

WHITTLIN'

By DOLPH MOTEN

This department joins in extending congratulations to Flossie Rhinehart, thenicelady at the post office, for winning the annual First Freeze Contest.

Flossie's guess of October 31 turned out to be just the day that Weatherman Willie Williams said we got the freeze. To Flossie, the successful prediction was worth a lot of conversation and a \$5 check.

The freeze date, as it turned out, wasn't as important this year as it is some. Reason for this is because it was not early. When that freeze date comes early, before the crops have time to mature, is when it can be damaging. This year's first freeze was three days later than the average of October 28 and wasn't bad at all. We base that judgment on the reaction we've noticed from area agriculturists in regard to the freeze.

We're appreciative to all who entered and hope these and others will get their predictions in for next year's little contest. If we don't forget in the meantime, we might even put a blank in the paper to be filled out like the football contest. That post card business doesn't work too good, anyway. We started out on the post card deal because that would make for an official indication of the date the entry was submitted.

However, we think it would be just as well to have the individual filling out the entry date himself. That'd work since we're dealing with a group of honest people. That's especially true if you have an honest contest judge to check on the honest contestants.

As a matter of fact, we believe an entry blank in the paper would make for more entries in the contest. The more we think about it, the more we think that's the way it should be done another year.

One of the dailies this week said that all Vega has to do to win the District 3-A football title is to beat the Bovina Mustangs come Friday night.

Uh-huh. That beat-Bovina business has been difficult for Vega to do down through the years.

The Longhorns are leading the district right now and it looks as if they have the loop flag sewed up regardless of the outcome of the game with Bovina. The 'Horns play Farwell in their final game of the season and because they've already won over the other contenders in the league they can afford to lose to either Bovina or Farwell and still be the district representative. And while they can lose to Bovina or Farwell, they can't, as it looks now, afford to lose to both of them.

The Mustangs knocked the Longhorns out of title contention last year, football fans will remember.

The Bovina team could add another feather to its head-dress by beating the Vega team which has a 5-0 district mark. "Since we didn't win the district, we beat the team that did," could be the Mustangs' attitude about the annual battle.

Because of the disappointment last year, Vega will probably be high for the Bovina engagement. They'll have the homefield advantage, too, whatever that is.

Back in the old Class B days, the Longhorns tried to give the Mustangs a little competition for the district championship, but it didn't amount to much. As we remember, when it came down to Bovina and Vega, the Mustangs won. Maybe the tradition will continue.

