Baseball

The Amarillo High School Golden Sandstorm baseball team defeated the Hedley Jr. American Legion team here last Sunday by the score of 22 to 9. The Hedley boys took the lead and it was anybody's game for the first five innings. However the Sandies had the edge on age and coaching and it began to tell. The Hedley boys had an off day on fielding, but did good with the bat. The local boys say they are going to work harder and give them a tussie the next time they meet.

Next Sunday they will play Memphis at Memphis.

Card of Thanks

We wish to take this means of expressing our sincere thanks to everyone for their kindness and courtesy since our home burned. We also especially thank C. R. Hunsucker and the fire boys for their good work at the fire.

S. C. Richerson and family

Family Reunion

On Saturday night, May 25, the children of Mr. and Mrs. A. P. Todd met in their home. A camp fire supper and ice cream were enjoyed, after which they all gathered around the piano and enjoyed singing the old gospel songs.

Those present were Mr. and Mrs. L. L. Mitchell of Memphis, Mr. and Mrs. C. E. Todd, Mr. and Mrs. T. C. Todd and family and Mr. and Mrs. H. B. Todd of Amarillo, Mr. and Mrs. Dexter Todd of Clovis, N. Mex., Rev. and Mrs. Byron Todd and boys of Frederick Mr. and Mrs. Bill Todd of Clarendon, and Rev. R. T. Dyess of Dimmitt. Mrs. Dyess was unable to be here.

For Sale—milk cow. See Virgil McPherson. 283p

A few O. I. C. piggy gilts for sale. See W. I. Rains. 255p

Barries

I will begin picking berries May 20. Place two miles west of Hedley. W. J. Luttrell 273c

Mrs. Vina Whitesides of Pampa and daughters and their children of Pampa, Amarillo and Weslaco spent Sunday visiting friends here.

Mr. and Mrs. Ford have returned from a visit to Amarillo. Mrs. Jewell Yates accompanied them home for a visit.

Mrs. R. H. Jones of Fort Worth and Mrs. L. H. McHan of Dallas are visiting in the W. H. Jones home.

Maurice Bishop of Corpus Christi is visiting in the R. E. Beach home.

Murry Donald family of Long Beach, Calif., are visiting here.

Notice

Due to lack of space, the grade school program and a few other items had to be left over until next week.

C. E. Johnson at the Hedley Telephone Co. will write your fire and hail insurance.

Lions Club News

Next week will be Lions Club directors meeting at the bank. Boss Lion Reeves wants a good crowd out as there are several matters to come up, among which are a nominating committee, soft ball team, June membership drive, state, national and district convention delegates and other matters. Let's come out and get busy. We need some activities during the summer.

There will be no Lion meeting this week on account of the school closing exercises. We are mighty proud of our schools and we should do everything we can to help them.

Last week's ladies night meeting was well attended; a good banquet and a good program. Watch out for the next one and make your plans to attend. They are the highlights of the Lion Club activities.

Softball League

The Memphis soft ball League will open June 3rd. The games will be played at night under the lights. Memphis has three teams entered, Texaco, Magnolia and Southside barber shop. Other teams are Leslie, Estelline, Lakeview and Hedley, if we can get up a team.

Let's call for a workout, organize a team and get started. Trophies will be given to the first and second place winners. The league will furnish balls and bats. We have some good ball players around here if we can get them interested.

For Sale—4 room, 28x28 frame house, good roof, to be moved. Box 817, Hedley, Texas.

Hedley School News

The Seniors were honor guests at a breakfast Sunday morning given by the ladies of the Parent-Teacher Association. The tables were striking in their arrangement. Corsages of red carnations and baby breath were at each plate. These were so placed that the effect was very beautiful.

Ham, eggs, coffee and hot biscuits were served to about thirty. Besides the honor guests those present were member of the faculty, the class mother, Mrs. Roy Blanks, Mrs. C. O. Hill, and Mrs. Edd Harris of Rotan. Mrs. Ray Moreman was hostess for the PTA.

