Rationing Board News

It has come to the attention of the Donley County Rationing Board that there has been some over charging for tires issued by the Rationing Board. The dealers have been charging more than the posted price. Also we find that some passenger car tires have been sold for tractor instead of tractor tires. This is a violation of the Tire Rationing Regulations and is a Federal offense. Any person violating these regulations is subject to a term in Federal pen and also heavy fine.

If many of these cases are called to the attention of the board it will be necessary to report this to the Washington Office. We would appreciate the cooperation of the tire dealers also the consumers in carrying out these regulations.

Persons eligible for new pickups and new trucks will make application to the office of Defense Transportation at the following places: 555 Federal Bldg. Dallas, Texas; 108 Federal Bldg. El Paso; 1109 Electric Bldg. Fort Worth; 6 1/2 New Federal Bldg. Houston; 205 U S Post Office Bldg. San Antonio.

Persons buying steel wheel tractors can not change over to rubber tires.

First Baptist Church Notes

The attendance for the Sunday School has been the same the past two Sundays. But the Training Union attendance was down about one third last Sunday evening. Sunday before last the Training Union attendance was the best it had been in some time. If you were not present, and in your place last Sunday, why not make a special effort to be present next Sunday? Victory will come when the churches begin to win the victory. For us to win the victory as a church every member of the church must be in his place.

The women of the Woman's Missionary Society met with Mrs Blankenship Monday afternoon for Bible Study. The pastor taught the lesson which was a finishing up of the book of Colossians and the first seven verses of the first chapter of Romans. Women read the book of Romans and be present next Bible Study day.

We plan now to begin our spring revival on Friday night May 1st. Bro S. F. Martin of Memphis has been asked to do the preaching. We need a revival. Our town and community, yes our nation needs a revival. Only God can give us what we need. This He will do when we follow His plan. Chron 7:14

The next associational Training Union meeting will be held at Lella Lake Sunday afternoon, April 19. Why not plan to have the biggest group present from Hedley?

The associational workers' conference meets this month a Turkey, Tuesday, April 21. The pastor wants to take a car load from Hedley. See him early and reserve a place for this trip.

"Hell requires no entrance fees."

We want you to feel welcome with us.

A. L. Teaff, pastor

Workers Conference

The Workers Conference of the Panhandle Association will meet with the First Baptist Church of Turkey on Tuesday, April 21. The following program will be given:

Clean Up Week

Next week has been named clean up week in Hedley. Every one is requested to get all trash ready to haul Monday, and the truck will start collecting the trash Tuesday. Please cooperate and help keep Hedley cleaned up.

Revival

The Revival at the Methodist church is in progress. The attendance has been fair. It is hoped that as the services continue the congregations will increase.

The interest of those attending has been good. We feel that you will benefit by attending. The pastor of the church is doing the preaching and Bob Watkins is leading the song service and Mrs Watkins is at the piano. E. V. S. Sherrill who was to have assisted in the meeting was appointed to Dimmitt Methodist church last week and had to report for services there Sunday, therefore he was unable to assist in the revival here.

To all a cordial invitation is extended.

The meeting will close Sunday night. The services are 10:00 A. M. and 8:45 P. M. The Sunday services are 11:00 A. M. and 8:30 P. M.

Edwards-Foster

Miss Jacque Foster of Clarendon and Carl William Edwards of Amarillo were united in marriage on Friday, April 3, at the Angus Hackaby home in Memphis, by Rev. S. F. Martin, Baptist pastor.

M. A. Edwards is the daughter of Mr. and Mrs. L. R. Foster of Clarendon. She is a graduate of Chamberlain high school and attended Clarendon Junior college.

The groom is the son of Mr. and Mrs. J. S. Edwards of Amarillo, former Hedleyans, and employed for several years with the M. S. System Grocery here. He is owner of the San Jacinto Furniture and Upholstering Co. in Amarillo.

Their many friends will join us in extending best wishes to the couple.

