American Legion

All ex-service men are urged to attend the Legion meeting to be held at the City Hall next Tuesday night at 8 p. m. Delegates to the Childress Convention April 13th and 14th will be elected and other matters will come up. Due to a recent spurt in membership, the post now has 50 members and will be allowed 4 delegates and 4 votes at the convention.

Work on the Legion Hall has been at a standstill, but the needed material is expected this week and work can commence again. Tiles ordered for a firing squad for ceremonial purposes have been shipped and should arrive soon. Let's be out at this meeting and keep the things going we have started and maybe start some more things.

Card of Thanks

We wish to express our sincere thanks to everyone for their thoughtfulness, many cards, etc.; especially the ones that helped in listing our place. It is all deeply appreciated.

Those who helped with the listing were Clyde Grimsley, Bill Harris, Bill Wiggins, Yandell, Otis Owens, Winfield Mosley, Bob Lester, J. E. Painter, Jess Mann, V. Alewine, Butler and Simmons, Walter Bill Wiggins, Woodrow Farris, Earl Fortenberry, Bernard Adamson, Leroy Harris and Bill Scales.

McClung was at one time pastor at Clarendon church and from there he went as pastor to Floydada church then to Perryton and then to Grand Prairie. He did the preaching here for a revival a few years ago. Make your plans to attend each service.

Bro. McClung was a co-pastor in the Floyd county association with H. T. Harris for a number of years. Come, you will like him. Bro. Weldon Lewis, educational director of the First Baptist Church of Memphis will have charge of the singing for the revival.

Lions Club News

Next week's meeting of the Lions Club will see us playing host to the other clubs of the zone. Boyd Meador of McLean is Zone President and he hopes to have representatives of the McLean, Clarendon, Childress, Memphis and Lakeview Clubs at this meeting.

Last week's meeting at which time Chas. Dean of Plainview, District Governor of District 2T, spoke and presented awards and keys, was one of the best of the best of the year. Sixty-eight Lions and guests were present. The program, sponsored by Lions Hunsucker and Bill Johnson, consisted of two trios by local high school girls, a talk on the Park and Playgrounds by Lion Platt and of course the main speaker of the evening, Chas. H. Dean. Everybody enjoyed the good program and the exceptionally good eats.

1st Baptist Church

We had a high day at our church at both services Sunday with 131 present in Sunday School and about 150 for preaching at the morning hour. This is the largest number on record in Sunday School for our church except during a revival.

At the evening service we had 175 present as the Lelia Lake church joined ours in a Baptismal service. Bro. Bob Cooksey preached and H. T. Harris did the baptising for both churches at the close of the service.

Our offering for the morning service was \$70.92 for regular expense and a special offering for missions was \$55.65; a total of \$126.57 for the day.

HARRY G. WOMACK

Hedley is to have a new and thoroughly modern funeral home through a deal in which Harry G. Womack has traded the former Womack Funeral Home for the residence of Mrs. Rhea Stotts. The Stotts house is now being rebuilt and repaired, and the Womack business is being carried on there.

We understand that the ground floor will be used as the funeral home, and the second floor as a residence.

Mr. Womack hopes to announce their formal opening in the near future.

Take a look at this U. S. Savings Bond, friend. You don't have to be a seventh son of a seventh son to see your future. If travel is your desire some day, or you hope to see your boy or girl in college, or you dream of owning a farm, this Bond can help to make these dreams come true. Bonds accumulate faster than you imagine when you save regularly through the payroll savings plan where you work. Every \$15.75 you put away in United States Savings Bonds grows to \$25 in ten years.

City Election

Only 51 votes were cast in the city election Tuesday. Ross Adamson was elected mayor. He has been serving as mayor pro tem for some time.

Aldermen elected were B. H. Kirkpatrick, B. C. Stone, F. M. Murray, Alfred Johnson and Clyde Grimsley.

Bill Bridges came in this week from San Pedro, Calif., with a discharge. Wednesday he took Mr. and Mrs. W. L. Rains to Marlin and continued on to Atoka, Okla., on important business.

Rev. and Mrs. H. T. Harris were called to El Paso Wednesday on account of the illness of Mrs. Harris' aunt, Mrs. Derrick. They returned Saturday.

Mrs. W. E. Grimsley was brought home Friday from a Clarendon hospital where she has been undergoing medical treatment. She is reported slowly improving.

Mrs. W. T. Grow returned to her home in Frederick, Okla. Saturday after visiting several weeks here. She was accompanied by her sister, Mrs. Myrtle Tinsley, who returned home Sunday.

