award. What you'll actually get is a **PLAQUE**, not a **PLAGUE**, like it said in the paper Sunday. One of our sharp-eyed coaches, Doug

Bowles, caught the typographical error, and wondered if the fair was going to ship in some fleas from Muleshoe to present the winner. It may be our only chance to become famous--Kay Bowles said she was going to send the boo-boo in to the Readers Digest. Thanks, Kay. Well, it could have been worse....Speedy Nieman, editor of

The Hereford Brand, had a similar mistake (although not as funny) in a recent edition, which prompted him to recall the story in another newspaper which meant to say a theater was giving away drinks and a free pass--only they left the "p" out of pass.

Here are some more items that actually appeared in newspapers: The baseball game continued in the cow pasture and ended rather abruptly when a runner slid into what he thought was third base.

The women on the local team were doing fine until the last half of the fifth when all the bags got loaded.

Each girl wore a big orange letter on her seater and together they spelled **E-L-K-I-N-S**.

Some of the late entries which were not included on the program printed for the week before may have been omitted from the list of contestants, according to a spokesman for the CowBelles.

Reflections From The Blade

20 YEARS AGO--SEPT. 21, 1955
 Bovina has street markers. The Lions Club finished erecting the markers Friday afternoon after two days of work. The money for the markers was collected earlier in the year by the Bovina Women's Study Club from the town people.

The staff for the school paper, named "The Yucca," was elected last week. The editor is French Crook and assistant editor is Billy Johnson. Sue Hoffer is art editor. Helen Harzog is the society editor, Donna Jean Hobdy is the sports editor and Billy Richards is the senior class reporter.

Mr. and Mrs. Buck Ellison had Sunday dinner with the C.W. Grissoms. After dinner they all went to the Clovis hospital to visit Mrs. Nat Read who has recently undergone surgery.

Mr. and Mrs. Bobby Calaway moved to Farwell from Vega Friday. Bobby is the son of Mr. and Mrs. Robert Calaway of Bovina.

15 YEARS AGO--SEPT. 21, 1960
 Contract for a new and larger building for Parmer County unit of Texas Highway Department has been let by the state, Lloyd Killough, maintenance foreman, announces. Bovina's first home football game

of the 1960 season may find a new scoreboard-clock furnishing a constant reminder as to how the game is progressing.

Sherley Grain Co. of Bovina has donated the electric scoreboard and there will be a race with time to see if the new addition to Mustang Field is erected before kickoff time Friday night.

Jack Clayton, who makes a habit of getting his crops out early, delivered the first bale of 1960 cotton to Bovina Monday. The cotton was picked on Clayton's farm two miles south of town.

10 YEARS AGO--SEPT. 22, 1965
 Jay Sherrill has been appointed to the board of education of Bovina Independent School District. Sherrill will serve out the unexpired term of Robert Read, who resigned last month after his brother, Darrell Read, was named a member of the faculty.

Leading Bovina Mustang Band in its marching routines this year are Head Twirler Karen Beauchamp, Carol Jamerson, Suzanne Wilson and Brenda Pruitt.

A total of 1.1 inches of rain fell here Friday and Sunday night. The moisture brought a halt to milo harvesting operations which were just getting underway in the area.

First State Bank's new building on Third Street has been taking on the shape of an impressive structure during the past several days. Bovina's Mustangs scrapped hard Friday night, but took a 27-0 licking from the state-ranked Class A Springlake-Earth Wolverines.

5 YEARS AGO--SEPT. 23, 1970
 Parmer County, the state's leader in grain sorghum production, is on the brink of what promises to be a tremendous harvest. If the crops turn out like some observers feel it will, yields of 9,000 pounds per acre won't be unusual this year.

A total of 68 animals received shots from Dr. B.L. Russell, Clovis veterinarian, Friday at the Bovina fire station.

Mike Beauchamp and Debra Kirkpatrick were named Mr. and Miss BHS in elections held in Bovina High School last week.
 Take away three "breaks" and the Bovina Mustangs played the Friona Chieftains on even terms there Friday night. Since the "breaks" can't be eliminated from the tilt, however, the score was 27-7 in favor of the Class AA Chieftains.