WEEKLY NEWS ANALYSIS By Edward C. Wayne

Anti-Nazi Unity in Norway, Denmark Brings New War Threat to Sweden; Advent of Spring Weather Heralded By Increased Battlefront Activity

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.) (Released by Western Newspaper Union.)

TOLL: Of U. S.-Jap War

News, some good, some bad, continued from the various battlefronts on which American troops and sailors were meeting the might of Nippon.

The navy had admitted the loss of three warships, the aircraft tender and former carrier Langley, the navy tanker Pecos and the destroyer Peary, with the loss of some 700 lives.

This had been a bitter tragedy of the waters off Java, adding to the awful toll of the Battle of Java Sea. First the Langley, spotted by Jap planes, had been "smothered in bombs."

Her crew, all but about a dozen men, got safely off, swam about, clinging to debris, until picked up by destroyers, later transferred to the Pecos. The latter, trying to escape to Australia, was caught by flights of Jap dive bombers, evaded the first run but was smashed in the second. With two crews aboard one boat, the loss of life was heavy.

The Peary was done to death in the Aussies' port of Darwin, but went to the bottom with all guns blazing, her commander dying at his post.

Not all was to be defeat, however, for our naval forces. American submarines had taken a heavy toll of Japanese shipping in the neighborhood of Bali and south of Java, and in the Christmas island region.

Following these disclosures, the navy reported that since the start of the war 47 Japanese ships of war had certainly been sent to the bottom against 24 for the American navy.

More than 200 ships of all types had been sunk, many of them by plane action, many by submarines, many by army planes and shore guns.

This rate of loss was deemed certain to be more than the Japs could stand, while America was increasing her production average of more than two ships of war daily going into the water, and more than this number of merchant vessels.

With the attack on Australia definitely turned back, at least for the time being, military leaders were taking a more optimistic tone as to the chances for a 1942 offensive in the South Pacific.

UNREST: In Norway, Denmark

Observers, still writing frankly and against the Nazis in the Stockholm press, saw the spring season bringing even more anti-German unity to the Danes and the Norwegians.

Both nations were finally realizing that all German promises of post-war freedom were obviously false, and that occupation and puppet government meant simply conquest.

The Danes were united behind two national heroes, the king and the minister to the United States. Hen-

HENRIK DE KAUFFMANN Number one Danish hero.

rik de Kauffmann, the latter, one German had been angrily quoted, was the No. 1 Danish Hero in the eyes of the people.

As to the Norwegians, their resistance to the Quisling government had solidified until no risk was too great for the people to impede the puppet leaders. Evidence was that Germany plans on giving Quisling enough rope to hang himself.

Sweden was not inclined to view these developments with joy, but rather with fear, seeing the day not far distant when she, too, would be drawn into the war.

PROFITS:

Agreement by a senate committee on the principle of limitation of war profits by industry had brought to light reported profits running as high as 4,000 per cent on invested capital.

While, with the government pouring capital into essential industry, such profits always would be great, the senators felt that a sliding scale of maximum permissible profits might be the answer.

Some companies had returned excess profits, one check to the government amounting to \$40,000,000.

HARMONY: And Discord

All had not been too harmonious in this country, though in general the nation was moving swiftly enough along the path of production for the war to meet the goals and schedules set by President Roosevelt.

But there were manifold bickerings along the pathway. News stories said that there was to be a sugar rationing beginning in May. Then other dispatches cited that the

SEN. WALTER F. GEORGE "Victory Day" for labor.

War Production board and the Office of Price Administration were at odds on the sugar situation, and the whole thing might be called off—that there really was plenty of sugar.

This was hotly and instantly denied by Donald Nelson, who said not only was there no friction, but that the sugar rationing was necessary and would be carried out.

There also was a terrific argument in progress over the time and a half overtime paid war workers for the 48-hour week, under the law that the work week at straight time should not exceed 40 hours.

The President had maintained his position as squarely behind the 40-hour week, and while some senators and congressmen fought against excess profits by employers, others were busy going after labor's overtime.

Senator George of Georgia was a leader in the battle, suggesting that the 48-hour week be adopted and the sixth day of work be called a "victory day," the workers passing up their overtime, but to be paid if it the seventh day were worked.

