## NFLA Meeting

Final arrangements are being rounded out for the annual meeting of stockholders of the Donley County National Farm Loan Association, to be held at Clarendon, next Wednesday, Sept. 4, in the Pastime Theatre.

J. B. Masterson, president of the association said reports of the attendance committee indicate a large crowd will be present to take part in the meeting. Invitations have been sent out to all farmers and ranchmen who have obtained Land Bank Commissioner loans through the association as well as to all farmer-members who have regular Federal Land Bank loans through the credit cooperative. Higher land prices along with labor and machinery shortages have presented new problems in management for farmers. Members are proud of the part their Federal Land Bank loan has played, through good times and bad, in assisting them to debt-free ownership of their farms.

The program will include a review of the year's activities of the association, discussion of its affairs and talks by leaders on various subjects bearing on problems of the farmers of this region. Members of the association will elect 2 directors to serve on the board the next three years.

## Mrs. Leeper Honored

The ladies of the town met at four o'clock Friday, August 23, in the parlors of the Methodist Church to greet Hedley's first English bride, wife of V. D. Leeper. In the receiving line were Mesdames J. C. Coffey, W. E. Bond, Harrison Hall, Mrs. G. L. Leeper, and the honor guest, Mrs. V. D. Leeper. Bowls of scarlet verberna decorated the table where tea and cakes were served, and asters, pinks, and garden flowers in crystal baskets helped to make a very beautiful setting.

Mesdames Ross Adamson and Leon Reeves poured tea, and Mrs. H. Hall later passed the Bride's Book where fifty guests registered. A short program designed to welcome the bride and introduce American customs was presented, after she had been conducted to the seat of honor. Mrs. Coffey made a short speech expressing appreciation of the courage of a young woman who leaves home and friends to come so far to build a new home in a strange land. She assured Mrs. Leeper that though our customs must seem strange to her, we wished to show only friendliness and good will, and in this small way perhaps express our friendship for her and the gallant nation she represents.

Misses Carolyn Reeves, Geneva Beach, and Dolores Gunn sang Some Sunday Morning and Tell Me Why. Mrs. Zebbie Land sang With All My Heart. Fun for the afternoon was furnished by Virginia Ann Hunter, granddaughter of Mrs. Coffey. This little bit of Americana was a humorous original skit burlesquing a very popular radio artist, Minnie Pearl, a member of the cast of Grand Ole Opry.

One hundred and twenty sent cards --- all contributing to the fund for the guest gift, a beautiful little radio over which the English bride may hear reports of our news correspondents speaking daily from her beloved island. Others brought individual gifts, and all hope she may learn to like her new home and new friends.

## To the Voters of Precinct 3

## 1st Baptist Church

The revival at the Baptist Church came to a close Sunday night with a great climaxed service in spite of the rainy weather. There was about 275 present for the last service, the largest attendance in any service the church has ever had.

We enjoyed the best cooperation of the christian people of Hedley and of our church members we have ever had, and as a result of the fine spirit of the church folks God saw fit to put his blessings on their efforts forth to reach lost people for Christ.

On Sunday, Aug. 18, there were 75 christians that came to the altar to reconsecrate their lives to God's cause and 12 mothers came for the purpose of dedicating their children and themselves to God that they might be used of God in the revival. This was the beginning of the work. As a result of this kind of service God's blessing was on our church in the greatest way.

Here are the results of this consecration: 19 additions to the church, 6 by letter and 13 by baptism. Also two boys surrendered to the ministry and one girl for special service. Twelve were baptised Sunday night and one who was not baptised will be later.

This fine group coming into our church will make the church and pastor realize that it is God's work for the efforts put forth by all the workers. And this is just the beginning if we stay on our knees before God.

The pastor takes this opportunity to tell the folks that he who heartedly indorses the fine spirit of the singer and the evangelist. They did a good job and they love the Lord. I am for them 100%.

The birthday pounding and the money for the pastor's suit (clothes was the means used by the membership to show where the stood. The pledge of wholehearted cooperation by over 150 christians to cooperate better and work harder to help the pastor do the Lord's work and the pastor's renewed pledge to them to stand for the right at all times so long as he remains their pastor; this was the greatest part of the fine party. All the other things were appreciated, but the pledge of cooperation by the members with the pastor's leadership was the biggest thing.