Although promoting the producer is customary fare for this column, seeing farmers get "good press" from one of the country's financial magazines is refreshing. In the July issue of FORTUNE, a major article compliments today's farmer as being a talented businessman. In part the article says, "... a farmer must be a tolerably good chemist, mechanic, accountant and cost accountant ... must be able to judge when to sell his crops, when to hold back, and when to hedge with futures contracts, requiring not only a deep understanding of the commodities markets, but also a grasp of U. S. economic policies at home and abroad." When talking about management ability ... "When it comes to managerial skill, a first-rate farmer can hold his own with businessmen in industry." In short the article states what a lot of us have realized for a long time ... a successful farmer or rancher means being a true professional!

Patrol Investigates 22 August Accidents

The Texas Highway Patrol investigated 22 accidents on rural highways in Parmer County during the month of August, 1975, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and eight persons injured.

The rural traffic accident summary for this county during the first eight months of 1975 shows a total of 90 accidents resulting in one persons killed and 48 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for

August, 1975, shows a total of 596 accidents resulting in 16 persons killed and 292 persons injured as compared to August, 1974 with 542 accidents resulting in 30 persons killed and 314 persons injured. This was 54 more accidents, 14 less killed, and 22 less injured in 1975 at the same period of time.

The 16 traffic deaths for the month of August, 1975, occurred in the following counties: three in Castro; two each in Potter, Wheeler, Hale and Palo Pinto; and one each in Archer, Parker, Yoakum, Hardeman and Wilbarger.

SCS REPORT

The Parmer County Soil and Water Conservation District's Annual Report has been completed. It has been sent to the publishers and will be in district cooperators' hands in the next few weeks, according to Herb Evans.

In the compilation of the report one item stood out above all others in the accomplishments of Parmer County producers. This was minimum tillage. Progressive farmers are making the "big switch." Within the past two years the acreage of minimum tillage has jumped from zero acres to more than three thousand acres. With acceptance like this there must be "something right" with minimum tillage.

A few of the advantages listed by minimum tillage advocates included water savings, fuel savings, and labor saving. The water was saved by the insulating layer of crop residue. This reduced evaporation to practically nothing.

Fuel was saved two ways. Fewer trips across the field reduced tractor fuel. The water saved was water that did not have to be applied through irrigation. This saved irrigation fuel not to mention irrigation water.

Finally, with reduced irrigation needs and reduced field operations it is obvious that labor requirements are reduced.

Watch for the coming annual report. It has some interesting information. For more information on minimum tillage or any other conservation practice contact the Soil Conservation Service in Friona.

INSUR-MATION

 Parmer County Farm Bureau Insurance,
 Phone 247-3280 or 247-3152

How often is it really necessary to review my insurance coverage?
 Periodically, depending upon how static your economic and family situation is. When an individual takes on any new responsibility, receives a reasonable increase in pay or suffers a financial loss... this indicates a review should be made. As a family develops, the cash requirements for certain items which need to be bought on installments and the major commodities considered to be necessities eventually ease off. Thus more money is available to be saved and this would call for a possible review of your insurance coverage. These are the times to come in with your plans, present financial circumstances, and discuss your personal situation.

In a shell

by Lou Nuttall

Went to the Little Buckaroo Rodeo Saturday afternoon thinking we would hang around long enough to take a couple of pictures and wound up staying for the whole thing.

The smallest youngsters are so adorable in their events—gingerly trying to get the red ribbon off the goat's tail, whipping their stick horses around the barrel and heading for home, clambering over the hay bales in the obstacle race and trying to catch that greased pig. One little boy got his hands on the greased pig, then the most disgusted look spread across his face as he jerked his hands off that pig and started wiping his hands frantically on his jeans. Would have given anything for a close-up of that little boy's face.

And, it would be a close contest for the funniest event between the father-son and mother-daughter three-legged races. Just like a horse race, Capper and Cap Naegle placed second "by a nose" in one of those events.

We realized the photographer was in a dangerous position if he got in the area to take pictures of the action. But, we didn't bargain on getting "bulldogged" by a clown in the goat ribbon race and then getting greased down after the finale! No one told us we were going to be part of the "entertainment."

