BOVINA, TEXAS

VOL. VI, NO. 21

WHITTLIN'

BY DOLPH MOTEN

If you think Bovina isn't a rich burg, look at it this way: Every other person you meet on the Streets is a Republican.

And when the Republicans get that thick, they're thick! Needless to say, we were disappointed that Bovina's box, at least, failed to join the national trend and elect a Democratic administration including Texas' own Lyndon B. Johnson as vice president.

We were disappointed, but not surprised, that Parmer County went Republican. Certainly we were proud of Lazbuddie's voters for going the Kennedy-Johnson route even though it was by a small margin.

Speaking from a county standpoint, we figured that Farwell and Friona would have enough votes to drag Parmer over on the GOP slate. There are so many Republican voters in those two places you can't stir'em with a stick. . . . but would want to?

Texas, of course, got over on the right side of the ledger even without the support of Bovina and Parmer County.

We talked with Norvell Strawn Tuesday night after the election results in the county were in and the Democratic trend in the state was established.

Strawn allowed that he sure was proud of the state we lived in, but his community hadn't lived up to his expectations.

We knew how he felt. We agreed.

Pay no attention to the Republicans who are yelling, "Goul" about the results of the election. They have no case of conscience. They're just heads.

across Election Judge Tom codes, but we've been wanting question him about why the Bovina box was the last in the county to be reported.

All other boxes in county were in and the trend on state and national levels were established before there was a report from our box.

Without talking to Tom, the only thing we can figure out is that Bovina election workers are used to counting Democratic votes and it just took them longer to adjust to this Republican way of marking ballots.

Changing the subject, but not leaving politics entirely: A. G. White has questioned us, along with others, about, "Why is the general election held the first Monday after the first Tuesday in November?"

He says he remembers studying about the answer in history class in school, but he has forgotten the answer.

Neither do we know why this time was set for general elections. But we thought that one of our readers (we mean, of course, one of the two) might pop forth with the answer.

If you know the answer, we'd appreciate your letting us in on it. And Mr. White would be especially grateful.

However, Mr. White says he's going to find out the answer one way or another. He's promised to give it to us when he learns it. And we'll possibly relay it here. We, too, seem to remember studying something about the why of the election time, but we can't remember it. Help us if you can.

Superintendent Warren Morton says the school is about to start a savings stamp plan for students. First we'd heard of that since the war.

We think it'll be a good deal. We can remember the competition between classes when we were in school. That was during the war, however. Possibly the program shouldn't be conducted on a competitive basis during peacetime.

From coffee shop conversation, we learn that the rats are terrible in Bovina. Terrible is a poor choice of words. All rats are terrible.

What we mean is that there are a lot of 'em. They're big and they're plentiful.

If such is the case, perhaps we should consider a city eradication plan. By operating the plan on a continual basis, the

(Continued on page 8.)

IN SCHOOL CAFETERIA AT 7 P. M.--

C Of C Organizational Meeting Set Thursday

Organizational meeting of Bovina Chamber of Commerce and Agriculture has been set for Thursday (tomorrow) at 7 p. m. in school cafeteria.

Time of the group meeting and other details were decided at a steering committee meeting Thursday evening in Bovina Restaurant.

At a group meeting--which some 30 interested individuals attended--three weeks ago, the 10-man steering committee was appointed and instructed to work out details of organization.

The steering committee feels the details have been thrashed out and that its ideas are ready to be presented back to the entire group for approval.

Public is invited to the Thursday night session. Dues will be payable at that time, according to a spokesman for the committee. Dues decided on by committee are \$25 per year for businesses and \$12 per year for individuals.

Dues will be payable annually, semi-annually, or quarterly.

Warren Embree, who has served as chairman of the committee, says there will be a speaker, probably from a neighboring community, for Thursday's meeting. The speaker's topic will be aims and goals of a chamber of commerce.

WANTS 10% MORE--

Pioneer Seeks Raise In Rate

A proposed raise in rates by Pioneer Natural Gas Co. has been topic of discussion of Bovina city commission at a pair of recent meetings.

The gas company, represented by Ralph Shirley of Friona, is seeking a 10 per cent increase.

This would raise the present minimum, for instance, from

\$1.50 to \$1.65 with other charges to be raised by the same 10 per cent.

The commission offered to increase minimum rate from \$1.50 to \$1.75 with other rates to remain intact.

No decision has been reached yet by either the company or the city.

In other business, the board voted to close city hall at noon each Saturday. In previous months, it had remained open all day on Saturday between first and 10th of each month.

Trash hauling difficulties were discussed and proposal made that public be given information as to proper way for trash to be assembled for hauling by the city.

Another called meeting is scheduled for some time this week, according to City Secretary Virgil Tritsch.

FROM BLACKSTONES--

Brummetts Buy Motel

Sands Motel in Bovina has new owners-operators. Mr. and Mrs. H. L. Brummett of Springdale, Ark., are the new owners, effective last of this week.

The Brummetts traded for the business from Mr. and Mrs. W. L. Blackstone, who moved to Springdale, Ark., last week. Involved in the trade was the Brummett's stock farm in Arkansas, which the Blackstones will operate.

The new motel owners moved to Bovina Monday.

They are not strangers to Texas Panhandle as they farmed 3300 acres at Perryton, in northern Panhandle, prior to moving to Arkansas three and one-half years ago.

The Blackstones had owned the motel since October of '58, when it was purchased from its

builder, Ray Sudderth. The business is considered one of the top tourist facilities between Clovis and Amarillo on Highway 60.

Post Office Now Selling Duck Stamps

Bovina sportsmen may again this year obtain their "legal requirements" locally.

Hunting and fishing license are being sold here by Parmer County Supply, Bud Crump, manager, announces.

Cost of the license is \$3.15, same as a year ago. Hunters over 65 and under 17 years of age are not required to have a license, but they must have an exemption which may also be obtained at PCFS.

Migratory game bird stamps which give an individual the right to hunt within this county are being sold at post office for \$3 each, Gene Ezell, postmaster, says.

St. Ann's Schedules Bake Sale

St. Ann's Society will have a bake sale Wednesday, November 23, at Wilson's Super Market, a spokesman for the group announces.

Home-cooked cakes and pies will be offered.

The sale will begin early in the morning and continue until the goods are sold, a spokesman for the group announces.

Mr. and Mrs. Donald Ray Barron and daughter of Lubbock visited with their parents, Mr. and Mrs. F. O. Turner and Mr. and Mrs. Rouel Barron, over the weekend.

SWEETHEART--

FFA Honors Penny Lloyd

Penny Lloyd, a senior, was selected sweetheart of Bovina FFA Chapter at a regular meeting of the organization Monday night.

Dixi Hartzog, sophomore, was runner-up to Miss Lloyd in balloting and was named plow-

Mrs. A. R. McCutchan is in Parmer County Community Hospital at Friona. She suffered a relapse of influenza recently.

Visiting in the home of Mr. and Mrs. A. R. McCutchan recently were her parents, Mr. and Mrs. Oscar Chenault of Ft. Worth, and her sister and husband, Mr. and Mrs. A. C. Fleming of Odessa.

girl. The sweetheart will represent the chapter in contest for district sweetheart. Judging for district title will be at district banquet November 28 at Littlefield. Miss Hartzog will serve as her attendant.

Several members of the chapter, along with Roy M. Crawford, advisor, will attend district meeting.

Bovina Chapter will enter two teams in Leadership contests Saturday at Muleshoe, Crawford announces.

Freshmen boys will compete in Junior Farm Skill and Junior Chapter Conducting contests.

TRIP FOR TWO TO COTTON BOWL--

Neil Smith Wins Football Contest

Neil Smith is winner of grand prize in Bovina Businesses Cotton Bowl Football Contest.

Smith wrapped up the expense-paid trip for two to Cotton Bowl in last week's contest, which ended the series of 11.

Of 110 games, he picked winners of 81 for a percentage of 73.6. Closest competitor was A. D. Cumpston who had 79. His percentage was 71.8.

Winners of weekly money last week were Bill Smith, Paul Jones, Mrs. Billy Malcom of Dimmitt and Richard Hapke of Texico-Farwell.

Bill Smith made off with \$5 first place money almost without a contest. He was the only contestant to pick nine winners. Other winners had eight of 10 correct with the tie-breaker score deciding the placings. Jones picked the score of Farwell-Springle game, 42-6, exactly as it was. He won \$3 second place money. Mrs. Malcom and Hapke were each six points off on the score to divide third place money of \$1.

