"In The Agricultural Center Of Parmer County"

THE NEWSPAPER THAT WORKS FOR A BIGGER, BETTER BOVINA

WEDNESDAY, AUGUST 17, 1960

BOVINA, TEXAS

VOL. VI, NO. 9

## WHITTLIN'

BY DOLPH MOTEN

Football is in the air in Bovina.

In a community almost traditionally more basketball-minded than anything else, football, it seems to us, has come to life this year . . . and the first game is still 10 days away.

Needless to say, with people being like they are, our chances for a successful season are greater than they have been in years . . . and we don't mean to put our two new coaches, Hallie Gee and Malcolm Kennedy, on the spot, either.

But interest is certainly running higher than we've seen it since '55 and there may be more excitement now than there was then.

A Quarterback Club is on the brink of being formed. That's something that's hardly even been seriously considered in years past. This year, though, a battery of sports-minded individuals seems ready to support the football Mustangs with their time, vocal chords, and their pocketbooks.

With 14 returning lettermen and ample size for a Class B aggregation plus the enthusiasm of Gee and Kennedy it's not hard to see why the most pessimistic fans are even a mite optimistic about the fast approaching season.

A nice man even offered to bet us recently that the Mustangs won district this year. That's thinking further down the line than we're used to. We didn't, however, call the bet. But, we were proud of the confidence he displayed.

That's good. And the interest and confidence will be good for the community as a whole.

The Mustangs will lose some games. They'll even be out-classed on occasion. But, at that, prospects look, as we said, better than they have in years.

We happen to know that even mighty Farwell knows that we might not be a pushover this year. The Steers, incidentally, are expected to come up with another powerhouse.

Not directly, but indirectly, connected with the local football team is an ad feature which will begin next week in the Blade.

Sponsored by local businesses, it will give some lucky contestant free tickets to Cotton Bowl in Dallas January 1, 1961, paid reservations at Statler-Hilton Hotel, and expense money to make the trip.

All you have to do to win is pick more winners correctly over the 11 week season than anyone else. There will be some 10 or 12 games to select each week. You can figure out the details next Wednesday when the contest opens.

In addition to the grand prize, weekly prizes of \$5 for first, \$3 for second, and \$1 for third will be awarded.

We'll be expecting you to turn in your contest entry blank --which will be in the ad--before 5 p. m. Friday, September 2. Watch for the contest. Where else can you get a FREE trip to the Cotton Bowl just because you have an astute knowledge of football?

Jack Patterson, our Republican farmer friend who says he lives so far north of Bovina that people call him a damn Yankee when he comes to town, was in our office this week.

As many mean things as we've said about Republicans, we thought Jack's subscription must have run out since he hadn't been in earlier. But he said he had been reading it (The Blade) all . . . and that he'd had about all he could take.

The rascal talked little more sense than the Republican we quoted last week. Jack said that LBJ had "sold out" Texas and the South to the northern liberals. By Johnson accepting the vice presidential nomination, Patterson figures Texas will vote Republican for the third time in 12 years. That didn't make much sense to us, but that's what Jack said.

He was pretty much down on the presidential candidate, too. However, he displayed a wit.

(Continued on page 8)

## IN HIGH SCHOOL--

# Students Register Tomorrow

## Classes Start Here Monday

High schoolers will begin registration Thursday morning and classes will begin on regular schedule Monday morning at Bovina Public Schools.

Juniors and seniors will register Thursday and freshmen and sophomores will sign up Friday.

A general faculty meeting is scheduled for 1 p. m. Thursday.

Parents of first grade students who did not register them in the pre-school clinic last spring are asked to attend a registering session at 1 p. m. Friday.

Buses will run on schedule, lunch will be served in the cafeteria and it will be business as usual Monday. Grade school students will register Monday morning.

Twenty-three of the 25 teachers needed have been signed, according to Superintendent Warren Morton. One of the last three vacancies was filled last week when Mrs. Belva Dee Lowrance was hired to teach third grade.

Mrs. Lowrance taught one year in Malvern, Ark. She is a graduate of Texas Tech College and will move here from Lubbock.

Two vacancies still remain in the last week before classes

begin. Band and high school math teachers are needed.

Enrollment is expected to increase this year. Last year 56 first grade students came to school the first day. Approximately 65 are expected to begin their formal education Monday. An increase is also expected in high school where 110 registered last year.

Eight teachers will be teaching for the first time here.

Teaching first grade will be Mrs. Leola Williams, Mrs. Alpha Laney and Mrs. Lillian Fisher. Mrs. Myrna Hammonds and Mrs. Patsy Edens will teach second grade. Miss Lowrance and Mrs. Ellen Estes will be third grade instructors.

Mrs. Dorothy Donaldson and Mrs. Ruth Carter will fill fourth grade positions and Wess Smith

(Continued on page 8)

A-1 BOVINA MELONS--A worker at Gateway Produce shed stamps another crate of cantaloupes as it moves down the ramps from the packer where it will be lifted off and placed on trucks.

## TWO SHEDS GOING

# Melon Harvest Hits Frantic Peak Pace

Three thousand crates of cantaloupes were packed in Bovina last week and the harvest is expected to hit high gear by the middle of this week.

The 3,000 crates were packed at Gateway Produce Co., which began packing last Wednesday. The melons were finding a fairly good market. Price was quoted at \$3.50 per crate for the best grade.

Charles Flynn, owner of Gateway, said he expects the market to get better in four or five days. He predicted the price would go to \$4 or \$4.50.

Gateway expected a top speed run to begin by today (Wednesday). Monday and Tuesday, the trucks were coming irregularly and there were long breaks between runs.

"I believe the yield is going to be a little less than last year's," Flynn said. "But the quality will be better."

The melons averaged 183 crates per acre last year but quality was reduced because of extended damp spells during the ripening season.

Salt River Valley Produce Co., which is operating a packing shed here this summer for the first time, began operations Monday.

Otto Ables, field foreman for the company, said his firm's full-speed operation would not begin for two or three more days.

Ables said the quality of melons packed Monday in the Salt River shed was exceptionally good.

## Q'back Club Meeting Thursday

An organizational meeting for a Quarterback Club is scheduled for Thursday (tomorrow) at 8 p. m. in American Legion Hall.

Announcement of the meeting was made by Ed Hutto, spokesman for a group interested in organizing such a group to officially support sports program in Bovina schools.

Officers are scheduled to be elected at the Thursday session and plans made for activities which the club will take on.

All sports fans are urged to attend, Hutto says.

margin for profit but growers and packers are hoping for a rise in price.