So as pastor, let this new associational year, which starts Sept. 1, start off in the biggest way possible. Come to every service of the church and the revival spirit will not die. The pastor's one request is that every member of the church, when you pray, pray that the pastor be led of God to stand as God's messenger and proclaim God's whole truth without respect to Satan or man.

Thy word is truth, says Christ. I will expect to meet you all at church next Lord's Day.

H. T. Harris, pastor

## Scattered Shots

By the Editor

What is probably the oldest residence telephone in Hedley is being taken out this week from the residence of Mrs. Mary Reast, who is moving to Clarendon, having accepted a position in the schools there. The phone was installed soon after the town was moved from Rowe to Hedley, therefore has been in the same location for nearly forty years. It was installed by the late Mrs. E. G. Dishman.

We are glad to see Oran Wiggins and Ray Bridges back at home again.

Our thanks to Mr. and Mrs. H. Hoggard for a nice sack of figs. We can really recommend them for making preserves.

The political situation has cleared up for a couple of years, unless Donley County goes Republican or something. In the second primary last Saturday almost 400 votes were cast in the Hedley box. J. A. Tollett was re-elected Precinct 3 commissioner by some 16 votes over Rollie Kelley. In the only county runoff, Mrs. Tom Crabtree defeated Miss Jessie Cook for County Treasurer.

## Blanks-Tollett

Miss Myrtle Tollett, daughter of Mr. and Mrs. J. A. Tollett, and Jack Blanks, son of Mr. and Mrs. Roy Blanks, were united marriage August 19 in Amarillo. They are making their home there.

## To the Voters of Donley Co.

I want to thank you for your votes and influence in last Saturday's run-off primary. Many thanks.

Mrs. Tom Crabtree

## To the Voters of Precinct 3

I wish to express my sincere thanks to the voters for their support in the second primary. It was very much appreciated.

WEEKLY NEWS ANALYSIS

Act Fast on Vets' Furlough Pay; Axis Allies Seek Soft Peace; Tighten Consumer Credit Rules

Released by Western Newspaper Union.  
(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

Will E. Sitterly (left) of village board and two young residents of Lithopolis, Ohio, richest little town in world, rejoice over gift of \$2,500,000. (See Richest Village.)

FURLOUGH PAY: Fast Action

Application forms for vets' unused furlough pay will be available at all post offices by mid-September but disbursement of the five-year bonds will not take place before the end of the month because of time required in printing.

In announcing the procedure to be followed, the war department stated:

1. Applications will be acknowledged when received to assure the vet his claim is on record.
2. Disbursing officers will accept sworn statements of applicants unless there is suspicion of fraud.
3. Army vets unable to determine how much unused furlough pay they have coming, figured on the basis of 2 1/2 days per month, can apply for information to the adjutant general's personnel records branch at St. Louis, Mo.

PARIS: Wanted: Softer Terms

Addressing the delegates of 21 Allied nations at the peace conference in Luxembourg palace, representatives of Italy, Romania and Bulgaria pleaded for moderation of terms on the grounds that, as co-belligerents of the victors in the closing stages of the war, they had made substantial sacrifices for victory.

Speaking for Italy, Premier De Gasperi stated that his country had contributed troops, naval power and materials for three years and that the Allies should think twice before internationalizing Italian dominated Trieste and submitting 150,000 Italians in Venezia Giulia to Yugoslav rule. He also asserted that excessive reparations would weigh down the Italian economy and reduction of armaments would imperil the safety of the state.

Foreign Minister Giorgi Tatarescu of Romania followed De Gasperi to the speaker's dais and asserted that no less than 385,000 Romanians had fought on the allied side during the last six months of the war. Furthermore, he said, German and Hungarian forces had inflicted large-scale damage of Romania after she had deserted the axis cause. Tatarescu asked for a larger army and scaling down of heavy reparations.

On behalf of Bulgaria, Foreign Minister George Koulishew claimed that his country had suffered 22,000 casualties during the eight months it fought on the allied side. He charged Greek demands for \$750,000,000 in reparations were excessive and asked that Bulgaria be permitted to disarm within reasonable limits. Regulation of traffic on the Danube should be the interest of all the countries bordering the river, including Bulgaria, Koulishew said.