The program was brief. Mrs. Davenport proposed a toast to the honor guests and the hostesses. Mrs. Zebbie Land sang "O What a Beautiful Day" and "The Lord's Prayer." Mr. Hill gave the invocation.

The Baccalaureate Sermon was preached Sunday at 8:00 p. m. in the high school auditorium. Rev. B. L. Peacock, Presbyterian pastor from Memphis, was the visiting minister. He spoke on the subject, "What is the Answer?"

His words were brief, pointed and instructive. Inspiration to persevere in an era of doubt and conflict was the burden of his speech. The Junior class sang "Send out Thy Light" by Gounod and "Tomorrow" by Aekley. Mrs. Edd Harris sang "The Holy City." "Largo" by Handel was given by Miss Joan Ray Moreman. Mrs. C. O. Hill played the Processionals and Miss Joy Blankenship accompanied Mrs. Harris on the piano. The entire program was especially beautiful and impressive.

The Junior-Senior Banquet, always the outstanding social event of the year, was given Friday evening at 8:00 in the English room. Arrangements were under supervision of Mrs. Longan, Junior Class Sponsor.

The Old Wishing Well formed the theme of decorative effects and menu and program. The entire banquet hall was arranged to resemble a lawn with shrubbery, flowers and the well with the old oaken bucket suspended from its rope.

Songs, "The Old Oaken Bucket," and "Wishing," were sung by a group of Junior girls. Andrew Hill gave a saxophone solo, "The Gypsy" accompanied by his mother, Mrs. C. O. Hill. Bobbie Lee Hall played a piano solo, "Hark, Hark, the Lark," and Margaret Baker sang, "All Through the Day." Welcome was given by Darrell Proctor and responded to by Gerald Sims. Patsy Spier produced a class prophecy. Joy Blankenship the class history and Vera Bain read the will. Gifts to Mrs. Davenport and Mrs. Longan, sponsors of Senior and Junior classes respectively, were presented by the classes. The program was amusing and interesting.

And the food—you have never seen such good food—creamed chicken, salad, pickles, hot rolls, tea, ice cream and home made cake. Banquets are usually mostly pretty dresses and flowers. This one did not lack these two characteristics. The girls were especially beautifully dressed, and corsages were presented to all of them by the Juniors. So flowers were indeed not lacking. But, the food—well, it was good. We recommend as caterers, the Culture Club who served it.

Memorial Service

There will be Memorial Services at the First Baptist Church here next Sunday morning at the 11:00 o'clock hour. The local churches have been asked to not have their morning service and make this a joint service. Let's all make our plans to attend. It will be a beautiful service.

Rev. W. F. Gaede will conduct the services.

Study Club Entertains

The 1919 Study had the Woman's Culture Club as their guests at their closing meeting, Wednesday May 22 at the home of Mrs. C. E. Johnson.

The program was led by Mrs. Ed Kinslow. Mrs. Bill Harris gave a very interesting talk on Shrines in China. The guests were then invited to the back yard where a bountiful picnic supper was enjoyed.

Those attending this pleasant affair were Mesdames Leon Reeves Leonard Chesshir, Barney Johnson, Ray Moreman, Ross Adamson, Floyd Mathis, Charles Rains, Darrell Stine and Harold Longan; other guests were Mrs. D. H. Cox, Miss Myrtle Reeves and Mrs. Robert Couch and Bobby of Memphis and the hostesses Mesdames C. E. Johnson, C. L. Johnson, C. O. Hill, W. H. Hill, Elvina Davenport, Bill Harris, Bill Jones, Ethel Miller, Fred Watt, Bill Scales, Ed Kinslow, Hobart Moffitt, Alva Simmons, Carroll Deahl, and Rosco Land and Miss Jessie Davis.

