

The Hedley Informer

VOL. 36

HEDLEY, DONLEY COUNTY, TEXAS, FRIDAY, MAR. 1, 1946

NO. 16

Workers Conference

About 300 attended the Workers Conference at the First Baptist Church here Tuesday night, and enjoyed an inspirational program directed by J. D. Coleman of Esteline.

Highlights of the meeting were the message by Hal Upchurch and a moving picture on Baptist progress directed by George King, rural evangelist.

NFLA Meeting

Rayburn L. Smith and J. B. Masterson have returned from Houston where Mr. Masterson represented the Donley County National Farm Loan Association as its official delegate at the stockholders' meeting of the Federal Land Bank of Houston on February 19-20. Mr. Masterson said that in the discussion of Land Bank and association affairs, President Sterling C. Evans of the Federal Land Bank reported that both the bank and the associations are in the most satisfactory financial position in their history.

The Federal Land Bank of Houston is completely owned by the 144 national farm loan associations in Texas. Mr. Evans said, with \$7,455,875 in capital stock and with surplus and legal reserve in excess of \$32,000,000.

Land Bank Commissioner W. E. Rhea of Kansas City, reporting for the entire Land Bank system in the United States, said that the farmers' and ranchers' long-term lending system now has had 23 years of experience during periods of inflation and deflation as well as in periods of relative stability and has demonstrated its strength and ability to serve agriculture under all conditions.

The Donley County National Farm Loan Association owns \$3,190.00 of capital stock in the land bank of Houston and has reserves and surplus of \$20,945.00. It is owned entirely by farmers and ranchers of Donley County.

Card of Thanks

We wish to express our sincere thanks to everyone for the many kind words and deeds also the beautiful floral offerings contributed in the death of our loved one. May the Lord bless each of you as our prayer.

Lions Club News

We won the January Membership Contest so now let's try to make a good showing in attendance. The 100% attendance contest closes in April. If we have good attendance we can hold the members we now have and will have a good chance of winning the big membership contest in June.

This week's meeting will be at 7:00 p. m. Lions S. H. Haie and Chas. Rains have charge of the program. Come out and get a good feed and enjoy a good program.

The Lions Basketball team have entered in the All-Star tournament this week end at Memphis. Go down and see some good games and give them your support.

Boss Lion Reeves has called a meeting of the board of directors for next Thursday, March 7th. Come out and bring some ideas for the good of the club and community. The meeting will be at 7:30 at the bank.

Methodist Church

The time of evening worship will be changed from 7:00 p. m. to 7:30 beginning Sunday, March 3. Youth Fellowship will meet at 6:45.

I am now in the market for cotton on green card or sample. See Alabama Hill. 152p

For Sale—one 4 room house 4 1/2 miles west of Hedley near highway H. K. Leathers, Phone 915F13 133p

I am assessing Hedley Ind. School taxes for 1946. If I do not see you, be sure to see me. 126p S. G. Adamson, Phone 48

Giles News

Mrs. R. R. Stotts

Mr. and Mrs. W. E. Godfrey Jr. and children of Memphis were recent visitors in the A. E. Ranson home.

Mrs. Chas. Levi is visiting in Fort Worth this week.

Mr. and Mrs. John Ode of Amarillo spent the week end in the J. O. Stotts home.

Kathryn Baker of Memphis visited home folks over the week end. T-Sgt. and Mrs. Milton E. Foster are visiting in the G. T. Foster home this week. They are enroute to Denver, Colo. where he is to be stationed.

Mr. and Mrs. E. M. Glass made a business trip to Amarillo Thursday.

Richard Stotts has been on the sick list the past week.

James Sims and wife of Amarillo were visitors here Sunday.

M. M. Robertson and family have sold their place here and moved to Monday Texas.

The J. M. Baker family attended the ball tournament at Hedley Friday and Saturday.

Nina Foster of Childress visited some folks Sunday afternoon.

Mr. and Mrs. K. Auty, Mrs. G. I. Foster and Charlie Foster were Amarillo visitors Sunday.