Unable to come before the peace conference like Italy, Romania and Bulgaria as 11th hour co-belligerents, Hungary pleaded that, despite its participation on Germany's side, it never really was sympathetic to the Nazi cause. After this lame assertion, the Hungarian representative called for the return of at least one-fifth of the province of Transylvania from Romania.

C.O.'S: Amnesty Asked

More than 300 leading ministers of all denominations have urged President Truman to grant amnesty to conscientious objectors still kept imprisoned by the government.

The ministers' letter followed adoption of amnesty resolutions by the Federal Council of Churches and by a number of denominational groups.

enjoy the millions left to it by the Wagnall family.

In all, the Wagnalls have left \$3,000,000 to the little settlement in which Adam Wagnalls of the Funk and Wagnalls publishing house, was born. Following an initial gift of \$500,000 for a 9,000-volume library, auditorium and dining hall, Mrs. Mabel Wagnall Jones then willed an additional \$2,500,000 to Lithopolis to establish a community memorial in honor of her famous father.

Discussing use of the latest endowment, Will E. Sitterly, 66-year-old former member of the board of trustees of Lithopolis, declared the money must be used to the advantage of both rich and poor. Although believing that it will take years to complete a program of sound expenditure, villagers looked for an immediate expansion in educational facilities.

Meanwhile economists figured that the total endowments amounted to \$10,000 for each of Lithopolis' 288 residents.

CONSUMERS: Credit Curbs

Apprehensive over an inflationary trend, the federal reserve board clamped down on consumer credit regulations to slacken the flow of easy money in the face of a continued shortage of goods.

The action came after consumer installment loans had risen to the unprecedented rate of 575 million dollars a year during the first quarter of 1946. Normally, consumers do not add to their debts during this period, when they are paying off obligations contracted during Christmas time.

With the price of many automobiles topping \$1,500, the board hiked coverage of its credit regulations up to \$2,000. Anyone purchasing a car in the \$1,500 to \$2,000 range will have to put at least one-third down and pay off the balance in 15 months.

Time for paying off credits on non-durable or semi-durable goods was cut from 18 to 15 months while the period for so-called hard goods was continued at 12 months. With many personal loans being used for purchase of such hard goods as furniture, refrigerators, autos, etc., such obligations will have to be repaid in 15 months.

DARDANELLES: Hot Spot

Another major international row appeared in the making with Soviet Russia's demand upon Turkey that she break the Montreux convention of 1936 and share control of the vital Dardanelles straits leading to the Black sea with Moscow.

Under the convention, the Turks have been entrusted with the guardianship of the strategic waterway and, while they have expressed a willingness to maintain the present arrangement, they have informed the U. S. and Britain that they cannot hold out against the Russian proposals alone. By granting Russian demands, the Reds would be forced to permit Red troops to occupy parts of their soil along the straits.

In vesting control of the Dardanelles only in nations bordering upon the Black sea, Russia proposed to exclude the warships of other countries from the region. While the Reds recommended that all merchant vessels be allowed to ply the Black sea, dominant Soviet control of the straits would permit Moscow to lay down shipping conditions and put an iron clamp on Allied naval moves against southern Russia.

FARM BRIEFS...

Of farm-retail price spreads, the department of agriculture says, the farmer's share of the consumer's dollar spent for food products in June remained at 53 cents. This share was slightly lower than the share of 54 cents in June, 1945, and 3 1/2 per cent lower than the record of 55 cents. Charges for marketing farm food products remained relatively stable during the month.

FARM CREDIT: Co-Ordinate Activity

President Truman's approval of the Farmers' Home corporation bill sponsored by Representative Cooley (Dem., N. C.) set the stage for the streamlining of the government's agricultural credit activities for low income borrowers.

As expressed by Cooley, purpose of the bill is to empower one agency under the secretary of agriculture to make direct loans to farmers who cannot get credit elsewhere for 5 per cent or less. Three-member county committees, consisting of at least two farmers, will be set up to pass on loan applications, and no short-term advance will be made without their approval.

In the reorganization, the Farm Security administration, some activities of the Farm Credit administration and all programs of the National Housing agency pertaining to the FSA will be abolished. The secretary of agriculture also will be required to liquidate all resettlement and rehabilitation projects described by Cooley as "communistic."

