Sugar Rationing

The secretary of the Donley County Rationing Board will be in Hedley Friday, June 19, from 10 o'clock A. M. to 5 o'clock P. M. Those wishing to make application for their sugar purchase certificate for canning purposes may do so on this date.

You must bring your War Rationing Book No 1 for each member of the family. One person may register for the entire family.

Please have estimate of number of quarts of fruit canned in 1941 also amount of sugar on hand now.

The registration will be held at the West Texas Utilities Office, Donley Co Rationing Board, G & Kinlow, Chairman.

Legion Post Nearing Record

The local post of the American Legion now has 84 members and there are only 38 ex service men in Hedley and the Hedley trade territory.

On account of the war there has been a great responsibility thrown on the Legion and this post is doing its part. Their aim is to get every man eligible as a working member by July 1st. A 100% membership is something rarely ever obtained by a post.

The officers of the local post are G. O. Cavender, Commander, B. G. Clifton, Vice Commander, C. L. Johnson, Adjutant, A. T. Simmons, Finance Officer, P. L. Dismann, Service Officer, J. H. Boren, Sergeant at Arms and G. L. Davis, Chaplain.

The next meeting of the post will be Thursday night, June 25 which will be both a business and social meeting. All ex service men and their ladies are invited.

NOTICE

Will start picking berries Monday, June 8. Pick every day except Sunday. Two miles west of Hedley.

818s W. J. Luttrell
Mr. and Mrs. Lowell Black and children, Laquita Gene and Joe Mc visited the ladies parents Mr. and Mrs. J. W. McPherson.

Field Pass for sale, 50 pound. W. P. Doherty

METHODIST CHURCH

The attendance at the childrens Program last Sunday night was good, and those attending enjoyed the program, if we may judge from favorable comments.

We will have another special program this Sunday night. This program will be in the form of a one act play. This play has been given at several of the Churches over the country, and has met with good favor. You too will enjoy this play, for it is full of human interest, with a religious theme, and it has proven interesting wherever used. You are invited to attend this service at 8:59 Sunday evening, June 21.

There is a class for you in our Church school at 10:00 every Sunday morning. There is a pew for you at 11:00 and 2:59 on Sunday at the Methodist church. It would make a number very happy to see these pews and classes full every Sunday. How about helping to make that possible if you are a go to the Methodist, or go to the Methodist Church.

O. K. LeMond, pastor
For Sale cheap—some old hay. Mrs. J. C. Hill

4th of July Celebration

The true west will live again in Clarendon July 4th when ranchers and cowboys gather for a one day patriotic Rancher's Rodeo.

The celebration, the oldest in the Panhandle, dating back to before the turn of the century, will depict the long ago west. Even the parade will have no automobiles. Participants will ride horseback or in hacks or wagons.

Following the declaration of war it was decided to discontinue the celebration but so many were the demands that the committee approved a one day rodeo with all proceeds going to the USO and war bond purchases. Concession rights have been donated to the Red Cross.

Rodeo events will include cutting, bull riding, bronc riding, cutting horse contests in the adult division. A bull riding event will also be held for boys from 12 to 15 years of age.

Cash prizes will be given in all events.

The theme of the celebration will be honoring of the old time and present day ranch workers from the Panhandle and special attention will be paid various outfits of yesterday and today.

The rodeo will be held both in the afternoon and night and admission charges have been set at 25 and 50 cents for both performances.

Peaches

We have begun picking peaches. You are invited to our orchard whether you buy or not. We are at your service at all times except Sunday.

W. P. Doherty

Carmen Adamson is visiting relatives in Los Angeles and San Barbara, Calif.

First Baptist Church Notes

The Vacation Bible School was planned for the week of June 28 has been postponed until July 19 and the week following. We have asked Miss Ruby Moore, one of our Texas Baptist State Approved workers to lead us in this school. We are looking forward to some great times. Boys and girls let's make our plans to spend this one week in really studying the Bible and having lots of fun.