With both Gateway and Salt River companies operating sheds, the labor force needed for the harvest has almost doubled. A good deal of local labor is being utilized by the sheds and numerous packers, and other laborers that move with the harvest, are here.

SCREEN REMOVED--Sheriff Chas. Lovelace, right, and Deputy Henry Minter examine a screen which burglars removed to enter City Cafe Sunday night.

## Thieves Leave Broke

Faint-hearted burglars broke into two Bovina businesses Sunday night but left without taking anything valuable.

Charles Oil Co. at North and Third Streets and City Cafe, also on the city's main street.

A "handful of pennies" was taken from Charles Oil Co. and nothing was discovered missing from the cafe.

Entry to the station was gained

by breaking a window and reaching through to lift the latch. The cash register was the only thing that showed signs of being tampered with. H. J. Charles, owner of the firm, said pennies were the only pieces of money taken from the cash drawer.

Management of the cafe reported nothing missing but a window screen was torn off at the rear of the building.

Sheriff Chas. Lovelace and Deputy Henry Minter investigated the burglaries and theorized that the prowlers had no tools to do significant damage with once they were inside the buildings.

Coke machines and cigarette machines were located in the buildings but no effort was apparently made to take coins from them.

## Chief Gives Numbers

Two new telephone numbers have been announced by Fire Chief James Taylor for fire emergency contact with the fire department.

The numbers are AD8-4121--James Taylor, and AD8-4632--D. R. Bushnell, assistant chief.

These numbers are the ones to call to turn in a fire alarm, Taylor said.

"We have had some mixups and bad connections in the past because emergency numbers were't known," the chief said.

Taylor also said that several vacancies exist on the department and that recruits are needed.

To qualify for an insurance rate reduction, 17 men must be present for two meetings per month. Twenty-nine members are allowed on the roll. Nineteen are presently listed.

## Plan Parts House

A newly formed corporation will open an auto parts business in Bovina about the middle of next month.

Bovina Auto Parts, Inc. will be the name of the new firm. It will open in the building on North Street formerly occupied by Powell Home and Auto.

Three stockholders make up the corporation. They are Jess Britt and Dick Wall. The third partner is a silent member of the organization.

Wall will manage the business and act as secretary-treasurer of the corporation. He moved here with his family recently from Clovis.

Planned opening date is September 15. The firm will handle primarily auto parts. Wall has 25 years experience in this type business.

Mrs. C. H. Reynolds, daughter Celia, and two grandchildren Tony and Paula Kay Baxley of Carlsbad, N.M. visited in the home of her sister, Mrs. James Taylor, recently.

# City Supports Housing Plan

A possible housing project for Bovina was discussed Thursday night by city commissioners, who voted to put city support behind it.

A Roswell, New Mexico building contractor, Bill Christian, has inquired about putting a housing addition here. If the project takes form, sewer and water connections will have to be made by City of Bovina.

The commission's action as entered in the minutes stated that the city "will cooperate in every way possible".

Location, type of homes and other details of the project are undetermined.

Putting in "the addition would make a lift station for sewer lines to it essential.

Meeting with the commission were members of Bovina American Legion Post and fire department representatives. They asked the city to take over operation and maintenance of Legion Hall on Third Street.

The building, which is used for fire department meetings, elections, social functions and other occasions, has been allowed to run down, the legionnaires and fire men said.

Volunteer Fire Department has had charge of the building for the past year. The firemen also use the hall for their annual barbecue.

Mayor Emmett Tabor estimated it would cost the city \$1500 to put the building in top condition.

The commissioners expressed a desire to undertake the project, but only if the city can obtain ownership of the building. They asked for a legal opinion and will probably take action on the proposal at the next regular meeting September 6.

The commission also voted to pay 50 per cent of the cost of sewer lines on Roy Hawkins'

property in south Bovina after Hawkins has built two houses on it.

Hawkins had asked the city to put the line to his property. The case was unique in its origin, hence the unique act by the commission.

Norvell Strawn had asked the commission for a permit to operate a grain cleaning and packing shed in a restricted zone. The cleaning part of his request was vetoed, but a temporary permit will be issued for him to store grain in the barn, which is in an "A" Zone. Only one-family dwellings are allowed in the zone.

## BLOCKING, TACKLING

# Stressing Fundamentals -- Gee

"We are extremely weak on fundamentals."

This was the nutshell summary by Coach Hallie Gee of the capabilities of his Mustang football squad after the first week of drills.

"We don't know how to block and tackle so that is what most of our workouts have been concerned with," the coach continued.

Fourteen of the 24 candidates reporting regularly for workouts are lettermen. Breaking the squad down by classes, there are seven seniors, three juniors, 11 sophomores and three freshmen.

"We have some sophomores that are going to make good ballplayers," the coach said.

"The boys have a good attitude and have been faithful

in reporting for practice sessions," Gee continued. "I really don't know what to expect from them but think they will do well."

Gee declined to go out on a limb and make a rosy prediction for his squad. Realistically he pointed to Laz-buddle as the favorite with Happy the next best team in district 2-B, where the Ponies will seek district honors.

Gee said the success of the other three teams is "anybody's guess."

"We will be big enough and have pretty good speed," the coach predicted. "I think we will average about 160 pounds per man."