The CowBelles are to be congratulated for putting on a "fun" event for all the youngsters and their parents.

After having to delay the rodeo for a week, the weather almost didn't cooperate again. However, the rain held off until a couple of hours after the rodeo was over.

Ran across a Southern newspaper editor's definition of an American: "An American is a fellow who drives home in a German car from a French movie, slips off his Hong Kong suit and Italian shoes, puts on his English robe and Mexican slippers and sips Brazilian coffee from Dutch china while sitting on Danish furniture. Then he writes a letter to his Congressman on Canadian paper with a Japanese pen demanding that he do something about all the gold that is leaving the

country."

If you have never taken your kids to an open house at Cannon Air Force Base, by all means do so Saturday.

The Thunderbirds and the Army's Golden Eagle parachute team put on a fantastic show and they have lots of other exciting demonstrations along with gobs of interesting displays.

Never did see a kid that wasn't fascinated by airplanes and at Cannon Saturday they will get to see the whole array of Air Force aircraft as well as World War I and II planes, tanks and other equipment.

Looks as if fall weather is here to stay and we are going to have to dig out our cold weather football paraphernalia six weeks earlier than usual this year.

Thought the Happy game was just a fluke, but the nights have had a definite chilly nip ever since and the stadium bag and blankets would have been appreciated at the Lazbuddie game last Friday night.

One thing we can always depend upon in this part of the country—just as soon as the combines really begin rolling in earnest, it's going to rain. And, it did Saturday. About two inches most everywhere in the Bovina community.

Most farmers have mixed emotions about rain this time of the year. They need to get the wheat crop up and then worry incessantly about the corn crop falling.

We at the Blade began, partially, last week a new system of delivering copies of the newspaper to local subscribers at the post office and on the Bovina route. Hopefully, the new system will cut down on expenses of addressing the paper and eliminate a great many steps for Gene Ezell and Flossie Rhinehart when they "put up" the papers on Wednesday afternoon.

As with any new process, we may goof a few times during the first week or so, but if you will bear with us we'll get all the "bugs" worked out. We hope.

If you do miss your copy of The Blade, just tell Flossie or Gene and they will give you your copy of the paper.

MOTHER-DAUGHTER RACE..... Missy Jones and Dell Snell race for the finish line in the 7-9 mother-daughter three-legged race Saturday at the Little Buckaroo Rodeo. Teriesa and Janet Shepherd took first with Donell and Laquita Garner taking second. Miss Jones

and Mrs. Snell placed third. At left is Mrs. Lavoia Hawkins and Tobl Bandy and Annette Williams and Mrs. Effie Mae Shepherd, who placed sixth. At far right is Peggy Geon and Pat Shepherd, who placed fifth. Next to them is Mrs. Harriett Glasscock and Melissa.

Bread Dough Art Program Presented

A program on bread dough art was presented at a Monday night meeting of the Rhea Home Demonstration Club in Parish Hall of the Lutheran Church at Rhea.

Those attending worked on yearbooks and discussed the Christmas Bazaar to be held Nov. 14-15 in Friona. The Rhea club will have a bake sale booth in the bazaar. The group also made plans to serve tea and coffee, along with the Bovina CowBelles, at the Beef Extravaganza tomorrow (Thursday) in Friona. Plans were made to attend a Rural Homemakers Day Oct. 23 at the Villa Inn in Amarillo.

Three new members were welcomed into the club, Mrs. Jesse Shirley, Mrs. Gene Dolemeier and Mrs. Raymond Drager.

Mrs. Shirley Smith served cake, apple cider and coffee to Mrs. Shirley, Mrs. Dolemeier, Mrs. Drager, Mrs. Jay Potts, Mrs. Keith Stevens, Mrs. Walter Schueler, Mrs. Norman Taylor, Miss Jana Pronger, Mrs. Larry Potts, Mrs. Cordie Potts, Mrs. Herman Geries, Mrs. Elmo

Dean, Mrs. Melinda Schlenker, Mrs. Norbert Schueler, Mrs. Herbert Schueler, Mrs. Houston Bartlett and one guest, Miss Lana Drager.