Memphis shoppers Saturday were Mr. and Mrs. R. O. Kelley, A. L. Sandridge, Charlie Foster, Mrs. K. Auty, Mr. and Mrs. Robert Carraigne and John Wald and family.

Mrs. Thomas Honored

Mrs. Willis Thomas, the former Jonimerle Pickett, was honored with a shower last Thursday afternoon in the Methodist Church basement. Hostesses were Mesdames W. F. Gaede, J. B. Masterson, W. C. Bridges, Winfred McPherson and C. L. Johnson, and Miss Virginia Watt.

In the receiving line were Mesdames J. B. Masterson, Willis Thomas, J. B. Pickett and John Thomas.

Mrs. Fred Watt presided at the register. Mrs. Bridges ushered the guests to the tea table, where Mesdames Gaede and Johnson served tea. The table was set with a beautiful punch bowl, and decorated with white tapers and a ruffled sweet pea motif.

Mrs. McPherson was in charge of the program. Miss Gertrude Rasco of Memphis played the marimba and piano, Vera Bain read several poems, and Mesdames Ray Moreman, Leon Reeves, Leonard Chesshir and Ross Adamson gave a humorous skit.

The honoree received a large number of pretty and useful gifts.

Mrs. Stackpole Writes

Wenatchee, Wash. Feb. 21, 1946

Ed Boliver:

Just a few lines to let you know that I haven't forgotten you people. This leaves us pretty good. We both have been sick with colds. I have one now, but I'm some better now.

Ed, we have had lots of snow this winter, but you know it's not as cold here as it is there. We don't have the wind here like we had there. That is why I like it here.

Ed, I'm enclosing a check for my paper for another year. The other \$2.00 is for Mrs. Hattie Ward Patterson for a year. You have her address. I can hardly wait from one Tuesday till the next Tuesday to get the paper.

I can hardly wait till Mother and Dad get here. I want to see them so badly.

Ed, we have 32 new homes going up; 3 new factories, also a park not very far from me. The name of the park will be the Washington Park. There are 4 new homes going up right behind us. More will go up if they can get the lumber. As you know everything is tied up so.

Hope you and the other friends will come and see us sometime. Tell all "hello."

Yours very truly,
Mrs. Vashti Stackpole

Laymen's Meeting

About twelve Hedleyans expect to attend the Methodist laymen's meeting at Shamrock Sunday.

Billy Gene Tate, Hubert Willingham and Delbert White suffered bruises and minor injuries Saturday when the truck in which they were riding overturned on the curve south of the Claud Nash place.

Mr. and Mrs. Clyde Bridges visited in Terral and Atoka, Okla. last week end. He says that the only thing lacking on the trip was a few of his fishing buddies and some fish hooks.

Frona Girls Win Dist. Basketball Meet

Hedley basketball fans had the opportunity of witnessing some unusually good games the past week end when the girls tournament of District 3-B was played in the Hedley gym.

The Frona girls won the championship, defeating Brisco 25 to 22 in the final game. In the consolation playoff, Dimmitt downed Kress 26 to 22.

Other scores of the tournament included Brisco 17, McLean 10; Hedley 24, Kress 20; Quail 26, Dimmitt 24; Panhandle 22, Lakeview 11; Kress 36, McLean 23; Dimmitt 35, Lakeview 22; Brisco 22, Hedley 12; Friona 34, Panhandle 24; Friona 29, Quail 17.

Hedley boys downed the Quail five 28 to 20 in one of the exhibition games of the tournament and results of the other exhibition games were: Hedley Lions Club cagers took the District Coaches 39 to 13. Kress defeated Clarendon 38 to 17 and the Hedley B team tipped the Lelia Lake A team hoopsters 28 to 20.

All-district girls team picked during the tournament included the following: Forwards: Taylor, Friona; Morris, Quail; Godfrey, Dimmitt. Guards: Johnson, Hedley; Robasson, Friona; Clepper, Brisco.

The proceeds of this tournament were earmarked for new uniforms when available, which is good news to the girls as well as the fans.

The P. T. A. was in charge of housing the girls in the tournament, and the Home Ec Dept. prepared food for the event.

