**WEST TEXAS WEATHER** has long been a source of wonderment, both to outsiders, and to those of us who have lived here all of our lives.

Farmers in our area have been longing for a good rain all summer long, but very little rain was received. Now that it is time for harvest, and farmers would like to have the dry weather that has plagued them all summer, it begins to rain.

If it weren't so darned serious, and so costly, it would almost be funny. In fact, I suppose you might as well laugh at the weather. Crying doesn't do much good.

And, if the current week's rain happens to kick off a good wet winter for these parts, then next year's crops could be bumper affairs, with the help that the 1976 crop did not receive.

**THE PRESIDENTIAL** debates have begun, and voters are hoping that they can use this series of special TV appearances by the two major candidates to help them make up their minds as to how they will vote in November.

Most political experts will admit that it was John F. Kennedy's apparent edge in the Kennedy-Nixon debates that led to the election of JFK in 1960. From this standpoint, it was a bit surprising to this observer that President Ford, who isn't exactly a charmer, would agree to the debates against Carter, who apparently "comes across" a little better than does the president.

However, the debates do serve a useful purpose in allowing millions of American voters to find out first hand as to how the candidates stand on the various issues.

**THE COLLEGE FOOTBALL** games, as you probably realize by now if you are entering the Bovina Blade's football contest, aren't necessarily following form. In fact, you could say that there isn't any rhyme or reason at all, concerning the college games.

We liked what our friend Don Henry, who writes for the Lubbock Avalanche-Journal, had to say about the latest round of upsets last Saturday. We quote herewith a part of Don's column:

"Last Saturday morning, the sun came up in the east. That was about the only thing throughout the day that went according to plan. If the national election had been held that day, the smart guy would have put his money on Pat Paulson.

Brand X could have won a contest at any supermarket or car lot in the nation, an iceberg would have bounced off the Titanic inflicting only a dent, the guy in the black hat would have drilled John Wayne right through the heart with one shot, and not only would Charley Brown have kicked the football, he'd have gotten a piece of Lucy's finger, to boot.

It was that kind of day. You couldn't even get odds out of Jimmy the Greek the next morning on the Amazon drying up by noon.

Ohio State was looking ahead to UCLA. Penn State was looking back toward Ohio State. The state of Arizona now doesn't know which direction to look, west or north. And the Aggies....well, they're looking forward to one tough week of workouts.

## PTO Set To Organize Here

Tuesday, October 5, is the date set for an exploratory meeting to see if there is enough interest to start a Parent-Teacher Organization in Bovina. The meeting will be held at the First State Bank Community Room at 4 p.m.

If you think it is important that the Bovina community and school system needs an organization such as this, please try to attend this meeting.

Anyone is welcome to attend the meeting but parents of children Kindergarten through fifth grades are urged to attend.

## Dianna Naegle Is Football Winner

After having tie games for the last two weeks this week slipped by with no ties and the scores running about average in the Bovina Blade's Football Contest.

The games missed by most of the contestants were the Baylor-Illinois and Texas A&M-Houston games.

From the 165 contestants entering the fourth week, five people picked eleven correctly out of the possible fourteen games. Twelve people picked ten games correctly. One person got a total of two games out of fourteen correct. The majority of the contestants picked Bovina to win over Lubbock Christian on the tie-breaker game.

Winning first place and \$7.50 in the weekly contest was Dianna Naegle, another high school student. This is the third week for a high school student to take the honors. Dianna missed the tie-breaker by eight points. She picked Bovina to win by a score of 14 to 12.

Other winners in the contest were Jeanne Kerby taking second, missing the tie-breaker by nine points. She picked Bovina over Lubbock Christian by a score of 16 to 13. Third place winner was Ricky Castaneda of Hereford, missing the score by sixteen points.

A Friona man, Bobby Drake, has the highest overall total number of points with 39. Next in line with 38 points is Mary Jane Wilson and Kenny Estes. H.W. Roberts follows closely with 37 points.

Contest standings are found elsewhere in the paper. Contestants are shooting for the grand prize of \$100 at the end of a thirteen-week contest.

Sponsors in the contest are Bovina Pump Co., Oklahoma Lane Farm Supply & Gin, Sherley Grain Co., Charles Oil Co., Chuck's Spraying Service, Agri-Sprayers, Don's Medicine Chest-Staff 'N Such, Big Nick Farm Machinery, First State Bank, Horn Insurance Agency, Paul Jones

Texaco, The Browsabout, Riverside Chemical Co., Bovina Restaurant and The Bovina Blade.

## Spears In JP Race

A race for the Bovina Justice of the Peace office evolved this week with the announcement by Wayne Spears that he would be a write-in candidate for the position.

Edna Estes has been appointed to fill out the year for Wilbur Charles, who passed away recently with over two years left on his term. Mrs. Estes also had entered her name for inclusion on the November 2 ballot, under the Democratic heading, but only one name can be on the ballot for the Democrats.

So, Spears announced his intentions of seeking the office by a write-in campaign.

**WINNER...Dianna Naegle** won the Bovina Blade's weekly football contest with a score of 11. Miss Naegle, a senior at Bovina High School, won the first place money

after having the best tie-breaker score on the Bovina game. It marked the third straight week for a high school student to claim top honors in the contest.

## District Court To Hear 10 Civil Cases

The Parmer County Grand Jury will convene next Monday at 1:30 p.m. at the court house in Farwell to consider civil cases. Two lists of jurors has been summoned, with 72 prospects called for duty on Monday, and another 37 called for Wednesday morning at 9:30.

