

WHITTLIN'

By DOLPH MOTEN

Bill Clayton, the incumbent, Democratic candidate for state representative from the 72nd district, was by this week. Bill has regained his health after suffering a heart attack back in March and is running a strong race in his bid for re-election. He's handicapped in the campaign to some extent because he must attend to his duties of his office while he's earning re-election votes.

With our limited knowledge, we'd guess that Bill, who is from Springlake and farms in that area, has done a tremendous job during the short time he's been in the state legislature. In that governing body, we understand that you don't just stroll in and start having things done as you want when you're a freshman member. It takes awhile to get the better committee assignments and to build your reputation to the point that it will carry with it the influence needed to get a piece of legislation you want passed.

During the time Bill has been in the office, we've been amazed at the fast progress he's made into important and influential positions in state government. We'd guess that even Bill's political enemies would agree that he has done a tremendous job of rising so quickly into a respected position of importance in the legislature.

Some of them might hold his legislative success against him, you understand, but still we think the fair-minded ones would admit that he's done an outstanding job in the state legislature.

Already the Bovina Mustangs have assured themselves of their best record in the past three years as they have picked up three wins in their first four games. They've been 2-8 during the past two gridiron campaigns.

The transition into Class A competition has been a more or less painful one for our favorite high school football team, but it appears now that the worst is over and we'll soon be competing on an even or better basis with teams in our present classification.

When we earn that first Class A district championship, we will have really come of age. We hope that time is in the not-too-distant future.

On the regional football level, Texas Tech fans have a cautious optimism about the promising potential of their beloved (when they're winning) Red Raiders. The Raiders go to College Station this weekend, as every fan is well aware, to take on the Fightin' Texas Aggies in a game which they hope will be another step toward their first Southwest Conference championship.

The Ags came from behind in last year's encounter between the two teams in Lubbock to derail the Red Raider championship express in the closing seconds of the game and, needless to say, the Lubbock team will be seeking sweet revenge down on the Brazos come Saturday night. The result will be interesting.

Remember, we didn't charge extra for our prediction here last week that the St. Louis Cardinals would win the World Series in five games, provided their ace pitcher, Gibson, was successful in winning the opener.

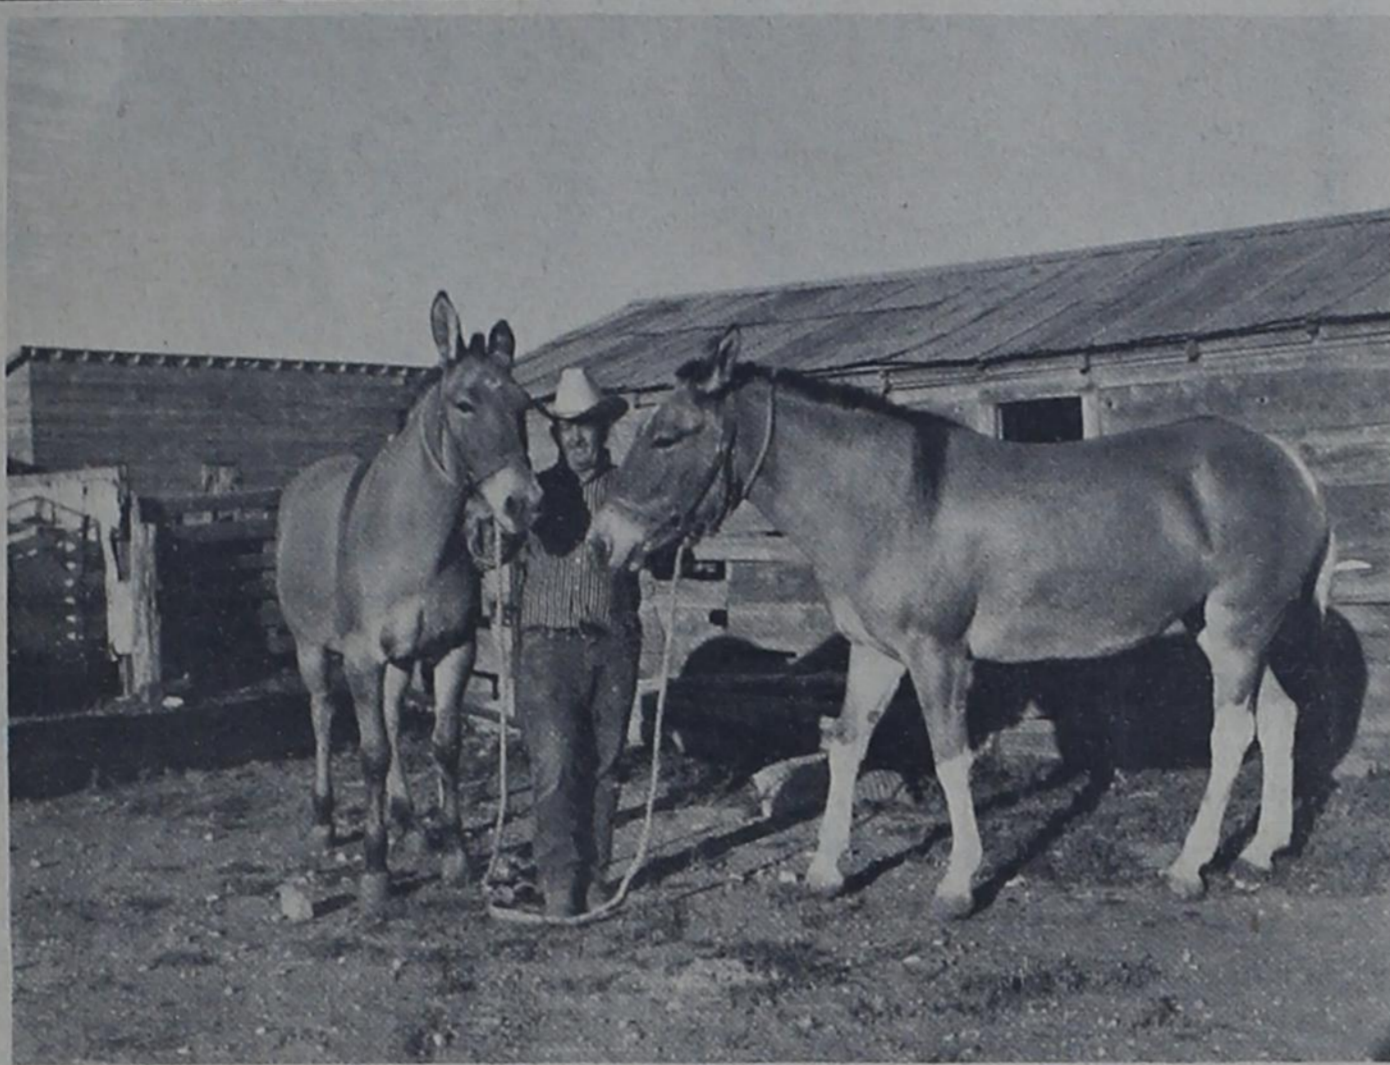

Well, it didn't happen that way, of course, but it almost did. And we've had previous predictions to go a heap more sour than that one did.

Some three years ago, if memory serves correctly, we wrote here that the Los Angeles Dodgers would win over the Baltimore Orioles in six games.

It didn't work that way. Not at all. The Baltimore club swept the Series in four straight games and wondered how the Dodgers ever managed to get in the Series to start with.

The Tigers, in this Series, have done an outstanding job through the first five games no matter what the eventual

(Continued on Page 2)

BOVINA VISITORS—This pair of mules were in Bovina this week after being purchased by Cecil Sisk for his father-in-law, Roy Mayfield of Lamesa, who will use them to pull a wagon in feeding his dairy herd. The lined-back duns are almost a matched pair, except for the white on the five year old's leg and back. The other is six years old. The 1200 pound animals are shown above with Sisk.

By Student Council --

Homecoming Oct. 18, Parade Plans Made

Homecoming at Bovina High School is Friday, Oct. 18, when Sudan Hornets come to town for

the first District 3-A football game.

A parade will be held the afternoon preceding the game, according to members of the Student Council, who made plans for homecoming Monday afternoon. "Countries of the World" will

be this year's parade theme. Grades six through 12 will enter floats in the event with prizes planned for the winners. First place will win \$25, second place \$15, third \$10 and fourth \$5, in the school division of the parade. Prizes will be awarded by the Student Council.

A first place plaque will be awarded for the best float entered by organizations or business institutions outside the school.

Highlighting homecoming will be coronation of the Football Queen and King in ceremonies at Mustang Field. Candidates for the honors will be selected later this week by the football squad and the Pep Club.

Also discussed at the Student Council meeting was the Halloween Carnival being sponsored by Bovina Woman's Study Club. Classes and organizations within the school will have the opportunity to erect booths.

