

BY BILL ELLIS

IT IS NOW beginning to look as though the state of Texas may have two teams in the NFL playoffs, which would be a first.

That Earl Campbell of the Houston Oilers is really something. Can you believe the season he's having, and he's only a rookie? He has brought the Oilers from the ranks of a threat to a contender, and has helped lure sellout crowds to the team's last 14 home games.

Houston's professional football program was needing a shot in the arm, and that's exactly what it got, with the Heisman Trophy winner from Texas U.

OUR OLD ALMA MATER, Texas Tech, meanwhile, failed to be impressed by the number five national rating by the University of Houston, and sent the Cougars packing in their game at Lubbock last Saturday, whipping UH, 22-21, and stalling the Houston team's bid for a trip to the Cotton Bowl.

The Houston coach, Bill Yeoman, didn't seem to be shaken. He knows that all the Cougs have to do is whip crosstown rival Rice this week, to take the Southwest Conference crown.

It would be funny if the Owls would nip the Cougars, and Tech could edge Arkansas this week, since that would put the Red Raiders in the Cotton Bowl, and send Houston back to "Cougar High" without a bowl ticket. Of course, that's a lot of "ifs," but stranger things have happened this football season.

Just ask the contestants in the Blade's football contest, who have suffered through a year filled with the most upsets in memory. Showing the ups and downs of the season is the fact that this year's winning score will be from seven to ten points below that posted in 1977 by champ Allen Cumpston.

And underscoring the topsy-turvy brand of football being played on the college level is the fact that Texas Tech's six-game winning streak is either the fourth or fifth longest win streak in college football today.

And they are predicting that at least one professional team will make the playoffs with no better than an 8-8 season record.

WE HATE TO LOSE Tommy Bonds from the business community of Bovina. Bonds Oil Company has been one of those local institutions that supports all worthwhile community endeavors.

We at the Blade especially appreciate businesses like Bonds Oil Company. As far as we know, there probably has never been an issue of the Blade published without an advertisement for Bonds Oil somewhere in the issue.

And you know what a civic worker Bonds has been as an individual, from Bull Town Days chairman, to Man of the Year, mayor, member of the doctor procurement committee, etc.

You also probably know that Bonds had sold his business almost two years ago, and had continued on in a managerial status for the new owner, who recently decided to close the business.

We're hoping that the plans work out to continue with a fuel company at the Bonds location, because Bovina doesn't have a business to spare.

It takes every business we have, pulling together, to attract and keep trade in our community. In addition, the loss of even one job is also hard to replace in a community the size of Bovina. It would be nice if this payroll could be salvaged.

## Bonds Oil Company Closes Here Thurs.

Bonds Oil Company will close in Bovina after Thursday, November 30, it has been announced.

Tommy Bonds said this week he appreciated the support the company had received throughout the years from the residents of the Bovina area. Bonds operated the business as a Gulf Oil distributorship for a number of years, and sold it early in 1977 to outside interests, and the distributorship was changed to Shamrock products.

"We would like to thank the people for their business and support. Also, we thank the many fine employees we have had while we were in business," Bonds said.

During the past month, the company has been having a quitting business sale, with its inventory being offered for sale at the company's cost.

Pat Read, bookkeeper for Bonds Oil Company, asks that those owing

a final bill mail their checks to the company at Drawer 0, Bovina.

## First Bale On Nov. 27

The first bale of cotton was ginned in Bovina by the Lawlis Gin Monday, November 27. The cotton was brought in by Don Williams. In all, three bales were ginned Monday, with Don Williams and Jerry Heard bringing in the cotton.

At this time last year, there had been 30,435 bales of cotton ginned in Parmer County. Weather conditions are to blame for the delay in this year's harvest. The forecast is for continued clear weather, with little chance of moisture. This should help the cotton growers and the cotton should really begin to come in.

FIRST BALE....Don Williams, right, is shown above with Billy Harblson, Lawlis Gin manager, and the first bale of cotton produced in

Bovina. The bale was produced Monday, November 27. At this time last year, 30,435 bales had been ginned in Parmer County.

