

WHITTILIN'

By DOLPH MOTEN

In a two-team athletic event, second place is the same as last, or a loss, and satisfaction with that is not good, we'd guess.

However, we were tremendously proud of the great effort the Mustangs displayed in Friday night's game with Farwell here. The Steers, who now have a 50-50 chance of being the district representative in the state playoffs know now that their game in Bovina was more than just a breather for their show-down tilt this week with Sudan.

The Mustangs came a long way from their one-sided loss to Springlake-Earth a couple of weeks ago to play within less than a touchdown of Farwell, which defeated Springlake-Earth easily, 34-12.

Even though they were on the short end of the score, the Mustangs displayed a fine effort and with a couple of ifs they could have won the game.

People who paid their money and went to the Farwell-Bovina game to be entertained got their money's worth, we'd guess.

This one will have to be marked down in the pages of history as another "almost" but it was an exciting one!

A warning was issued in this space a couple of weeks ago about the groundwork being done to defeat Senator Ralph Yarborough in his bid for re-election next year.

Well, it's going to get closer to home quicker than we thought. It's a kind of a mealy-mouth deal, with no announced candidate, but the GOP is having a \$25 a plate dinner in Amarillo later this month. The proceeds will be used to aid Republican candidates for public office next year, a news release about the dinner says.

Featured speaker will be George Bush, U. S. Congressman from Houston, who is seeking support for a race against Yarborough. Bush lost to Yarborough in '64 and was then elected to Congress in '66.

The release quotes a Republican from Pampa, Jim Campbell, as saying, "This dinner will give Panhandle residents who would like to see Ralph Yarborough retired next year an opportunity to show George Bush that he is the man to do it."

They may be misleading Congressman Bush. He probably already has a better job than he's going to get out of a race with Yarborough.

But, the Republicans need a candidate in the election and Bush is probably as good as they can come up with.

There continues to be some talk and publicity (see story on chamber of commerce meeting in this issue) about additional housing for Bovina.

With interest rates at a Republican-high, people have a tendency to drag their feet on housing investments. However, there seems to be a great need for additional houses here and something could come from that aforementioned talk.

There hasn't been a lot of fire show up yet, but there's an almost continual display of smoke.

This is something that could, and should, materialize.

Say, we're in the .700 class in this football predicting business. Last week, we picked eight out of 10 winners and that boosted the year's percentage to a still more respectable .707--63 out of 89.

That's still not the best we ever heard of, but it's better than we ever thought we'd do after we got off to such a miserable start early in this year's contest.

The football contest itself changed into a more interesting deal after last week's entries were tallied. Al Kerby pulled into a tie for the overall lead with Lardlaw of Farwell. There are four weeks remaining in this year's contest and that's time for a lot of things to happen.

The leaders' percentage now stands at .775. This will, we'd guess, slide to some extent as the final four weeks are played.

That information is offered as encouragement for those of you who are still in the running, but not in the lead.

Here's the way they look this week:

SUDAN at Farwell --- This is a hard one and with the district championship at stake, we feel like it's anybody's ballgame. Sudan is the defending champion and has been able to do what it had to do to win in district competition this year. The Steers have somewhat of an

Friday --

W. A. Mace Produces Parmer's First Bale

Parmer County's first 1969 bales of cotton appeared at First State Bank of Bovina and at a Farwell location Friday morning.

The two bales were delivered to Oklahoma Lane Gin Co. Thursday afternoon from a field

on the W. A. Mace farm in that community.

Mace, who lives in Farwell, farms five miles southeast of Oklahoma Lane. The two bales, harvested by a cotton stripper Thursday, were reported to be "completely dry" following a seige of wet weather.

Each bale weighed 590 pounds, according to Floyd Coates, gin superintendent. In addition to the lint, the crop stripped Thursday produced 890 pounds of seed to the bale. The first cotton of 1969 was of good quality, considering the weather, Coates said, and will probably be the best grade received this year.

Cotton in the Oklahoma Lane area will not produce great quantities this year, Wendol Christian of the gin said, since most of it was hulled out and replaced by soybeans.

Over Parmer County, cotton production is expected to be lower than usual because of weather conditions during the growing season, including an early killing freeze on Oct. 13.

Cotton is expected to be coming into the gins in Bovina area now that the fields and bolls are drying out. Much of the cotton was ready to harvest before the rain began two weeks ago, calling a halt to all agriculture activity.

INITIATES COTTON HARVEST --- W. A. Mace, left, delivered the first 1969 cotton to Oklahoma Lane Gin Thursday afternoon. It was received and weighed by Mr. and Mrs. Wendol Christian and Gin Superintendent Floyd Coates, right. The trailer load of cotton produced two bales, which were delivered to Bovina and Farwell Friday morning and put on display.

Chamber of Commerce --

Housing Development, Speaker On Agenda

A housing development, banquet speaker, and other business dominated a meeting of Chamber of Commerce and Agriculture directors Wednesday noon in Bovina Restaurant.

The prospect of housing construction here, in the \$10,000 to \$17,000 home category, is under investigation by Lubbock builders, Bob Fillpot, Chamber manager said. The contractors

have a 30-day option on land here, and are investigating its need in this area.

Directors went on record as supporting the project and will send a letter to the contractors citing its need.

They noted that housing has been a problem in Bovina for some time, especially since the development of industry in the area.

The builders are considering the construction of from 25 to 50 homes in the program.

Jim Gilley of Bartlesville, Okla., of the sales promotion and advertising department of Phillips Petroleum Co., will be the speaker at the annual Chamber of Commerce and Agriculture banquet this spring.

Gilley was secured for the speaking engagement by a committee appointed at the October Chamber meeting. He is reputedly a humorous speaker and has been in demand at functions over the Southwest, according to H. J. Charles, member of the speaker committee.

The banquet will be held in March, 1970.

Presentation of the "Old Timer" plaque was recently made to Frank Hastings, Neal Mager, president of the Chamber of Commerce and Agriculture, announced. The plaque was presented at the Hastings home in conjunction with Bull Town Days celebration.

J. E. Sherrill reported that candy has been ordered for the annual visit from Santa Claus during the Christmas season.

After investigation into lighting downtown Bovina streets, directors determined the cost too great, but expressed a willingness to assist the city in (Continued on Page 2)

Gladys Wright Wins --

Wardlaw, Kerby Tie For Contest Lead

The lead in Bovina Businesses Cotton Bowl Football Contest was tied this week for the second time in the 1969 race for an expense-paid trip to Dallas.

Larry Wardlaw of Farwell, who has led, or been tied for the lead, eight out of nine weeks, shares the top berth with Al Kerby. Each has a total of 69 games.

Gladys Wright is the winner of the ninth week contest, one of 24 who correctly predicted nine games and came closest on the tie-breaker. She received \$5 first place award.

Second place was taken by Dixie Carson, who won \$3; and third by Bill Read, who was awarded \$1.

In the over-all contest, Paul Jones, a previous Cotton Bowl trip winner, is one game behind the leaders with 68. Standing at 67 games are Frances Allen, Mrs. Frank Burnett, Mrs. W. M. Roberts of Farwell and Mary

Jane Wilson. Still in the running are those with 66, Bob Fillpot, Lowell Boozer, T. W. Carpenter of Clovis, Sandy Peterson, Glenden Sudderth and Norma Lusk. Five more have totals of 65.

With 159 entries this week, most contestants had trouble predicting the Lockney-Dimmitt game. In fact, 20 out of the 24 predicting nine games missed that one.

Naming nine correctly, in ad-

dition to the prize winners, were, in order of tie-breakers, Ed Baca, Mrs. Albert Johnson of Farwell, Darrell Barlow of Friona, Sandy Peterson, Alan Carson, Darrell

Read, Mary Jane Wilson, Lillian Rogers, Leonard Haney, Kathryn Johnston, Norma Lusk, Jesse Walling, Mrs. Frank Burnett, Odis White, Flossie Rhinehart, Al Kerby, Loy Christian, Mrs. A. B. Kent of Hereford,

Jerry Webb, Laura Bartlett, and Houston Bartlett.