DRAFT: Plan Calls

Unless there are more volunteers, draft boards will be asked to call up 185,000 more men in the seven months beginning September 1 to enable the army to maintain its authorized strength through the year, the war department revealed.

Although enlistments are expected to total 279,000 by next June 30, discharge of fathers and soldiers with 18 months of service as required by law will necessitate the heavy peacetime induction, it was said.

With army strength authorized at 1,310,000 on January 1 and 1,070,000 next July, 20,000 active duty reserve officer volunteers will be recalled to duty. Another 25,000 officers will be selected to bring regular officer strength up to 50,000 as authorized by law.

POLITICS: La Follette Falls

While Circuit Judge Joseph R. McCarthy attributed his victory over Robert M. La Follette in the Republican senatorial primary in Wisconsin to the voters' reaction against centralized government, political wiseacres blamed late campaign boneers as potent reasons for Young Bob's demise.

Perhaps the most serious of La Follette's blunders was his open last-minute support of Gov. Walter S. Goodland's opponent after the 83-year-old chief executive had vetoed a bill earlier this year which

Young Bob La Follette

would have prevented Young Bob from returning to the GOP fold. With many of Goodland's supporters resenting La Follette's 11th hour move, it was figured that enough may have deserted his cause to result in his narrow loss.

Young Bob's defeat temporarily ended the La Follette's 41-year dominance in Wisconsin politics, with the old Progressive leadership built up by Fighting Bob Sr., making way for the rising star of industrialist Tom E. Coleman as the conservative boss of Badger State politics.

PALESTINE: Turn on Heat

The illegal Jewish underground organization, Irgun Zvai Leumi, called upon all Jewish resistance movements in Palestine to unite in the fight for attainment of a Jewish national home in the Holy Land even as British officials lambasted Zionists for seeking to high pressure the government into acceding to their demands.

Pointing out that it was necessary to press their drive now while the British were being hard put to maintain order in Palestine, Irgun suggested that the two other resistance groups, Haganah and the Stern gang, combine to form the nucleus of an underground government and army.

Meanwhile, the U. S. refused to formally participate in implementation of a proposal to divide Palestine into Arab and Jewish zones and advance Arabs in the Near East \$300,000,000 for economic development to offset overcrowding from large-scale Jewish immigration.

SCHOOL LUNCHES: Set Program

Twenty-six states and the territory of Hawaii have already signed agreements to take advantage of federal school lunch program funds provided under the national school lunch act, the department of agriculture announced.

During past years, the school lunch program has been run on a year-to-year basis, but the new act makes it permanent and increases the responsibilities of states in the administrative field.

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, smarting or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

... "but Honey, GAS Won't Cost Much!"

Remember the fun you had figuring out a budget for your marriage? Pennies really count when there's furniture to buy, a house to rent and a family to plan for. But heating, cooking and refrigeration costs never spoiled anybody's marriage plans in a town with natural gas service. There is no other fuel with its economy... none other with its dependability. Natural gas service is the product of free private enterprise—a product that would not exist in this area today if it were not for the initiative and courage of such private business as United Gas Pipe Line Company and its associated producing and distributing companies. The United Companies have built a vast network of pipe lines, joining wellheads with markets... stimulating the flow of millions of dollars through royalties and taxes. United Gas operations benefit every family in Texas, in one way or another.

**Insects Chief Problem in Making Dog Comfortable on Hot Days**

Summer "dog days" would not nearly be as uncomfortable for our pets were they given adequate protection against insect parasites, states the Gaines Dog Research Center, New York City.

The flea-ridden dog, scratching, biting and squirming, is a pathetic sight. In addition to causing the dog extreme annoyance, the flea carries dog tapeworm and also appears to be connected in some way with canine summer eczema.

The tick is another culprit preying on dogs that has come to the fore in the past several years. An insidious individual of tenacious habits, he makes a practice of hiding in underbrush and grass along paths and trails, waiting to attach himself to the first passing animal. In addition to inflicting irritating bites, the tick is a potential carrier of disease.

According to the Center, DDT powder of 5 per cent strength, used as a dust, has been found extremely effective against fleas. The powder should be scattered through the hair next to the skin, especially in the region of the abdomen, inner thighs and tail areas. The treatment should be repeated at two-week intervals during the summer months.