CONTEST WINNER....Wendy Stanberry is shown above receiving her check for \$7.50 after winning first place with eleven correct in the

Bovina Business Football Contest. Scooter Russell, Blade bookkeeper and writer, presented the check to Mrs. Stanberry.

Hey, kids, it's Santa Claus letter-writing time!

Work is underway on The Blade's Annual Christmas edition and Letters to Santa from children in the area will be published in that edition.

If the letters are addressed to Santa Claus, in care of The Bovina Blade, a copy will be forwarded to the North Pole and will also appear in the Blade's Christmas issue.

Due to the deadline for the Christmas edition, please be sure to get your letters in to us by Monday, December 11. They will appear in The Blade on Wednesday, December 20.

## Grid Contest Enters Final Week's Action

Wendy Stanberry proved that she could pick upsets after this last week's football contest. Wendy scored eleven correct, with her misses being the Vega-New Deal, Houston-Texas Tech and Minnesota-Green Bay games. She received \$7.50 for her first place effort.

Second place went to Dorothy Harris, who scored a ten. Dorothy

missed the Vega-New Deal, Estacado-Fort Stockton, Houston-Texas Tech, Minnesota-Green Bay games, and was 13 points off on the tie-breaker.

Third place was a tie between Earl Elliot and Betty Shepherd. Both contestants scored ten correct and 14 points off on the tie-breaker. Elliot missed the Vega-New Deal, Syracuse-Miami, Houston-Texas Tech and Minnesota-Green Bay games. Betty Shepherd missed the Vega-New Deal, Estacado-Fort Stockton, Houston-Texas Tech, and Minnesota-Green Bay games.

Fourteen persons scored nine correct. They were: Barbara Cockerham, Mark Gunnels, Danny Harris, Owen B. Johnston, Eric Johnston, Jeanne Kerby, Rosemary Marquez, Rudy Rodriguez, Jody Stanberry, Patti Sherrill, Lisa Spears, Dean Stanberry, Earl Whitten, and an unsigned entry.

Twenty persons scored eight correct and they were: Tom Bonds, Alan Cockerham, H.J. Charles, Frank Galvan, Jr., Linda Gentle, D.M. Gentle, Kenneth Hughes, Joe Harris, LouAnn Hromas, Jay Harris, Manuel Hernandez, Jr., Mary Hernandez, Robbie Moody, Nick Rodriguez, Kent Stanberry, Wayne Spears, Don Spring, Kay Williams, Joe Pat Wright and Ronnie D. Wines.

Charles has a score of 115. Mrs. Harris a 113, Rodriguez has 112, and Wilson has 109.

Only one week remains in the contest, and H.J. Charles is still in the lead. Second place changed hands though, with Dorothy Harris taking over in place of Nick Rodriguez. Nick has third place nailed down, and fourth place belongs to A.M. Wilson.

Good luck to all the contestants, and it has been a lot of fun for us all.

## Project Aids Ambulance

The Bovina Women's Study Club will again sponsor the "Project Christmas Card." The money will go to the Ambulance Fund this year.

The annual event is conducted in the financial interests of some worthy cause and to suggest to residents that there is a choice of sending cards or contributing to the fund. Persons participating simply donate the money or a portion thereof, that they might otherwise spend in sending Christmas cards locally.

For this donation, the names of family members will be included in the greeting published in the Christmas edition of the Bovina Blade, which reaches the majority of residents and all subscribers. The deadline for the printing of the names is Friday, December 15.

You can take your contributions to the First State Bank in Bovina. Thank you for your donations.

**GOLD STAR AWARDS....**Johanna Mesman of Farwell and Mike Schueler of Rhea received the highest award offered in the 4-H Club program—the Gold Star Award. The awards were presented in

Lubbock Monday night, November 20 at the annual 4-H Gold Star Banquet. Their parents are Mr. and Mrs. Ben Mesman and Mr. and Mrs. Herbert Schueler.