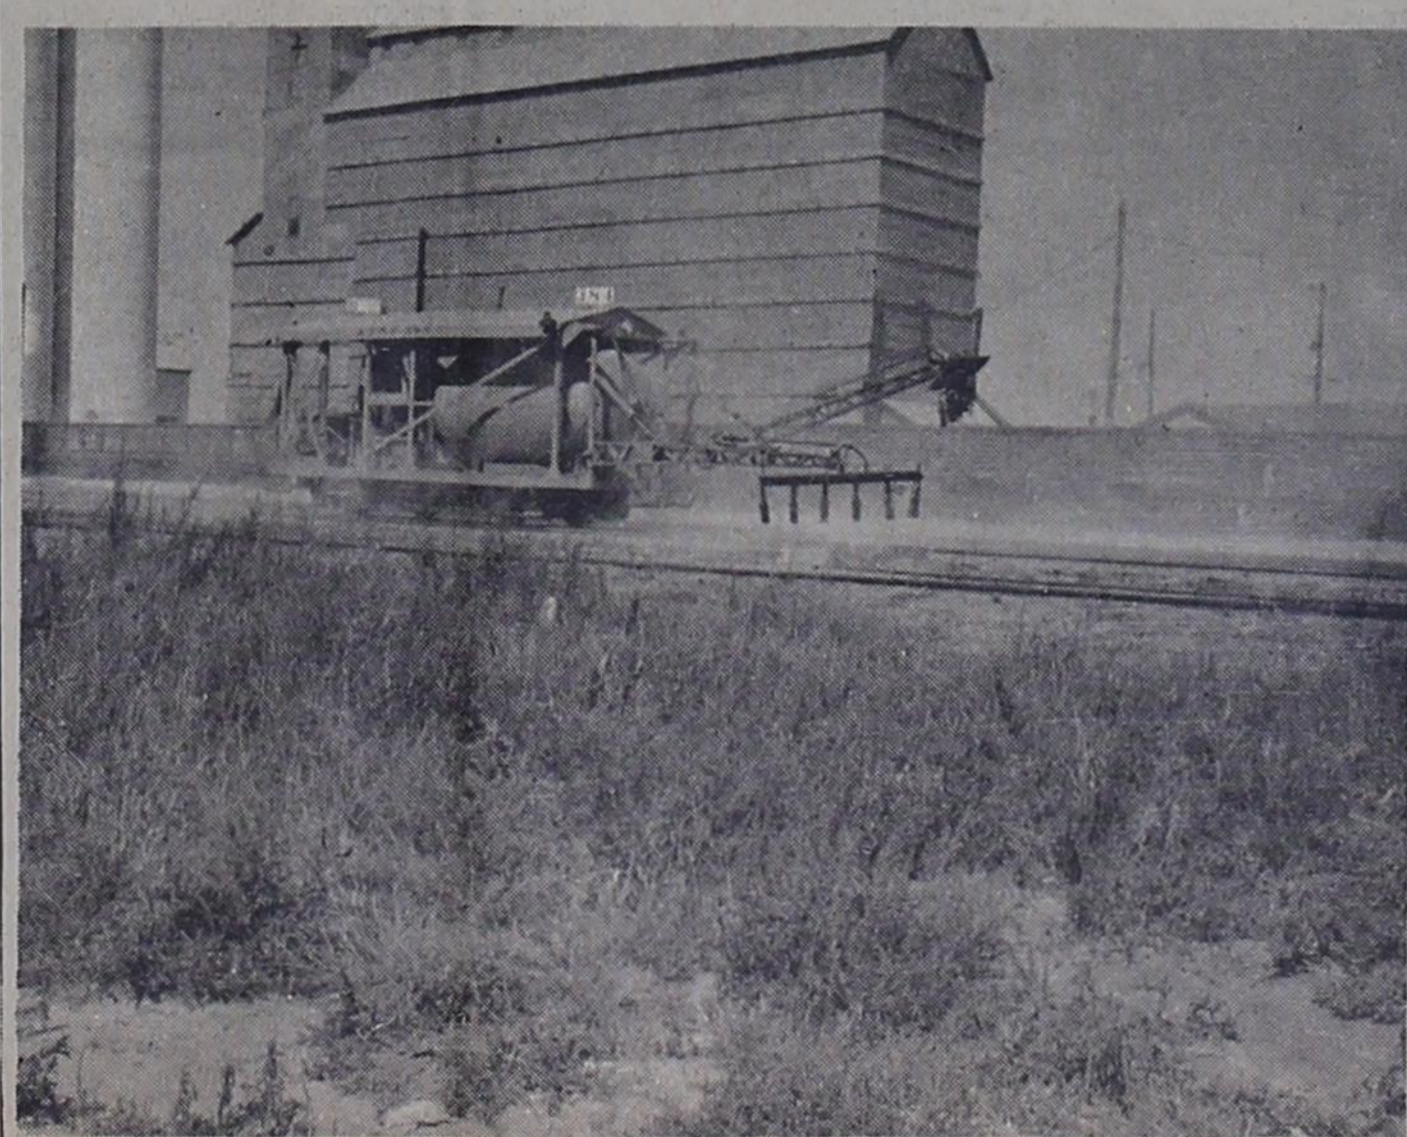

Much of the speed of the squad is carried in the person of Buddy Turner, a junior speedster who was ineligible last season.

John Sikes, James Clayton, Bill Strawn and Turner were players who came in for special praise by the coaches.

Sikes has been bothered by asthma. Others on the ailing list include Rocky Hance, who broke his thumb before practice started, Jerry Wright, who had a tonsilectomy, Mac Glasscock, out for a week because of a throat operation, Delbert Morris, out with a groin injury, Delbert Hall and Ronnie Sudderth, who have pulled muscles.

Gee said letterman quarterback Don Caldwell and Turner have given indications they can throw the ball well. He plans a straight football attack, with no special emphasis on either passing or ball control.

"We'll pass on third and eight

FAST CULTIVATION--A Santa Fe flamethrower eradicating weeds on tracks in Bovina. The machinery burns large strips with each of the booms behind it.

## WEATHER BY WILLIE

Good chance for a shower this week. Not more than 2 inches by October 1. Some real heavy rains in South and East Texas.

### Bovina Teams Take Trophies

Bovina bowling teams are continuing their winning ways. Wilson's Super Market captured first place honors in men's industrial league which ended Monday night in Farwell. The Wilson aggregation compiled a 47-21 won-lost record to take top spot.

In a junior league at Farwell, Paul Jones Texaco won first place. Second place winner in the same league was a team sponsored by Sherley Grain Co. here.

Members of the Wilson squad were Bill Smith, Tom Bonds, Jerry Morton, Burl Spears, Scooter Queen, and A. M. Wilson.

Playing on Paul Jones' junior team were Gary Beauchamp, Billy Minter, David Anderson, Jimmy Redden, Randy Jones and Donnie Dyer.

Included on Sherley's team were Butch Woltmon, Ken Horn, Don Cumpston, Billy J. Charles, and Bobby Ellison.

FIRST COMMUNION CLASS of St. Ann's Catholic Church gathered Sunday. The class consisted of Alvaro Cano, Ellen Darlene Denney, Alexander Expinoza, Dalia Hernandez, Mary Helen Lasseter, Josefina Maurruffo, Maria Ester Munoz, Teresa Irene Munoz, Antonia Munoz, Conchita Munoz, Sandra Kay Reznik, Elida Sanchez and Clyde Thomas Schilling. Father Declan Gilligan, priest of the church, is also shown.

### Margret Caldwell Presents Flower Program To Club

Mrs. Margret Caldwell presented a program on flowers to members of Widows' Club Thursday afternoon. "A little Flower Beside the Path," an original poem composed by Mrs. Caldwell, was read along with word games about flowers. Each member brought a bouquet to club which were arranged to take to shuttin friends.

