O. E. Saunders, Claudine and Lawrence Dodson Killed Tollett Killed in Wreck

The entire community was shocked and grieved Sunday afternoon when word came that O. E. Saunders and Claudine Tollett had been killed in an automobile accident near Claude about 1:30, and that Mrs. Saunders and daughter, Wanda Lou, and Mr. and Mrs. Earl Tollett and their son Tommy Earl, were all injured. The accident occurred when the 1941 Ford sedan of the Saunders' and a loaded wheat truck, driven by Guy Tyler of Claude, collided at a country road intersection southwest of Claude. High winds obscuring the vision of both drivers was believed to have caused the accident.

All the injured were taken to an Amarillo hospital except Tyler who was treated at Claude. All have been released except Wanda Lou Saunders, who is still under observation in the hospital.

One of the largest crowds ever to attend a funeral here gathered at the First Baptist Church Tuesday afternoon to pay their last respects to the wreck victims. The service was conducted by Rev. M. E. Wells of White Deer, assisted by Rev. A. L. Teaf and Rev. I. E. Biggs.

Palbearers for Mr. Saunders included Virgil Gregg, Jay Hunt, Harry Burdon, Ray Mereman, F. A. Clements and Tommy Bain. Flower girls were Dorothy Stelman, Melba Jean Olfson, Letha and Vera Bain, Eva Jean Cherry and Saralyn Teaf.

Palbearers for Claudine Tollett were Charles Neal Johnson, Carter Hoffman, Bucky Everett and Wayne Ray. Flower girls included Patricia Murray, Charlene Barcott, Cherry Ruth Vainance, Sarah Ann Rains, Anita Gain and Mary Alice Hunsucker.

They were laid to rest in Rowe cemetery, with Womack Funeral Home in charge.

Ottis Edward Saunders was born July 25, 1905, in Franklin county, Texas. He had been a resident of this community for 17 years, and had been in the grocery business here for several years, he and Earl Tollett being owners of the Saunders and Tollett Grocery. He was a member of the First Baptist Church here. Besides his wife and daughter, he is survived by his parents, Mr. and Mrs. R. E. Saunders of Hedley, two brothers, Arris and R. A. of Hedley, and four sisters, Mrs. Lee Anderson of Abilene, Mrs. Pete Barnett of Breckenridge, Mrs. J. L. Harris and Thelma Perkins of Hedley.

Thelma Claudine Tollett was born Oct. 24, 1940, at Memphis.

She is survived by her parents, Mr. and Mrs. Earl Tollett, one brother, Tommy Earl, and her grandparents, Mr. and Mrs. J. A. Tollett and Mr. and Mrs. A. L. Wall, all of Hedley.

The Informer joins their many friends in extending sincerest sympathy to the bereaved in this tragic accident.

His many Hedley friends were deeply grieved Monday afternoon to learn of the death of Lawrence Dodson of Pampa, who died in a Berger hospital as a result of injuries suffered when he was crushed between two trucks. He had been unloading firebrick on the Sinclair-Weatherly lease west of Berger, and was caught between the trucks when he stepped behind one and another nearby slipped back.

He was an employee of the G. M. Jeffries Co. of Pampa, and had lived there about 2 1/2 years.

Lawrence Dodson was born in Oettle county, Texas, Feb. 2, 1915, being 26 years of age at the time of his death. He moved to Hedley with his family in 1925.

He is survived by his father, S. L. Dodson of Hedley, three brothers, Gerald of Wichita Falls, Verne of Bruster, Wash, and Sidney J. Y. of Hedley, and seven sisters, Mrs. Dorothy Lehman of Amarillo, Mrs. Ruth Walls of Pampa, Mrs. Maybelle Walls of Bruster, Wash, and Misses Rachel, Alice, Christine and Louise Dodson of Hedley.

Funeral services were held Tuesday afternoon at the Methodist church here. Rev. M. E. Wells of White Deer conducted the service assisted by Rev. I. E. Biggs and Rev. A. L. Teaf.

