

Bull Town Bulletins

By
Bill Ellis

SINCE THE REAGAN administration has embarked upon a program of austerity, cutbacks and fiscal responsibility, there are any number of federal programs which should come under scrutiny.

Chief among these is the Davis-Bacon Act of 1931, a 50-year-old relic of Depression Days, which costs American taxpayers billions of dollars every year.

What the Davis-Bacon Act does, is determine the "prevailing wage" for a locality, in which a government contract is being awarded. The only catch is, that the "prevailing wage" is usually double what the actual wage-earners are receiving.

The law was passed when wage-earners were being exploited, taken advantage of by unscrupulous contractors. But in today's world, with federal wage and hour laws, the Davis-Bacon act isn't even needed.

In a public housing project in Chicago, for example, a contractor could hire a few old-time janitors for simple jobs, but today he cannot do this. A janitor could change a burned-out light bulb, but the public housing project has to call in a union-wage electrician.

A janitor could replace a broken toilet seat, but a union plumber is required. If a pilot light goes out, a union pipefitter, courtesy of Davis-Bacon, is summoned. Who pays for this extravagance? You guessed it.

An official of the Chicago Housing Authority, testifying in Washington recently, said he thought the Davis-Bacon Act was costing Americans from \$15 to \$20 billion per year.

ANOTHER AREA IN which government could save money is in closer scrutiny of itself. The Justice Department contends that as much as ten per cent of federal expenditures may be eaten up by waste, abuse and fraud.

Why not a closer scrutiny of ALL non-essential spending?

For instance, there is a law which allows the General Services Administration to spend one-half of one per cent of new federal building costs on works of art.

As a result, a sculpture consisting of four large steel plates propped up by telephone poles was erected outside a new federal building in Huron, South Dakota, much to the dismay of local citizens, who petitioned to have it removed.

In Columbia, South Carolina, citizens picketed to protest the \$65,000 cost of a 7,000-pound aluminum structure in front of a federal building.

In all, the above program has cost taxpayers over \$6 million, and continues uncontrolled in the new budget.

Then, there are programs such as the Texas Rural Legal Aid program, whose main acts since its inception has been to file suits against the U.S. Government--the very hand that feeds it, and created it to begin with.

It has been a mind-boggling situation to those of us who do not understand the complexities of government to realize that government can create an entity, pour hundreds of thousands of dollars into it, and then sit back and allow that entity to use the government as its number one whipping boy.

If this were going on on a local basis, the TRLA would have lasted just about a week--or until such time as the first anti-government suit was filed.

• Insanity is not a distinct and separate empire; our ordinary life borders upon it, and we cross the frontier in some part of our nature.

Four terms will expire with the upcoming city elections on April 3, 1982.

Terms expiring are those of Mayor R.R. Lusk, Aldermen B.J. Charles, Dean Hastings and Dale Gober, who also serves as mayor pro-tem.

The deadline for filing for a city office is no later than March 3, or thirty days prior to the election which is to be held on April 3.

Filing may be done during regular business hours at City Hall and the city manager or secretary can assist an applicant with the filings.

According to City Manager Tom Bonds, there have not yet been any applicants for the City Aldermen or mayoral positions.

During the City Council meeting, which was held after press time, Tuesday, an election judge was appointed by the Aldermen.

Radio, TV School Spots Are Listed

Any inclement weather reports concerning the school operations will be passed along on these stations and Superintendent Bob Owens said that by tuning in to these stations, one could find out more information on a shorter length of time than by trying to contact school officials.

Chamber Meet Re-Scheduled

The directors of the Bovina Chamber of Commerce and Agriculture will have their regularly scheduled February meeting Wednesday, February 10 in the Bovina Restaurant, set for noon.

The meeting was originally set for February 3, but due to the weather conditions last week, it was cancelled and set for this Wednesday.

