## Paul Crouse Resigns As Police Chief

Merkel Police Chief Paul Crouse has resigned his position with the city Merkel police department. The resignation was effective June 24. Leroy Austermen has been named acting Police Chief by the City Council. Mayor David Allen said the city is now taking applications for the position. The Mayor said that the city would take the necessary time to find the best person available for the job.

## News and Thoughts

by Martha Sue Justice

This past weekend was really pleasant with all the rain we received. However, the weekend before that—it was quite hectic at my house. We have this beautiful white, retarded, long haired cat by the name of "Angel." He is really a sweet cat but terribly dumb. "Angel" is the reason that Fannelle Boney has such pretty flowers in her front yard. Well, anyway, to make a long story short,—my husband, Larry came in Friday night feeling very energetic. The first thing on his agenda for Saturday morning was to give poor "Angel" a bath. Well, naturally I threw a fit because cats just don't take to water at all. Larry insisted that "Angel" wouldn't know the difference—so Saturday morning he picked him up and took him to the bathroom to wash him in the bathtub. Shortly afterward—there was a great deal of commotion. "Angel" came flying out of the bathroom with only his feet wet but by the appearance of Larry when he came out—I knew immediately that there had been a tad of trouble, because Larry was much wetter than the cat. Needless to say this was the beginning of a bad day. Saturday afternoon Larry decided he would fix the draft under the door leading to the store room. (He had started feeling better by this time). He went down town and bought a piece of aluminum to go on the bottom of the door. After finally getting the thing screwed in place he started looking for the hack saw so that he could cut off about 6 inches that was too long. Did he find the hack saw? Oh, no,—evidently our son Donan had been using it for one of his projects and had misplaced it. I knew something had to happen before this project was finished because Larry has a tendency to have quite a lot of trouble when setting out to repair something. Anyway—he ended up tearing the piece off of the door while saying ugly words like gosh, darn-it, heck, shucks, and being in an awful mood for the rest of the weekend. I will have to give him credit for trying to get things done—however, sometimes I wish he wouldn't tackle such difficult tasks!

Dick Leach didn't have a very successful weekend this past week. He was going down the alley with his lawn mower when suddenly the mower coughed, backfired, jumped up and down a few times and finally quit. Dick said he has been quite upset over the matter, but intends to do corrective surgery on the mower sometime this week. I do hope everything comes out alright Dick!

The 8th Grade Graduation pictures have arrived and can be picked up at school.

This report comes from Senator Lloyd Bentsen.—Twenty-three Texas counties were without a physician as of the last count on December 31, 1973. This lack of medical care constitutes a real hardship, especially for the elderly and disabled. And current laws governing Medicare benefits only compound the problem. In order to help alleviate this situation I am cosponsoring legislation that is now being considered by both the Senate Agriculture Committee and the Senate Finance Subcommittee on Health. In contrast to the current Medicare reimbursement program, which will make payments only to physicians or to clinics in which a physician is on duty at all times, this bill will allow Medicare to reimburse rural health clinics for services provided by both physician assistants and nurse practitioners. In rural areas, the central question is not so much the quality of medical care as the very existence of medical care.

Lee and Ginny Yadow along with Billy Bob and Pat Neff decided to go rabbit hunting this past week. When finally spotting a rabbit, Billy Bob and Lee shot at it—again and again and again! The rabbit calmly sat there while they continuously shot several rounds and never even came close. Billy Bob and Lee were at their wits end while Pat and Ginny stood by laughing themselves to death. Finally as a last resort—they threw down their guns and pounced on the creature—and believe it or not caught it!

THOUGHT FOR THE DAY: If time and our lives could slow down—life would flower.

Our love should not be just words and talk; it must be true love, which shows itself in action.—1 John 3:18

ROPING CONTEST WINNER

Steve Bland won the calf roping contest at the National College Finals in Bozeman, Montana last week. The win paced Southeastern Oklahoma State University's rodeo team to win the National Championship for the second year in a row. Steve's wife, Kay, won second in the barrel race at the finals. U. S. Tobacco Company awarded 100,000 dollars worth of scholarships to the winners at the Finals.

## CJC To Offer Five Classes in Merkel

Cisco Junior College will offer five classes at its Merkel Extension Center during the second summer term, Registrar Olin O. Odom III has announced.