Coach Flatt and the entire school expressed their appreciation to everyone who helped to make the meet a success.

Birthday Party

Donnie D. Cox was honored with a party at the Cox home last Thursday, Feb. 21, the occasion being his 4th birthday.

Several games were played, and Donnie enjoyed opening a nice array of gifts.

The birthday cake, bearing four candles, was cut and served with hot chocolate to twelve young folks.

Weiner Roast

The Intermediate class of the Methodist Sunday School enjoyed a weiner roast at the Memphis park Tuesday night.

Strayed from home, small white and tan dog. Reward for return to R. W. Alewine.

We are glad to see some more veterans back at home, among them Jack Battle, Joe Wood and J. B. Proctor.

For Sale—green home built trailer house, equipped for electricity, built-in cabinets, 2 electric stoves. See Lehman E. Springs.

Special Bargain

80 acres farm land, can get possession at once, terms can be arranged. See S. G. Adamson or Phone 48.

Donley Co. Memorial Committee Meeting

At a meeting in the Legion Hall, Clarendon, Feb. 25, committee members from Giles, Goldston, Martin, Ashtola, Lelia Lake and Clarendon decided to place before the people of Donley County the proposition of honoring ex-service men by placing a walnut panel in the Court House to contain all the names of the veterans of World War II.

The reason for this change of plans is the fact that the increase in prices in materials and in the number of names to be added would necessitate the raising of some three thousand dollars more funds in order to erect the concrete-marble outdoor monument as originally planned.

The following motion was introduced, seconded and passed unanimously: "That after thirty days notice in the two County papers that we go on record as favoring an Honor Roll panel to be purchased and placed in the Donley County Court House, if sufficient funds remain after any persons not satisfied with this proposed change have been given a chance to withdraw their money in this effort to honor veterans of World War II.

Anyone who contributed to this fund and is not satisfied with the above plans may receive a refund of his money if called for on or before April 1, 1946. Those wishing their money refunded may call upon Clifford Johnson, Hedley, or Rayburn Smith at Clarendon.

I pick up carcasses of horses and cows. Phone 32-4 rags
Winford Doherty

Mrs. Herman Foster and daughter Janice of Pampa visited in the C. L. Johnson home last week.

Mr. and Mrs. R. A. Mann spent the day with Mr. and Mrs. W. I. Rains Sunday.

Know more news Phone 101.

Informer Rates

Please remember that the Informer rate is \$1.50 per year in Donley county, and \$2.00 per year elsewhere, except that service men get the \$1.50 rate.

Behind Your Bands

Lies the Might of America

CIGARETTES

From the day that sweeter, brighter tobacco, adaptable cigarettes, was discovered in Caswell County in 1852 and Washington Duke installed a Bonsack machine in his Winston-Salem, N. C. plant for making them, the cigarette business has expanded tremendously. A half billion dollar industry when World War II opened, it will continue to enrich the Nation and add resources to guarantee Savings Bonds. U. S. Treasury Department

J. J. Foster

Mrs. J. B. Pickett of Hedley and Mrs. J. T. Rasco of Memphis were called to Delta county last week end on account of the death of their brother, J. J. Foster, who passed away Friday at Ben Franklin. Funeral services were held Sunday at Cooper, with burial in the Cooper cemetery.

He was 79 years of age, and had visited here often during the past 30 years.

He is survived by his wife and three children.

To The Voters Of Precinct 3:

I wish to make this statement through the Informer:

I understand that it has been rumored that it has been rumored that I was withdrawing from the Commissioner's race. I will say that I entered this race on my own merits and will stay in this race to the finish. I will try my best to see each voter in the precinct before the election, and if elected I will certainly try to make a good commissioner for all of the people in the precinct. Your vote and influence will be greatly appreciated.

Very respectfully
J. T. (Red) Hill

Bids are to be taken on the new highway Mar. 12, which is welcome news to everyone.

Notice

A few more lockers are available in the Moreman Locker. Better hurry if you want one.