Vaccinations For Dogs Set

Dr. B. L. Russell, small animal veterinarian of Clovis, will be in Bovina Friday, Oct. 25, from 2 to 6 p.m., at the American Legion Hall for the purpose of vaccinating dogs for rabies.

The service is being co-sponsored by City of Bovina and Chamber of Commerce.

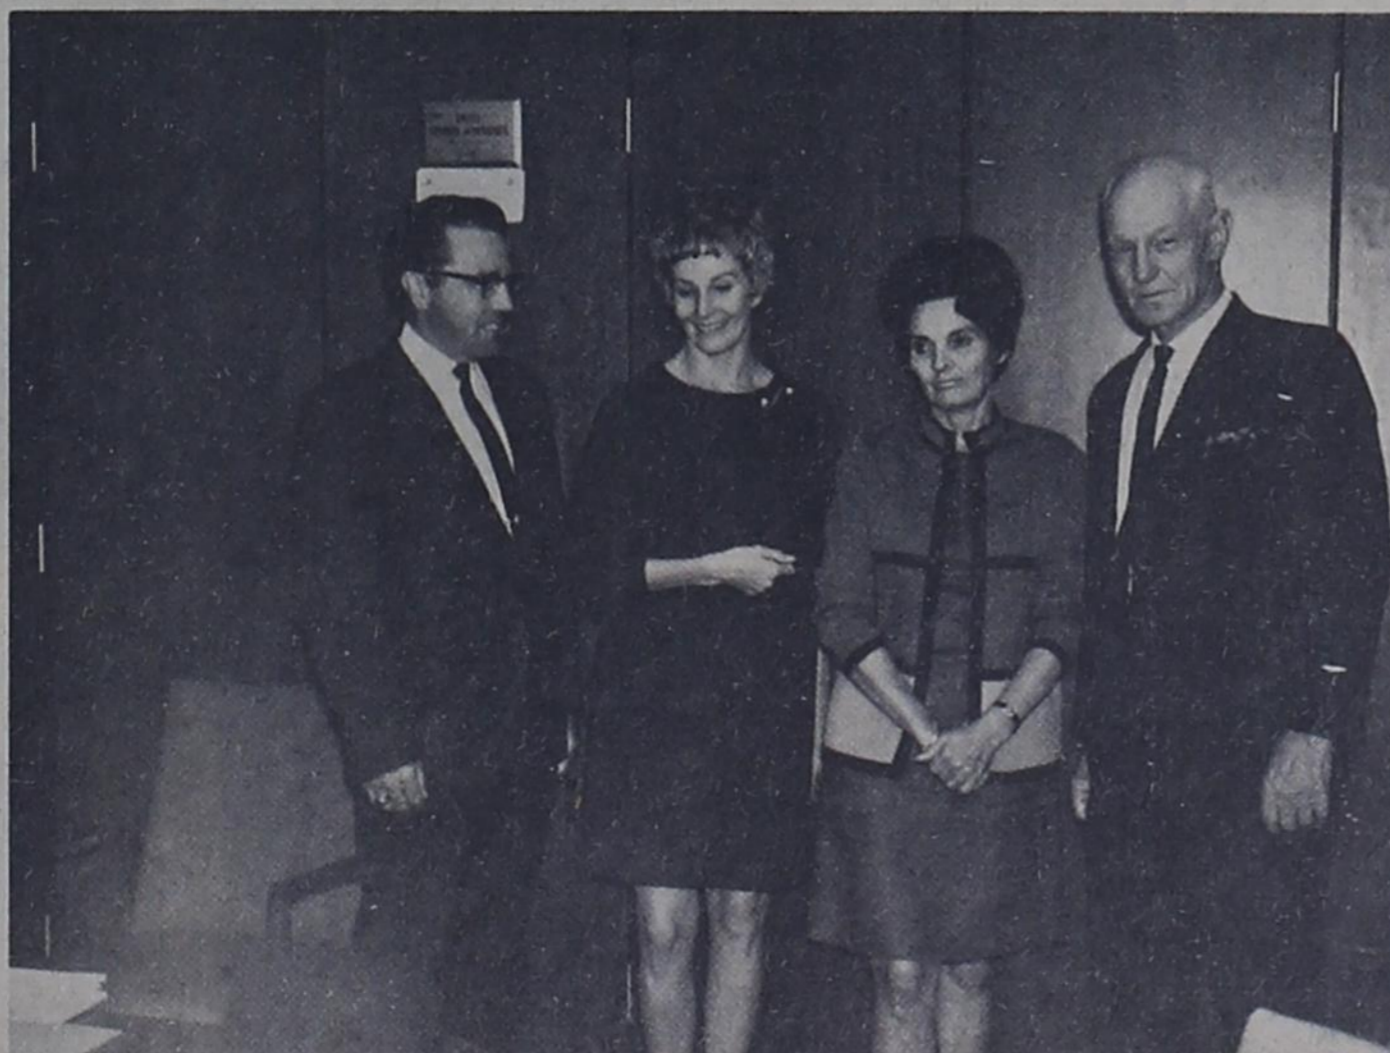

A charge of \$2 will be made for the vaccinations and tags will be issued by Dr. Russell. Following the receiving of rabies vaccination tags, residents should purchase their city license tags.

Pic Retakes Set Today

Retakes of black and white pictures for grades three through 11 are being made today, (Wednesday) according to Gay Cox, high school principal. The original pictures made earlier were not good, he said, because of the background used.

Thursday --

Clayton Friends Campaign

CAMPAIGNING—Mrs. Lewis McDaniel of Bovina, second from left, talks with this trio making a tour Thursday of Legislative District 72 boosting the Bill Clayton Appreciation Dinner set for Oct. 14 in Littlefield. Left to right are Rep. Delwin Jones of Lubbock, Mrs. Virgie Hale of Littlefield, secretary-treasurer of District 72, and Frank Cummings of Littlefield, finance chairman for the dinner.

For Pharmacy --

City Sets Hearing For Re-Zoning Lot

City of Bovina council members will hold a hearing tomorrow (Thursday), at 8 p.m. for the purpose of taking steps in re-zoning the triangle, Lot 1 Block 98, Original Town of Bovina, for a pharmacy.

If the triangle is re-zoned, the go-ahead will be given for the construction of a building to be used as a pharmacy by Don Spring of Friona. The location is southwest of the Bovina Medical Center in the residential section on the southern outskirts of town.

Minutes from the city council meeting state that the portion of the block would be re-zoned for a "pharmacy only". In other words, according to Mrs. Mary

Ruth Martin, city secretary, the building could not be used at any time in the future for any other retail purpose.

The re-zoning is necessary because in the present code, a building must be a certain number of feet from the street, and should be a residential dwelling.

However, a petition signed by residents in the area has been submitted the city council stating that they would support a pharmacy to be located in that area.

Anyone having an objection to the construction of the building should attend the hearing

Thursday night, according to city officials.

Spring said that a building to house a professional pharmacy with a limited supply of sundries would be too large for the triangle-shaped lot to comply with the city building code designating a specific number of feet from the street.

He said the petition was circulated to residents in that area to find if there were objections to such a building in their neighborhood and to comply with legal requirements.

Spring is currently a pharmacist at the pharmacy of Parmer County Community Hospital in Friona. The building would probably be constructed by an individual and leased to Spring.

The hearing Thursday night will be held during the same time of the regular meeting of the city council.

Grain Harvest --

Average Yields Expected Here

In one of the largest grain producing counties in the nation, the 1968 Parmer County harvest of milo is at the starting line and about ready for the signal to "go."

Elevator operators in Bovina predict harvest will get into full swing the later part of this week or the beginning of next.

Truckloads of grain are beginning to trickle into Shelye Grain Co. and Bovina Wheat Growers, but a large influx is not expected for several days.

Grain production in the Bovina area is expected to be about average this year as far as yields are concerned. The 1967 crop was considered to be on the "bumper" level, and elevator operators are expecting the yield to drop back to average in 1968.

One pointed out that the overall production will probably be lower, since more acreage was

laid out this year in the 1968 grain program.

Nevertheless, Parmer County is expected to live up to its reputation in 1968 as a top grain producing area.

For Tests --

Diabetes Drive Collects \$293

With 134 additional adults tested Tuesday last week, a total of 315 were screened for diabetes in the Bovina program conducted by the National Diabetes Association under sponsorship of Bovina Woman's Study Club and Lions Club.

School students were tested Tuesday of last week, but three grades were yet to be checked in elementary school, according to Mrs. Earl Stevenson, county NDA chairman. These are scheduled to receive the diabetes tests some time this week.

On the first day of the testing, when 181 adults were screened, 10 possible cases

were reported to have been found. On Tuesday, when 134 additional adults were checked, only one showed to be a possible diabetic.

At the schools, from the majority tested on Tuesday, only one possible case was found, according to Mrs. Stevenson.