Picking eight winners were 46 contestants; seven, 56; six, 26; five, six; and four, one.

3 Fires Hit Bovina Homes

Bovina Volunteer Fire Department answered three calls Friday and Saturday within the city limits.

Most extensive damage was estimated at the Stanberry home on Third Street. The house received smoke damage and a new carpet burned Saturday afternoon when a fire originated in the bathroom, where paint brushes were being cleaned.

The home was undergoing remodeling at the time of the fire. Damage may be as high as \$1,500, firemen said.

On Friday afternoon, a fence at the Vernon Willard home caught fire from burning grass in the backyard. The blaze was thought to have begun from burning trash flying out of a barrel. The fence was not badly damaged, with two holes burned through.

Saturday morning the central heating unit at the Billie Sudderth home shorted out, causing smoke damage. The fire was quickly extinguished, firemen report.

Mrs. Redden Wins Trip

Mrs. Mary Ruth Redden was awarded a trip for two to the Cotton Bowl game in Dallas by the Booster Club Friday night.

The winner's name was announced during halftime activities of the Bovina-Farwell football game.

Mrs. Redden, whose winning ticket was drawn by Suzanne Wilson, 1969 football queen, will receive two tickets to the game plus \$75 expense money.

Again! --

Showers Fall Here Sunday

More showers fell in the Bovina area Sunday afternoon, with .07 measured in the gauge of W. E. Williams.

However, heavier falls were received in the Farwell area, accompanied by hail.

Some light hail was also reported in the Oklahoma Lane vicinity.

The rain Sunday would not have amounted to much, except that it followed a few days of sunshine after days of rain and damp weather.

Farmers, however, are back in their fields. Grain is again coming into the elevators here and the Holly Sugar station has reopened to receive beets.

Both were closed for the two or more weeks of rain.

Saturday Night --

Carnival Here Draws Crowd

Harvest Carnival held Saturday night in the county barn was termed a success, although receipts were down from last year's event.

The carnival was sponsored by Bovina Woman's Study Club, with booths furnished by the club, school classes and organizations.

Of approximately \$1100 taken in at the carnival, about half of that amount was profit after expenses were paid. The profit was then split 60-40, the Study Club making about \$400 from its three booths and share, and the classes and organizations making about \$245 profit.

Last year, about \$1300 was

taken in at the carnival. However, the event was held on Halloween in 1968, but the date was moved to Nov. 8 this year because of a football game here on Oct. 31.

Fourteen booths were set up for the event this year.

Weather

17 In All --

Kill Snakes Near Bovina

Bovina had its own rattlesnake drive over the weekend. At least Ed Hutto and Don Waddell did a mile north of town.

Hutto and his son-in-law killed 17 rattlers Saturday and Sunday on the pasture land surrounding the Hutto home. It began when the men found eight rattlesnakes sunning near a hole. They killed three of them, but the others escaped, via the hole. Hutto and Waddell then fumed them out with gas and killed six more Saturday.

Sunday they began another search and were successful in killing eight more, out to enjoy the November sunshine. Some of the snakes were as close as a half mile from the house.

Last summer the men, and another son-in-law, Robert McLeon, killed 13 snakes on the pasture, five of which were in one hole near the house.

One of the snakes killed this weekend had eight rattlers, Hutto says, but most of them had six or seven.

BOVINA TAKES IN HARVEST CARNIVAL --- It was a pushing-shoving-exciting crowd of Bovina adults and children that filled the county barn to capacity Saturday night to attend Bovina Woman's Study Club's Harvest Carnival. School classes and organizations, along with the Study Club, furnished the booths, providing fun, laughter and food. Left to right, Madame Mast tells Michele Bond's fortune; Grady Sorley tries his luck on the putting green; Esmeralda Jaurez is the victim at the pie-throwing booth; and Diana Naegle's face shows wonder at receiving a prize from the fishing booth.

The Bovina Blade

Second-Class Privileges Authorized at Bovina, Texas, 79009

Published at Bovina, Texas, Every Wednesday

Dolph Moten... Publisher & Editor

Pat Jacobs... News Editor

Reflections From The Blade

TEN YEARS AGO

Nov. 11, 1959 Bovina city commissioners considered the much-discussed anti-dust petition at a meeting in city hall Monday night.

Bovina's board of education decided Monday night to wait until a high school band is assured before purchasing new uniforms.

The question arose when a committee of Band Parents' organization met with the board concerning buying new uniforms for the present junior high band.

Bovina bird hunters may no longer have to go to Kansas, Nebraska, or South Dakota to hunt pheasant if plans jell for the newly formed Pheasant Club.

Friday is scheduled date for presentation of Junior Class play, "The Able Miss Cane."

First Baptist Church's new pastor is scheduled to arrive here Nov. 25, he is Rev. John Furguson of Kress.

Fall potato harvest wound up last week in Parmer County with only moderate yields, according to Buck Gregory, whose farm is two miles south of Lariat.

SIX YEARS AGO

Nov. 13, 1963 Bovina Mustang Band will have new uniforms.

That decision was made by members of the board of trustees at regular meeting Monday night.

Parmer County approved only one of the four amendments to the state constitution Saturday, and that one carried by a scant seven votes, Parmer County voted overwhelmingly to keep the poll tax by a vote of 523-116.

Members of Bovina Modelers, model airplane flying club here, will give away a television set late in December, Jack Kesler, a member of the club announces.

Plans are being made for Santa Claus to make his annual December visit to Bovina.

Books were distributed Monday at sessions of the two Spanish courses which are being offered here.

Whittlin' --

(Continued from Page 1) Injury problem to a couple of key men, which could hurt them at any time.

Dimmitt at FLOYDADA -- The Whirlwinds have the district flag all locked up after Dimmitt was upset last week by Lockney. Still, the Bobcats would probably like to win over Floydada just to show them they can. These two teams were supposed to be playing this game for the district championship, but Dimmitt got bumped off a couple of times while trying to get to the showdown.

HEREFORD at Tulla -- Aren't the Whitefaces doing pretty good this year?

ABERNATHY at Friona -- The Chiefs surprised us by playing such a good game against Olton last week. If they're still fired up, they could close the season on a winning note, but Abernathy looked good against Floydada, we're just guessing.

Kress at SPRINGLAKE-

EARTH --- We don't understand yet how or why the Wolverines have lost a game all year.

Baylor at TEXAS TECH --- The Red Raiders will get back on the winning track over wireless Baylor after being derailed by T.C.U. last week.

TEXAS A&M at Rice --- They're playing this one in Houston and it could be close, but we're for the Aggies.

Bowling Green at WEST TEXAS --- Kerbel & Co. have things going their way now.

Texas Christian at TEXAS--- The Horned Frogs would like nothing better than to knock off the No. 2 ranked Longhorns and stranger things have happened. But it looks as if anyone beats the TU crew it will be the Aggies on Thanksgiving Day.

ARKANSAS at Southern Methodist --- The Mustangs have been having their troubles lately in spite of a great passing attack. They don't have the overall strength to handle the Hogs.

GERMAN VISITOR --- Professor Klaus Holdeck, heart specialist and director of City Hospital in West Berlin, was here last week visiting Dr. Cornelius Blesius. The doctors were associated at City Hospital in 1964.

Visits Dr. Blesius --

German Heart Doctor Here

Professor Klaus Holdeck, director of City Hospital in Berlin Newkolln, West Berlin, was in Bovina last week visiting Dr. Cornelius Blesius.

A heart specialist, Professor Holdeck explained that he is not called "doctor" because all professors are required to be doctors first.

Dr. Blesius worked in Professor Holdeck's department at City Hospital before coming to the United States. The professor was a guest here from Wednesday until Monday.

He had attended a medical meeting in Mexico City, and visited the Everglades before arriving here. It was his second trip to the Everglades, where birds are abundant, he said. His hobbies are birds and bird photography.