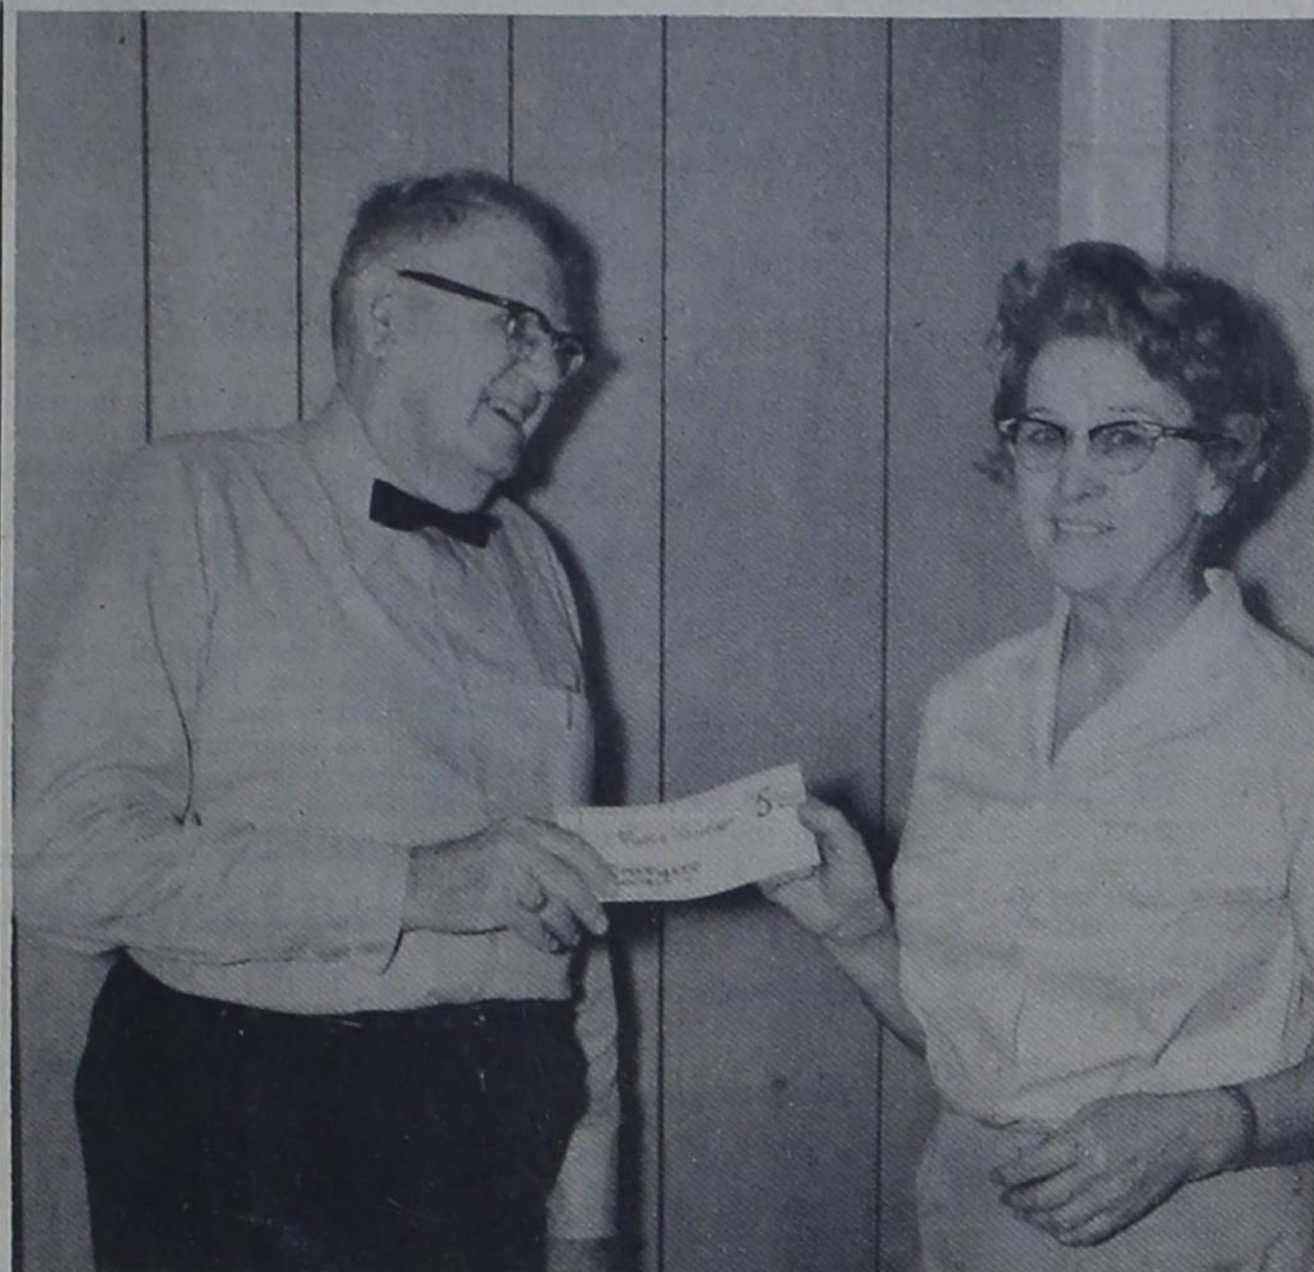

Did we dream it or did somebody tell us that Mac Percival, the Chicago Bears' place kicker, attended school at Oklahoma Lane as a youngster? More on this later, whether it's right or wrong.

Parmer County football attracted the attention of Hop Graham, the former newspaperman in this area. In his column in the Lovington paper, he made these observations about this year's Farwell-Bovina gridiron clash:

"WE STILL SCAN the hometown papers from Farwell and Bovina, up where we got our rasin', for news each week.

"The Bovina Blade arrived the other day with End-of-the-World type for its main headline: 'Mustangs Beat Farwell.' The arch rival Parmer County schools have been going at it for decades and although Bovina hadn't won since 1954, it was always rated a tossup game each year on account of the high feeling.

FIRST FREEZE CHAMPION --- Flossie Rhinehart accepts a \$5 check from Weatherman Willie Williams and the title "Bovina's Champion First Freeze Predictor of 1971." Mrs. Rhinehart's prediction of Oct. 31 hit the nail on the head as below freezing temperatures were recorded early Sunday morning. Mrs. Rhinehart joins other first freeze champions of past years, Dalton Morrison, Rita Mast, Johnie Horn, Cathie Trimble, Mrs. E. L. Cochran and Charles Smith.

CROP Drive

Set Nov. 10

Bovina young people will be knocking on doors Wednesday night, Nov. 10, to collect funds for CROP, the community hunger appeal of Church World Services.

These volunteers are working under the sponsorship of Methodist Youth of Bovina United Methodist Church and will be wearing identification tags.

Collected funds will be sent to CROP, which has dispensed food and supplies to needy people in more than 30 countries since 1947 through Church World Service. Food and other equipment is shipped primarily to victims of war and disaster areas throughout the world.

Youth of Bovina collected \$275 in the drive last year.

Turkey Dinner Sunday

Turkey and dressing and all the trimmings will be on the menu Sunday at the annual turkey dinner, sponsored by Altar Society of St. Ann's Catholic Church.

The dinner will be held in Parish Hall of the church and serving will begin at 11:30 a.m. and continue until 2 p.m. Admission will be \$1.75 per plate.

The Altar Society will have a booth in the hall, featuring baked goods and other homemade items for sale.

Knights of Columbus will be selling tickets for cash prizes prior to and during the dinner. First prize will be \$100, second prize will be \$75 and a \$50 third prize will be given away.

The dinner, which is an annual event, draws a large crowd each year.

Studio Proofs

To Be Shown

Here Sunday

Mrs. Billie Bogus, representative of Allstates Color Studios in Evanston, Ill., will be at The Bovina Blade Sunday from 12 noon until 5 p.m. for the showing of proofs of portraits taken recently at The Blade.

Subscribers who had their portraits made at that time will be notified by mail of their appointment time, says Mrs. Bogus.

In First Freeze Contest --

Mrs. Rhinehart 1971 Champion

Mrs. Flossie Rhinehart is Bovina's Champion First Freeze Predictor for 1971.

She hit the freeze date exactly with the prediction of Sunday, Oct. 31.

A \$5 check accompanies the title in the contest sponsored by The Bovina Blade and W. E. Williams, Bovina weatherman.

The earliest prediction received this year was Oct. 10, the latest, Nov. 9.

A total of 47 entries were received in the contest this year.

Three contestants were just one day from the actual date -- Mrs. Ben C. Rejino and Ronnie Nuttall predicted Oct. 29 and Mrs. Mary Jahnke picked Nov. 1.

Oct. 15 was the most popular date with six people entering that date.

Mrs. Rhinehart joins other first freeze predictors who have won in past years, Dalton Morrison, 1970; Mrs. Rita Mast, 1969; Johnie Horn, 1968; Cathie Trimble, 1967; Mrs. E. L. Cochran, 1966; and Charles Smith, 1965.