A fund drive conducted Monday to finance the testing here, Bovina Woman's Study Club collected \$213.72. With the \$79.30 contributed at the program Sunday and Tuesday, the total collections are \$293.02. Cost of the testing program, to date without the three elementary grades, is \$303.

Kerby In Lead --

Wayne Peterson Wins 4th Week's Contest

In the fourth week of Bovina Businesses Cotton Bowl Football contest, Al Kerby, Jr. emerged the lone leader with 29 from a possible 39 games.

He left behind six other contestants who were tied last week for the lead.

Winning the \$5 first prize

money this week was Wayne Peterson, who named nine out of 10 winners and came closest to the tie-breaking score. Second place and \$3 went to Mrs.

Bobby Cumpton, while Kenneth Cary took the \$1 third place. They also named nine winners.

Five entries successfully picked eight winners. These included Kelly Jamerson, Richard Steelman, Larry Webb, Emily Griffith and Mrs. J. D. Adams.

Although "Little Al" took the lead this week, the first time only one contestant has been ahead this year, a sizeable group is breathing down his neck. Eleven contestants stand at 28, Jerry Burnett, Galen Carson, Mrs. J. Sam Gaines, Johnie Horn, Glen Hromas, Ola Lee Jones, Paul T. Jones, Randy Jones, Neal Mager, Carl Rea and Bill Roberts.

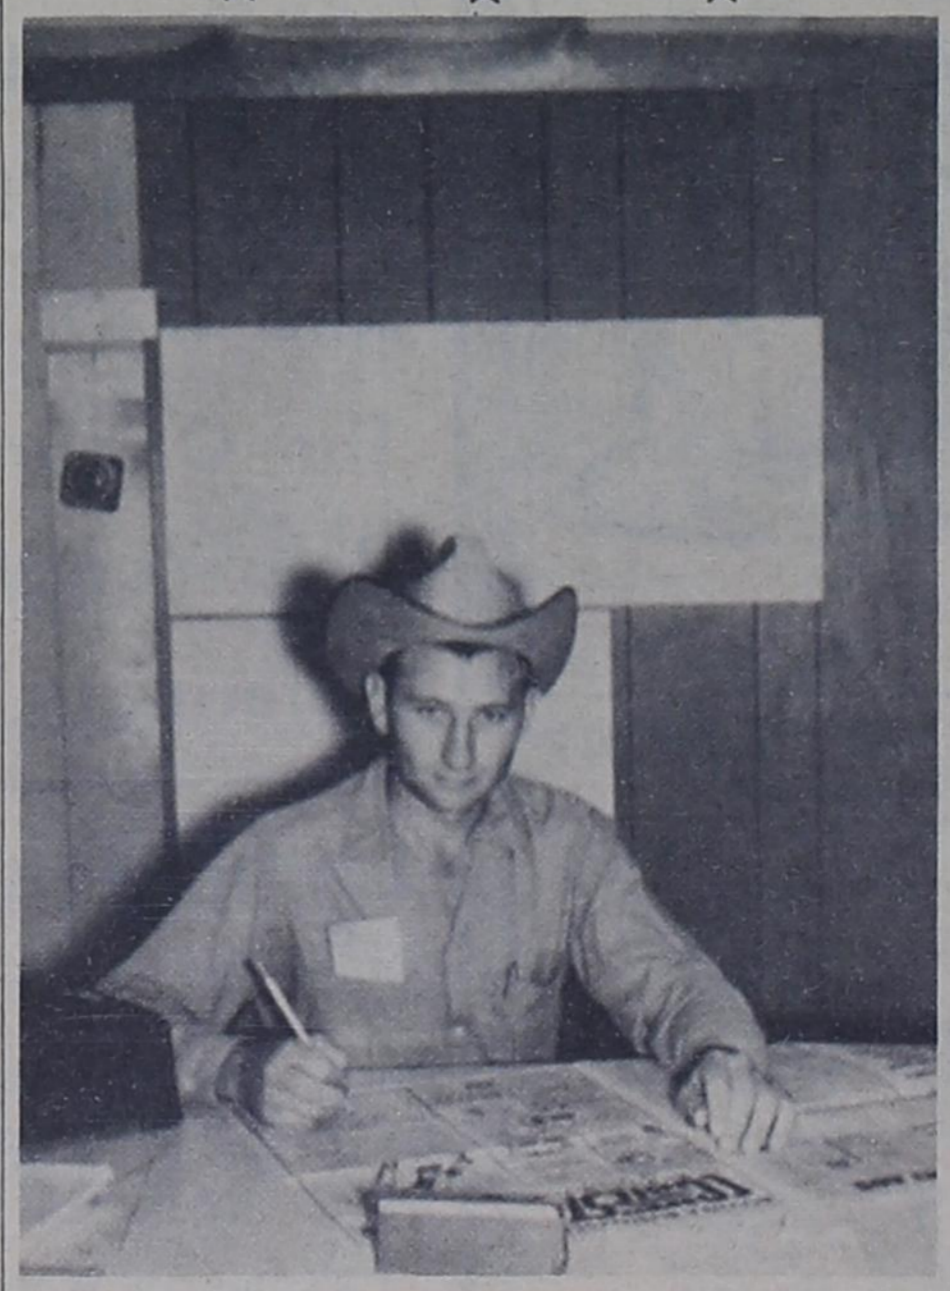

Another 12 claim a total of 27.

With 173 entering the contest this week, 45 picked seven winners; 65 named six; 43, five; nine named four; and three picked three.

More interest is being shown in this year's Cotton Bowl Football Contest than ever before. Winner of the 13-week contest will be awarded a trip for two to the Cotton Bowl game in Dallas.

Taking the grand championship last year was Leroy Lance who did not pull up into the running until the eighth week of the contest, when he was tied for second.

Other winners have included Neil Smith, Erith Hawkins, Emmett Tabor, Paul Jones, Jeanne Kerby, Allen Cumpton and Truck Lusk.

PICKS NINE—Wayne Peterson was the first place winner this week in Bovina Businesses Cotton Bowl Football Contest. He was awarded the \$5 top prize money. In the fourth week of the event, a leader emerged from the pack, for the first time, Al Kerby, Jr.

**Bill Clayton's
Record And Position**

NATIONAL RESOURCE DEVELOPMENT AND CONSERVATION: Recognized by his colleagues, Bill Clayton has a proven record of being one of the most effective and well informed members of the Texas Legislature on water and soil resource development and conservation. As a member of the Conservation Reclamation Committee of the House of Representatives, he has either authored, co-authored, been on the sub-committee, or conference committee of every major piece of water legislation passed during the last six years. He has worked for increased appropriations for water development and has encouraged conservation of water and soil through legislation pertaining to Soil and Water Conservation Districts and air and water pollution. Bill Clayton has served on the House Interim Water Study Committee for three consecutive terms, being chairman of the committee twice. He has served the last several years on a West Texas Advisory Committee to the Texas Water Development Board. Clayton has worked close to all state and federal water agencies and has participated in nearly all the Southern Region Water Resource Conferences and National Interstate Water Conferences sponsored by the Council of State Governments. Just recently he was appointed as chairman of a 160 acre Limitation Committee of the Texas Water Conservation Association and has been invited to be a principal speaker at the annual American Water Works Association in San Diego, California. Bill Clayton's chief aim and goal has been the importation of water into this area. The only way we can continue to grow and attract industry and make agriculture prosper is by being assured of a water supply for the future. We believe his influence in this field will help our area achieve his dream and goal of a water supply for the needs of our part of the state. Oil and gas is a very valuable natural resource to our area. Bill Clayton's knowledge of and work with the oil and gas industry has been a real asset to West Texas. In the field of agriculture, Clayton has been active in promoting market expansion. There were more appropriated funds this year for this purpose than ever before and Texas is beginning to move out in this field. He authored the resolution that started research on natural fibers (cotton, wool, and mohair) and provided the study committee with \$25,000 to make its first report. Since that time, additional monies have been made available for further research at Texas Tech on natural fibers. Clayton was instrumental in the passage of legislation and the financing of a Veterinary Diagnostic Laboratory for Texas. During the special session, he obtained appropriations of \$30,000 for swine research and \$30,000 for vegetable research to be done at Texas Tech. Bill helped pass a constitutional amendment to keep farm land from being taxed at higher rates just because it was located near a city. Through his efforts and other influential rural members, they have been able to keep the sales tax exemptions for farm machinery. Clayton has been instrumental in obtaining salary increases and additional personnel for the Texas A & M Extension Service. In working with the major farm and commodity organizations, with Soil and Water Conservation Districts, Extension Service Personnel, Underground Water Districts, Water Inc., Texas Water Conservation Association, West Texas Chamber of Commerce, Lone Star Water Well Drillers Assn., and as a farmer and trustee of the High Plains Research Foundation, he has gained an invaluable grasp of the problems of agricultural and natural resource development and has been able to coordinate the thinking of these groups into constructive legislation when it is needed. This district need more than just a vote. They need someone who is a real voice for their cause. This is more important now than ever before because of the one-man-one-vote edict of the U. S. Supreme Court. Rural representation, because of a smaller population, now has a lesser voice in state government than do our city cousins. Therefore, we have to make up the difference with quality in experience, seniority, and influence. We need the help of someone who has influence in the right places to get the job done. This can not be accomplished over night. Bill Clayton has worked at it hard for six years and is now in a position to give our area the real kind of representation it needs.

