THE U.S. CONSTITUTION'S 22nd amendment has been much in discussion in recent months. That is the one which limits a president to two terms.

The amendment was brought about after Franklin D. Roosevelt was elected to four terms. Republicans pushed the issue through, as a guard against having "another Roosevelt" situation.

In politics, however, things don't always turn out the way they were intended. This year, some Republicans are wanting to repeal the amendment, so that President Reagan could seek a third term.

The amendment was ratified in 1951, some six years after Roosevelt's death. The first irony of the amendment, as far as Republicans were concerned, was that it prevented their popular president, Dwight D. Eisenhower, from seeking a third term. Many experts figure that if Eisenhower had been eligible to run, he would have gained a third term.

President Reagan has mentioned the Constitutional change, but has spoken of it in terms of working for the amendment's repeal once he leaves office. Some think that broaching the subject is mainly designed to delay the inevitable moment when he has to take on the role of a "lame duck" president.

Would President Reagan seek a third term if it were possible? The jury is still out on this question, and those close to the president say that first lady Nancy has indicated she doesn't want to share her husband with the country for more than eight years.

In order to get the 22nd Amendment repealed in time for it to affect the 1988 presidential race, it would take a whirlwind campaign. However, those favoring the move point out that the passage of the 26th amendment in 1971 (giving 18-year-olds the right to vote) was approved by the necessary 38 states in less than 120 days.

While it's true that there are senators who have been in office 40 years, it's not certain if Americans would be willing to give a presidential administration such an opportunity.

Maybe we need to strike a compromise, such as creating a six-year presidential term (and someone has suggested, with no provision for re-election). That might cut down somewhat on having to campaign while in office.

It is regrettable that as soon as a president is re-elected, the talk immediately turns to who will be his party's nominee in the next presidential election. But that's just politics, and whatever the rules, eventually you'd have this situation.

"What's sauce for the goose should be sauce for the gander," someone once said. The Republicans of the late 1940s and early 1950s, who pushed to get the 22nd amendment ratified, sure didn't think that some of their followers would be working to throw it out.

However, if it can be construed dangerous for a Democratic administration to perpetuate itself in office, looks from here like it should work the same way for the Republicans.

To Present Program

Mary Blinderman, the Southwestern Public Service Economist for this area, will be presenting a program at the First State Bank Community Room, Thursday, September 18 at 6:30 p.m.

The program will be presented at the time Weight Watchers usually meet each Thursday evening and the program will be on how to prepare fish for good eating.

You do not have to be a weight watcher to attend, everyone is invited and this should be an interesting evening for those who enjoy the delicacy of fish.

City Gets Sales Tax Payment

The City of Bovina received a check for \$1,398.91 in sales tax payments for the period ending August 29, 1986, according to State Comptroller Bob Bullock.

The check was down by \$409.37, or 22.6 per cent, from the check received for the same period for the previous year.

For the year, Bovina has received \$15,897.14 in sales tax payments. This is running 12.8 per cent behind the pace of a year earlier, when payments stood at \$18,241.38 at the same time.

Payments to the three Parmer County municipalities amounted to \$11,669.47 for the month, up from the total of \$10,709.34 of last year.

For the year, the three cities have received \$116,289.16. This is down 6.3 per cent from the total of \$124,101.59 at this time last year.

Bullock said the 1986 payments to date were down .5 per cent compared to payments to this date in September of 1985. The decrease in August and September check amounts reflects a downturn in the Texas economy, he said.

Blood Bank To Be Here September 19

The Coffee Memorial Blood Center, Inc. is sponsoring the fall blood drive, Friday, September 19 from 1-5 p.m. at the First State Bank Community Room.

Woodrow Wilson once said, "Nothing but what you volunteer has the essence of life, the springs of pleasure in it. These are the things you do because you want to do them, the things your spirit has chosen for its satisfaction...The more you are stimulated to such action the more clearly does it appear to you that you are a sovereign spirit, put into the world, not to wear harness, but to work eagerly without it."

Being a volunteer blood donor fills you with pleasure and the satisfaction of knowing that by sharing your good health, you have given some man, woman, young boy, or young girl a much needed second chance at tomorrow.

