THE NEWSPAPER THAT WORKS FOR A BIGGER, BETTER BOVINA

VOL. 27, NO. 39

BY BILL ELLIS

THE FIRST LEG of "Election Year '76" will be unveiled here Saturday, with the annual city and school elections.

We have stated before that 1976 bids to be an interesting election year, and apparently there will be more than average interest in the local elections.

A check on Tuesday revealed that there had been 33 absentee ballots cast in the school board election, or more than three times the number cast at about the same time a year earlier.

Contested races always help the interest in local elections. With a heavily contested ballot on the county and district level, next month's primary elections also should make for a good voter turnout.

+ + + +EVER GET THE FEELING that you're losing control? That your very lifespan is in the hands of congressmen and scientists who don't even talk the same language? You are not alone. Anybody who keeps up with things these days is learning more about mortal peril than he really cares to know. To be informed is to be afraid to breathe, eat, go to work or take a cigarette break. Never mind worrying about atomic overkill...or the big quake that's going to get us all. The way things look now, we probably won't live that long. Carcinogens or carbon exhausts will get us first. That's the gist of the latest bulletins coming at us from Congress and the National Cancer Institute. They're not exactly loaded with news calculated to lift the spirits. Let's take Congress. first. You might not have come across the reports--buried somewhere under the stories about Reagan's "electability" and Jimmy Carter's teeth--but our legislators are wrestling with the pesky problem of pollution. Again. Come spring they are going to have to decide what to do about cleaning up our dirty air. And they are not exactly crashing into the fray with glad cries of enthusiasm. Back in 1970 it was different. Cleaning up the environment was a glamour thing then. Everybody from the President on down joined in to blast automobile assembly lines and industrial smokestacks for filling the air with unbreathable brown gunk. In a burst of righteous enthusiasm, Congress passed the Clean Air Act, set up the Environment Protection Agency and told the auto industry to have everything cleaned up by 1975.

City, School Polls Open Saturday

To Elect Mayor, 3 Councilmen

A mayor and three councilmen will be elected for the City of Bovina as residents here go to the polls Saturday.

Polls will be open at the American Legion Hall from 7 a.m. to 7 p.m. that day, according to J.E. Sherrill, election judge.

Mrs. Elton Venable and Mrs. Joe Jones will serve as clerks in the election.

The terms of Mayor Tom Bonds and Councilmen Dickie Clayton, Durward Bell and Bedford Caldwell expire this year.

Bonds is unopposed in his bid for re-election to his second two-year term as mayor. Although only four men are on the ballot for the three council positions, a write-in campaign for Radford Venable, a service station operator, was developing early this week.

Seeking re-election to the council are Clayton and Caldwell. Bell chose not to file for re-election. Others on the ballot are Vernon Estes, a former councilman, and Stanley Klimek.

Clayton, Caldwell and Estes are farmers, Klimek is office manager of Parmer County Cattle Company and Bonds is owner-operator of Bonds Oil Co., the local Gulf distributor. Holdover members of the council, with one year remaining on their present terms are Billy Whitecotton and Ken Horn. Whitecotton is co-owner of Bovina Supermarket while Horn is manager of Horn Insurance Agency.

In absentee voting, which ended Tuesday, Mary Ruth Martin, city secretary, reported that 10 ballots had been cast as of noon Tuesday. The absentee balloting ended at 5 p.m. that day.

Those casting ballots in the city election must be registered voters and reside within the city limits of Bovina.

Two Trustees To Be Elected

Well, here it is 1976, and everything is not cleaned up. That's because a lot of things happened.

Predictably. Detroit screamed it couldn't be done and wangled delay after delay. And finally came around to the catalytical converter, which (surprise) scrubbed up the air considerably.

Some states balked at enforcing pollution standards, decided the whole thing was unconstitutional and paralyzed the EPA by hauling it into court. Now the solution is up to the Supreme Court.

Meanwhile, folks discovered they didn't want clean air as much as they thought they did. Not after they found it meant trading the

FOURTH ANNIVERSARY....Billy Whitecotton, left, and Billy Smith, co-owners of Bovina Supermarket, check over their extra-large advertisement which features special promotions and sales prices

DUAL ELECTION

as the two men prepare to begin their fifth year of business here. The special anniversary sale begins tomorrow (Thursday) with promotional events continuing through Saturday.

4TH ANNIVERSARY

Bovina Supermarket Slates Observance

*

Bovina Supermarket will observe its fourth anniversary of business here tomorrow (Thursday), Friday and Saturday.