He expressed disdain for the programs now in existence which will destroy the Everglades. In fact, Professor Holdeck said he had written two letters to President Nixon since the Everglades is the only place of its kind in the world.

He left Monday to visit friends in Oklahoma City and then to attend the American Heart meeting in Dallas.

Professor Holdeck said he is pleased with Dr. Blesius' progress here and his development as a doctor. "We hated to see

him leave City Hospital in West Berlin," the professor stated.

Of this area, Professor Holdeck thinks it is "beautiful" because of its wide open spaces. However, he thinks the people are not as relaxed as they should be.

When asked if he had done a heart transplant, Professor Holdeck laughingly replied, "Not this morning," then explained that he has not.

Housing --

(Continued from Page 1)

making decorations at the park more complete.

Lights will again be strung at the park, according to reports from the city, but organizations may decorate corners of the block in keeping with the Christmas season.

Other business was also discussed, including assisting the city in updating street signs and house numbers; further investigation into a Retail Merchants Association; and post cards of Bovina's bull statue.

Proposals to finance installation of an emergency sign in the triangle beside Bovina Medical Center and erect highway direction signs to the clinic were tabled.

City Sends Letters On Paving Here

Demand letters were ordered sent to Bovina property owners who owe on paving by the city council at its meeting Thursday night.

Such property owners will have 10 days to pay their paving costs before suits are filed, council members decided.

A \$50 per month raise was voted for the city marshal, effective Nov. 15.

In other action, city councilmen voted to pay bills and to transfer \$2200 to Security State sinking fund for bond payments.

Attending the meeting were Mayor Bedford Caldwell, Councilmen Vernon Estes, Lloyd Guber, Charles Corn and Vernon Willard.

The Old Timer

"Nothing is more easy-going than a dollar."

By ASCS --

Farm Program Facts For 1970 Announced

Louis Welch, chairman of the Parmer County ASC Committee, reminds all farm operators that they should "keep-up" with the provisions of the farm programs in which they participate.

- 1. Sugarbeets come under proportionate shares in 1970 and November 21, 1969 is the final date for applying for a 1970 sugarbeet share. 2. Cotton producers who plan to transfer 1970 cotton allotments should keep in mind that an application for such transfer must be filed by no later than December 31, 1969. 3. The County ASC Office will accept applications for cost-

sharing of conservation practices under the 1970 ACP during the month of December 1969. Applications filed in December will be for practices to be carried out during the first seven months of 1970. 4. The planting of sweet or forage sorghums (cane, beef-builder etc.) is not authorized for planting on diverted acres under the 1970 diversion (wheat and feed grain) programs. Let us repeat - Planting of Sweet or Forage Sorghums on Diverted Acres Will Not Be Authorized in Texas For 1970 And Subsequent Crops. 5. Questionnaires (crop and livestock) sent to farmers by the Crop and Livestock

Reporting Service are important. All persons receiving such questionnaires are urged to fill them out properly and mail them back in as requested.

6. For farm program purposes, both Triticale (a wheat-rye cross) and winter-graze (a wheat - wheatgrass cross) will be considered as feed grains. However, neither will be covered by the feed grain program.

Being considered as feed grains, Welch explained, means that Triticale and Winter-graze may not be grown for production on acres which farmers agree to divert from crop production. These crops may be planted on diverted acres for grazing during the grazing period, provided the crops are disposed of by the final disposition date. This date is May 1.

Not being covered by the feed grain program means Triticale and Wheat-graze will not count as part of a farm's feed grain base. Neither would these crops be eligible for price-support, nor for the substitution provision of the wheat-feed grain programs.

Welch urges all farmers to contact their ASCS office for answers to their farm program questions. He states, with a grin, that the "coffee shop experts" are not always right.

In County --

SDC Sponsors Essay Contest

The Parmer County Soil and Water Conservation District has announced that it will hold an essay contest in connection with the Texas Conservation Awards Program.

The subject for this year's essay is "My Stake in the Natural Resources of Texas." The District Contest is open to all boys and girls in Parmer County 10 years or under, in or out of high school, but not a high school graduate.

Contestants should describe, in 300 words or less, what they believe to be their personal stake in the vast wealth of natural resources found within the State of Texas.

The Parmer County SWCD will award a total of \$125 in cash prizes for the four best essays, according to L. L. Grissom, district chairman. The prizes will be \$50, first prize; \$35, second prize; \$25, third prize; and \$15, fourth prize.

In addition, the winning essay will be sent to Fort Worth for judging on the state level. The state champion will receive \$200 cash and a trophy. Three

trophies in each of five state regions will also be awarded. Entry deadline is 5 p.m. January 15, 1970. Essays should be sent to The Parmer County SWCD, Box 788, Friona, Texas, 79035.

The following information should be included on the outside of the entry: Name and address, name of school, name of parents, and name and number of the local Soil and Water Conservation District (Parmer County SWCD No. 140).

Clinic Makes Note Payment

Bovina Medical Center directors had little business at its monthly meeting Monday night. Payment of \$150 was voted to be made on note outstanding, leaving a balance due of \$4,226.69.

Balance in First State Bank of Bovina on Nov. 10 was \$156.38. This included rent paid on the clinic building for November of \$150 from Dr. Cornelius Blesius.

Lazbuddie News Begins This Week

Beginning this week, the Lazbuddie News will appear in The Bovina Blade.

The news from the Parmer County community will be written by Mrs. Marshall Williams of Lazbuddie.

It is expected that greater reader interest will be created by more complete county coverage with the insertions of Mrs. Williams' articles.

In addition, Mrs. Williams will also take Blade subscriptions in the Lazbuddie area.

Zogi Show --

Groups Begin Ticket Sales

Advance tickets are now on sale for the Zogi Variety Revue to be presented here Tuesday, Nov. 25, in Bovina Schools auditorium.

The show is sponsored jointly by Bovina Chamber of Commerce and Agriculture, Bovina Lions Club and Bovina Booster Club.

Tickets at \$1.50 for adults may be purchased from members of those organizations. Students tickets will be sold at the door.

Proceeds from the show will be used to help the Booster Club purchase an exercise machine

for the athletic department of the schools.

In addition to the night time show, a matinee will be held in the afternoon for children. Tickets for that performance will be 35 cents.

The show has been seen on national television, including the Ed Sullivan Show, Hollywood Palace, etc.

Prince Zogi and his company will present novelty acts, illusions, music, comedy, hypnotism, drama, ESP during the two-hour show. Included in the performance will be the act of sawing in half a Bovina High School girl, Carolyn Cox.

Young Farmers' --

Turkey Shoot Here Sunday

A turkey shoot is scheduled for 2 p.m. Sunday at the caliche pit, south of Highway 86 underpass, according to members of the Bovina Chapter of Young Farmers.

An alternate date has been set for Sunday, Nov. 23, in case of bad weather this Sunday, Ralph Roming, president, said.

Prizes will be dressed turkeys.

The Young Farmers planned the event at its November 7 meeting. Also planned is a trip to the state convention at Galveston in January.

Vocational Agriculture Instructor Mike Potts met with the organization.

The next meeting has tentatively been set for Thursday, Nov. 20.

One Killed --

22 Accidents During October

The Texas Highway Patrol investigated 22 accidents on rural highways in Parmer County during the month of October according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in one person killed, 12 persons injured and an estimated property damage of \$12,475.00.

The rural accident summary for this county during the first ten months of 1969 shows a total of 122 accidents resulting in four persons killed, 78 persons injured, and an estimated property damage of \$89,522.00.

Traffic wise, November and December are noted as dangerous months for pedestrians. During the last two months of 1968 in Texas there were 86 pedestrians killed and 843 injured in collisions with motor vehicles. Some of the attributing factors are: Longer hours of darkness, bad weather, holidays, and lack of drivers' and pedestrians' attention.

The veteran patrol supervisor listed some tips to aid both pedestrians and drivers. Always wear something light

Automobiles Collide Here

Two automobiles were damaged in an accident at 6:15 p.m. Thursday at the intersection of First and Main Streets, City Marshal Ronald Mitchell reported.