Palbearers were O. M. Jeffries, Wilfred Porter, Elmer Hemphill, Floyd Riggs, Ed Boyd, Herman Vaselekis and Bill Morgan, all of Pampa.

He was buried in Rowe cemetery under direction of Womack Funeral Home.

The Informer joins the many other friends of the family in extending deepest sympathy to the bereaved.

WEEKLY NEWS ANALYSIS By Edward C. Wayne

Nazis Claim 'Break Through' Attack Against Soviet Line Is on Schedule; Knox Denies Charge of 'Shooting War' As Debate Continues on U. S. Policy

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.) (Released by Western Newspaper Union.)

SENATOR WHEELER From him—a charge. (See Below: ICELAND—and Russia.)

SECRETARY KNOX From him—a denial.

ICELAND: And Bases

The occupation of Iceland by U. S. troops and sailors still was an issue of highest import in Washington, and Secretary Knox found himself much in the center of investigation and censure, as well as the recipient of considerable approval, depending on what quarter one turned to.

A hitherto almost silent cabinet member, Postmaster General Walker, journeyed all the way to Butte, Mont., right into Senator Wheeler's bailiwick to deliver a radio address sharply criticizing the stand of the noninterventionists, of which Wheeler was a forefront leader.

Walker declared that Wheeler and his associates among the isolationists were "talking Hitler's language."

Meantime Secretary Stimson was preparing to launch the congressional campaign in favor of the Reynolds bill to amend the selective service provision restricting the service of the army to the Western hemisphere, and there were indications that the length of service change proposed also was going to meet a hard fight.

Some of the selective service officials themselves were being quoted as saying that they felt a lengthening of the training period of draftees would be a "breach of faith."

Then came Wheeler's charge that the navy already had done some "shooting" on the high seas, and following the session of Secretary Knox before the naval affairs committee there were published, but unverified reports on both sides of the picture.

Some senators, it was said, told friends that it had been admitted that some naval vessels had "dropped depth charges," while other senators said that Secretary Knox and Admiral Stark had made a categorical denial of the whole matter.

Then Senator Taft stepped into the picture, saying that he had information from sources he considered well informed that the United States was already creating bases in Northern Ireland and Scotland.

There were denials and partial confirmation of this, one story purporting to reveal that American citizens were being paid \$90 a week and subsistence by the British for working on some sort of a base in Northern Ireland.

This work, however, was not identified positively as the creation of an air, army or naval base.

The whole picture was further confused when Britain announced that instead of leaving Iceland now that Americans were on the ground, as the original plan had been, the British tonnies would stay.

This brought further repercussions in Washington, some holding that it would be a menace to our marines if they were on the same island with British soldiers, as the Nazis, bombing the British, might kill marines at the same time.

NAZIS: Renew Drive

The resistance of the Russians to the fiery Nazi invasion continued to claim chief interest in the news, with the issue still considerably in doubt from a long-range viewpoint, though the Germans, having renewed their blitz technique after a considerable lull, were making important gains.

central cities and most vital territories on the fighting front, and continue to move backward, force the enemy to spread out, and absorb his power in their country's vastness.

Berlin claimed important breaches of the Stalin line at least four points, one near Leningrad; two in the central portion of the line and one at the south. In addition, asserted the German communiques, which resumed something of the authoritative note that they had assumed during the Greek and Cretan campaigns, the Russians' defense on the northern sector was generally broken, and the fall of Leningrad was deemed a certainty.

As to Kiev, the Nazi forces were on the threshold of that important Ukrainian city, and while Moscow was still far distant from the Nazi attack, the Germans claimed the capture of Vitebsk, also its occupation, and this brought the invaders' line close to Smolensk, generally regarded as the gateway to Moscow.

What observers wondered chiefly was how much the recent stalling of the German attack had been caused by Russian resistance and how much by the difficulty of long advances over the terrain and the roads the invaders were traversing.