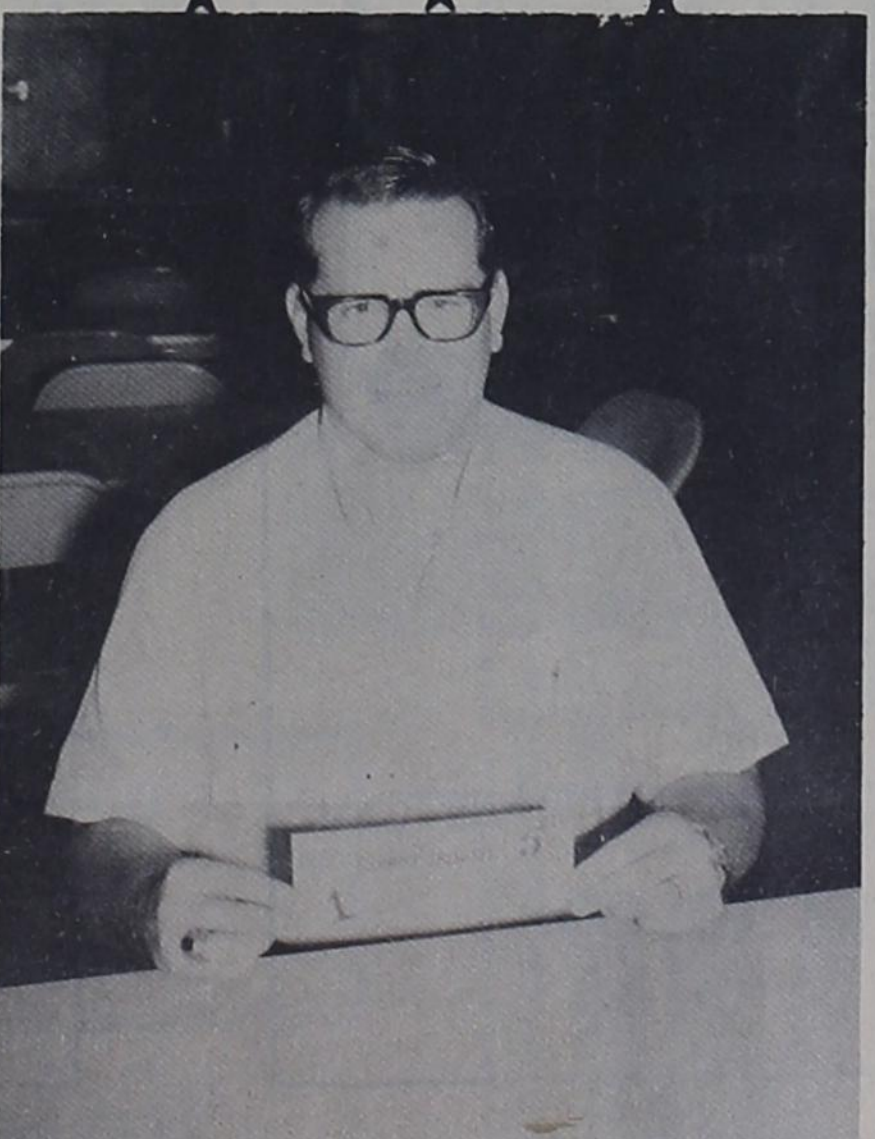

The earliest freeze date since the contest began in 1965 was last year on Oct. 9. The latest freeze date was in 1965 on Nov. 27.

Corky Criswell --

Mustang Coach Wins Weekly Grid Contest

Football prognosticators fared considerably better last week with four contestants turning in perfect entries.

Corky Criswell, assistant Mustang football coach, emerged the winner on the basis of his tiebreaking prediction,

EIGHTH WINNER --- Corky Criswell, assistant Mustang football coach, displays first place prize check for \$5 he won in the eighth week of Bovina Businesses Cotton Bowl Football Contest. Criswell, one of four contestants to turn in a perfect entry, won first place money by virtue of the tiebreaker score which was 25 points off the actual 48-0 count. Taking second place and \$3 was Barty Bartlett and third place and \$1 was won by Tom Bonds.

Showers Delay Milo Harvest --

Freeze Helps Crops; Need Dry Weather

The area's delayed milo harvest, some 30 days behind schedule now, is on the brink of getting into full swing.

Moisture is the only thing which could hold the harvest back as farmers are eager to get the crop into the elevators after weeks of delay due to rain and late maturity of the grain.

Showers Friday and again early Monday morning postponed combining across the area still more. However, most farmers were cutting milo Monday afternoon even though much of it was testing higher than the desirable 14 per cent moisture.

Tuesday turned out to be clear and cool, however, and elevator personnel were predicting the crop would be ideal for cutting this week, if there is no additional rainfall and the humidity doesn't go above normal.

Wet fields also hampered the harvest early in the week as it was difficult to get combines through the fields and trucks in and out of the fields.

Weather permitting, the harvesting could be completed in some three weeks. The grain sorghum should be out of the fields by Thanksgiving unless major delays develop in the meantime.

Sunday morning's killing freeze aided in maturing the crop, according to reports, and when Monday's moisture dries, harvesting conditions are expected to be ideal.

The Sunday freeze, three days later than normal, was not considered to be a detriment to the crops in the area. Leaves on the cotton were killed. This is expected to be beneficial as it will allow more sunlight to get to the bolls, helping them to ripen.

While the rainfall has caused

the harvesting of milo to be delayed and hasn't helped the cotton crop, it has been of

benefit to the young wheat crop. Most farmers have abandoned plans to water wheat at

this time as the moisture which has been received naturally is considered sufficient.

FUN'D FAIR TIME --- Business was brisk at the dart throwing booth operated by Bovina Booster Club Saturday night at the annual Halloween carnival, sponsored by Bovina Woman's Study Club. Tom Ware and Mrs. Lawrence Jamerson, left, prepare balloons for the board as another customer awaits his turn at the game. Some 11 booths, operated by classes and organizations in Bovina Schools and the Study Club were featured in the annual event held in the County Barn. Net profits from the venture will be split between those sponsoring booths and the Study Club.

Halloween --

Pumpkins, Pranks Present Problems

Halloween pranksters in Bovina littered a downtown street with pumpkins and moved some oil barrels into the east end of Main Street Sunday night.

"Other than just a few incidents like those two, we had a pretty quiet Halloween," City Marshal Ronald Mitchell commented early this week.

Because Halloween was celebrated on both Saturday and Sunday nights by some, there might have been more pranks pulled than would have been otherwise. Since Halloween was on Sunday, trick or treaters here were encouraged to make

their rounds on Saturday night instead of Sunday night. The youngsters complied with the request, but the pranksters were "in business" on a limited basis again Sunday night, according to Mitchell.

Several barrels from Bonds Oil Co. warehouse at the east end of Main Street were moved onto the pavement making an obstacle course for motorists. The pumpkins were littered through the downtown section of Main Street.

A bale of hay was set fire on Main Saturday night, but (Continued on Page 2)

PLAY REHEARSAL --- "The Skeleton Walks," a three act mystery-comedy will be presented by Junior Class of Bovina High School at 7:30 p.m. Saturday. Members of the cast, from left to right, Ronnie Nuttall, Gail Dixon, Ronald Steele, Widdy Gromowsky, Debbie Sorley, Honey Mast, Jan Kassahn, Jeff McCormick, Jane Russell and Alan Cockerham, rehearse a scene in preparation for the play which is a fund raising activity of the class. Pie and coffee will be served in the cafeteria following the play. Donations will be accepted instead of a charge for the pie and coffee.

Reflections From The Blade

TEN YEARS AGO November 1, 1961

Riding the crest of a four-game winning streak, including three district wins, Bovina Mustangs go to Vega Friday night to take on the Longhorns in what could be termed "District 2-B Championship Battle."

