## Former Hedleyan Weds Lubbock Girl

Sunday morning, Oct. 27, at 8:00 o'clock in St. John's Methodist church in Lubbock, Miss Fredda Frances Malcolm of Lubbock, daughter of Mr. and Mrs. J. F. Malcolm of Brownfield, and J. F. Pirtle, Jr., son of Mr. and Mrs. J. A. Pirtle of Dalis and formerly of Hedley were married. Rev. A. H. Carlton read the double ring ceremony.

The wedding music included the following selections: Always I Love You Truly, and Because.

The bride, who was given in marriage by her father, wore a peacock blue gabardine suit with black and white accessories and white rosebud corsages. Miss Dottie Moore, maid of honor wore a brown gabardine suit with yellow roses.

Worth Zachary served as best man and Durwood Cordell, Billy Bob Caldwell and Russell Winters were ushers.

The couple will make their home in Lubbock. Mrs. Pirtle is a graduate of Brownfield High School and a former student at Texas Technological College. Mr. Pirtle is a graduate of Lubbock school, served in the navy for three years and at present is attending Tech.

## Street Paving

When someone contemplates moving into a town what is the first thing they ask? About the churches and schools always. Without them we would have no town and without good churches and schools you can't have a good town.

To pave the whole town would be too much of a burden on the tax payers so the next best thing is to put the pavement where it can do the most good to everyone. The pavement bond if voted will allow the city to put in this additional pavement without assessment on anyone and very little increase in taxes for a short time.

Hedley will probably never make a big city and most of us would not want it that way, not being city folks. But we can have a clean little town, good schools, good churches and a good place to live and rear our families. So let's go to the polls November 30th and vote for bond and get Hedley out of the mud and dirt.

## Mister X

Well kids, quite a bit has been happening lately so I will let you in on some secrets.

Betty Jo, who did I see you with Sunday night? Oh brother! Does Mary Sue really think she will get another opportunity?

Where does Bobbie Lee get all of her information? I wonder.

Paul, you had better keep an eye on her. Clarendon seems to be interfering.

Faye, you had better be careful or you may get slipped up on.

Katty, where did you get that cute little elephant you were carrying around Thursday night?

Has Sam a sudden interest in Hedley? Seems that way.

Jo, did you accept his proposal? If so, where is the ring?

Joyce, who was your escort Saturday night? This is getting to be a habit. He has a nice car. Well that's all for now. Be seeing you this time next week.

## Bill Flatt Writes

Dear Ed,

It has been six months since I left the friendly little city of Hedley to accept a position in Dallas with the Veterans Administration.

Now that I have a day to reminisce, I think of the good food we ate at the Lions Club, the great singing at the churches, the thrilling ball games, the carnival, the Legion affairs, the snow and above all my baptism of sand!

I think of the great times we all had together and the fine spirit of cooperation in which things were done there. I think of all my students, but I do not have time to say hello to them all individually.

Since I arrived in Dallas I have been working day and night through the six colleges under my supervision. Have received two promotions and will receive another in a few days.

White Rock Lake is only twenty blocks from my front door, but the only time I have fished is on Saturdays. There are plenty of bass, but they beat my bait in, take a look at me and go play "hooky from the school."

There are some mighty good football games in the Cotton Bowl this season and naturally I'm looking forward to seeing Texas play again there. If you or any of the Lions are coming down, let me know and I'll try to get your reservations.

Please give my best wishes to all during the approaching God given days, Thanksgiving and Christmas.

Sincerely,  
Wm. W. Flatt

## Thanksgiving Service

A city wide Thanksgiving service will be held at the First Baptist Church Sunday, Nov. 24. Each church will have its regular Sunday School, then come to the Baptist Church for the special service. Rev. E. H. Coston, Methodist pastor, will preach the sermon.