Miss Ellen Reminsider hosted the covered dish luncheon held in the home of Mr. and Mrs. Wilbur Charles.

Attending were Miss Reminsider, Mrs. Pearl Osborne, Mrs. Bessie Caldwell, Mrs. Minnie McCutchan, Mrs. Ida McSpadden, Mrs. G. E. Free, Mrs. Billy Alderson, Mrs. Loula Smith, Mrs. Maidee Brown, Miss Rita Caldwell, Mrs. Margret Caldwell and the club's special guest, Mrs. Lady Armstrong.

### GIRL BORN TO DEWAYNE TAYLORS

Mr. and Mrs. Dewayne Taylor of Lancaster, Calif. welcome the birth of a six pound seven ounce baby girl, born August 13 at Antelope Valley Hospital, and named Joyce Ann. Paternal grandparents are Mr. and Mrs. James Taylor of Bovina.

Take Care To Take Care Of The Smallest Repair.

### NICKY FOSTERS HAVE GIRL

Congratulations to Mr. and Mrs. Nicky Foster on the birth of an 8 pound 4 1/2 oz. baby girl born Monday, August 22, in Clovis Memorial Hospital. She was named Connie Gail. Maternal grandparents are Mr. and Mrs. Frank Wilson of Bovina and paternal grandparents are Mr. and Mrs. W. N. Foster of Farwell.

Mrs. Dick Martin will be honored with a pink and blue shower Friday afternoon at 3 in the home of Mrs. Tommy Williams. Friends are cordially invited.

Glenn Morton of Denton, brother to Warren Morton and Barker Morton, nephew, from Galveston visited in the Morton home over the weekend. They are enroute to points of interest.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

SENATE JOINT RESOLUTION NO. 6 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas, increasing to three and one-half percent (3 1/2%) the maximum permissible interest rate on bonds hereafter issued by the Veterans' Land Board; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended by adding thereto the following:

"The foregoing notwithstanding, bonds hereafter issued by the Veterans' Land Board pursuant to the authority of this Section 49-b of the Constitution may bear a rate or rates of interest not to exceed three and one-half percent (3 1/2%) per annum. This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the State of Texas on the first

Tuesday after the first Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3 1/2%) per annum."

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas by adding thereto a provision authorizing the Veterans' Land Board to issue the bonds authorized under such Section to bear interest at a rate or rates not to exceed three and one-half percent (3 1/2%) per annum."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of the state.

\$3,500 in valuable prizes absolutely free. No purchase necessary—you do not have to be present to win. Affiliated Food Stores are giving away absolutely free 120 valuable prizes in conjunction with the opening of our new warehouse. Clip this coupon and deposit prior to Sept. 3rd in the ticket box at our store. Drawing will be held Sept. 10th at the Affiliated Warehouse, 6700 S. Washington Street, Amarillo, Texas.

NAME: .....  
ADDRESS: .....  
TOWN: .....

**NOT ELIGIBLE**  
Store owners, their employees, officials and employees of the Affiliated Food Organization and their families are not eligible to win prizes.

AN AVALANCHE OF CANTALOUPEs comes out of a truck and down the chute at one of Bovina's two packing sheds. The melons are carried by conveyor belt into the shed where they are graded as to quality and size and then packed for shipping.

THESE CANTALOUPEs HAVE BEEN GRADED and are being packed in crates by two workers at Gateway Produce Company in Bovina. The cantaloupes are each stamped with a Gateway seal before being shipped.

# Cantaloupes Are Rolling

## THE HIGH PLAINS FARM AND HOME

### Housing Regulations Changed

Under a recent change in the eligibility requirements for Farm Housing Loans, a farmer who owns a farm that will annually produce for sale or home use at least \$400 worth of commodities may, if he meets other eligibility requirements, be able to obtain a Farm Housing Loan.

Previously, according to Billy R. Boling, Farmers Home Administration County Supervisor for Farmer County, an applicant had to own a farm that would produce a substantial amount of the operator's income.

Farm Housing loans are made by the Farmers Home Administration and are used to construct and repair needed farm houses and farm service buildings.

Other eligibility requirements for Farm Housing loans remain unchanged. These requirements are that the applicant lacks the resources needed to obtain credit elsewhere, be a citizen of the United States, and have sufficient income from farm and other sources to pay farm operating and family living expenses and meet payments, when due, of debts.

### The Farmer's Market

3100 N. W. 8th & Louisiana  
 Amarillo, Texas

is now open for the benefit of all the farmers to sell their fresh fruits and vegetables. All you will have to do is go to the Farmer's Market and back in your truck and sell your fresh fruits and vegetables at wholesale and retail. For the first time the farmers of Northwest Texas will have an opportunity to sell their fresh fruits and vegetables direct to the consumer and get a fair value for their merchandise. Don't let your merchandise go to waste, take it to the Farmer's Market and get ready cash.

### WITH THE COUNTY AGENT

JOE JONES

At this time of year when land is being prepared for wheat you had better consider sending a soil sample off for fertilizer recommendations unless you have pretty well determined your fertilizer needs from previous trials. About two weeks ago, results of several demonstrations were published showing the value of Phosphate on sandy soils. The enclosed report gives the results obtained on J. D. Kirkpatrick farm 3/4 miles west of the park on Highway 60.

If you will study this report rather closely, you will see that Phosphate was of no benefit.

fit on this farm in 1960. Other trials will be run in 1961 and I feel it advisable for each farmer to do a little checking on his own to see just how his land will respond to different plant food elements. As time goes by we can expect elements other than nitrogen to be needed on most all soils and all crops. The important thing is to know when that time has come on your farm so the proper elements can be applied. The soil test and trials on your farm will give you the best answer you can get.

Cotton is at least 2 or 3 weeks late in most instances and some is even more behind than that. If we make anything like a normal crop on what acres we have left, we must have favorable weather and keep insect damage to a minimum. Farmers are advised to keep a close watch for insects and take control measures when damage is occurring. We don't have time to lose the first square set this year and have a chance at a cotton crop. Check your cotton at least every other day and keep ahead of any insect build up.

the time to start land preparation. A good system of graded borders is needed to control the water for irrigation. This can be done by laying off small borders in the field and removing the side-fall with a grader type implement.

First, the soils must have sufficient depth to permit the required smoothing of leveling without seriously reducing the depth below that needed for normal root development. The intake rate of the soil should range from about one to two inches of water per hour. The available water-holding capacity of the soil should be more than one inch of water per foot of soil depth.