The Russian reports were filled with stories of immense German losses, and these had been partially, at least, verified from such points as Stockholm and Berne. If it was true that the stalling of the Blitzkrieg and the assumption of the offensive by the Russian forces had been caused by determined Red resistance, then there was reason to think that it might be accomplished again.

The Russian reports spoke of reinforcements in astronomical figures, one stating that 8,000,000 men were "moving to the front." Few believed that Germany was equipped to handle 8,000,000 prisoners, let alone defeat that number of soldiers—but then there was considerable doubt whether the Reds actually had anything like that number of men in the field.

But if even a considerable part of such an army was maneuvering into a position of resistance, observers felt it was still too early to predict a certain and smashing German victory.

SYRIA: Points 4, 5, 6

It was almost coincidental with the halting of hostilities in Syria that the press received any intimation what the British terms would be. There were some 10 points in the British demand, and of these Numbers 4, 5 and 6 were apparently most objectionable to Vichy.

It was quite obvious what Britain was after in these points, which had to do with the handling of both native and French residents who had borne arms in the campaign.

Now these points specified, in one particular, that under the terms of the peace all such persons were to be given their choice of joining with the Free French or going back to France, in the case of French citizens, or, in case of natives, joining with the Free French or being disarmed.

There was another point with regard to the French navy in Syrian waters, ordering that this be surrendered; but the French "beat the gun" on this item, all the French naval vessels, 23 of them, fleeing to the harbor of Alexandretta, under the Turkish flag, where they were promptly interned.

HIGHLIGHTS . . . in the news

Berlin: Columbia Broadcasting System resumed its broadcasts from Berlin, although the Nazi government was told there would be no change in the CBS policy. Germans had halted the broadcasts in protest over the way Elmer Davis had commented on an interview over the air with P. G. Wodehouse, British author interned and then released to do broadcasting.

Washington: Fifty-two D. C. motorists were arrested, charged with having "smoky" exhausts on their cars. It was the opening gun in a campaign by Secretary Ickes, controller of the oil situation, to conserve gasoline. In the national capital motorists were told that they must have their cars adjusted, or their licenses would be suspended as an enforcement measure.

British Trophy

Lord Halifax, British ambassador to the U. S. and Lady Halifax, are shown inspecting a captured German Messerschmitt fighting plane which has been placed on exhibition in Washington, D. C. The exhibition is for the benefit of the "Bundles for Britain" fund. The plane is one shot down over England during a night raid.

PERU: And Ecuador

Despite the fact that the century-old border dispute between Peru and Ecuador flared into shooting violence again even as the countries were accepting mediation offers from the United States, Brazil and Argentina, it was generally believed that the squabble would finally be submitted to arbitration.

Official dispatches from Quito seemed to show that the Ecuadorians were willing to arbitrate the difference, which covers a considerable area of land, most of it wild and undeveloped by nationals of either nation.

Word came from Buenos Aires that Peru also was willing to have the subject mediated, and Sumner Welles, acting secretary of state during an illness of Secretary Hull, suggested that in the interim both countries move their armed forces to a distance of 15 miles from the border, putting twice that distance between them.

YOO-HOO: And Army Life

This matter of soldiers "yoo-hooing" at girls in shorts on a golf-course near Memphis, for which they had to march on foot 15 miles in punishment was becoming an army joke throughout the nation.

Soldiers in one camp judged a fashion show, cheered the models to the echo, and selected their favorite daytime and evening gowns; and in another camp the soldiers challenged the punished troops to a 15-mile competitive hike just to show that they could "take it" too.

Most amusing incident, however, occurred at Olympia, Wash., where a hiking outfit, traveling past some admiring young women, tied "marsh notes" to stones and tossed them among the girls. And one of them read:

"Dear Miss: How lovely you are! Won't you write to this lonely soldier? Help the National Defense! P. S.—Don't tell General Lear."

MURDER: Number One

Bermuda was shocked by its first murder mystery in the history of the islands. The victim was a woman, member of the board of censors of the city of Hamilton.