Continuing their fast-moving onslaught on District 2-B opposition, Bovina's Mustangs raced by Lazbuddie there Friday night, 54-6.

Texas Highway Commission has agreed to join with City of Bovina in widening State Highway 86 from west city limits to east city limits, a press release from state office announced this week.

Erith Hawkins continued his domination of first place in Bovina Business Cotton Bowl Football Contest last week. In fact, he increased his scant, one-point margin of a week ago to two points over his nearest competitors.

In weekly contest, three people, A. M. Wilson, Randy Jones and Ronnie Isham, tied for first place and divided \$5 in prize money. Harold Carpenter of Oklahoma Lane was second and Johnnie Horn was third.

Miss Nickie Woelfel of Bovina, student at Texas Tech, has been named state vice president of Texas Home Economics College Clubs at a workshop last weekend at North Texas State University, Denton.

Bovina Methodist Youth completed their campaign for Christian Rural Overseas Program Monday evening. According to Mrs. Dean Hastings, youth director, the group collected \$189.12.

SIX YEARS AGO November 3, 1965

This year can be marked down as one of the best in history from an agricultural standpoint in Parmer County and the Bovina area in particular.

Grain sorghum yields have exceeded all previous records. The average yield per acre exceeds previous records by as much as 15 or 20 per cent, according to elevator men here. Promise of a bumper cotton crop adds to the rosy farm picture for 1965.

The ninth week of Bovina Business Football Contest found Gene Ezell and Mike Spears tied for the weekly prize money. Both contestants named nine of 10 winners correctly and missed the tiebreaker score by 19 points each.

As a fund-raising project, Bovina Lions are sponsoring a pancake supper Friday prior to the Bovina-Lazbuddie football game. Bovina Schools will be dismissed two days for Thanksgiving, Thursday (Thanksgiving Day) and Friday, Nov. 25 and 25, Superintendent Otis Spears announced this week.

"Money, our lack of it," will be the major topic of discussion at regular monthly meeting of directors of Bovina Chamber of Commerce and Agriculture Thursday, announces Jack McCracken, chamber manager-secretary.

Bovina Lions Club members voted to support Bovina Woman's Study Club project of building a clinic for Bovina Thursday night at a regular meeting.

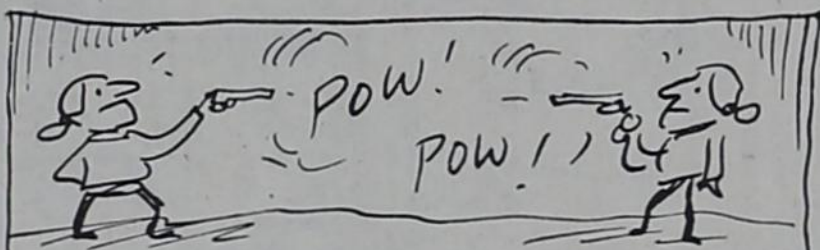

Mr. and Mrs. George Cervantez of Bovina will celebrate their 25th wedding anniversary Saturday, Nov. 6. Mass will be offered at 9 a.m. in St. Ann's Catholic Church with a reception following in Parish Hall.

Certified graphologist (handwriting expert) Mrs. Roy Hale of Floydada was featured on the program of Bovina Woman's Study Club Thursday.

Bovina Mustangs' hopes of repeating as District 1-B champions were given a severe jolt Friday night at Nazareth. The underdog Swifts scrapped to a 13-8 win to delight of their homecoming crowd.

The loss was the Mustangs first in a district game this year and the first ever under Coach Roy Stone who is now in his second season here.

In hopes of getting their football train, which was derailed last week at Nazareth, back on the winning track, Bovina's Mustangs meet the Lazbuddie Longhorns here Friday night.

Both Alexander Hamilton and his son Philip were killed using the same pair of dueling pistols.

Connie Foster, Joyce Read, M. H. Carson, Roger Ezell, Mike Spears, Al Kerby, Gaylon Rhodes, George Douglas, J. W. Wright, Al Kerby Jr. and Andy Hurst of Friona, Rice's victory over Texas Tech cost 21 of these contestants a perfect slate, while eight missed the outcome of the West Texas State University-Wichita State game.

Contestants still in the running for the grand prize of a trip for two to the Cotton Bowl classic in Dallas on New Year's Day include the following:

57 Points
Billy Whitecotton, Veda McKay, Neal Mager, Mrs. Larry Crump.

56 Points
Vera Cox, Bob Fillpot, Mary Jane Wilson, Larry Crump, Paul Jones.

55 Points
Carole Jean Wright, Ben McCain, Dalton Morrison, Roger Ezell, Corky Criswell, Paula Whitecotton, Sheryl Morrison, Mrs. Albert Johnson, Pat Duffa, George Baca.

53 Points
Tom Ware, Patricia Read, Jim Noyes, Lea Looney, Jimmie Clements, Dean Stanberry, Mike Potts, Joan Morrison, Judy Fillpot.

52 Points

was discovered before damage was done, Mitchell says. The work of the pranksters with the pumpkins and the barrels was corrected quickly Monday morning by city employees.

SUCCESSFUL HUNTERS --- Roy Hartzog, left, and Gary Gober display the sandhill cranes they bagged in a weekend hunt southeast of Muleshoe. The big birds, weighing seven to eight pounds each, are considered difficult to bring down and this many represents a successful hunt. The breasts of the birds make for fine eating, according to the hunters. Roy is the son of Mr. and Mrs. A. L. Hartzog and Gary is the son of Mr. and Mrs. Scott Gober.

Guadalupe Plan Fiesta

Members of Guadalupe Society of St. Ann's Catholic Church heard reports from delegates to the Diocesan Council of Catholic Women Convention held in Amarillo recently at the monthly meeting Monday night in Parish Hall.

Theme of the convention, as reported by Mrs. Zefferino Villalera and Mrs. Anita Alonzo, was "Someone's Searching

Lord," Mrs. Carl McDowell of Sunray was named Woman of the Year for her service to her parish, deanery and diocese.

Plans were made for a fiesta on Dec. 12 in honor of the society's patron saint, "Our Lady of Guadalupe." One of the highlights of the day will be presentation of new badges to society members.

Twelve members and a visitor, Ida Rodriguez, were present at the meeting. The group welcomed back Rev. Norman Boyd, who has returned from vacation.

