Parent-Teacher Ass'n.

For the first time in months the second grade lost the best representation of parents present at the regular meetings of the Parent Teacher Association. This time the count went to the sixth grade, which had two more votes than the second. Several other classes were runners up this time too.

The Parent Teacher Association had charge of the assembly program which was arranged by Misses Wilhelmina Cleek and Dorothy Mathis. The themes of patriotism and Thanksgiving were fittingly carried out in the playlet and songs. A good number of parents attended the program.

After the assembly was dismissed, Mrs. Ray Moreman called the body together for a short business session. Monday accepted the recommendations made by the executive committee. Mr. Payne, Mr. Christian, Mrs. Mrs. Tinsley, Mrs. H. H. Hall and Mrs. Owens were appointed to make a survey of the needs of the school and make recommendations at the next regular meeting how the money raised by the carnival should be spent. The wash basin in the ward school was accepted and the committee dismissed. Our new Parent Teacher by-laws were approved by the state committee. The membership committee reported sixty four paid members.

The next meeting will be a Christmas program. Mrs. H. H. Hall and Miss Myrtle Reeves will direct a playlet for the occasion. The meeting will be December 12 at 7:30 in the high school auditorium.

Variety Store Reopened

Mr and Mrs Jack A. Hinger of Amarillo have purchased the stock and fixtures of the Hedley Variety Store, and are carrying a complete line of variety items of all kinds. They have an especially good assortment of Christmas goods, and invite the public to pay them a visit and see their stock.

Mr. Hinger has been in business in Texas for over 20 years, and assures everyone of quality merchandise and reasonable prices.

Vine-Madlock

Miss Jessie Bell Madlock of Hedley and Horace Vine of Brice were united in marriage Saturday evening, Nov. 16, in the home of the bride's parents, Mr. and Mrs. Jess Scovally. Justice of Peace Frank Kendall performed the ceremony.

They will make their home in Brice community.

The Informer extends best wishes to the couple.

Harrison Hall is erecting a new building for his Conoco station just west of the present one. The new building will have several times the space of the present one, and will make ample room for a greatly enlarged stock of Conoco and Firestone products. Mr. Hall expects to have the structure completed in the near future.

For Sale—5 burner oil cook stove. See H. G. Jiffon.

Mrs. Harvey Barnes and children of Caldwell, Idaho, are visiting relatives here.

Edward Russell Thomas

We are sorry to report the death of Edward Russell Thomas, 84 years of age, who passed away Tuesday after a lengthy illness. The body was taken overland to Houston in a Womack Funeral Home hearse, and funeral services were held there Wednesday in the home of a daughter. Interment was made in a Houston cemetery.

He was the father of Ray Thomas and Mrs. Neal McKinnis of this community, both of whom accompanied the body to Houston.

The Informer extends sincere sympathy to the bereaved.

Methodist Conference

In the Methodist conference at Memphis this week, Rev. I. E. Biggs returned to Hedley for another year, and Rev. G. T. Palmer was retained as district superintendent of this district. Other appointments of interest to Hedleyans include:

They enjoyed seeing the museum, the West Texas Oklahoma football game, etc. Scouts making the trip were Paul Dishman, Charles Neal Johnson, Buck Everett, Don and Travis Bailey, James Biggs, Billy Bill, Rex Lamberson, Gene Latimer, Albert Martin, Wayne Kay and Harold Clifton.

They were accompanied by W. C. Payne, Virgil Gregg, Vernon Sullivan and Mr. and Mrs. P. L. Dishman.

For Sale—several empty 60 lb. shortening cans, 85c each. Call at Hill Bakery.

Rev. Rex Kendall, wife and baby came over from the conference at Pampa Tuesday evening and will visit home folks, a few days before returning to their work at Vega, where they were sent for another year.

For Sale—Medel A truck, good shape. See Blaine Deherly.

Mrs. Blaine Deherly visited in Concho last Thursday on account of the illness of her father, Mr. Spear.

Miss Myrtle Reeves is improving after having been very ill the past week.