Another date for us to keep in mind is the third Sunday in August, Aug 16, which marks the beginning of our annual revival. Evangelist Wainan Coffman will be the preacher for this meeting.

The attendance at the morning hour last Sunday was not as large as usual, however the offering was better. The attendance at the evening hours was better than the Sunday before. How grateful we were for the visitors in all of our services. Please let it be understood once and for all that visitors are always welcome at any and all of our services. Do not believe the messengers of the Old Deceiver when they tell you otherwise.

Next Sunday, June 21, is designated as Father's Day. We plan a brief program Sunday morning in honor of our Fathers.

The women of our Missionary Society had a program on Old Minister's Relief last Monday afternoon. They plan to take an offering next Sunday morning. Bring your offering.

We welcome you to worship with us.

A. L. Toaff, pastor

Ambition Lacking
First Tramp—I wish I had a million dollars. I'd buy me a yacht, and stock it up and just go floating around the world.

Second—And would you take me with you?

First—Now. If you're too lazy to wish for yourself, you can stay at home.

False and True
Jensen—You can't judge a thing by what it costs.
Johnson—That's true. My false teeth were very expensive, while the real ones I got free.

He's the Guy
Boogy—Who was more patient than Job, wiser than Socrates, braver than Lancelot, more handsome than Apollo?
Woogy—Oh, so you knew my wife's first husband?

The business man said his business was "looking up." The truth is it was flat on its back.

Memory Good
"Have you forgotten that \$5 you owe me?"
"By no means. Didn't you see me try to dodge into that doorway?"

Partly So
Caller—Your baby surely is a cute little rascal. Doesn't he take after his father?
Mother—Well, yes, in a way. His father is not so cute but much more of a rascal.

If you're concerned about what sort of gift to send a friend or relative in one of Uncle Sam's branches of the services, your worries are over. If he smokes a pipe or rolls-his-own, the answer is a pound of tobacco. Numerous surveys made among soldiers, sailors, marines, and Coast Guardsmen show that tobacco ranks first on his gift list. Local tobacco dealers are featuring Prince Albert in the pound can for service men. Prince Albert, the world's largest-selling smoking tobacco, is a big favorite among many men in the service. —Adv.

TRY THIS NERVOUS
IF YOU'RE "NERVOUS" on "certain days" of month
If functional monthly disturbances make you nervous, restless, high-strung, cranky, blue, at such times—try Lydia E. Pinkham's Vegetable Compound—famous for over 40 years—to help relieve such pain and nervous feelings of women's "difficult days."
Taken regularly—Pinkham's Compound helps build up resistance against such annoying symptoms. Follow label directions. Well worth trying!

Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of excess of toxic impurities. The act of living—if itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.
When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.
Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.
The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed by the country over. Insist on Doan's, sold at all drug stores.

WNU-L 24-42

The manufacturer or merchant who advertises, makes public the fact that he wants your good will. And he realizes that the only way that he can keep it is by giving good values and services.

WEEKLY NEWS ANALYSIS

Jap Naval Losses Off Midway Island Strengthen U. S. Position in Pacific; Terrific Bombing Attacks by British Stun Nazi's War Effort in England

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)
Released by Western Newspaper Union.

This unusual photo shows representatives of the British commonwealth gathered at the Washington airport to welcome Sir Owen Dixon, new Australian minister to the United States. Left to right: Walter Nash, New Zealand; Sir Owen Dixon, Australia; Ralph W. Close, Union of South Africa; Sir E. I. Campbell, British embassy, and Leighton McCarthy, Canada.

MIDWAY: Melee

"Pearl Harbor has now been partially avenged. Vengeance will not be complete until Japanese sea power as been reduced to impotence. We have made substantial progress in that direction."

With these blunt, stirring words, Adm. Chester W. Nimitz, commander in chief of the Pacific fleet, announced a decisive United States naval victory at Midway Island. In a remarkable demonstration of the coordinated power of the three American services—navy, army and marines—a Japanese invasion fleet was repulsed with the greatest losses of the current war.