C. E. Johnson at the Hedley Telephone Co. will write your fire and hail insurance.

Adamson-Lane Post 287, American Legion

Meets on the 2nd Tuesday of each month. All Legionnaires are requested to attend.

Hedley Lions Club

Meets the 2nd and 4th Thursday night of each month. All Lions urged to be present. Leon Reeves, President

WEEKLY NEWS ANALYSIS

Stabilization Policy Designed To Spur Production; Argentine Military Junta Under U. S. Fire

Released by Western Newspaper Union. (EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

WAGE-PRICES: Go Sign

Formulation of the administration's new stabilization policy setting a pattern for wage increases of from 15 to 17 per cent and permitting price boosts wherever necessary...

Spearheaded by John Snyder, St. Louis banker and director of war mobilization and reconversion, the conservatives held that price as well as wage readjustment was necessary to spur postwar production...

In announcing the new wage-price policy, which was designed to settle the major steel, auto and electrical strikes, Mr. Truman hoped that it would result in an early resumption of mass production that alone could head off an inflationary spiral...

In winning his point of view, Snyder was permitted to retain his over-all control over the stabilization policy, with former OPA chief Chester Bowles put in charge of administering the new formula...

GOOD NEIGHBOR: Not So Good

In issuing its historic "blue book" condemning the Argentine military regime and its strong-man leadership of Juan Peron, the U. S. state department raised the whole question of continued U. S. and Allied relationship with the South American country...

At the same time, the state department's indictment against the army junta, charging collaboration during the war and in establishing a fascist economy in peace, came

"Strong Man" Juan Peron, whose military junta was under state department fire.

on the eve of the Argentine presidential election, lending possibilities to a nation-wide swing against Peron's candidacy. Taking cognizance of the U. S. action, Peron laid blame for the strained relations between the two countries on Assistant Secretary of State Spruille Braden, whom he accused of undermining previous accords...

In charging Argentina with collaboration with the axis in war, the state department's "blue book" declared that the military regime allied, sought to undermine governments in neighboring countries friendly to the united nations, and protected German economic interests...

Asserting that the military junta had permitted the establishment of a fascist economy in Argentina to serve as a base for reviving Germany's imperial ambitions, the "blue book" stated that Germans now controlled such key industries as chemicals and pharmaceuticals, construction, electrical equipment, metallurgy and agriculture.

FOOD SUPPLIES: World Outlook

While per capita food consumption in the U. S. in 1946 is expected to reach a new peak, a survey of 65 foreign countries conducted by the department of agriculture

showed that the average person will have about 12 per cent less to eat than in prewar years.

In reporting its findings, however, the department pointed out that striking of an "average" balance did not truly reflect conditions abroad, with near starvation levels persisting in Italy, Germany, French North Africa, France, Spain, India and China.

Itemizing individual supplies, the department said that the world supply of bread will remain tight, with reduced rations in some countries. Demand for wheat will exceed supplies by 200 million bushels and stocks of other grains will be limited. From 15 to 20 per cent less rice will be available than in prewar years.

A shortage of meat will persist in Europe and Russia, the department said with increased production retarded by use of feed grains for human consumption. While 1946 supplies of fish will be higher than last year, cheese and egg stocks will not meet demands.

The total of fats and oils will approximate only two-thirds of import needs while sugar consumption will fall to the lowest level in a decade. Only half as much butter will be available for world trade as in prewar years.

In contrast to the tight world food situation, the American larder will stay well stocked, barring poor crops. Only butter and sugar supplies are expected to show no appreciable improvement, and while fewer eggs are predicted, availability of more meat should cut demand for the product.

Butcher Old Dobbin

From the steadily declining horse population of the U. S., 77,357 equines sent to the slaughter houses in 1945 to provide meat for American tables. Lowest on record, the number of horses in this country stands at less than half that of a quarter century ago.

Reflecting the steady increase in horse slaughter during the war, when overall meat supplies failed to meet popular demand, the butchering of equines in 1945 showed a 49 per cent rise over the 1944 figure of 52,063.

Along with the horse, the old goat has been sent to the stockyards with increasing frequency, the slaughter of 13,150 by federally inspected packers in 1945 representing a 98 per cent boost over the figure for the previous year.