Topography should be smooth and uniform. The borders from side to side should be level and the grade in the direction of flow must be constant or uniformly increasing or uniformly decreasing.

Water should be available at a rate adequate to meet the needs of the crop during the peak use period.

A system such as this usually requires only minor leveling or smoothing and the layout and construction is relatively simple. Light water applications can be made.

On the other hand you cannot fully utilize the rainfall on graded borders as well as on bench leveled land and a higher degree of skill is required to apply the water efficiently. Also, a drainage system such as a waterway is needed on this type of system and there is some danger from erosion by rainfall.

**CUTTING A SLICE** from one of the 11 cakes entered in the Farmer County 4-H baking contest is Mrs. Mona Hilbert, Home Demonstration Agent for Randall County. She judged both cakes and rolls entered by 12 county girls.

**Billingsley To Represent County In District Show**

Judy Billingsley of Farwell will represent Farmer County in the district bake show which will be September 17 at the Tri-State Fair in Amarillo. She won the contest in Farmer county over 12 other girls who entered a sponge cake, batter yeast rolls and a record of their projects.

Placing second was Janis Billingsley of Farwell and third place winner was Pat Chitwood of Lazbuddie.

Others entering were Carolyn Annoan, Marsella Mayfield, Sherri Tannahill, Katie Blackstone, Judy Koelzer, Karen Milner, Marianna Gammon, Linda Gleason, and Patricia Tannahill.

Girls entering only sponge cakes were Marsha Schumann, Jill Mims, Susan Blair, Patty Tatum, Kara Beth Sides, Belinda Mabry, Rhonda Rjuicka, Carol Miller, Terri Sue Mabry, Kathryn Gober, and Mary Coffey.

Those entering batter rolls were Becky Wilson, Cathy Wilson, Cynthia Harvey, Kathryn Gober and Connie McKenney.

Judge for the show was Mrs. Mona Hilbert of Randall County.

NEWS FROM THE  
**FARM BUREAU**  
BY RAYMOND EULER

In 1945, when the United Nations was organized, there were 51 member nations, 15 of these member nations were African and Asian. U. S. News and World Report calculates that by the end of 1962, there will be 108 members with 58 of them being African and Asian. The question they posed was, who will then control the United Nations? Who do you think will control it?

"Our basic principle in confronting this situation (the farm program problem) is that occupancy and use should be the only rightful title to farmland. Where conditions favor family farming, the security of such farmers should be strengthened through cooperative credit purchasing and marketing, aided by government financing. Where modern techniques and specialization require large-scale farm ownership, we call for social ownership and cooperative operation to replace the corporate farm. The foregoing is the Socialist Agricultural Platform for 1960, as set forth by that party. We have heard some (very few) men say that possibly they could go along with a socialistic farm program. We honestly don't believe any man in this area could go along with the above program willfully.

We also think it is important that we all watch closely for proposals presently being presented in the major parties that parallel some of the Socialistic ideas set forth here. . .

We will not be surprised if next year we see fly and mosquito spray being doled out to individual householders. The very idea of federal government aid to counties such as Farmer and others in the area for the control of mosquitoes on the basis of a "disaster area" when this county is one of the wealthiest in the state and nation.

And particularly when we are about to the end of the mosquito season. On the basis of the above situation, it certainly would not be out of line to consider the driver of a year old car in a disastrous situation warranting federal aid for a trade.

Don't forget to file for Federal State Road Use Tax refund on your tractor and combine gasoline, (a reasonable thing to do as long as you have the opportunity).

CONSIDER THIS: Give her (the virtuous woman) of the fruit of her hands; and let her own works praise her in the gates." Proverbs 31:31.

An English druggist, John Walker, made the first friction match in 1827.

**H. D. AGENT'S CORNER**

Jimmie Lou Waincott

Is there still some room in your home freezer? -- If so, why not preserve some colorful melon cubes or balls for use later in the year . . . for dessert, salad or appetizer. Marie Tribble, extension foods and nutrition specialist of Texas A&M College, says freezing melons is quick and easy to do.

For home freezing, select firm-fleshed, well-colored, ripe melons. Cut in half, remove seeds, and peel. Cut the peeled melon into cubes or cut in balls the size of large marbles using one of the small spoon-scoops sold for the purpose. Pack into freezer containers and cover with cold sirup made in the proportion of 1 cup sugar to 2 cups water. Leave enough headspace for expansion in freezing--1/2 inch for a pint container with wide-mouth opening and 1 inch for a similar quart container. Freeze at zero degrees F. or below and keep stored at zero.

Watermelon preserved this way might be used as a novelty first-course for Christmas dinner, for example. Its attractive red fits the holiday color scheme.

You can also freeze cantaloupe and honeydew melons. Commercially frozen packages of

melon balls usually include several kinds of melon for variety in color and flavor. Work out your own assortment from the melons available in your area.

**PREPARE FABRICS BEFORE CUTTING . . .**

Lovely fall fabrics now are available for every type of garment . . . Read labels carefully before you buy and prepare fabric properly before cutting, suggest extension clothing specialists of Texas A&M College.

Look for labels that state shrinkage control. If sanforized or guaranteed not to shrink more than 2 per cent, additional shrinkage is not necessary.

Check the grain line of the fabric before cutting. CORRECT GRAIN LINE INSURES PROPER HAND AND DRAPE OF GARMENT. During weaving, warp yarns are parallel to each other and so are filling yarns. The one set of yarns is at right angles to the other set. By the time fabrics are purchased in the store, one or more of these conditions may have been changed. Yarns may have been pulled or stretched "off grain" in the handling process.

- To check:
- Straighten each end of fabric by pulling thread or tearing.
  - Fold fabric lengthwise with selvages together.
  - Lay folded fabric on flat table.
  - If crosswise yarns are on the diagonal, stretch in place by carefully pulling on the true bias. If after stretching, the grain of fabric is on diagonal, it should

be steam pressed or dampened, dried and pressed so the grain will return to its correct position. Directions for pre-shrinking cotton or wool fabrics can be obtained from your county home demonstration agent.

**MAIN DISH SALADS ARE HEARTY AND NUTRITIOUS. . .**  
No need to apologize when you serve your family a main dish salad - made with meat, fish, cheese or poultry combined with vegetables. This kind of salad has real substance. It's loaded with nutrients such as protein, minerals and vitamins. Served with assorted breads or crackers, a cool drink and a light dessert, it forms the basis of a satisfying hot-weather luncheon or supper.