Next meeting of the organization will be Monday, Oct. 13, at the home of Mrs. Herman Schueler.

Community Conversation

Cindy Read, daughter of Mr. and Mrs. Robert Read, received her diploma from Southwest Business College in Plainview Monday, Sept. 15. Miss Read moved to Austin Saturday where she will be employed as a court reporter for Southwest Reporting Service. She is a 1974 graduate of Bovina High School.

Mrs. Cecil Bunch is visiting with her mother, Mrs. A.R. Jester, in Lawton, Okla., this week.

Jerry Bunch, son of Mr. and Mrs. Cecil Bunch, moved to Lubbock this week where he will be employed with a supermarket.

Beef Fiesta Set Thursday

Friona will be included in a series of three "Beef-Fiestas" scheduled for next week in the Texas Panhandle.

A special two-hour program, featuring two of the nation's top experts in the field of beef, will be held at the Community Center in Friona on Thursday, September 25, beginning at 1:30 p.m.

The two days previous, the beef fiesta program will be given in Dalhart and in Canyon.

Residents of the Friona area will have a chance to get some tips on selecting, buying and preparing beef during the special program, sponsored by the county's Family Living task force.

Dr. Frank Orts, Texas Agricultural Extension Service meats specialist from College Station, and Miss Jayne Hager of the National Livestock and Meat Board, Chicago, will conduct the sessions.

The family living task force operate under the auspices of the Extension Service-sponsored Panhandle Economic Program.

The program will deal with characteristics of grass-fed and grain-fed beef and baby beef, the selection and preparation of beef cuts, how to stretch the beef dollar and preparation and serving of beef.

According to County Extension Agent Jana Pronger, the two meat experts will use demonstrations, slides and film in presenting the topics. Guests will get an opportunity to whet their appetite for beef cookery by sampling choice pieces during the two-hour session.

The CowBelles and the local Home Demonstration Clubs will serve as hostesses for the program.

Main dishes with "S-t-r-e-t-c-h-i-n-g Your Beef Dollar" as a basis will be featured including beef round steak recipes, new ideas for ground beef and a marinated beef blade steak that can be broiled instead of braised. By sharpening the shopping and cooking skills of the audience, Miss Hager hopes to increase the table demand for this fine meat, so vital to our immediate area's economy.

Details of the meat industry's new standardized meat cut labeling system—which has been spearheaded by the Meat Board—will be

JAYNE HAGER

highlighted at the meat meetings, along with other information on the complex industry which moves meat from farm, ranch and feedlot to the homes of America.

"Beef dollars can be stretched in a dozen or more different ways," says Miss Hager. "Each one will help you build appetizing, nutritious satisfying—and economical—meals with beef."

Miss Hager, a native of Wilmette, Illinois, combines a background in radio and television with a natural enthusiasm for fashioning a meal around meat. Besides her role as a spokeswoman for the livestock and meat industry, Miss Hager is a specialist in consumer education.

She says that despite the bad weather, market disruptions and price fluctuations of the past year, the livestock and meat industry of the United States still has the production efficiency and capacity to meet the demand for increased supplies of high quality beef, veal, pork and lamb in this country and abroad.

Shower Set For Mrs. Cox

Mrs. Gary Cox of Bovina will be feted with a layette shower Saturday from 2 to 4 p.m. in Community Room of First State Bank of Bovina.

Hostesses will be Mrs. Travis Lloyd, Mrs. Don Stone, Mrs. Prentiss Pruitt, Mrs. Vernon Willard, Mrs. L.F. Jacobs, Mrs. Zane Reeves, Mrs. Chester Rogers, Mrs. Weldon Moody and Mrs. Duane McDaniel.

In a shell

by Lou Nuttall

Just a special note to our sister-in-law in South Dakota—DON'T take Lee Ann to see "Jaws!"

Finally got a chance to see the movie and it is everything we heard and then some. Never been so absolutely terrified in our life.