REFLECTIONS From The Blade

25 YEARS AGO—FEB. 6, 1957
Burglars were at their business again over the weekend in Bovina. An estimated \$200 worth of cash and merchandise was taken from Gaines Hardware Company in Bovina either Saturday or Sunday night. Bovina has set a Parmer County record for money raised during a March of Dimes campaign. By collecting \$1,056.45 during the month-long, just completed, 1957 drive, the community became the first in the county to reach the \$1,000 figure.

Members of Bovina Methodist Church discussed plans for building a new educational building at a meeting Monday night at the church. Tom Hartwell was elected commander of Bovina American Legion Monday night and was installed with other new officers for 1957. The commander's post became vacant when Jack Clayton, who was elected last month, resigned.

20 YEARS AGO—FEB. 7, 1962
John Zahn, Farwell, real estate dealer, has announced that he will seek election as State Senator from the 30th Senatorial District which includes Parmer County.

For the fourth consecutive year, a Bovina farmer has been named state champion corn producer by DeKalb Agricultural Association. This year's winner is Marlin Ferguson, who had an average yield of 174 bushels per acre.

Bovina Dry Goods has reopened under management of Edward Isaac, who has moved here with his family from Lubbock. He plans to remodel the building his store occupies on Main Street. That work is scheduled to begin soon.

Members of Bovina Church of Christ are on brink of launching an \$85,000 church building program. Construction is scheduled to begin

15 YEARS AGO—FEB. 8, 1967
Voters turned out in record numbers in the school bond election here Tuesday, to give the two-grade elementary school and cafeteria a slim nod of 222 for and 210 against. Turned down was a new football stadium and field house.

Snow was beginning to fall here Tuesday afternoon and was accompanied by high winds. Only perhaps a trace of moisture has been received in Bovina the first six months of 1967 and very little has been measured since late summer. Sears Roebuck Foundation has notified the Bovina Women's Club that Bovina "passed" the medical survey conducted here last fall.

10 YEARS AGO—FEB. 9, 1972
Bob Fillpot, manager of Bovina Chamber of Commerce and Agriculture for the past several years, resigned his position at a Wednesday dinner meeting of board of directors of the organization. Fillpot's resignation will become effective March 1.

Bovina's city employees received pay increases of 5.5 per cent each at a Thursday night session of the city council. Five people are currently on the city payroll.

Ambitious plans for a new track for the use of athletes of Bovina Schools were announced following a joint meeting of Bovina Mustang Booster Club members and the school board Monday night.

Ten new members were installed into the Bovina High School Chapter of the National Honor Society in a special assembly Wednesday afternoon of last week in the school auditorium.

5 YEARS AGO—FEB. 9, 1977
Mrs. Gladys Spring has been named vice-chairman in charge of publicity in Bovina for the Parmer County Heart Association, by Rose Mabry, county publicity chairman. "New Spirit, New Commitments, New America"—those were the words heading the printed programs, words which seemed to have a renewed significance to every person attending the offering of the American Flag, given to the Bovina Independent School District through the good offices of U.S. Representative George Mahon, and presented by the Mac Glasscock family.

Blade's Edge

Commentary From The Editor

By Janet Wilke

Some people never seem to be happy!

Here we were, needing precipitation in any form, and what does it do but up and snow...but, now we have to listen endlessly it seems sometimes, to those persons who want it to stop.

The farmers and agriculturists in the area would not agree, I don't believe.

Since the last rain, or any type of moisture had been quite a while back, it is nice to see some kind of moisture falling on the area farms.

It makes me think that maybe there is hope for the farmer, after all.

So, for those of you who insist on blaming all of life's ills on snow, pray for rain, instead, to occupy your time.

It might keep your farming neighbor out of the hole this year.

We received in the mail recently a send out from Senator Bill Sarpalius, who was, prior to his own political career, an aide to House Speaker Bill Clayton. The Senator from Hereford had several important things to remind us concerning Clayton, and I quote briefly: "Bill Clayton is one of the finest public servants this state has ever had or will ever have. He came to Legislature 20 years ago, armed with only native intelligence, a sense of fair play and a desire to serve and not to take from the state."

"Bill Clayton, the farmer from Springlake, appointed the first black, the first woman and the first Republican House Committee Chairman in this century. He did this out of fairness."