A 1969 Chevrolet, driven by Paul Ledezma of Bovina, was attempting to make a "U" turn at the intersection, and pulled in front of a 1967 Chevrolet, driven by J. D. Adams.

The Ledezma vehicle received more than \$200 damage, Mitchell said. The automobile driven by Adams and belonging to his father-in-law, L. W. Goldston of Petersburg, received about \$80 damage. No one was injured.

colored when walking after dark. If possible carry some kind of light and walk on the left side of the road facing traffic. If you have a dark colored raincoat or overcoat, put a strip or two of reflectorized material across the back and front when walking on the street or highway.

SUPER MARKET Bovina

Cook's Corner

MRS. TOM BEAUCHAMP

"The best thing about me is that I live in Bovina," said Mrs. Tom Beauchamp, who submitted her favorite recipes this week.

She and husband, Tom, have not always been from Bovina. They were reared at Sudan, where they attended school, met and married. The couple came to Bovina in February, 1951, after buying land here. They brought something else with them -- cotton production. On their farm south of Bovina, Beauchamp was called "crazy" when he set out to prove cotton could grow in this country. The crop is grown by many farmers now, 18 years later.

Three years ago they moved about a mile east of Bovina. Mrs. Beauchamp has many hobbies. She enjoys oil painting, collects cut glass and R.S. Prussian china. She has made an afghan for each of her three children, sews a great deal and also enjoys cooking.

A member of the Methodist Church, Mrs. Beauchamp teaches the Junior High Sunday School class.

Her children include Garry, a veteran of the Vietnam War and now a student at West Texas State University; Mrs. Daryl (Karen) Kirkpatrick, employed by Water, Inc. at Lubbock; and Mike, a junior in Bovina High School.

Following are some of her recipes.

Chocolate Pie
7/8 c. sugar
1/3 c. flour
2 1/2 c. milk
3 egg yolks
1/2 t. salt
2 T. butter
1 1/2 sq. Baker's chocolate
1/2 c. marshmallows (small)
1/2 t. vanilla
Melt butter and chocolate on low heat. Set aside to cool.

Never Fail Fluffy White Frosting
3 egg whites
3/4 c. sugar
6 T. light corn syrup
1/4 t. cream of tartar
1 t. vanilla
1/4 t. salt
Add all together in top of boiler. Cook in doubleboiler beating with electric handmixer at high speed for seven minutes.

Dressing
When you cook a turkey roast, 1 pkg. Gladolola cornbread mix 1 can biscuits
Cook according to directions and set aside to cool.
6 eggs, boiled. Set aside to cool
Crumble bread in a large mixing bowl. Add chopped eggs, 1 med. onion minced
2 t. beau monde (Spice Island brand)
1/2 t. Thyme
1/2 t. Marjoram
1/2 t. Oregano
1/2 t. Savory
Heat in sauce pan
2 cans cream of chicken soup
1 can water
2 T. butter
Add slowly mixing well to bread mixture using amount of soup mixture until you get

Into sauce pan mix sugar and flour. Add milk and well beaten yolks. Mix well. Add butter, chocolate and salt. Cook until thick. Add marshmallows and vanilla. Chill overnight in refrigerator. Next day put in baked pie shell. Top with whipped cream and serve.

Applesauce Cake
1/2 c. soft margarine
1 c. sugar
2 unbeatn eggs
Mix in mixer at medium speed for 1 1/2 minutes.
Add:
1 c. thick applesauce
2 c. flour
1/2 t. salt
1/2 t. soda
1/2 t. cloves
1/2 t. nutmeg
1 t. cinnamon
Mix at medium speed 1 1/2 minutes. Take bowl from mixer and fold in 3/4 cup of raisins, then 1/2 cup medium broken nuts.

Bake at 350 degrees about 25 minutes in 9 X 13 X 11/2 inch loaf pan, greased and floured. Use your favorite powdered sugar icing.

Fluffy White Frosting
3 egg whites
3/4 c. sugar
6 T. light corn syrup
1/4 t. cream of tartar
1 t. vanilla
1/4 t. salt
Add all together in top of boiler. Cook in doubleboiler beating with electric handmixer at high speed for seven minutes.

Dressing
When you cook a turkey roast, 1 pkg. Gladolola cornbread mix 1 can biscuits
Cook according to directions and set aside to cool.
6 eggs, boiled. Set aside to cool
Crumble bread in a large mixing bowl. Add chopped eggs, 1 med. onion minced
2 t. beau monde (Spice Island brand)
1/2 t. Thyme
1/2 t. Marjoram
1/2 t. Oregano
1/2 t. Savory
Heat in sauce pan
2 cans cream of chicken soup
1 can water
2 T. butter
Add slowly mixing well to bread mixture using amount of soup mixture until you get

the desired thickness you like your dressing. Not necessary to bake but if you prefer baked dressing, bake 20 minutes in oven 350 degrees. Serve with favorite brand of turkey roast, cooked by directions.

Of Interest To THE WOMEN

Guadalupe Pledge Fund Support

The Guadalupe Society of St. Ann's Catholic Church met Sunday, Nov. 9. A decision was made to contribute to the building fund.

The group will donate \$400 to the fund in January, 1970, according to the reporter, Mrs. Ben Rejino.

A financial report was given by Mrs. Anthony Brito, treasurer.

Other business included setting Nov. 17 as the date for a general rectory cleaning. All members are urged to be present, beginning at 1 p.m.

Fiesta of Our Lady of Guadalupe, patron saint of the society, will be held on Dec. 12. Plans were discussed for the event, but details will be announced later.

Reports from the delegates

were made of the D.C.C.W. Convention held in Levelland. The point most stressed by the International Affairs Commission was the need of help for Biafra. A film of Biafra was shown the members, published by the Biafra Relief Service Foundation, which describes starvation and war in that country.

Members stated the film makes each wonder, "Have I done all I can to help?" They say anyone can help with any size donation. Contributions may be sent to Biafra Relief, 777 United Nations Plaza, New York, N.Y. 10017.

Women serving refreshments at the Head Start program this month include Mrs. Cordie Vargas, Nov. 10-14; Mrs. Clyde Blalock, Nov. 17-21; and Mrs. Andres Garza, Nov. 24-28. Attending the meeting Sunday

were Rev. Gerald Dunford, Mrs. Gil DeLeon, Mrs. Anthony Brito, Mrs. Pete DeLeon, Mrs. Ruben Uriegas, Mrs. Daniel Rodriguez, Mrs. Ben Rejino and a guest, Mrs. Anita Alonzo.

Community Conversation

E. A. Males of Ballejo, Calif. was here Thursday through Sunday visiting his sister-in-law and husband, Mr. and Mrs. Odis White. He is now visiting in Olton and will travel to Oklahoma before coming back to Bovina.

Sharon Small of Austin and student at Texas Tech was here over the weekend visiting her grandparents, Mr. and Mrs. W. E. Williams.

Flowers Take Spotlight At Program

Flower arranging will be the program Thursday afternoon for members of Bovina Woman's Study Club.

Presenting the program will be Mrs. Orris Eshelman and Mrs. Elmer Langford, Mrs. I. W. Quickel is program leader.

Members will answer the roll call with their favorite flowers. The program will be followed by a question and answer period.

Hostesses for the meeting will be Mrs. Henry Ivy and Mrs. Clarence Jones.

Bazaar Set November 21

The annual bazaar will be held by the Women's Society of Christian Service of United Methodist Church on Friday, Nov. 21, according to Mrs. Oakley Stevenson.

The community room of First State Bank of Bovina will be the site of this year's event, which will begin at 8 a.m. and continue until 4 p.m.

Pie and coffee will be served, Mrs. Stevenson said. For sale will be baked goods and handwork.