Rewards totaling close to \$5,000 were offered. The island government asked the aid of the FBI. They wanted bloodhounds, lie detectors, other scientific crime-tracking data and material.

The United States complied in one request,—sending G-men there by plane to aid in the hunt for the slayer.

R. A. F.: And Planes

Perhaps the most serious controversy in commons over the R. A. F. occurred when, at the height of the heaviest bombing campaign undertaken by the British, the question was raised as to whether all was well with the plane supply.

The disappearance of Beaverbrook from the scene of plane production had been followed by serious criticism, and one critic declared that England had many warehouses full of crated American planes, unusable because somebody had omitted to purchase necessary accessories.

The new chief of aircraft production for Britain promised to remedy the "confusion" which had existed, but had little that he could answer to accusations from members of parliament, two of whom had actually fought through the Greek and Cretan campaigns, that Britain had sadly bungled in getting airplanes into the proper spots where they could have been used, perhaps, to have turned defeat into victory.

Star Dust STAGE-SCREEN-RADIO By VIRGINIA VALE (Released by Western Newspaper Union.)

WHEN it was decided that the new Garbo picture would get under way on Friday the thirteenth, the assistant director called the cast together to see if anybody's superstitions would get in the way. Melvyn Douglas said that Friday was a lucky day for him, and

Greta Garbo

the fact that it was the thirteenth would make it so much the better. Ruth Gordon, who gave up a number of summer stock engagements to take this one in pictures, declared that she deliberately walks under ladders, and loves black cats. Roland Young said that he'd bring along one of his china penguins, to break the evil spell of the jinx. As for Miss Garbo, she said nothing—just showed up on time.

Janet Blair used to be the featured vocalist with the late Hal Kemp's orchestra; now she has a Columbia contract and one of the top feminine roles in "Three Girls About Town." She'll play the younger sister of Joan Blondell.

David Niven not only went back to England to serve his country, but he's been made a major. Bing Crosby had a letter from him in which he mentioned the promotion. He heads a squadron of defense troops which is stationed on the English coast opposite France. In his letter he said that no less than 20 invading Nazi bombing planes had been knocked down above his sector the previous night.

David Niven

The March of Time's newest release, "New England's Eight Million Yankees," shows how the six northeastern states are making themselves invasion-proof. It is the first of a series of regional films, and will be followed by releases on the Midwest, Texas, and other sections of the country.

Penny Singleton, who's been "Blondie" on the screen and on the air for so long, is hard at work now in her first film musical. It's called "Cowboy Joe" temporarily, and Glenn Ford plays opposite her. She'd made a name for herself as a singer and dancer on the Broadway stage before she went to Hollywood, and her nine "Blondie" comedies have made one for her in Hollywood.

The office of Heinrich Himmler, chief of Nazi SS men, is as authentic a reproduction in Warner Bros.' "Underground" as following actual photographs could make it. Himmler does not permit photos of his office to be released; however, Kurt Schmidt, technical adviser on "Underground," made some when he was in favor with the SS head, and smuggled them out of the country when he escaped two years ago. The film shows Himmler's dreaded office for the first time.

Bob Hope, who soared to film popularity with the song "Thanks for the Memory," will have another opportunity to warble an outstanding number, when he sings "You Can't Brush Me Off" in "Louisiana Purchase," which Paramount will produce. Lately he's been content merely to be one of the funniest men on the screen. His "Caught in the Draft" is hilarious, though the script writers dug up some of the oldest jokes in existence for it. Eddie Bracken hangs a few laurels for himself in this one too.

With the exception of a few minor weekly cast additions, all the regular roles on the new "Hap Hazard" radio series, the summer replacement for "Fibber McGee and Molly," have been assigned. It stars Ransom Sherman, and features the singing of Edna O'Dell and Billy Mills' orchestra. Nowadays people in radio have begun to take these summer replacement shows seriously. The "Blondie" program started as one three years ago—now it tops all CBS half-hour shows in popularity, according to the latest Croasley report.