It was a good thing that paper cup was empty, 'cause it did get crushed. Heard about one girl with a full cup which flew about three feet in the air and showered several rows of movie-goers, and the funny thing was that no one even realized it for awhile.

It is a superb movie, well-made in every respect. Read that even the experts couldn't tell the fake shark from the real things in the film.

The terror would build up to the nerve-snapping point and then the tension would be broken with a well-timed humorous remark or other bit. Then, just about the time one relaxed back in the seat, whom! they would throw another screamer of a scene at the audience, until finally, we realized we hadn't relaxed in at least 30 minutes. Still clutching that empty soft drink cup as if it could save us from the Great White killer.

Shoot, we never did really want to go to the beach, anyway. And any boat smaller than the Queen Mary probably isn't too safe out there on the water in the first place!

Am sure there has been plenty of complaints without any more comment from us, but...couldn't someone do something about those gravel trucks speeding down Third Street and the Dimmitt highway? Left the office the other day just in time to see two of the McMillan gravel trucks "dragging" Third, side by side, at at least 50 miles per hour.

Wonder where the black and whites are when this is going on every day?

Our apologies, from myself and

the Booster Club, to Vernon Ward. Seems we left Vernon's advertisement out of the Mustang football program.

The good guy "Hoss" is, he just donated the money, anyway, to the Booster Club, and we do appreciate that kind of support.

The last few football seasons have sorta spoiled us, we guess. Had gotten accustomed to beautiful weather on Friday nights until at least the latter part of October. Just wasn't ready for that bone-chilling, damp game Friday night. It's difficult to even enjoy winning a game in that kind of setting.

And, speaking of football, the ladies did all right for themselves in last week's football contest. Three out of the four winners (had a tie for third place) were women. Way to go, gals!

Get a little perturbed when we hear the disgruntled men claim that the husbands fill out the blanks for their wives. Not so, fellas. We know that Mary Jane and Edna fill out their own contest entries and they can hold their own with the men any day in that little guessing game. If you don't believe the women are good at predicting the winners, just ask Erith Hawkins.

Open house Set By Water District

The Board of Directors of the High Plains Underground Water Conservation District No. 1 will conduct an open house of its new office building, 2930 Avenue Q, Lubbock, Saturday from 1 p.m. until 6 p.m. All interested persons are invited to meet with the Directors, County Committeemen and staff at that time and to tour the headquarters facility.

The new District offices, prepaid without increasing the District's tax rate, selling bonds or borrowing any money, was designed to accommodate the many diverse programs and functions of the District and to provide facilities for other water-oriented activities, such as meetings by industrial, civic, governmental and educational groups.

Although this building was designed specifically to provide efficient facilities for the accomplishment of the functions required of the District by State law, and as deemed necessary and beneficial by the District's

Directors, it is emphasized that it was also designed to better serve the water conservation and development needs of the entire populace of the District, and it is hoped that such public use is made of the building as can be accommodated.

Special features of the 7,724-square-foot building are a 30-foot by 40-foot Board of Directors' room, slide-sound-film projection facilities, a photography-reproduction laboratory and a basement for storage and mailing of the District's monthly publication, "The Cross Section."

As a part of the open house, the District has published a brochure entitled, "Office of the High Plains Underground Water Conservation District No. 1," which explains in detail the design and construction, intended use and financing of the new facility. Anyone interested in obtaining a copy of the publication may receive one, free of charge, by contacting the District's Lubbock office.

Church Chuckles by CARTWRIGHT

REV. TWEDDLE, D.D.

"If I don't mention money, they think the church is flush — if I do mention it, they say I'm too worldly! Would you consider trading jobs?"

"YOU WILL BE BLESSED FOR IT"

A beautiful and practical gem of wisdom is found in Proverbs 22:9: "Be generous, and share your food with the poor. You will be blessed for it."
I am to be generous. Why? Because God has been generous with me. I have what I have because God shared with me. "Every good endowment and every perfect gift is from above, coming down from the Father of lights with whom there is no variation or shadow due to change."
I am to share. My generous aim must be translated into good deeds. I do not say to the poor man: "Good luck to you, keep yourself warm, and have plenty to eat." Instead, I should say: "Friend, please accept some of this bounty which God has given to me."
If I will be generous in heart and helpful in life, I will be blessed. Jesus taught that true joy is found in loving and in serving. He said: "It is more blessed to give than to receive." Jesus, in His picture of the day of judgment, teaches that those who will enter into eternal life are those who have ministered to the needy.
Friend, share what God has given you! You will be blessed for it!