For Your Scrap Book

If I should live my life
For pleasure or for gain,
And knew that day by day
The end was drawing nigh,
I'd spend what few days did remain,
In searching the Scriptures to prepare
To meet my God on high.

I should despise to see the
End drawing nigh,
And know that I must look
My Maker in the eye,
To face the deeds that
I have done on earth
That did not come up to
God's measure of worth.

If I had lived my life
For greed and not for others,
I should despise to see
The end drawing nigh,
And have no good thing left
To be remembered by.

EVERYBODY'S BUSINESS!

Gossip over a back fence is everybody's business!... And, in quite another way, your electric company, too, is *everybody's business!*

It belongs to you—to the man next door and the woman across the street—to the people who rub shoulders with you in shops and trains and buses.

All types and kinds of folks are on our stockholder list—housewives, farmers, merchants, teachers, doctors, nurses. They're the *direct owners*.

And there are countless *indirect owners*. Even if you don't own a share of our stock yourself, you probably have a stake in this company through your life insurance policy or savings account.

Why? Because banks and insurance companies—who handle your savings—must invest those funds wisely. Next to War Bonds, one of their largest investments is public utility securities. They know that sound *business management* has made cheap, dependable electric power a basic part of the American way of life.

So, whether you realize it or not—your electric light and power company is not just *our business*—it's *your business*.

Burning, scanty or too frequent urination, sometimes worse, that something is wrong. You may suffer nagging back-ache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. **"OIL-PLATED engines . . .
they'd better have!"**

The "haulaways" are abroad in the land! Your new car is on order—or in your mind. And now here is why any car of yours should have an OIL-PLATED engine . . .

OIL-PLATING will shield your engine's insides. It saves fine-finished surfaces from lots of wear. And that's how to raise resistance against carbon, gum, and sludge.

An OIL-PLATED engine is yours for the asking. Simply insist on filling with Conoco Nth motor oil. Conoco Nth brings its added OIL-PLATING substance. This acts magnet-like . . . joins lubricant durably to metal, so as to form protective OIL-PLATING! The process is the same in any engine. Though yours may not be new, this is an extra good time to OIL-PLATE it. For it needs a Spring oil change and simply by getting Conoco Nth you'll get oil that OIL-PLATES—at a few cents' extra cost! Wax your curtain rods with ordinary floor wax to prevent them from rusting. The wax will also help the curtains slide back and forth more easily.

To remove perspiration stains from white clothes, dampen the garments with lemon juice and salt before putting them in soapy water.

Nail polish remover will remove all traces of the sticky substance left on the skin when adhesive is removed.

For a rich green color in ferns, add a teaspoon of household ammonia to a quart of water and pour it over the fern.

Panholders have a way of getting lost. When using them, tack one on each end of a piece of tape and hang about your neck, and they will be right there when needed.

Half a potato well done is better than a whole potato half done. Cut large potatoes in half before baking and save fuel.

An inside paint job is best done in the winter when there is a fire in the furnace, for then there is no possibility of dampness. Be sure the first coat is dry before applying the second.

To prevent rice from sticking to the kettle while boiling, grease the bottom before adding boiling water.

Keep a pair of white canvas gloves somewhere near your kitchen range. These can take the place of potholders at times and when you are cooking food in fat they'll protect your hands.

RUSSIA WAR TALK
WASHINGTON. — It's no secret that there's been considerable talk among the brass hats in the Pentagon building about war with Russia. Some of this comes from men who honestly feel war is inevitable and favor getting it over with right now. Others chiefly favor a little war talk because of its help in passing military conscription.

However, there can be no doubt about the views of the top military man in the war department—Gen. Dwight Eisenhower.

Two or three weeks ago, Eisenhower was attending a Washington dinner party when people began to talk about war with Russia. Irked by the conversation, he remarked that he was "amazed that so many people should suddenly be seriously considering the idea of war with Russia."

Then the chief of staff proceeded to give a pointed lecture on the foolishness of this war talk, which can be briefly summarized as follows:

"People who want war should only think a few minutes about the sacrifice Russia has made in the past five years — a loss of life and property so large we cannot conceive of it. A people who have suffered such a loss will not turn tail before any military force in the world today. But at the same time they will not go out and look for another war."

"And neither will we. This country is no more anxious to go to war with Russia. Our losses are great, and we want no more. Certainly the American people do not want to get involved in a war in which there can be no end but the destruction of the greater part of the world."