Hostesses for the next meeting will be Mrs. Mike Duran and Mrs. Anita Alonzo.

Patton Has Heart Attack

Owen Patton of Bovina suffered a heart attack at his home Tuesday morning of last week. Mrs. Patton took him to Parmer County Community Hospital in Friona where he remains a patient as of early this week.

Patton's condition is reported to be improving and he is expected to be released either the latter part of the week or early next week, according to members of his family.

GHOSTS, GOBLINS AND WITCHES --- Youngsters in Children I and II departments in Sunday School were treated to a Halloween party Thursday afternoon of last week in Fellowship Hall of First Baptist Church. Games were played by the group and refreshments of cupcakes, orange drink, nuts and Halloween candy were served by Mrs. Larry Webb, Mrs. Glen Kelley, Mrs. Prentiss Pruitt, Mrs. Gaylon Rhodes, Mrs. Kent Glascock, Mrs. Larry Heard and Mrs. Dave Wines. Twenty-one children, dressed in Halloween costumes, attended the party.

REGARDING THIS HUMAN RACE...

Population growth is rushing along too fast for anybody's comfort. CROP feeds hungry people and helps hunger victims produce more food. But CROP knows that overpopulation is one of the major root causes of hunger — that providing food, better seed, irrigation systems, and fertilizer isn't enough. CROP does these things — but also supports family planning, through education and village clinics.

MRS. REX CUMPTON

Couple Exchange Vows In Amarillo Ceremony

Faith Baptist Church of Amarillo was scene of the Saturday evening wedding of Miss Connie McKee and Rex A. Cumpton, both of Amarillo.

Parents of the couple are Mr. and Mrs. Grady D. McKee of 1519 Poplar in Amarillo and Mr. and Mrs. Allen D. Cumpton of Bovina.

Rev. A. E. Taylor, pastor, officiated at the double ring ceremony read before an altar decorated with baskets of gladioli, twin candelabra and a kneeling bench.

Maid of honor was Debbie Stanley of Amarillo and Sue McKee of Amistad, N.M., cousin of the bride, served as bridesmaid. Renea Rackley of Amarillo was flower girl and Rick Rackley of Amarillo was ring bearer.

Serving as best man was Don Cumpton of Hereford, brother of the bridegroom. Groomsman was Steve Haynes of Pampa. Serving as ushers were Gary McKee of Amarillo, brother of the bride, and Charles Buzzard of Pampa.

Given in marriage by her father, the bride wore a formal-length gown designed with an empire waistline outlined in lace with ribbon insert. The long gathered sleeves were caught at the wrist in a deep cuff trimmed with matching lace and bands of the lace decorated the bodice and skirt of the gown. Her formal length veil was attached to a pillbox caplet accented with lace and seed pearls and outlined in lace with ribbon inserts. She carried a bouquet of white pom-pom mums and greenery.

After a short honeymoon trip, the couple will be at home at 82-B Virginia in Amarillo.

Mrs. Cumpton is a 1970 graduate of Palo Duro High School in Amarillo. Cumpton, a 1968 graduate of Bovina High School, attended West Texas State University in Canyon where he was a member of Lambda Chi Alpha social fraternity. He is employed in Amarillo.

Bridal Courtesy Fetes Miss Connie McKee

Miss Connie McKee, bride-elect of Rex Cumpton, was honored at a bridal shower Tuesday, Oct. 26, in Fellowship Hall of First Baptist Church of Bovina.

Corsages of white carnations were presented the honoree, her mother, Mrs. Grady McKee of Amarillo, and the groom-elect's mother, Mrs. A. D. Cumpton.

The serving table carried out the bride's chosen colors of turquoise and white. A white lace cloth covered the table, centered with an arrangement of varying shades of turquoise flowers in a white bowl. White petit fours, decorated with turquoise wedding bells, turquoise punch and nuts were served from crystal and silver appointments by Mrs. Billy Smith and Mrs. Dickie Clayton. Mrs. Ovid Lawlis presided at the guest register.

Special out-of-town guests included Mrs. Sally McKee of Amarillo, grandmother of the bride-elect, Mrs. Don Cumpton of Hereford and Mrs. Joe Tarter of Lubbock.

Of Interest To THE WOMEN

Cook's Corner

A practical joke led to the marriage of this week's occupant of Cook's Corner, Mrs. O. W. (Anna) Adams.

Anna moved to Bovina with her parents, Mr. and Mrs. A. E. Gaines, when she was in the sixth grade. She attended Bovina Schools until the ninth grade when her family moved to Texico, N.M., where she was graduated from high school.

After graduation, Anna worked three years as a telephone operator in Clovis. "About that time, Mother and Dad moved back to Bovina and with the 'help' of Johnnie Horn and the late Don Sides, I had my first date with Dub. Dub was working at the Bovina Gin at that time, and Don called me and pretended to be Dub and asked for a date. We were both terribly embarrassed about the whole thing, but we did go out on that date, Anna said.

That was in October and they were married on Valentine's Day the next year.

Dub, also a native of Oklahoma and a graduate of Bovina High School, is now employed by Bovina Wheat Growers, Inc. The Adams' are parents of two children, Jeffery, 5, and Debbie, who will be 3 on

Thanksgiving Day this year. They attend United Pentecostal Church in Texico.

"I spend my time being a housewife and mother," Anna says, "but maybe when the kids get in school, I'll have time to participate in other things." In some of her spare time now, she sells a line of cosmetics.

Anna lists her hobbies as reading, yarn handwork and antique furniture. Dub and Anna moved into their new home on Eighth Street in June of last year.

Anna is sharing several of her family's favorite recipes with Blade readers this week.

BAKED POTATOES
Scrub necessary amount of potatoes with brush or kettle cleaner, dry, rub with oil, split center of each potato and roll in foil. Bake until done and remove from oven. Unwrap foil and cut potato in half. Scoop out each half in large bowl. To potatoes, add one stick of oleo and milk to mix and beat with mixer. Spoon back into potato skins, top with grated cheese and heat until cheese melts. These potatoes can be prepared in advance and frozen. When reheated, they will not taste leftover.

SIES FUDGE
4 1/2 c. sugar
1 2/3 c. half and half
2 sticks whipped oleo
Boll for 20 minutes
Mix in large bowl:
1-8 oz. pkg. chocolate chips
1-12 oz. pkg. marshmallows
1 c. nuts
1 t. vanilla
Pour boiled mixture over other ingredients and mix well. Pour into buttered pans.