Others who had eight right

but were out of the money because of the tie-breaker score were Bill Read, Leon Grissom, Burl Spears, R. M. Crawford, Mrs. Emmett Tabor, Jay Triplett, Mrs. Bill Read,

Ken Horn, Johnie Horn, Neil Smith, and Ronny Ferguson of Friona.

Smith's grand prize includes two tickets to Cotton Bowl game Monday, January 2, paid reser-

ventions for two at Statler-Hilton Hotel in Dallas and \$55 in expense money.

Others who battled throughout the 11-week contest for the prize and their scores:

Billy Richards, H. N. Turner, and A. M. Wilson, 77; Gene Ezell and Jack McCracken, 76; Joe Moore, 75; Johnie Horn and Bill Smith, 73; Mrs. Billy Malcom, 72; Jerry Morton, 71; Ed Hutto, 70; Ken Horn, 69; John Wilson, 67; Ronnie Isham, 66; and Flossie Rhinehart, 61.

A total of 164 different individuals entered the contest during its duration.

Sponsors of the contest were Gaines Hardware Co., Bonds Oil Co., Three-Way Chemical Co., Bovina Wheat Growers, Inc., Parmer County Farm Supply, Macon Elevator, First National Bank of Bovina, Sherley Grain Co., Cicero Smith Lumber Co., and Charles Oil Co.

Only through the sponsors' cooperation was the contest possible.

Contest entries and figures will be available for public inspection through November 19.

MONDAY NIGHT--

School Board Business Minor

School board business was minor at Monday night's regular meeting.

A change was made in policy

on teachers' sick leave, Superintendent Warren Morton says. The new policy allows for more leniency in regard to pay if teachers have qualified reasons for being absent.

Also discussed was the idea of controlling traffic in front of school building. Efforts are being made to find suitable signs to control traffic.

The board decided to sell a jeep, with trailer, which is owned by the school. It has been used for general purposes and it was decided there was no longer enough need for it to justify owning it.

Sealed bids are being accepted on the vehicle by Morton. The jeep may be seen by contacting him at school. Deadline for submitting bids is December 10.

Cagers Split With Friona

The Bovina Mustangs jumped off to a quick start in the basketball season Tuesday night, winning a thriller from Friona 23-22. The Fillies dropped their first game 53-26.

The boys game was a rough affair, with roughness keeping the scoring down of both teams.

Roger Ezell led the visiting Mustangs with eight points. Gary Snead and Bobby Daniels also had eight for the Chiefs to pace the home team.

The Squaws, opening defense of their regional title and runner-up spot won last year, swamped the Phillies. Tommy Lewellen threw in 21 points for the winners and Pamela Roden had 16.

Jimmette McClain and Eleanor Dodson paced the defense for the Squaws.