## Outstanding 4-H Members Honored

Outstanding youths from 20 South Plains counties held the spotlight in Lubbock Monday night, November 20, at the annual 4-H Gold Star Banquet.

Forty boys and girls received the highest county award offered in the 4-H Club program—the Gold Star Award—at the program in the Coronado High School Cafeteria. And with it, each received the acclaim of parents, fellow 4-H'ers, government officials, Extension leaders and other community leaders.

Twelve member-owned electric cooperatives serving Extension District 2 were hosts for the event. The 4-H program in Texas is directed by the Texas Agricultural Extension Service.

Honored from Parmer County were Johanna Mesman, daughter of Mr. and Mrs. Ben Mesman of Farwell, and Mike Schueler, son of

Mr. and Mrs. Herbert Schueler of Rhea.

The award recipients were encouraged by J.B. Wheeler of Plainview to continue to capitalize on their opportunities for education. Wheeler is president and chairman of the board of the Hale County State Bank.

A boy and girl from each of the 20 counties in the Extension district are eligible to receive the Gold Star Award each year. It is based on outstanding achievement, leadership and contributions to the county 4-H program. To qualify, a 4-H member must be at least 13 years old, have completed at least three years of club work, and be currently active in 4-H.

The Gold Star Awards were presented by Mrs. Catherine Crawford and Billy C. Gunter, district Extension agents.

## Scooter's Scoops

By Scooter Russell

We have had a cold, chilly Thanksgiving week but no rain to speak of. Tuesday, Lawlis Gin received three or four loads of cotton and some farmers are harvesting milo, so looks as though harvest may get under way before Christmas after all.

**News around town:**  
Paul and Ola Lee Jones enjoyed company last week: their son, Randy and his wife, Rosalyn of Lakeland, Florida. They enjoyed seeing the football game at Tech, said the kids had a little trouble adjusting to the change in climate.

Wednesday evening Lottie Bandy, daughter Toby, son Jody and Jo Beth Monk of Bovina, drove to Albuquerque where they spent Thanksgiving with Lottie's brother, Larry and his family. Other guests in Larry's home were their parents, Mr. and Mrs. Earl Riley and their sister, Linda of Tucumcari and another brother Earl Gene of Albuquerque.

Lottie said they had a good time and returned home late Saturday.

Several men from Bovina recently returned home from a deer hunting trip to Sonora, Texas. They were: Eddie Don Lide, Edwin Lide, Don Bandy, Lawrence Jamerson, Jody Bandy and Larry Scott. We understand three of them came home with one deer and Don Bandy got three.

Marie Venable had been with her children in Alamogordo. They brought her home Wednesday and stayed for Thanksgiving. She said the new grandson is getting along fine.

Furne and Jay Harris of Bovina, Wesly and Carla and son Christopher of Lubbock, Kyle and Beverly of Midland and Dana of Bovina flew to Dallas and watched the Cowboys demolish the Redskins Thanksgiving Day.

After the game they had Thanksgiving dinner with Furne's niece, Dr. Delores Carruth of Irving.

The group returned home late Friday. Said they had a real good time.

Last Wednesday Mrs. Tom Griffith was rushed to the Friona Hospital by ambulance. She suffered chest pains but her daughter Barbara said it wasn't anything too serious. She remained in the hospital from Wednesday until Sunday. Says she is feeling fine.

I talked with Obereta Sudderth today (Monday) and she said she took Billy back to Lubbock for his checkup and they are real pleased with his report. Billy had heart surgery a few weeks ago, and seems to be doing just fine.

Bill and Erma Bradshaw enjoyed Thanksgiving with all of their children visiting in their home: Ella and family of Houston, Dyalithia and her family of Amarillo, Cotton and his family of Lubbock.

Erma said they felt lucky to live in the same town with their daughter-in-law's mother, Jessie Woltman, and that way they can share the visits with their children. Said they had a wonderful time together.

The Henry Spicers enjoyed Thanksgiving together at Dickie's Restaurant in Hereford with their daughter Nena and husband Mike Veazey. Also Marty, their son, was visiting from Dallas.