TIRES: Good Prospects

With the manpower situation improving with the return of many veterans and new facilities scheduled to get into production soon, the tire outlook for 1946 has grown increasingly promising, though stocks adequate to meet record demand will not be forthcoming before late in the year.

With 24 million cars in operation, with many running on tires five or more years old, the government set a goal of 66 million passenger cords for 1946. Under present favorable conditions, manufacturers hope to even exceed the mark. Because of the continued scarcity of natural rubber, substantial proportions of both tires and tubes will be made of synthetics.

Since 90 per cent of all tires produced go to the market and only 10 per cent are retained for new automobiles, not many more additional cords have been made available during the slowdown of auto plants by the General Motors strike, trade circles pointed out.

NATIONAL GUARD: Postwar Increase

In accordance with plans to keep America strong in the postwar world, the national guard will be increased to 622,500 officers and men, more than double the total of 300,034 in the prewar period.

Of the 622,500 men and officers, 571,000 will be included in the ground forces, 47,600 in the air wings and 4,000 in miscellaneous services. This compares with the prewar establishment of 295,000 on the ground and 5,000 in the air.

Twenty-two infantry divisions will constitute the bulk of the ground forces, with two armored divisions and 18 regimental combat teams making up the remainder. The 12 air wings will be composed of 27 groups, 84 squadrons and 12 control and warning units.

With 47,777 men and officers, New York's national guard will be the largest in the country, followed by Pennsylvania with 39,580; California, 39,568, and Illinois, 32,908.

Boundary Problems Plague Peace Makers

Indicative of the complex problems facing the Big Five committee drafting the postwar European peace treaty are the rival claims of Italy and Austria to the southern Tyrol, ceded to the former after the first World War. Italy has opposed the transfer partly because of her investment in several hydro-electric plants along the Adige river, a turbulent stream about 225 miles long. Italian opposition has persisted even though Austria has agreed to waive control of the plants and co-operate in further hydro-electric developments. Meanwhile, one of Austria's chief interests in the region lies in its output of vegetables and fruits, including potatoes, cabbage, apples and pear.

CAPITOL HILL: Dems Row

With Harold L. Ickes having quit the department of the interior after President Truman had questioned the accuracy of his testimony before a senatorial committee probing Edwin W. Pauley's nomination as undersecretary of navy, political sages pondered what effect the self-styled "Old Curmudgeon" action would have on Democratic chances in the 1946 congressional and 1948 presidential elections.

Harold Ickes

In resigning from the cabinet after 13 years of service as one of the liberal New Deal stalwarts, "Honorable Harold," as Ickes is sometimes known, warned Mr. Truman that political pressure for retention of state control over underwater oil reserves could result in a scandal similar to Teapot Dome. He also said that pressure to assess administrative personnel for campaign purposes might create a major scandal.

Although it was long rumored that Ickes might leave the President's cabinet, his dramatic departure grew out of his charges that Pauley had suggested to him that \$300,000 could be raised for the 1944 presidential race if the government dropped a suit the interior secretary instituted to place underwater oil reserves under federal rather than state control. When Pauley denied the allegation and Mr. Truman declared that Ickes' testimony might be inaccurate, the "Old Curmudgeon" stated that the President's lack of confidence in him left him no alternative but to submit his resignation.

Ill feelings between Ickes and Mr. Truman were further pointed up by the President's order making the resignation immediately effective rather than on March 31 as the interior secretary had requested so that he might push through the Anglo-American oil treaty "which (he) had nurtured and raised by bottle from the beginning."

While the liberal Ickes, long a prominent figure in reform politics, said he would not oppose the President's re-election in 1948, he qualified his statement by pointing out that he had cast his ballot as a delegate to the 1944 convention for Henry A. Wallace for vice president.

GRAIN MOVEMENTS: Co-Op Proposals

Holding an emergency meeting in Chicago, Ill., the National Federation of Grain Co-operatives urged President Truman to speed up movement of box cars and clarify the price and tax situation to spur lagging shipment of grain to market.