Shower Fetes Bride-Elect

Miss Martha Snodgrass, bride-elect of Parker Stewart of Pampa, will be honored with a bridal shower from 2:30 to 4:30 p.m. Saturday, Nov. 22, at the community room of First State Bank of Bovina.

The couple will exchange marriage vows Nov. 28. Hostesses for the shower will be Mrs. Howard Kelso, Floyd Damron, Sam Billingsley, Clyde Perkins, Harold Carpenter, Ros Blankenship, Wendol Christian and James Roach.

the desired thickness you like your dressing. Not necessary to bake but if you prefer baked dressing, bake 20 minutes in oven 350 degrees. Serve with favorite brand of turkey roast, cooked by directions.

Scoopin' - - - - By Pat Jacobs

Who says advertising doesn't pay? No sooner had the Blade hit the street last week than Lucille Walling called and informed us the Study Club has flags for sale.

We were all happy. The Study Club sold a flag and we were able to fly same on Veterans Day.

If you feel moved to fly a flag the remainder of the moratorium, call a Study Club member. They're \$3.

Bovina had some publicity last week down at South Plains Junior College.

Nancy Fowler, daughter of Mr. and Mrs. Joe Fowler, was one of 26 contestants for homecoming queen.

Don't know who won the honor, but we were always taught it was an honor in itself to be nominated. We're sure Nancy feels the same way.

Incidentally, she's also a member of the cute marching group down there --- that top off their costumes with cowboy hats.

Neal Mager threw out a good idea the other day, between bites at the Chamber dinner meeting.

He tactfully brought to light that more than a few men in Bovina are good cooks.

Even though the Cook's Corner feature (originated by Sue Moten) appears on the Woman's page -- doesn't mean it is strictly for women.

Men, get out your favorite recipes. Some of you may be called on one of these days.

With the Christmas gift lists already getting longer and longer, had you thought of sending the Blade for Christmas?

Down where our brood came from, there were several land owners who sent a copy of the paper to their farmers-- strictly for the sake of information on up-to-date farming practices, programs, etc.

In turn, many of the farmers sent the paper to their employees, for the same reason.

But the ones who appreciate the home town paper the most -- are the ones who have moved away. To them, it's more than a gift -- it's like a letter from home every week.

Sales pitch? You bet. And it's a good idea, too.

J. W. Bell brought in a good Associated Press article on Art Linkletter's crusade against drugs. It appeared in the dailies last month, and boils down to this: Education on the truth about drugs, alcohol and narcotics should be repeatedly given children and young people by their parents.

Repetition is the key word. Don't let the young forget its dangers.

Chili Supper Raises Funds

Band Parents organization raised about \$140 Friday night at its chili supper preceding the Bovina-Farwell football game, according to Mrs. Leon Ware, chairman of fund-raising events.

Proceeds will assist the Bovina High School Band go to band school at Enid, Okla. next spring.

Other recent fund-raising campaigns of the organization has been a pancake supper and Halloween candy sales.

Hospital Notes

Kim Langer has been released from a Dumas hospital where she was a patient several days. She is the daughter of Mr. and Mrs. Fred Langer.

Allen Cumpston is reported to be improving at St. Anthony's Hospital in Amarillo. He has been a patient there nearly two weeks.

PRESENTATION --- Karen Bell presented Mrs. Janie Potts, homemaking teacher and FHA advisor, a long-stemmed red rose during the Mother-Daughter salad supper held in Bovina Schools cafeteria Thursday night.

Mother-Daughter Salad Supper Carries Out Harvest Theme

Future Homemakers of America entertained their mothers with a salad supper Thursday night in Bovina Schools cafeteria.

Highlighting the evening was presentation of Senior pillows by freshmen "little sisters." The pillow presentation has become customary in Bovina FHA, when little sisters make pillows for the senior members

in colors and trim of the senior's choosing.

In turn, the senior girls presented their little sisters with a long-stemmed rose.

The event carried out the harvest theme Thursday night, as shocks of feed and pumpkins decorated the cafeteria. A tree with falling leaves covered one wall and tables were decorated with miniature green tractors and farm equipment.

Suzanne Wilson, president of Bovina FHA Chapter, welcomed guests and served as mistress of ceremonies. Karen Bell gave the invocation and Mrs. Gwen Clements gave the response. Nena Spicer introduced guests and Miss Wilson introduced the officers.

The program was directed by Deborah Hawkins. Pictures of the girls' mothers as teenagers were passed around the crowd, with the mothers guessing who each was.

Carolyn Cox led the group in singing the prayer song.

Music in keeping with the mothers' teenage years was played throughout the salad supper.

Shower Set November 22

A bridal shower honoring Miss Dala Boyd, daughter of Mr. and Mrs. Earl Dean Boyd and bride-elect of Gary Crump of Friona, will be held from 3 to 5 p.m. Saturday, Nov. 22, in community room of First State Bank of Bovina.

Hostesses will be Mmes. Alfred Mills, Howard Looney, Roy Allen, A. L. Glasscock, J. D. Kirkpatrick, M. H. Carson, Bessie Webb, Bobby Englant, Travis Lloyd, Lawrence Jamerson, Ed Hutto, Ethyl Hall, John Dixon and Henry Spice

"Oh, when the saints go marchin' in, I sure will miss my dear old daddy..."

Read Mark 11:20-33
Psalm 23

Pray . . . Believe

What things soever ye desire when ye pray, believe that ye receive them, and ye shall have them. Mark 11:24

God has commanded us to pray and has promised to hear us. He has told us that too often we have not because we ask not.

Prayer is perhaps the greatest unused force in the world. "More things are wrought by prayer than this world dreams of," and yet many people neglect this great gift of God to His people.

Come, my soul, thy suit prepare,
Jesus loves to answer prayer;
He Himself has bid thee pray,
Therefore will not say thee nay.

Thou art coming to a King,
Large petitions with thee bring;
For His grace and power are such
None can ever ask too much.

(The Lutheran Hymnal, 459)

Faith is a necessary ingredient of prayer. Jesus said: "When ye pray, believe. . . ." We must know and believe that God is able and willing to hear us.

That is why prayer plays such an important part in our Christian life. We pray personally and individually, we pray as members of our family, we pray together as members of our congregation. And we know God hears and will answer our prayers.

Lazbuddie News

Battle Of Longhorns Sees L'Buddie Winner

By Mrs. Marshall Williams
965-2143 Box 35
Lazbuddie, Texas

Excitement was in the air Friday night, Nov. 7, as the Lazbuddie Longhorns defeated the Hart Longhorns 22-2. Both teams have been defeated by class A teams, Hart by Vega, and Lazbuddie by Bovina. The winner of this game is predicted to be district winner of Class B.

Darrell Matthews kicked off to the Hart Longhorns, Hart caught it on the 5 yard line and returned it to the 25 yard line. After 6 minutes and 21 seconds of play, Monte Barnes kicked a high spiral punt 60 yards, Hart's No. 22 tried to pick up the ball, and Darrell Matthews recovered it on the 5 yard line. On the fourth down of play, Matthews went over the 1 yard line for the first touchdown of the game, Terry Scott and Pablo Mendoza blocked for Matthews on this TD. Monte Barnes passed to Charlie Lee, who went over for the extra points, making the score 8-0, with four minutes and four seconds on the clock.

Hart punted on a fourth down, Charlie Lee returned it from Hart's 50 yard line for the second TD. With the team's help, Larry Hodges went over for the two extra points, Mendoza, Wilson, and Flores were blocking for Larry. This made the score 16-0 in the first quarter. Hart's Danny Black intercepted a pass intended for Matthews. In the second quarter, Charlie Lee intercepted a pass for the Lazbuddie Longhorns, Larry Hodges gained 11 yards for another first down. Gall Morris halted Hart from making a TD. Charlie Lee again intercepted a Hart pass. Lazbuddie recovered a fumble with seconds remaining on the clock in the first half and the score still 16-0.