THAW: Russian for Slush

Just what the great Russian thaw had meant was vividly described in dispatches from Kulybshet. They called it "more formidable than a moated citadel."

One writer said: "Imagine all the swamps you ever saw. Imagine all the muddy ditches your automobile had whizzed past. Imagine millions and millions of mudaths. Into all this dump billions of tons of grayish snow and stir thoroughly."

That's a thaw in Russia. The Russian mud clings to feet and to tanks. One correspondent said he saw a trackwalker on the railroad jump off the track to let a train pass. The man was buried to his waist in muddy slush. His comrades had to pull him out with a rope.

CRITICAL YEAR: War Tempo Speeded

The World could feel, with the quickening of life in springtime fields and trees, the speeding of the tempo of the war on half a dozen fronts, and the vigorous battering of nation against nation that was to make 1942 the critical year of the World war.

In the "land down under" the seasons were reversed, with Australia moving into the fall season, but as the threat was to the tropical north of the continent, weather made little difference.

But in Russia, in occupied Europe, and on the embattled oceans the changing weather was bringing faster reports of action afoot and in the air.

Across the English channel had been moving huge flights of bombing planes, of late more often than not accompanied by high and low squadrons of fighter planes, giving the "big berthas" protection from the defending Nazi ships, and they were dropping death and destruction over a widening area.

The Japs were ripping at full speed into India's flanks, the Nazis on the eastern front were redoubling their pressure against the Soviet, and were said to be rushing 4,000,000 new troops into action. The Russ were countering, so it was reported, with upward of 7,000,000 men, many of them fresh troops.

Temperatures had gone above freezing on much of the Russian front, and the torrential rains of springtime had been falling. The battle of the central and southern fronts in Russia were expected to be the most bitter of the war.

INDIA: Hindust Debate Homeland Defense

Several occurrences had contributed to the continuance of conversations among Indian leaders with Sir Stafford Cripps, General Wavell and American representatives as to the question of the Hindus' part in the defense of their homeland.

Among these events had been the perhaps fortunate mistake of a Chinese spokesman, who had given out incorrect information about the Japanese occupation of the port of Akyab. This port, so close to Calcutta, had actually not been taken, but the mere thought of it for several days had made the Indians realize the war was at their door.

This alone gave Cripps a big advantage. Also the timely intervention of Chiang Kai-shek, and the arrival in India and on the Burma front of a sizable force of American planes and fighting pilots were telling circumstances, and played a big part in the keeping open of negotiations.

Indians, with the exception of the Mahatma Gandhi and some others among his immediate followers and disciples, were beginning to realize that they were faced with bullets and bayonets, and that if they were going to get ready to fight, they had better be getting on with it.

The Mahatma was counseling "no violence" and was continuing his life-long policy of a passive resistance to the invader. The Moslems, 70,000,000 of them out of a 390,000,000 total population, were perfectly willing to fight, but were demanding their right to a separate government of their own.

Nehru, past president of the Indian congress, had seemed to be the toughest nut to crack. He had seemed to be holding out for the right of the Indians to do their own drafting of manpower, their own training, while conceding the right of Britain to do the leading.

DE GAULLE: Important Recognition

The formal recognition by the United States of the DeGaulle government control over French Equatorial West Africa, and the French Cameroons, strategic territory along the supply route to the Middle East had been considered highly important.

It brought, for one thing, closer ties between the United States and the Free French and put Petain, despite his refusal to allow Laval a

GEN. CHARLES DE GAULLE Second official approval to him.

place in the government of Vichy France, very much on the spot regarding his future conduct.

It was the second official approval of DeGaulle and his followers. Recognition of his control over New Caledonia had come first. But French West Africa was a terrific territory with a population of millions and close to a million square miles.

Oddly, on the same day, the Vichy government reported that Germany had given it "permission" to rebuild its air force, and to this was added the information that Vichy now had more than 1,000 warplanes, or actually more than all France had at the outset of the war.