The ten cases on the docket, as compiled by District Clerk Dorothy Quickel, are:

Bart Davis Blackburn and Cristie Lynn Blackburn, motion to modify a child custody case; William M. Brailiff vs the Northern Assurance

Co. of America, worker's compensation; Kay Phillips et al vs Larry Gregory, breach of wheat crop purchase contract.

Also, Fernando Longoria et al vs Diamantina Colunga and Bill Neal Brown, collision, personal injuries and property damage; Edward P. Hernandez vs the Northern Assurance Co. of America, workmen's

comp.; Arthur Maestas vs the Northern Assurance Co. of America, workmen's comp.

Also, Jose A. Aguirre vs Commercial Union Insurance Co., workmen's comp.; Guillermo Franco vs J.G. McFarland, explosion and personal injuries; Mario Hernandez vs Northern Assurance Co. of America, workmen's comp.; Aetna Casualty and Surety Co. vs Juan Perez et al, workmen's comp.

## Open House Slated For Nursing Home

Open House for Prairie Acres Nursing Home, the new 60-bed nursing facility located in Friona, will be held from 1:30 p.m. until 5 p.m. Sunday, October 3, it has been announced.

The public is invited to tour and see through the facility, which features all of the most modern equipment and concepts in nursing care.

A special ceremony at 2 p.m. will honor a group of students who have completed a Nurse's Aide course.

"We feel fortunate in having the quality and experience that we have been able to secure for the home," says Merv Noah, administrator.

## Third Auto Show Friday In Friona

For the third year in a row, an Auto Show for new model automobiles has been scheduled for Friona.

The 1977 cars will be on display at the Community Center-Showbarn in Friona on Friday, October 1, from 8 a.m. to 6 p.m.

The three makes of automobiles

available in Parmer County--Fords, Chevrolets and Oldsmobiles, will be shown.

The year 1974 marked the first time for competing lines of automobiles to be shown under one roof, and it proved extremely popular with the public, so much so that the format has been continued.

Free Spudnuts, coffee and soft drinks will be served throughout the show.

Those attending the new auto show are asked to register for door prizes, valued at over \$150. Several other favors will also be awarded.

Announcements pertaining to the new car showing, plus feature articles and pictures of the new models, are contained elsewhere in this issue.

## Lambs Are Killed Here

Several lambs valued between \$500 and \$700 were killed recently at the Ag farm by dogs after night. Other animals had legs broken and will no longer be of any use as far as for show animals. These animals belong to Bovina youths who buy and care for these animals for showing purposes.

In the near future approximately \$7000 to \$10,000 worth of show animals will be at the Ag farm in preparation for stock shows.

Any dogs seen in the area of the Ag farm at any time will be killed immediately. The youth and their sponsors can not afford to let any stray dog kill their show animals.

## 4-H Banquet Is Scheduled

The annual 4-H banquet will be held Monday, October 4, at the Bovina High School Cafeteria. The banquet will begin at 7 p.m. This is a county-wide banquet for all 4-H youth who have turned in a record book for the past year. Parents of these 4-H'ers and 4-H leaders are also invited to attend the banquet.

Awards will be presented to the 4-H youth that have earned such awards throughout the year. The 4-H Gold Star boy and girl will also be selected at this time.

## Bull Town Days Termed A Success

Bovina Bull Town Days 1976 was termed a big success by the Bovina Chamber of Commerce board of directors. It was successful because of the interest of the people working on the celebration.

Bull Town Days was sponsored by the Chamber of Commerce and Agriculture. Eight Chamber directors served on the Bull Town committee.

Included on the committee were George Powell, chairman of Bull Town Days, Steve Sherrill, Gaylon Rhodes, Ken Horn, Dickie Clayton, Lowell Boozer, Kenneth Cary and Karen Kirkpatrick.

The annual Bull Town fund started with \$3.75 this year and ended with 75 cents. The Chamber strives only to break even on the celebration each year.