Washing the animal in water containing derris or cube powder is another excellent method of control. Two ounces of the powder and an ounce of neutral soap—preferably in flaked form—are mixed with a gallon of water. This is applied to the dog either by dipping or sponging, or may be used as a final rinse following an ordinary soap-and-water bath. If bathing is not convenient, derris powder can be dusted into the coat and skin. The powder may cause vomiting if the dog breathes or swallows it, but does no serious harm. Keep the solution or powder away from the dog's eyes.

Control measures for the tick are not much more difficult, but do require persistence. The simplest method of removal, when only a few ticks are present, is to pick them off with tweezers. Dogs should be examined frequently for re-infestation, with special attention given to the ears, the neck and the spaces between the toes. A dust of powder containing 10 per cent DDT and usually very effective. Care should be taken that the powder penetrates the hair and reaches the dog's skin. This treatment should provide protection for as long as two weeks. The use of DDT in liquid or spray form may not

be safe. Where 10 per cent DDT powder is not obtainable, a twice-weekly use of a derris dip is suggested. For this dip, dissolve one ounce of mild soap in a gallon of warm water, then stir three to four ounces of fine derris or cube powder (5% rotenone) into the solution. Pour the liquid over the dog and work into the coat with the fingers; keep repouring until the hair and skin are completely saturated. For greatest efficacy the dip should be allowed to dry on the dog.

A ready-to-use tick remedy, of high pyrethrum and rotenone content with an alcohol base, has recently come on the market. The full-strength fluid is sponged on the dog.

Bath-time is an excellent time for giving the dog protection against insect parasites.

with a cloth or brush and is allowed to dry on the coat. Long-haired dogs require more care than other breeds in the control of ticks. Clipping the coat is helpful but by no means necessary. A daily brushing with a stiff bristled brush is advisable, followed by use of a steel-toothed comb. The comb should be repeatedly dipped in pine oil or a light turpentine solution.

In combatting fleas, ticks and other parasites, periodic attention should also be given to the dog's sleeping quarters and accessories, states the Gaines Dog Research Center. Wooden or wicker dog beds should be carefully wiped with a cloth dampened with pine oil or a commercially prepared dip, and blankets and cushions sprayed with fly spray and put outdoors to air. Outdoor kennels are best treated by spraying with creosote oil.

**First Jirikisha Was Made By an American—in Japan**

We associate the jirikisha with Japan, and rightly so, but here's something curious you'll want to know. The first jirikisha there was made by an American. Mrs. Jonathan Groble, wife of an American missionary, fell ill in Yokohama. Her husband, the Rev. Jonathan Groble, looked up a picture of a baby carriage and showed it to a Japanese carpenter. Between the two, they made a jirikisha for Mrs. Groble's convenience.

**Economy Pointers**

When you feel that you want to be economical in the midst of rising living costs, a good idea to follow is to serve an inexpensive main dish every other day. In this way, you won't feel that you are working any hardship on the family, and at the same time, there will be plenty of good eating in the economy dishes.

Eggs are plentiful and economical, so are fresh fruits and vegetables. Fish is also a mighty good food that lends nice variety to the menu. Vegetables can be combined with other vegetables or with fish and eggs to add color as well as flavor to the food. Consider for example, these egg cutlets that are served with peas:

**Egg Cutlets with Creamed Peas.** (Serves 6)  
2 tablespoons fat  
4 tablespoons flour  
1 cup milk  
1/2 teaspoon salt  
1/2 teaspoon pepper  
6 diced, hard-cooked eggs  
1 egg, beaten  
1/2 cup dry bread crumbs  
2 cups cooked green peas  
2 cups well-seasoned white sauce

Melt fat, add flour, then milk and seasonings. Cook, stirring constantly until thick and smooth. Add hard-cooked eggs and chill thoroughly. Shape into cutlets or patties, dip in egg, then bread crumbs. Brown on both sides in shallow fat. Heat and top each cutlet with green pea sauce.