Those visiting in the home of Mr. and Mrs. R. E. Saunders last week end were Mr. and Mrs. J. C. Newton, Wanda and Ray, Mr. and Mrs. Frances Jackson of Dimmitt, Mr. and Mrs. Lee Anderson of Amarillo, Mr. and Mrs. J. L. Harris and Bobbie Jean of Quail, Mr. and Mrs. Pete Darnell, Bennie Ray and Barbara Kay, Mrs. A. M. Saunders, Hubert, J. C. and Sharline.

For Rent—a two room apartment. E. P. Ford, Box 664, Phone 124, Hedley, Texas.

Besides the honor guests and the Juniors those present were the Junior class parents, Mr. and Mrs. Sam Owens, Mr. and Mrs. W. F. Doherty, Mr. and Mrs. C. O. Hill, Andrew Hill, Miss Geraldine Rampey, Mesdames Zebbie Land, H. C. Shaw, Jr., Roy Blanks, Senior class mother, Davenport and Longan and Sophomores, Bobbie Lee Hall and Wanda Jennings. Sophomore girls served under supervision of ladies of the Culture Club.

Commencement Exercises are to be held Friday May 31 at 8:00 p. m. Judge J. R. Porter will deliver the address.

The Eighth Grade had a banquet Friday night. It was given to us by our room mothers and mothers of the class. The table decorations were a large "clipper" ship representing high school, with a small boat following behind representing the eighth grade. Before the banquet was over the small boat was placed on the side of the large boat. R. E. Drennan of Clarendon brought the address. It was a great success and everyone had a good time.

Bessie Lillian Bridges

Funeral services for Bessie Bridges, daughter of Mr. and Mrs. J. H. Bridges, who died Thursday morning from a gunshot wound, will be held Friday at 2:30 from the First Baptist Church by Rev. H. T. Harris. An obituary will appear in next week's issue.

S. C. Richerson Home Burns

The S. C. Richerson home was partly destroyed by fire which broke out about 10:00 Monday night, apparently from defective wiring. Some fine work by the fire boys brought the blaze under control in spite of the high wind and a broken hose, and a large part of the furniture was saved in fair condition by volunteers.

We understand that the loss was partially covered by insurance.

Mrs. Roy McKee luckily escaped serious injury Monday afternoon when the Model A Ford she was driving was struck by a new DeSoto driven by Cleo Woods of Clarendon, on the highway south of the McDougal Gap.

The front end of the DeSoto was badly damaged.

For Sale—at a bargain, baby buggy, buffet, chest of drawers, coal heater with porcelain jacket, and Model A Ford. See Winfield Mosley.

About an inch of rain Tuesday morning made everybody feel better.

For Sale—an overhead cypress tank. See R. W. Seales.

Birthday Party

David Moreman celebrated his third birthday with a party at his home Thursday, May 23. His little friends who attended were Bonnie Ruth and Pat Carroll Alexander, Donnie and Susan Cox Jimmy Neal and Allan Lee Tollett Joel Gary Mathis, Rodney Stine, Jon Leggett, Douglas Carroll Owens, Tula Jean Adamson, Nita Ann Gaede, Lee Nell and Claudia Chesshir, Sandra Doherty, Jack Donald Doherty, Chesty Walker, and Buddy Reeves and Jerry and Elaine Behrens of Clarendon.

The group was entertained with games and took turns swinging in David's new lawn swing. Pictures were made, the many nice gifts opened and admired, refreshments of ice cream cones and punch were served and balloon favors given.

Assisting Mrs. Moreman in entertaining were Anita Babb, Martha Jo Alexander, Virginia Owens, Jack and Joan Ray Moreman.

Pie Supper

The local American Legion Post is planning a free show, pie supper and candidate speaking at the American Legion Hall Thursday night, June 6th. Funds derived from the pie supper will be used on improvements to Legion Hall. Make your plans to attend and bring a pie.

Revival Meeting

The Methodist revival meeting will begin Friday evening June 7th, at 8:00 o'clock. We have secured the services of Dr. Frank L. Turner, who is one of the General Evangelists of the Methodist Church. He will bring the messages and direct the work of personal Evangelism and lead the singing.