It was obvious, from reading over Sen. Sarpalius' column, that his affection for Clayton was total, and it has been evident in the past and throughout the entire recent past, that Bill Clayton's reputation, has, indeed, stood the test of time.

I thought that one comment the senator made was especially fitting when he named Clayton, "the farmer from Springlake."

Farmers and farm people are the types who will share their last bite

Letter To The Editor

Open Letter To Parents:

Dear Parent,

The education of your child is a very important and complicated endeavor. It cannot be accomplished if the total responsibility is left to the schools. The home must get involved, if it is not already. With this kind of "partnership" in operation the chances of the total educational process being successful is vastly increased!

In the Bovina Schools this year, we have made some changes in our reading program. There is a great deal of research to back up the fact that grade level and reading level do not always refer to the same thing. We have tried to expand our reading program to encompass all children where they are. We hope that this will result in the production of better readers throughout our system.

Changing programs is never an easy task. Invariably there are problems that were not anticipated at the outset. I believe that our teachers have done an excellent job of adjusting and working with these problems. I feel very good about the reading program at this time.

If you have children involved in reading and you do not understand the program, let me suggest that you visit your teacher. The teacher will be very glad to sit down and talk with you concerning the total program.

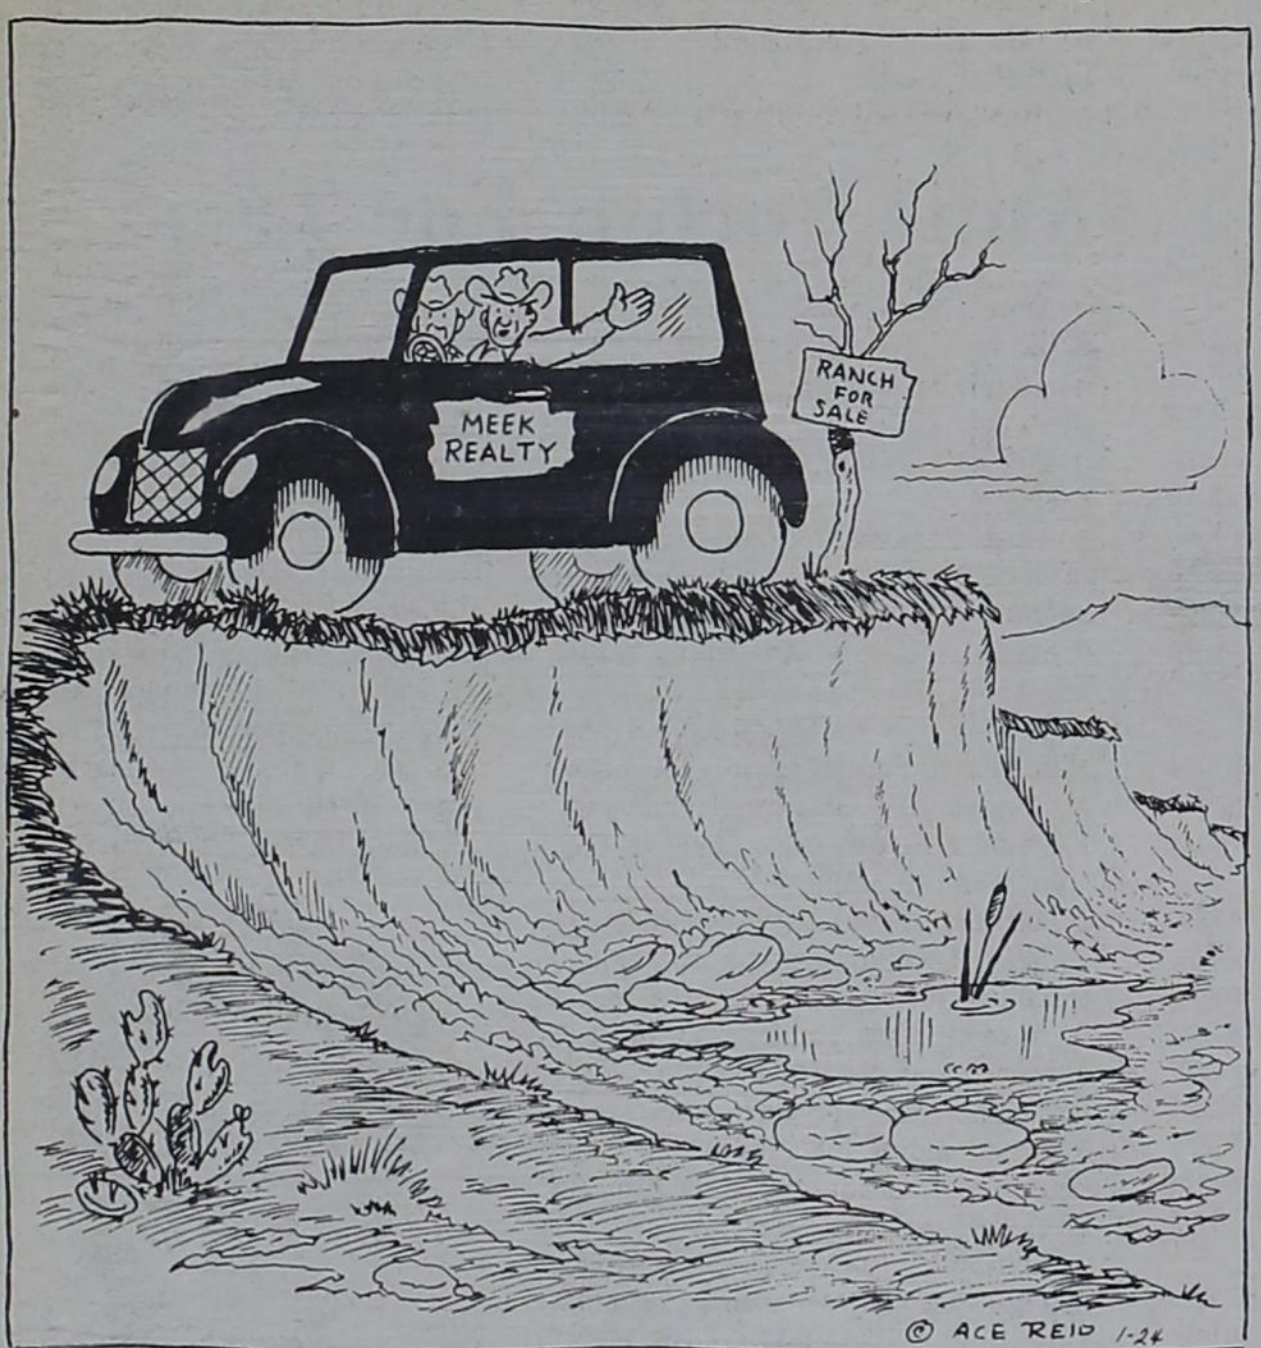

Parents, you do play a vital part in the education of your child. We, the school, accept the primary responsibility for the education of your child, but we cannot do it without your support. Education is only important to our young people, as a general rule, only if they believe it is important to their parents.

Sincerely,
Bob Owen, Supt. of Schools

55 MPH--A Law We Can Live With!!

During 1981, Parmer County was rated second out of fifty-four Panhandle counties for highway traffic fatalities. Our county produced eleven fatalities in 1981 alone, and has already produced two in 1982. This growing tragedy has become one of the main concerns of the law enforcement departments and officials of Parmer County.

Officers Lindel Davis and Mark Ancira, both patrolmen with the City of Friona, have recently sent out letters to local and a few area schools offering a free program to any classes or clubs within a school system or community. The program will be over safety driving, and will be presented in a manner as to obtain ideas and questions from the viewers of the program.

Also assisting in the presentation of the program will be Bovina City Marshall John Detten.

Two People Killed On Highway 60

Two New Mexico residents were killed Saturday, January 30 when the pickup truck they were in collided with a tractor-trailer rig on U.S. 60 near Friona.