If you've got a doctor pal, have him get you a used surgical hemostat (one has very short life for surgical needs and many are discarded regularly). Its clamping mechanism and trim shape makes the finest hook disgorging going and high-grade steel never rusts.

**Reflections
From
The Blade**

TEN YEARS AGO
Oct. 8, 1958
The Bovina Mustangs broke a four-straight losing streak Friday night of last week by running over weak Boys Ranch, 30-12. While most folks are talking about getting some sort of industry to start in small towns, Archie McCutchan is busy getting one started in Bovina.
The industry, although it has no payroll as yet, is building storm doors and windows.
The first privately operated radio unit in Bovina is owned by Parmer County Farm Supply.
Late September rains halted and delayed harvest of the 1958 Texas High Plains cotton crop, but warm, dry sunshine during the first October weekend enabled farmers to resume harvest operations and total ginnings had passed the 100,000-bale mark by Oct. 4, says Plains Cotton Growers.
Formal installation of officers of the First Baptist Church's Woman's Missionary Union was held Sept. 29. The installation service was held in the sanctuary of the church.
Members of the Dorcas Circle of the Methodist Church gathered Wednesday in the home of Mrs. H. J. Charles for a regular monthly meeting. Prior to the afternoon's program, a covered dish luncheon was spread for the members and guests.
The Parmer County Farm Bureau likes Gilbert Kaltwasser of Oklahoma Lane. At least, they vote as if they do. He was named president of the organization for the fourth consecutive term Monday night at the annual convention and elected in spite of a request from him that he not be made a candidate.

SIX YEARS AGO
Oct. 11, 1962
A healthy economy is a growing community was reason given for an increase in deposits at First National Bank of Bovina this week by Warren Embree, bank president.
New Parish Hall of St. Ann's Catholic Church will be dedicated in services Sunday afternoon at 5.
Competition was fierce in Bovina Businesses Cotton Bowl Football Contest last week.
With the five college games coming out with the favorites winning and only one upset in the high school slate, a total of 25 people of the 123 entry blanks turned in got nine or 10 of 10 correct answers--more than ever before in history of the contest which is now in its third year.
Mrs. L. M. Grissom entertained the Thrifty Club at her home Monday afternoon.
Breakfast was served to approximately 120 persons Saturday morning at Kidnap Breakfast at Homemaking Cottage, according to Mrs. Patsy Sitton, pep club sponsor.
Jack McCracken has been named to Parmer County Soil Conservation Service board of supervisors.
Mr. and Mrs. J. W. Gooch were feted with a farewell party Wednesday evening following services in fellowship hall of First Baptist Church.
Mrs. C. O. Edens hosted a luncheon for members of Dorcas Circle Wednesday at Methodist parsonage.
Coach Hallie Gee's Bovina Mustangs, sporting a 3-1-1 record at season's midway point, take on the Class AA Friona Chiefs there Friday night at 8 p.m.

Whittlin' --
(Continued from Page 1)
outcome is. This is especially true when you consider their ace pitcher, McLain, hasn't been able to win for them. That put tremendous pressure on the rest of the ball club. If he could have won either of his first two starts, it could have been a different Series.

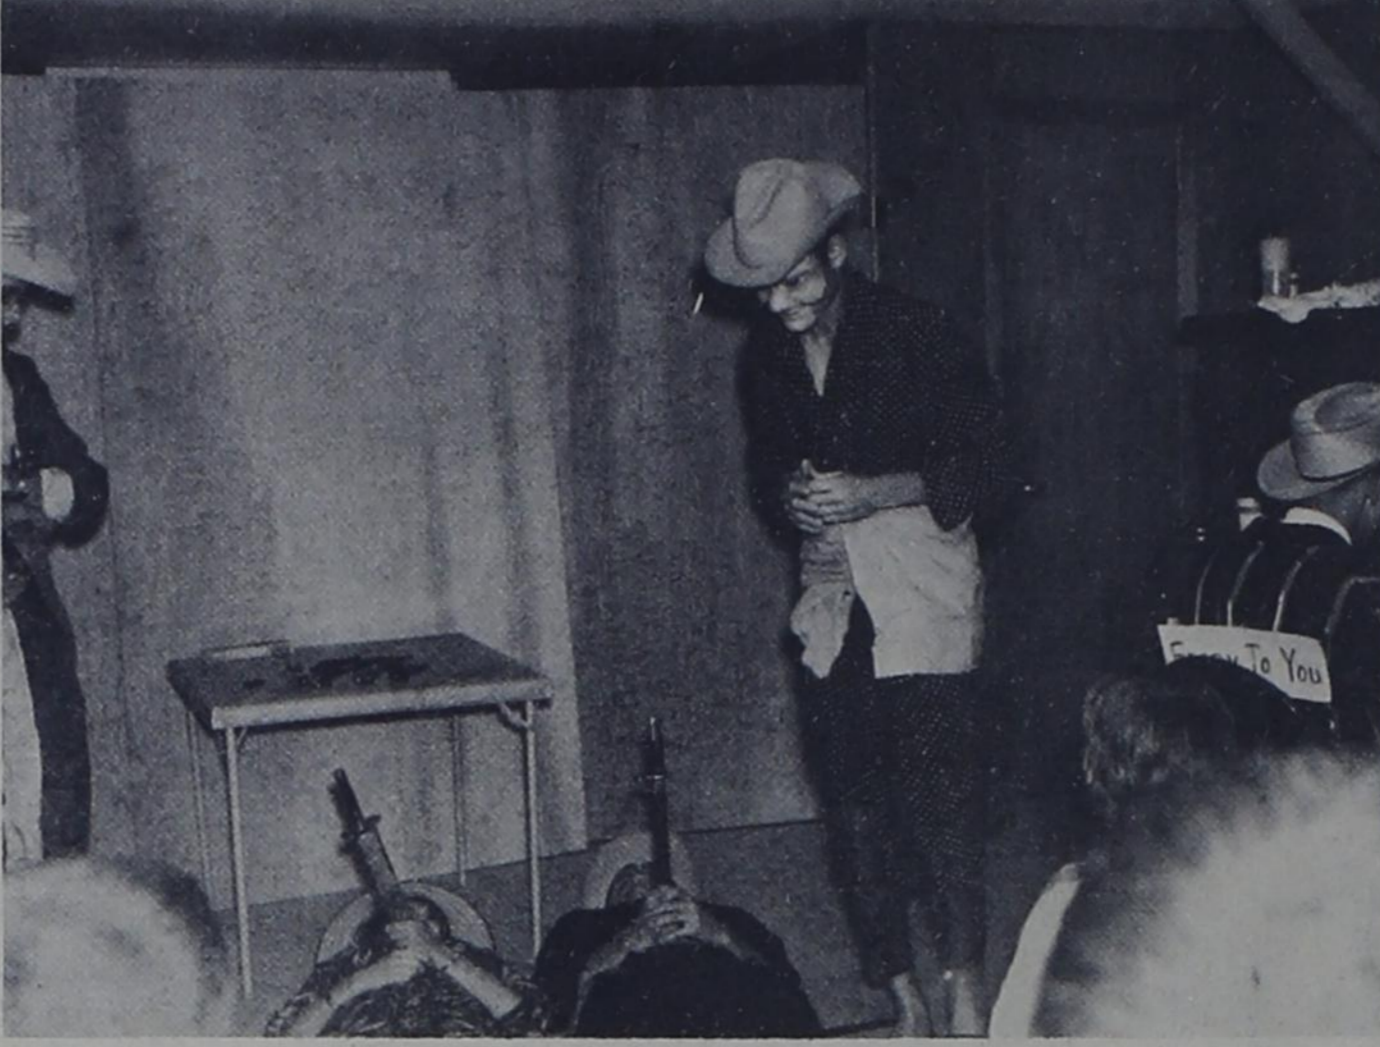

Don't hold your breath, but Bovina's striking historical marker is going to get relocated in a more suitable location---on Highway 60 instead of Main Street---yet.

EACH PERSON in the United States generates about three pounds of garbage a day, says a Georgia Tech industrial engineer. Multiply that by 200 million and that's a lot of garbage. We are running out of places to dump and to bury garbage, and burning it creates air pollution problems, they say.