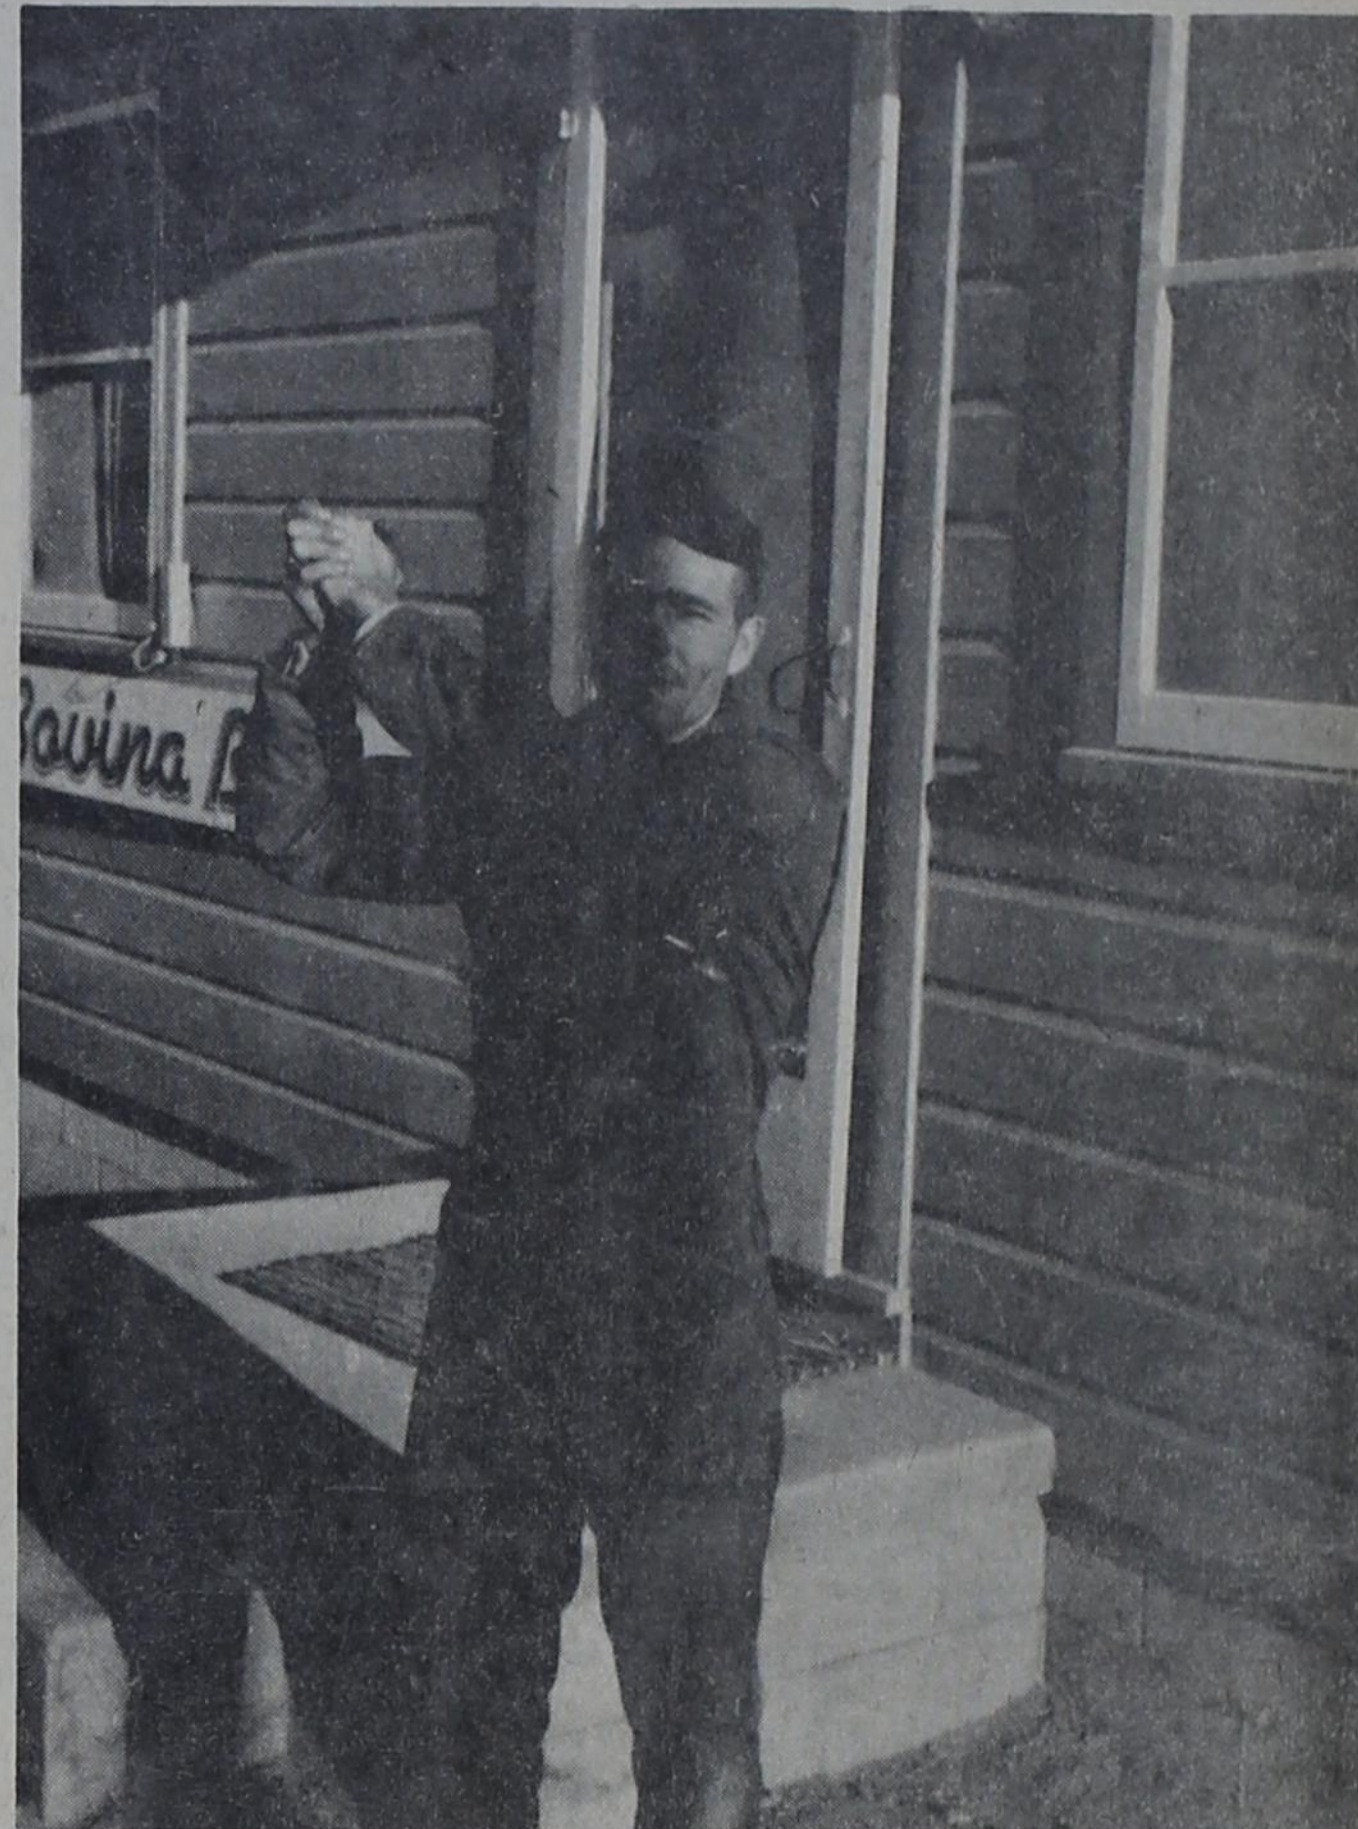

Bovina was led by the 12 point barrage of Kay Looney.

Announce School Holidays

Bovina Schools will be dismissed Thursday and Friday for Thanksgiving holidays, Superintendent Warren Morton announces.

The two-day recess for Thanksgiving is customary. For Christmas, school will be dismissed at regular time Wednesday, December 21. Classes will resume morning of Tuesday, January 3.

January 2 will be a school holiday since New Year's Day is on Sunday, the superintendent points out.

THE WINNAH AND FIRST CHAMPION -- Neil Smith, former star Bovina Mustang athlete, is winner of Bovina Businesses Cotton Bowl Football contest. He was first in a field of near-200 contestants for prize of an expense-paid trip for two to Cotton Bowl. He's posing here after results of final week's contest were known.

SUE MOTEN**

Had the honor of being a guest for lunch at the Home-making Cottage Thursday. Homemaking III girls prepared a Mexican dinner for the class, and I was fortunate enough to receive an invitation.

Was real impressed that these girls are such good cooks as well as hostesses. The meal

was delicious and the table was laid beautifully. The center piece which was made by Linda Dean had a Mexican theme and was made with vegetables. A horse, made from carrots, pulled a pumpkin cart which was fastened with celery sticks to the horse. Originality and simplicity of the dinner was certainly commendable. Mrs. Charles Thompson, instructor, supervised the meal. All in all, it was very enjoyable.

Terry Adams, who is home on leave from Navy, also ties in with the idea of food. It seems he had only been off the plane a short while when he quietly asked his wife, Sherry, if she would see that he got some good homecooking while he was home. His choice of meals was one consisting mainly of pinto beans. Seems strange, don't you think, seems like a man would want some baked delicacies, but men have strange tastes and I guess solid food is more appealing to them.

Dorothy Ware must have nerves of steel and a heart of gold. She undertook the project of baby sitting with several children all day Wednesday while their mothers took a field trip to Lubbock. Guess she fared well though and I'm sure the expressions of thanks given by the mothers are sincere.

The ex-student banquet is next on the list of entertainment for Bovina Exes. This is an annual event which takes place shortly following Christmas. This year I happened to fall heir to the position of chairman of the decorations. The theme the group has chosen for the banquet deals with years past. Pictures of classes, classmates, annuals, old school papers or anything pertaining to school activities would be greatly appreciated. If you would call me I will be glad to pick them up and return them safely.

Seems as if Halloween spooks were unusually hungry this year. Leola Williams and Belva Lawrence fed \$5 worth of candy to 140 trick or treaters last Monday night. This included two from Farwell and one from Friona. However there wasn't much damage done to the town or houses so guess it paid off.

QUARTERBACK CLUB--The camera caught this likely quartet unposed at Quarterback Club meeting Thursday night at school study hall. Standing is Coach Hallie Gee. Quarterback Club President Norvell Strawn is in foreground. Mustang Quarterback Don Caldwell is in letter jacket while E. B. Caldwell, who films Mustang games, is at right.

CHAMBER OF COMMERCE MEETING--Warren Morton, left, presided at an organizational meeting of Bovina Chamber of Commerce Thursday night. Some 30 businesses were represented at the meeting. Another meeting of the group will be scheduled this month.

The only prank we noticed was "Vote for Nixon" painted on the Democratic Editor's car.

Thought the homecoming parade, ballgame, queen crowning and activities in general were real fine. Think this is the best homecoming Bovina has had and heard several people make the same comment. Even braved the chilly weather myself and sat in the stands the first half of the game. Thought the mum corsage was so nice that decided to let it get frost bitten along with my feet.

Another thing I noticed was the fine job the Bovina band did in the parade. Thought for a first performance it was exceptionally well. Also the weather was nice enough that afternoon that Drum Major Marilyn Brandon didn't have to worry about turning blue as did the short skirted Vega twirlers during their half time performance Friday night. Hope to see more of the Bovina band.

Another Ex-Student event which takes place about Christmas time is the banquet. Since I fell heir to the office of decoration chairman, I am not only recruiting help but would appreciate any class pictures, annuals, or other class mementos that anyone might let me borrow. Would appreciate your calling me and I will be glad to pick up what

you will supply.

I'll bet there would be less coffee drinkers in Bovina if they had to pay 25 cents a cup for the black liquid. This is the current price of a cup of coffee in Alaska. Ruby Wilson recently returned from Seward's icebox where she visited her daughter and she relayed this message to us. She also pointed out that hamburgers were so expensive that one couldn't afford to eat out very often. Have also read myself that to get a mediocre steak you have to pay approximately \$15.00. Guess I would have to eat ground found or maybe even canned dog food

at that price. Another item that would jar the family budget is gasoline, it is 61 cents a gallon, and baby sitters charge \$6.00 a day. Think I will be content to stay in Texas where I can at least go to town for the mail without feeling guilty about using too much petrol.

Create in me a clean heart, O God; and renew a right spirit within me. (Psalm 51:10)

In every heart there hides some dark spot of evil--some secret vanity, bitterness or unworthy desire which we would be ashamed to admit to others. When we search it out and turn to God in true repentance. He is ever willing to help us root out the evil and replace it with the spirit of love and goodness.

It is human frailty that prevents one generation from understanding and trusting another. A young man of twenty five will go into business and surround himself with others of his own age, or younger. Rarely will he employ men older. He thinks they are fossils.

As he ages, he continues to feel confidence and faith in his contemporaries. Whereas at twenty-five he thought men of that age had a monopoly on intelligence and resourcefulness, so at forty he turns to men of his own age for assistance. By the time he is sixty, he distrusts anyone under forty, except for routine work.

We need to remind ourselves occasionally that neither young nor old men necessarily know it all. Integrity, imagination, and executive ability may exist in full bloom at any age.

News From
LAZBUDDIE
BY MRS. C. A. WATSON

BIRTHDAY PARTY IN HALL HOME

The home of the Luther Halls was scene for a birthday party Sunday honoring Mr. Hall and his grandson, Kelley Beavers, whose birthdays are both on Nov. 16.

Guests were Mr. and Mrs. Eddie Joe Hall, Brenda and Brent, from Hub; Mr. and Mrs. Manton Brown, Gloria and Steve, from Friona; Mr. and Mrs. J. Beavers, Tim and Kelley, from Kress; Mr. and Mrs. Gary Dale and Mike from Muleshoe; Mr. and Mrs. Troy Sharrock and Terry; and Mr. and Mrs. Kenneth Hall, Carolyn and Kevin.

Sunday guests in the Jess Pendergrass home were Mr. and Mrs. Homer Causseau and Cindy from Brownfield.