WOMACK CONFINES ALL ACTIVITIES TO BETTER SERVING THE FUNERAL PROFESSION

The interests of the personnel of the Womack Funeral Homes are confined to their activities as funeral advisors and directors and Professional Embalming services rendered and largely because of this specialization their conduct of service has come to be accepted as a criterion in the profession. With no financial interests in other merchandising plans and promotions they are free to give disinterested advice and assistance in arranging final disposition. The display room of the Womack Funeral Home in Hedley has been recently enlarged and a larger selection of burial caskets are made available to their many friends and policy holders. Their funerals are complete and there are no additional charges after year original decisions are made with a Womack Burial Policy. It has been re-

peatedly proven in Donley County that the prevailing prices of finer caskets at Womack's are by far more nominal in price and this is easily explained by the greater volume of business done by this firm. Naturally the cost of overhead is not as great at the Womack Funeral Homes, yet, they furnish a 1940 LaSalle funeral casket, new 1940 modernistic cemetery equipment, the very latest in sound equipment, and for the departed they furnish the burial suits and dresses, have the funeral notices printed notifying friends and acquaintances and all the extras as charged additional to the family by other leading funeral homes. Be protected from all this and secure a Womack Burial Policy as Womack was responsible for this type protection in Donley County. adv

THE HOOT

New Wash Basins

After returning to school after the cotton picking holidays the teachers, boys and girls of the grade school building were pleased with a new convenience they found in their bathroom. In the bathroom each of the second and third floors there had been installed a nice long wash basin.

At these wash basins eight or ten children can stand at one time with hands under the shower, while before the wash basins were built only two primary children could bathe hands at one time and the upper grades did not have easy access to lavatories. Also teachers are glad to supervise hand baths before lunch and thereby save time, water and linens. There's no excuse for soiled hands on school work now!

The grade-school people wish to express their thanks to the Hedley Parent Teacher Association for this one more generous gift.

Bring your boot orders to Keldale Shoe Shop and save money.

Sophomores Enter

Thrills and spills—that describes a part of the fun the Sophomore class had Friday night. At six p. m. we gathered at Miss Bergner's apartment for a buffet supper. After eating up all we could hold no more, we ate a big chew of gum and went to the Memphis Skating Rink where we skated an hour and a half. We all had our ups and downs, mostly our downs, but it was fun.

We then returned to Miss Bergner's where we finished up everything to eat. We also washed every dish, then we went home, feeling pretty sore.

Those attending were Jo Ann Shaw, Margie Bardine, Lois Rhodes, Harold Ollifson, Dorothy Richardson, Travis Bailey, James Biggs, Paul Dishman, Albert Martin, Miss Bergner, our sponsor, and our two room mothers, Mrs. Shaw and Mrs. Martin, and our guest, Miss Mathis.

The Informer, \$1.00 per year.

Mister X

Wonder what J. M. is going to do now that Margaret has gone. The Sophomores may have to use their imaginations to assist in the play and build stage scenes from The Piper, but all they have to do to get a movie of the roman Mr. Barbara and the moonstick Michael is to walk past the bulletin board or peep in the door of Room 1.

Modern version of the sugar and the sack:

La Velle: "I am sweet on you!"
Keith: "Yes, and I'm sorta stuck on you!"

When Mr. Ballard asked Johnny Everett to give three proofs that the earth is round he quickly replied: "The book says so you say so, and Mother says so!"

J. M.: "You are the sunshine of my life, darling!"

Margaret: "Oh, J. M.!"

J. M.: "You reign alone in my heart."

Margaret: "Oh, J. M."
J. M.: "With you at my side I could weather any storm."

Margaret: Excuse me J. M. but is this a proposal or a weather forecast?"

Wonder why June thinks school is such a long dreary life since the Long boys have taken such a long absence from school.

Assembly

In assembly Thursday morning the Parent Teacher association presented each class a check for their per cent of the queen contest. They also presented the sixth grade their dollar for having the most parents present at the P. T. A. meeting. The program was based on the idea of Thanksgiving with the planning done by Miss Cleek and Miss Mathis. It began with an invocation by Mr. Payne. Next the audience sang "America" and "God Bless America." After the songs the primary grades sang "We Sing for Thanksgiving" and "Mr. Turkey;" they also played the rhythm band for us. The seventh grade sang one song and the band arranged by Miss Mathis, played "Stardust." Three students gave a short play named "Tony and the Star Spangled Banner." It told us the meaning of the song. The program was concluded by the audience singing "Star Spangled

Weiner Roast

The seventh grade chess up into two groups, and had a grade point contest. The group which got the most points were entertained by the losers. The losers entertained with a weiner roast on Wednesday afternoon Nov. 12.