AGAINST UNION

Farm Organizations Take Legal Action

Texas Farm Bureau President Carrol Chaloupka said he was "extremely gratified" that the National Labor Relations Board had issued a complaint charging secondary boycott by the International Longshoremen's Association in refusing to load grain shipments to Russia.

"This is a major victory in prohibiting labor unions from interfering with exports of American farm products," the Dalhart grain and livestock producer said. "It proves that there are legal means to correct illegal actions."

The Texas Farm Bureau, along with the American Farm Bureau Federation and the Kansas Farm Bureau, on Aug. 25 filed secondary boycott charges against the International Longshoremen's Association.

Chaloupka said Farm Bureau received notification Sept. 19 that the NLRB has authorized its Houston office to issue a complaint and file injunction proceedings in the U.S. District Court. Issuance of a complaint is preliminary to a full hearing on charges filed with NLRB.

A secondary boycott is defined as an unfair labor practice under the Taft-Harley Act and is pressure by workers on a party against which they have no grievance in order to win concessions from another.

The Farm Bureau complaint was filed to stop the unions' interference with grain shipments to Russia. Subsequently, the ILA resumed ship loadings under court injunctions as a

result of suits filed against the unions by Texas Gulf port shipping associations. The unions have appealed.

Cannon Sets Open House

CANNON AFB—High performance jet aircraft will scream through the air, exhibiting aerobatics requiring split second maneuvering at high speeds.

Daredevil parachutists will dive out of airplanes, hurtle towards earth at nearly 200 miles per hour and perform death defying maneuvers before pulling their lifesaving rip cords.

There will be an American Bicentennial float parade, displays of nearly 20 different types of aircraft and the show is free to all wishing to attend.

It's the Cannon AFB annual open house scheduled Saturday from noon until 5 p.m.

Highlighting the event will be a performance of the Air Force demonstration team, the Thunderbirds. The aerobatics of the Thunderbirds are scheduled to begin at 3 p.m. The Thunderbirds have presented their precision aerial maneuvers throughout the world, demonstrating the capabilities of modern aircraft and the exacting professional skills required to fly and maintain high performance airplanes. They fly the T-38 "Talon," a highly reliable supersonic aircraft which at one time held 12 world records. The T-38 is also economical to operate and maintain, an important factor in view of the continuing energy shortage and a principle reason why it was selected for use by the Thunderbirds.

The Cannon open house will also host a performance of the Army's elite paratrooper demonstration team, the Golden Knights. Their aerial show includes a maneuver where the paratrooper deliberately makes his chute collapse to demonstrate to the audience what emergency actions are taken when such situations occur.

The Confederate Air Force, "...a patriotic organization dedicated to the

preservation of the world's greatest combat aircraft," will participate by setting up displays featuring the B-25, a Messerschmitt and other aircraft from the days of World War II.

Also planned for Cannon's open house is a Bicentennial Parade. Different units at the base have gone to work on floats bearing the theme of the American Revolution Bicentennial.

More than a dozen different types of aircraft which are a part of today's space age Air Force will also be on display along with their pilots who will brief spectators on the aircraft's mission and capabilities.

Other activities planned for the Cannon open house are a firefighting demonstration, a concert spotlighting the Clovis High School band, a performance of the Texas Tech University drill team and a flyover of F-111D aircraft from Cannon AFB.

People arriving at the base will be provided with a special edition of the base newspaper, the Mach Meter, which will contain a schedule of events and detailed information about the activities scheduled for the open house.

Booths are planned for the purchase of hamburgers, hot dogs, beverages and other snacks and refreshments.

Spectators might wish to bring lawn chairs along and photo buffs won't want to forget their cameras.

Open houses are traditionally held each year by Air Force bases to give the public an opportunity to view the equipment, people, skills and professionalism required by the Air Force to fulfill its mission.