ODDS AND ENDS—One Munson wound up work in "Wild Geese Calling" at 20th Century-Fox, got a vacation from radio when Edward G. Robinson's "Big Town" show left the air for the summer, and headed for Santa Barbara and a rest. . . . Ruth Hussey and Robert Young will be teamed in "Married Bachelors," a comedy of a young married couple who are always just two jumps ahead of the sheriff. . . . Jane Foy has the feminine lead opposite Dennis O'Keefe in RKO's "Week End for Three." . . . At last they have a come-back vehicle for Shirley Temple—"Cathleen." . . . Myrna Loy and William Powell will be at it again before long, in "The Shadow of the Thin Man."

THE PASSING OF THE

Boomtown

Oil boomtowns exist today only in the movies. The old-time "gusher" wells are gone forever.

In the early days, as long as oil flowed, the boomtowns flourished. But soon the wells failed and the booms collapsed, carrying with them the income and security of those who had depended on them.

Today, through a sound program of conserving oil and gas, hundreds of Texas communities are enjoying a permanent type of petroleum development. Furthermore, because of conservation, we have the largest oil reserves in the world, one of our greatest assets for National Defense.

Oil now builds stable communities. It provides assured tax revenues and greater ultimate tax returns than were ever possible in boomtown days. And every citizen benefits from the income oil creates.

Conservation not only protects Texas oil resources. It also assures for many years the prosperity which oil brings to every community where it is found.

HOUSEHOLD HINTS

Small pieces of soap can be placed in a bag and used for washing clothing.

Dipping fish in boiling water will aid scaling.

Moist table salt will remove egg tarnish from silver.

Screw tops or stoppers are apt to stick fast in the glass bottles which hold scent and lotions. To get the stopper out, tap sharply all round the neck of the bottle with a knife or spoon handle. It will then come out quite easily.

After a number of dustings, Venetian blinds usually need a good soap-and-water bath. Go over them with a soft sponge frequently dipped in warm, mildly sudsy water. Rinse thoroughly with warm water applied on a soft cloth or sponge. Wipe dry with soft cloth.

It makes a big difference if you serve hot foods on hot dishes and cold foods on chilled dishes.

BUFFET SUPPERS

If there's one season of the year when you like to feel really free from the heat of the kitchen, then summer's that season. You can do it easily, too, if you'll plan and prepare C-O-O-L meals in the early hours of the day before the heat becomes sweltering. Then stay strictly out of the kitchen until supper-time.

Make mealtime during these months as simple as possible. Not only will you be the more charming for doing less work, but your family will enjoy the simplicity as a change. One of the answers to this is buffet service. An attractive arranged table on the summer porch is a tonic for hazy summer appetites.

*Sandwich Loaf.

For Chicken Filling use:
 1 cup ground, cooked chicken
 1/2 cup ground almonds
 2 to 4 tablespoons chopped celery
 Salt to taste
 Lemon juice to flavor
 Salad dressing to moisten
 Mix chicken, celery and almonds. Season with salt and lemon juice and add enough dressing to give spreading consistency.

For Egg Filling use:
 4 hard cooked eggs
 1/2 cup chopped cooked bacon or 1/2 cup stuffed olives, chopped
 Salt to season
 Few drops Worcestershire sauce
 Salad dressing or cream to moisten.
 Chop eggs, add bacon and Worcestershire sauce. Moistened with salad dressing to give spreading consistency.

Remove the crusts from an uncut loaf of day-old white sandwich bread. Slice lengthwise to make three or four slices about 3/4 inch thick. It's a good idea to have the bottom slice thicker than the other three since it helps in placing the loaf when served. Spread slices, except top and bottom, with creamed butter, mayonnaise, then with different fillings. Use chicken filling between two slices; egg filling for the next and chopped vegetables moistened with mayonnaise for the third or tomato slices.