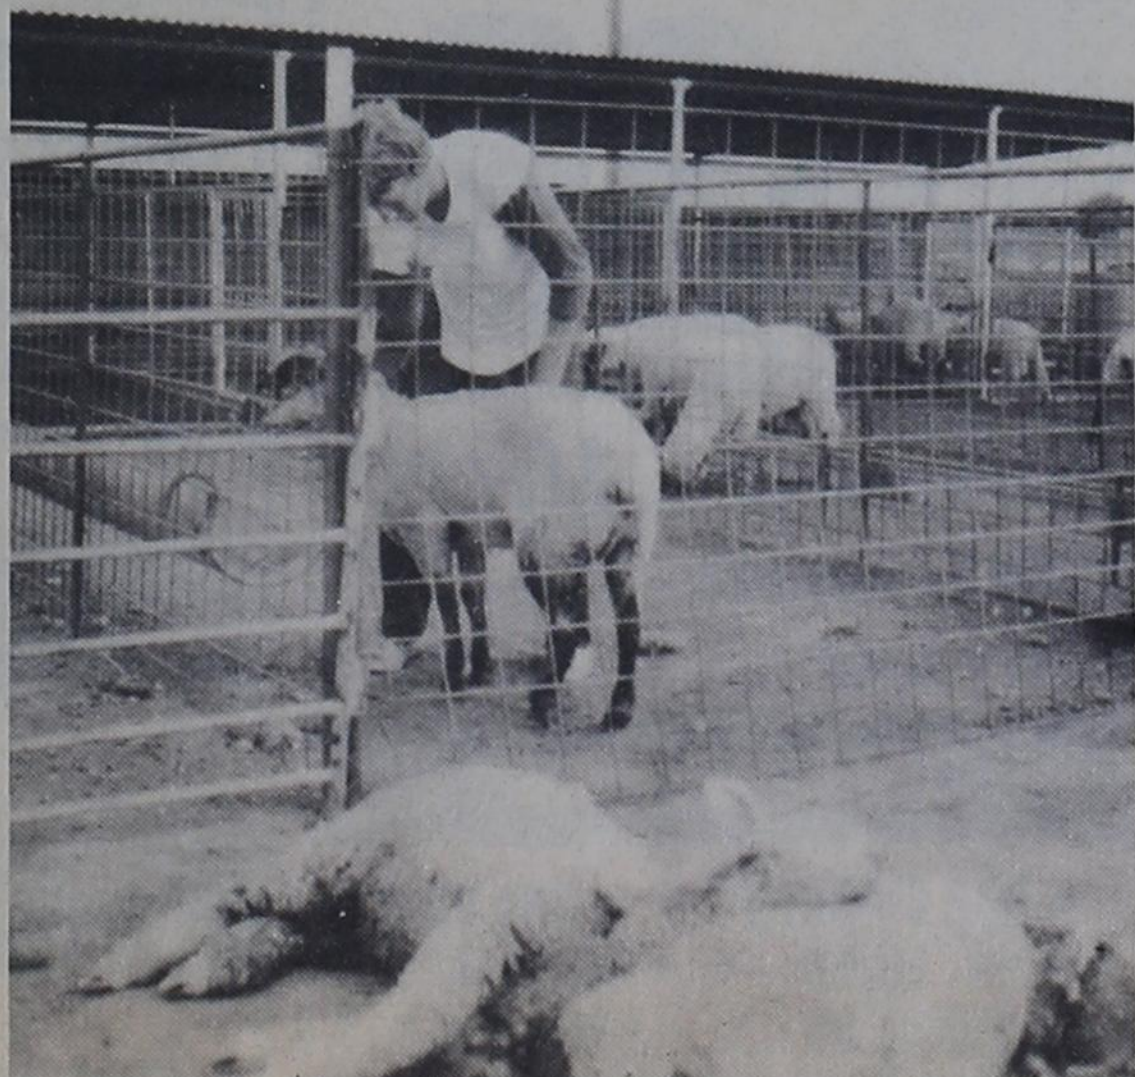

A financial statement will be found elsewhere in the Bovina Blade this week.

"We are very proud of this because we did not take any of the money from any of the organizations for the Bull Town projects they sponsored this year," stated George Powell, chairman of the celebration.

## Jaycees To Aid Cleanup

The Bovina Jaycees and the City of Bovina were responsible for a clean-up campaign of old refrigerators since the deaths of two children about two weeks ago. During the campaign over thirty old refrigerators were picked up or the doors removed.

The Jaycees remind anyone that if there are any refrigerators that still need to be picked up or the door removed all one needs to do is to call one of the Jaycees or the City and someone will be by to take care of it.

**INSPECTS LAMB....Ronnie Cary** is shown inspecting a lamb that has had its leg broken by a stray dog. In

the foreground two sheep are dead as a result of the dogs.

**SPLISH, SPLASH....The Bovina area** was visited the first of the week by a late-season rain that dumped up to an inch and more of rain on the area's farmland. A cold front also

brought the season's coldest readings, with thermometers falling below 40 in the area Tuesday morning.

From *The Blade*

## 20 YEARS AGO—SEPT. 26, 1956

With 36 businesses signed up to participate in a Boost Business Day for Bovina, the Bovina Junior Chamber of Commerce voted to put the plan into operation. The decision was made at a regular meeting of the club Saturday noon in Bovina Restaurant.

Kenneth Havner led the Bovina Junior High Mustangs to a 7-6 win over Friona's Junior High team last night at Friona.

The Bovina Good Neighbor Home Demonstration Club met Friday afternoon in the home of Mrs. J.D. Stevens. Mrs. D.C. Looney, president, gave a talk on court procedure and the afternoon was spent quilting.

## 15 YEARS AGO—SEPT. 27, 1961

Lady Luck smiled sweetly on Bovina Mustangs in the second half at Amherst Friday night as they hung on to preserve a 22-16 come-from-behind win over the fast, talented Bulldogs.

Mrs. Paul Jones was honored with a birthday party by members of 30ers Birthday Club Tuesday evening at the home of Mrs. C.E. Trimble.

Army Private James N. Clayton is undergoing basic infantry training here. Private Clayton is the son of Mr. and Mrs. James Clayton.

## 10 YEARS AGO—SEPT. 28, 1966

"Our schools are now faced with

overcrowded conditions," said Otis Spears, Bovina Schools Superintendent, this week, as he looked over figures showing 715 total enrollment, up 54 from the same period of 1965.

Work has resumed on the Bovina Methodist Church after rains stopped progress for several days. The roof deck has been completed and the tower is about "to go up."