In the opening play of the second half, Hart kicked to Lazbuddie, who was defending the north goal. Rogers of Hart kicked a low hard kick to the 10 yard line and Matthews returned it to the 35 yard line. On another play from the 35 yard line, Matthews ran 65 yards for a TD, making the score 22-0, Matthews' attempt to kick for extra point was blocked. Rene Flores showed good tackling power on Hart. Lazbuddie Longhorns received a five yard penalty in end zone. Mike Casey was hit at line of

scrimmage. The ball was on the 3 yard line in Hart territory. After a bad snap, the ball went over Monte Barnes' head and was an automatic safety for Hart. Thus, making the score 22-2. Monte Barnes kicked off from the 20 yard line and it went out of bounds.

After receiving a five yard penalty Monte rekked at the 15 yard line. On another play, Hart's Donny Black intercepted the ball and Rene Flores brought him down on the 35 yard line. It was intended for Mike Casey. Hart kept pushing the ball hard, Matthews and Hodges were in for good tackles. The Barnes Brothers, Monte and Mark, tackled and helped hold Hart down on their own 5 and 9 yards. The third quarter was scoreless, and score remained 22-2.

Hart tried a jump pass, but Monte stopped it. Once again Monte made an interception and downed it in the end zone, the ball was moved to the 20 yard line.

On a fourth down, Monte Barnes kicked from the 28 yard line into the end zone for 62 yards. Rene Flores intercepted a big pass for 15 yards return for the Lazbuddie Longhorns. Montes' incompleated pass for Charlie Lee was overthrown. Hart's Hawkins, No. 44, intercepted a Barnes pass and brought it up to Lazbuddie's 43 yard line. Hart moved the ball to the 33 yard line and 29 yard line. Smith from Hart, kept slowly moving the ball, 20 yard line and shy of first down -- 2 inches needed. Hart picked up their first down. Hart later fumbled and recovered it with six minutes remaining on the clock.

Hart had an incompleated pass on 20 yard line of Lazbuddie. Hart was hit at the line of scrimmage for a loss of 3 yards. Lazbuddie took over the ball on 16 yard line. Hodges carried the ball for first down, and then used the same play and carried ball to 40 yard line -- a gain of 7 yards. Later, on the 47 yard line, another first down by Hodges. Arthur Graves moved the ball for a 2 yard gain. Larry Hodges ran around left end with power, and picked up more yards for Lazbuddie. Barnes kicked the ball high, and Darrell killed the ball on 5 yard line. Hart lost 2 yards on their first down. On the second down, Hart

picked up 2 yards. Penalty flags' flew against Lazbuddie for illegal procedure. Barnes brought Hart to their feet on this play. Hart's Robinson carried the ball in final play of the game. The whistle blew, and it was all over, the score 22-2. Gall Morris, Mike Casey, Charlie Lee, Jimmy Noland, Mark and Monte Barnes, George Wilson, Larry Hodges, Darrell Matthews, Arthur Graves, Terry Scott, Rene Flores, and the entire Longhorn team demonstrated some of their power and what they can do.

Friends from Muleshoe, and other surrounding towns, ex-students and all local fans enjoyed a good game. Thank you boys, from all Lazbuddietes.

An overnight guest Oct. 30 in the Quinn Weaver home was his boyhood friend and baseball chum, Guy Gaston from Hollywood, Calif., on his way to Arkansas. Visiting this weekend in the same home is their daughter, son-in-law, and grandson, Mr. and Mrs. Bill Henson, and Jeff, from Hobbs, N.M.

With the sun shining again, the farmers are returning to the fields to finish maize harvest, discing and beginning cotton harvest.

Before the Hart-Lazbuddie game, the Lazbuddie Young Homemakers had a "Hamburger Fry." It was a success and the food was good. A big thank you goes to all who came and ate with the Young Homemakers.

The Lazbuddie Young Homemakers met Thursday, Nov. 6, at 3 p.m. in the homemaking room for their regular monthly meeting. Final plans were made for the Hamburger Fry, a bake sale Tuesday, Nov. 25, before Thanksgiving at the Lazbuddie Grocery, and an all-day workday to make projects for the bazaar to be held in December. Also discussed were plans to sew robes and housecoats for the children in Baptist Children's Home, Portales, N.M. Proceeds from all projects will benefit this home, especially at Christmas time.

Miss Linda Block, Amarillo, bride-elect of Larry Davis, Lazbuddie, was honored with a wedding shower, Friday, Nov. 7, in the Methodist Fellowship Hall at Lazbuddie. Seated at the hon-

Horse Falls, Billy Johnson Breaks Ankle

Billy Johnson received a broken left ankle last week when the horse he was riding slipped and fell at the farm of his parents, Mr. and Mrs. Levi Johnson.

He has been released from Parmer County Community Hospital and is reported to be recuperating satisfactorily.

Johnson was roping a calf when the accident occurred Wednesday of last week.

At Home In Parmer County

By Janice Miller
County HD Agent

SOMETHING INTERESTING! By the time the average American reaches 70 years of age, he will have consumed the equivalent of 150 head of cattle; 24,000 chickens; 225 lambs; 26 sheep; 310 swine; 26 acres of grain and 50 acres of fruits and vegetables.

Here are some foods you may want to include in your menu's. Pumpkins are plentiful and available in many shapes and sizes. Look for ones that are heavy and free from skin blemishes and bruises. The rind should be hard. It can be baked, boiled or steamed, and it's easy to remove the rind after cooking. For something new, try roasting or toasting, then salting the pumpkin seed for a crunching good treat.

Other good vegetable buys in-

ored table were Linda, Mrs. Freeman Davis, Mrs. Jacob Block, mother of the bride, and Dayna Block, her sister.

The table was covered with white with a white lace table cloth. The centerpiece was a white and green arrangement, with green candles, and large green bow and ribbon draped down the front of table. The corsages were bright floral cloth napkins with a recipe card attached to each. Every hostess filled in the recipe card with her favorite recipe and gave it to Linda after shower.

Among some of the friends and out-of-town guests were Mrs. Raymond Carson, Mrs. Billie Carson, Olton; and Mrs. Geneva Hinson, Mrs. Charlene Phillips, Clovis.

Green and white were the chosen colors of the bride elect. Linda and Larry received a variety of useful gifts. The wedding date is set for November 29, 1969.

Hostesses were as follows: Mrs. Hubert Elliott, Shirley Steinbock, Iva Carpenter, Louise Beavers, Edith Graef, Rith Welch, Novaleene Seaton, Gloria Elliott, Kitty Gallman and Linda Elliott. Hostess gift was an electric mixer.

clude winter squash, dry yellow onions, potatoes, turnips, cooking greens, cabbage, carrots, rutabagas and sweet potatoes. Apples are plentiful with many now being sold by the bag which is usually the most economical choice. Grapes, bananas, oranges and avocados are other good choices.

For the carefully planned "mixed-up" look this fall, be inventive in combining plaids with prints, Herringbones and tweeds with prints or stripes. Here are some guidelines which may help you with this tricky part of fashion:

Work with three basic colors. Use one dominant patterned fabric-others in subdued designs. Draw patterned fabrics together by using a solid fabric which repeats one color in each fabric.

Choose small designs in printed fabric when used with a plaid or stripe.

You may have heard or read this before, BUT did you remember!

Trim Infant Rites Today

Graveside services for Robert Truman Trim, infant son of Mr. and Mrs. Truman Trim, will be held at 3 p.m. today (Wednesday) in Bovina Cemetery.

Rev. Ken Moore, pastor of First Baptist Church and Rev. Howard Eason, pastor of Primitive Baptist Church, Amarillo, the infants great-grandfather, will officiate.

The infant died between 7 and 8 p.m. Monday in West Plains Hospital, Muleshoe. He was born at 11:07 p.m. Sunday there.

Survivors include the parents of Bovina; and grandparents, Mr. and Mrs. Robery Murray of Muleshoe and Mr. and Mrs. Louis Stone of Bovina.

Game Rated Toss-Up --

Bovina Closes Season At Vega Friday Night

Ponies Seek 5-5 Record

The Bovina Mustangs close out the 1969 football season Friday night at Vega against the Longhorns.