Registration for the classes is currently in progress. Students may sign up at the Community College Center of Abilene any school day between

8:00 a.m. and 4:00 p.m., or at the CJC Registrar's office in Cisco. One day of registration will be held in Merkel—at the CJC Building downtown. It will be on Thursday, June 30, from 10:00 a.m. to 12:00 noon for the one day class offered, and from 6:30 to 8:00 p.m. for evening classes.

The day course scheduled is Business 233 (Introduction to Business Law), which will meet Tuesdays and Thursdays from 8:30 a.m. to 12:00 noon.

Classes meeting on Monday and Wednesday evenings from 6:45 to 10:15 will include English 123 (English Composition and Rhetoric) and Government 233 (State and Local Government).

Meeting on Tuesday and Thursday nights will be Business 233 (Introduction to Business Law) and English 223 (Readings in English Literature). They will also be scheduled to run from 6:45 to 10:15.

The college's low state-supported tuition and fee schedule for the Merkel Extension Center has one three-hour class costing \$47.50 and six hours costing \$59. Mr. Odom pointed out that these fees do not include the cost of textbooks.

"We urge students to pre-register if at all possible," Odom said. They may actually register at any one of three places, according to which is most convenient for them—The Community Center of Abilene, at 1600 Sherman; the Clyde Educational Center, downtown Clyde; or at our main campus offices in Cisco.

## Sue Gauthe Honor Student

Dr. Miles Anderson, vice-president for academic affairs, at North Texas State University, has named 1,387 students to the spring semester honor roll.

Some 348 students earned all "A's" to make the 4.0 honor list, and 1,039

achieved the 3.5 listing which includes those students whose grade average is midway between an "A" and a "B."

Sue Pinckley Gauthe, daughter of Mr. and Mrs. Jarrett S. Pinckley, Route 1, Merkel, was named to the 4.0 honor roll at NTSU.

## Merkel Schools Face Large Expenditure

Merkel Independent School District will have a large and mandatory expense in the very near future. Due to a recent visit by a representative from the State Fire Mar-

shall's office, the high school academic building was judged to be unsafe due to faulty and inadequate wiring. The old gym will also need new wiring, new exit signs over

all doorways, all doors changed to open outward and natural gas pipes relocated and substantially anchored. Other buildings on the school campus also came in for their share of reworking and updating of the electrical systems and gas pipes.

Tye Elementary, Merkel Elementary and the Middle School will be checked in October of this year for similar needs. Estimates, thus far, prove to be expensive and contractors judge the costs sited for the old gym to be more than the building is worth. However, any building that is actually unsafe for the students and faculty should be updated before the 1977-78 term begins.

## TEJANITOS LEFT WAITING

The Wichita Falls Aces failed to show up Sunday and the Tejanitos were left waiting in the hot afternoon sun. But, not all went for nought. The team played an intrasquad game in preparation for its trip to Ciudad Juarez, Chih. Mexico, this coming Fourth of July weekend. The Tejanitos will play a double-header against a team composed of players from the Valle de Juarez league.

The following is a roster of the Merkel Tejanitos, position played and batting average: Felix Acuna, Manager; Juan Ybarra, Coach; Juan Castro Biera, Coach; Richard Hernandez, P, .308; Tony Biera, P, .231; George Slaughter, P, .200;

Ramon Moreno, 1st Base, .250; Marso Moreno, 1st Base, .125; Robert Rodriguez, 2nd Base, .265; Jimmy Moreno, SS, .463; B. Moreno, SS and LF, .343; Frank Rodriguez, 3rd Base, .357; Daniel Moreno, Catcher, .500; Pete Ybarra, CF, .462; Ace (Bullet) Moreno, Outfield, .458; John (Boy) Biera, RF, 2nd Base, .333; and Rueben Duran, Outfield, .333.

## Paul Crouse presents \$100 check to Ladies

### Auxiliary of Fire Dept.

Paul Crouse was contacted by Missouri Pacific officials Tuesday morning in order to present him with a \$100 check. The check was presented to Paul due to his fast action in reporting a broken rail on the Missouri Pacific crossing at Oak Street, the incident occurred while Paul was still Chief of Police in Merkel.

Paul said, "I just don't

believe in taking money for doing something that was my job to do as Chief of Police in the first place. For this reason I am very happy to present this check to Audra Sue Horton, president of the Ladies Auxiliary of Merkel Volunteer Fire Department.

Audra Sue announced that the check will go towards the restoration of the 1938 Ford fire truck.

## Legislature Must Act on School Financing

Merkel School Superintendent Travis Davis has cautioned Merkel School District resident of the need for the Texas Legislature to act on school financing bills that will effect Merkel. Following is his statement.