Sunday they all had dinner at the Spicer home and daughter Kay and her husband Joe Stanton of Farwell and the Spicers' granddaughter, Kristi, were with them. Sunday was Henry's birthday and they all had a good time together.

Nelline's brother, Jim Bob Gordon of Chattanooga, Tennessee, came Thursday and spent Thanksgiving Day with the Spicers.

A.M. Wilson was hospitalized last Tuesday in the Friona Hospital with a virus. He is fine now and came home last Wednesday. The Wilsons enjoyed Thanksgiving in their home with their daughters and their families: Suzanne and Rod and son Adam of Hereford and Pam and Greg Bell and daughter, Kasey Lynn of Bovina.

A week ago last Saturday, Jane and Jack Kassahn flew to Dallas and watched the Cowboys play against New Orleans. They were home Thanksgiving Day and enjoyed having their daughter Jan of Dallas and also their son, Jim and his wife, Paula of Lubbock, and the Kassahn's grandsons, Josh and Dan.

Last Friday, Bessie Webb of Bovina enjoyed having her daughter June and her husband Tommy Buse and their children, Sheila and Bryan, all of Lubbock visiting in her home. Also visiting was Al Webb and his wife Betty and their children, Beth, Leann and Gala of Dimmitt.

The Floyd Englants enjoyed having their son Timmy and his wife Judy of Midland visiting with them over Thanksgiving holidays, also their daughter and her husband and children, Katy and Charles, Sonja and Carla of Littlefield.

Doris and Norvell Strawn of Bovina spent Thanksgiving with their daughter Vickie and her husband Leon Richards of Easter. Other members of the family were also guests in the Richards home: Jerry and Kay and children, Charlie, Mike and Karen of Panhandle, Bill and Verna Marie of Spearman and children, Shelly, Scott, Chris and Nicky, Tim and Judy Herring and children Kelly and Hayley were also visiting from Friona. Doris said they had a good time together.

Julia and Cliff Leake have recently returned home from visiting relatives at Stamford, Texas: Julia's twin sister and her husband, Frances and Robert Thane, and also Julia's niece and her husband and children, Mr. and Mrs. Willie Medford, Wayne and Rene.

They had Thanksgiving dinner at the Thane's home and also visited with Julia's brother, Charles Peach of Abilene.

They said it rained all ten days they were away from home.

R.D. Looney spent the Thanksgiving holidays deer hunting with two friends from Lubbock, Chuck Kershner and Steve Maeker.

R.D. says they enjoyed their trip to Brownwood and that it could be termed a success. In all, they bagged four deer. R.D. got a seven-point buck and a doe.

Ladies, don't forget to go to the open house showing—lots of Christmas gift selections at the Collins home, Friday, December 1.

Check for details listed in their ad. Sounds like a lot of fun and some good deals!

Lula and Odis White of Bovina have been with Lula's sister, Gertie Gatlin, who has been in the hospital in Dallas. The Whites stayed a week then brought Gertie home with them when she was dismissed from the hospital. She will stay with them for a while.

Jim and I had Thanksgiving with his mother in Hereford, also his brother Charles and his daughter Mary, Jim's sister Carol and her husband Bob and their son Roger, all of Hereford. We had a good time together and ate way too much!

We wish to express our sympathy to the Dopp family of Bovina and also to the Floyd Schueler family of the Rhea Community during the loss of their loved ones this past week.

Rudolph Groutenski, the Russian general, was taking a stroll with his wife in Moscow. As they walked along, a bit of moisture fell on them.

Mrs. Groutenski turned to her husband and said Rudolph, "I believe it's snowing."

And the general said, "No, my dear, it is raining."