From 14 to 17 Japanese warships were sunk or damaged, according to early reports. Included were two or three aircraft carriers sunk and one or two lost; three battleships damaged, four or six cruisers damaged, three transports damaged and one destroyer sunk. Continuing attacks on the fleeing enemy made it impossible to state whether the ships bombed in pursuit had been damaged previously.

At the conclusion of the four-day action, Adm. Ernest J. King, commander in chief of the American fleet, hinted that the United States has a chance to knock out Japan as a sea power. The battle, he said, may determine the outcome of the war in the Pacific.

Hawaii, he said, "must be held at all costs," because it is the keystone to the entire Pacific defense system. Midway, 1,312 miles from Pearl Harbor, is a vital outpost in the Hawaiian defense.

U-BOAT MENACE: On the Run?

Axis submarines operating along the Eastern seaboard have been driven out into the Atlantic, according to Chairman Carl Vinson (Georgia) of the house naval affairs committee.

His disclosure came in a formal statement which added that the "anti-submarine warfare organization has passed through its period of growing pains and is now well established and functioning effectively."

"In dealing with submarines we have a tough and clever enemy," the statement said, "and it does not pay to be unduly optimistic. However, the fact remains that in the last few weeks the submarine has largely withdrawn from our eastern seaboard and is operating farther at sea . . ."

"The committee has full confidence that we shall defeat the submarine."

V-MAIL: For Soldiers

U. S. Army units in England and Northern Ireland are now using a new and unique mail system for contacts with the United States. Known as V-mail, this system provides that letters may be dispatched to a central station, censored and then photographed on small rolls of microfilm.

Under army direction these rolls are then sent to the United States where they are developed and photostatic copies are presented to the postal service and sent through regular mails to the addressee.

Value of plan lies in the fact that microfilm saves cargo space in eliminating mail shipments.

POISON GAS: Another Warning

Within a month after Winston Churchill had warned Germany that any use of gas warfare by the Nazis would be met with the same tactics, President Roosevelt has warned Japan that if she persists in using gas against China the U. S. will retaliate in "kind and full measure."

This statement by the President came as a confirmation of reports that Japan was using noxious gases in battles with the Chinese.

SEA RAID: On Australia

The cities of Sydney and Newcastle on Australia's southeast coast were shelled by Japanese forces in the first sea raid on that country's mainland since the beginning of the war.

Termed "nuisance" raids by General MacArthur's headquarters, these first attacks caused little damage and there were few casualties. Submarines were used for the attack.

At Sydney the shells whistled over the city so fast it was impossible to estimate their number. Newcastle was shelled for 30 minutes. Both cities were blacked out and residents hustled to their air raid shelters.

The attacks came only a week after four of the enemy's midget submarines were destroyed as they attempted a sortie into Sydney's harbor. Also in the same week three and possibly four other subs were destroyed in the southwest Pacific.

Increased submarine activity off the lower Australian coast was believed to be aimed at cutting Allied communications and supply lines as well as an attempt to divert United Nations' naval units from the more major scenes of action, I. E., between Alaska and Hawaii.

SECOND FRONT: In Germany's Air

The stunning effect of the monster RAF bombing raid upon Cologne became known to the world when the first newspapers from that historic Rhineland city reached neutral territory.

Cologne, as its people knew it, is forever lost, according to the dispatches. Whole quarters of the town are empty, and a Stockholm newspaper, quoting a German dispatch, reported that all the property of at least 10,000 persons had been destroyed completely. The central district of the city was ruined and damage reached far into the city's outskirts.

The Koelnische Zeitung, Cologne newspaper, said:

"Those who survived the night . . . and who on the morning looked at the city were fully aware that they had bade farewell forever to their Cologne, because the damage is enormous and because the integral part of the character and even the traditions of the city are gone forever."