GUN SMOKE---An Oriental version of the TV western, "Gun Smoke" was presented teenagers at "The Spot" Friday night. Almost out of the picture at left is Kenny Stone as Ches-Toto. He and Matt-Suki, Bob Sparks, look at the remains of Kitty-Chen, Candy Wilson, and Doc-San, Rodney Murphy, while Fooy-To-You, Johnie Horn plays "Chop Sticks" on the piano. The presentation was directed and narrated by Mrs. Betty Hawkins.

**'The Spot' Captures Deenage
Attention After Home Games**

"The Spot" was the scene of entertainment Friday night following the Bovina Mustang football game when a mock radio show was stage, followed by a skit.
"People Are Peculiar" with audience participation was the theme of the "radio" show. Prizes and stunts were featured in the presentation, directed by Mrs. Betty Hawkins.
"Gun Smoke," an Oriental version of the television western was presented. Cast included Matt-Suki, Bob Sparks; Kitty-Chen, Candy Wilson; Fooy-To-You, Johnie Hugh Horn; Ches-Toto, Kenny Stone; and Doc-San, Rodney Murphy. Refreshments of homemade ice cream and cakes were served.
On Sept. 13 following the Amherst game, a Mountaineer Jubilee featured Larry Mitchell as Hiccup, master of ceremonies; Betty Hawkins as Minnie Pearl; and Hoozer Hotshots composed of Royce Sisk, Jimmy Redden, Ronnie Dyer, Al Kerby, Royce Grissom and Kenneth Moore.
Singers and commercial announcers included Deborah Hawkins, Glenda Kelly, LaVern Hambrick, Debra Kirkpatrick, Nancy Mitchell, Vickie Hawkins and Darlene Murphy.
A mountain version of "Gransel and Hettel" was staged by the Mountaineer Little Theater cast, Jim Laster as Hettle; Mike Gee, Gransel; Deborah Hawkins, wicked step mother; Alan Carson, father.
Approximately 150 students were served refreshments. Door prizes were won by Candy Wilson and Suzanne Wilson.
For programs following other games this fall, "The Spot" will present a movie after the Homecoming game; "This Is Your Life" of one of Bovina's heroes; and a new version of "Little Red Riding Hood."

- GRILLED MEAT BALLS**
1 8-oz. can tomato sauce
1/2 cup A.I. Sauce
2 tbs. vinegar
3/4 cup firmly packed brown sugar
1 tbs. grated onion
2 lbs. ground beef
1 3-oz. can chopped mushrooms, drained
1/2 cup fine dry breadcrumbs
1 1/2 tsp. salt
- Combine tomato sauce, A.I., vinegar, sugar and onion. Simmer 5 min., cool. Combine remaining ingredients with 3/4 cup of mixture; mix lightly. Shape into 24 meat balls. Chill 1 hour. Place on lightly greased grill over glowing coals. Grill 10 min., turning once. Brush often with remaining sauce while grilling. Serves 6.

BILL CLAYTON

Representing the 72nd Legislative District

**Your effective voice in
State Government**

**THE
72nd DISTRICT
NEEDS
BILL CLAYTON**

Bill Clayton's record reflects strong leadership in the following areas which directly affect all residents of the 72nd District.

- ★ WATER DEVELOPMENT
- ★ LAW ENFORCEMENT
- ★ INDUSTRIAL DEVELOPMENT
- ★ COUNTY, CITY & LOCAL GOVERNMENT
- ★ AGRICULTURE
- ★ EDUCATION
- ★ ECONOMY
- ★ TOURISM

Bill Clayton's record stands for itself. It reflects the work of a conscientious young man.
Bill Clayton's record shows him a tireless worker who is sincerely interested in helping the people he represents. The 72nd district is in good hands.

YWA ASSOCIATIONAL INSTALLATION—Miss Martha Adams and Miss June Webb served refreshments Sunday to those attending the Llanos Altos Association of Young Women's Auxiliary installation held at 3 p.m. Sunday in First Baptist Church. Attending were representatives from 32 churches. Officers include Debbie Landers, Amherst, president; Debbie Chandler, Farwell, secretary; Donna Crume, Bula, study leader; Diana Kesly, Littlefield, activity leader; Peggy Dean, Littlefield, pianist; Patricia Grusendorf, Enochs, song leader. Mrs. Joel Tankersley, Farwell, is YWA director.

Firemen, Wives --

Dinner Monday

Members of Bovina Volunteer Fire Department entertained their wives with a dinner Monday night at Bovina Restaurant. About 28 attended the event.

A dinner is held in every month that has five Mondays. The next will be on Dec. 30. The department holds fire practice on the second and fourth Monday nights of each month. The volunteer unit in Bovina currently has 23 members. Pat Kunselman is fire chief.

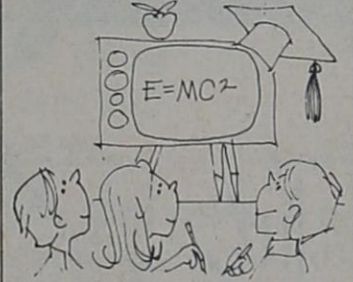

Members of the department include Robert Hopingardner, Herman Estes, Kunselman, Alfred Mills, Farris Pounds, John Wilson, A. L. Nuttall, Glen Hromas, Dickie Steelman, Dave Wines, Ronald Mitchell, Henry Minter, Tommy Hamilton, R. T. Harbour, Dan Koeltzer, Curtis Monk, Billy Smith, Henry Spicer, Odus White, Lewis McDaniel, James Russell, James Clayton and Larry Webb.

Community Conversation

Mr. and Mrs. French Crook left Wednesday for Tampa, Fla., where they are visiting their daughter and family, Sgt. and Mrs. Roger L. Timmons and Linda Ann, who was born Sept. 16.

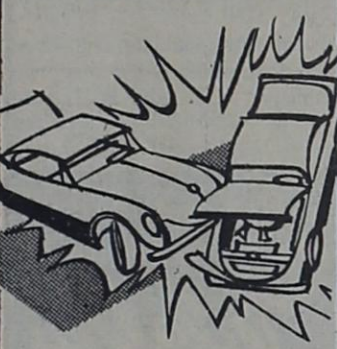

Mrs. Ovid Lawlis and Mrs. Jesse Walling attending a WMU associational meeting in Littlefield Thursday.

SCIENCE SKETCH

AN INDUSTRIAL ENGINEER has found that students who watched television lectures did "slightly, although not significantly" better than their schoolmates who got their information "live." Students may object when their professors are replaced by television sets, but the Georgia Tech study revealed that their grades don't suffer.

Engagement Announced

Mr. and Mrs. Truman Gaines of Sunray and formerly of Bovina, announce the engagement and approaching marriage of their daughter, Freda Jean, to Luther Lee Laster, Jr., son of Mr. and Mrs. Gene Shy of Snyder. Miss Gaines is a 1968 graduate of Sunray High School and Laster is a 1966 graduate of Snyder High School. He will leave soon for basic training in the U. S. Army at Fort Bliss, El Paso. The Sunray Methodist Church will be the setting of the Oct. 19 wedding at 8 p.m. Friends and relatives are invited.

4-H Club Elects Slate Of Officers At Meeting

Officers were elected at a recent meeting of Bovina 4-H Club held in the school cafeteria.

Mrs. Lakin Honored With Shower Here

Mrs. Linda Johnston Lakin was honored with a pink and blue shower last week in the home of Mrs. Carl Rea.

Twenty six guests attended. The serving table was laid with an ecru lace cloth and centered with an arrangement of red rosebuds and white daisies, adorned with miniature storks and baby dolls.

A white cake, decorated with pink and blue, punch, nuts and mints were served from crystal appointments.

Hostesses included Mmes. Mary Ruth Redden, Joe Wilson, Howard Looney and Rea.

Son Born To Vaughans

Mr. and Mrs. John Vaughan of Bovina are the parents of a son born at 11 p.m. Sunday in Parmer County Community Hospital.

Weighing seven pounds, 10 ounces, the new arrival has been named Michael Loyd.

He has three sisters, Janet Lynn, Anita Jane and Naomo Ruth. Grandparents are Mr. and Mrs. J. D. Vaughan of Reed, Okla. and Mr. and Mrs. Earl Peterson of Muleshoe.

Tons of blankets and clothes contributed through the Catholic Bishops' Thanksgiving Clothing Campaign helped to alleviate the suffering of 12,000 victims of a devastating flood that followed a six-day deluge in South America.

FHA Plans Salad Supper

Future Homemakers of America in Bovina heard Dr. Cornelius Blesius Monday night at the regular meeting.

Dr. Blesius discussed the health of the girls today in relation to their health in the future.

FHA members set the date for the annual Mother-Daughter salad supper for Monday night, Oct. 21, in the school cafeteria. Members will provide the salads for the event.

The group also made plans to help the Bovina Woman's Study Club with the Halloween Carnival to be held in Bovina. FHA will have several booths at the event.