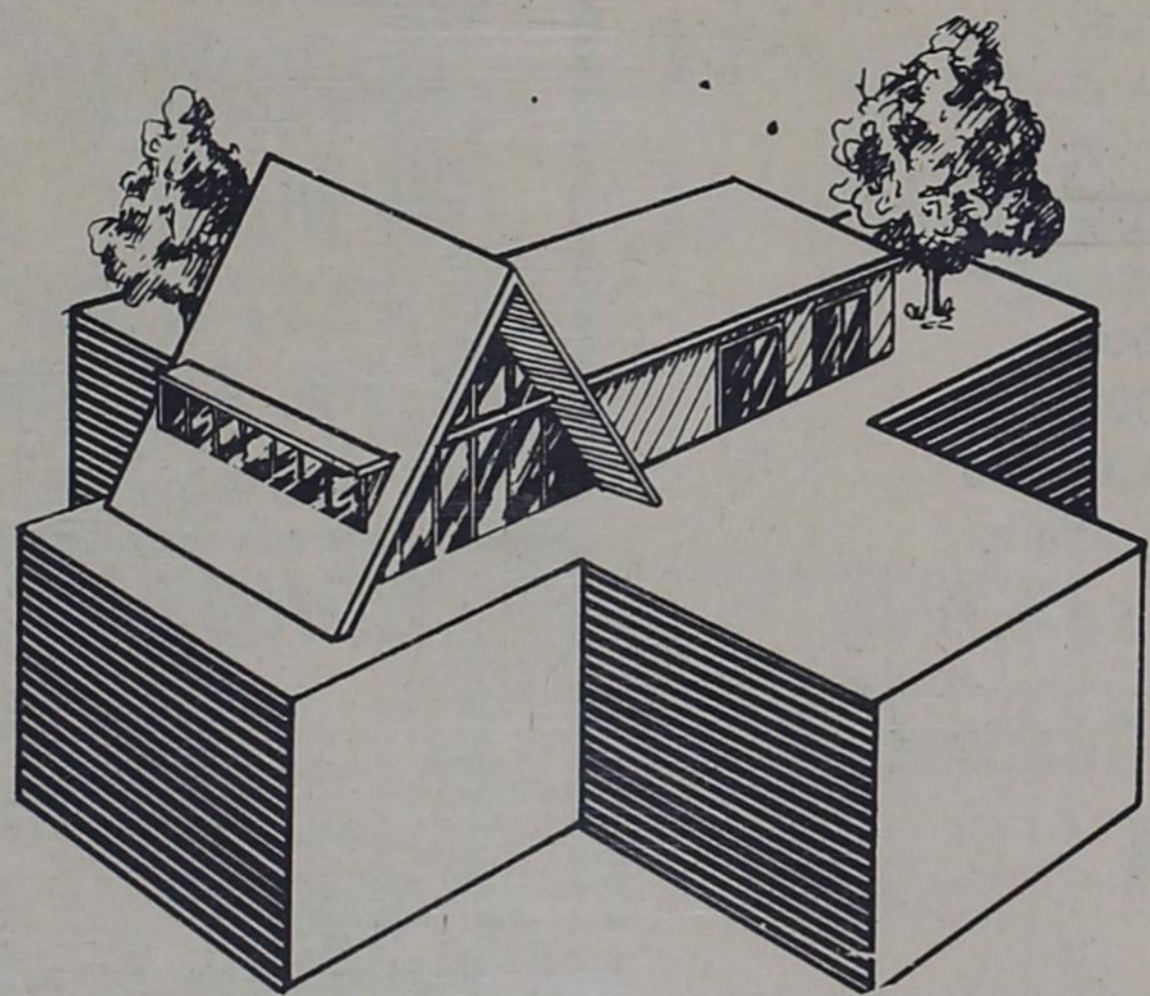

"No," said the wife, "it is snowing."

"Don't argue with me," said the general. "Remember, Rudolph the Red knows rain, deer."

Have a good week at your house and thanks for calling....

## Dealing In The Real Coin Of God

Read Romans 12:9-15  
 The light shines on in the dark, and the darkness has never mastered it. —John 1:5 (NEB)

HE was an alcoholic patient in a veterans hospital. Many times he had come to my office to discuss his problems. One morning I asked him, "How is it possible for a non-alcoholic really to help an alcoholic, to feel as he does, to understand his problems?"

