### AN EFFECTIVE HOME MADE KIDNEY AND BACKACHE CURE

### Easily Prepared .Medicine Which Is Sald to Regulate the Kidneys and End Backache.

To make up enough of the "Dande-Mixture" which is claimed to be a prompt cure for Backache and Kidney and Bladder trouble, get from any good Prescription Pharmadist one-half ounce fuid, extract Dandellon; one ounce Kargon Compound and three ounces Compound Syrup of Sarsapa-rilla. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime.

Those who have tried it say it acts gently: but thoroughly on the Kidneys and entire urinary system, relieving the most severe Backache at once.

A well-known medical authority recommends the prescription to be taken the moment you suspect any Kidney, Bladder or Urinary disorder or feel a constant dull Backache, or if the urine is thick, cloudy, offensive or full of sediment, irregular of passage or attended by a scalding sensation; or for too frequent urination during the night.

This is a real harmless vegetable mixture which could not cause injury to anyone and the relief which is said to immediately follow its use is a revelation to men and women who suffer from Backache, Kidney trouble or any form of Urinary disorder.

This is surely worth trying, as it is easily mixed at home or any druggist will do it for you, and doesn't cost

States is 23 cents per ton per mile. As a producer the farmer gets the same price for his products whether hauled over good roads or had roads, and as a consumer the farmer pays the same price for merchandise whether he hauls it over good roads or bad roads. The farmer receives the bene-fits of good roads, but pays the penalty of bad roads. The Texas farmer in 1908 raised

8,000,000 tons of products. It cost approximately \$17,000,000 to haul these products to town. By improving our public highways to the government average we can reduce the cost of transportation one-half and save \$8,000,000 per annum.

Mud Road Tax \$8,000,000 Per Annum. STATESMAN'S EMBARRASSMENTS

The Texas farmer pays in State and county taxes, all purposes, \$7,000,060 per annum, which is a million dollars less than the bad roads tax. Th money paid to support of governmen continues to circulate; it is not destroyed. But the tax levied by the mud hole is lost as completely as if it were destroyed by fire.

### Pire Losses \$4,000,000.

The fires of Texas last year burned \$4,000,000 worth of property while the bad roads loss was \$8,000,000. Bad roads cause an unnecessary and areiess waste of time and money, increase Illiteracy, destroy society and encourage profanity in the Ommunity.