Visiting the H. W. Carpenters Sunday were Mr. and Mrs. Neil Ross from Lubbock; Mr. and Mrs. Frank Hammond from Farwell; Mrs. Jimmie Briggs and Mrs. Lemons and sons, Friona; Mr. and Mrs. Freddie Magness and Jean Potts, Farwell.

Mr. and Mrs. Jackie Townsend from Hayward, Calif., were recent visitors in the L. R. Hall home.

Mrs. Jack Smith and Beverley and Ronnie Gustin were shopping in Amarillo Saturday.

Students home for the week end and attending the Lazbuddie Happy game Friday night were Darrell Jennings and Glenda Robinson from Tech, Donna Redwine from West Texas State, and Geraldine Broadhurst from ENMU.

Mrs. J. B. Wrights mother, Mrs. Tom Lewis, from Frederick, Okla., was here last week and went with the Wrights to Olton to attend the funeral of Mrs. Ladene Hair.

Mr. and Mrs. Sam Long and children of Hereford visited Sunday with her mother, Mrs. Lena Menefee. Other visitors were the Jewell Treiders.

Mr. and Mrs. A. E. Richards, Charles, Donnie, and Jerry, from Jayton visited Sunday with her sister, Mrs. C. A. Atson.

Mrs. Leon Smith and Toni went to Roswell Saturday to visit her son David who is attending NMMI and also to attend the homecoming at Roswell.

A pink and blue shower was given in honor of Mrs. Glen Watkins the afternoon of Nov. 9 in the O. L. community building. Hostesses were Mmes. Jack Dunham, Leon Smith Jr., Glen Splawn, H. L. Harner, Lee Mason, Frank Edwards, Lacy Hardage, J. B. Young Jr., H. W. Carpenter, and J. M. Pruitt. Hostess gift was a high chair.

The West Plains Garden Club will be held in the home of Mrs. F. A. Grimsley Friday afternoon with the program to be on table decoration.

The HD club achievement program which was to be today was postponed due to the death of Alton Pruitt. The new date has not been set.

Mr. and Mrs. Alton Morgan of Amherst visited the Paul Templetons Sunday.

The Lazbuddie boys won their district game with Happy Friday night 26-6. They will play Groom Friday at 2:30 in Canyon.

Quail Season Modified For Several Areas

The quail season in a number of Texas counties under regulatory control has been modified by the Game and Fish Commission, according to W. J. Cutbirth, Jr., assistant executive secretary.

Biologists reported an "abnormal" quail year throughout the state, with a spotted population. Generally, however the season was liberalized in those counties not under general laws.

In the Possum Kingdom area the new season will be from Nov. 24 through Jan. 20. The daily bag limit will remain at 15 and 45 in possession. Quail numbers in this area are much higher this year, according to the biologists. However, the food supply is short and a carry-over loss can be expected after bad weather sets in.

In the Trinity-Brazos regulatory area the quail season was set at Dec. 1 through Jan. 31. The bag limit here will be 12 per day and 36 in possession.

In the Trans-Pecos area the season will open Nov. 1 and close Dec. 31. Crockett County has been added to the Trans-Pecos area this season.

In the Panhandle area the season will be Dec. 1 through Jan. 16.

No changes were made in either the Northeast Texas or the Southeast Texas areas, where the season will be from Dec. 1 through Jan. 16, in South Central Texas the season will open Dec. 1, and close Jan. 16, except in Dimmitt and Zavala counties where the season will be Nov. 1-Dec. 31, inclusive.

Sign Language

These signs with a smile were noted recently by the Reader's Digest—in a record shop: "Used records for sale for sale for sale." In a Tampa, Fla., doughnut shop: "Recommended by Dunkin' Hands." On a billboard ad for garden tools: "Take me to your weeder." At Warren Air Force Base under the picture of a missile launching: "When You Care Enough to Send the Very Best."

"The best night spot is a comfortable bed." — Arnold H. Glasow.

Sue: So you worked your way through college? Your father must be proud of you. Bill: Not much! He's the man I worked.

The depths of life are spiritual depths. They are not gained by travel, be it ever so wide, nor by exciting worldly adventures. They are plumbed at home, by the fireside, at the supper table, in bed on sleepless nights, in the snatched intervals of exhausting and ordinary toil, in the room where a father lies dying, in the room where two young people are confessing love, in the room where a child is born.

Last Friday night was homecoming and King Odis Bradshaw crowned football Queen Patsy Morrow at the half-time.

BY JUNE FLOYD

Within the next few weeks many of us will be making gifts for friends and relatives for the approaching holiday season. The nicest thing about making gifts for those near and dear to us is that we put a part of ourselves into the gifts and in return receive much more pleasure from the giving than if we just go out and buy gifts.

There is really no end of the things we can make that will bring pleasure to the recipients. It isn't important whether you start in the kitchen, at the

sewing machine or on a work table with dried weeds, left over garden products, cotton burs, maize heads and grains of corn.

A very pretty winter bouquet at the Floyd home was made by Susan, youngest member of the family, at a Brownie meeting Monday afternoon. The container is a coffee can that has been sprayed with gold paint. All the other articles were gathered up along the roadside or in the field and garden.

Some of the prettiest improvised flower vases we've seen recently have been made from plastic liquid soap containers. All that needs to be done is to cut scalloped edges near the top of the containers with manicure scissors.

The ones we've seen have been pink, aqua and white. Possibly there are other products on the market that come in re-usable plastic containers, too.

Since cookies and candy are year around favorites with most homemakers, we've decided to share our favorite cookie recipe with our readers.

This is the first oatmeal cookie recipe we had ever tried that called for molasses. We used white Karo syrup and the cookies were very crisp and chewy.

RAISIN OATMEAL COOKIES

- 1/2 cup shortening
- 1 1/4 cups sugar
- 1/2 cup molasses
- 2 eggs
- 1 3/4 cups sifted flour
- 1 teaspoon salt
- 1 teaspoon soda
- 1 teaspoon cinnamon
- 2 cups rolled oats
- 1 1/2 cups raisins

Beat together shortening, sugar, molasses and eggs. Sift dry ingredients and combine with creamed mixture. Add raisins and oats. Shape in roll and wrap in waxed paper. Chill. Slice and bake in 375 degree oven 8-10 minutes. Remove from tray and let cool thoroughly before storing.

If you, like a lot of other homemakers, dislike dropping cookies on a sheet, you will probably enjoy using the following recipe.

COCONUT BARS

- 1/2 cup butter or other shortening
- 2 eggs, unbeaten
- 1/4 cup milk
- 1 1/2 cups sifted flour
- 1 1/2 teaspoons double-acting baking powder
- 1 teaspoon ground cinnamon
- 1/4 teaspoon ground cloves
- 1/4 teaspoon allspice
- 1/4 teaspoon ground nutmeg
- 1/4 teaspoon ground ginger
- 1/4 teaspoon salt
- 1 cup sugar
- 1 teaspoon vanilla
- 1 1/3 cups coconut

Have shortening, eggs and milk at room temperature. Sift flour once, measure, add baking powder, salt, sugar and spices and sift again into mixing bowl.

Add shortening, eggs, 2 tablespoons of the milk and vanilla. Beat two minutes. Add remaining milk and the coconut. Beat 1/2 minute or longer. Beat vigorously by hand or at low speed of electric mixer.

Chill 2 hours. Spread mixture in two greased 8 x 8 x 2 inch pans. Bake in moderate oven 20 to 25 minutes. Cool. Spread with a butter cream frosting and decorate with colored coconut.

Cut in 2 1/2 x 1 inch bars. Makes 4 dozen bars. To keep cookies soft, store in tightly covered container with a slice of fresh bread.

The domestic supply of wheat for the marketing year July 1, 1960 to June 30, 1961 is estimated to be about 2,682 million bushels, another record, says John McHaney, extension agricultural economist. According to McHaney, the minimum national average support price for the 1961 crop wheat is \$1.78 per bushel, the same as the 1960 average support price.

"While people seem to think that money still talks, actually it's more of a sneer." —Franklin P. Jones.

WITH THE COUNTY AGENT

JOE JONES

Twenty-five people attended the Income Tax Meeting held at Hub on November 10. The meeting was very good and proved to be helpful to those attending. Mr. Howard Martin, with the Internal Revenue Office out of Amarillo is very familiar with our area and was able to hit the points of interest here. Mr. James Murphey, Area Specialist with the Extension Service is also familiar with the management problems of this area and brought good information to those present. The Income Tax Meeting was only one phase of the "Management Program" planned by the County Extension Committee on Management.

The 1961 edition of "The

Lazbuddie Club Elects Officers

The Lazbuddie Junior 4-H Club elected new officers at its October meeting, and at a meeting of the club in November several members gave demonstrations.