Stack and cover top and sides with soft cream cheese piled like frosting. Garnish with thin radish slices and dust with chopped chives. Chill in the refrigerator several hours before serving. It's better not to use lettuce because it offers slicing difficulties after the loaf is served.

For the cream cheese frosting use 1/4 to 1/2 pound of cream cheese. Add rich milk or cream to make a thick paste. Beat cheese and cream until evenly mixed and of good consistency for spreading. Spread over loaf to give a fluffy effect, as though you were swirling icing.

*Tomato-Cheese Salad.

(Serves 8-10)
 1 can (10 1/2 ounces) condensed tomato soup
 1 tablespoon butter
 1 tablespoon grated onion
 1 1/2 tablespoons gelatine
 3/4 cup cold water
 6 to 8 ounces cottage cheese
 1/2 cup mayonnaise
 Salt to taste
 1 cup chopped cucumber
 1 cup chopped celery
 1/2 cup sliced radishes
 1/2 cup finely chopped onion

LYNN SAYS:

When you think the thermometer's going to burst, then think cool, eat cool, act cool, and you'll be cool. Drink plenty of water and cooling beverages.

Be gay and have your meals casually out on the shady porch on a bright table cloth. Serve things buffet style for it'll make it easier all the way around: less table setting, less dishes, and less to do.

No one may feel much like eating, and people, generally eat less during summer months, but they must still have the proper diet. So bring out your crisp garden salads, chilled main dishes, and assorted fruits. Be Cool!

THIS WEEK'S MENU

- *Sandwich Loaf
- *Tomato-Cheese Salad
- *Honey and Nut Bran Muffins
- *Spiced Rhubarb Jam
- Cool Beverage
- Chilled Assorted Fruit Plate
- *Recipe given.

Lettuce

Tart french dressing
 Heat the tomato soup, butter and grated onion. Soften gelatine in cold water and add it to the hot tomato mixture. Add the cottage cheese and mayonnaise, stir the mixture thoroughly and salt it to taste. Let the mixture cool until it thickens slightly, then add the chopped vegetables. Pour into a large ring mold or individual molds and chill until firm. When ready to serve unmold on crisp lettuce. Use a tart french dressing with this salad.

A one-dish summer meal that will help you be a cool and collected homemaker is this tasty ham mousse which may be served as a salad main dish, heaped high with garden greens, tomato aspic cubes, devilled eggs, carrot strips, peas marinated in french dressing, ripe olives, celery hearts.

Ham Mousse Salad Plate.

(Serves 6-8)
 1 tablespoon of plain gelatine
 1/4 cup cold water
 2 cups stock or bouillon
 1/2 cup mayonnaise
 1/2 cup diced celery
 1/4 cup diced dill pickle
 1/4 cup minced pimiento
 1 cup chopped, cooked, smoked ham
 Soak gelatine in cold water for 5 minutes. Heat stock or bouillon to boiling point and add gelatine which is soaked. Stir until dissolved. Chill until slightly thickened, then whip in the mayonnaise. Add remaining ingredients, pour into ring mold and chill until firm. Unmold on salad plate and garnish with accompaniments suggested above.

Muffins that will bake in a few minutes will give your meal a tang and zest that will bring cheers from the family. These are so good you'll want them often for any meal of the day. If made in the smaller muffin tins, they'll make a grand addition when you have the ladies in for luncheon.

*Honey and Nut Bran Muffins.

(Makes 16 large muffins)
 1/2 cup honey
 1 cup flour
 1/4 to 1/2 teaspoon soda
 1/2 teaspoon salt
 2 cups bran cereal
 1 tablespoon melted butter
 1 1/2 cups milk
 3/4 cup walnuts, chopped fine

Sift together flour, soda, salt, and mix with bran cereal. Add other ingredients. Place in greased gem pans and bake in a quick oven (425 degrees) for 25-30 minutes.

A jam spicy and delicious to go with your muffins is this one which needs only a few minutes' cooking and is therefore guaranteed not to make your kitchen unbearably hot.

*Spiced Rhubarb Jam With Orange.