Representing member groups, which handle approximately 400 million bushels of grain annually, the federation said that the acute shortage of box cars has been further aggravated by delays in movement. Runs that normally required four or five days from the northwest to Minneapolis-St. Paul, now take 30 days or more, officials said.

As long as uncertainty exists over extension of federal price controls, the federation declared, farmers will keep substantial quantities of grain off the market in the hope of higher returns. Further, farmers may be adverse to selling both their carryover and the ripened 1946 crop in the same year unless tax laws are revised or loans of actual grain to the government are arranged and operators are permitted to elect the time for collection.

AIR PACT. U. S., Britain Agree

Resolving differences over the question of regulating international air travel, the U. S. and Britain reached agreement after month-long discussions in Hamilton, Bermuda, on a postwar pattern inclining toward the American concept of freest possible flight. At the same time, the U. S. agreed to open American military bases on leased British islands in the Atlantic to commercial planes. Obtained by the U. S. for 99 years in the famous over-age destroyer deal of 1940, the islands stretch from Newfoundland to British Guiana in the Caribbean.

Under the U. S.-British pact, planes will be permitted to pick up passengers in either country; equitable rates will be determined; routes will be marked out for travel by American and British craft over the two countries; consultations will be held for resolving civil air problems; the provisional international aviation organization will be asked to settle disputes upon which the U. S. and Britain cannot reach agreement, and no limitation will be placed upon the number of flights air lines may make.

REA:

Complete rural electrification is nearer a reality in the northeastern states than any other section of the country, the Rural Electrification administration has reported. Seventy-seven per cent of the farms in the area already are receiving central station electric service. Electricity has proved adaptable to all types of farming in this section, including the maple sugar and syrup industry of the northernmost states.

SEWING CIRCLE PATTERNS

Scalloped Two-Piecer for Spring Tot's Flower-Fresh Party Dress

8956 2-4 yrs.

Mite's Dress-Up Frock.

HERE is an exquisite little dress-up frock for a mite of two to six. The scalloped front closing is finished with soft lace or ruffling. She's sure to like the perky puffed sleeves, the gay swinging skirt. Use a pretty flowered print with crisp white trim.

Pattern No. 8956 comes in sizes 2, 3, 4, 5 and 6 years. Size 3, 2 yards of 35 or 36-inch; 2 yards narrow lace or machine-made ruffling.

SEWING CIRCLE PATTERN DEPT. 535 South Wells St. Chicago 7, Ill. Enclose 25 cents in coins for each pattern desired.

Pattern No. 8978 is designed for sizes 10, 12, 14, 16, 18 and 20. Size 12 requires 4 1/2 yards of 35-inch material.

Household Hints

If salt fish are soaked and cooked in milk they become much sweeter than when soaked in water.

Shoes that are stiff after being worn in the rain will become quite pliable if vaseline is well rubbed in with a soft rag.

Clean the underside of rugs frequently, for dirt works through, and insects are likely to hide underneath.

Paint wooden knitting needles and crochet hooks with a coat of colorless nail polish the minute they begin to get rough or scratchy. Smooths them off. Make sure polish is thoroughly dry and hard before putting needles to use again.

Should the loud ticking of a clock in the sick room bother the patient, place a glass bowl over the timepiece.

Cat-stitch seams on baby's sleeping garments and underwear to hold them flat. Helps prevent needless irritation to his sensitive skin.

A little salt in the bottom of the skillet will keep the fat from popping.

For cleaning tiles in the bathroom and kitchen, use a soft cloth moistened with kerosene.

Screw a hook into the end of your broom handle. You'll find it handy for reaching objects on high shelves, also the window shade pull that springs to the top. And naturally you hang the broom up by its hook in order to preserve the bristles.

THE OLD JUDGE SAYS . . .