"We have nothing to gain to start with, and would have nothing left when it is over."

ANTI-ROUSING LOBBY

Most powerful lobby since the war threw itself into the battle to defeat the Wyatt housing program for veterans. Every congressman received wires, phone calls, letters from builders, lumber dealers, real estate men.

Many telegrams were phony, as several congressmen discovered when they tried to answer them. Others were signed with the names of people who later assured members of congress that they had not seen or sent the wires. These tactics, of course, have been used before.

The prize telegram, however, was one sent to all congressmen from the St. Paul-Minneapolis area by the Northwestern Flooring and Lumber company, of which V. H. Alberts is president.

After urging that the veterans' housing program be defeated, the lumber company had the gall to add:

"Please also exert your efforts to oppose a standing vote on these issues."

NO TRUMAN ROAD

Folks back in Jackson county, Mo., usually are willing to go the limit for any honor to their native son, Harry Truman. But a recent proposal to change the name of Van Horn road, an important traffic artery named after an early county pioneer, met with a storm of protest. Some of the rural citizens balked at stealing one person's tombstone to honor another.

Van Horn road was named after Col. R. T. Van Horn, who settled in the county in 1855 when Kansas City's population was about 455. He became mayor of Kansas City, was active in Missouri politics, and bought the county's first newspaper, later the Kansas City Journal, now defunct.

WALLACE AND ICKES

Henry Wallace and Harold Ickes, although agreeing on basic political ideals, have never been warm friends. For 13 long years they served in the same cabinet, but part of the time they fought like cat and dog over who was to run the forest service and the soil conservation service.

Ickes' exit from the Truman cabinet has left Wallace as the last of the original Roosevelt New Dealers, and the only cabinet member with a powerful hold on independent voters. An original Republican — as was Ickes — Wallace is strong with the Negro voters, labor, and the independent liberals.

As a result, Wallace's position inside the administration is better than ever. Truman and Bob Hannegan both are anxious to retain at least one all-out New Dealer. Wallace is their man.

SOUTHERN LABOR DRIVE

One of the most important labor decisions since the CIO broke away from the AFL has just been taken. Phil Murray, head of the CIO, has decided to pour one million dollars into the greatest union organizing drive the south has ever seen. In a few weeks, CIO organizers by the hundreds will begin moving into Georgia, Florida, Mississippi, Alabama, Tennessee, and the Carolinas, intent on organizing all unorganized labor, both Negro and white.

For Supper Simplicity, Prepare It in Advance
(See Recipes Below)

Simple Suppers

Feel rushed on wash day? Too tired to put together a big meal?

That's the way a lot of our homemakers feel, so you're not the only one. But I have some nice cures for those washday blues with a number of quick dinners, or suppers, if you prefer calling a simple meal that instead of the other.

The trick to making mealtime easy on washday is to get as much of the supper together before you become involved with washday. Make a jellied salad while you're waiting for the breakfast stragglers to come down to eat, and prepare a casserole that can be refrigerated until baking time, and plan to have soft canned, chilled fruit with homemade cookies as a dessert. Round these main foods out with beverage, bread and butter and your dinner's prepared.

There are loads of casserole dishes that won't suffer any by being refrigerated before baking, and I've selected a few of these to pass on to you today. Cheese is good and very nourishing too, if you want a substitute for meat. Leftover vegetables combined with shreds of meat from the Sunday roast also whip up nicely into one of those all inclusive entrees for washday.

How would you like to serve this Cheese and Noodle Pie? Yes, it's actually made like a pie and is served simply by slicing in wedges.

Cheese and Noodle Pie

(Serves 4 to 5)

2 tablespoons shortening or bacon drippings
2 tablespoons chopped, green pepper
1 cup milk
2 bouillon cubes
1 cup soft bread crumbs
2 eggs, beaten
1/2 teaspoon salt
2 teaspoons grated onion
2 cups cooked medium noodles (4 ounces, uncooked)
Wedges of American cheese
Melt shortening in pan, add green pepper and saute for 5 minutes, then add milk and bouillon cubes. Heat until cubes are dissolved. Add remaining ingredients, except cheese and turn into a buttered baking dish, a nine-inch pie plate. Bake in a moderately slow (325-degree) oven for 35 minutes, or until the custard is set. Cut 3 slices of cheese, and then cut these into 6 wedges. Place on top of the hot pie.