Killed were Vonnie Jasper, 55, and Virginia K. Heine, 50, both of Roswell, N.M., said a Texas Department of Public Safety officer.

The accident occurred two miles southwest of Friona, the officer said.

The tractor-trailer rig, operated by Robert Dwayne Holt, 38, Springdale, Arkansas, was traveling northeast at the time of the accident when it hit an icy spot in the road and slid sideways, the officer said.

The pickup truck hit the rig broadside and both victims were pronounced dead at the scene, by Justice of the Peace Frances Euler.

Holt is charged with criminally negligent homicide, said DPS Sgt. Billy Don Scott of Hereford. The violation is a Class A misdemeanor and carries a penalty of one year in jail or a \$2,000 fine or both, he said.

DPS Trooper Jim Bishop of Farwell, Texas, is the officer in charge of investigating the double fatality.

Holt was freed on \$2,000 bond, with arraignment set for Wednesday morning.

He came home from the hospital Saturday and Gwin, his wife, told me he is getting along real well and they thought the surgery would take care of his problem. Jimmie was in a bad accident April 1980. Gwin said Jimmie is in a brace but is able to sit up for about thirty minutes at a time and all visitors are welcome.

Brother John Ferguson of Edinburg and former pastor of the First Baptist Church in Bovina was hospitalized with stomach problems during the month of January. Friends tell us he is getting along fine and is out of the hospital. He and his wife Bernice are visiting in Houston now with daughter Suzanne and son-in-law Gary Messersmith and the Ferguson's new granddaughter, Lindsey. The Messersmiths also have a three-year-old daughter, Ashley.

D'Anne, daughter of Joe and Denise Jones, was hospitalized in the Muleshoe hospital Monday of last week. I talked with her dad, Joe, and he was telling me she was dismissed from the hospital last Wednesday and is getting along fine after having bronchial pneumonia.

Anne Corn underwent surgery at the Northwest Texas Hospital in Amarillo about two weeks ago. She spent a week following her hospital stay with her daughter, Doris, and family in Amarillo before returning to Bovina. She says she is getting along just great.

Darlene and Stan Miller spent the weekend with Darlene's sister and brother-in-law, Arlene and Luis Koiner, of Levelland. They went last Friday and returned home Sunday night.

Sheryl and Donnie Meason and daughter, Nicole, were in Bovina visiting their families. Sheryl is the daughter of Alice Moore and Donnie is the son of Pete and Margaret Meason.

Mona Smith is home after spending several weeks in the hospital. I talked with her son, Neil, of San Antonio and he said his mother is getting along much better. He also told me his brother, Charles, will be in California this week. Mrs. Smith has a daughter in Tulsa and one son in Iowa.

Mrs. C.F. Hastings is a patient in the Friona hospital. She is a resident of Prairie Acres in Friona and lived in Bovina many years. She is Dean Hastings' and Donalita Hawkins' mother. I talked with Donalita Tuesday of this week and she said her mother had a rash possibly caused from a blood disorder, but was not seriously ill. Said tests are being run.

June McMeans of Amarillo and her son Stuart who is on leave from the US Marine Corps, came last Saturday to Bovina and have been

visiting family and friends. June is the daughter of Joe and Reagan Looney.

June was telling me Stuart is being transferred to Corpus Christi after being stationed in Hawaii for three years. June and Bob and their four sons lived in Bovina many years and the boys attended school in Bovina. I asked about the other three and she said Mike is working for E System which is an aircraft plant in Greenville, Bobby is a painter in Amarillo and J.B. works for Santa Fe and also lives in Amarillo. She said husband Bob is fishing at Falcon this week.

Willie Mae Ross is a patient in the Parmer County Community Hospital. She entered the hospital a week ago Monday. She is in room 19. Friends say they don't know when she will be released.

Ken and Terri Sorley and Terry and Sabina Schilling went last Tuesday to Red River and enjoyed a couple of days skiing. Terri said there was about a 20 inch base, the weather was perfect, and the countryside was very lovely. They returned home Thursday.