OLD JUDGE: "Hank, you're a big grain producer. . . let me ask you a question or two?"
HANK: "Glad to have you, Judge."
OLD JUDGE: "Do you think the grain used by distillers is wasted as some folks are saying?"
HANK: "I certainly do Not! As a matter of fact, it is just the opposite."
OLD JUDGE: "How do you figure that, Hank?"
HANK: "From my own experience and from reports I've read. For the year endin'

last June, the distillers produced over 1,200,000,000 pounds of distillers' dried grains. . . the best feed supplements we can lay our hands on. They are rich in nutrients. Why. . . I've never had such fat dairy cows, livestock and poultry as I have since I've been usin' these dried grains."
OLD JUDGE: "How do you use them, Hank?"
HANK: "I blend them in with original grain. This balanced ration has far greater feed value than the original grain itself. I can cut down on my whole grain feeding about 20% and still get better results."

ACTS ON THE KIDNEYS

To increase flow of urine and relieve irritation of the bladder from excess acidity in the urine. Are you suffering unnecessary distress, backache, run-down feeling and discomfort from excess acidity in the urine? Are you disturbed nights by a frequent desire to pass water? Then you should know about that famous doctor's discovery—DR. KILMER'S SWAMP ROOT—that thousands say gives blessed relief. Swamp Root is a carefully blended combination of 16 herbs, roots, vegetables, balsams. Dr. Kilmer's is not harsh or habit-forming in any way. Many people say its marvelous effect is truly amazing.

Here's a Simple Way To Make Slip Covers

THERE are a number of ways to make slip covers. This sketch shows the method of making a pattern from unbleached muslin, or an old sheet, if you do not have the confidence to fit the fabric right on the chair.

Fit the muslin smoothly but do not stretch. Allow one-half inch seams and a four-inch tuck-in around the spring seat.

as at A. Cut as at B. Mark each piece with an arrow to show which way the grain of the goods should run. The larger sketch shows the pattern pinned on the slip cover fabric ready for cutting. These slip cover directions are from SEWING BOOK 3, which contains 31 other useful ideas for the home with illustrated directions. Booklets are 15 cents each. Address your request to:

Try it! See why many doctors recommend this good-tasting, high energy, food tonic. Buy at your druggist's.

SCOTT'S EMULSION YEAR-ROUND TONIC

One of the best home ways to BUILD UP RED BLOOD. If you lack BLOOD-IRON. You girls and women who suffer so from simple anemia that you're pale, weak, "draggled out"—this may be due to lack of blood-iron. So try Lydia E. Pinkham's TABLETS—one of the best home ways to build up red blood—in such cases. Pinkham's Tablets are one of the greatest blood-iron tonics you can buy! At all druggists.

HOUSEHOLD MEMOS... by Lynn Chambers

Careful Mixing, Accurate Measure Make Fine Pie Crust

Deep-Dish Pie made of cherries or rhubarb is a colorful treat for any supper. Time can be saved by mixing the crust ahead of time and using canned fruit put up last summer.

Everyone who has ever bit into a piece of pie knows the value of good pie crust. No matter how good the filling, the pie will not be up to standard if the pie crust falls down on flakiness or crispness or taste.

However, it is a very simple matter to make a good pie crust, even if one is a beginner, provided accurate measurements are used and the cook does not become too ambitious. Good pie crust requires only enough mixing to cut the shortening into small pieces, the size of green peas, and to coat them with flour. Then, just enough water is added to make the mix hold together. Some women are so afraid to use water in pie crust, that they have a crumbly instead of a flaky crust. The ideal way is to use just enough, and to work that in thoroughly.

It is not necessary to use more than one-third cup of fat to one cup of flour. Salt and water are the only other ingredients. If desired, the fat can be worked into the flour which has been salted, and the mixture allowed to stand in the refrigerator until it's time to make the pie.

To blend fat and flour together, a pastry blender is a great help. This should not be attempted by hand as the hands are always warm, and this will cause the shortening to melt and give a less flaky result.

No definite guide can be given as to the water which must be added. Most recipes say from five to six tablespoons of cold water for 2 cups of flour, but this may be a little more or less since flours vary in their rate of absorbency. An all-purpose flour is more suitable for pastry than cake flour, because it has more gluten and will give a flaky in place of a crumbly crust.