Officers elected were Danny Miller, president; Terry Parham, vice-president; Timmy Foster, secretary; Ronald Mayfield, pledge leader; Mike Hinkson, council delegate; and Bobby Gleason, reporter.

Members who gave demonstrations at the November meeting were Danny Miller and Billy Jones. Those who will give demonstrations at the December meeting are Larry Morrow and Terry Parham on "Feeding and Fitting a Lamb for Show"; Ronald Mayfield and Timmy Foster on an "Electric Motor"; and Mike Hinkson on "Wiring a Plug-In."

Most of the fences in Ireland are of stone, gathered from the adjacent fields.

Farmers Tax Guide" will soon be out and I will have a supply soon. If you need one I'll be glad to get it to you upon request.

The new soil testing laboratory in Lubbock will officially be opened on Monday night, November 21. This laboratory is presently located at Erskin Road, two blocks East of the Plainview Highway, but will be permanently located at the new site of the Lubbock Agricultural Experiment when facilities are completed. This laboratory should offer us a real service in the field of soil testing. Mr. James Valentine, area soils chemist, will be in charge of the Laboratory.

Information sheets showing how to take Soil Samples are available in my office along with the address of the laboratory at Lubbock and College Station.

Farmers who want to go ahead with their cotton harvest can field store their stripped cotton and expect just as good grades. Storing mechanically stripped cotton in ricks on the ground without cover has proven to be a satisfactory method of handling cotton when the Plains gins are unable to take care of the peak harvest. Keep in mind cotton should be packed into trailers. Use three bale trailers for three bales, not four.

Seedling trees for windbreak purposes are available through the Texas Forest Service again this year. The cost is \$1.50 per hundred. I have order blanks for those desiring trees that can be secured by coming by, writing, or calling my office on the Second Floor of the Courthouse.

Record Supply Of Wheat

College Station--The domestic supply of wheat for the marketing year July 1, 1960 to June 30, 1961 is estimated to be about 2,682 million bushels, another record, says John McHaney, extension agricultural economist.

This large supply is the result of a carryover on July 1, 1960 of 1,313 million bushels, and a 1960 crop estimated to be about 1,362 million bushels. Added to this will be about 7 million bushels of imports.

Domestic disappearance in the present marketing year 1960-61 will probably be about 610 million bushels, about the same as in 1959-60, McHaney continues. The expected slight decline in per capita consumption will be offset by the population increase, however. Seed

and feed use of wheat will be about the same as last year. Exports during the present marketing year will probably be higher than in 1959-60. About 525 million bushels will be exported as compared to 508 million exported last year. Government export programs, which will account for about two-thirds of the exports, will continue to play a major role in the movement of wheat abroad, the specialist points out. Less favorable crop conditions in Europe, however, will also aid U. S. exports.

The 1959-60 price to U. S.

bushels would be produced, the economist continues. A 1961 crop of this size would be about 9 percent below the 1,362 million indicated for 1960, but 13 percent above the 1950-59 average. Assuming that domestic disappearance and exports are the same as that estimated for 1960-61, the carryover on July 1, 1962 may be increased about 100 million bushels. The minimum national average support price for the 1961 crop wheat is \$1.78 per bushel, the same as the 1960 average support price, McHaney concludes.

farmers averaged \$1.76, about 5¢ above the average support rate after allowing for storage charges. The price in 1960-61 is expected to again average above the effective support, storage deducted. This is mainly because large quantities of wheat continue to be placed under the price support program, explains McHaney. The support rate for the 1960 crop is \$1.78 as compared to \$1.81 for a year earlier.

With minimum allotments in effect for 1961, it is estimated that about 53 million

Donations Of Surplus Foods Heavy

Donations of surplus foods by the USDA at home and overseas totaled almost 2.8 billion pounds in the year ending June 30, 1960. This total is down slightly from the all-time record of 3.0 billion set the previous year.

The foods donated are acquired by USDA in its price-support and surplus-removal operations, and are made available to schools and charitable institutions in this country and to needy persons both here and abroad through the Agricultural Marketing Service's Direct Distribution Program. Eligible recipients in the U. S. receive commodities through designated State and local government agencies. Foreign distribution in over 90 countries was handled by about 20 U. S. voluntary agencies in the fiscal year just ended.

Distribution to domestic recipients in the past year showed a 17.5 percent decrease from the previous year. This decrease was due largely to the improved dairy situation, coupled with a decline in the number of eligible needy persons in family units.

Schools, under priority rules established by Congress, continued to receive available stocks of butter and cheese, and registered a gain of about 6 percent in volume of surplus commodities used. Supplementary foods purchased by the USDA exclusively for schools taking part in the National School Lunch Program were not included in these totals.

The largest child ever born, according to medical records, was the 23 3/4 pound, 30 inch long son born in 1897 to seven-foot-five tall Nova Scotia mother, Anna Bates.

Census Bureau To Take County Farm Survey

The 1960 Sample Survey of Agriculture will be conducted in this county during the next several weeks, it was announced today by the Bureau of the Census, U. S. Department of Commerce.

The 1960 Sample Survey of Agriculture will collect information on ownership and size of farms, acreage and harvest of crops, and livestock production and inventories. Information will be collected also on farm equipment, farm income, construction of new farm buildings, farm contracts, and farm operator debts. This survey will supplement information collected in the 1959 Census of Agriculture.

Farms in the county which will be covered in the 1960

Sample Survey of Agriculture were selected at random under the Census Bureau's scientific sampling program to provide a representative cross-section of all farms in the country. Information collected locally will be combined with that collected in other areas of the country to provide national estimates.

Local interviews for the 1960 Sample Survey of Agriculture will be conducted by Louise B. McDaniel.

The family had finished dining in the restaurant and the father requested the waiter to put their beefsteak leavings in a bag to take home to their dog. His small boy shrilled excitedly, "Oh, daddy, are we going to get a dog?"

NEWS FROM THE

FARM BUREAU

BY RAYMOND EULER

George Meany, President of Agricultural Workers Organizing Committee, in the interest of AF of L and CIO, has released some organizational information that we have been reading with alarm. If you are interested in reading it and giving some consideration to methods of combatting the intentions described in it, you are welcome to do so. Farm Bureau, locally and on the state and national level, has had for several years resolutions against this sort of thing. Your

MEMBERSHIP in Farm Bureau strengthens your position on it. Here is one portion of the information referred to:--The warm, earthy picture of family-farming has masked the transformation of agriculture into AGRIBUSINESS. America's largest industry, without the accompaniment or creation of one single new law to control it, Agribusiness is free to recruit and use SEMI-SLAVE LABOR (underlines ours) free to maintain and use wage-breakers and strikebreakers, free to operate without minimum wages, maximum hours, unemployment insurance, or any of the social, ethical and financial controls society imposes on the rest of the industrial community. . . The organizing effort has as a major task, if it is to succeed, the destruction of this false image of family-farmerism, and the identification of agribusiness for what it is: RUTHLESS, COLD BLOODED BIG BUSINESS EXPLOITATION OF PEOPLE AND THE LAND." The document goes on to outline the methods of destroying this warm family farmer picture of the farmer in the eyes of the public.

Here is an easy way for people to decide whether they believe in communism or capitalism, as far as economic principles are concerned: (1) Communism: Some persons other than the one who produces the goods and service can decide who shall have the

right of possession or use, and (2), Capitalism: Each person may be allowed to have whatever he produces.

At this time, we are still not sure who went to the Farm Bureau Convention in Dallas. We have heard good reports from the convention, however. We know that positive action was taken on the above mentioned labor threat.

File for gas tax refund if you have not done it lately. . . CONSIDER THIS: Remove far from me vanity and lies; give me neither poverty nor riches; feed me with food convenient for me. Prov. 30:8

The USDA has announced that the 1961 upland cotton allotment for Texas will be 7,849,196 acres. Extra long staple acreage allotment for the state was set at 21,893 acres out of the national allotment of 63,740 acres. Only one allotment-price support program will be available to upland growers in 1961, but this will not be determined until the December 13 referendum is held.

Unusual weather in some areas of Texas has prevented the planting of winter temporary pastures. George McBee, extension pasture specialist, says, however, that late pastures can be planted and they can be profitable if they are managed correctly. Seed treatment and fertilizer are the keys to successful production of late-planted winter pastures, the specialist says.

Soil Testing Lab Opens In Lubbock

Area Soil Chemist James H. Valentine, A&M College Agricultural Extension Service, has completed preparations for the formal opening of a new soil testing laboratory in Lubbock, Nov. 21. Above, he is making a final check of the delicate chain balance which is used to measure the minute quantities of chemicals required in running a soil analysis.