He did not answer then, but later I found on my desk a note he had written to me. The following thoughts impressed me: "Chaplain, when we learn to give of ourselves to each other, we have passed the mortal scrambling for material things... and are beginning to deal in the real coin of God, the spirit."

To give ourselves—this is a major part of the answer. To place ourselves in the shoes of someone else, to feel his pain, his confusion, his despair—to help bring one from darkness to light—this is "to deal in the real coin of God."

PRAYER: O God, who gives love and understanding to all Your creatures, so fill our hearts with the spirit of giving and sharing that we may be helpful today to someone who needs help. In Jesus' name we pray. Amen.

## CONTROL

**Rats, Mice, Termites, Roaches, Silverfish  
Without Poisons. Eliminate The Odor Of Dead  
Mice In Your Home, Business And Outbuildings.**

The Eliminator, from Monty Environmental Services, Inc., is a revolutionary electronic device to control rats, mice and many insect pests—without poisons.

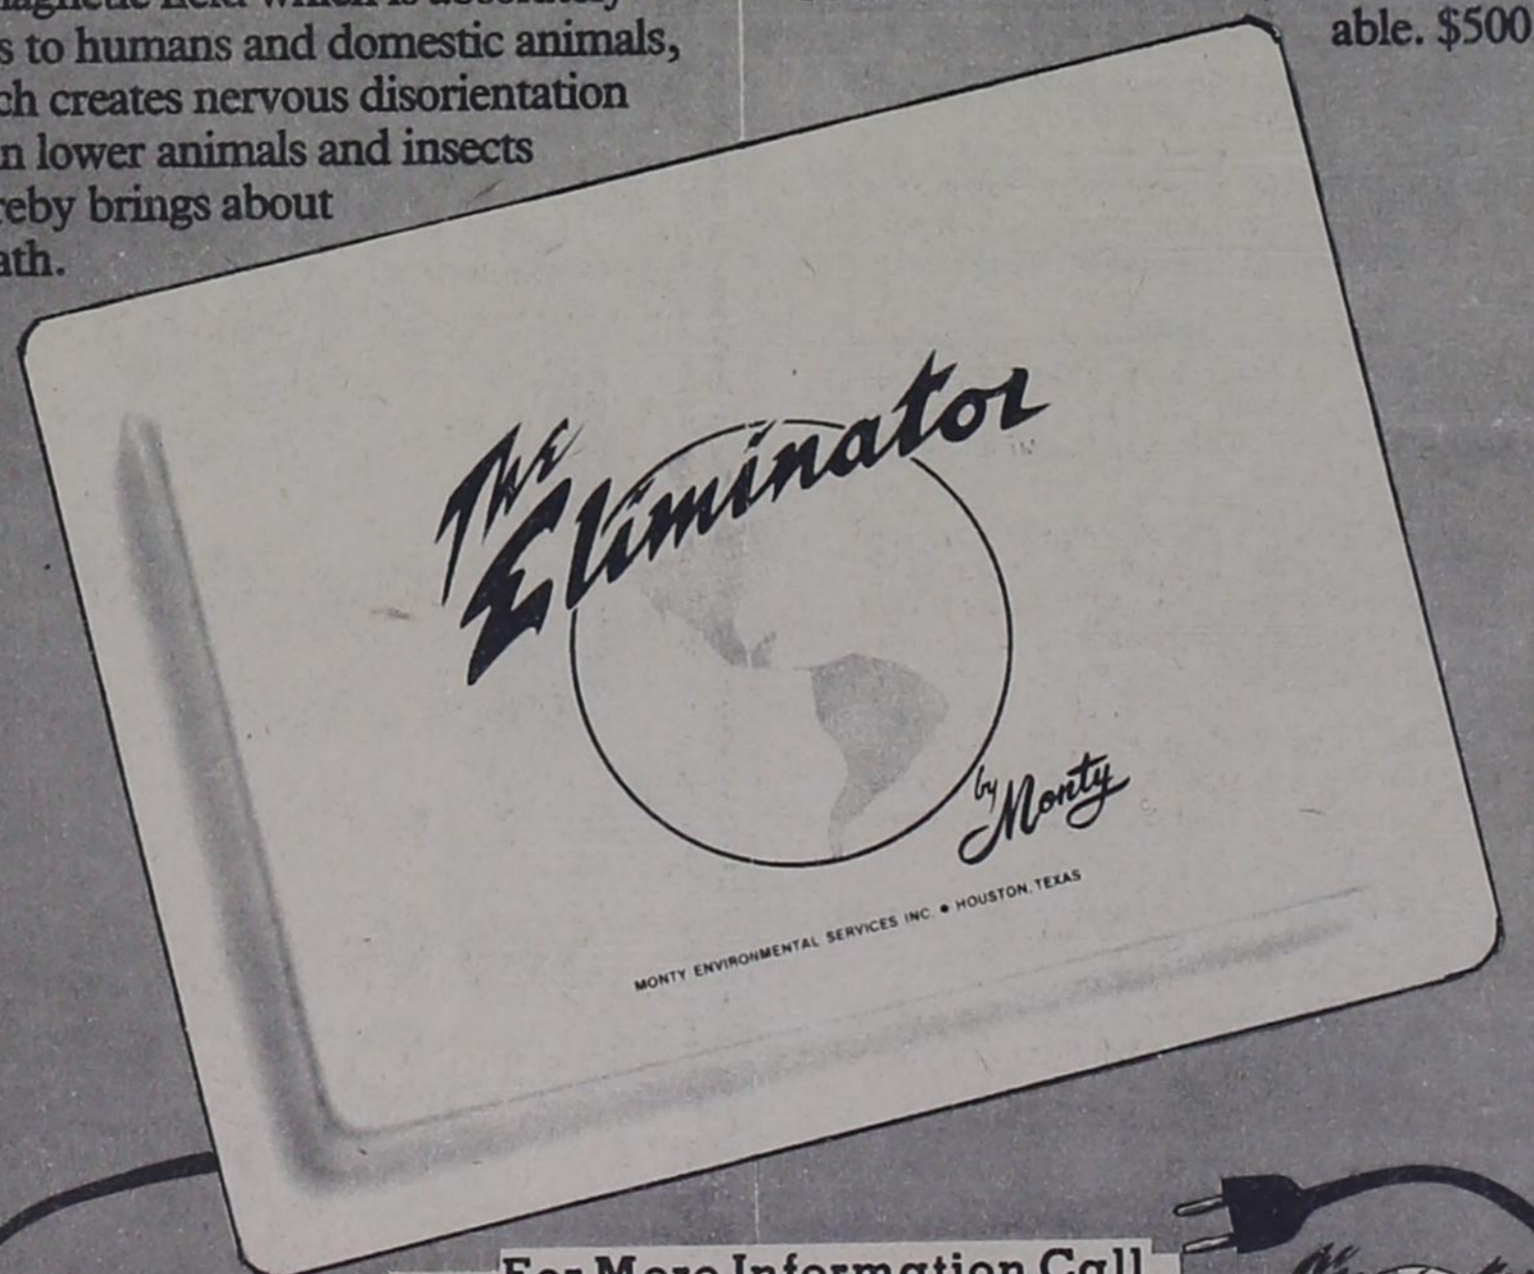

The pest does not have to come in direct contact with the instrument. Its effective range is up to 150' radius, it can be adapted for AC or battery operation, and is waterproofed for outdoor installation.

Simply stated, the Eliminator creates a mild magnetic field which is absolutely harmless to humans and domestic animals, but which creates nervous disorientation in certain lower animals and insects and thereby brings about their death.

This means, for the first time you can have effective control of pests around your farm, business, or home without the dangers or continuing expense of poisons and traps.

The Eliminator has been proved effective in grain elevators, feed lots, restaurants and other places which often have difficult pest control problems.

Eliminate poisons, and control pests. Get the Eliminator. Model 500 now available. \$500.00