Those present at the weiner roast were Miss Bishop, Miss Cleek, Mr. Gregg, Bonnie Fay and Johnnie Ray Everett, Merle Wayne Peabody, Wanda Horn, Donald Bailey, Bernard Adams, Sam Owens, Letha Bain, Gene Latimer, Floyd Sims and our sponsor Mr. Payne. We all enjoyed it and hope to have another entertainment soon.

Symbols of Thanksgiving ..

SHOCKS of grain in a moonlit field... Pumpkins... Turkey... Fruit. Those are the symbols of Thanksgiving, handed down by our ancestors. Today, though, we can be thankful for much besides a bountiful harvest... thankful for the American way of living; that has grown out of private initiative and enterprise... thankful for the freedom which has been inherited from those ancestors through reverence for the Constitution.

And we can be thankful for the modern comforts of every-day home life provided by Electric Service, which has been made both plentiful and cheap. This is our contribution to Thanksgiving, this plus jobs for a thousand men and women and almost one-half million dollars annually in taxes.

Henry's Trip to See Thermometer Was Urgent

He slid his tired feet into a pair of slippers, lit his pipe, sat down in the easy-chair with a sigh of relief, and declared 20,000 wild horses couldn't make him stir from the house.

"Henry," said his wife, "you posted that letter I gave you this morning?"
 "I did, my love," he answered.
 "I asked mother to postpone her visit for a while," his wife continued. "You see—"

Henry did so. The tired man jumped from his chair, kicked off his slippers, put on his boots, and slipped out into the murky street. Five minutes later, Henry came back with the tale that he had been to see how the thermometer outside the post office stood. She smiled.

Household News

FOR THAT EXTRA SPECIAL LUNCHEON
 See Recipes Below.

When your children are in school, and your husband is at work, you find little pleasure in eating a solitary meal. And when you are rushed with household duties, you are apt to grab a quick sandwich, or a steaming bowl of soup, and then continue with the tasks that are still before you.

But, you can take advantage of the days when the family is away, and the work all finished, to entertain your friends at a one-o'clock luncheon, a dessert luncheon for the bridge club, or for just a friendly get-together. A good menu and an attractive table will give you the poise and enthusiasm necessary to serve your guests easily and graciously.

Oftentimes the most easily prepared food may be the most attractively served. A fluted orange cup makes a colorful container for many fruits, which may be varied with the season. The fruit must be cut into pieces of convenient size, free from seeds and skin, except for grapes. It should be thoroughly chilled and combined so that it is a neat arrangement. If a few pieces are crushed or wilted, the whole concoction will look careless and unappetizing. Remember, an appetizer should not be too sweet, for as the name implies, the first course should sharpen the appetite.

For the rest of the menu you might like to serve mock chicken legs, baked potatoes, crisp green salad, crescent rolls, and as an unusual dessert, chocolate mint roll.

Fluted Orange Cup.

(Serves 6)

- 3 oranges
- 1 banana
- 1 cup grapes
- 3 tablespoons sugar

With a sharp knife pierce to center of orange. Cut the orange in half, using zig-zag strokes that meet to make the points of the scallops. Separate the 2 orange halves, and remove meat from shells. Cut orange meat into pieces. Peel, and cut banana into pieces. Combine orange meat, banana and grapes. Sprinkle with sugar. Chill. Serve in well-chilled shells, garnished with a sprig of mint, if desired.

Chocolate Mint Roll.

(Makes 1 11-inch roll)

- 1/2 cup cake flour (sifted)
- 1/2 teaspoon baking powder
- 1/4 teaspoon salt
- 1/2 cup sugar (sifted)
- 4 egg whites (stiffly beaten)
- 4 egg yolks (beaten)
- 1 teaspoon vanilla
- 2 squares unsweetened chocolate (melted)

Sift flour, baking powder and salt together 3 times. Fold sugar gradually into egg whites. Fold in egg yolks and vanilla. Then fold in flour gradually. Add chocolate, and beat gently but thoroughly. Turn into a 16 by 11-inch pan which has been greased and lined with paper and greased again. Bake in a moderate oven (350 degrees) for 15 minutes. Cut off crisp edges and turn onto a cloth covered with powdered sugar. Remove paper, roll, and cool. Unroll and spread half of mint frosting over cake and roll again. Wrap in cloth and cool for about 5 minutes. Cover with remaining frosting. When frosting has set, cover with bitter sweet coating, made by melting 2 additional squares of unsweetened chocolate with 2 teaspoons butter.