CINNAMON ROLLS
1 pkg. dry yeast
1/4 c. water (warm)
1 c. milk (scalded)
4 T. sugar
4 T. shortening
1 t. salt
3 1/2 c. sifted flour
1 egg
Dissolve yeast in the 1/4 c. warm water. Combine scalded milk, sugar, shortening and salt; cool to lukewarm. Add 1 cup of the flour and beat well. Beat in yeast and egg. Add

remaining flour, beating well. Cover and let rise in warm place for 1 1/2 hours. Turn out on lightly floured surface and roll dough in 20x10 inch rectangle. Combine 1 c. sugar, 1/2 c. melted margarine and 3 t. cinnamon; spread over dough. Sprinkle with 1/2 c. raisins and 1/2 c. broken pecans. Roll lengthwise, as for jelly roll. Cut in one-inch slices, place in greased pans, cover, let rise 30 minutes. Bake in 375 degree oven for 15 minutes. Remove from oven and glaze immediately.

GLAZE
2 1/2 c. powdered sugar
2 t. vanilla
milk, enough to make thin mixture

BLUEBERRY DELIGHT
1 graham cracker crust
1-8 oz. pkg. cream cheese
1 pkg. whipped topping mix
1/2 c. powdered sugar
1 t. vanilla
1 can blueberry pie filling
Whip topping mixture according to instructions on package. Beat softened cream cheese, sugar and vanilla together. Mix with topping. Pour into crust and top with blueberry pie filling. Chill before serving.

TOFFEE
(To prepare cook about 1 hour)
1 pound or 2 c. pure butter
2 c. sugar
2 c. salted, chopped almonds
6 T. water
2 T. light corn syrup
1 t. vanilla
Start melting butter in heavy two quart saucepan over low heat. Gradually add sugar, stirring constantly. Stir in 1 1/2 c. almonds, the water and syrup. Cook over medium heat until it reaches the temperature of 300 degrees or turns caramel brown. Remove from heat and stir in vanilla, quickly pour into buttered 15 1/2 by 10 1/2 pan and spread to corners. Cool slightly and cut into squares with knife.

Meanwhile, melt 1-8 oz. pkg. of milk chocolate chips in double boiler. When candy is completely cool, spread chocolate mixture over it and sprinkle with remaining almonds.

Woman's Study Club Adds New Members

"Close the Doors to Drug Abuse" was topic of the program presented Thursday afternoon at meeting of Bovina Woman's Study Club.

Presenting the program were Mrs. Earl Richards, Mrs. Bobby England and Mrs. I. W. Quikkel. Mrs. Richards began the pro-

gram with a discussion of lethal prescription drugs and useful drugs that abused, such as tranquilizers. "We are teaching our youngsters that there is a pill for any problem," said Mrs. Richards.

Mrs. England, quoting from the book, "Drugs and the Mind," told of people who have taken drugs to experiment with the effects and symptoms of various drugs such as glue, heroin, morphine, cocaine, codeine, marijuana, LSD and pep pills. "Each individual related different experiences with various drugs," Mrs. England said. She also brought out the fact that LSD is being used on an experimental basis with mental patients with favorable results.

Two new members were welcomed into the Study Club, Mrs. W. E. Williams and Mrs. Jack Kassahn.

Mrs. Earl Whitten, Mrs. Ovid Lawlis and Mrs. Earl Stevenson reported to club members on their trip in district meeting of Federated Women's Clubs in Levelland recently.

Program for the next meeting Thursday, Nov. 11, will be "The Outward Look in Conservation," presented by Mrs. Ovid Lawlis and Mrs. Jack Clayton. Hostesses will be Mrs. Bobby England and Mrs. Mac Glasscock.

Mrs. Charles Corn and Mrs. Travis Dyer served pumpkin pie with whipped cream, tea and coffee to 19 members and one guest, Mrs. Melba Bratcher of Bovina.

WD Athlete Speaks At Halloween Social

McKinney spoke to the 50 young people attending about his experiences in the Federation of Christian Athletes.

Bridal Shower Set Saturday

Miss Martha Adams, bride-elect of George Jackson of Lubbock, will be honoree at a bridal shower Saturday from 2:30 to 5 p.m. in the home of Mrs. H. H. Kelso, 510 Avenue F.

Hostesses will be Mrs. Ovid Lawlis, Mrs. Leslie McCain, Mrs. Ed Hutto, Mrs. J. R. Caldwell, Mrs. Bob Turner, Mrs. Travis Lloyd, Mrs. Don Murphy, Mrs. Charles Hawkins, Mrs. Bobby England, Mrs. Ronald Minyen, Mrs. Bessie Webb and Mrs. Kelso.

corn balls, doughnuts, relishes, candy and soft drinks were served to those attending. Serving as hosts with Mr. and Mrs. Glasscock were Mr. and Mrs. Don Murphy, Mr. and Mrs. Keith Garner and Mr. and Mrs. Billy Smith.

Girl Bom To Danes

Mr. and Mrs. Jackie Dane of Bovina announce the birth of a daughter Sunday, October 21, at 9:44 p.m. at Parmer County Community Hospital in Friona. Named Ginger D'Ann, she weighed six pounds, 14 ounces. The Danes are parents of another daughter, Jacqueline Carol. Grandparents are Mr. and Mrs. Weldon Dane and Mrs. Dick Sparks, all of Bovina. Dane is a teacher and farms in the Bovina area.

Omar Khayyam's poetry is probably the most widely read in the world.

Bovina Area Churches Welcome You!

Church Chuckles by CARTWRIGHT

"Don't send my husband too many pledge reminders. If they stack up too high, he changes churches!"

ON BEING LIKE JESUS

Have this mind in you, which was also in Christ Jesus... (Phil. 2:5). Jesus left an example so that we might "follow his steps" (1 Pet. 2:21).

We want to be like Him as He walks on the water... But we don't want to walk on the dirty floor of a poor man's hovel.

We would raise the dead... But will not hold the hand of the sick.

We would turn water into wine... But will not turn our money into food, clothing, and shelter for the needy.

We would still a storm on Galilee... But will not calm the troubled heart of a neighbor.

We would open the eyes of the blind... But will not share the light with those who live in darkness.

We would miraculously heal crippled bodies... But will not aid the handicapped.

We would restore the deaf man's hearing... But will not share with him or those who can hear what they need most to hear.