You are needed more than ever to make your blood drive a success. Please make plans to donate. Someone's life may be depending on your donation.

The meeting closed with prayer and refreshments hosted by Matilde Baca.

FOR SECOND GAME

BHS To Host Melrose Friday

The Bovina Mustangs will host Melrose on Friday, in the second game of the season for Coach Bill Talley's Mustangs.

The team had an open date following their opening game, and Coach Talley said the players seemed to enjoy having the extra time to prepare.

"We had a good week. We went back to basics. The players have a better understanding of things after having played a game. They have a good attitude. They worked so hard all week that we gave them the day off on Friday. You couldn't have asked for more," Talley said.

Melrose, like Bovina, has played just one game this season. The Buffaloes opened their season with a 26-0 win over Lazbuddie. Melrose also had an open date last Friday.

According to Talley, Melrose will bring a big, strong team to face the Mustangs this Friday. "They are a big play team--they are explosive--a typical New Mexico team," Talley said this week. Talley said the Buffs are well balanced between running and throwing the ball. "They have average speed, but they definitely have some talent," the Mustang coach said.

"We expect to play a good football game. Our players are hungry for a win. I think we'll make a run for it," Talley said.

The game begins at 8 p.m. at Mustang Field.

McCathern Rally Slated Thursday

The steering committee for Gerald McCathern's congressional campaign in Parmer County is inviting all of Gerald's friends to a political rally in his honor Thursday, September 18 at 7:30 p.m. at the Grade School Cafeteria in Friona.

A "Mexican Fiesta" supper will be served during the rally.

held in St. Louis, Missouri.

McCathern, a Texas Tech graduate in Petroleum Geology, operates his family farm in Deaf Smith County, Texas, and is recognized nationally as a leader in agriculture circles.

Besides serving on the Texas Grain Sorghum Producers Board, he has held leadership positions in the National Farmers Organization, the Texas Farmers Union, the American Agriculture Movement, the U.S. Feed Grains Council and in the U.S. Department of Agriculture as a Special Assistant to the Secretary of Agriculture.

The Farmers and Ranchers Congress has been established in an effort to bring representatives of farm groups from all across the nation together to address the farm crisis and to draft recommended agriculture legislation which will be presented to the U.S. Congress. Twelve hundred working farmers are expected to attend the Congress.

Society Has Dinner Here

The Guadalupana Society sponsored a dinner Sunday, September 14 and Mexican food was served to several area residents.

The ladies appreciate everyone who helped with the dinner and those who attended.

Pie Supper Is Slated

The Bovina Booster Club will sponsor an old-fashioned pie supper Friday night at the School Cafeteria following the ball game. Be there! It will be a good time to see friends and enjoy pie, coffee and milk.

The Booster Club meets every Tuesday night at 8 p.m. at the boys' locker room in the High School. Everyone is invited to attend.

HAVE BIRTHDAYS...Bessie Trimble and Joe Looney were honored by the Bovina Senior Citizens for having birthdays in September. The couple was feted at the monthly meeting of the organization this week.

Letter To The Editor

Dear Scooter,
Even though I don't live in Bovina anymore, I couldn't help being a "proud grandmother," so I am enclosing a little article from our church paper here in Irving about Nancy and Erick's children.

(Congratulations to...Jeff and Russell Perkins. They were named to "Who's Who Among American High School Students." Only five per cent of all juniors and seniors in the United States receive this honor. Their sister, Sharon, was named to the "National Dean's List" for American Colleges and Universities. Jeff is a senior at Irving High School, Russell is a freshman at Hardin-Simmons University and Sharon is a senior at Texas Woman's University. Erick and Nancy, we're proud with you!")

Sharon also served as a B.S.U. summer missionary in Mississippi this past summer. Nancy's family and I went to Mississippi on vacation to visit with Sharon.