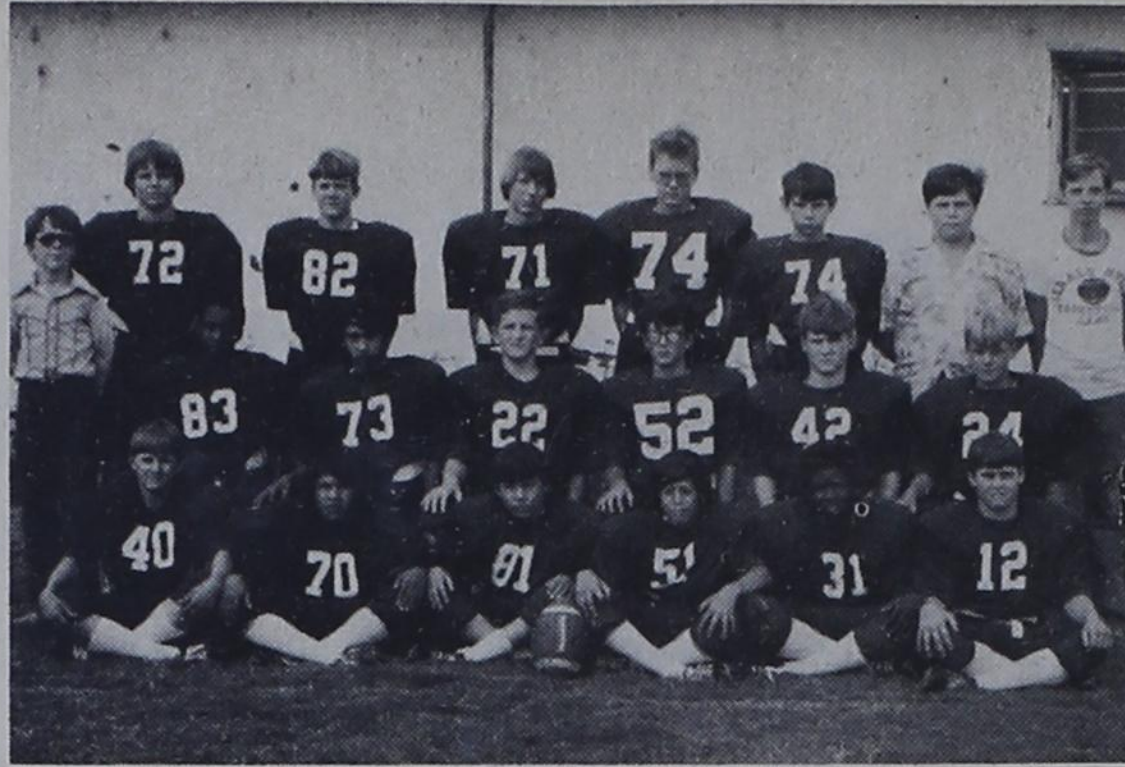

Mrs. Lula White was entertained with a birthday party Tuesday night of last week in Bovina Restaurant by the 39ers Club.

## 5 YEARS AGO—SEPT. 29, 1971

Miss Barbara Griffith was crowned football queen and Bobby McMeans was named football hero during halftime activities of the Bovina-Lazbuddie game. Both are seniors.

City of Bovina's third quarterly dividend from the city sales tax arrived here this week. The check, which was received for \$3,151.68, was received Monday from the state comptroller's office, according to Mrs. Mary Ruth Martin, city secretary.

Winning the football contest with his tie-breaker prediction, Dan Cox, fifth grader in Bovina School walked away with the first prize money of \$5.00. He was only two points off the score of the Bovina-Lazbuddie game.

**SEVENTH GRADE BOYS** playing football this year include top row: Steve Pruitt, manager, Tim Grissom, Shane Walling, Brad Heflin, Eric Allison, Guadalupe Salazar, manager, Michael Nance, manager. Middle row includes Ed

Chisom, Joe Pena, Mark Teague, Doyle Garner, Marty McCowan, Charlie Trimble, and on the bottom row is Daryl Hawkins, Victor Robledo, Claude Tamez, Joe Lumbrero, Ricky Shepherd, and Tad Mayfield.

## Drivers Should Obey Bus Loading Laws

"This school year, as in the past, the School Bus Loading Laws confuse many drivers," states Major C.W. Bell, Regional Commander of the Texas Department of Public Safety.

The Uniform Vehicle Code in Texas states that the driver of a vehicle, meeting or overtaking from either direction a school bus displaying red flashing warning lights that is in the process of loading or unloading passengers, shall stop until the school bus starts moving, the red lights are no longer flashing, or the bus driver directs