His services alone will not make a revival. It will take every one of us working together, praying together for the success of the revival. When the least of us fails to carry our part of the responsibility of the Kingdom of God, then His Kingdom fails to that extent.

Dr. Turner comes to us highly recommended as both a preacher of the Gospel and a personal worker. Since his entering the Evangelistic work in September 1942 he has held 69 revivals. These meetings have been in both large and small churches, and have resulted in more than 1,200 conversions and additions to the church. Everywhere he has labored there has been a great spiritual uplift. Three years ago he conducted a revival at Hedley during the pastorate of Rev. Claude LeMond and we feel the results still abide.

Therefore, we know you will want to hear him again. So come praying that the will of God might be done as Dr. Turner leads and directs us in this great work.

The general public is very cordially invited to worship and work with the church in this effort. If you can sing we invite you to help with the singing in filling the choir and the pew, thus helping lead some one to know God as a Father and Jesus Christ as a personal Saviour who cleanses us from all sin. Plans about the morning services will be announced after Dr. Turner arrives.

Vacation Church School

Just a reminder that the Vacation Church School will begin at the Methodist Church Wednesday June 5, at 9:00 o'clock and will close Friday, June 14. We urge you to send your children from 4 years to 15 years. For we have some fine teachers and interesting courses of study

NAYLOR NEWS

WEEKLY NEWS ANALYSIS U.S. Assured Ample Food Supply; Labor to Seek Guaranteed Wage; Big Four End Parley at Odds

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

To back up hemispheric defense treaty on agenda of Rio de Janeiro conference in September, President Truman has asked congress to authorize U. S. training and equipment of South American nations. Map shows pre-war strength of Pan-American countries, with "A" signifying size of army and "N" number of naval vessels.

FOOD: Despite relatively short supplies of some cereal products, potatoes, sweet potatoes, meats, fats, sugar, canned fruits and fish through the spring and summer months, per capita food consumption in the U. S. for 1946 promises to be 14 per cent greater than in the 1935-39 period, the bureau of agricultural economics declared.

FOREIGN MINISTERS: To Try Again Agreeing only upon revising Italian armistice terms, the conference of foreign ministers of the U. S., Britain, Russia and France adjourned to June 15 with differences remaining over all the major points at issue.

CONGRESS: Champion Labor Pro-labor senators held the floor during debate on restrictive labor legislation in an effort to muffle hasty action even as President Truman struggled to avert a rail tieup and resumption of the critical coal strike.

Hitler Hates: New Ones Listed Known for his dislike of Jews and Communists, Adolf Hitler also nourished a hatred for horses, hunting and diplomats, Gustav Adolf von Halem, 6 foot, 3 inch elite guard, revealed during his internment in Hohen-Asperg castle.

BRITAIN: Exports Food Herself possessing food stocks at double the prewar rate, Great Britain undertook to increase food shipments to the British zone in Germany to prevent mass starvation there before supplies can arrive from the U. S.

SCIENCE: America's leadership in science is threatened by the rapid advance of Soviet research, Dr. I. M. Kolthoff, University of Minnesota chemistry professor who visited Russia recently, said.

NEW BOOK CRAZE "Home hunger" is making best-sellers out of books on house-planning and building, and has swamped public libraries from coast to coast with an all-time record demand for such volumes.

POLLUTION: Tightening of pollution controls in several states has put sewage and industrial waste disposal systems among the foremost public works in cities from coast to coast.

More Home Owners Because high wartime earnings spurred investment in housing, 23,000,000 Americans now own their own homes, compared with 15,000,000 in 1940, the bureau of census reported. At the same time, the number of tenants declined to 17,000,000 against the prewar figure of 19,700,000.

Foreign Commissar Molotov (left) and Secretary of State Byrnes in lively talkfest at foreign ministers' conference.

Having attained higher wages and improved working conditions, American labor next will hit for the guaranteed annual wage, under which employees would be assured of a steady year-round income regardless of time put in.