In spite of the fact that both teams are out of contention for the district title, the game should be an interesting one in that each needs a win to add a finishing dash of glory to an otherwise so-so season.

Vega is 1-3 in district play while the Mustangs are still looking for their first district win. A win for the Bovina team would assure the Ponies of at least having company in the 3-A cellar. Too, a victory would boost their season mark to a respectable 5-5.

The Longhorns have been the surprising team of the district up to now even though their record shows only one win. In the district opener, they upset highly-favored Kress. At that time, Kress was considered one of the top teams in Class A in the area and Vega was figured to be just filling up space on the district schedule of the other five schools.

Then the following week, the Longhorns came within two points of pulling off still another upset. This time the near-victim was Sudan, the district co-favorite with Farwell. Vega led 21-0 going into the final quarter, but the Hornets managed to come out on top, 22-21.

In their third district game against Farwell, the Vega team got off to a good start and led 14-0 at one point. Farwell came back to win, 27-14. Last week, the Longhorns suffered an embarrassing, 50-6, loss to the Springlake-Earth Wolverines.

In a non-district melee, the 'Horns tied the Happy Cowboys, a team the Mustangs defeated early in the season.

All in all, Bovina and Vega are figured about equal on a comparative scores basis and the game is expected to be rated a toss-up.

The Vega team is led by Jackie Richardson, who plays halfback and is a converted quarterback. Overall, the Longhorns are considered a "young, quick, ball club" by Gib Hough, Mustang coach.

The Mustangs came out of the Farwell fray in good shape physically and are expected to be near full strength for the season finale.

In regard to the Farwell game, Coach Hough felt his team "played well enough to win. We played as well as we possibly could and then some," he pointed out. "The first quarter was what hurt us," he said. In that period, the Steers put 14 points on the scoreboard before the Mustangs could get going. After that, Bovina dominated the tilt.

He praised the play of all members of the team. "Our defensive line gave a great effort," he emphasized. "We felt we had to stop their running game first and then work on the passing," he said in regard to pre-game strategy.

In other 3-A action this week, Sudan and Farwell, both with 4-0 district marks, battle for the championship flag at Farwell. Kress and Springlake-Earth meet in another battle of alphas at the home field of the latter. The record of S-E is now 2-2 while Kress stands 1-3.

The regular season concludes with this week's action.

At Farwell --

8th Cinches Title Tie; 'B', 7th Lose Games

Eighth graders cinched a tie for the District 3-A football championship, the "B" team lost its first game of the year, and the seventh grade lost a squeaker when the teams traveled to Farwell Thursday.

Winning by 22-8, the eighth grade team can do no worse than tie for district. Coach Bill Nicholas' eleven will be the outright champions if they defeat Vega here at 6:30 Thursday afternoon.

The "B" team lost by a close 13-6 count to Farwell and the seventh grade was defeated, 8-6.

Neither the "B" nor seventh graders are scheduled to play Vega Thursday.

After the first quarter ended 0-0, eighth grader Allen Chisom crossed the goal line on a five-yard pass from Billy Shelby. Extra point attempt by Shelby was successful.

Farwell also scored in the second quarter and the half ended 8-8.

It was the fourth quarter before the tie was broken when Shelby got loose for a 49-yard

School Menus

Nov. 17-21

Monday: Corndogs, baked beans, cabbage and carrot salad, cornbread, butter, chocolate pudding with whipped topping, milk.

Friday: Tuna pie, English peas, pineapple and cottage cheese, hot rolls, butter, orange halves, milk.

Steers Win By Thin, 23-19, Margin --

Mustangs Scare Farwell With Rally In Last Half

The Bovina Mustangs, playing one of their best games of the season, especially during the second half, "scared the pants off" the highly-favored Farwell Steers in a District 3-A football game here Friday night before dropping a 23-19 decision.

The Mustangs spotted the visiting Steers 20 points in the first and second quarters and after that took command of the game and put enough points on the scoreboard to come on-so close to pulling the upset of the year.

Led by the determined running of Stuart McMeans, senior tailback, the Bovina boys almost defeated Farwell, something the Mustangs have failed to do since 1954. Some of the

games during that long dry spell for Bovina have been close and spine-tingling and this will have to be classified as being of that calibre.

After Farwell's three early scores, the Mustangs outtied the Steers, who now have a perfect 4-0 district mark and will meet Sudan Friday night in a game which will decide the 3-A championship.

The Steers scored the first two times they got possession of the football Friday night. This, as it turned out, proved to be the Mustangs' undoing. Halfback Mark Williams got the two opening six-pointers on identical nine-yard runs. His brother, Barry, duplicated the nine-yard scoring jaunts in the second period. Big Bob Wiman kicked the extra points after the first two touchdowns, but didn't get an opportunity on the third as the snap from center was fumbled. Wiman's toe proved to be the difference in the battle between the two strong rival teams. In addition to the extra points, he kicked a 23-yard field goal in the fourth quarter, giving his team an insurance three points.

McMeans scored two touchdowns for the Maroon and White on long runs. The first teedee, which came with 4:51 remaining in the first half with Bovina trailing, 20-0, was made on a 51-yard dash. He ran the Bovina 49-yard line, He ran 94 yards for Bovina's final score late in the fourth quarter as his team trailed by 13-23 and was trying desperately to get back in the game.

Bovina's second six-pointer came on an 11-yard pass from Quarterback Roy Ramirez to Split End Jimmy Harris. This also occurred in the fourth period.

In leading the Mustangs to the near-upset, McMeans carried the ball 23 times for an amazing total of 227 yards.

Bovina received the opening kickoff, returning it to their own 32-yard line, and picked up a pair of first downs before losing possession on the Farwell 41 via the fumble route. The Steers methodically went in from there to score and it looked like it might be a long night for the underdog Mustangs. The 49-yard drive required 10 plays and Mark Williams' scoring effort came with 6:30 remaining in the opening quarter.

On the following kickoff, Mike Beauchamp made a great return. He fielded the kick on the Bovina 12 brought it back to the Farwell 47, giving the Mustangs their biggest hope of success up to that point. McMeans made five then to the 42 and Fullback Royce Sisk raced for 11 and a first down on the 31. Sisk made two more and McMeans seven for a third and one situation at the 21. The next play lost four yards and the fourth down effort went for no gain and the Steers took over on downs on their own 26.

Farwell made the second touchdown in nine plays and the 74-yard distance was covered by the running of Gary Erwin

and the passing of Quarterback Greg Hargrove.

The Steers' third scoring effort got a boost from a 15-yard roughing-the-kicker penalty. The Mustangs dropped the Steers for two consecutive losses totaling 19 yards and had them stopped and forced to punt on their own 46-yard line. Danny Prince kicked the ball, but was fouled in the process. The penalty gave the Steers a first down and put them in business on the Bovina 31. From there, Erwin slammed for 16, then six and Barry Williams went into the endzone from nine yards out for the tally.

There was no way to realize it at that point ---- 8:39 remaining in the second quarter -- but the Steers were almost finished with their offensive output for the evening.

After that, it was Bovina's ballgame.

McMeans returned the following kickoff from the 15 to the 32. After a seven yard loss, McMeans blasted for 37 yards and two first downs in three carries, putting the ball on the Farwell 38. Beauchamp got two more and Sisk added a like amount to the 34. A 15-yard penalty there moved the ball back to the Bovina 49, but McMeans, running with determination, broke loose on the first play from that point to put the Mustangs on the scoreboard, making the count 20-6. Harris' kick boosted it to 20-7 and that was the way it stood as the teams took the halftime rest break.

They fought on even, scoreless terms in the third period. Late in the stanza, the Steers launched the drive which was climaxed by Wiman's field goal which came on the second play of the fourth period. The drive started on the Farwell 26 and

featured a 53-yard pass play from Hargrove to Dean Stovall that moved the ball from the Farwell 35 to the Bovina 12. Three plays then earned the Steers six yards and, faced with a fourth and four situation at the Bovina six, they elected to go for the three-pointer. Wiman's kick was low, but true, boosting the visitors' point total to the 23 total.