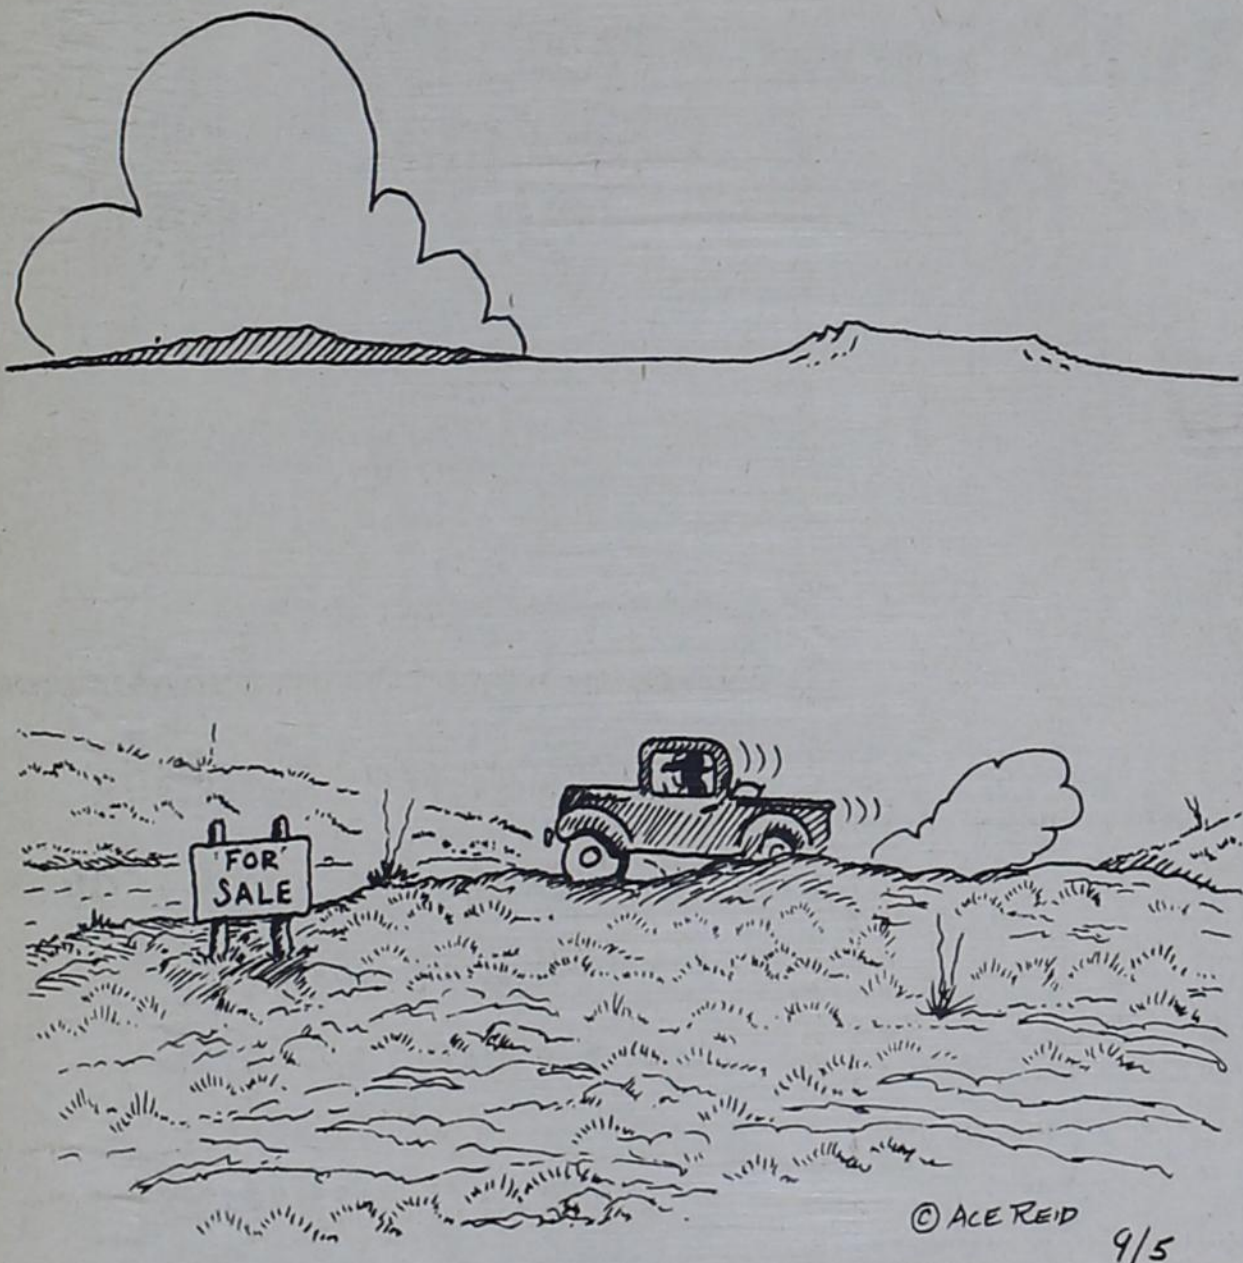

motorists to proceed.

"Freeways and divided highways add to the drivers' confusion," Major Bell added. "If a bus is on an access road, only the traffic on the access road must stop. However, if the bus is on a divided highway and pedestrian traffic does not normally cross the median or barrier then only the traffic on the portion of the roadway occupied by the bus must stop."

It is most important that drivers observe the School Bus Loading Laws for the protection of our school children.

## Out of Orbit

## agri-facts By John Ricci

Taking a look over your shoulder is sometimes a good idea. It not only helps make us more secure... it adds perspective to where we are now. Looking over our shoulder at agricultural production produces similar results. Today's farmer produces over fifty percent more than his father. He does so on six percent less land. Twenty years ago each person working in farming accounted for production of enough food and fiber for sixteen others. Today each farmworker produces enough for 56 others. No other country even comes close to that kind of productivity. Russia's farmers produce enough for only six others. This quick, over-the-shoulder glance should make us feel more secure... having such a super productive agricultural environment. It should also help perspective. If we continue to encourage full farm production, the future of a hungry world should be considerably brighter.

## Klimek Named In Merit Program

Principal Gary Cox announced that one senior at Bovina High School has been named Commended student in the Merit Program by the National Merit Scholarship Corporation (NMSC). Letters of Commendation were presented to Stephan Klimek.

These students are among 35,000 Commended students nationwide who are being recognized for their outstanding performance on the 1975 Preliminary Scholastic Aptitude Test-National Merit Scholarship Qualifying Test (PSAT-NMSQT). Commended students represent less than two percent of the nation's secondary school senior class. Although Commended students score below the level required for the 15,000 Semifinalists who will

continue in the Merit Scholarship competition, their test performance indicates exceptional academic promise.

Edward C. Smith, president of NMSC, said: "The high standing of Commended students in the Merit Program shows their great promise, and their attainment in this nationwide competition deserves public recognition. Commended students should be encouraged to continue their education; our nation as well as the students will benefit from their further educational and personal development."