Jim Roberts who was a patient in a Lubbock hospital was moved to Parmer County Community Hospital Monday of this week. I talked with his son-in-law, Edwin Lide, and he was telling me Mr. Roberts had suffered two or three strokes in the past few weeks.

The Senior Citizens will be sponsoring a supper Saturday evening beginning at 5 p.m. in the Senior Citizens Building. The menu is beans, cornbread, cole slaw, cobbler, tea and coffee. The admission is \$3 and \$1.50. You'll want to come and bring your family because this is going to be a delicious treat for our community. There will also be entertainment so come early for a good seat.

Have a fine week and thank you for helping with the Scoops.... Scooter.

Hart, Springlake Are Competition For Bovina

The Bovina Mustangs and Fillies are continuing district action as they met two district opponents last week, in Hart and Springlake.

In the varsity girls game, Bovina outlasted Hart, after losing to them earlier in the year, by a 53-43 margin. Connie Shelby led in scoring with 15 as Lisa Shepherd and Stacey Whitecotton each had 11, Rande Cupit had 12, Sonya Mayfield and Lisa Schilling each had two to finish off the Bovina scoring. Bovina led throughout the entire

game and at one time had a margin of 11 points for a high total.

The Fillies made 51 per cent of their field goals in this game and also made 13 of 24 free shots for a little more than half.

In the varsity boys game, Bovina overwhelmed Hart by 30 points, 80-50.

Richard Shepherd scored 23 points for Bovina with Bull Chisom getting 16, Ricky Shepherd with 14, Greg McClaran 12, Jon Riddle five, Charlie Trimble and Joe Black four each and Dale Gilbreath two.

Derek Rich for Hart led with 18 points.

Bovina shot 50 per cent in field goals in the game and had a 47 per cent average in free shots during the game.

Richard Shepherd and Bull Chisom led in rebounding with Shepherd getting six and three and Chisom with 4-8.

Bovina had eight steals in the game and 20 assists to blow out the competition.

In a cancelled Thursday night game, which was played Saturday, the Fillies were beaten by Springlake by seven points, 37-30.

The Fillies had the game tied at the end of the first half of play, but the Wolverines came back and outscored Bovina by seven points and kept the lead until the end of the game.

Scoring for the Fillies was low, with Connie Shelby getting only seven points and the high point, Lisa Shepherd, only scoring nine. Others scoring included Lisa Schilling three, Rande Cupit two, Sonya Mayfield seven and Beverly Barrett from the JV with two.

Lisa Shepherd led in rebounding with six each way and Connie Shelby was close behind her with four each way.

The Fillies shot 16 per cent from the field (10 of 63 attempts) and made eight of 14 free throws.

In the varsity boys game, Bovina blasted Springlake, 81-40.

The Mustangs never let their opponents get a lead and had as high as a 28 point lead over the Wolverines in the third period, and their strength was evident throughout the entire game.

Richard Shepherd led in scoring with 21, as Joe Black had 13, Greg McClaran had 13, Ricky Shepherd 11, Dale Gilbreath eight, Bull Chisom six and Jon Riddle and Charlie Trimble each with five.

David Cleavinger of Springlake had 14 points.

Bull Chisom led in rebounding with five and seven, and Greg McClaran had five and three.

The Mustangs had an average of 49 per cent completion from the floor and 44 per cent from the free throw line in shooting. Bovina players made 19 assists and had seven steals from Springlake.

Jon Riddle was cited for his play in the game, and Coach Clifford Neal said, "Jon is a good passing point guard...maybe as good as anyone around."

Bovina is now the possessor of a 17-7 record for the year and is tied with Kress for first place in district.

According to the coach, if Bovina beats Farwell and Vega and Vega in turn beats Kress, Bovina will be going into the district tournament as the first place seed. Otherwise, if Kress beats Vega there will be a coin toss for a three-way tie.

February 18-20 is set aside for the district tourney and Bovina's chances of having one varsity team and possibly two, are getting better and better.