Boasting of approximately 700,000 members, the CIO-United Steelworkers plans to spearhead the drive, its recent convention calling for the advancement of the issue in negotiations for a new contract in 1947. Addressing the steel workers at the convention, USW Pres. Philip Murray declared the industry could well afford to pioneer the plan.

At the present time a presidential board is studying the advisability of establishing guaranteed

annual wages, Murray said, and unions could accelerate adoption of the practice by championing its merits. By paying a guaranteed annual wage, purchasing power would be maintained and full employment encouraged, he asserted.

Agreeing only upon revising Italian armistice terms, the conference of foreign ministers of the U. S., Britain, Russia and France adjourned to June 15 with differences remaining over all the major points at issue.

Having failed in efforts to get the conference to set a date for a European peace conference of all nations and discuss arrangements for Austria, U. S. Secretary of State Byrnes was said to be very discouraged by the results of the meeting. At the same time, Senator Vandenberg (Rep., Mich.), representing the Republican party at the conference, revealed he would not return June 15.

Previous agreements consummated among the U. S., Britain and Russia blocked Byrnes' efforts in seeking a general peace conference and discussing Austria. Objecting to both proposals, Russia claimed that decisions taken at the Moscow foreign ministers meeting last December called for unanimity among the Big Four on all issues before other nations were invited to a peace conference, and the question of Austria could not be studied now under terms of the Potsdam agreement.

As the foreign ministers packed their bags, outstanding issues remaining unsettled concerned final disposition of the Italian port of Trieste claimed by Yugoslavia; Italian reparations; trusteeships for former Italian colonies in North Africa along Britain's lifeline to the far east; opening of the Danube to international traffic; agreement on Balkan peace treaties and restoration of free trade in eastern Europe.

Before the confab broke up, Byrnes urged that U. S., British, Russian and French representatives remaining behind to attempt to work out some of the difficulties confronting the peacemakers first report on the economic unification of Germany to spare the occupying countries the cost of supporting the broken Reich.

Said to have told the foreign ministers that the U. S. did not desire to support the American occupation zone indefinitely, Byrnes declared that thus far the U. S. has furnished 200 million dollars worth of assistance. An equal amount will be sent during the ensuing fiscal year, he revealed.

WORLD TRADE: Rival Blocs Although passage of the 3 1/2 billion dollar loan to Britain will split the world into two trade blocs headed by the U. S., Britain and Russia, it will advance the interests of capitalism, free enterprise and the democratic way of life within the Anglo-American area, Treasury Secretary Vinson told the house banking committee.

Testifying on behalf of the loan legislation, Vinson declared that 75 per cent of world trade is carried on within the U. S., British bloc, and agreement within this area might lead to an understanding with Russia. In accepting the loan, Britain has agreed to abolish discrimination against U. S. traders, he said.

While Russia has had an opportunity for months to avail herself of credit in the export-import bank, set up by congress to stimulate foreign trade, she has not done so, Vinson said. At present, the U. S. has set aside one and one-quarter billion dollars of funds in the bank for possible foreign loans.

BASEBALL: Form Union At once a sport and a profession, big league baseball was well on the road to unionization with the newly organized American Baseball guild claiming a majority of the Pittsburgh Pirates and five other teams.

In singling out Pittsburgh as the first club with which to open collective bargaining, the guild, headed by Robert Murphy, asked Pres. William Benswanger to enter into early negotiations regarding wages and other conditions of employment. The guild would be willing to incorporate a no-strike clause in any contract, Murphy said.

Because of the seasonal and sportive character of the game, the unionization of baseball promises to raise many problems dealing with the question of strikes cutting down already restricted playing time; judgment of management in the use of personnel; dependence of wages on winning teams and the size of gates, and performers' demands for shares in trading prices or their objection to being sold to weaker clubs.