To increase their opportunities for college, NMSC makes it possible for regionally accredited U.S. colleges to obtain, on a cost basis, the home addresses of Commended students.

PRESENT PROGRAM.....Women who participated on the program for the community wide luncheon for church women were, left to right,

Mrs. Judy Brockman, Mrs. Dixie Jesko, Mrs. A.C. Kersey, Mrs. Jewel Putnam, Mrs. Julia Ann Moody and Mrs. Marilyn Carroll.

## Church Women Host Luncheon

A luncheon was held Tuesday, September 21, at St. Ann's Catholic Church for the women of the community. The lunch was served by St. Ann's Society.

The theme for the program was "Why Do I Live?" with women from different churches giving the program. Mrs. Jewel Putnam of the Methodist Church gave the devotion. Solos, "Here Is My Life" and "I Could Never Outlove The Lord" were sung by Mrs. Marilyn Carroll. She was accompanied on the organ

by Mrs. Julia Ann Moody. Mrs. Carroll and Mrs. Moody are members of the Baptist Church.

Mrs. Dixie Jesko read a poem entitled "Why Do I Live?" The scripture was read by Mrs. A.C. Kersey of the Pentecostal Holiness Church. Mrs. Judy Brockman introduced the guests who participated on the program. Mrs. Jesko and Mrs. Brockman are from St. Ann's Catholic Church.

About thirty-five women from churches of the community attended.

## Panel Discussion Highlights Meeting

The Bovina Woman's Study Club met Thursday, September 23, in the Women's Club House. The program was "Is it possible for an elected official's private life to be apart from his public life?"

A panel discussion was composed of Mrs. Arlin Hartzog, Mrs. Huston Hoover, Mrs. W.E. Williams, and Mrs. Joe Fowler discussing the lives of President Ford and Jimmy Carter. Mrs. Earl Stevenson was moderator. Mrs. Earl Whitten and Mrs. O.H. Jones were the hostesses.

Those attending the meeting were Mrs. Earl Stevenson, Mrs. George

Trimble, Mrs. O.H. Jones, Mrs. Huston Hoover, Mrs. W.E. Williams, Mrs. Joe Fowler, Mrs. Clarence Jones, Mrs. Earl Whitten, Mrs. Earl Richards, Mrs. H.D. Bradley, Mrs. Arlin Hartzog, Mrs. James Putnam, Mrs. W.M. Sudderth, Mrs. Jesse Walling, and the president, Mrs. Ovid Lawlis.

## Joan Carson Elected Sr. 4-H Club President

The Sr. 4-H Club met September 8 at the First State Bank room to organize for the coming year. Officers elected at this time were Joan Carson, president; Rocky Bartlett, vice president; Lezli Williams, secretary-treasurer; Laura Widner, reporter; Pam Rhodes, council delegate; and Steve Cockerham, alternate council delegate.

The 4-H Club will also help sell baked goods at the County 4-H booth during Maize Days in Friona. The booth will be open in the park all day October 2. Money from this booth will go into the council fund to buy ribbons and trophies earned by 4-H youth during the year. Also discussed was the upcoming banquet to be held Monday, October 4.

The regular meeting time set by the Sr. 4-H will be the first Monday night of every month at 7 p.m. at the home of Mr. and Mrs. Houston Bartlett north of Bovina. Any boy or girl from age fourteen through high school that is interested in 4-H is urged to attend the next meeting which will be held November 1.

Discussed also was the District II 4-H meeting to be held in Lubbock Saturday, October 2, at the El Centro Home Economic building on the Texas Tech campus. The theme for this meeting is "Building For Century-We've Only Just Begun."

Council delegates to attend this meeting from Parmer County are Evelyn Hart of Friona and Rocky Bartlett of Bovina.

## St. Ann's Society Slates Bake Sale

The St. Ann's Society of the Catholic Church is having a bake sale with lots of home made goodies.

The bake sale will be held at the Bovina Supermarket Saturday, October 2. The bake sale will begin at 9 a.m. and run until all baked goods are sold.

## Laymen Meet

### At St. Ann's

The men of St. Ann's Catholic Church will sponsor the October Prayer Breakfast for the men of the community.

The breakfast will be held on Monday, October 4, at 6:30 a.m. at St. Ann's Catholic Church Fellowship Hall. All men of the community are invited to attend.

**WISDOM OF THE WORLD**

God has so constructed reality that when man denies God sooner or later man affirms a wisdom of the world which is self-defeating. His own wisdom is self-destructive and sooner or later reveals its own foolishness. Let me give some examples. First, there are those who deny God and affirm that man is but matter in motion. They then glorify the mind of man and view themselves as rational beings who are too intellectual to believe in God. And yet if atheism is true, what can they mean by rationality? If man is but matter in motion, all of his thoughts are but matter in motion which has been put in motion by other motions of matter. After glorifying the mind, and denying God, the atheist when consistent ends up denying his own rationality.

There are others whose wisdom of the world leads to the deny God and to affirm that man ought to search for truth. Furthermore, they may say that belief in God keeps one from searching for truth. And yet, some of these same individuals will affirm that all is relative, that there is no truth. If there is no truth, their philosophy cannot be true; instead it is a system of errors and affirmation of foolishness. Why should one be so foolish as to search for truth if there is no truth?

There are others who say that there is no God, but that man ought to serve humanity. But this is to invoke moral law, which when consistent they repudiate. Furthermore, who is this humanity that one ought to serve? Their philosophy of life maintains that man is but matter in motion, and at the best he is just a short-lived animal. If this evaluation of man is correct, why should anyone serve man? What is man that anyone should be mindful of him?