I am really enjoying living down here. There are so many things to see and do. And it's great fun to live where "Cowboy Fever" originates from. They are as excited down here over the Cowboys as they are over at Hereford about football! I am planning to visit out there in a few weeks so I can see some football games. I want to see the sophomores at Hereford play because Don's son, Brent, plays with them and of course I want to see Hereford and Farwell play. Having two head football coaches for sons makes a lot of teams to keep up with, but sure is fun.

I hope to get to see a lot of Bovina people while I am visiting in that area.

See you before too long,
Bobby Cumpton

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 4, 1986

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 15 proposes a constitutional amendment that would permit the legislature to provide by general law for the apportionment of the value of railroad rolling stock among the counties in which the property of the railroad is located for purposes of property taxation, and would delete the requirement that the Comptroller participate in making the allocation. To comply with both statutory and constitutional law, the apportionment currently is being made by the State Property Tax Board in conjunction with the Comptroller.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the legislature to provide by general law for the apportionment of the value of railroad rolling stock among counties for purposes of property taxation."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 33 proposes a constitutional amendment that would replace the constitutional requirement that the subject of a bill be expressed in its title with a mandate that each house of the legislature adopt rules of procedure that would require the subject of each bill to be expressed in its title in a manner that gives the legislature and the public reasonable notice of that subject. Determining compliance with the rule would be the responsibility of the legislature. Cur-

rently, a law is invalidated if a court finds its caption is defective. The amendment would provide that past and future enactments may not be held void on the basis of an insufficient title.

The amendment also would eliminate the suggestion that the state's laws be revised every ten years, and instead would provide for continuing revision of state laws.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment requiring each house to include in its rules of procedure a rule that each bill contain a title expressing the bill's subject, and providing for the continuing revision of state laws."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would permit the Legislature to authorize any county, city, town, or other political subdivision to use public funds or credit to pay insurance premiums on nonassessable life, health, or accident policies. Due to the prohibition in the constitution against the lending of credit and granting of public money, political subdivisions currently are prohibited from becoming shareholders in associations such as mutual-insurance companies, in which policyholders are shareholders. A nonassessable mutual insurance policy does not allow a company to raise capital by assessing the policyholder an extra amount on a pre-

Scooter's Scoops

By Scooter Russell

About nine-tenths of an inch of rain fell on the Bovina area last Saturday night. This amount about doubled in the Friona area and roads were under water for several miles north of Friona for some time, according to our highway man, Tiny Moore.

Congratulations to our contest winner in the football contest. First place went to Scott Sudderth,

second place was a tie between Bud Venable and Brad Lance.

Cecil and Jessie Sisk moved last week to Woodland Park, Colorado. Their son, Royce, lives in Woodland and Jessie said they would be several miles closer to their daughter, Judy and her family, who live in Minnesota. The Sisks have lived in the Bovina and

Friona areas for many years and will be missed by their many friends. We wish them lots of happiness in their new home.

Elton and Marie Venable went to El Paso over the weekend and visited with their daughter and family, Margaret Jo and Owen Moore and sons, Neil and Logan. Marie said the boys were in school and both enjoying playing soccer, the main sport in El Paso. Marie said it came a nice rain on Saturday night. They returned home on Sunday.

We still have a few of Carol Ellis' cookbooks on sale here in the Blade office. These are the best cookbooks anyone has ever published, in my opinion, and if you have one in your possession, I am sure you will agree. They contain "old favorite" recipes from area pioneers. These are on sale for \$8.00 and Christmas is just around the corner.

Recent visitors in the home of Buck and Freda Lloyd were their daughters and granddaughters, Penny and Jodi Lawlis of Amarillo. They brought a batch of cookies to Buck for his birthday.

We received a nice letter from Bobby Cumpton this week and it is printed in this week's issue. She sounds very happy in her new home at Irving, near her daughter Nancy and her family. Bobby and her husband, the late Allen Cumpton, lived in Bovina for many years and raised their family here. They have a lot of friends here and we miss Bobby, but glad she's happy and well in her new home. I wanted to share her letter with you so you could know that she's having fun.

We congratulate Earl and Lee Stevenson on the birth of their third great-grandchild. Azlynn Lee. She is the daughter of Ginny and Darrel Fouts of Alexandria, Louisiana. She was born August 2.