A native of Wills Point in Van Zandt county, Valentine is a former Future Farmer of America. He received both his B. S. and M. S. degrees from

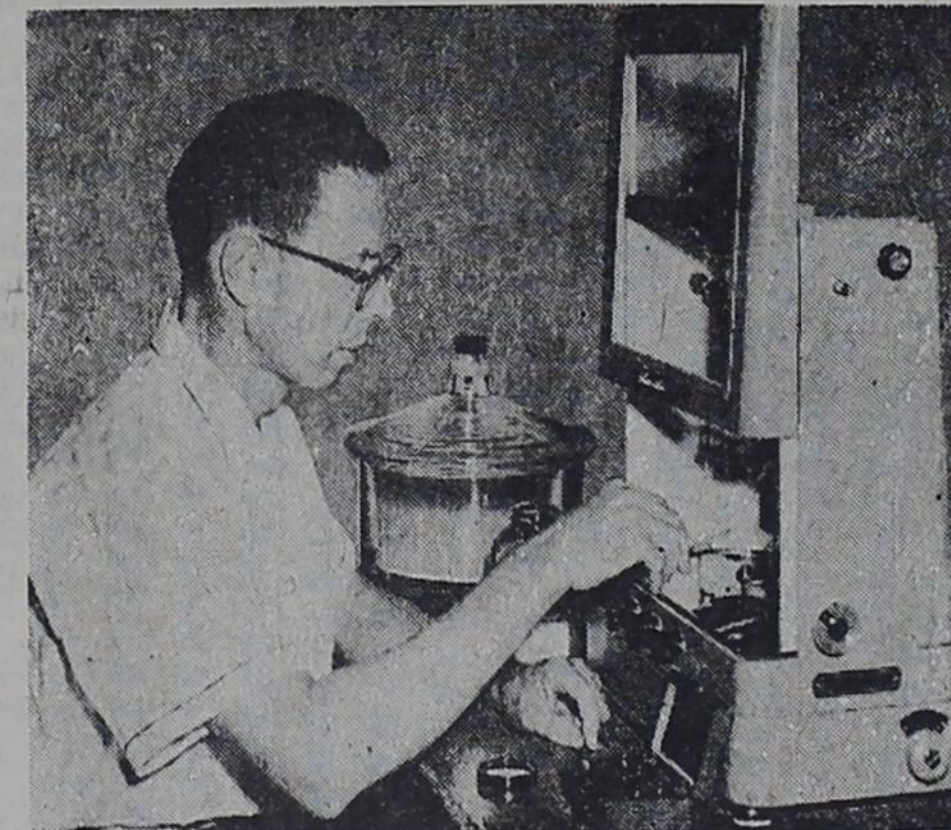

Texas A&M College with a major in agronomy and minor in plant physiology. The overseas veteran of World War II served for 5 years as soil scientist with the Soil Conservation Service and for the past 9 years has been director of the soil testing laboratory at Stephen F. Austin College at Nacogdoches.

Valentine says the new laboratory, which he heads, will devote full time to fertility problems of farmers in the Panhandle and High Plains areas of Texas.

County Agent Joe W. Jones urges local farmers, home gardeners and others with fertility problems, to take advantage of the laboratory's facilities. The cost per sample is only \$2. Vocational agriculture teachers and soil conservation service technicians, as well as the county agent, will be glad to assist in obtaining samples.

THE LIONS LAUGH

The police of a big city were hot on the trail of an escaped convict. When they learned that the fugitive was heading for a small town downstate, they called the local constable there.

"You send me a picture of that guy and I'll get him," the constable promised.

Immediately, the city police mailed the constable a dozen pictures of the wanted man--profile, full face, standing, sitting and in various costumes. Within twenty-four hours, the constable called back. "We got eleven of those crooks," he boasted excitedly, "and I guarantee to jug the last one before morning!"

Do You Really Understand The Bible?

Many people maintain that the Bible is so simple and clear that anyone can understand it. Yet today the Christian world is divided into conflicting opinions as to what the Bible means.

How would you interpret the following passages from the Bible: "I say to thee, thou art Peter, and upon this rock I will build My Church, and the gates of hell shall not prevail against it." (Matthew XVI, 18ff). "For, behold, henceforth all generations shall call me blessed." (Luke I, 48). "Receive the Holy Spirit; whose sins you shall forgive, they are forgiven them; and whose sins you shall retain, they are retained." (John XX, 23). "He who believes and is baptized shall be saved." (Mark XVI, 16).

Catholics recognize the complete Bible as the inspired Word of God. If you wish to know the Catholic interpretation of the above mentioned Bible passages as well as other beliefs of Catholics, write for a free pamphlet explaining Catholic teachings. This free pamphlet is sent through the courtesy of the Knights of Columbus, a religious and patriotic organization of more than one million Catholic men. Address Home Study Center, Box 5644, Amarillo, Texas.

THINGS ARE BUZZIN' DOWN ON THE FARM

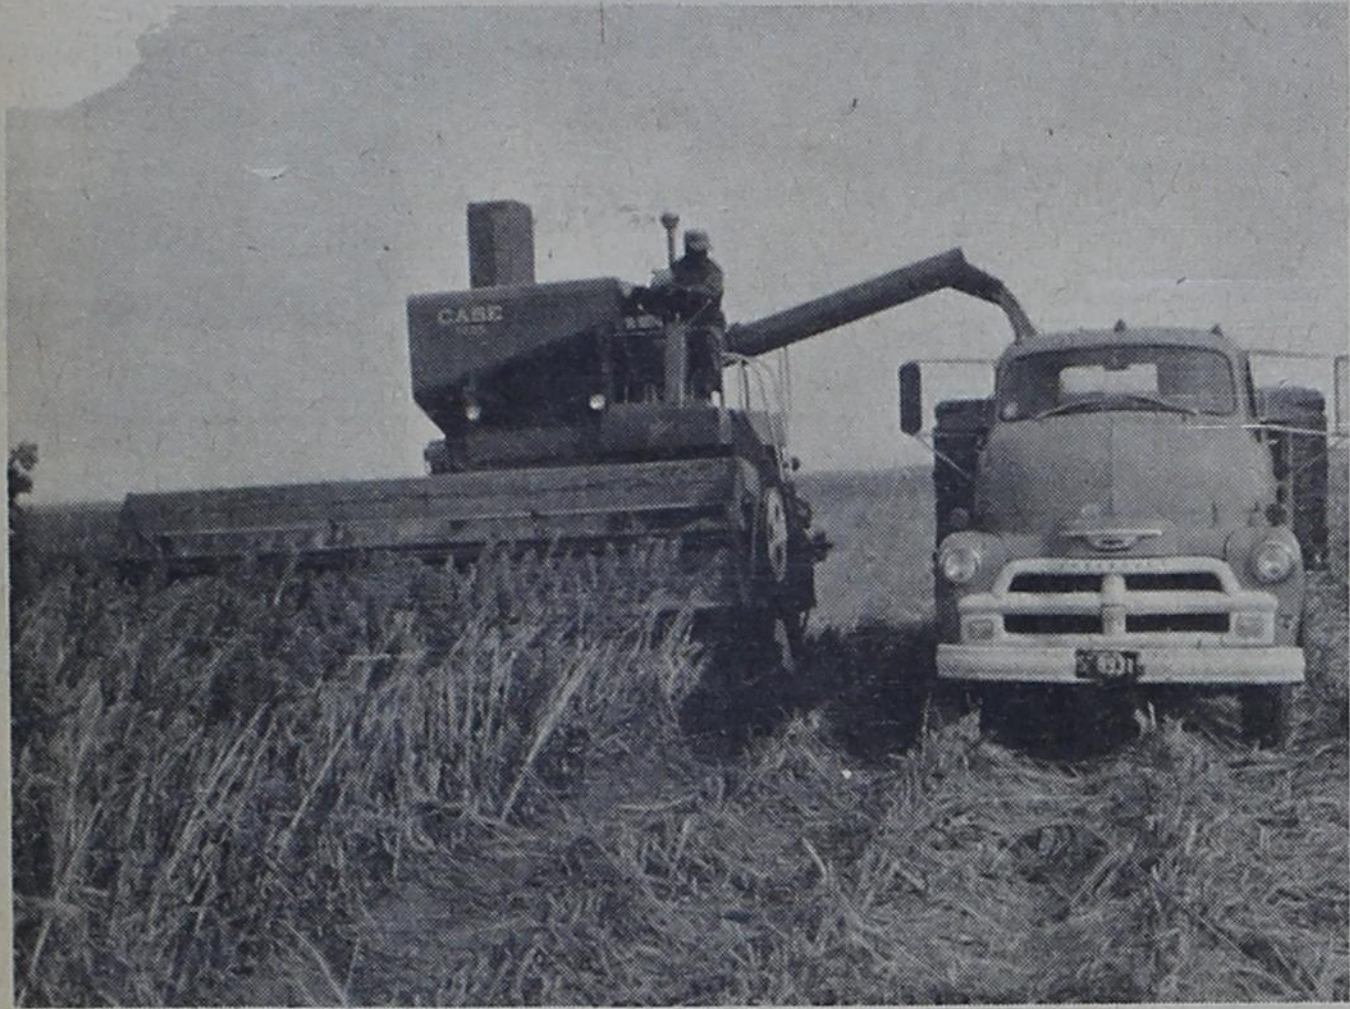

The fall season is a busy time of year for the High Plains farmer. Not only is he in the midst of harvesting his milo, but it's also time to start gathering the cotton, and to harvest fields of sesame, castor beans and other minor cash crops.