In addition to several promotional events those three days, customers are also invited to pick up new "jackpot" cards. Over \$9,400 in cash has been given away by Bovina Supermarket since the "jackpot drawing" began four years ago. This week's "jackpot" is \$100 and there will definitely be a winner, since all the cards will be new.

Customers are also invited to register for a "Mr. Coffee," which will be given away.

Billy Whitecotton and Billy Smith, veteran grocer and butcher in Bovina, purchased the former Super Saveway store on Main Street and staged the grand opening of Bovina Supermarket

AT BOARD MEETING

March 30, 1972. Two weeks ago, Whitecotton and Smith announced plans to construct a much larger building on the Dimmitt Highway. With over three times the present floor space, the business partners plan to combine the supermarket with a family center.

Additional items which the "new" business will offer customers include toys, sporting goods, gift items, hardware, sewing notions, party goods, cosmetics, cameras, watches, house plants and garden supplies. In addition to stock items, customers will also be able to make catalog purchases from the store. A lay-away plan will also be offered. Special anniversary promotions and prices appear in Bovina Supermarket's advertisement elsewhere in this issue of The Blade.

Voters in the Bovina Independent School District will name two trustees to the school board Saturday when the annual election is held in the main foyer of Bovina Schools.

Polls will be open from 7 a.m. to 7 p.m. with Leslie McCain serving as election judge. Assisting as clerks will be Don Murphy, Mrs. Henry Minter and Mrs. J.E. Sherrill. Four candidates seek the two

AT AUDITORIUM

positions on the board this year. The terms of Billy Smith and Edwin Lide expire.

Candidates are Jimmie Cockerham, Tom Ware, Leroy Mayfield and Lide. Smith, the other incumbent, is not seeking re-election to the board.

Cockerham, Ware, Mayfield and Lide, who is completing his second three-year term on the seven member board, are all farmers. The two candidates receiving the highest number of votes will serve three-year terms on the board.

Holdover members of the board are James Clayton, Leon Ware, Leon Schilling, Earl Whitten and C.C. "Cap" Naegle.

Clayton, Ware and Schilling each have one year remaining on their present terms, while Naegle and Whitten have two years remaining.

were Farwell, Kress, Hart,

Petersburg and Hale Center. Class

AA bands included Dimmitt,

Friona, Olton, Idalou, Floydada,

Littlefield and Lockney.

Band Concert Slated Sunday

Four bands will be presented in a Spring Concert at 3 p.m. Sunday in the Bovina Schools auditorium. Admission will be \$1.50 for adults

and 75 cents for students.

Joe Blatchford, band director, will conduct the fifth grade, sixth grade, junior high and Mustang bands in a series of popular music.

Everyone in the community is invited to attend the annual concert, the final program on schedule for this year.

+ + + +

Blatchford reported that the Mustang Band will be participating in the Invitational Music Festival in Carlsbad, N.M., May 6-7-8. The trip is in accordance with a policy established by the board of trustees last year, enabling the band to participate in a music festival every two years rather than every four years as in the past.

+ + + + The Mustang Band received a Division II in sight reading and a Division III in concert at the recent University Interscholastic League Contests at Wayland Baptist College in Plainview.

Concert judges were Lynn Low of

Cisco, Richard Crain of Belton and Bill Bradley of Big Spring. Bill Spencer of Abilene judged sightreading.

Other Class A bands competing

2-BLOCK AREA

Chain Barriers To Be Erected

A two-block portion of Halsell Street, which runs in front of the Bovina Schools, will be blocked off by chains in the near future in a safety measure designed to stop through traffic in front of the school, according to a report from City Marshal Mike Reilly this week.

Chains will be placed across Halsell on the south side of Avenue D, on the north side of the school property, and from the south side of Williford Gymnasium to the corner of the city park on Avenue F. Access to parking on Halsell in front of the school buildings will be through Avenue E and Avenue F, according to Reilly. The chains will be in place from 8 a.m. until 4 each afternoon during the school week. The chains are expected to be installed within the next two weeks.

Bovina Youth Injured In Auto Mishap

Roberto Quintana, three-year-old son of Mr. and Mrs. O.L. Quintana of the Bovina community, escaped with minor injuries when struck by a car about 12:15 p.m. Wednesday of last week. The accident occurred about five miles south and two miles east of Bovina.