CAC Board Sets Annual Meeting Date

The Parmer County Community Action Center Advisory Board meeting was held January 27 at 7:30 p.m. with eleven members present. The meeting was called to order by Charles Turner, chairman.

Before the minutes were read, the group elected Janie Robles to replace, as member and secretary, Maria Bazaldua, who resigned after the September meeting.

Minutes were then read by Janie Robles, board secretary, and approved by the group.

The Center monthly report was given by the Center coordinator, Pearl Cervantez. Programs in progress at this time are Rent Subsidy Program, Homemakers Services and Medical Transportation, (medicare-volunteer drivers).

Main topic of the evening was making plans for the Annual Community Meeting, which will take place February 18 at 7:30 p.m. at the First State Bank in Bovina, at which time present vacancies will be filled and new members will be elected.

The meeting was adjourned. Members present were Charles Turner, Francis Euler, Raymond Euler, Maria Robledo, Eva Florez, Marie Venable, Julia Garza, Emiliania Martinez, Anita Alonzo, Helen Mazurek and Janie Robles.

Local RA Chapter Has Good Record

Local Royal Ambassador members from the Bovina First Baptist Church are gearing up for a basketball showdown in Plainview as the Crusaders team is an almost cinch to make the area playoffs, with their 3-0 record.

The R.A. Lads, the younger of the two teams, will watch for possibilities in the near future as they possess a 1-1-1 record for the year, to date.

The next game for the teams will be played at Amherst, with the Lads facing Levelland and the Crusaders facing Muleshoe in district competition, on Saturday, February 13.

Members of the Crusaders team are Randy Stone, Zed Stewart, Scott Scaff, Billy Scott Sudderth, Clay Carrell, Bud Venable and Vidal Gomez. This team is coached by Larry Hodnett.

Members of the Lads team are Corey Kirkpatrick, Corey Mitchell, Chris Caldwell, Brandon Caldwell, Ryan Sudderth, Rusty Venable, Brandon Williams and Kirby Carrell, coach.

Both teams are assisted from time to time by Eugene Griffin.

The Lads are youngsters who are in grades 1-3 and the Crusaders are boys in grades 4-6.

The teams have played every Saturday since January, and are hoping to land in the area playoffs in Plainview soon.

They have regular competition against district teams, including Levelland, Sudan, Ropes, Quitaque,

Amherst and Muleshoe, among others.

The playoffs in Plainview will be held February 27 and there is a good chance that there will be at least one Bovina team represented.

However, coach Carrell says that winning is not all that the R.A.'s are interested in.

In fact, there is a lot more to being a member of the R.A. team than just being a good player.

"All these kids involved in R.A. basketball have to do their R.A. work before they are allowed to be on any R.A. team. And, although this is a Baptist church-related function, we have kids in it from all faiths. The main thing is that we want this to be a Christian activity for the boys and we hope they will get something more meaningful out of this later on," said the coach.

After basketball is over, the R.A. will concentrate on track, then, later in the year, there will be other activities which will correspond with the season.

Much good should be said of these kids, who spend each Saturday on a basketball court, learning the meaning of good, clean sports competition, but not enough can be said of the three men who so unselfishly devote their time to these youngsters.

This may be, perhaps, the one thing that makes this basketball program work so well...the type of men who will spend some of their time each weekend with a bunch of kids.

Coach Roy Phelps said he felt the team did not look as sharp as they should have against Hart, but felt they did well.

Eighth graders won, 24-10 with the game ending at the half, due to weather conditions.

Chet Hawkins had eight, Blake Scaff had five as did Matt Howell and Amador Elias and Terry Glasscock each had two points to round out the scoring.

"The eighth graders showed a lot of hustle in this game, and were able to score well from the start," said the coach.

Freddie Gomez had five and Mario Lara had six.

In the girls eighth grade game, Bovina bombarded Springlake, 41-14.

Bovina held on to an 11-10 halftime lead to win a tough game. "We slowed the ball game down and took Springlake out of their game plan," said Coach Phelps.

In a game played Monday night, Bovina took four games from Farwell.

