San Angelo Fair

The San Angelo Fair and Carnival will be held this year from November 4th to 8th, inclusive. As usual, the railroads in the state are offering very low rates for this attraction, and any of our readers who wish to visit their kinfolks, cr want to take a look at the fairest portion of Western Texas, should avail themselves of this opportunity.

One of the fastest mile tracks in the South is located at San Angelo, and the racing this year promises to be first-class in every department. A fine agricultural display is assured, showing visitors what can be done in Western Texas in the way of farming, even in a dry year. The poultry exhibit is always a top notcher as this is a great poultry country. Then there is the carnival, motorcycle and cowpony races, foot ball matches, kennel show, flower show, and the handsome Woman's Building with all that interests the eternal feminines. BALL GAME

Last Saturday, San Angelo's crack basket ball team, the "Nil Nisi Bonums," met our Sterling team on the campus of our high school and defeated them by a score of 15 to 16.

The San Angelo team was accompanied by Prof. Nunnally, and arrived at the Central Hotel about noon, where they were met by the Subscribers falling to ret their pa. Sterling girls. The hotel was bankper on time, will confer a favor by 1e- ed with flowers, and soon a splendid lunch was served to the visitors.

At 3:30, the two teams, with Prof Nunnally as referee and Prof. Colof violets and chrysanthemums are lins as umpire, were on the field. In being planted around the school the beginning of the game, the San building. This is a sign that our Angelo girls demonstrated what teachers are following the lines of training and experience will do, for progress and refinement in their they had played many matched work, and one day this splendid games with strangers and the pressentiment will be magnified and re- ence of the crowd had no terrors for flected to the world by the girls and them. On the other hand, some of it was their first matched game; but when they finally steadied themselves they had the game going well their way.

> It was a fair, clean game all the way through, and Prof. Nunnally and the San Angelo girls made friends of us all.

In reporting the game the San Angelo Daily Standard said:

SCHOOL NOTES

We have, up to date, an enrollment of 181 pupils.

The school has made some decided progress in several ways. Three material advancements have been the library, the labratory and the

irrigation plant. The total cost of the labratory is above \$90, while the campaign opened up with the purpose of raising only \$60. The apparati cover State requirements, and are of the best quality. The desk is the best that can be had anywhere.

One hundred dollars worth of books, including those secured by the fifth, sixth and seventh grades in the recent contest, have been added to the library. A little more expense will make our library one of the best in west Texas.

The windmill tower is on the ground, and the necessary tank, piping, etc., will soon be installed. Immediately following, there will be grass, flowers and trees provided for the campus. Through the School Improvement Society, a request has already been made to the Universi-

Athletics are becoming very popular, especially basket ball, as the recent game made plain. It is helping wonderfully in the school life. Make your dollars have more The boys are practicing for a cents at Lowe & Durham's counters basket ball game soon.

CRAFTY HUSBAND.

An arcade shopkeeper tells us that a well-dressed man of about forty came into his place the other day and asked to see some chafing dishes. He didn't care for the first one shown him, nor the second. "Let me see some and McGoogin and Schultz is today's nicer ones-more expensive," he said. battery for the home team." So some very flossy ones were shown him, but still he was not satisfied. "I want a chafin dish that is extremely showy," he explained. "Some-