Five Submit Resignations;

convenience of their private automobiles for car pools, buses or trains.

Even so, the White house says air and water are getting cleaner, but not fast enough. And it wants \$217.7 billion to hurry it along to 1983. That works out to around \$98 for every breather in the country.

Then in case anybody balked at the cost, the report dropped its bombshell: "up to 90 per cent of cancer stems from the environment."

Which brings us to the National Cancer Institute, which is flooding the nation with warnings that we are exposed to an environment drenched in chemical cancer-causers. Some scientists even say they're afraid we're building up to a "cancer catastrophe." (Continued on Page 7)

Other Contracts Re-Newed

The resignations of five teachers were accepted at a meeting of the Board of Trustees of Bovina Schools Thursday night of last week.

Those resigning at that time were Joe and Dora Blatchford, Robert and Juanita Kidd and Mrs. Pat DiCuffa. Wilson DiCuffa had submitted his resignation at an earlier meeting.

Mr. and Mrs. Kidd joined the faculty in 1963, teaching the sixth and fifth grades, respectively, since that time. Mrs. DiCuffa joined the faculty in 1965 as the high school English and speech instructor. She is the current resource teacher. DiCuffa has served as elementary principal the past seven years, teaching in elementary school two years prior to

becoming principal. Mr. and Mrs. DiCuffa will move to Fredericksburg where they have purchased a peach orchard. Blatchford, band director at Bovina Schools, and Mrs. Blatchford, high school math and government teacher, joined the faculty in 1973.

At previous meetings, it was reported, the board had extended the contract of Superintendent L.F. Jacobs for two years and given a new two-year contract to principals Gary Cox and Jim Noyes. Noyes is also a math teacher.

The school board voted to cooperate with the city in controlling traffic around the school campuses prior, during and immediately after school hours. (Note story elsewhere in this issue.) Also, parents and students are asked not to use the area behind the school to deliver or pickup students. "This is a play and bus loading area," noted Jacobs. Parents are asked to deliver and meet students at the gates at each end of the area or the gate by the old field house.

"This measure is designed to

protect students," noted Jacobs, "however, during extremely bad weather or emergencies, this area will be open to necessary traffic."

The board and city council will also cooperate in employing one or two people to assist students in crossing the Dimmitt Highway before and after school, especially at Ridgelea Elementary School. Anyone interested in working approximately 30 minutes each weekday morning and a similar time in the afternoon is asked to contact the city hall or Jacobs. In other actions Thursday night, the board voted to:

(Continued on Page 9)

The youngster was taken to the West Plains Hospital in Muleshoe where he was listed in guarded condition inte that day, however, he was released the following day with no apparent serious injuries.

Roberto was playing in the middle of the road, said Department of Public Safety officers, when he was struck by a car driven by Billy Johnson, also of Bovina. Johnson said the youngster must have been lying on the road because he didn't see the boy. However, he felt a bump when his vehicle passed over the boy, looked in his rear-view mirror and saw the child. No citations were issued.

PAGE 2, THE BOVINA BLADE, WEDNESDAY, MARCH 31, 1976

Musical Drama 'Texas' **Begins 11th Season**

1976 is the year for memories: flags whipping in the wind, bugles, horses galloping, washboards, axes, plains, cliffs, twilight, darkness, well water, chuck wagons.