In an effort to find out just what was taking place throughout Farmer County, a High Plains Farm and Home photog-

rapher took off one day this week, stopping to shoot pictures of the different activities he saw.

Mostly, he found that the farmer was doing one of four things—either stripping his cotton, combining his milo, shredding the stubble remaining after the heads had been clipped from the field, or plowing the ground in preparation for another crop.

OFFICE HOURS: 9:00 to 5:00 -- Sat. 9:00 to 1:00 Phone 8240 -- Muleshoe, Texas 113 West 1st. St.

LENDING A HELPING HAND is Gaylen, four-year old son of Mr. and Mrs. M. F. Carson, who farms north of Bovina. After the grain is dumped into the truck it has to be leveled, to assure a maximum load before it is hauled off to the elevator. It's a tough job for a small boy, but Gaylen shows that he can take a part in the harvest too.

DRIVING ALONG SIDE a combine on the M. F. Carson farm near Bovina is this truck, relieving the combine of its bin load of grain. Hail took its toll of grain sorghum, but there is still a lot of grain being harvested. Lodging was a problem in this field and the header had to be lowered, thus slowing down the operation of the combine.

We stand for local leadership in doing this job, a job that becomes more urgent every day. As our population grows at the rate of a quarter of a million people a month, and our cities and industries expand, we demand more from our land. We are cutting in our good farm land for non-agricultural uses at the rate of 1,000,000 acres a year. This land goes into urban developments, airports, highways and other uses where it is lost for production of food or fiber. Just because our land produces enough for our 180 million people in 1960 is no assurance it can provide abundantly for an expected 225 million or more in 1975 or in possible emergencies meanwhile--unless the farm land is kept in condition to produce what is needed, efficiently and economically. That means keeping our land permanently productive.

We cannot afford to let our soil and water conservation "insurance" lapse. Combatting soil erosion and encouraging good land use is a job Soil Conservation Districts can do well. Why? Because from the very beginning, Americans have fought for great principle--the principle that free men can govern themselves successfully. We believe in personal liberty and the dignity of the individual. We are determined that our families shall have the opportunity to live in peace and safety, without fear of compulsion. Our government is founded on the principle that we--all of us together--have the spirit and the ability to decide for ourselves the actions we want to take together in our joint interest and common welfare. This is what we stand for. This is a representative self-government--the best government and the best society that men and women have ever enjoyed on Earth. This is the kind of government and society that offers the greatest advantages in personal liberty and the greatest opportunities for accomplishment.

State Acreage Cotton Allotments Announced

College Station.--The U. S. Department of Agriculture has announced state acreage allotments for the 1961 crops of upland and extra long staple cottons. The upland allotment for Texas was set at 7,849,196 acres which includes 10,686 acres as the state's share of the national reserve. The Agricultural Act of 1958 authorizes a national acreage reserve of 310,000 acres for apportionment among the states on the basis of the estimated needs for additional acreage to establish minimum farm allotments as provided by legislation. The extra long staple acreage allotment for Texas was set at 21,893 acres out of the national allotment of 63,740 acres. The state allotment will be apportioned among the counties to establish county allotments and these will be further broken down among the individual farms of the counties in accordance with the provisions of the law and regulations issued by the secretary of agriculture. Farmers who were engaged in the production of cotton will vote in a national referendum on December 13 to determine whether marketing quotas will be operative for the 1961 crops--upland and extra long staple. At least two-thirds of those voting must approve quotas if they are to continue in effect. Only one allotment-price support program will be available to upland growers for 1961. If marketing quotas are approved in the referendum, price support will be available to upland growers who comply with their farm allotments at a level within the range of 70 to 90 percent of parity. The exact level of support will be announced at a later date. If quotas are not approved, allotments will remain in effect and price support at 50 percent of parity will be available to upland growers who comply with the allotment program. The USDA announcement noted that farm acreage allotments will be mailed to operators of cotton farms prior to the December 13 referendum. Farmer County farmers should be notified of their allotments by December 1, says Prentice Mills, manager of the county ASC office. He estimates that the total acreage increase in the county will be 10 or 11 per cent above last year's allotments.

JUST GETTING STARTED is the cotton harvest, and near the Hub community a farmer speeds through a field, stripping the plants of all their nice white, fluffy fruit. In spite of adverse weather conditions during much of the growing season, there are still going to be some good yields of cotton.

WSCS Goes To Lubbock

Several members of WSCS Methodist Church went to Lubbock Wednesday for a tour of several Methodist organizations.

Places visited included First Methodist Church, Methodist Student Center at Texas Tech, Methodist Nursing home

at Methodist Hospital. Tilman Carter guided the tour through the church and Verna Marie Estes, who is a student at Texas Tech took the group through the Student Center, Mr. and Mrs. Cecil Matthews, directors of the center, served refreshments to the ladies. Following this the ladies were conducted through the nurses' home by Nita Beth Estes, who is enrolled in the school of nursing.

Those going to Lubbock were Mrs. Jimmy Charles, Mrs. Billie Sudderth, Mrs. Wilbur Charles, Mrs. L. W. Quickel, Mrs. Mable Newberry and Mrs. John Dixon.

A fellow was telling about the harrowing experience he had out West during his vacation trip.

"It was terrible!" he said, "Indians to the left of me, Indians to the right, Indians to my rear, Indians in front, Indians everywhere closing in on me."

"Whew," exclaimed the listener, "what did you do?"

"What could I do? I bought a basket."

If the do-it-yourself craze continues, it might even extend to thinking.

Mrs. Combs Hosts WMU

Mrs. J. W. Gooch presented a Royal Service program, "The Woman's Witness," to members of Dorene Hawkins circle of WMU Tuesday.

Others taking part on the program were Mrs. Allen Cumpston, Mrs. J. O. Combs, and Mrs. R. N. Williford.

The group met in the home of Mrs. Combs. Following the program, she served pumpkin pie and coffee.

Attending were Mrs. Don Murphy, Mrs. E. H. Moody, Mrs. P. A. Adams, Mrs. O. W. Rhinehart, Mrs. Bill Bradshaw, Mrs. H. W. Wilcox, Mrs. R. N. Williford, Mrs. Allen Cumpston, Mrs. Ovid Lawlis, Mrs. J. W. Gooch and the hostess.

MRS. RONNIE ISHAM

Miss Arlene Clayton And Ronnie Isham Exchange Vows

Miss Arlene Clayton, daughter of Mr. and Mrs. Jack Clayton, and Ronnie Isham exchanged nuptial vows November 5 in an afternoon ceremony at First Baptist Church.

Rev. John Ferguson read the double ring ceremony.

Vows were exchanged before an archway of candelabra and altar baskets of white mums and emerald greenery.

Mrs. John Wilson, organist, furnished traditional wedding music and also accompanied Mrs. Davis Edens as she sang "Because" and "Wedding Prayer."

The bride, given in marriage by her father, wore a gown of white Chantilly lace fashioned with a portrait neckline outlined with seed pearls and featuring a bouffant skirt. Her fingertip veil of silk illusion was attached to a half hat of lace adorned with seed pearls. She carried a bouquet of white carnations with streamers of aqua topping a satin covered Bible.

She carried out the tradition of something old with her Bible, and her dress was new. She borrowed her veil from Mrs. Jerry Strawn, and wore a blue garter and a penny in her shoe.

Mrs. Jerry Strawn served her friend as matron of honor. She wore an aqua taffeta dress fashioned with a full skirt. Her hat of aqua taffeta featured a small veil. She carried a bouquet of

white carnations.

Jerry Strawn served as best man while Rocky Hance and James Clayton, brother of the bride, attended as candle-lighters.