We want to be like Jesus, but we prefer to walk with Him in triumph over palm branches, not under the weight of the cross. We want the crown but not the cross. We would like to have a scepter, but not a shepherd's staff. We prefer to be robed in a royal garment of purple, not girded with the towel of service.

We want to be like Jesus as King and miracle worker, but not as servant!

—Max Hughes

At Home In Parmer County

By Jana Pronger
County HD Agent

With Autumn rolling in and bringing Halloween and Thanksgiving thoughts of bobbing for apples, hot spicy apple cider and apples on a stick seem more frequent. It is reported that there is an abundant supply of apples this fall and the best part of it is the fact that these favorite snacks are also good for the kids!

They've got natural sugars that are easily digested and give "instant energy" plus they are not harmful to teeth. They have vitamins and minerals needed for healthy cells and tissues, for resistance to infections, and for growth.

For a special treat for visitors try this Apple Dip Appetizer -- that will please them!

Cut cored, unpeeled red apples into bite-size chunks; dip in lemon juice; spear on wooden picks; insert picks in whole red apples. Serve on fancy platter with one of these cheese dip suggestions:

1. Pineapple cheese spread blended with dairy sour cream.
 2. Pimento cheese spread blended with a little mayonnaise.
 3. Cream cheese, softened with heavy cream plus crumbled blue cheese, whipped together to "dipping" consistency.
- Want to know how to make applesauce without cooking? Try this easy idea while apples are in plentiful supply says the U. S. Department of Agriculture's Consumer and Marketing Service. Combine 1/2 cup water, 1/2 cup sugar (use less if apples are sweet), and 1 teaspoon ascorbic acid/citric acid mixture in an electric blender. Add 1/4 teaspoon salt. Slice 1 pound tart apples that have been peeled and cored, into blender. Run blender at high speed about 30 seconds (or less). This amount makes enough for 6 to 8 servings.

Alter Society Repairs Room

Several members of St. Ann's Altar Society met at the Sands Motel in Bovina recently to paint and refinish a room damaged by fire.

The group donated their time and Mr. and Mrs. S. V. Chitwood, managers of the motel, will donate funds to the society to be used for new vestments for St. Ann's Catholic Church.

On The Farm In Parmer County

By R. MACK HEALD
County Agent

Hybrid sorghum-sudan pastures, fast growing and excellent forage for livestock, can also be deadly during the fall grazing season.

The plant's own enzymes break down plant material and this results in prussic acid poisoning for animals which eat the forage. The actual agent causing death is hydrogen cyanide.

Prussic acid poisoning generally occurs at two times. It is especially prevalent after a frost that has damaged plants. Also, poisoning occurs when plants perk up and begin fast growth after a very dry period.

Hay that is improperly cured can also present prussic acid poisoning problems for a short time.

hydrogen cyanide is very volatile and therefore stays in the plants for only a short time. But while it is present, animals must be kept off the pasture for a few days.

In severe cases, cows exhibiting symptoms when the veterinarian is called may be dead before he can arrive. He will probably be able to save only those which are still breathing.

Farmers and ranchers should be on the lookout for nitrate poisoning that may occur during the late fall on winter pastures when there is a lot of cloudy weather.

Under these conditions, the plants, instead of growing and changing nitrates into protein, just accumulate the nitrates. Animals must also be taken off these pastures until the plants have had a chance to grow and convert the nitrates to protein.

The blood of animals that have died from nitrate poisoning will be chocolate brown while those dying from prussic acid poisoning will be cherry red.

Fall is here once again and home gardeners will want to begin work on a compost pile. Compost is a good soil conditioner as it improves the soil's water holding capacity, supplies organic matter, helps to retain soil moisture and aids in keeping soil temperatures at desirable levels.

A compost bed may be constructed out of scrap or rough lumber of with net wire. The enclosure should be large enough to hold the raw material needed to supply next year's compost needs.

Tree leaves are beginning to fall and are cluttering up the lawn and flower beds and creating a disposal problem. You can improve environmental conditions by using them for compost.

This is a good procedure for building a compost pile. Place leaves, grass clippings and other healthy plant material from flower and vegetable gardens in the compost heap. As you put down a layer of material, sprinkle it with a complete fertilizer before adding another layer. The fertilizer will add plant food to the mixture and will also speed up decomposition.

Since moisture is needed for the decomposition process, the heap should be sprinkled with water to keep it moist when rainfall is not sufficient to do the job. By next spring you can have the needed material for mulching flower beds, vegetable gardens and home shrubbery.

Thrifty Club Meets With Mrs. Charles

Thrifty Club members met Monday afternoon in the home of Mrs. Wilbur Charles. The afternoon was spent covering hangers and planning the annual club Thanksgiving social.

Refreshments of ribbon sandwiches, relishes, strawberry chiffon pie, coffee and tea were served to Mrs. J. D. Stevens, Mrs. L. M. Grissom, Miss Lola Grissom, Mrs. George Douglas, Mrs. Bill Bradshaw, Mrs. G. A. Bandy, Mrs. Frank Smith, Mrs. George Turner, Mrs. Jerry Ware, Mrs. O. H. Jones, Mrs. P. O. Dixon and Mrs. Charles.

In quite another spirit, when Charles II was restored to the English throne, milk baths were the thing with women who wanted beautiful skin!

Today, a squeeze of a new bath preparation on a wash cloth, sponge or bath mit is all that is needed for an allover wash. Used instead of soap, Moisturelle is a multipurpose cleanser, bubble bath and shampoo that leaves the skin silky soft.

Getting a beautiful skin in early Britain meant taking a very hot bath to induce excessive perspiration followed by washing the face with plenty of wine!

ALVIE KNOWS A LOT OF ANSWERS

How long does it take to hatch an ostrich egg? . . . How many bachelors in Bolivia? . . . How much blubber in a male whale??? Alvie knows these answers and a jillion others. Folks smile and agree that Alvie is a regular encyclopedia of "useless information" but they never question the accuracy of his peculiar knowledge. That's because everybody knows Alvie gets his "answers" by memorizing the little space-fillers we all see in our newspapers. And to all of us, what we see in our home-town newspaper is immediately acceptable and believable!

The same is particularly true of advertising. To put your advertising message before all the people . . . put it in your HOMETOWN NEWSPAPER!

League-Leading Longhorns Next Opponent

Vega Upset Bovina Aim

Bovina's Mustangs, their own chances of a district championship gone, will invade Vega's home territory Friday night in an attempt to play the spoiler for the second year in a row to the Longhorns' title hopes.