More Home Owners Because high wartime earnings spurred investment in housing, 23,000,000 Americans now own their own homes, compared with 15,000,000 in 1940, the bureau of census reported. At the same time, the number of tenants declined to 17,000,000 against the prewar figure of 19,700,000.

POLLUTION: Tightening of pollution controls in several states has put sewage and industrial waste disposal systems among the foremost public works in cities from coast to coast.

Indicative of nation-wide interest in pollution control is a federal bill recently approved by the house rivers and harbors committee. The measure would provide \$100,000,000 a year aid to construction of state and municipal sewage disposal plants.

Watch Your Kidneys!
Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nervous headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of peace and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no delay that prompts treatment in view of the neglect. Use Doan's Pills. Doan's has been winning new friends for more than forty years. They have a national reputation. Are recommended by grateful people the country over. Ask your pharmacist!

DOAN'S PILLS

"Don't bust your buttons, Pop!"

There's PLENTY of HOT WATER!"

There's hot water for the whole family when you have an automatic gas water heater... hot water for baths, shaving, laundry, dishes—steaming hot water if you want it—in abundant quantities. Natural gas service is an everyday miracle providing comfort and convenience in your home, providing clean, efficient fuel in your factory.

WHAT IS THE SECRET OF THIS MIRACLE OF SERVICE?
There's really no secret at all... just huge underground reserves of natural gas, plus thousands of miles of transmission lines to carry gas from the wellhead to your burners.

United Gas Pipe Line Company, with more than 6,000 miles of main pipe lines in the Gulf South area, transports natural gas to the city gates of 169 communities in Texas alone—to 312 cities and towns in the Gulf South. The United Companies are good citizens of the area they serve—spending millions of dollars in payrolls, taxes and royalty payments every year. This money benefits every family in Texas in one way or another.

JUST THE WAY

One Way or the Other
 "Ah, Professor Small, I hear your wife has presented you with twins. Girls or boys?"
 "Well, I believe one is a boy and the other is a girl, but it may be the other way round."

Wind vs. Rain
 Farmer—The governor made a right good speech in favor of us farmers, didn't he?
 Second Farmer—Yep, guess he did. But an hour's rain would o' done us a heap more good.

The Long and Short
 "What was she complaining about?" asked the grocer.
 "The long wait," said the clerk.
 "You can't please some people. Yesterday she complained about the short weight."

The bride set out to bake an angel food cake. When it fell, it became devil's food cake.

Dark Secret
 "Why did they separate?"
 "Nobody knows."
 "Oh, how terrible!"

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its busy and worry, irregular habits, improper eating and drinking—its lack of exercise and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling, feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

DOAN'S PILLS

In Our Town:

Sallies in Our Alley: Rogers Stearns (the 1-2-3 host) says he didn't go to the Derby this year—just mailed 'em his shirt. . . Oz Nelson's nifty sum-up: "There are two kinds of people in H'wood—the stand-ins and the stand-outs." . . . Jerry Lester thinks the guy who dug up Mussolini's body and took only his leg musta been his agent.

Midtown Vignette: It happened the other afternoon in a Radio City elevator. . . A prim looking woman was teddily embarrassed when her garter slipped from her nylon. . . The elevator operator, noting her predicament, stopped the car and doused the lights until she made the adjustment.

Irving Berlin's famous song hit, "Blue Skies" will be a click all over again this year when it is revived in Paramount's film of the same handle. Count Basie waxed the first recording of it, due next week. . . Both Louis and Conn tell listeners they expect to win by kayos—on the ground both are now "older" than they were. . . The John Erskines (Helen Worden) are studying Greek for their visit to Greece. Erskine plans a book comparing ancient Greece with today's version. . . 20th Century-Fox bought "Foxes of Harrow," the best seller, for 150 Gs, outbidding Paramount and several Independents. . . The Rockefeller and the broadcasting firms have been having a quiet feud for years as to whether that part of the city should be called Rockefeller Center or Radio City.