Lynn Says
Eat More Eggs: They're "in season" now, plentiful and economical. You'll like these savory ways for preparing them:

Make eggs into an omelet, adding 1 1/2 cups of soft bread crumbs (for 4 eggs) to the fat in the pan before pouring the egg mixture in to cook. This gives a crispy, crunchy omelet.

Omelet with herbs? Yes, indeed, they're fine. Use any one of the following: chopped chives or parsley; chervil, basil, thyme, tarragon, sweet marjoram or fennel.

If you're scrambling eggs, make them glorified by adding frizzled dried beef or ham; chopped sauteed mushrooms; leftover vegetables.

While you're baking eggs, add little touches to make them more attractive. Partially cook bacon, fit around a muffin tin before breaking in the eggs. Or, sprinkle eggs in custard cups with Line individual dishes with rice, break in egg and serve with mushroom sauce.

the sharp points to the center. Increase oven temperature to moderately hot (400 degrees) and bake 10 minutes to melt and brown the cheese. Cut pie into wedges and serve piping hot.

Leftover vegetables need not furnish good material for the garbage pail. If you have several of them, combine them into delightful timbales for supper with a cheese sauce to go with them. A cheese sauce is easily made by melting 1/2 pound of cheese with 1/2 cup of milk in the top part of the double boiler while the timbales are baking.

Vegetable Timbales

(Serves 4 to 6)

1 1/2 cups cooked peas
1 1/2 cups cooked, drained corn
1 cup drained, canned tomatoes
1 tablespoon chopped onion
1 1/2 cups soft bread crumbs
3 eggs
1/4 cup melted butter or substitute
Salt and pepper to taste

Mix all ingredients with a fork and add seasoning to taste. Pour into seven buttered custard cups and bake in a pan of water in a moderate (350-degree) oven for 45 to 50 minutes. Serve with cheese sauce.

If you are using all the eggs which rightfully belong to the diet, there's no better way to prepare them than curried. Here is a dish that can be prepared in the morning—yes, stuff the eggs and make the cream sauce. Then 15 minutes or so before dinner, light the oven and pop them in to heat.

Curried Deviled Eggs

(Serves 6)

12 hard-cooked eggs
1 teaspoon dry mustard
1 teaspoon grated onion
Mayonnaise or salad dressing
Salt and pepper
3 tablespoons butter
6 tablespoons flour
1 1/2 teaspoons curry powder
3 cups milk
3 cups cooked peas
1/2 teaspoon sage
1 teaspoon sugar

Halve eggs lengthwise. Remove yolks. Mash. Add mustard, onion, and enough salad dressing to moisten. Season to taste with salt and pepper. Refill egg whites with yolk mixture. Heat butter, blend in flour and curry powder; gradually add milk. Cook over boiling water, stirring constantly until thick. Season to taste with salt and pepper and cook 5 minutes. Arrange 4 halved eggs in individual serving or baking dishes and pour sauce over eggs. Combine peas, sage and sugar and arrange in border around the eggs. Bake in a moderately hot (375-degree) oven for 15 minutes or until thoroughly heated.

A dessert that can be started baking before the Curried Devil Eggs is this quick and easy Fudge Cake. It takes it easy on shortening.

Fudge Cake

(Eight-inch square pan)

2 squares chocolate
1/4 cup shortening
1 cup sugar
2 eggs
1/2 cup sifted flour
1/4 teaspoon salt
1 cup chopped nuts

Melt chocolate and shortening together. Blend in other ingredients. Bake in a greased square pan, in a moderate* (350-degree) oven for 35 minutes.

Mother-Daughter Frocks

HERE is a sparkling parallel idea for mother and daughter—pretty, round yoked frocks with cool cap sleeves, snugly fitting waist and full cut skirt. Use a brightly striped or flowered fabric for the lower part of the dress and make the yoke of a contrasting shade. Grown-up and growing up charmers.

Smart Twopiece

SO SIMPLE to make you'll want several versions of this smart two piece style. The wrap-around blouse is cut all in one piece—has a youthful neckline and the briefest of sleeves. The dirndl skirt is flattering and easy to make. A perfect spring-through-summer twosome.

Whale Shark of 12 Tons Inoffensive as a Kitten

While all sharks are usually regarded as being among the most dangerous of fishes, the whale shark, Rhineodon typus, which is the largest species of shark and the world's largest fish, is as inoffensive as a kitten, says Collier's. Reaching a length of about 60 feet and a weight of 12 tons, and feeding on small organisms, this giant never attacks and never is attacked by other fish.