Jessie Woltman recently attended the Hodgkin family reunion, held in Brownwood at the Christian Retreat. All but one of her brothers were with the family and the missing brother passed away one week following the reunion. Jessie had visited with him about two weeks prior to his death. He was Fred Hodgkin of Rule, Texas, who suffered a fatal heart attack. He was survived by his wife, two sons and five grandchildren.

Jessie said there were 29 who

attended the family reunion and her brothers, sisters and spouses were: Mr. and Mrs. Roy Hodgkin of Abilene, Mr. and Mrs. Joe Jordan of Eules, Mr. and Mrs. Chester Hodgkin of Haskell, Mr. and Mrs. E.E. Booe of Graham, and Mr. and Mrs. Elvin Kenny of Rule. Several nieces and nephews attended.

Correction: Among Methodist Church revival singers last week were Tom and Debbie Mills of Amarillo.

Anne Corn is out of the hospital where she underwent surgery in Amarillo. She is back at work and feeling fine. Her husband, Charles, underwent back surgery in an Amarillo hospital on Wednesday of last week. He is home and getting around a little. He also underwent back surgery two years ago.

Lester and Flossie Rhinehart have had lots of company. Their daughter, Zelma Jones of Yuma, Arizona and their niece, Barbara Hansen of Salt Lake City were in Bovina for a few days. Also visiting were their grandchildren, Becky Care of Glenrock, Wyoming; Summer, Sedawn and Ryan Roberson of Rosemead, California. The family attended the Sisk family reunion, held in Alvord, Texas.

Last Saturday, the Rhineharts made a quick trip to Glenrock, Wyoming and took 5,000 books that had been published in Amarillo for their daughter, Sandra Malone, who is author of the book entitled, "Candy Cane Christmas." 10,000 books have already sold. Flossie said she had almost finished with another book.

Velma Grisham went to the Plains Baptist Assembly at Floydada last Friday where she led the Baptist Women's Conference with about 40 women attending.

Irma Bradshaw went to Enloe, New Mexico Encampment where she was a part of a group of fifteen people who helped to repair the

dorms in the Llanos Altos Association.

Arlene Smith of El Paso was in Bovina last week to attend her parents' 25th wedding anniversary and her brother Kevin's wedding.

Alice Stone is a patient in the Clovis High Plains Hospital where she is having tests run. Monday we talked to her and she said there is a possibility that she may have to have back surgery.

Darrell and Ginny Fouts of Alexandria, Louisiana, are parents of a baby girl, Azlynn Lee, who was born August 2, and weighed nine pounds, eight ounces.

Grandparents of the child are A.T. and Betty Fouts of Littlefield, and Lexi and Robert Mitchan of the Dallas area.

Great-grandparents are Earl and Lee Stevenson of Bovina.

I hope you saw the pretty color picture of the football boys in action on the front page of the Amarillo Sunday News' Sport's Section. One of those boys is the grandson of Dorothy and Joe Harris and plays for the Palo Duro Dons. He is Roger Harris,

son of Carl and Kathy Harris.

The game was between the Dons and Austin LBJ. The Dons won and the score was 28-3. The article quoted the coach as saying, "Roger Harris, I thought, played an excellent game. We use him in our 5-3 defense, and he's got the quickness and good range for it."

Everyone knows how Dorothy Harris loves football and it's only natural that her grandsons would have it in their blood. By the way, Roger is only a junior in high school and looks as though he has a good future ahead of him in football.

Effie Sheppard suffered a stroke a week ago last Saturday. She was taken to the West Plains Hospital in Muleshoe and later transferred to St. Anthony's Hospital in Amarillo where she remains a patient.

Out on the JOB

WATCH UP FOR POWER LINES

Out on the job, power lines bring needed electricity to the site. But they can be dangerous... if you don't watch up! You need to be especially careful when you are handling re-bar, pipes, scaffolding, or tools that are long enough to contact overhead lines. Contact with power lines is also a potential danger to operators of front-end loaders, dump trucks and any other equipment of unusual height.

Keep an eye up for power lines. Watch up, for safety's sake.