WMU Has Program, Undergoes Organization Change

The current mission program, "New Patterns for Changing Times" was presented to members of the WMU Tuesday in the First Baptist Church.

Mrs. Keith Garner, new study chairman, was in charge and served as moderator. She was assisted by Mrs. Ovid Lawlis, Mrs. Don Murphy and Mrs. Dickie Steelman. Topics discussed were "Studies and Surveys," "Project 500" and

Square Dance Lessons Start

Square dance classes will begin at 8:30 p.m. Wednesday at the home of Mr. and Mrs. Tom Caldwell, according to Mrs. Jon Lin Riddle of the Square Dance Club.

Eddie Gunnels of Clovis will be teacher for the 10 lessons. Mrs. Riddle said two squares of people have already expressed interest in taking the lessons.

"Home Mission Board Reaching People for Christ."

Other members attending served on the listening team.

The meeting began a new church year for WMU, which is undergoing an organizational change. At the next meeting the WMU will divide into groups and each will name a group leader, which will be the only officer.

Mrs. Lawlis is WMU director; Mrs. Weldon Moody, WMU secretary; Mrs. J. B. Barrett, WMU president; Mrs. Clyde Bartley, activity chairman; Mrs. Keith Garner, study chairman; Mrs. Arnold Hromas, YWA leader.

Leaders of Girls Auxiliary are Mmes. Delbert Hall, Steve Taylor and Don Murphy. Sunbeam leaders include Mrs. Jim Owens, nursery; Mrs. E. G. Steelman and Mrs. Tommy Williams, beginners; Mrs. Bill Smith and Mrs. Kent Glasscock, primary; Mrs. Prentiss Pruitt and Mrs. Gaylon Rhodes, World Friends.

Organizational change of the WMU is an attempt to "get everybody involved and to meet a need."

Thrifty Club Meets In Dixon Home

Thrifty Club of Bovina met Monday afternoon in the home of Mrs. P. O. Dixon. The women worked on their individual projects.

Plans were made for the club's Thanksgiving supper to be held Nov. 18 in the home of Mrs. J. D. Stevens.

Refreshments of strawberry cake, punch and coffee were served Mmes. George Turner, C. A. Bandy, Owen Patton, Myrtle Perry, E. M. Ware, Wilbur Charles, L. M. Grissom, O. H. Jones, George Douglas, Stevens, and Miss Lola Grissom.

MR. AND MRS. STACY QUEEN, JR.

Queen, Lunsford Ceremony Read

Mary McCormick Lunsford and Stacy Queen, Jr. exchanged double ring marriage vows at 6 p.m. Saturday in the home of Mr. and Mrs. A. M. Wilson in Bovina.

Rev. J. B. Fowler, pastor of Bovina United Methodist Church, read the ceremony. Both the bride and bride-

groom are residents of San Antonio. Queen is a former resident of Bovina.

Parents of the couple are John McCormick of Louisa, Kentucky and the late Mr. and Mrs. Stacy Queen, Sr. of Bovina.

The bride wore a street-length dress of blue lace featuring a round neckline. The wrist length sleeves were accented with scallops. She wore a white orchid corsage.

Mrs. Jack Phipps of San Antonio served as matron of honor. Jack Phipps was best man. Following the ceremony a reception was held in the Wilson home.

Queen is a graduate of Bovina High School and is sales representative of Wilson and Company in San Antonio, where the couple will make their home.

Service Of Celebration Marks Milestone Of Church Women

An historic event was held Tuesday in Bovina as women's groups of the newly-formed United Methodist Church participated in the "Service of Celebration Charter Meeting."

The meeting for Woman's Society of Christian Service and Wesleyan Service Guild, along with those over the world, are newly created by the unification of the women's work of the Evangelical United Brethren and the Methodist Church.

A noon luncheon in the Bovina church, of which Mrs. O. H. Jones and Mrs. Ralph Roaming were hostesses, was served preceding the meeting, according to Mrs. Joe Fowler.

The program was highlighted with the signing of the charter

by Mrs. Rouel Barron, WSCS president.

Musical prelude was furnished by Mrs. Jimmie Clements, while Mrs. Leon Ware served as song leader.

Leader of the program was Mrs. Fowler. Mrs. Wilbur Charles represented the Evangelical United Brethren and Mrs. E. M. Ware the Methodist

in presenting the histories of the parent groups.

With the unification of the two churches last spring, the organizations of WSCS and Wesleyan Service Guild will be joined with women's groups of Evangelical United Brethren through the "Service of Celebration Charter Meetings" held in churches during October.

Marriage Licenses Issued

A marriage license was issued from the office of Parmer County Clerk Bonnie Warren on Oct. 4 to David Warren Cutair and Rhonda Kathryn Ruzicka.

District President Do Visit Study Club

Mrs. Lane Decker of Floydada, president of Caprock District Federation, will be the guest speaker Thursday of Bovina Woman's Study Club.

District President Do Visit Study Club

A luncheon at Bovina Restaurant will be held at 1 p.m. on the occasion with the social committee serving as hostesses.

Mrs. Decker will speak to the group on "Projects of Federation." Presiding at the luncheon and program will be Mrs. Arnold Hromas, president of the Bovina club.

The event will be one of the highlights of the year for members of the Bovina organization. Mrs. Decker will reveal the projects she will ask the Caprock District to emphasize during coming months. All members are urged to attend, according to Mrs. O. H. Jones, reporter.

39er Club Has Dinner

Members of the 39ers Club attended two parties recently honoring Mrs. Odie White and Mrs. Paul Jones on their birthdays.

Mrs. Nola Read was hostess at a fried chicken dinner last week when Mrs. White's birthday was celebrated.

Mrs. Jones' birthday was previously observed in the home of Mrs. Robert Read.

A. M. Wilsons Have Party

Mr. and Mrs. A. M. Wilson entertained with a bridge party in their home recently.

Grilled hamburgers and trimmings were served Mr. and Mrs. Leon Grissom, Mr. and Mrs. G. D. Anderson, Jr., Mr. and Mrs. Bob Wilson, Mr. and Mrs. Tom Caldwell, and Mr. and Mrs. Neal Mager.

High prize was won by A.M. Wilson.

SIGNING CHARTER--Mrs. Rouel Barron, seated left, president of the WSCS of United Methodist Church, signs the charter uniting the women's organizations of Evangelical United Brethren and Methodist Churches. Standing is Mrs. Joe Fowler, program chairman. Mrs. Mable Newberry, seated right, is a long-time member of WSCS, who was recently presented a lifetime honorary membership.

4-H Council Meeting Set

The Parmer County 4-H Club Council will meet Saturday, Oct. 12, at 9:30 a.m. in the First

State Bank of Bovina. All council delegates are urged to be present for this meeting by the

and neighborhood 4-H Clubs.

Now is a good time for boys and girls to join 4-H, says Agent Ronny McNutt. Clubs throughout the county are being reorganized. To find out how to join 4-H in your own area, contact a local 4-H member, adult leader or county agents.

Extension Agents, Ronny McNutt and Cricket B. Taylor.

The newly elected 4-H Club officers for 1969 are invited to be present for this council to get acquainted with the function and procedure of the county organization.

4-H'ers Learn Through Work

4-H is more than champion steers, sewing lessons, cooking schools and blue ribbons, say Ronny McNutt and Cricket Taylor, Parmer County Extension Agents. It is a way of life for more than two and one-quarter million boys and girls across the country, he states.

Drawing from the nine to 19-year-old age group, 4-H combines the best of learning and fun. It offers a wide variety of projects and activities which emphasize "learning by doing," and rewards the boy and girl for personal growth and achievement.

Bridge Club Meets Here

The Thursday afternoon bridge club met recently in the home of Mrs. Johnnie Horn with 12 attending.

Orange cake and dips were served to Mmes. Dean McCallum, Bedford Caldwell, Leon Grissom, A. M. Wilson, G. D. Anderson, Jr., Neal Mager, Bob Estes, Robert Wilson, Durward Bell, J. E. Sherrill and Vernon Estes.

Mrs. Grissom won the high prize and Mrs. Caldwell low. The women played bingo for the slam prize, which was won by Mrs. Vernon Estes.

Bovina Area Churches Welcome You!

Church Chuckles by CARTWRIGHT

"With broken arches and high blood pressure, he can no longer golf or bowl. So you MAY have yourself a new church member!"

Sensing God's Presence

Read John 16:25-33

"I am not alone, for the Father is with me."
—John 16:32 (RSV)

OR Jesus, life was a living partnership with God, closer and more intimate than that of husband and wife or parent and child. Always He was conscious of the presence of His heavenly Father, and sought to do only the Father's will. That partnership was so real that He could say, "I and my Father are one."

He never doubted the presence or the power of God as He healed the sick, stilled the storms, or raised the dead. He said, "The Father who dwells in me does his works."