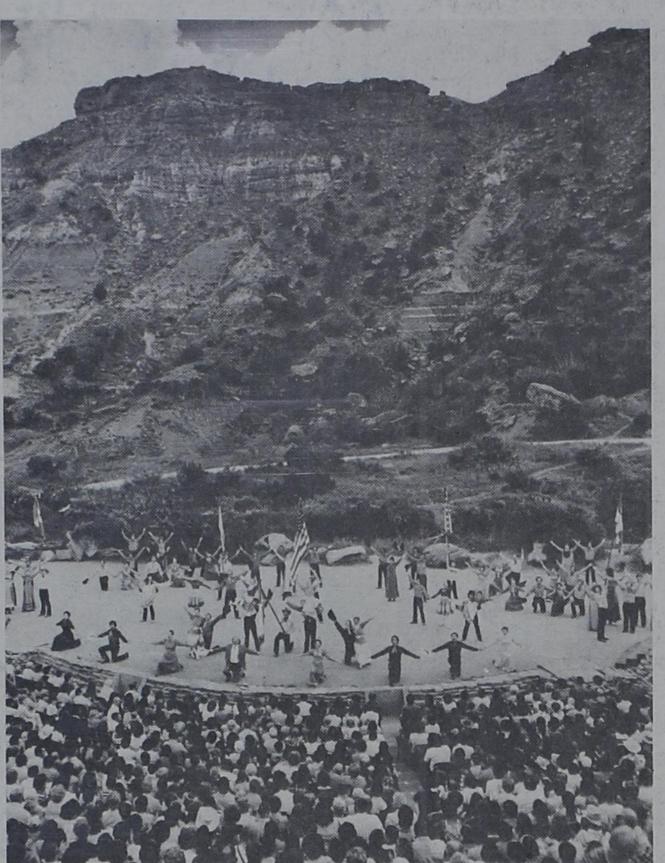

"Texas," the musical drama of Panhandle history, will sharpen these memories and help you to relive them from June 16 through August 21, nightly except Sundays. There will be a July 4th performance.

This will be the 11th season for the drama of Panhandle history. It will be the 11th year when visitors will have a chance to know the year that the trains came here. It will be the 11th year when lightning strikes each evening at 10 and the 11th year when prairie fires sweep across the stage in the persons of whirling, mounting, flame-robed dancers.

Over three-quarters of million people have seen "Texas," 92,000 of them came last year.

The theatre for the production lies on the floor of a thousand foot canyon in the Palo Duro Canyon State Park. It is a 45 minute drive from the five interstate highways which cross in Amarillo, from an airport serving five airlines and from two transcontinental bus lines.

The location is awesome, a place of great beauty. The barbecue dinner on the grounds, the welcoming western hosts and hostesses, the movement and color and intensity of the music and

10 YEARS AGO-MARCH 30, 1966 Voters of Bovina Independent School District go to the polls Saturday to express themselves for or against a \$600,000 bond issue.

If the funds are approved by a majority of the voters, they will provide for expansion and improvements to school facilities. The program is planned for the next five years and is designed to fill the needs of the school from a facility standpoint for the next 10 years.

A musical variety program to benefit Bovina's Clinic Fund is scheduled here Saturday night. Talent from throughout the area will appear on the program.

Featured will be the Slumtown Symfunny of Lamesa, a popular musical crew which has appeared throughout the area.

For the third consecutive year, the Bovina Bladettes are champions of the volleyball touranment here. Winning first place in the men's division was The Farmers, sponsored by Sherley-Anderson Grain Co.

+ + + +5 YEARS AGO--MARCH 31, 1971

Bovina's 11th annual Chamber of Commerce and Agriculture Banquet will be held Thursday night in Bovina Schools Cafeteria. Reagan V. Brown of Texas A&M University will be the speaker for the event. A check for \$2,425.59, Bovina's first dividend from the city sales tax which went into effect Oct. 1 of last year, was received from the state comptroller's office last week.

Forty-nine students and three sponsors from the Bovina Elementary School attended a Young People's Concert in the Civic Auditorium in Amarillo recently. Merrill Green, head football

Hutto won first and set a new school record of 52.1 in the 440-yard relay. Spicer, Griffith, Hutto and Ruby Harris set a new school record of 1.51 in the 880-yard relay and Debra Nuttall set the school record in the 80-yard hurdles with a time of 12.6.

Services Held For Brother Of **Bob Fillpot**

Funeral services for Jimmy Ray Schubert, 43, of Amarillo were held Tuesday afternoon in the Schooler-Gordon Colonial Chapel with Rev. Dale Cain, pastor of Temple Baptist Church, officiating. Burial was in Llano Cemetery. Mr. Schubert was a step-brother of Bob Fillpot of Clovis, a former long-time Bovina resident.

Mr. Schubert, who died Sunday, was a native of Childress and had lived in Amarillo 20 years. He was a disabled veteran from the Korean Conflict. Mr. Schubert was a member of Temple Baptist Church.

Other survivors include his wife, Patsy; two sons, Randy and David, and two daughters, Tammy and Kerri, all of the home; his parents, Mrs. Irene Fillpot of Amarillo and Lewis Shubert of Sulpher Springs; two other brothers, Charles Fillpot of Amarillo and Tommy Schubert of Amarillo; and five sisters, Mrs. Carol Cooley, Mrs. Linda Koenig, Mrs. Elsie Long and Mrs. Jo Ann Williams, all of Amarillo, and Mrs. Nadene Bettis of Lubbock.

dance and drama in the show will intensify old memories and add new ones.