Hotel rooms are so scarce for any purpose that the hotelmen find themselves the worst victims. . . Needing a hotel for their annual convention they were unable to find a single leading hotel in the U. S. to accommodate them on the convention date—except one. . . That hotel is in Biloxi, Mississippi, and they can have it, because the season will have been over and it's the hottest time of the year down there. They took it!

Sounds in the Night: At the Singapore: "I hear Serge Rubenstein is in such deep water that he's gonna show up at his trial in a diving suit." . . At Cairo: "She's so broke she doesn't know where her next heel is coming from." . . In the Stork: "Get a look at that beautiful fiddle of a figure." . . At the Village Corners: "She's decided not to be 25 until she's married." . . At Gilmore's: "Aw, stop talkin' through your halo!" . . At the Mermaid Room: "Marriage is the magic wand that changes Puppy Love into a dog's life." . . In the Cub Room: "I got a novel idea for the radio. A Mr. and Mistress program."

The Federation of Churches is going to raise heck with the Army for allegedly burning tens of thousands of Bibles left over in army camps.

General Motors' Frigidaire branch has the inside track, they say, on Bing's return to the air—if they can deliver a half-hour NBC spot. . . LaGuardia has refused to accept any part of the \$15,000 salary as chief of UNRRA. . . London reports that Sean O'Casey's play, "Red Roses for Me," is his best since "The Plough and the Stars." It is headed for The Big Apple. . . Car dealers hear that 180,000 new ones will be rolling off the assembly lines sooner than suspected. . . The authors of "Woman Bites Dog" will be amused to know that on the night the show premiered a woman publisher's mutt bit her! Physicians and vets were dragged in, and there was an air of general hysteria.

David Terry, who is of Italian descent, was listening to a big belittling foreigners. . . "And I suppose your ancestors came over on the Mayflower," challenged Terry. "Well, yes," said the house, "now that you mention it, they did." "Well," said the descendant of Columbus, "where do you think they would have landed — if mine hadn't found the place first?"

At a round table discussion of newspaper editors the other eve a publisher opined that Congress, on matters of OPA and such legislation, was running the country behind closed doors.

"That part isn't so bad," observed an editor. "What worries me is the way Congress runs things behind closed minds."

Horace Greeley's line on the craft: "Journalism will kill you, but it will keep you alive while you're at it."

Street Scene: The little old lady, an institution on 50th Street (as she is the only peddler allowed to squat in the Saks' foyer) arriving there by keb. . . They say an American Riviera may spring up at Westport, Conn., the home of several cultural leaders. Via the Longshore Club property into which mucho mazuma will be chucked. . . Memo from Jed Kiley at the St. Francis Hospital, Miami Beach: "Two years ago I was married in this town. One year ago I was divorced here. This year I was only run over."

Refreshing Drinks

For a simple meal at home, for that brief stop in the afternoon when you want to relax and cool off, or for a light company snack, there's nothing quite like the cool, frosty drink. Whether you are a husky eater or a dainty snacker, you'll want to keep these refreshing recipes on file for these hot, summer months.

One woman I know keeps cool drink ingredients on a special corner in the pantry so the beverages can be ready at a moment's notice. She also keeps dainty cookies on hand so there's always refreshments if company comes or if the children get especially hungry before dinner.

Cool drinks can fortify the diet with both vitamins and minerals if you use eggs, milk and fruit or berries. But not only will they be a toast to health, for they provide that restful relaxation that is so essential to well-being.

If you want to get fancy with beverages, make colorful ice cubes by using fruit juice and water in the ice tray. Or, drop bits of leftover fruit in the ice trays before freezing.

Glasses can be garnished with mint leaves, lemon or orange slices, puffs of whipped cream or meringue. The rims may also be dipped in beaten egg white and a bit of sugar to give them that delightful, frosty look.