Spectators are warned that because of the many attention capturing aerial demonstrations planned for this year's open house, preventive action should be considered to avoid suffering from "stiff necks!"

ROLL BACK TO ARROWHEAD....The high speed camera stops the Thunderbird wingmen during one of the team's most exciting maneuvers. The Thunderbird T-38s are painted with a

distinctive red, white and blue design. The team will be featured at the Cannon Air Force Base Open House Saturday at Clovis. (USAF Photo by SSgt. Henry Dutcher)

Bookmobile Lists Stops

The High Plains Bookmobile will be in the rural communities of Parmer County Thursday and Friday of next week, according to Lorene Sooter, librarian.

On Thursday, the bookmobile will be at Oklahoma Lane from 9 to 10 a.m., at the Rhea Community from 10:45 to 11:45 a.m. and at Hub from 1:45 to 2:45 that afternoon.

On Friday, the bookmobile will make stops at White's Elevator from 10 to 11 a.m., at Lazbuddie from noon until 1 p.m. and at Clay's Corner from 1:15 to 2:15 that afternoon.

County Gets

Designation

U.S. Congressman George Mahon announced today he had been advised by the American Revolutionary Bicentennial Committee that Parmer County will be designated an official Bicentennial Community tomorrow (Thursday), according to word received here.

Bovina was designated a Bicentennial Community by the committee earlier this year.

Asthma Seminar Set

Mrs. Pearl Cervantez of Bovina today reminded residents of Parmer County of an area-wide asthma seminar, sponsored by American Lung Association of Texas, to be held Saturday, October 4, at the Quality Inn, I-40 East, in Amarillo.

"The morning program from 8:30 till noon is strictly for health professionals," Mrs. Cervantez said. "Af-

ternoon program from 1 till 4 p.m. will be oriented toward parents of asthmatic children and adult asthma patients."

There will be no charge for the afternoon session. Morning registration will be \$5.00.

All interested persons in the Panhandle area are invited to attend, including teen-age asthma sufferers.

Mustangs Stampede Longhorns, 22-0

Bovina's Mustangs racked up their second win of the 1975 season Friday night, smashing the Lazbuddie Longhorns, 22-0, in a non-district tilt played at Lazbuddie.

The score wasn't a true indication of the dominance of the Mustangs over the Class B 'Horns. The Maroons had one touchdown run nullified by a major penalty and several other potential scoring drives stalled by the same method. In all, the Ponies picked up 90 yards in major penalties with one five-yard penalty for a total of 95 steps paced off against the Ponies.

Bovina took the opening kickoff and behind the running of Halfbacks Clint Cox and Tommy DeLeon drove to the Lazbuddie 14 before Cox fumbled with the 'Horns Bobby Broyles recovering the pigskin.

The 'Horns netted only one yard from the line of scrimmage and picked up 15 yards on a personal foul penalty called on the Mustangs before being forced to punt from their own 30 with the Mustangs putting the ball into play on the Lazbuddie 46.

A one-yard pickup by Cox was followed by a 34 yard pass play from Quarterback Dennis Willard to End John Caldwell. Four plays later DeLeon plunged over from two yards out for the touchdown on the first play of the second quarter. The snap on the attempted PAT kick was bad, and holder Willard picked up the ball and raced across the goal line for dual extras, putting Bovina into an 8-0 lead with 11:54 on the scoreboard clock in the second quarter.

Late in the second quarter, Defensive Back Ray Martinez set up the Ponies' second touchdown attempt when he intercepted a stray Longhorn aerial on the Bovina 40, running the ball back to the Lazbuddie 47 before being downed.

On the next play, Halfback Tommy Serna took a pitchout and exhibited beautiful broken field running down the right side of the line to score the touchdown, only to have it called back by a clipping penalty downfield.

Ill-timed penalties against Bovina

throughout the third quarter continued to stall potential TD drives, however, the Ponies had driven to the Lazbuddie 15 to begin the final 12 minutes of play.

With a second and goal from the one, Martinez put Bovina on the scoreboard for the second time that evening with Fullback Gerald Shelby running the extra points to give Bovina a 16-0 lead with 9:44 remaining in the game.