**Stuffed Baked Potatoes.**  
6 baked potatoes  
3/4 cup milk  
2 tablespoons butter  
1/4 cup deviled ham  
1/4 teaspoon salt

Cut a slice from top of each potato, and scoop out the potato carefully. Mash potatoes free from lumps, then heat milk and salt and add to potatoes. Beat until light and fluffy. Add butter and deviled ham. Beat well. Pile lightly in potato shells, place on a shallow pan and bake in a very hot oven (450 degrees) for 10 minutes or until lightly browned.

Here's an easy dish that can be made with an inexpensive meat and a favorite vegetable:  
**Meat 'n Corn Cakes.** (Serves 6)  
1 pound ground beef  
1/2 cup dry bread crumbs  
1/2 cup milk  
1/4 teaspoon salt  
1/4 teaspoon pepper  
1 egg, slightly beaten

**LYNN SAYS:**

**Garnish Your Salads:** Add to their appeal by making them pretty enough to eat, but always use an edible garnish. Slice carrots paper thin, roll around your finger and chill in ice water.

Shape cream or cottage cheese in balls, dust lightly with paprika or roll in finely chopped nuts or olives.

Parse a cucumber as you would an apple, in a continuous strip. Chill in ice water. Slice crisp green peppers and Bermuda onions very thin, separate rings and chill in ice water. Toss over vegetable or meat salad.

Cut sweet pickles almost to the stem. Spread apart to look like a fan.

1/4 cup diced onion  
1 cup canned whole kernel corn  
1 1/2 cup tomato soup or tomato sauce

Mix ingredients in order given. Form into patties and fry in two tablespoons of fat until golden brown. Place in a greased casserole and top with tomato soup or sauce. Bake in a moderate oven (350 degrees) for 45 minutes.

**Sausage and Oyster Loaf.** (Serves 6)  
1 pound bulk pork sausage  
1 pint oysters ground white raw  
2 cups soft bread crumbs  
2 eggs, slightly beaten

Mix all ingredients together and place in an ungreased loaf pan. Bake in a slow (325 degree) oven until loaf leaves edges of the pan. Drain excess fat off occasionally. Serve with hot hollandaise sauce and green vegetables.

Before you start using your newly canned vegetables, make sure all the old ones are gone from the shelf. Here is fine supper dish that will use many home-canned vegetables easily:

**Country Style Vegetables.** (Serves 6)  
1/2 pound bacon or salt pork  
1 1/2 cups onions, sliced  
1 1/2 cups canned carrots  
1 1/2 cups canned string beans  
1 1/2 cups canned kernel corn  
1 1/2 cups potatoes, sliced  
1 cup medium white sauce  
1/2 cup buttered crumbs

Cook bacon or salt pork slightly, then add onion and cook until crisp and brown. Arrange vegetables in layers in a buttered casserole and sprinkle each layer with bacon or salt pork. Pour white sauce over all. Top with buttered crumbs and add a dash of paprika. Bake in a moderate oven 20 to 25 minutes until casserole is browned.

Cream vegetables — any vegetable that will hold its shape, and serve with bits of diced leftover chicken or ham. This makes a nourishing, week-night supper.

The long yellow squash are delicious when properly prepared. You'll not need any meat with this one:

**\*Stuffed Cymling Squash.** (Serves 6)  
3 medium sized cymling squash  
1/2 cup thick white sauce  
1 tablespoon grated onion  
2 tablespoons chopped green pepper  
3 chopped hard-cooked eggs  
1 cup grated cheese  
1/2 cup buttered crumbs

Boil squash 10 minutes. Drain and scoop out center. Mash pulp, add white sauce, onion, green pepper, cheese and eggs. Fill shells with mixture, sprinkle with crumbs and paprika. Place in a shallow pan containing a little water. Bake in a moderate oven 20 to 25 minutes.

**Veal Rice Loaf.** (Serves 6)  
2 pounds ground veal shoulder  
1 pound ground pork  
1 cup cooked rice  
4 eggs, well beaten  
1/2 cup milk  
1/4 cup chopped pimiento  
1/2 teaspoon paprika  
Salt and pepper.

Have meats ground together. Combine with rice. Season with salt and pepper, paprika and pimiento. Moisten with eggs and milk. Pack into a greased loaf pan or ring mold and bake in 350 degree oven for 1 1/2 hours. Serve with mushroom sauce. Released by Western Newspaper Union.