In the girls games, Bovina seventh grade won 20-11, with Robbie Stowers leading in the scoring with six, Mary Lou Fuentez five, Valerie Shepherd four, Mindy Neal three and Nellie Tamez two.

Bovina never let their county rival overcome them and led throughout the entire game.

Seventh grade boys whipped the Steers, 38-11.

Steve Lara led in scoring with 14, as Michael Shepherd had 12, George Guevara had four and Mario Lara had two.

Carey for Farwell scored four points.

Bovina's eighth grade girls bushwhacked Farwell, 46-5 as Marie Pesch pitched in 20 points for the young Fillies and Kim McClaran had 14.

"The eighth graders avenged an earlier loss to Farwell with a one point win," was the statement from Coach Phelps.

The seventh grade boys and the eighth grade girls are in good standing for the district championships, and both of their coaches, Kena Arthur and Roy Phelps have done great work with these teams.

WHAT THIS HAMP NEEDS.... Gilbert Esparza, a member of the Bovina FFA Chapter, looks as though he wishes this Hampshire had a steering wheel so he could make sure it would go where he wanted it to. Gilbert and his Hamp won first place in the Hereford Stock Show in the lightweight division.

IMPRESSING THE JUDGES....Shown is Denver Riddle, as he is watching as judges pass their watchful eyes over the medium fine wool lambs, which Denver is showing for his sister, Casey. This entry garnered Denver, Casey and the lamb first place in that category, in the Hereford Stock Show.

JV Teams Play Tough In District Competition

The Bovina JV teams have faced plenty of tough competition in the past few weeks but they have been able to weather the storms well.

The JV boys team is ranked first in district with a record of 8-3 and if they beat Farwell again and Vega a second time, they will be the undisputed champs.

The JV girls team is coming into their last game with a 9-9 record for the season.

In past action, JV boys played Hart and won 38-17 with Jay Judd scoring 18 points for Bovina. Coach Ulibarri said that some of their play against Hart looked a little unorganized but they were able to get the win when they needed it.

Then the JV boys played against Farwell and vanquished their county rivals, 45-24.

Jay Judd led in scoring with 14, as Joe Pat Wright had 13, and Tommy Hutto had ten. Daniels for Farwell was the high scorer with eight.

The JV girls had a rough time against Farwell's girls as they lost by six, 26-20.

Shana Gober played well enough to earn herself six points to capture high point honors with Ancira of Farwell getting 11 for the high point honors.

Robert Ulibarri commented, "We should have won that game, but we are still having problems with inconsistency at times. We have used youth for an excuse long enough. Now we just did not have the hustle to win against Farwell."

And, it seemed that the luck ran out for the JV girls as they lost their next two ball games, against Vega, 37-15, and against Kress, 20-14.

In the Vega game the JV Fillies got into foul trouble early on and never got out of it. Shana Gober scored six points to lead the scoring for Bovina. Moore of Vega had 16 for her team.

Against Kress, Bovina led in the early periods of the game, but were not able to stifle a surge in the second half by Kress.

Vickie Tamez led in Bovina scoring with six and McGray had ten for Kress.

In the JV boys game against Kress, Bovina rolled over the Roos, 51-40.

Joe Pat Wright led in the scoring for Bovina with 18, and Jay Judd had ten points for the Mustangs also.

Ulibarri said the Bovina players were a lot more disciplined team and many times this is the "name of the game."

Finally, however, the Bovina JV girls got back on track against Springlake-Earth as they hounded their Wolverine opponents, 41-29.

Shana Gober led in the scoring for the Bovina squad with 13, and Kathy Moore had ten. Been of Springlake had ten.

"This was the best game of the year for the JV girls, and if they could have played like this all year long, they would have been a team with a lot better record," said Coach Ulibarri.

"They were finally doing on the court in games what we had been telling them all along to do."

In the JV boys game against Springlake-Earth, Bovina dominated the game, 50-38.

Joe Pat Wright had 30 points for Bovina with Dayton scoring 13 for Springlake.

"All the players did a good job and everyone got to play and played well," commented the coach.