CORREGIDOR: Nipping Off Japs

Despite the widely increased pressure on the Bataan lines of General Wainwright and the almost constant attacks by Jap planes on Corregidor, American fighters continued to take their toll of Jap planes.

Just as the British on Malta had held out through the entire war against hundreds of attacks from the air, the anti-aircraft gunners on Corregidor were getting from two to four enemy planes a day with machine-like precision.

They were only counting those they dropped. Many more were reported badly damaged and probably disabled.

A sharp land counterattack had turned a Jap thrust into a trap on the land.

General Wainwright was continuing the tradition set up by MacArthur.

MISCELLANY:

Washington: The government took over control of the entire national stock of quinine. Huge amounts are needed for soldiers in the tropics.

San Francisco: Survivors of the Langley told odd stories of what they saved. One officer said he shoved two oranges in his pockets. He said he saw a Filipino messboy swimming along with a ouija board on his head.

Senior Play Coming Soon

The Senior Play, April 24! An amusing and fascinating comedy of family life shown in 3 acts. What a com-d-r and what a family! From the mother who loves to go to sure she because they are so stimulating and the father who loves to go to fire because of the nice warm ones to the maid who thinks the whole family is crazy.

After Alene breaks her engagement with Homer Hampton Haywood, he pulls some amazing tricks but each one seems to make him worse than the one before. He has to cope with the Wed. off family and his rival Wady Wainright. The cast consists of:

Junior Woodruff, Billy Bridges is interested in a girl that has to do with a case, which you will find out for yourself by the lead exposures which occur.

Zenith, Margaret Beach, the maid

Mrs. Margaret Taylor, Lottie Mae Randall, ladies on prying into other people's affairs.

Boots, Camille Duerity, who loves to act and whose speech is always slightly exaggerated.

Mrs. Chester Woodruff, Jane Ruth Hall, is inclined to be a water brained and especially enjoys going to funerals.

Arlene, Colleen Baker, the Woodruff's adopted daughter, is engaged to Homer Hampton Haywood.

Geaster Woodruff, Earl Porter, loves to go to fire.

Wade, Warren Baker, is another suitor of Arlene's.

Mrs. Vera Woodruff, Jane Kirkpatrick, has rather a severe manner but is really very kind hearted.

Homer Hampton Haywood, Trevel Hoffman, a typical go getter, always knows more than his employer and never holds a job.

Bunny, Alice Dodson, one of Junior's old flames.

Obetwynde, Bill Myers, the long lost father of Arlene.

Don't forget April 24 at the High School auditorium.

They introduced in a number of us and after the number 20 they worked some addition and subtraction problems for us. Afterwards they sang a song and marched around. Then the group sang The Wind and Raining Violets. All of the members of the second grade took part and everyone enjoyed their program very much.

We were glad to greet some visitors and invite them back again each Friday morning.

Knitting! Knitting!

Our entire school has been hit by the new fad knitting. Even the boys are interested and some can do better than the girls. The little first grade girls boast that they can knit too. Most of the girls in both schools can make the same boot.

Largely responsible for the popularity of knitting in our school is the Junior Red Cross club which was recently organized under the direction of Mrs. O. L. Johnson and Mrs. W. C. Bridges. This is the only Junior Red Cross club in Donley County and meets each Tuesday and Thursday afternoons from 8:00 to 4:00.

Donations of thread have been made by the 1919 Study Club, the P. T. A. and by some individuals. Other donations would be greatly appreciated.

Nearly every girl in high school is a member of this club, and I really would not be surprised if we have to enlarge our membership to include the boys, and even Mr. Payne and Mr. Buckner.

FAMOUS ALL-BRAN
MUFFINS. EASY TO
MAKE. DELICIOUS!

They really are the most delicious muffins that ever melted a pat of butter! Made with crisp, toasted shreds of KELLOGG'S ALL-BRAN, they have a texture and flavor that have made them famous all over America.