While the Cologne bombing was followed by a 1,000-bomber attack on Essen, home of the great Krupp armament plants, a complete picture of the damage to that industrial center is lacking. However, England was jubilant over these "second front" activities. The initial raid on Essen was followed the next night by a second "mopping up" raid, employing an estimated 400 bombers.

BRIEFS:

DAUGHTERS: Cautioning that severe labor shortages may develop, Secretary of Agriculture Claude Wickard has urged rural families to keep their daughters on the farm to help with war food production.

INDEPENDENT—Despite Adolf Hitler's surprise visit to Finland, a government spokesman stated that the nation would "continue to steer a strictly independent course."

LOSS—After two months of operations over Burma, the U. S. air forces have announced the loss of their first heavy bomber in that area. Meanwhile they have been doing a terrific job of blasting Japanese offensive plans.

FOOD—Approximately 1,300 factories employing 20,000 workers will be closed by orders originating in Vichy, France. The workers will be diverted to a labor pool to man farms expected to produce food reserves for next winter and to provide volunteers for labor in German war factories.

LIBYA: Tank Tangle

The battle of Libya entered its most violent phase as thousands of tanks took part in a raging fight in the desert at Knightsbridge. Two heavy German tank attacks were repulsed as the British struck another dent in the Axis salient in their lines south of Tobruk.

Marshal Erwin Rommel was reported in the Knightsbridge area 15 miles south of Tobruk, directing his men in a desperate attack against the hard-fighting British. The Nazis were sent reeling back south and west of Harmat, six miles south of Knightsbridge.

Experts looked upon Harmat as an extremely important position since it was near an escape gap in the British mine field. With the British in possession, there could be no wholesale Axis escape.

GAS RATIONING: Revolt in House

The congressional fight against nationwide gasoline rationing broke into the open when Rep. Jed Johnson of Oklahoma introduced a concurrent resolution opposing such a step until the house gets proof that the move is necessary.

The resolution declared that there is a surplus of oil in Texas, Kansas, Oklahoma and other producing states and that nationwide rationing would cripple the war effort. The War Production board proposed the rationing program to conserve rubber rather than gasoline, of which there admittedly is no shortage.

The Johnson resolution was submitted following a boisterous caucus session of 100 members of the house. The resolution instructed Rep. Richard M. Kleberg of Texas, who was elected chairman, to appoint a committee of five house members to confer with a similar committee of the senate to take necessary steps.

YOUTH AGENCIES: House Acts

At the same time as the house of representatives refused to abolish the National Youth administration, this branch of congress voted to end the life of Civilian conservation corps.

The standing vote on NYA was 118 to 62 in favor of retaining the agency. Voting was on the specific motion by Rep. Everett M. Dirksen (R., Ill.) to cut \$49,700,000 from NYA funds in its current appropriation. His plan would have restricted NYA activities to a \$5,000,000 student-aid training program for the next year.

FOOD: New Control

In wartime, food for fighting men is always of prime importance. With this fact in mind the government has now moved to assure ample supplies of U. S. forces and the armed units of United Nations. Creation of a nine-member food requirements committee headed by Secretary of Agriculture Claude Wickard has been announced by the War Production board.

This agency has been granted power to designate what foods may or may not be produced; what commodities are to be allowed for import or export; and to regulate the distribution of foodstuffs.

While attention was thus being drawn to the nation's food supply, the department of agriculture was quick to declare that it should not be assumed that shortages of food

CLAUDE WICKARD
Heads nine-man committee.

or rationing of most foods are in prospect.

An analysis of the step however would indicate that this new board might eventually find it necessary to make rather definite changes in the eating habits of U. S. civilians. While the total supply of food for 1942 is expected to be the largest on record and more than enough for U. S. needs plus the demands of England and Russia, it is conceivable adjustments in normal food production and consumption may become necessary.