(Makes 7 6-ounce glasses)
 3 1/2 cups prepared fruit
 4 cups sugar
 1 box powdered fruit pectin
 To prepare fruit, trim and slice fine (do not peel) about 2 pounds of small red-stalked rhubarb. Add 1 cup of sugar, mix, let stand for 15 minutes. (This cup of sugar is added in addition to the ones specified above). Add 1 teaspoon each of cinnamon and cloves, and grated rind of 1 orange.

Measure prepared fruit into a 5- to 6-quart kettle filling up last cup or fraction of a cup with water if necessary. Place over the hottest fire, add fruit pectin, mix well, and continue stirring until mixture comes to a hard boil. To reduce foaming, 1/4 teaspoon butter may be added. Pour in the 4 cups of sugar, stirring, bring to a full rolling boil, and boil hard 1 minute.

Remove from fire, skim, pour quickly into glasses. Paraffin at once.

Queer Marriages

People have been married in submarines, on mountain peaks, with handcuffs on, in jail, and one man even married his housekeeper in his first wife's tomb.

An invitation to "stew in your own juice" was contained in an advertisement that appeared recently in a Chicago newspaper. It read: "Wanted: couple to get married in 26,000 gallons of diluted cherry juice at Cherry Festival. Marriage license, ring, and wedding present." There were scores of applicants. Two years ago a couple tried to get married while jumping by parachute, but the difficulty was to keep them and the clergyman together so that the responses could be heard. After many attempts it was reluctantly abandoned.

YOU BUY INOCULATION ON FAITH

Field tests have shown a big difference in the quality of inoculator brands on the market. You cannot see the legume bacteria you purchase. Immediate demonstration is impossible. What is the reputation and experience behind the inoculation you buy?

NITRAGIN is the ORIGINAL LEGUME INOCULATOR, having served the farmers for over forty years. It won a GOLD MEDAL at the World's Fair, St. Louis, 1904.

NITRAGIN is made in the most complete and modern laboratory of its kind in the world.

NITRAGIN is the leader in its field by a big margin. NITRAGIN demand in the South has rapidly increased year after year. During the fall of 1940 the Southern shipments of NITRAGIN were for more than 45 million pounds of VETCH and WINTER PEAS. This large demand is due to many field tests carried on year after year. We prove by these tests that NITRAGIN is a good product.

Send for our booklet "Plant Legumes to Prosper," showing pictures of field tests and how NITRAGIN is made. The booklet also gives you valuable information regarding the inoculation of legumes. If your dealer does not have NITRAGIN in stock, have him get it for you. Insist on NITRAGIN inoculation.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste
 Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
 Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up at night, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.
 Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
 There should be no doubts that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Baptist Church Notes

Services were good again at all hours last Sunday. The attendance was just about a new record. The Training Union had 60 present. The two additions rejoined our hearts. One came by letter, and one made a profession of faith in Jesus as his personal Savior and presented himself as a candidate for baptism. This makes three Sundays in succession that we have had additions. The committee to recover the basement roof has been asked to receive the remainder of the funds necessary and to have it put on. If you have not had a part in this or if you want to do more see one of the committee. Bro. Alewine is the treasurer. The pastor and his family are leaving for a revival meeting with his old home church at Tye, Texas. He will be away for the next two Sundays. Pray for your pastor as he leads in this revival. The preaching services will be

conducted by Bro. DeBord. The Sun Beam Band will be led by Miss Theresa Bain for the next few weeks. This week it meets with Mrs. Hunsucker at 3:30 p. m. Prayer services will be had as usual, 8:30 p. m. Wednesdays. The revival at the local church is to begin August 17th. Put the date in your date book and plan to be present at all services. Pray much that God's will shall be done; that the lost shall be saved and that those who call themselves by the name of Christ and who are not representing Him aright will get right with Him. These are tragic days. God has put out His warning signs. May the Lord help us to heed these God-given warnings and make our preparation to meet Him. "Prepare to meet thy God."