Within a few hours of walking the way of the cross, He was with those whom He had trained and trusted for three years. He said to them, "You . . . will leave me alone; yet I am not alone, for the Father is with me."

Conscious of God's presence, Jesus lived, labored, and loved. Conscious of that same presence in the hour of dying, He said, "Father, into thy hands I commit my spirit!" What a life! What a Savior!

PRAYER: Father, we are challenged by the life of Jesus. You were always so real to Him. To us You sometimes seem far away. The trouble must be in us, and we want to do something about it. Help us to make a full commitment to You. In Jesus' name. Amen.

THOUGHT FOR THE DAY

The more we are conscious of God's presence, the more we try to live for Him.

Content, Tonnage --

'68 Sugar Beet Crop 'One Of Area's Best'

"The 1968 sugar beet crop in the Bovina area will be one of its best ever raised," Richard Hunsaker of Holly Sugar Corporation said Friday.

Sugar content on beets coming into the Bovina loading station is better than last year, and tonnage per acre is likewise better.

Hunsaker said as of Oct. 2 sugar content was reported at 13.64, and should average about 13.5. Not only is the content higher than last year, but area farmers are producing from one and one-half to two tons

more per acre. He estimated that 26 to 27 tons per acre is being harvested in this area. The Bovina station is shipping between 1200 and 1300 tons per day to the Shoup plant at Hereford.

All farmers in the Bovina area are now digging beets, and he states that most are pleased with content and tonnage.

The announcement last week that no restrictions would be placed on the sugar beet industry in West Texas and New Mexico by the U. S. Department of Agriculture was a de-

finite boost to the economy here, Hunsaker stated.

Farmers growing beets for Holly Sugar Corporation are harvesting from 42,000 acres. The fact that no restrictions have been placed on the crop will allow the Hereford plant to increase its capacity, thus allowing for more acreage for growers. However, a definite acreage increase has not been determined, Hunsaker said.

Farmers began hauling beets to the Bovina loading station Sept. 23. Harvest is expected to continue through December.

NATIONAL 4-H CLUB WEEK

is being observed this week with emphasis on 4-H benefits for young people. The 4-H Club activities offer a world of opportunity for girls and boys to "learn by doing." It also offers opportunity to compete with each other. After all they will soon face a highly competitive society and learning to meet competition will be a very important part of their education. Too many boys and girls never learned this and shrink away from our highly competitive society by becoming "hippies" and "yuppies". In the modern 4-H program, members choose projects or

everyday learning experiences that fit them and the places where they live. They learn "why" as well as "how's" in stressing science. In food projects, for instance, 4-H boys and girls not only learn to prepare goods from the basic four food groups, but they learn the amounts needed each day, to maintain normal weight and good nutritional health. These are important lessons. One of the greatest health problems in America today is "overweight" which is certainly one form of malnutrition.

In the Home Economic field, the most popular projects in Parmer County this year in 4-H have been Clothing, Foods and Nutrition, Child Care, Money Management, Parliamentary Procedure, and Housing and Home Furnishings. Trained volunteer adult leaders render valuable service in the clubs they lead, and their services are appreciated by the boys and girls and their parents with whom they work.

The competitive projects with award programs have proven most popular, however local achievement events for non-competitive projects provide incentive for 4-H'ers too.

Older 4-H members in Parmer County, who have developed into Junior leaders, are also credited by the local Extension agent with helping make the 4-H program a worthwhile activity.

Parents and girls and boys are extended a special invitation to visit local 4-H club meetings in the county for more information about 4-H.

TOMMY E. CRUMP

Tommy Crump In Security Police School

Tommy E. Crump, son of Mr. and Mrs. A. E. Crump of Bovina, is in the Security Police Technical School training program at Lackland Air Force Base in San Antonio.

He entered the Air Force July 30 and will serve four years.

Crump finished basic training Sept. 11 before entering the Security Police school. When he completes this course on Oct. 25, he will come home on a 30 day leave.

CONTEST

FOOTBALL

You May Win Weekly Prizes Of \$5-\$3-\$1

PLUS The Grand Prize --- An Expense-Paid * Trip For Two To The Cotton Bowl

★ Expenses include two tickets to Cotton Bowl game, paid reservations for two and \$55 for food and traveling expenses.

It's Fun - It's Easy -
You May Win!
Enter This Week And
Every Week -
All You Have To Do Is Pick
The Winners. There's Nothing
To Buy!

Contest Rules

1. There are 10 football games listed in ads on this page.
2. Pick the team you think will win in each game and place the WINNER'S NAME beside same advertiser's name in the contest entry blank at bottom right of this ad.
3. Pick the score of the tie breaker game and place your guess in the appropriate blanks on the entry. The tie breaker game will not count on your won-lost record. It will be used only in case of a tie.
4. Winners will be named by the Monday following the contest deadline each Friday and they will be named by Sunday, if possible. Cash prizes of \$5 for first, \$3 for second, and third prize of \$1 will be awarded.
5. Tabulations of individual entrants will be kept all season and at the end of the season a grand prize winner will be named. Grand prize winner will receive two free tickets to Cotton Bowl game plus hotel, food and traveling expenses to Dallas and the January 1, 1969 football classic.
6. There is nothing to buy. No requirements other than to bring the entry blank, filled out, to The Blade office by 5 p.m. or postmarked by 5 p.m. Friday.
7. Only one entry blank may be submitted per individual. If more than one blank is submitted by an individual, all will be disqualified.
8. Tabulations will be available for public inspection. Members of Blade staff will serve as judges for contest.
9. Contestants must be 10 years old or older.
10. Everyone, except employees of this newspaper and their families, is eligible to enter.

Over Nazareth, 47-0 --

Big Second Period Gives Bovina Victory

Racking up 26 points in the second quarter, the Bovina Mustangs blasted out a 47-0 verdict over the outclassed, but classy Nazareth Swifts here Friday night.

The win was an easy one for the Mustangs who made one touchdown in the first period added on the 26 in the second, got 14 more on pass plays in the third quarter and then coasted on in for the win in the non-district tilt.

The Nazareth team, which now has a season record of 1-2, was never in the game and had only five net yards offensively until late in the first half when the Ponies already had a 33-0 lead. The visitors put a good pass play—24 yards—and a 20 yard run into a drive which carried to the Bovina five yard line as time ran out on the first half.

Bovina's first score came with 7:03 remaining in the first period. Quarterback Stuart McMeans got the six-pointer on a four-yard dash. The Mustangs got the ball on their own 23 after opening game fumble trade-outs. Bovina fumbled on the first play from scrimmage, giving Nazareth the ball on the Mustang 27. Four plays later, they got the ball back on a Swift miscue. It was smooth sailing then from the 23 into the score as the 77 yards were covered in 10 plays.

McMeans then added his first of five successful extra point kicks to give the host team a 7-0 margin.

The scoreboard lights really go a pinball machine workout in the second quarter.

On the opening play of the second stanza, Halfback Ronny Dyer dove in from the one to make it 13-0. The conversion kick was blocked. For that score, the Ponies got possession at the Nazareth 21 yard line as a bad snap from center on an attempted punt was recovered by Jackie Hall. It took six infantry maneuvers to get the touchdown.

On the following kickoff, the Swifts were held on downs and forced to punt. Safetyman Phil Sorley returned the kick from the midfield strip to the Nazareth 34. On the first play from there, McMeans danced in for the score.

The extra point kick made it 20-0.

The fourth touchdown was the easiest the Mustangs have made all year.

Rodney Murphy kicked off to the stunned Swifts. The ball

rolled dead in the endzone and was covered there by Mike Beauchamp for a six point gift without the Swifts touching the pigskin.

McMeans' kick boosted the score to 27-0.

The fourth scoring play of the quarter came just minutes later on a five-yard run by Halfback Danny Stanberry. The Swifts were again held on downs and forced to punt, the Mustangs, who put it in play on the 48 and got the score in nine plays with all four of the backs taking a part in moving the ball goalward.

Coach Roy Stone put in his second unit with a few minutes remaining in the first half and the scoring was over. The Swifts were probably thankful for that.

The Mustangs were in complete command of the game going into the second half and limited their offense. However, they picked up two quick scores with less than two minutes remaining in the third frame. McMeans threw to freshman End Kelly Jamerson for the first of the pair on a 19-yard play. Jamerson was playing for

Sorley who received an ankle injury late in the second quarter.

After the Mustangs kicked off to the Swifts, Murphy intercepted a pass, giving Bovina possession again, this time at the Mustang 47. On the fourth play from there, McMeans hit Murphy with a 37-yard pass and run play for the final score. McMeans' kick made the score 47-0.

Reserves handled the offensive chores for Bovina in the final 12 minutes while the Mustang defense continued to hold the Swifts at bay.

The win made Bovina's record 3-1.

This was easily the Mustangs' best game of the season, but the opposition was admittedly weaker than any of the previous three foes.