PRODUCTION:

Indication that U. S. military production was hitting its full stride was gathered from the statement by Undersecretary of War Patterson to the effect that the army now has all the weapons it can send abroad under present shipping conditions and also enough to arm every soldier in the U. S. This was true, he said, despite the fact that almost twice as many light arms are required per man since the development of parachute troops.

Matter of Habit

The man who makes it the habit of his life to go to bed at nine o'clock, usually gets rich and is always reliable. Of course, going to bed does not make him rich—I merely mean that such a man will in all probability be up early in the morning and do a big day's work, so his weary bones put him to bed early.

Rogues do their work at night. Honest men work by day. It's all a matter of habit, and good habits in America make any man rich. Wealth is largely a result of habit. —John Jacob Astor.

To save shopping trips

Buy more oranges at a time— they keep

You don't have to cut down on fresh foods just because you shop less often these days. Simply buy oranges in larger amounts. They're naturally good keepers!

They give you protective vitamins and minerals you need, especially vitamin C. They satisfy your sweet tooth—save sugar.

Those stamped Sunkist are the finest from 14,500 cooperating growers.

HAVE YOU HELPED?

The Rowe Cemetery Club was organized one year ago. **HAVE WE HELPED** our cemetery? Rowe Cemetery is one of the best kept cemeteries anywhere. The caretaker is working now, but we are out of funds. Work will have to stop if YOJ do not contribute. You were very liberal last year and we appreciate it. Send a donation today to the Rowe Cemetery Club. Those of you who live away would be proud if you could see how well the grave of your loved ones has been cared for the past year.

Send your donation to keep the good work going. Those who live here should not fail to contribute because you see what has been done. Send money to W. L. Rains, President, Claud Nash, Treas., or Security State Bank.

BOYS' LIFE
There is a tremendous need for a clean, wholesome, yet entertaining boys' publication. For 20 years, the Boy Scouts of America has published **BOYS' LIFE**. It's the magazine you will be glad to give your son . . . or a friend's son. Only \$1.50 a year . . . \$2.50 for 2 years. Send your order to: **BOYS' LIFE**, No. 2 Park Ave., New York. Or to your newspaper office or local agent.

BIG TOWN?
I'll say it is!

If all of our employes and their families were gathered together in one community, it would make a sizable city. There are 3,000 folks on the payroll of this and associated companies. Then add their families and the hundreds of other persons necessary to meet their need for clothing, food, shelter, medical care, and so on. We figure this total number would make up a town of close to 20,000 population.

Actually, there is no such "Big Town," because our employes are scattered all over the Gulf South, in cities, towns and villages. Wherever they are, they are good citizens and good neighbors. Their sole working objective has always been to assure Gulf

South homes, stores and factories the comforts, conveniences and opportunities afforded by **Dependable Natural Gas Service**. Now they have another responsibility—making Natural Gas of greater service in this war crisis.

Natural Gas is playing a vital part in the country's war program, just as it is playing an important part in the development of the Gulf South.

HAVE YOU HELPED?

The Rowe Cemetery Club was organized one year ago. HAVE WE HELPED our cemetery? Rowe Cemetery is one of the best kept cemeteries anywhere. The caretaker is working now, but we are out of funds. Work will have to stop if YOU do not contribute. You were very liberal last year and we appreciate it. Send a donation today to the Rowe Cemetery Club. Those of you who live away would be proud if you could see how well the grave of your loved ones has been cared for the past year.

Send your donation to keep the good work going. Those who live here should not fail to contribute because you see what has been done. Send money to W. I. Rains, President, Claud Nash, Treas., or Security State Bank.

Pathfinder Polls of Public Opinion

PATHFINDER

PATHFINDER polls keep millions of folks everywhere posted in advance on vital questions—war, politics, elections, farm problems, labor, world events. An exclusive PATHFINDER feature. Nothing else like it. A real news sensation.