(Continued from Page 1) We are suffering, apparently, from "terminal technology."

Something in the air we breathe, the food we eat, the water we drink, the places where we live and work--causes cancer.

This gets Nature off the hook. Instead of searching for a mysterious something built into the body. that makes cancer just happen, the test-tube boys are wondering if chemicals could be the culprit.

They've already identified cigarettes, asbestos, vinyl chloride and red dye No. 2 as known carcinogens. Now they're working on more than 500 other chemicals they think suspicious.

Trouble is, it's going to be a while before we find our much of anything for sure. Just testing one chemical takes four years--and costs \$100,000. And then there's the 20-year rule: sometimes cancer can turn up from something we were exposed to 20 years ago.

Not only that, humans are breathing, eating and working with many different chemicals at the same time. But scientists have evidence that some compounds which test our harmless by themselves turn into cancercausers when they're mixed together.

And there's no way anybody can play detective on that one.

Looks like we'll have to update the old lament: everything that's any fun is either illegal, immoral, fattening or fatal.

Farmers tend to be pretty tough customers. They want to get everything they can out of every nickel they spend. And that's good Because the tougher they get the more likely they are to use Gifford-Hill's irrigation equipment.

There are two very good reasons for that.

One, we can give them the best engineered irrigation equipment in the country. Our history has proven that.

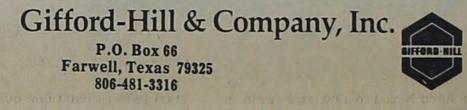

And two, we can give the best service to take care of that equipment. Our history has proven that, too.

The fact is, you can only draw one conclusion. Whether you need a pivotal system, an underground PVC system, or an aluminum surface system, you just can't outdo us. And we don't think you'll ever be able to.

The Rangerettes

All you have to do is take a look at our past. That should give you a very good idea about what to expect in the future.

.....

Jerry Don Wood, 30, who farms in Hunt and Collin Counties was given the Rural Hero of the Year award Monday by the Texas Farm and Ranch Safety Council, at the 37th annual meeting of the Texas Safety Association in Dallas.

Millard Shivers, director of rural development for Blue Cross-Blue Shield of Texas and chairman of the Texas Farm and Ranch Safety Council's Rural Heroism Committee, presented a plaque to Wood. Wood was nominated for the honor by Chuck Cook, publisher of "The Caddo Mills Mirror" newspaper.

Wood was leaving the State National Bank of Caddo Mills on the morning of September 17, 1975, when he noticed two men entering the bank and saw they were wearing surgical gloves. As he looked back at the two, he saw them put on ski masks.

The young farmer ran to a nearby office and had a secretary

Current Comments

F rom....

H.M. BAGGERLY IN THE TULIA HERALD....The farmers' friendly Secretary of Agriculture has challenged the Agricultural Conservation Program!

Earl Butz told an audience in Iowa recently the program was simply "the rural Congressman's pork barrel....nine-tenths of this is a waste of money." The ACP Program makes matching grants to improve irrigation, prevent erosion, facilitate crop rotation, etc. The total amount of the conservation program is infinitesimal by today's federal spending standards, about \$175 million. call the sheriff's office in Greenville, 12 miles away. He then alerted other citizens. As the robbers fled, with the bank president's daughter as a hostage, they fired a shot at Wood. Another citizen shot out a tire of the getaway car.

Wood jumped into the back of a pickup driven by another citizen, and chased the robbers. Realizing they were in trouble, the robbers dumped their hostage a short distance from town. During the chase another vehicle tried to force Wood to stop the chase. The driver identified himself as a police officer. But, the chase was continued and the robbers were forced to abandon their vehicle. As the robbers started to run across an open field, Wood fired a warning shot at their feet. They immediately surrendered.

The man who earlier said he was a police officer turned out to be one of the group involved in the robbery, and on Wood's tip, he was arrested. The man turned out to be a former law officer. In all, four former lawmen were charged, and seven bank robberies were cleared.

School Board Meeting ...

(Continued from Page 1)

Approve the textbook committees' selection of new math and spelling books for grades one through six for the 1976-'77 school year;

Voted to set the second Monday of each month as the regular board meeting time, unless circumstances prevent such meeting at the scheduled time;

Voted to call a special meeting in the near future to discuss plans for a new school policy. This will be done prior to a meeting with legal advisors from the Texas School Board Association, who will assist in setting up policies to meet the needs of the local school system; Decided that any person, including school board members, must make a written request to the superintendent or school president concerning items on the board agenda;

Voted to take an annual inventory of school equipment and supplies;

Agreed that the agenda should

Voted to request the superintendent to give a report of student expulsions or suspensions at each board meeting;

Approved the selection policy of books for the high school library; And, re-hired all other teachers, coaches and teachers aides subject to assignment. All regular classroom teachers will continue to receive \$300 above state base, said Jacobs.