For beverages that add nourishment as well as sparkle, consider these milk, egg and fruit drinks. See that the children get some of them often:

Fruit Float.
 (Serves 4)
 2 eggs, well beaten
 1/4 teaspoon salt
 1/2 cup sugar
 1/2 cup water
 1/2 cup raspberries or strawberries

Juice of 1 orange
Juice of 2 lemons
Cracked ice

Combine eggs, salt, water, sugar and berries. Mix to dissolve sugar. Add orange juice and lemon juice. Beat or shake thoroughly. Pour into tall glasses half filled with cracked ice. Garnish with a few whole berries.

LYNN SAYS

Quickie Lunches: Broil liver sausage slices just slightly, serve with creamed lima beans, sliced tomatoes, fruit and milk and cookies.

Leftover ham can be creamed with peas and served with shredded carrot and raisin salad, peaches and cream and a beverage.

Don't forget a dish of garden vegetable soup makes a well-balanced lunch with toasted peanut butter or bacon and tomato sandwiches.

Pork sausage links are awfully good on baked potatoes with cream gravy. A light salad of lettuce, fruited gelatin and milk tops off the meal.

Spanish Rice can be made quickly and served with a few strips of broiled bacon, a chopped vegetable salad, floating island pudding and a beverage.

When you're serving frankfurters on a bun, spread the bun with mustard mixed with butter. Accompaniments: glass of tomato juice, hot or cold, a chilled mixed fruit salad and cookies.

 Raspberry Short Cake

Milk and Honey Nectar.
 (Serves 1)

1/2 cup mashed banana
 1 1/2 tablespoons orange juice
 1 1/2 tablespoons honey
 1 drop almond extract
 Pinch of salt
 1 cup milk

Mash banana. Add fruit juice, honey, salt and flavoring. Mix well. When ready to serve, add cold milk and beat with egg beater. Garnish with whipped cream and serve immediately.

Pineapple Mint Punch.

(Serves 6)
 3 cups cold milk
 2 cups cold pineapple juice
 1/2 cup coffee cream
 1/4 cup sugar
 1 1/2 teaspoons lemon juice
 Pinch of salt
 12 drops peppermint extract

Combine all ingredients in a shaker or beat with egg beater until foamy. Pour into tall glass; garnish with a mint sprig and serve immediately.

For the adult crowd, there are an entirely different set of beverages which are certain to delight. Both of these have coffee as a base. Do not use leftover-morning coffee, but make it fresh.

Brazilian Chocolate.

(Serves 4)
 2 squares unsweetened chocolate
 1 cup strong coffee
 3 tablespoons sugar
 Dash of salt
 3 cups milk

Add chocolate to coffee in top of double boiler and place over a low flame, stirring until chocolate is melted and blended. Add sugar to salt and boil 4 minutes, stirring constantly. Place over boiling water. Add milk gradually, stirring constantly. Heat, then beat with rotary beater until frothy. Cool. Pour over cracked ice and top with whipped cream.

Iced Coffolate.

(Makes 1 quart)
 1/4 cup ground coffee
 6 cloves
 1 4-inch stick of cinnamon
 Dash of salt
 4 cups milk
 2 squares unsweetened chocolate
 1/2 cup sugar
 1 tablespoon flour
 1 egg, well beaten

Add coffee, spices and salt to milk and heat in double boiler until scalded. Strain and return to double boiler. Add chocolate and heat until it melts. Mix sugar and flour and add gradually to chocolate and cook and stir until thickened. Then cook 5 minutes, stirring occasionally. Cool slightly; pour over egg and blend. Chill. Pour over ice.

Mint Ade.

(Serves 6)
 1/2 cup white corn syrup
 1/4 cup water
 6 stalks fresh mint
 3 tablespoons lemon juice
 1 No. 2 can grapefruit juice
 2 cups gingerale

Boil corn syrup and water together for 3 minutes. Remove tips from mint and crush stalks into the hot syrup. Add tips and let stand for 30 minutes. Strain. Add lemon juice and grapefruit juice. Chill thoroughly. Pour over ice in tall glasses and just before serving add gingerale. Garnish with additional mint and whole strawberries, if desired.