Yes, when men in their wisdom deny God, they affirm a self-destructive wisdom and end up denying their own rationality and manhood.

Notice is hereby given that Atmospherics Incorporated of 5652 East Dayton Ave., Fresno, Calif. 93727, who holds License No. 76-1 (issued 1 Sept. 1975) of the State of Texas, intends to engage in an operation to change or attempt to change by artificial methods, the natural development of appropriate atmospheric cloud forms or precipitation forms which occur in the troposphere, for and on behalf of Better Weather Incorporated, located at Littlefield, Texas, and will conduct a program of weather modification designed to augment useful precipitation and decrease damaging hailfall and will not intentionally dissipate the clouds and prevent their natural course of developing rain in the area where the operation is to be conducted to the material detriment of persons or property in that area as follows:

1. The area over, or within which, equipment may be operated, shall include portions of the counties of Deaf Smith, Randall, Parmer, Castro, Swisher, Bailey, Lamb, Hale, Cochran, Hockley, and Lubbock.
2. The target area, within which rainfall augmentation and hailfall suppression is intended to occur, can be described as follows: "The boundary of the target area shall be a line beginning at a point of origin at Littlefield, Lamb County, Texas, and running northwest along Highway 81 to its intersection with Rl. 37 near Amherst; thence due west on Rl. 37 to its intersection with Rl. 303; thence due north on Rl. 303 to Sulon; thence northwesterly on Highway 81 to its intersection with Rl. 1760 approximately two miles northwest of Muleshoe; thence due north to Rl. 145 in Parmer County; thence due east to Lazbuddie; thence due north on 211 to Rl. 86; thence due east to the western border of Castro County; thence due north along the western border of Castro County to the southern border of Deaf Smith County; thence due east along the northern border of Castro County to Rl. 168 to its intersection with Rl. 187; thence due south along Rl. 168 to its intersection with Rl. 1424 through Edmonson to its intersection with Highway 87 near Hale Center; thence southerly along Highway 87 to Abernathy; thence westerly along the southern boundary of Hale County to the southeast corner of Lamb County; thence four miles south along the eastern boundary of Hockley County; thence due west to Rl. 168 south of Anton; thence northwest to a point three miles east of Highway 385; thence north to a point on Highway 84; thence northwest along Highway 84 to the point of origin at Littlefield."
3. As near as can be determined, the effects of the operation will be confined to the described target area.
4. The equipment, materials and methods to be used in conducting an operation within this area of approximately 2,500 sq. miles, include a 5 cm radar system, cloud seeding aircraft, and the aerial application of silver iodide in an appropriate manner for the artificial nucleation of clouds and weather systems.
5. The person in charge of this program shall be Thomas J. Henderson, Atmospherics Incorporated, Fresno, California.
6. The program may be operational throughout the four year period from 1 November 1976 through 31 October 1980.
7. Individuals, organizations, or agencies who consider that their interests will be adversely affected by the operation proposed, may file a formal protest for consideration by the Texas Water Development Board, P.O. Box 13087, Capital Station, Austin, Texas, 78711.

**SERNA HURT**

# LCHS Adds Injury To Insult, 20-14

The Bovina Mustangs lost a heartbreaker to the Lubbock Christian Eagles last Friday night after a Mustang touchdown was called back by a technicality.

A flanker lined up too close to the line of scrimmage constituting an ineligible receiver downfield.

"We didn't play nearly as well as we should have," said Mustang head coach Joe Christian. "We also had a key player hurt (Tommy Serna), which caused us to do a lot of shifting on both offense and defense."

The Eagles kicked to the Mustangs to open the contest.

The ball changed hands five times in the first quarter with neither team able to get any numbers on the scoreboard.

The Mustangs were tagged with three penalties the first quarter for a total of 25 yards and sophomore quarterback Ronnie Cary was intercepted once.

The Mustangs finally got the ball with good field position at the beginning of the second quarter. They took over on Lubbock's 45, but were immediately penalized five yards on their first play from scrimmage for illegal procedure.

The next two plays amounted to losses of two and eight yards, forcing the Mustangs to punt after an off tackle run on third and 25 came up short, resulting in only eight yards. Ronnie Cary boomed a 39 yard punt and Lubbock took over on their own 15.

Ten plays later the Eagles had the ball on Bovina's four yard line. Mark Kiker punched in from there to make it 6-0 with 4:15 left in the first half. Dennis Smith kicked the PAT to give the Eagles the slight edge.

The Mustangs got the ball after the Eagle kickoff on their own 44 and were forced to give the ball up on downs.

The ball changed hands with LCHS driving to their 42, when the Eagle quarterback was sacked for a seven yard loss.

Bovina took the ball on their own 25 yard line and countered with an electrifying 80-yard pass play from Ronnie Cary to Ruben Salazar. Cary kicked the PAT to tie the game at 7-7.

The third quarter belonged to the Eagles as quarterback Mike Wharton scampered for 37 yards to set up a Lubbock touchdown-a two yard scoring plunge by Hutch Haley. Smith kicked the PAT.

Bovina held the ball until the quarter ended with the Mustangs trailing 14-7.

The game see-sawed until Lubbock scored with 5:03 left to make it 20-7. Kiker scored the winning TD on a 42-yard run with the PAT failing.

Bovina set up with good field position after a 15 yard penalty was assessed to the Eagles for unnecessary roughness. From there they took it all the way with Gerald Shelby capping the drive with a 1-yard plunge to make it 20-13. Cary kicked the AT for a 20-14 final score.

Both teams now hold identical 2-2 records.