KELLOGG'S ALL-BRAN MUFFINS
 2 tablespoons 1/2 cup milk
 shortening 1 cup flour
 1/2 cup sugar 1/2 teaspoon salt
 1 egg 2 1/2 teaspoons
 1 cup All-Bran baking powder
 Cream shortening and sugar; add egg and beat well. Stir in All-Bran and milk; let soak until most of moisture is taken up. Sift flour with salt and baking powder; add to first mixture and stir only until flour disappears. Fill greased muffin pans two-thirds full and bake in moderately hot oven (400°F.) about 20 minutes. Yield: 6 large muffins, 3 inches in diameter, or 12 small muffins, 2 1/4 inches in diameter.

ARE YOUR Bowels
Stubborn?

When by kindness! First of all you can't expect them to act unless you give them a chance. Most people make sure to get 3 meals a day. But they never think of giving their bowels a regular time (daily) for evacuation.

If you've neglected YOUR bowels until they finally become stubborn and unwilling to act, ask your druggist for ADLERKIA. It is an effective blend of 5 osmotic salts and 2 laxatives giving DOUBLE action. One is supplied and bowel action follows surprisingly fast. After that, make up your mind to give your bowels 5 or 10 minutes' time at regular hour, daily. Your druggist has ADLERKIA.

Cool and Decorative—Salad-Muffin Luncheon (See Recipes Below)

Spring Luncheons

As spring spreads its fragrance and gayety once more across the days, do your moods turn to thoughts of exquisite, gracious luncheons? Yes, to be sure, they do. You get lovely visions of picture-plate luncheons, crispy green salads, tiny, moist sandwiches, the tinkle of china on cool, crisply laundered cloths, centerpieces of delicate flowers.

But this year's luncheons are different from last year's. The plates are pictures to behold, true, but the menus are kind to purse strings and food shortages.

A bowl of colorful greens, curly endive, crisp lettuce, tossed together with grapefruit and orange sections with red slivers of strawberries are perfect with these muffins and all you would want for luncheon.

- *Molasses Nut Muffins. (Makes 24 small or 12 large)
 3 tablespoons butter
 1/4 cup sugar
 1 egg
 1 1/2 cups flour
 1 teaspoon cinnamon
 1 teaspoon ginger
 1/2 teaspoon salt
 1/4 teaspoon soda
 1 teaspoon baking powder
 1 cup chopped Brazil nuts
 1/2 cup milk
 1/2 cup pure, dark molasses

Cream butter, stir in sugar gradually and cream together. Stir in well-beaten egg and blend. Mix and sift flour with spices, salt, soda and baking powder, then mix in Brazil nuts. Add alternately with milk and molasses to the first mixture. Bake in well-greased muffin pans in moderate (350-degree) oven 25 minutes.

You can have a veritable smorgasbord on your main luncheon plate if you carry out the general idea by serving several different kinds of salads in frilly lettuce cups. Pick out some combinations you like best from these ideas here:

- *Chicken Salad. (Serves 8)
 2 cups diced, cooked chicken
 1 cup finely chopped celery
 1 cup halved, seeded grapes
 1/2 cup toasted pecans
 1/2 cup mayonnaise

Combine all ingredients lightly. Chill, add mayonnaise and toss lightly together.

- *Fruit Salad. (Serves 8)
 4 thick slices grapefruit
 4 thick slices oranges
 4 slices pineapple
 5 whole apricots
 1 small package cream cheese

Pare oranges and grapefruit. Cut into slices. Cut pineapple, oranges and grapefruit slices into halves. Arrange in a fan shape on curly endive or lettuce. Stuff apricots with cream cheese and place at lower edge of the fan.

Lynn Says:

The Score Card: Latest reports reaching me assure us that: we have enough black pepper and most spices for at least two years. Coffee and cocoa supplies are adequate from South America, and tea stocks are still good.

Domestic fats and oils will have to replace imported palm and coconut oils used for frying fats, soaps and oleomargarines, and homemakers must conserve all soaps and frying fats carefully.

Tin will be available for canning foods that cannot be preserved in other ways, but you will be wise homemakers if you learn to use dried fruits properly, and can from your own defense gardens this summer. Be kind to your kitchen equipment and gadgets made out of tin, for there will be no more after that is used.

Pineapple is still being planted and shipped to the mainland, and no serious shortage is yet noticeable.