Governor Briscoe has promised to call a special legislative session beginning July 11, 1977. Should an adequate school finance bill with local tax relief fail to pass in this session the schools will be left with a finance plan known as H. B. 1126. This bill is not designed for mid-size districts such as Merkel. Under H. B. 1126, Merkel Schools stand to lose the funding of at least three teachers and the local fund assignment will go up instead of being reduced.

like any big business, will no doubt be greater each year, it is most important that we have relief from the advalorem tax as a method to fully finance our schools.

Write to your Senator, Representative and the Governor urging immediate passage of a tax relief and school finance bill.

This next weekend is independence weekend. We are very proud of the independence of our country. We are proud of the American flag and all that it stands for.

There is another kind of freedom which we are very proud of, that being freedom from sin. Thanks to the Lord Jesus Christ who died on Calvary that we might be from sin set free.

**Last Rites Held  
for  
Jewel Hutchins**

Mrs. A. H. (Jewel Bell) Hutchins, 80, of Dennis, formerly of Merkel, died Sunday in Los Alamos, New Mexico, following a brief illness. Graveside services were at 2 p.m. Tuesday, June 28 at Rose Hill Cemetery in Merkel.

The Rev. Kenneth Jones, pastor of First Baptist Church of Merkel, officiated.

Born September 9, 1896, in Kempner, she moved to Merkel with her parents in 1910. She moved to Sweetwater in 1928 and to Dennis in 1956. For the past three years she had been living in Los Alamos, New Mexico. She was a Baptist. She married A. H. Hutchins December 23, 1915. He died in 1971.

Survivors include two daughters, Mrs. John Spauldin of Los Alamos, New Mexico, and Mrs. W. A. Ruhmann of Austin; seven grandchildren; and four great-grandchildren. The family requests remembrances be made to Dennis Baptist Church.

A Tri Cities Baseball Project meeting was held at the Merkel Restaurant at 8:00 p.m. Monday night. Those present were J. C. Carson.

The purpose of the meeting was to discuss ways and means of raising money to buy a chain link fence for the hard ball and soft ball diamonds: 1. sell to interested person or persons 50 ft. by 6 ft. chain link. Cost of roll is approximately \$30.00.

No wonder Merkel does not have a play ground—or any other type of amusement for their youth! NO

ONE IS INTERESTED OR GIVES A HOOT! You would think that if they had the land, the least that could be done is for the citizens of this town to help. Even if they would just pay for fences and this includes both boys and girls fields.

We will meet again Tuesday, July 5th, 8 o'clock at the Merkel Restaurant. We will again attempt to make plans for ways and means to fund raising for fencing in the ball parks.

J. C. Carson

**Golden Anniversary**  
**Celebrated by**  
**Mr. & Mrs. Mack Fisher**

Mr. and Mrs. Mack Fisher of Merkel were honored on Sunday, June 5th, on their Golden Wedding Anniversary by their nieces and nephews Mr. and Mrs. Clifford Stark of Austin, Texas; Mrs. Winfred Mundine, Mr. and Mrs. Wesley Fisher, Lexington, Texas; Mr. and Mrs. Winiford Hawthorne, Temple, Texas; and a sister and her husband, Mr. and Mrs. Jodie Barker, Kermit, Texas. The celebration was held in the home of Mrs. Winfred Mundine of Lexington.

Mitzi Mundine registered guests in a golden 50th Wedding Anniversary book provided by her great grandmother, Mrs. William W. Fisher, Sr. The special guests received a golden orchid corsage and a golden carnation boutonniere.

A luncheon for all members of the immediate family preceded the reception. The table was laid with a golden lace cloth, golden flatware, and an arrangement of gold and white flowers. A golden 50th Anniversary decor was placed on top of the flower arrangement. Brothers and sisters and their husbands and wives were seated at the head table with place cards marking the place of each.

The reception table held a beautiful arrangement of Magnolia blossoms, foliage and Baby's Breath. A gold 50th Anniversary on a golden stand was placed in front of the arrangement. The cake was decorated in white with white doves and golden roses. It was topped with a miniature bride and groom. The cake and gold punch were served by the hostesses. The bride and groom of fifty years ago cut the cake in the traditional manner.

Fisher, Lexington; Mrs. Irvin Nance, McDade; Mrs. Winfred Mundine, Lexington; Ruth Platt, Austin; Neal Stark, Austin; Mr. and Mrs. Jodie Barker, Kermit; Mr. and Mrs. G. L.