Tested recipes and special tips for making delicious salads for different kinds of meals are given in a new bulletin entitled "SALADS." It is written by extension foods and nutrition specialists of Texas A&M College.

Also included in the new bulletin are recipes for many

**Safety Expert Urges Care On Cookouts**

Nothing smells better on a hot summer evening than a steak or chicken cooking over a charcoal fire. A burning house or a burned hand adds nothing to the pleasure derived from a cookout, however. W. L. Ulich, extension agricultural engineer, says that a few precautions will help keep accidents from marring an otherwise pleasant occasion.

One of the first safety measures to take, says Ulich, is to set up your grill or dig the barbecue pit in an open

place, well away from buildings, trees, dry leaves, grass or brush.

If you use a charcoal-lighting fluid, be sure to use it according to directions. Soak a little into the briquets, before starting the fire. Never use gasoline, paint thinner or any other highly combustible fluid to kindle charcoal, Ulich warns.

The safest way to kindle charcoal is to use dry, crumpled paper, or a light substance like excelsior, under the pile of charcoal. Simply light the paper as in starting an ordinary wood fire. It may take a little fanning to get the charcoal kindled, but when you see grey or whitish spots around the edge of the charcoal, it is kindled. In 20 minutes or so it will be hot enough to grill.

Ulich suggests that the charcoal chef--and others who join

in the cook-out--wear heavy, fireproofed gloves, both in building the fire and using it. He also suggests that cooking will be done more conveniently with long-handled forks, tongs, skewers, skillets and saucepans.

As a final suggestion, Ulich recommends having a pail of water handy so that you can douse the fire in an emergency or when leaving the picnic site.

When you have taken these precautions, sit back, relax, and enjoy that wonderful aroma of charcoal cookery.

**CROP Helps Chile**

CROP-supplied food is being used to minister to the victims of the current natural disaster in Chile. Part of the 15,000 pounds of corn oil and 72,000 pounds of beans which arrived in Chile in early March is now being distributed to those who have lost everything.