October 1 will be an open date for the Mustangs as they try to regroup from the injuries suffered in last Friday's game. Tommy Serna, senior tailback and offensive and defensive starter, will be out for the season as he was operated on the following Saturday morning due to an injury sustained during Friday night's game.

Bovina's next opponent will be Amherst on October 8 as they begin district play.

# Head smut this year?

# WHAT ABOUT NEXT YEAR?

For the most part, head smut occurs in fields that have been planted to corn for several years. It appears that farmers with a head smut-infested field have a choice for the use of that field next year. They can plant the field to another crop or can, with reasonable safety, plant corn hybrids that offer resistance to the disease. Pioneer has three excellent hybrid corn varieties that show strong resistance to head smut. One of these is well known to area farmers and is the most planted variety in much of this area... Pioneer brand 3306. Two other Pioneer varieties... 3184 and 3195... which were planted widely in this area for the first time this year, not only resist smut but have even greater yield potential than the well-known yield champion, Pioneer brand 3369A.

\*\* Widely advertised competitive smut resistant corn hybrid planted in this area.

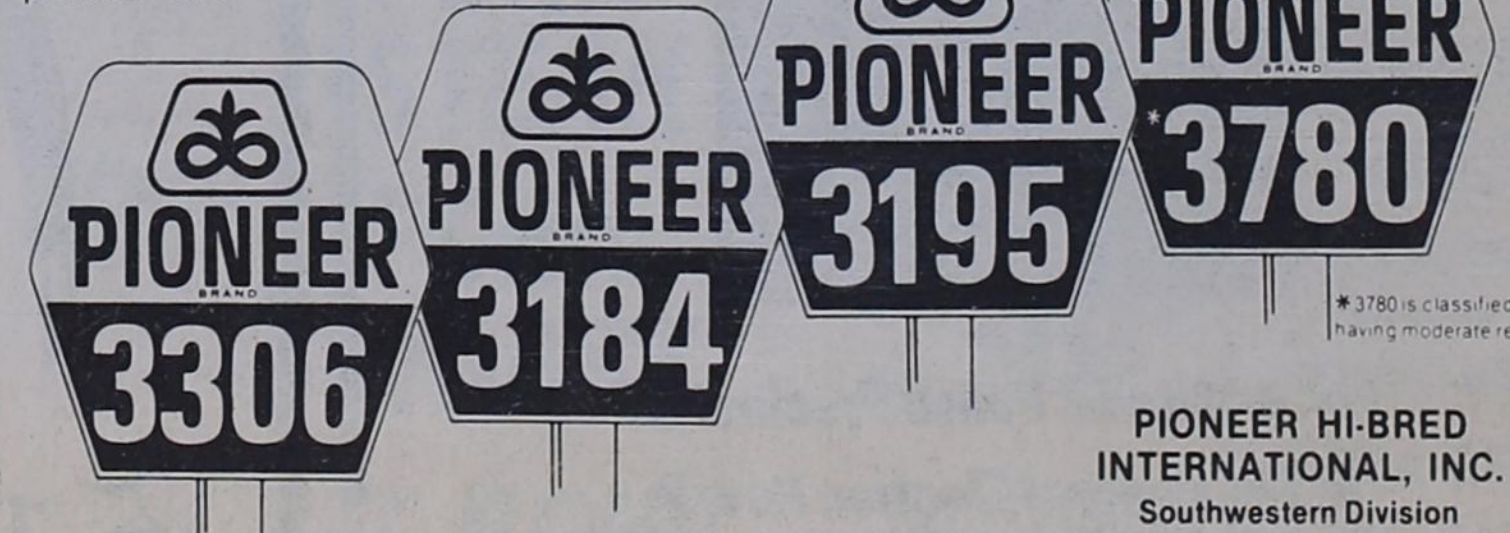

## A RECOMMENDATION

If you have a field that shows signs of head smut infections, plan to switch to one of the three Pioneer varieties that provide resistance to the disease and, at the same time, give you a shot at the best corn yield you have ever had. You should also consider Pioneer brand 3780. It's an earlier hybrid which shows moderate resistance to head smut and demonstrates extraordinary yield capability.

Talk to your Pioneer dealer now about ordering Pioneer varieties 3306, 3184, 3195 and 3780. It makes a lot of sense to plant all four.

# Results Given For County Fair

The Eighth Annual Parmer County 4-H Fair was staged Thursday and Friday, September 16-17, in the Parmer County Community Show Barn in Friona. Entries were accepted Thursday evening from 5-7 p.m. with entries completed Friday morning. Judging followed at 10 a.m. Friday with J. K. Adams, Muleshoe, former extension agent judging vegetable, fruit and crop entries. Mrs. Ralph Wilson and Mrs. C. V. Potts, both of Friona, judged Arts and Craft entries, with Mrs. Bill Paige, Mrs. Edwin Morrison, Jr. and Mrs. Buel Monroe of Hereford judging clothing, canning and baking entries.

A total of 39 4-H members and adults exhibited in this years annual event. This is the second year that the fair has been open to adults.

Points are awarded to each individual on the basis of the number of blue, red, white or pink ribbons he or she earns. Special awards of high point individuals in each division and a roving trophy is presented to the club accumulating the greatest number of points.

The winners this year are: Crops-Mike Schueler, Rhea; Gardening and canning-Linda Gohlke, Farwell Sr. Club; Arts and Crafts-Carrie Schueler, Rhea; Baked Goods and Clothing-Johanna Mesman, Farwell Jr.; with Farwell Sr. 4-H Club being named the high point club.