The teams then traded intercepted passes in Farwell's end of the field. McMeans got Bovina's interception and returned to the Farwell 14. Three running plays netted only three yards. On fourth down, Ramirez threw hard and low into the endzone and Harris latched on to the pigskin. That boosted the score to 13-23 and it stayed that way after Ramirez' running attempt for the two extra points failed.

On the Steers' next possession, they drove to the Bovina 20 before penalties and tough Mustang defense bogged them down. On a field goal attempt, they suffered a five-yard shove back to the 26. Then, on a fake pass play, they were penalized 15 yards, back to the Bovina 41.

From there, they decided to punt. Tony Foster returned the kick from near the goal line to the six yard line.

On the first play from that point, McMeans burst loose on his electrifying 94-yard run. After breaking into the clear, he outran a pair of defenders to touchdown land. That jacked the score up to 19-23 and there was still 4:21 remaining to be played in the game. McMeans attempted to run across the dual extra points, but was dropped short of the goal line to leave the score unchanged.

The fired-up Mustang defense forced the Steers to give

up the football after only three plays following the kickoff. Bruce Caldwell received Prince's punt with a fair catch on the Bovina 27 and the Mustangs had 2:30 left to get the go-ahead TD.

With time now a factor as well as the bluesuited-defenders, Sisk made one and then Ramirez lost five as he was tackled trying to pass. Then on third down, Ramirez threw long to Stuart McMeans, who made a great catch and a 33-yard gain at the Farwell 44. McMeans then barreled for five to the 39, Ramirez threw to End Bobby McMeans for seven yards and a first down at the Farwell 32. There was less than a minute left to play as McMeans made two yards in two carries, a long pass went incomplete and Beauchamp gained three yards to the 30 yard line. The ball went over on downs at that point and the Mustangs' Cinderella hopes were forced to wait for another 12-month period.

In addition to McMeans' 227 yards, Sisk carried 10 times for a total of 31 and Beauchamp netted three yards in eight carries.

Ramirez completed three of eight passes for a total of 51 yards gained by the aerial route.

For Play --

Junior Class In Rehearsals

"Hillbilly Weddin'" by La-Roma Greth is in the midst of rehearsals and will be presented by the Junior Class at 8 p.m., Saturday, Nov. 22, in schools auditorium.

A comedy in three-acts, the play depicts a hillbilly family and their problems in getting their daughters married. It is under direction of Mrs. Janie Sudderth and Bill Nicholas, class sponsors.

The cast includes Royce Sisk as Paw Belsnickle, a typical lazy hillbilly; Becky Jacobs, Maw Belsnickle who can alternately whine and demand; Debra Kirkpatrick, Juney Lou, 16-year-old daughter; Susie Ritchie, Bonnie Mae, 18-year-old daughter; Debra Spicer, Ceelle, 19-year-old daughter; Carolyn Cox, Four, 14-year-old daughter; Derynda Thompson, Five, 13-year-old daughter; Brenda Newbrough, Six, 12-year-old daughter;

David Dixon, Ronald Maxwell, medical student; Deborah Hawkins, Lucy Maxwell, his aunt; Doyle Merrell, Obey Up-schlager, 18-year-old neighbor; Ken Moore, Chiz Upschlager, Obey's 17-year-old brother; Tony Foster, Cousin Zeke, a Belsnickle relative; Greg Bell, Reverend, the Valley's only minister; and the cousins, Mike Beauchamp, Mike McMeans (ring bearer), Jennifer Cockerham (flower girl), Mike Hough, Doug Thompson, Alan Dilger, Gary McCormick and John McLean.

The cousins also serve as musicians and stage hands. Sheryl Moore is the directors' assistant; Debra Nuttall, Carissa Englant, Sandra Bowman and Elevena Garza are in charge of publicity and tickets; Meloney Marshall is production manager with Loy Christian and Holly Davis as assistants.

touchdown run. Tony Serna ran the extra points for the Bovina team to go ahead 16-8.

Artie Kunselman covered a Farwell fumble and the Bovina team was again in business. Serna made the final tally for the one-yard line and extra points attempt was no good. The entire team did a good job on defense, Coach Nicholas said.

With one game left, the eighth graders boast a 7-0 record. They have scored 202 points, compared to their opponent's 42.

Farwell began the scoring in the "B" game in the first quarter with a long pass and successful extra points.

The Colts got on the scoreboard in the second stanza on a 20-yard pass play from Mike Hough to Tom McCormick. Extra points were no good and the half ended 7-6.

The third period of the game was scoreless.

In the fourth quarter, Bovina fumbled a punt and Farwell covered, setting up a touchdown. The score was made on an eight-yard run. Extra points failed.

Coach Roger Ezell, speaking of the first loss for the "B" squad, said the Colt defense was good, making few mistakes. Actually, the game was probably lost on too many turnovers in the second half, due to fumbles and bad snaps.

The "B" team ended its year with a 5-1-1 record, including a tie with Muleshoe.

The seventh graders played behind the best offense line of the year, Coach Truck Lust said.

Bovina was the first to score on a four-yard play with Guadalupe Espinoza crossing the goal line in the first quarter. Extra points failed.

Farwell added a touchdown and two extra points, also in the first quarter, to lead 8-6.

The remainder of the game was scoreless. However, Bovina penetrated to Farwell's four line and lost the ball with only inches needed for a first down.

Bovina held the young Steers on a threat later in the game, blocked a fourth down punt, but failed to gain possession. Again Farwell was held and the ball went over on downs, ending the threat.

Defensive players did a good job for Bovina seventh graders,

Lusk said. He also cited offensive center Robert Tienda and Quarterback Alton McCormick for an outstanding game, making no bad exchanges.

Agenda Small At School Board Meet

Little business was on the agenda at the monthly meeting of Bovina Independent School District board of trustees Monday night.

Miss Joyce Adams was approved by the board as teacher of English and speech in high school.

The resignation of Mrs. Patricia DiCuffa, teacher of the same subjects, was accepted.

An audit report is currently being made by Cornell and Company of Amarillo. It is expected to be studied at the next meeting of the board, which will be in December, L. F. Jacobs, superintendent, said.

Board members inspected the new equipment which has been installed in the vocational agriculture and industrial arts department.

Bookmobile

The High Plains Bookmobile will be in Bovina from 12 noon until 3:30 p.m. Thursday, Mrs. Lorene Sooter, librarian, announces.

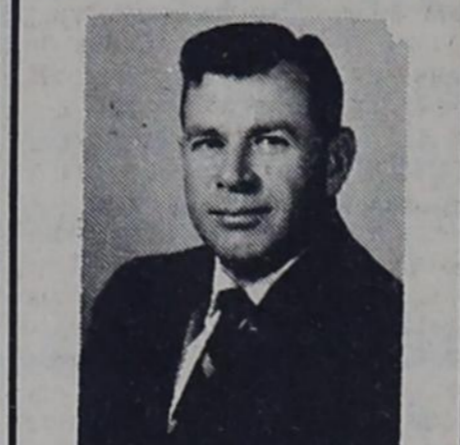

That same day West Camp will be visited from 9:15 until 10:15 a.m. and Lariat from 10:30 until 11:30 a.m.

If the hat you bought was the wrong size...

you'll know it.

But what about buying fertilizer?

Applying the wrong fertilizer formulation won't show up as fast as a hat that doesn't fit. It might show up only as less hearty growth than you'd expected. Harvest could produce just under your original goals.

But there's a way to know. A CO-OP Soil Test.

Fertilizer needs are different because no two soils are alike. Careful soil testing is the only way to know exactly what is needed. Your CO-OP is ready with whatever it takes... the exact combination of nutrients to produce profits.

When you're buying fertilizer, there's a way to know what is exactly right. As sure as a tape measure in a clothing shop, a CO-OP Soil Test.