Let Me
Help You
Keep 'em
Working

A PLAN has been worked out whereby we can offer assistance in helping to keep your electric appliances in useful working condition for the duration, regardless of make or where originally purchased. Our servicemen are now prepared to help you with repairs insofar as parts are obtainable. Small appliances should be brought to our nearest office. In most cases, major appliances can be repaired in the home...

This type of service is offered only as a convenience to you in communities where such repairs are not elsewhere available or the dealer from whom the appliance was originally purchased has discontinued business.

Reddy Kilowatt SERVICE STATION FOR APPLIANCES

* The manufacture of most all new household appliances has been frozen as a means of conserving vital materials. With careful usage, making minor repairs NOW, the old appliances in your home will last several years—or for the duration. Call our office—or your electric dealer or "fix-it" man—about the cost of making needed repairs. By spending a little now, you may save a lot... and keep 'em working!

PATTERNS

SEWING CIRCLE

8925
 THIS one helpful pattern shows you how to make four garments for your little girl! A button-front frock, overalls, rompers, and a bonnet. Each one of them cute and original in design and as easy as pie to make. Can't you see them all in a dotted swiss, a quaint calico or checked gingham trimmed with ric rac braid—can you imagine a more charming wardrobe? Useful for play hours and dress-up times both, this set is a welcome aid for the clothes problem for small one-to-sixers.

Pattern No. 8925 is in sizes 1, 2, 3, 4 and 5 years. Size 2 set requires 3 1/2 yards 35-inch material, 3 yards ric rac braid. Send your order to:

Star Dust

STAGE SCREEN RADIO

By VIRGINIA VALE
 Released by Western Newspaper Union.
THE Bennetts of Broadway and Hollywood—Richard and his daughters, Constance, Joan and Barbara—have never appeared together on either stage or screen. But thanks to Joan's sense of humor they'll do it vicariously in Columbia's "The Wife Takes a Flyer." An old family picture album figures prominently in the script. With the consent of the director, Richard Wallace, Joan filled it with the oldest and funniest photographs of her father and sisters that she could find—and the glamorous Bennetts will appear as a group of sturdy Dutch country folk. Joan's the only one to appear personally; she co-stars with Franchot Tone.

Edmund O'Brien has left RKO Radio, where he's been for the last two years. Universal has bought his contract, and assigned him to the role opposite Deanna Durbin in "Forever Yours." He'll play an American volunteer flier with the Chinese army.

Ann Sheridan, whom Paramount discovered as a Texas kindergarten teacher in 1933, will return to that studio to play Texas Guinan, famous night club owner of Broadway in the

ANN SHERIDAN
 roaring Twenties, who greeted patrons with "Hullo, sucker!" She wanted the role, Paramount wanted her for it, Warner Bros. wanted Fred MacMurray for "Princess O'Rourke," so a bit of swapping went on; now everybody's happy.

It isn't often that you can see a government official fitting about the screen in a woman's nightgown, that's several sizes too large for him, but you'll be able to in "They All Kissed the Bride" unless changes are made. The actor's Melvyn Douglas, occupying an important post with the Office of Civilian Defense. He wrote Director Alexander Hall asking that the scene be deleted, but it's part of the plot.

Cecil B. DeMille, when he assembled, edited and produced "Land of Liberty" for the movie industry, reserved the right to designate one war charity to receive \$5,000 of the receipts. He recently gave it to the Queen Wilhelmina Fund for Dutch war relief. Appropriate, as he's a descendant of a family that emigrated from Holland in 1658.

In broadcast parlance, a shot in the arm is any new situation devised by a script writer to put new life into a serial. "Valiant Lady" got one recently, but it happened also to be a shot in the heart; Joan Blaine, widowed one week, met a young millionaire the next!

Dorothy Lamour is going back to 1900 when she begins work in "Galveston," a spectacular production which will have its climax in the Galveston flood. Two of her films, "Beyond the Blue Horizon" and "Road to Morocco," with Hope and Crosby, await release.