This Week's Menu

- Guest Luncheon
 Assorted Salad Plate:
 *Chicken Salad
 *Fruit Salad
 *Egg Salad in Tomato Cups
 *Molasses-Nut Muffins or
 *Cheese Rings
 Coffee or Tea

*Recipes Given.

***Egg Salad in Tomato Cups.**
 (Serves 4)

- 4 medium sized tomatoes
 1 package cream cheese
 1 tablespoon finely chopped green onion
 2 tablespoons finely chopped green pepper
 1/2 medium sized cucumber, chopped
 3 hard cooked eggs, chopped
 1/4 cup mayonnaise

Wash tomatoes, peel. Slice off top, and scoop out the center. Toss the other ingredients lightly together and fill the tomato cups. Chill well and serve on lettuce.

All three of the salads given can be served on one individual platter. Arrange them attractively, a scoop of the chicken salad, a fan of fruit salad, and then the tomato cups. Your platter is complete for a luncheon and a very pretty sight to behold! A hot muffin to accompany and a fragrant cup of tea or coffee completes the luncheon.

On the other hand, if you prefer salad bowls which the guests will serve themselves, here are ideas:

Greens: chunks of lettuce, water-cress, slivered green onions, radishes.

Oranges: Use sections on a bed of curly endive or curly garden lettuce, with raspberries or strawberries for color.

Vegetables: Cooked green beans in lengthwise slices, carrots, raw or cooked, in slivers, cooked limas, chopped ham.

Fruits: Beds of lettuce, lengthwise slices of bananas, berries in season, cheese balls dipped in chopped nuts.

Dressing makes an important addition to salad, and many times this is left to your own preference. Or, if you like, have the choice of two permitted for your guests. Save sugar in the little ways, is our motto, so here is one way to do it. This dressing uses molasses for sweetness.

Piquant French Dressing.

- 1/2 cup salad
 1/2 cup vinegar
 1/4 cup chili sauce
 1/4 cup pure, dark molasses
 1 teaspoon salt
 1/2 teaspoon Worcestershire sauce
 1 tablespoon onion, grated

Mix all ingredients together and beat thoroughly.

When you invite your friends over for salad and rolls for these luncheons, this may seem like so little, but it's guaranteed to make a hit if you do the little details up right. Have the salads crisp and cool and well blended. If having rolls, these should be piping hot for contrast. If you don't feel inspired to make rolls, then do other things like getting ready-made rolls and pretty them up:

Toasted Long Rolls: Split, butter and sprinkle with grated cheese. Pop into the oven until cheese melts. Serve hot.

Cheese Rings: Use day-old bread and cut rings with a doughnut cutter. Brush with butter or salad oil, dip in cheese, and bake in a moderate (350-degree) oven until golden brown.

Orange Biscuits: Add grated rind of orange to a baking powder biscuit recipe. Roll and cut. Dip a cube of sugar in orange juice and press into top of each biscuit. Bake in a hot oven 12 to 15 minutes.

Lynn Chambers will be happy to give you advice on your luncheon or salad problems. Write to her at Western Newspaper Union, 210 South Desplains Street, Chicago, Illinois. Please enclose a stamped self-addressed envelope for your reply. (Reprinted by Western Newspaper Union.)

Judge E. L. Pitts Socks Office of Chief Justice

District Judge E. L. Pitts of the 99th District Court at Lubbock has announced for the office of Chief Justice M. J. E. Jackson, who retires voluntarily next January 1.

Friends of Judge Pitts are convinced that his education, training, natural ability and twenty years experience as a trial judge qualify him exceptionally well for the position he now seeks. They point out that in his judicial career he has had come before him almost every conceivable type of case; and that he has conducted his courts to achieve prompt, impartial, courteous and satisfactory settlements of the issues involved. Attention is also called to the much study he has given to the new rules of procedure for the Texas Judiciary. Based strictly upon his record, Judge Pitts solicits the support of all voters in the 46 counties comprising the 7th District Court of Civil Appeals of Texas subject to the Democratic Primaries.