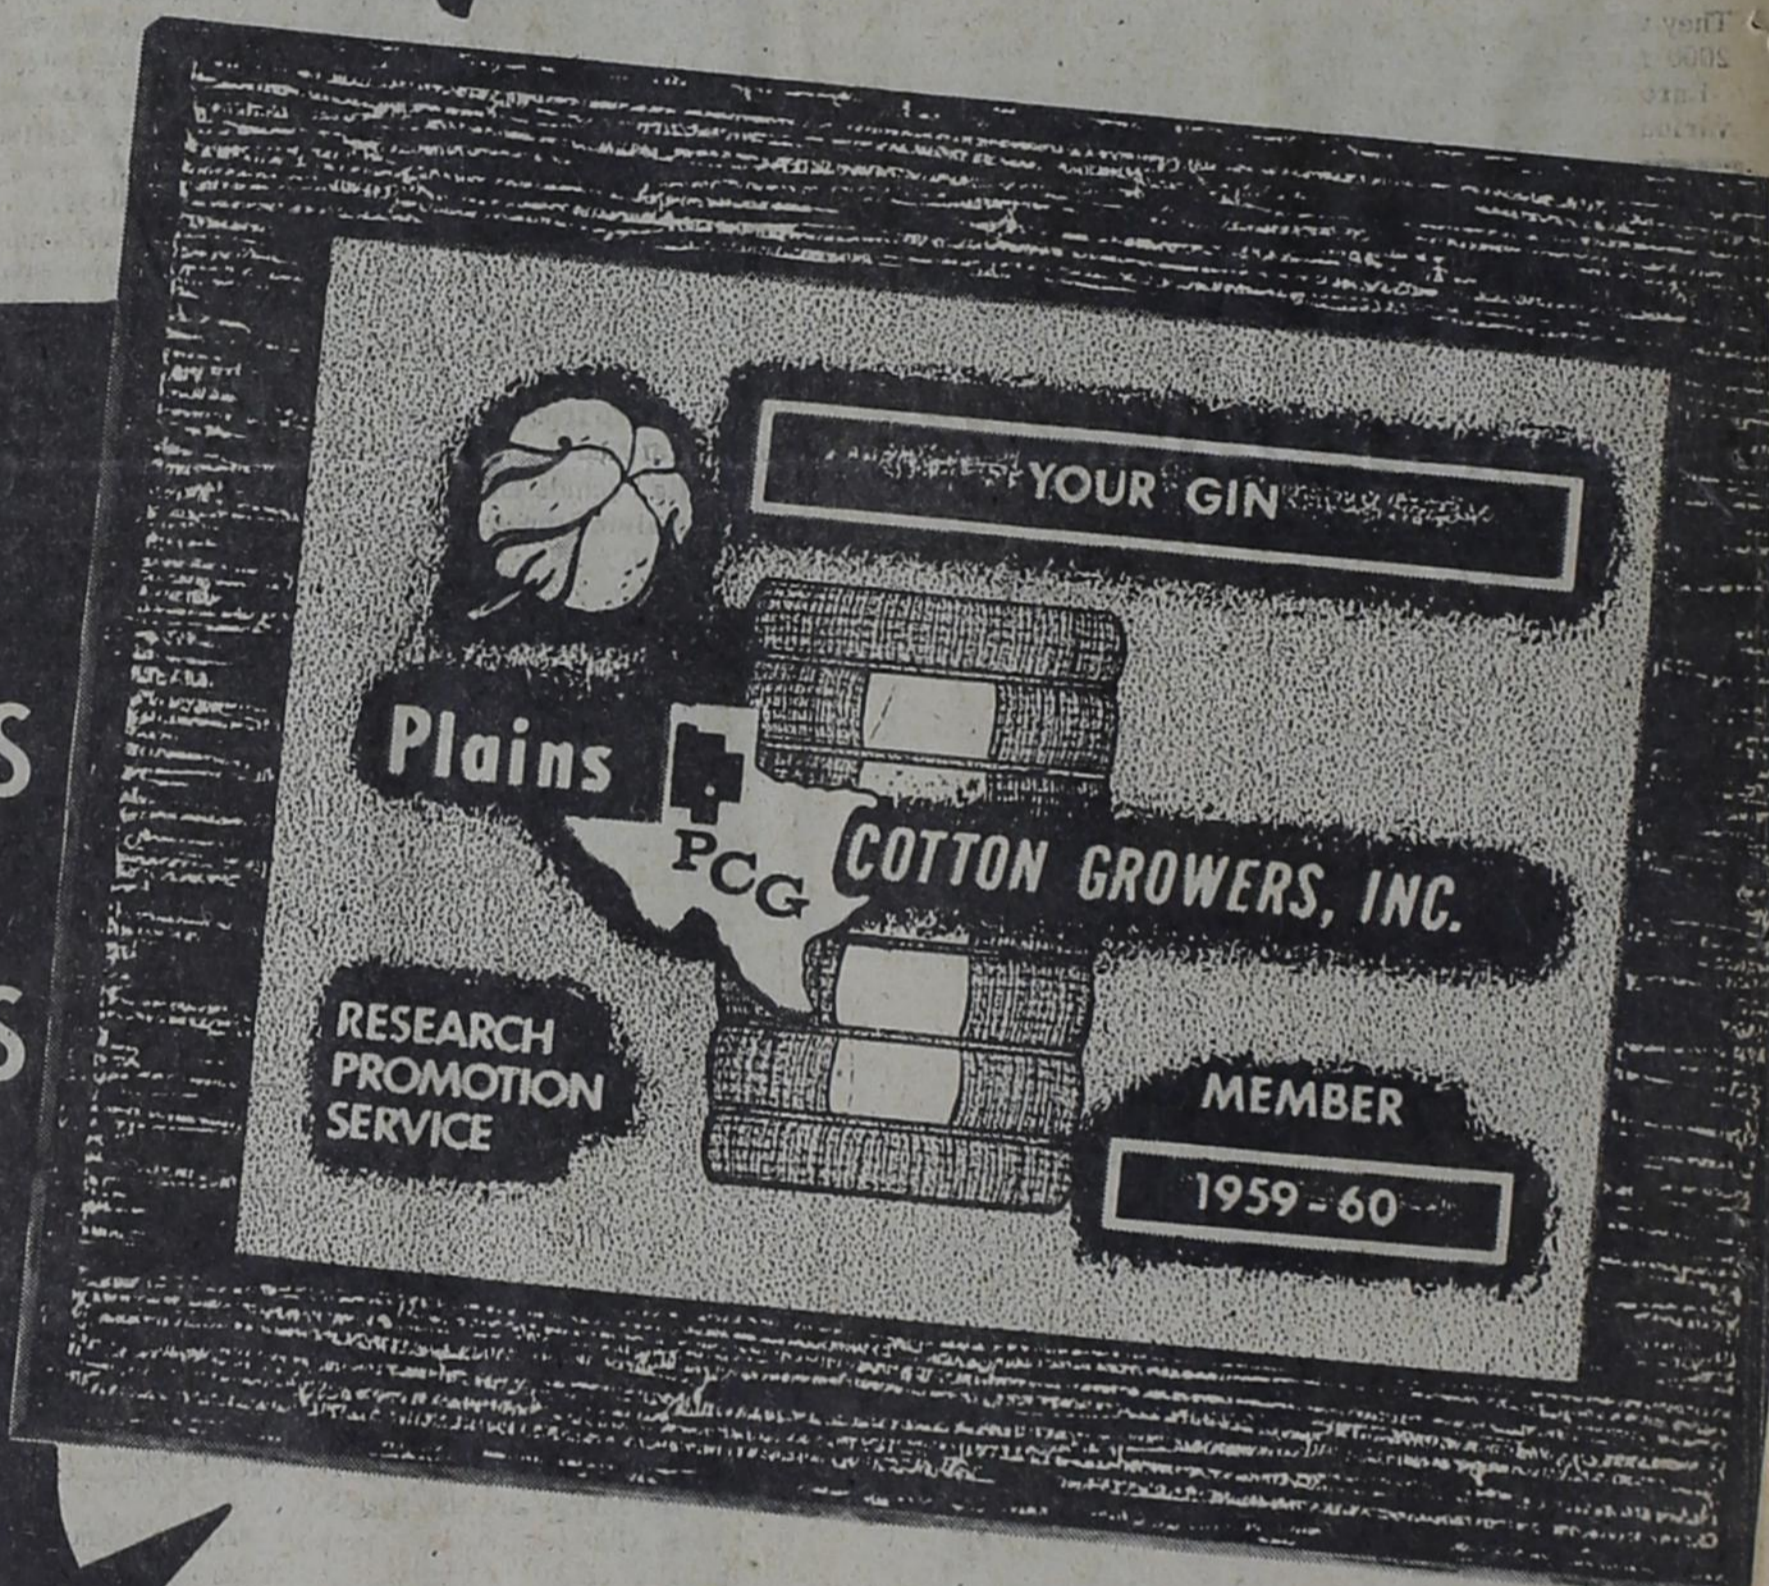

One thousand five hundred blankets and 80,000 pounds of flour, corn meal and milk are being sent to the devastated area from CWS supplies in Chile, and \$5,000 has been sent by Church World Service.

\$14,000 has been sent by the British Council of Churches. In cooperation with Lutheran World Relief, 115,000 pounds of clothing is now being shipped. Antibiotics valued at \$10,000 are being sent immediately, as well as 480,000 multivitamin tablets.

"Pioneers In Bovina"

Mr. and Mrs. Terry Merriman and Rev. Davis Edens.

## Miss Rea, Terry Merriman Exchange Wedding Vows

Marriage vows of Miss Barbara Rea and Terry Merriman were solemnized on Sunday August 14 in an afternoon ceremony performed in the Methodist Church.

The bride is the daughter of Mrs. Gene Rea and the late Gene Rea. Parents of the groom are Mr. and Mrs. R. M. Merriman of Clovis.

Vows were pledged before an archway adorned with daisies and floral greenery.

Rev. Davis Edens officiated at the double ring ceremony. Verna Marie Estes, organist, played the traditional wedding music and also accompanied Harriette Lou Charles as she sang the "Wedding Prayer" and "Dearly Beloved."

The bride given in marriage by her uncle, Carl Rea, wore a gown of lace designed with a fitted bodice featuring a scoop neckline and bell puff sleeves. The bouffant skirt was ballerina length. Her fingertip veil of silk illusion fell from a Juliet cap. She carried a bouquet of camellia orchids enhanced with blue maline topping a white Bible.

She wore a class ring which belonged to her late father, and borrowed her veil from Mrs. Arlen Hamburger her cousin and wore the traditional blue garter.

Miss Virginia Rea, sister of the bride, was maid of honor. She was attired in a blue crinkle

cotton dress fashioned princess style and appliqued with lace, featuring a scoop neckline and half sleeves. She wore a half hat of white tulle and carried a nosegay of white carnations.

Bridesmaids were Miss Carole Hammonds and Miss Carolyn Crump. They wore ice blue polished cotton dresses fashioned with fitted bodices and scoop necklines. Their hats were satin bows and they carried nosegays of white carnations.