Kickoff time is 7:30 p.m. This is 30 minutes earlier than the starting time for previous games this season. The Mustangs upset Vega last year, 12-6, to knock the Longhorns out of the championship race in the next to last game of the season.

Only two teams, Mustangs and Farwell's Steers, remain between the Longhorns and the district crown. Vega defeated district contenders Springlake-Earth and Kress earlier in the season.

In 1968, Vega's first year to compete in District 3-A, Bovina came up with a 25-8 decision over the Longhorns. Vega scored late in the fourth quarter in 1969 to edge out the Mustangs, 20-19. Before Bovina was advanced to Class A, the two teams competed in the same Class B loop.

"Vega has a well balanced, good, tough team," says Gib Hough, Mustang head coach, "but we think with a good team effort such as we had last week we can beat them."

Bronc May, 6-5, 180, senior, runs the wishbone offense with a versatile backfield in Dick Robinson, 165-pound senior, and Tony Cassity, 155-pound senior.

Guards, Tim War, 175 pound senior, and Barry Crowe, 170 pound senior, form the nucleus of a line that will average 180 pounds, according to reports.

Vega comes into the tilt Friday night with a perfect 8-0 record, while the Mustangs have a 4-3-1 season record.

In regard to the Sudan game, Coach Hough stated that he was well pleased with the team's showing. "Our 11 starters literally destroyed Sudan defensively," he said, "and on offense, our line blocked real well and the backs turned in good performances."

Hough praised the punting of Bobby McMeans, pointing out that he had a 41-yard average against Kress the week before and, although he only had to punt twice at Sudan, McMeans had a 42.5 average.

"During the first quarter, we owned the ball with Jeff McCormick, Eddie Pesch, Shan-

non Davis and Billy Shelby picking up good yardage every time," commented Hough. "It was just an all-around good team effort on our part," he concluded.

In other District 3-A action last week, Kress defeated Farwell, 12-6; Vega trounced Happy, 22-3; and Springlake-Earth beat Hart.

Vega	5	0	
Springlake	4	1

Eighth Defeats Sudan

Bovina's eighth graders were the only bright spot in three games with Sudan here Thursday night of last week.

The eighth graders defeated Sudan's eighth graders, 32-0, to keep a perfect record in district play.

Ray Martinez, outstanding halfback for the Colts, tallied all 32 points for the Bovina gridders, his longest scoring effort a 99-yard run from the line of scrimmage.

"Our defense, which has been excellent all year, turned in the top performance of the year," said Corky Criswell, coach of the team. He pointed out that the eighth grade team has not been scored upon thus far in district play.

Cited for outstanding work in the defensive unit were Elbert Shelby, Martinez, Gary

Second District Win --

Mustangs Knock Hornets Out Of Their Nest, 48-0

The Bovina Mustangs, displaying their greatest performance of the season, turned the Sudan Hornets every way but loose in a District 3-A football game there Friday night.

The Mustangs scored early and late and much in boosting their district mark to 2-4. This was the most one-sided district win the Mustangs have had since being promoted to Class A. It was the first Bovina win over Sudan during the five years they've been in the same district.

The Ponies scored the first

three times they had the ball and had 21 points on the scoreboard of the Lamb County team with more than two minutes to be played in the first quarter. At that time, Sudan had a net of only two yards total offense as the Bovina defense was as right as the offense during the tilt.

The second period was scoreless, but the Maroons got back in the scoring business in the third as Shannon Davis blocked a Hornet punt after the

Sudans were forced to kick on fourth down on their own 24. Davis gathered up the stray pigskin and sprinted into the endzone to boost the count to 28-0.

A total of 20 additional points were added to the Mustangs' side of the scoreboard in the curtain quarter.

Jeff McCormick was the game's leading tally maker as he raced from the tailback position for three scoring runs. He got two in the opening period

on runs of five and 11 yards and added another in the final period on a 40-yard jaunt. Quarterback Billy Shelby scored twice on runs of 27 yards and two yards.

Davis got six on the blocked punt and Tailback Larry Wiseman also racked up a touchdown on a two yard run late in the game.

Kim Rundell, the extra point man, was successful on six of seven tries.

The impotent Sudan offensive

attack penetrated Bovina's end of the field only one time, that was just before halftime when the Hornets advanced to the Mustang 43.

The game was much more one-sided than had been expected and was rated, more or less, a toss-up. In all fairness to the Sudan team, it should be pointed out that injuries of late have plagued the squad and it was probably at less than full strength for the game with the Mustangs.

The game was played in surprisingly nice weather as only a high wind marred the comfort of the spectators and players. Temperatures were mild. This was surprising because the weather here was wet, cold and foggy. However there was a considerable weather difference between here and the game site, a distance of some 35 miles.

The Hornets had a total of only 61 yards during the tilt and 22 of those came on their lone pass completion.

McCormick paced the Mustang ballcarriers as he made 129 yards on 20 carries. Eddie Pesch, also a tailback, rambled for 74 yards in 17 attempts. Shelby carried the mail 55 yards in eight tries. Davis was four for 23, Rundell two for eight and Wiseman two for five.

Sudan's record in district play is now -14, the win coming over Happy, a team that defeated the Mustangs.

Fillies, Bobbies To Scrimmage At Dimmitt

Bovina Fillies will travel to Dimmitt Tuesday night of next week for two games with the Dimmitt Bobbies, announces Dalton Morrison, head coach. The first game will begin at 7 p.m. and will feature the B teams of both schools. The A game will follow immediately afterwards.

This will mark the second scrimmage game for the Bovina Fillies, the first being last Tuesday night against the teams from Dimmitt.

Saldana, Dennis Willard, Ken Sorley and Euben Serna.

Bovina's B team was defeated by Sudan, 36-0, and two

Kirkpatrick Injured In Colts' Game

Randy Kirkpatrick, who plays end position on the Bovina Colts football squad, suffered a kidney injury during the game between the Colts and Sudan Thursday night.

He was taken to Clovis Memorial Hospital Friday morning by his brother, Daryl Kirkpatrick.

Randy's parents, Mr. and Mrs. J. D. Kirkpatrick, were in Edinburg visiting their daughter and family, Mr. and Mrs. Ronnie Glasscock and Dana, when the accident occurred. They flew back to Bovina Saturday.

Randy was released from the Clovis hospital Monday night and is expected to return to school the latter part of the week.

An erroneous report was circulated in Bovina over the weekend that Kirkpatrick had been transferred to Methodist Hospital in Lubbock for surgery.