The third pass interception of the night for the Maroons, this time by Gerald Shelby, put the Mustangs on the scoreboard for the final time just 15 seconds later. Shelby plucked a treider pass out of the air on the 'Horns 13 and sailed into the end zone for the counter. The PAT attempt was nullified by a penalty and the scoring was over for the evening.

Lazbuddie was almost unable to move the ball at all against the fierce Mustang defense, picking up only 90 yards rushing in the game.

The offense picked up only 35 of those steps. Defensive Back Ricky Wall intercepted a Butch McCain pass on the Lazbuddie 10 and raced 55 yards to the Mustang 35 before being caught from behind by Ken Sorley and McCain to stop what looked to be a sure TD for the host team.

Although the Mustang offensive drives throughout the game were stalled by inopportune penalties, the Maroons still managed to pick up 197 yards on the ground and 53 yards via the air lanes for a total of 250 yards to 90 for the host team.

Individual statistics showed DeLeon to be the leading rusher for Bovina, gaining 110 yards in 20 carries. Cox picked up 58 steps in 16 carries and Martinez 22 yards in seven calls.

The Ponies will have an open date this week and will be using that time to prepare for the Plains game which will be played there Friday, October 3. The Plains game will be followed by the first home game in four weeks with Bovina hosting O'Donnell in what has been tabbed as homecoming for Bovina exes.

+++

"I thought we had a good offensive game, but we made a lot of silly mistakes," said Head Coach Joe Christian this week about the Lazbuddie game. "We still are not quite where we want to be on offensive blocking and are going to have to improve before we face some of these tougher teams."

Christian reported the Mustangs suffered no injuries Friday night. However, he noted that some type of "flu bug" has hit his squad and the Ponies are not working out quite as well as he had hoped this week. Joe Olvera, senior tackle who suffered a broken finger in the opening game of the season, will probably be unable to play until the O'Donnell game. Christian noted that if there were any doubts about Olvera that week, he would hold him back until district competition begins.

"Against Lazbuddie, DeLeon ran the ball well for us and Martinez blocked well on offense," Christian commented. The coach also singled out the defensive work of Dana Harris, lineman, and Gerald Shelby, linebacker.

7th, 8th, JV Marks Given

Bovina's seventh and eighth grade teams and the Mustang Junior Varsity have played two games each this year, according to Coach Joe Christian. The eighth grade team has racked up two wins over Nazareth with the seventh grade team losing two to Nazareth. The Mustang JV has lost to Farwell and the Clovis Junior Varsity. Next games on schedule for the junior high teams and junior varsity will be Thursday, Oct. 2, with three games against Plains scheduled here. On Thursday, Oct. 9, the Mustang JV will play Friona there. The remainder of the schedule will coincide with the Mustangs' District 3-A schedule.

Nobles TV, Appliances Open Here

A new business—Nobles TV and Appliances—opened recently in Bovina. The firm is in the Jones building on Third Street and was recently occupied by the Stuff 'n Such.

Mr. and Mrs. Jimmy Nobles of Friona are owners and operators of the business. They also have a store in Friona.

The firm will carry a line of brands including RCA, Whirlpool, Litton and Sound Design. Featured in the store are a complete line of television sets, radios, tape players, stereos and home appliances including microwave ovens.

Nobles will also feature repair service for televisions and other appliances.

The couple invites everyone in Bovina to stop by and visit them in the new location of the store.

CONTEST RULES

1. There are 14 football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside the corresponding number in the contest entry blank at bottom of this page.
3. Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Sunday, if possible. Cash prizes of \$7.50 for first, \$5.00 for second, and third prize of \$3.00 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season two grand prize winners will be named. Grand prize winner will receive two free tickets to the Cotton Bowl Game in Dallas on January 1, and \$30 in expense money. Second grand prize winner will receive two tickets to the Sun Bowl Game and \$20 in cash.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p.m. or postmarked by 5 p.m. Friday.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Contestants must be 10 years old or older.
10. Everyone, except employees of this newspaper and their families, is eligible to enter.