Faculty members who were re-hired at the meeting include Mrs. Icy Leer, Mrs. Vera Cox, Mrs. Pearl Hickman, Mrs. Diane Varbel, Mrs. Phyllis Steelman, Mrs. Patricia Turner, Mrs. Shirley Garrison, Mrs. Cathy Reilly, Mrs. Gwendoline Marcom, Mrs. Sandra Smith, Mrs. Patricia Evans, Mrs. Virginia Rhodes, Mrs. Carolyn Widner, Mrs. Carol Scott;

Also, Miss Lou Ann Baumhardt, Mrs. Sue Beene, Miss Audelia Serna, Mrs. Christina Quintana, Mrs. Lupe Garza, Miss Sue Monk, Miss Elsa Flores, Ladson Worley, Mrs. Anna Heflin, Mrs. Frances Willard, Mrs. Brenda Wilson, Mrs. Pat Jacobs, Rickey Smith, Miss Nancy Wooldridge, Mrs. Myrle Nelson; Also, Mrs. Carolyn Reeves, Mrs. Janie Sudderth, Mrs. Margaret Durben, Mrs. Gwen Corn, Mrs. Judy Seals, Lawrence Widner, Greg Marshall, Joel Nelson, Mrs. Terry Marshall, Mrs. Mary Ruth Snodgrass and Zane Reeves. Joe Christian, athletic director and head football coach, has one year remaining on his two-year contract.

THE BOVINA BLADE, WEDNESDAY, MARCH 31, 1976, PAGE 9

This is Americas Greatest Resource! TOM WARE WILL PROTECT THIS RESOURCE

VOTE FOR **TOM WARE** FOR SCHOOL BOARD TRUSTEE SATURDAY, APRIL 3, 1976

I have lived in Bovina all my life. I graduated from Bovina <u>Public</u> Schools. I have three children now attending Bovina "Public" Schools--two in high school, one in elementary.

The farmer lags behind other citizen groups in earnings even though today he is growing the crops which have enabled the nation to build a healthy surplus in international trade.

Yet Butz calls improvements of farm irrigation and prevention of erosion "a waste of money" and "the rural Congressman's pork barrel."

But, farmers, if you voted for Richard Nixon in 1968 and again in 1972, you're getting just what you asked for, just what you deserve! reflect the specific nature of closed meetings for hiring or re-hiring personnel;

Voted to set the number of credits required for graduation at 60, based on the tri-semester or quarter system. This will be done by multiplying a student's credits he or she has earned or will earn this year by three, which equals one credit each quarter, according to Jacobs. To earn a full credit for a three quarter course, a student must pass at least one quarter and have a passing average of all three quarters;

I am willing to devote time, thought, and study to the duties and responsibilities of a school trustee.

I BELIEVE:

- In quality education for all the children and youth of our school district.
- 2. That good education has always resulted from close cooperation of <u>public-minded</u> citizens, both within and outside the school.
- 3. That the people of this school district should have <u>All</u> the facts, <u>All</u> the time about <u>their</u> school.
- 4. That it is as important for the board to understand and evaluate the educational programs, as it is to plan for the business of the school operation.
- 5. In a <u>written</u> school policy being made available for all students, teachers, parents and the general public.
- 6. All students should be completely informed on school policy

<section-header><text>

- * Qualified, Experienced And Knowledgable Of Being An Effective Board Member.
- ★ Willing To Devote Necessary Time To Planning And Directing The Education Of Our Youth.
- * Sincere Desire To Serve Our Youth And Community.
- * As A Parent , I Know The Worth Of A Child And His Education.

ALL-STAR TEAM....Members of the 9-10 Bovina Little Dribblers' All-Stars will meet Kress at 3:30 p.m. Thursday, April 8, in the regional tournament at Dimmitt. Announced last week, members of the team are, front row from left, Armando Espinoza, Justin Powell, Toby Dutton and Kevin Jameson; middle row from left, Mark Clayton, Jose Gomez, Bobby Robledo and Denver Redwine; and back row from left Ricky McKay (alternate), Richard Shepherd, Henderson Griggs and Charles Falkenberg (alternate). Coaches are George Powell, left, and Billy Johnson.