Mrs. Clayton, mother of the bride, chose a beige knit sheath dress for her daughter's wedding. Enhancing her ensemble were beige accessories and a corsage of white carnations.

Following the ceremony, a reception was held in fellowship hall of First Baptist Church. Miss Mary Evelyn Vaughn registered guests and Miss Janice Richards presided at the serving table which was laid with a lace cloth and centered with the bride's bouquet. Silver and crystal appointments completed the setting.

For her wedding trip to South Texas the bride chose a moss green wool suit with black accessories. Her corsage was taken from her bouquet.

Miss Clayton is a graduate of Bovina High School. He is a graduate of Bovina High School and attended Texas A&M.

They will be at home in Bovina.

Hemkes Host Bridge Club

Mr. and Mrs. Jim Hemke hosted Couples Bridge Club Thursday evening in their home. Winning high were Mrs. Jimmy Ware and Vernon Willard. Travelling prize went to Leon Ware.

During the evening Mrs. Hemke served chip dips, relishes, pumpkin pie and coffee to guests.

Attending were Mr. and Mrs. Oakley Stevenson, Mr. and Mrs. Don Sides, Mr. and Mrs. Jimmy Ware, Mr. and Mrs. Vernon Willard and Mr. and Mrs. Leon Ware.

The effort to keep up with living costs today gives a man a run for his money.

"Home And Family" Program At Study Club

"The Home and Family" was title of program presented to members of Bovina Woman's Club Thursday afternoon at club house.

Mrs. Clarence Jones opened the program with the devotional. Mrs. A. L. Hartzog presented "Managing the Family Income," Mrs. Billie Sudderth gave "New

Aids for a Busy Homemaker," and Mrs. A. E. Steelman, "How to be a Wise Shopper."

Mrs. Ovid Lawlis, president, presided over a short business session.

Mrs. Reagan Looney and Mrs. Jesse Walling hosted the meeting. They served pumpkin pie, coffee and tea.

The club house was decorated with a fall theme. The centerpiece on the serving table was of fruit and flowers.

Others present were Mmes. Rouel Barron, J. R. Caldwell, I.W. Quickel, Mack Ragsdale, Amos Shockley, and A. B. Wilkinson.

Mary Martha Class Meets

Mrs. Keith Garner hosted monthly meeting of Mary Martha Sunday School class of First Baptist Church Tuesday evening in her home.

Mrs. John Ferguson conducted the business session. Plans for the Christmas party and visitation were made.

Following the meeting Mrs. Garner served refreshments of coffee, Cokes and doughnuts.

Attending were Mrs. Jerry Rogers, Mrs. Dale Harmon, Mrs. James McLeroy, Mrs. Paul Holcomb, Mrs. Jim Heard, Mrs. John Ferguson, Mrs. Weldon Moody and the hostess.

Party Honors Mrs. Walling

Mrs. Jesse Walling was honored with a birthday dinner Thursday evening in the home of Mrs. Nat Read.

Dinner consisted of chicken, dressing, relishes, vegetables, and birthday cake.

Following the dinner, several of the ladies went bowling.

Those present included Mrs. Robert Read, Mrs. Odie White, Mrs. J. W. Wright, Mrs. Pete Davies, Mrs. Joe Wilson, Mrs. Emmett Tabor, Mrs. Paul Jones, and two out of town guests, Mrs. Doug Nicks and Mrs. Morris Means of Hereford.

Friendship Class Entertained, Wed.

Friendship class of Bovina Methodist Church was entertained with a Mexican supper Wednesday evening in the fellowship hall of the church.

Hosting the dinner were Mr. and Mrs. D.R. Bushnell, Mr. and Mrs. Mark Charles, and Mr. and Mrs. Dick Baxter.

Others attending were Mr. and Mrs. Oakley Stevenson, Mr. and Mrs. Nils Persons, Mr. and Mrs. Burl Spears, Mr. and Mrs. Leon Ware, Mr. and Mrs. Jimmy Ware, Mr. and Mrs. Vernon Willard and Miss Lola Grissom.

Check These Advantages Of Farmer's Comprehensive Personal Liability

1. Farmer's Comprehensive Personal Liability Policy has a single basic limit of \$10,000 combining both Bodily Injury Liability and Property Damage Liability and, in addition, affords \$250 Medical Payments coverage. Higher limits either for Liability or Medical Payments coverage, or both, may be had for a small additional premium.
2. Coverage for your farming and personal pursuits is extended both on and away from the premises.
3. You are covered for the actions of your minor children.
4. The policy not only covers you but your spouse, and others who live in your household such as your children, relatives, and persons under twenty-one years of age who are in your care.
5. The policy covers all residences which you may own or rent from others for your own use.
6. Additional property or residences acquired during the policy period are automatically covered for no additional premium.
7. This policy covers you automatically for accidents arising out of structural alterations and, when performed by independent contractors, new construction without additional premium.

Phone with the built-in switchboard

Here's a phone designed to play a big role in business offices. Right in this single instrument are all the conveniences of a telephone switchboard. Six push buttons give you complete control over all incoming and outgoing calls. You can select any of five lines - talk on one while holding calls on others - "buzz" your secretary - or use the phone as an office intercom. Lights in the buttons tell you which lines are busy, which are free.

Our "phone with the built-in switchboard" is another example of how General Telephone works to make the telephone a more convenient and valuable instrument of communications for everyone. Call or visit our Business Office and learn how little it costs to have the "switchboard" service of a push-button phone.

GENERAL TELEPHONE
America's Largest Independent Telephone System

Youth Choir To Clovis

Baptist Youth Choir, under the direction of Mrs. Harold Hawkins, made two records at Norman Petti Studios in Clovis, Thursday evening. The choir is accompanied by Miss Elaine Fuller, organist.

Approximately forty youths make up the choir.

After making the records the group had dinner at a restaurant.

Sponsoring the trip were Rev. John Ferguson, Mrs. Henry Minter and Mrs. Hawkins.

Notice To Duck Hunters

Duck season opens Friday, November 11 and runs through December 30. The limit is four ducks per day and possession limit after opening day is eight. No open season on redhead or canvasback ducks. One wood duck may be included in the daily and possession limits.

Goose hunting, which started October 26, will run through January 8. The limit on geese is five per day or in possession and includes not more than two Canadian geese or one Canadian goose and one white-front goose.

Residents of the state of Texas, 17 years old or younger than 65 must have a resident hunting license when hunting outside the county in which they live. Hunters 16 years or older must have a federal duck stamp. Non-resident hunters must have a hunting license. Military personnel stationed in Texas will be eligible for a resident hunting license.

Whittlin'--

town could probably be kept rat-free even if the beasts did migrate in from other places. Might be worth thinking about before the situation becomes worse.

TALL TEXAS TALE

One hears many stories about wealth from oil but hears few of the other kind.

J. D. Sandefer, well-known oil man and raconteur of Breckenridge, once told a historian of oil about a farmer who had three tracts, each of them 160 acres. Sandefer was drilling on one of these tracts. When the test was nearing the "pay," (if there was to be any oil found), the operator told the landowner, "I think this is going to be a dry hole but you've been nice to me and I like you. You owe the bank \$800 on your land. I can get some of the fellows I know to go in and buy one-fourth of your royalty on one of the other two tracts."

That would have paid off the mortgage and the farmer would still have had all the royalty on two-thirds of the land and three-fourths of the royalty on the other tract. He thought it over and, on his wife's advice, declined the offer.

A few days later, the well proved dry, the mortgage was foreclosed and the couple lost the land where they had lived for years.

YOUNG AND OLD

When all the world is young, lad, And all the trees are green; And every goose a swan, lad, And every lass a queen; Then they for boot and horse, lad, And round the world away; Young blood must have its course, lad, And every dog his day.

When all the world is old, lad, And all the trees are brown; And all the sport is stale, lad, And all the wheels run down; Creep home, and take your place there, The spent and maimed among; God grant you find one face there You loved when all was young. CHARLES KINSLEY

Cut your ENGINE OVERHAUL Costs in Half!

with **GULF GULFTANE** LP-GAS BUTANE PROPANE

Clean-burning Gulftane slashes maintenance costs to the bone. Here's why: It keeps tractor engines efficient and clean year after year... engines last longer. Actually cuts overhaul costs up to 50%! And you use less oil and save on spark plugs, too.

Powerful Gulftane delivers more pulling power and higher speeds. Result? You farm faster!

Economical Gulftane cuts fuel costs. Just compare Gulftane with other fuels. You'll find that this one convenient fuel can be used for scores of farm and home uses at savings that will surprise you.

Cut Your Tractor Bills to the Bone with this Modern Fuel!