Mint Frosting.

- 2 egg whites (unbeaten)
- 1 1/2 cups sugar
- 5 tablespoons water
- 1 1/2 teaspoons light corn syrup
- Green vegetable coloring
- 1/4 teaspoon peppermint extract

Combine egg whites, sugar, water and corn syrup in top of double boiler. Beat with a rotary egg beater until thoroughly mixed. Place over rapidly boiling water, and cook

for 7 minutes, beating constantly, until frosting stands in peaks. Add coloring gradually to hot frosting to give a delicate tint. Remove from boiling water, add flavoring and beat until thick enough to spread.

Mock Chicken Legs.

(Serves 6 to 8)

- 1 1/4 pounds veal steak
- 1 1/4 pounds pork steak
- 1 1/2 teaspoons salt
- 1/2 teaspoon pepper
- 1/2 cup flour
- 1 egg (beaten)
- Cracker crumbs

Pound meats, after seasoning with salt, pepper and flour. Cut into 1 1/2-inch squares, and place 6 pieces of each kind of meat, alternately, on a skewer. Press together. Chill for 1 hour. Dip in beaten egg and roll in cracker crumbs. Brown on all sides in hot fat in a skillet. Pour 1 cup water over the "legs," and cover. Bake in a moderate oven (350 degrees) for 1 hour. (The liquid will all cook away.)

Corned Beef Souffle.

(Serves 6 to 8)

- 2 cups milk
- 1/2 cup celery (chopped fine)
- 2 tablespoons onion (chopped fine)
- 2 tablespoons butter
- 2 tablespoons flour
- 3 egg yolks (well beaten)
- 3 egg whites (well beaten)
- 1/2 cup soft bread crumbs
- 1/2 tablespoon paprika
- 1/2 tablespoon salt
- 2 cups cold corned beef (chopped fine)

Scald milk in a double boiler with the celery and onion for about 15 minutes. Strain and cool a little. Melt butter in a saucepan, add flour, then the milk, and stir until smooth, stirring constantly. When boiling, add the bread crumbs, paprika, salt and corned beef. Remove from fire and add the beaten egg yolks. Fold in the well-beaten egg whites, and pour souffle into a greased pan. Bake in a slow oven (300 degrees) for about 45 minutes.

Rice Butterscotch.

(Serves 5 to 6)

- 2 cups milk
- 1/2 cup rice
- 2 cups brown sugar
- 2 tablespoons butter
- 1 teaspoon salt

Scald the milk in a double boiler. Add the washed rice and cook until nearly tender (about 30 minutes). Meanwhile, melt the brown sugar, butter and salt, and cook for 10 minutes over low fire, until a syrup is formed, stirring constantly. Gradually turn this mixture into the rice and continue cooking until the rice is tender. Turn into wet molds and chill. Serve with cream and sugar, if desired.

PATTERN DEPARTMENT

TWO of the most useful aprons in the world are yours in this one simple pattern (No. 1993-B). One is the all-protective type that you rely on to keep your dresses safe while preparing supper. The other is the more or less decorative tie-around that you wear when serving afternoon tea. Notice the special virtues of the coverall. It protects the top as well as the skirt of your dress; it goes

over your head and ties in a jiffy. It's so cut that it can't slip from your shoulders.

Just leave off the bib part of the coverall, and you have the high-cut, saucy little tie-around. Batiste, gingham, linen, percale and seersucker are pretty apron materials.

Barbara Bell Pattern No. 1993-B is designed for sizes 22, 24, 26, 28, 30, 32 and 34. Size 24 requires for 21, 2 1/4 yards of 35-inch material without nap and 6 yards rickrack; 1 1/2 yards for 22, and 3 1/4 yards trimming. Send order to:

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste
 Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
 Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