AT BORGER

Fillies Place Third At Bulldog Relays

Bovina's Fillies, with 76 points, came in third in total points at the Bulldog Relays Saturday at Borger. The Fillies finished behind Perryton with 82 points and Tulia with 81 points.

Following the top three teams, other schools placed as follows: Amarillo Tascosa, 72; Amarillo third in the 220-yard dash with a time of 25.6 and Sandi Sides came in third in the 60-yard dash with a time of 7.3.

The 440-yard relay team, composed of Pam McCormick, Sides, Gilbreath and Diane Gilbreath, placed second with a time of 52.7 behind Palo Duro with a time of 52.1. The mile relay team of Sides, Gilbreath, Naegle and Gilbreath placed fourth with a time of 4:22.7, finishing behind Tulia, Kress and Perryton.

Ponies Place 6th At Borger Meet

Bovina Mustangs compiled 25 points in Division II of the Bulldog Relays Saturday at Borger.

DIVISION II

Boys Ranch took the team trophy with 190 points, followed by Panhandle with 112, White Deer with 73, Dalhart with 36, Texline with 35, Bovina with 25, Borger B with 17 and Shallowater with 16. Garnering points for the Mustangs in individual events were Clint Cox with a fifth in the 120-yard high hurdles with a time of 17.3;

Announce School Holidays

Classes will be dismissed at 2 p.m. Friday, April 9, according to Superintendent L.F. Jacobs. Teachers will be working that day on the school self evaluation committees.

The Easter holidays have been scheduled for Friday, April 16, through Monday, April 19, unless inclement weather before that time forces a change in the schedule, said Jacobs.

George Villarreal with a time of 2:17.4 for sixth place in the 880-yard run; and Tommy DeLeon with a second in the 330-yard intermediate hurdles with a time of 44.5.

The 440-yard relay team of Ray Martinez, Tommy Serna, Cox and DeLeon placed third with a time of 47.5 behind Panhandle and Boys Ranch.

The mile relay team of DeLeon, Villarreal, Serna and Robert Olvera placed fourth with a time of 4:22.7 behind Tulia, Kress and Perryton.

The Mustangs will be competing in a track meet Saturday at Springlake-Earth.

Farm Bureau Slates Beauty, Talent Contest

The annual queen and talent contests, sponsored by the Parmer County Farm Bureau, will be held at the Ridgelea Elementary School in Bovina Saturday, April 24, according to a spokesman at the Farm Bureau office in Friona.

To be eligible for the queen contest, girls must be between 16 and 22 and her family must be a current member of Farm Bureau. Any boy or girl whose family is a current member of the organization is eligible to enter the talent portion of the contest, however, it must be an amateur talent. Participants must be between the ages of 17-30 as of Dec. 1 this year. Deadline for entering either contest is Thursday, April 15. Persons desiring further information may contact Mrs. Ralph Roming in Bovina or Mrs. Milton Evans in Friona.

James Matthew Higdon is a

professional agronomist with

16 years of intensive exper

ence in growing hybrid corn

and sorghum in the South-

west. His full time responsi

pility is to consult with farm

ers about their grains and

silage growing problems.

LITTLE DRIBBLER ALL-STARS.. ..Bovina's LD All-Star team in the 11-12 age bracket will meet Littlefield at 7:15 p.m. Thursday, April 8, at Dimmitt in the regional tournament. Members of the recently selected all-star team are, front row from left, Scotty Johnston, Jeff Steelman, Jon Riddle and Dale Gilbreath; middle row from left, Victor Robledo (alternate), Daryl Hawkins (alternate), Charlie Trimble and Tad Mayfield; back row from left, Greg McClaran, Ricky Shepherd, Edward Chisum and Shane Walling, Daryl Kirkpatrick, at right, will coach the team, assisted by Doug Campbell, who was not present.

LL Sign-Up Deadline Is This Week

Deadline for turning in player applications for this year's summer baseball program is tomorrow (Thursday), reminds George Powell, league commissioner. The baseball program is sponsored each year by the Lions Club.

Application blanks for boys and girls ages six through 15 are available at Bovina Schools. Those interested may contact Wilson DiCuffa, elementary principal. Although the deadline is tomorrow for turning in application blanks, Powell says those who miss the deadline will still be able to play. The commissioner commented that he needed all the application blanks as soon as possible in order to begin working on a schedule and plan for the number of teams this year.