Bill Echols of Clovis served as best man and ushers were Roy Dodson and Duane Rea, cousin to the bride.

The bride's mother wore a black sheath dress with a short bolero jacket and white accessories. Her corsage was of white carnations.

The groom's mother chose a dress of floral print voile and white accessories. She also wore a corsage of white carnations.

Following the ceremony a reception was held in the parlor of the Methodist Church. Mary Evelyn Vaughn greeted and registered guests and Joy Redden and Suzie Estes presided at the serving table. The bride's table

was decorated in blue and white with a bouquet of daisies for centerpiece.

For her wedding trip to Amarillo the bride chose a blue check dress appliqued with lace which featured bell sleeves. She wore orchid camellias from her bouquet and white accessories.

Following the wedding trip the couple will be at home in Bovina.

## Shower Honors Recent Bride

Fellowship hall of First Baptist Church was the scene of a bridal shower honoring Mrs. Ramey Brandon Wednesday afternoon.

Miss Marilyn Brandon greeted and registered guests in bride's book. The program arranged by Mrs. Bill Bradshaw consisted of a solo sung by Harriette Lou Charles and a poem by Dyalthis Bradshaw.

Corsages were presented to Mrs. George Murphy, mother of the bride, Mrs. C. R. Brandon, mother of the groom, and the honoree.

The bride's colors of aqua and white carried out table decorations. Refreshments of punch and cookies were served from a table laid with a white linen cloth centered with an arrangement of aqua carnations flanked with white tapered candles.

Hostesses were Mrs. Paul Jones, Mrs. Lester Rhinehart, Mrs. Alvin Glasscock, Mrs. E. E. Woelfel, Mrs. Bill Bradshaw, Mrs. Warren Morton, Mrs. Dennis Williams, Mrs. Clifford Leake, Mrs. Gerald Roundtree, Mrs. Cash Richards and Mrs. A. M. Wilson.

## Former Resident Suffers Burns

Harold Lowrie, former resident of Bovina, was involved in an accident recently which left him with second degree burns on 45 percent of his body.

He is the son of Mr. and Mrs. Elmer Lowrie of Friona and son-in-law of Mr. and Mrs. Levi Johnson of Bovina. He is convalescing in Mercy Hospital at Oklahoma City.

## Patsy Richards Attends Retreat

Patsy Richards, president of Methodist Youth Fellowship, of Bovina Methodist Church, attended a planning retreat for both district and sub-district levels in Ceta Canyon over the weekend.

The group planned activities for the Plainview district for the coming year and also enjoyed the regular camping activities.

## Plans Made For Rummage Sale

Mrs. Pauline Lowry, Worthy Matron, conducted the stated meeting of Eastern Star Thursday evening at Masonic Lodge Hall.

Following opening ceremonies, the group discussed plans for a rummage sale to be held September through November.

Attending the meeting were Mrs. Lowry, Elmer Lowry, Mrs. Mary Ruth Martin, Mrs. Irs Louise Jamerson, Mrs. Leola Williams, Mrs. Julia Leake, Mrs. Mary Looney, Mrs. Evelyn Crawford, Mrs. Lorena Brock, Mrs. Jewel Barry, Scotty Barry and Mrs. Mary Jane Wilson.

## Twelve Attend Association Meet

Twelve local youngsters were among the approximate 125 attending Sunbeam Associational meeting at First Baptist Church in Farwell Tuesday afternoon.

Christmas in August was the theme of the meeting. The youngsters took articles of clothing which will be sent to missions for use at Christmas and placed them under a Christmas tree to carry out the theme.

Mrs. Charles Hawkins presented a chalk talk and Mrs. Allan Cumpton lead the group in some songs, she was assisted by Nancy Cumpton.

Following the program the group was served refreshments of punch and cookies.

Attending from Bovina were Nena and Kay Spicer, Carrissa Englant, Joyce Lide, Jackie Adams, Darla Hawkins, Twila and Nancy Hutto, Janie Russell, Darlene Murphy, Glenda Kay and Regina Kelly.

Sponsoring the group were Mrs. P. A. Adams, Mrs. Ed Hutto, Mrs. Cumpton, Nancy Cumpton and Mrs. Hawkins.

Your Best Buy is a

completely equipped with MODERN GAS APPLIANCES

The "Blue Star" signifies many important advantages to home buyers. It means design that emphasizes individuality... expert construction from top quality building materials... and perhaps most important of all, the Blue Star assures the ultimate in comfort and convenience to be found only with dependable GAS appliances.

And Blue Star means outstanding household economy... for with all GAS appliances the average family can save \$10,000 or more over a 25-year mortgage period.

Yes, the Blue Star means gracious living for the family who owns one... and it's "the" sign to look for if you're a prospective home buyer.

## Pritchard-Stewart Vows Read

Karen Sue Pritchard of Anton became the bride of James Vernon Stewart of DeLeon in a candlelight ceremony held in the home of the bride Thursday evening. Rev. J. I. Couch read the double ring ceremony.

The bride is the daughter of Mr. and Mrs. R. R. Pritchard of Anton and the groom's parents are Mr. and Mrs. J. I. Stewart of DeLeon.

Given in marriage by her father the bride wore a gown of white embroidered nylon chiffon over taffeta with a satin

cummerbund featuring a waist-line bow. The fitted bodice was fashioned with a scoop neck and half sleeves. The skirt was street length. Her circular veil of French silk illusion was attached to a tiara of sequins adorned with seed pearls. She carried a cascade of flowers topping a white Bible.

Miss Nelva Spradly served her friend as maid of honor.

Assisting the groom as best man was James Davis of Pasadena.

Mrs. Verlon Barron furnished traditional wedding music and Rita Prichard, the bride's sister was the candlelighter.

A reception was held immediately following the ceremony in the bride's home.

Following a wedding trip to points of interest in New Mexico the couple will be at home in Anton.

The bride will attend Anton High School in the fall while the groom is a graduate of DeLeon High and a senior at Texas Tech, news editor of Bovina Blade and editor of Four County News at Anton.

## Mrs. Lawlis Has Program For W.M.U.

Mrs. Ovid Lawlis presented the program to W.M.U. Tuesday afternoon at First Baptist Church.

"Educating Youth in Mission" was the title of the program presented to the ladies.

Present were Mrs. J. O. Combs, Mrs. R. N. Williford, Mrs. Henry Spicer, Mrs. S. E. Barbee, Mrs. Don Murphy and Mrs. Lawlis.