Dyer was the leading ball-carrier for the Ponies. He netted 94 yards in 16 runs. Stanberry had 80 yards in 14 trips. McMeans was eight for 77 and Fullback Royce Sisk picked up 57 steps as he was handed the leather 11 times.

Defense Good --

Colts Fall 12-2 To Lazbuddie

Lazbuddie came to town Thursday and took home a 12-2 victory over the Bovina Colts, but not before meeting a vastly improved defense.

The visitors downed Bovina in the first game of the season 16-0 at Lazbuddie.

Coach Bill Nicholas' Colts led the scoring in the first half of play 2-0. Bovina scored a safety in the first quarter, when Jess McCormick, Kim Rundell and the entire left side of the line stopped Lazbuddie behind their own goal line.

The visitors scored once in the third quarter and once in the fourth, but were unable to run over extra points.

Bovina threatened once in second half on a 50 yard pass play from Quarterback Benny McCain to Right End Allen Cokerham that ended at the Lazbuddie 25. However, the Colts were unable to make progress from that point.

Nicholas said the entire team looked good on defense, but more work needs to be done on offense. The only injury in the game was a dislocated finger for Jeff McCormick.

The remainder of the junior high games will feature two

games, one for seventh grade and one for eighth, except for the final clash with Vega.

The seventh and eighth graders and "B" team travel to Canyon Thursday for three games.

Colts, 'B' Team Play At Canyon

Seventh and eighth grade Junior High football teams and High School "B" team will travel to Canyon Thursday for three games.

The first game will begin at 5 p.m.

All Junior High games will include two games for the remainder of the season, except for the last scheduled with Vega, according to Coach Bill Nicholas. The seventh and eighth grade teams have previously been combined for one game this year.

A JOHNNY HARTFORD SCHOOL SAFETY TIP

Walking Safely—Plan the safest way to walk to school. Always walk on the left side of the road facing traffic if there are no sidewalks. Look out at corners for turning cars. When it gets dark early, wear something white so you can be seen easily. Don't run into the street between parked cars. (This safety panel, one of a series for JUNIOR FIRE MARSHAL, has been prepared as a public service of The Hartford Insurance Group.)

School Menus

Monday: Weiners and kraut, creamed potatoes, English peas, rolls, butter, milk, rice pudding.

Tuesday: Barbeque burgers, buttered corn, cabbage slaw, pickles, milk, pears.

Wednesday: Steak and gravy, creamed potatoes, green beans, rolls, butter, milk, apple sauce cake.

Thursday: Tamales, beans, lettuce and tomato salad, cornbread, butter, milk, peach halves.

Friday: Fish, tartare sauce, au gratin potatoes, stuffed celery, beets, rolls, butter, milk, fruit jello.

Linda Rejino On Council

Freshmen representatives on the student council have been elected at Marymount College at Salina, Kansas.

Those elected are Mary Roesner, R. R. 3, Salina, Kan.; Erlinda Rejino, Bovina; Cheryl McCarty, Ashland, Kan.

These students will represent the freshman class on the council for the 1968-69 school year. Erlinda is the daughter of Mr. and Mrs. Ben C. Rejino of Bovina.

Bookmobile

The Library High Plains Bookmobile will be in Bovina on Thursday, Oct. 10, from 12 noon until 3:30 p.m., according to Lorene Sooter, librarian. The Bookmobile will be at West Camp from 9:15 until 10:15 a.m. and at Lariat from 10:30 until 11:30 a.m.

'The Mustang' --

School Yearbook Work Underway

Work has begun on the Bovina Schools yearbook, "The Mustang," according to Mrs. Glendon Sudderth, sponsor, and staff members will begin selling the books in the near future.

Sheryl Lane and Myrna Ritchie are senior editors of the publication. Bruce Caldwell and Candy Wilson are the junior editors.

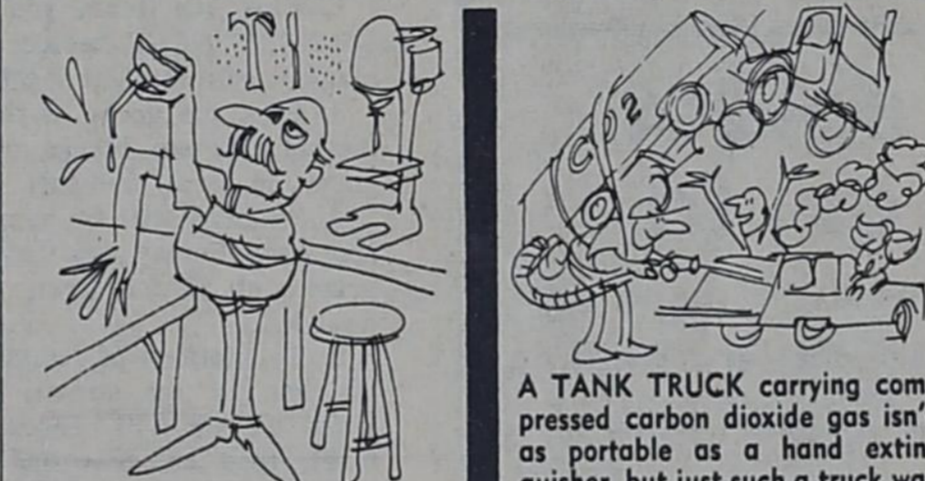

Members of the senior class

make up the staff for the yearbook and will help in various capacities, Mrs. Sudderth said.

Businessmen and individuals in the area are now being contacted for advertisements in "The Mustang." When this is completed sales of the yearbook will begin.

The school yearbook features students from the first through 12th grades, along with their activities and honors received.

SCIENCE SKETCHES

THERE'S METAL in them thar cells! So report Stanford University scientists who are detecting tiny traces of metals in human flesh cells. They are using a laser beam to vaporize tissue to get a spectrum of the cell's chemical composition.

A TANK TRUCK carrying compressed carbon dioxide gas isn't as portable as a hand extinguisher, but just such a truck was a perfect extinguisher recently. Cardox driver Leonard A. Smith stopped to aid a family whose station wagon had caught fire. They had no extinguisher so he backed his truck to the car, attached hoses and applied carbon dioxide.

JUNIOR HIGH--Cheerleaders in Bovina Junior High School this year include, left to right, standing, Terri Willard, seventh grade; Debbie Sorley, eighth grade; Darla Hawkins, seventh; kneeling, Nancy Hutto, seventh; and Jane Russell, eighth grade.

There Friday Night --

Mustangs Underdogs In Frenship Game

Bovina's Mustangs, with a 3-1 record, conclude their non-district schedule Friday night at Wolforth as they take on the Class AA Frenship Tigers.

Victory by the Mustangs would send them into district competition the following week against the Sudan Hornets on a winning note. However, the Tigers, who are undefeated this season, will be heavily favored to keep their loss record intact.

Frenship has bounced back this season after suffering 19 consecutive losses over the past two years and has won three games while tying one—Boys Ranch, 20-20. Their wins have been over Cooper last week, 7-6; New Deal, 60-6; and Lorenzo, 12-0.

The Tigers are members of District 4-AA.

Kickoff time will be 8 p.m. "We'll have to play our best game of the season to win," says Mustang Mentor Roy Stone about this week's tilt. "We haven't played a game yet that would have defeated them."

This will be the first time in history for the teams to meet on the football field. A report on this week's Mustang opposition indicates they have size, fairly good speed and adequate experience. From a size standpoint, the Tigers aren't overly big, but they're uniform and don't have any small players.

Riding the School Bus—Be at your bus stop on time. Stand back off the road. No pushing and shoving or scrambling for seats. Sit down quietly and stay that way while the bus is moving. Do what the driver tells you. Be courteous to him and other passengers. Your bus isn't a trash can, keep it clean. Watch for traffic when you get off. (This safety panel, one of a series for JUNIOR FIRE MARSHAL, has been prepared as a public service of The Hartford Insurance Group.)

Coach Stone goes on to say that Frenship has a good set of backs with none of the four being a standout over the others. "They're all good," he emphasizes.

Coach Stone had praise for his linebackers following the Nazareth game last week—Bobby Redden, Danny Stanberry and Rodney Murphy. The linebacking department showed a weakness in the Lazbuddie game the week before and changes were made which Stone believes strengthens the team defensively.

This will be the third game of the season away from the friendly confines of Mustang filed for the Maroon and White. They played at Lazbuddie and Happy, breaking even in those two tilts.

In district competition, the Mustangs will meet three of their five opponents on the home field.

Physically, the Mustangs are expected to be at near full strength for the Frenship battle. The number of varsity players available for action is expected to be limited due to a B team game Thursday at Canyon. Stone expects to have only about 16 players available for the Tiger game.

Frenship is the name of the school in the community of Wolforth, which is located west of Lubbock, 12 miles south of Shallowater. Bovina fans going to the game are advised to turn south at Shallowater to get to Wolforth.