Success story: Five years ago writer-director-producer Charles Martin paid Martha Scott \$20 for playing a small role on one of his "Five Star Final" programs. Later, he gave her more opportunity and more pay. She made good on the stage and on the screen—and when she appeared recently on the CBS Playhouse in his version of "Bachelors Mother" her check was for \$2,000.

Here's a bathtub scene that not even DeMille ever thought of. It's in "Cairo." Jeanette MacDonald takes a bubble bath, Ethel Waters is her maid, and they sing "Figaro" from the "Barber of Seville"—Miss Waters joining, Miss MacDonald going operative.

ODDS AND ENDS—Ken Niles, "Big Town" announcer, was the first member of his profession to present movie celebrities over the air... Eddie Cantor has decided that for the duration his "Time to Smile" broadcasts will originate exclusively from army camps... Gracie Allen's home is filling up with toy ducks, sent by listeners for Gracie's air bird, "Herman"... Martha Tilton, songstress on the Ransom Sherman show, has been named "Sweetheart of the Auxiliary Fire Fighters" in the Los Angeles area... Brian Donlevy, off four days from "Wake Island," headed for his tungsten mine and went to work.

Treat Constipation This Gentler Way!
 Many folks say that almost as bad as constipation are harsh cathartics and purges. That's because many medicinal laxatives work this way: they either prod the intestines into action or draw moisture into them from other parts of the body.
 Now comes news of a gentler and pleasanter way of treating constipation, for the millions of people with normal intestines whose trouble is due to lack of "bulk" in the diet. This way is by eating KELLOGG'S ALL-BRAN, a crisp, delicious cereal, and drinking plenty of water. ALL-BRAN, unlike many medicinal laxatives, acts principally on the contents of the colon and helps you to have easy, normal elimination. ALL-BRAN is made by Kellogg's in Battle Creek. If your condition is not helped by this simple treatment, better see your doctor.

The War isn't fought in Fox Holes alone

IT'S fought in the mind. It's fought with a will to win. It's fought with a belief in a cause worth dying for.
 That will, that belief, is known as morale.
 Our enemies have had years of indoctrination. They have been conditioned to believe themselves part of a "new order"... to which the contribution of their lives is small but all-important. They believe themselves cogs in a vast machine.
 Our soldiers do not fight that way—because they do not live that way. There is the belief in the sanctity of the individual.

possessions from Alaska to the Caribbean.
 Today its work is far greater than ever, its need for funds to carry on more than doubled.
 The USO needs your help more than ever before!
 High government and military officials—including General MacArthur—have praised the work done by the USO and recognized its importance in the war effort.
 But it needs recognition from you—recognition is the way of dollars and cents. For the six national agencies which comprise the USO are publicly supported.

To maintain their morale in the American way, the USO has devoted all its time and energy since practically the beginning of conscription.
 It has done this by staffing and maintaining club houses near all training camps and in our outlying

Now above all times, to make your dollars count, give to the USO!
 Send your contribution to your local USO Committee or to National Headquarters, USO, Empire State Building, New York, N. Y.

Walker Lane Announces

"Several weeks ago I announced as a candidate for the office of County Judge of Donley County. Because of my training and experience in county affairs I feel that I am thoroughly qualified to serve you as county judge. If elected I will endeavor to serve all of the people of this county in a courteous and efficient manner. I will not be able to see all of you personally and solicit your support so I am taking this means of asking for your vote and influence in my behalf.

Walker Lane

Scrap Rubber Campaign

A news release from Continental Oil Co. states that they believe that there is enough scrap rubber for reasping and retreading to "keep our cars on the road." They also believe that if people will respond to this drive, gasoline rationing may be prevented in this area.

Take this rubber to Hall Service Station, Sinclair Service Station, Jesse Beach, Barney Johnson, Bill Johnson and Roy Darrell, and receive one cent per pound for it. In doing this you are doing your part in "keeping them rolling."

This campaign runs from June 15th through June 30th.

For Sale—Sow and six pigs.