Apples are generally available throughout the year and form the basis for one of our most delicious pies. Here is an open-faced apple pie which you will enjoy:

Apple Pie.
3 cups fresh apples
1 cup sugar
4 tablespoons flour
2 tablespoons butter or substitute
2 tablespoons lemon juice
Cinnamon or nutmeg

Peel the apples, core and cut into eighths. The pieces of apple should be at least 1/2 inch thick. Apples should not be too thinly sliced as this will prevent the pie from being juicy. Combine sugar with flour. Add the ap-

LYNN SAYS

Let's Clean House: If windows and mirrors are not badly soiled, they may be cleaned satisfactorily with warm, clear water. If soiled, windows may be cleaned with a solution of vinegar or ammonia—4 tablespoons to each gallon of water.

Woodwork should be dusted often so that the dirt does not become imbedded in it. When washing it use soap jelly with warm water and apply with a soft clean cloth or sponge. Rinse with clear, warm water and dry thoroughly.

Wipe varnished floors once a week with a mop wrung dry after dipping in warm soapy water. Polish lightly with an oiled cloth or mop. Do not leave excess oil on varnished surfaces.

Tile floors may be cleaned with a gentle scouring powder. Water should not be allowed to stand on these floors as it will loosen the cement. Wipe dry immediately after cleaning.

pies, lemon juice and pour into crust. Add the butter or margarine in small bits and sprinkle with lemon juice. Dust cinnamon or nutmeg on top of pie and cover top with strips of pastry, if desired.

A custard pie is a delicate dessert for a hearty meal. It is nourishing because of the eggs and milk, yet it requires little sugar.

Custard Pie.
3 eggs
5 tablespoons sugar
1/4 teaspoon salt
2 1/2 cups milk, scalded
1/2 teaspoon nutmeg

Beat eggs slightly, add sugar, salt and scalded milk. Mix thoroughly and pour into an unbaked pie shell. Sprinkle with nutmeg. Bake 5 minutes at 450 degrees, then decrease to 325 degrees and continue baking for 30 minutes.

Cherries or rhubarb are responsible for the bright cheerful color in this deep-dish pie:

Rhubarb or Cherry Pie. (Deep-Dish type)
4 cups rhubarb (cut into 1-inch pieces) or
4 cups canned or fresh cherries
3 tablespoons tapioca or
6 tablespoons flour
1/2 cup sugar and 1/4 cup honey or
1 1/4 cups sugar
2 tablespoons butter or substitute

Mix fruit, sweetening and tapioca or flour together. Pour into a 9-inch pie plate lined with unbaked pastry. Dot with butter and cover with pastry which has opening cut in it. Bake

Pie crust can be flaky if ingredients are measured every time. It is important to mix the flour and fat only until it resembles coarse corn meal or green peas.

in a pre-heated (375-degree) oven for 45 minutes.

For fish dinners, there's no more perfect dessert than a tart lemon pie:

Lemon Pie.
1 1/2 cups sugar
4 tablespoons cornstarch
4 tablespoons flour
1 1/2 cups boiling water
4 egg yolks
1/2 teaspoon salt
Grated rind of 2 lemons
1/2 cup lemon juice

Mix sugar, cornstarch, flour and salt together. Add the boiling water, stirring constantly. Use high heat until mixture begins to thicken then cook slowly over a low flame until thick. Add beaten egg yolks, cook 2 minutes longer on low heat. Add lemon juice and rind. Cool. Pour into a baked pie shell (9-inch) and cover with meringue.

This above filling may also be used for lemon tarts. The shells for these may be baked in muffin tins or small-sized pie plates. These, too, may be topped with meringue, if desired.

Most cream pies take a meringue topping which is made from whites that were not used for the filling. It is important to beat the egg whites until stiff but not dry, and to fold the sugar in gradually, beating all the while.

The best proportion of sugar to use for the meringue is one tablespoon to each egg white. If too much sugar is used, the meringue will have little drops of brown syrup.

The meringue should be baked rather than browned. Use a 350-degree oven and bake until browned. Be sure to anchor the meringue on the crust so that it does not shrink too much.

It's easy to extract lemon juice, if the fruit has been warmed for a few minutes.