Men interested in coaching a team this summer are urged to

Palo Duro, 70; Pampa, 53; Olton, 27; Hereford, 26; Kress, 16; Guymon, 10; Borger, 8; and Shallowater, 5.

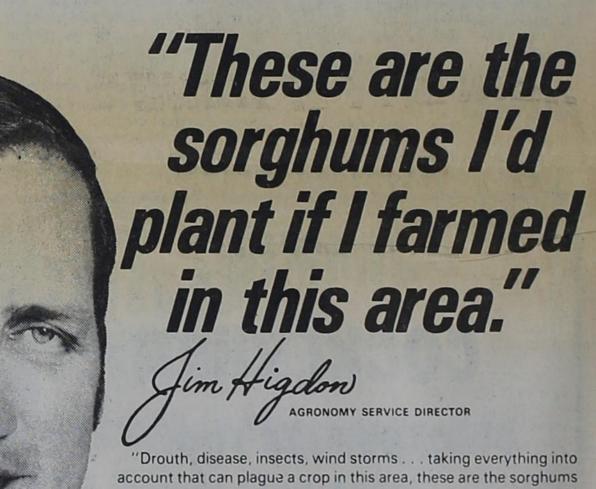

Pat Shepherd took two first places in the meet with a toss of 119-9 in the discus and a heave of 34-11¹/₂ in the shot.

In individual events, Dianna Naegle picked up a second in the high jump with an effort of 5-2, placing behind Lori Foreman of Guymon with a 5-3; a third in the triple jump with 34-3/4; and a third in the long jump with a leap of 16-73/4. Debra Gilbreath placed Next meet on tap for the Fillies will be Friday at Springlake-Earth. The district track meet for high school and junior high girls will be held Tuesday at West Texas State University in Canyon with the finals to begin at 2 that afternoon, according to Joel Nelson. Nelson, the Filly coach, is serving as meet director there. MONDAY-Steak fingers, buttered corn, creamed potatoes, hot rolls, butter, apricot cobbler, milk. TUESDAY-Fried chicken, green beans, creamed potatoes, toast, peanut butter cookies, milk.

WEDNESDAY--Chili over corn chips, red beans, cabbage slaw, batter bread, applesauce, milk.

THURSDAY-Hamburgers, lettuce, onions, pickles, tomatoes, French fries, brownies, peach halves, milk.

FRIDAY-Salmon patties, macaroni and cheese, English peas, hot rolls, butter, pear halves, milk. contact Powell as soon as possible. Also, business firms willing to sponsor or co-sponsor teams are asked to contact Powell.

I'd go with." It's my job to know which are the best varieties for each locale in the states of Oklahoma, Texas and New Mexico. For the last five years I've had Crop Information Centers, Standard Comparison Tests and Uniform Strip Tests in this immediate area. In these carefully controlled tests, I've evaluated most of the sorghum varieties a farmer might consider planting. I've had the same headaches and frustrations you've had. My plantings have suffered the same weather conditions, epidemics and infestations yours have.

> Based on these tests, there is no doubt in my mind what I'd plant in 1976 if I farmed hereabouts.

8311

8311 is a champion producer of high test weight, yellow endosperm grain. Pioneer introduced this golden bronze hybrid three years ago and it's been setting yield records in this area ever since. One reason is its ability to yield in the face of too wet or too dry weather, insects or disease. Another reason for the high yields is that 8311 tends to adjust its maturity to the growing season in a particular area. Whatever else you plant . . . put in some 8311.

An outstanding new yellow endosperm hybrid with about the same maturity as 846. This hybrid has a superior yield record. The plant has excellent roots and stalks. Heads exsert well above the flag leaf and are uniform in height. Pioneer brand 8501 has good tolerance to smut, MDMV, downy mildew and greenbugs. It performs well under stress and has semi-open heads that add to its good appearance.

A WORD ABOUT GREENBUGS

Tolerance to both greenbugs and maize dwarf mosaic **plus** high yield potential give these two sorghum varieties an economically significant advantage that you'll want to consider for your grain sorghum crop in 1976.

Performance of seeds or the crop produced therefrom may be adversely affected by factors beyond our control including environmental conditions, insects and diseases. The limitation of warranty and remedy attached to each bag of Pioneer brand seed is a part of the terms and conditions of the sale thereof.