All people of the town are invited to attend. We especially invite all ex-service men and their families, as we feel no people on earth should be more thankful to God than they. The Secret Power that has always brought peace to all the world comes only from God and is sponsored by the churches of the land. We hope that there will be enough people with thanks in their hearts to fill every seat in the Baptist Church. We will expect you there.

H. T. Harris, pastor

## Swing of SOUTHWEST FARM MARKETS

Cotton took the spotlight at most southwest markets last week as it moved back to the 30 cents per pound level. Also wheat, sheep and hogs made small gains, but other farm products were steady to weak, according to USDA's Production and Marketing Administration.

Turkeys were about steady at 35 to 38 cents per pound for hens and 26 to 28 cents for young toms at most southwest markets last week. Some rural prices were 3 to 5 cents per pound below these. Hens and fryers held about steady too, although demand was weak. Eggs reversed recent trends as expected holiday demand began to strengthen prices.

Cattle prices went up and down last week at most southwest markets despite active trading. However, no great losses or gains were registered.

Last week saw hogs move gradually higher under active trading at most southwest markets. Friday's quotations for top butchers stood at \$25.50 at Fort Worth.

**This Home-Mixed Cough Relief Is Wonderful**

No Cooking. No Easy. Saves Dollars. To get the most surprising relief from coughs due to colds, you can easily prepare a medicine, right in your own kitchen. It's very easy—a child could do it—needs no cooking, and tastes so good that children take it willingly. But you'll say it's hard to beat for quick results. First, make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. Or you can use corn syrup or liquid honey, instead of sugar syrup. Get 2 1/2 ounces of Pinex from any drugist, and pour it into a pint bottle. Fill up with your syrup. This gives you a full pint of really splendid cough syrup—about four times as much for your money. It never spoils, and lasts a long time. And it gives quick relief. It acts in three ways—loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Pinex is a special compound of proven ingredients, in concentrated form, well known for quick action in coughs and bronchial irritations. Money refunded if it doesn't please you in every way.

**Household Hints**

To stop grease from spluttering in your frying pan sift a speck of flour into it.

Sewing machines should be oiled after every five or six hours of use.

Paint spattered on glass comes off rather easily if you use a cloth moistened with turpentine. If it has dried hard use a razor blade, scraping lightly to avoid scratching.

Combine equal quantities of pitted, chopped, cooked prunes and marmalade. Cut doughnuts crosswise, spread with the marmalade mixture and put together again sandwich fashion.

**WEEKLY NEWS ANALYSIS**  
**Tax Cut Tops GOP Legislative Program; States Vote Labor Curbs; Foreign Trade at Peak**

Released by Western Newspaper Union.  
(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

Almost a year and a half after the end of the conflict, Germans continue to feel the tragic effects of the war. Carrying all their earthly possessions with them, these Germans return to battered homeland from Denmark, whence they fled before allied armies.

**CONGRESS: Act Fast**  
Hardly had the election din subsided than Rep. Harold Knutson (Rep., Minn.) revealed that he would move for a 20 per cent cut in personal income taxes as soon as the 80th congress assembles January 5.  
In addition, Knutson said that the ways and means committee, which he is scheduled to head as the ranking majority member, will open hearings sometime in February to pare or eliminate excise taxes on a long list of consumer goods, including jewelry, furs, cosmetics and liquors.  
Republican intentions to slash taxes ran counter to President Truman's position to maintain high levies to balance next year's budget estimated at 40 billion dollars. By lopping off unnecessary expenditures and trimming the payroll, Knutson said, the GOP hopes to scale down the budget to 32 billion dollars, thus permitting the tax reduction and allowing for a substantial retirement of the national debt of 262 billion dollars at the same time.

**More to Do**  
Reduction in taxation was only one of the many issues facing the new GOP congress.  
Briefly, others included terminating the President's wartime powers to restrict government by executive decree; widening management's rights under the national labor relations act and providing for impartial administration of the law; hastening abolition of controls to

store free enterprise, and formulation of a farm program adjusted to postwar conditions.  
In the field of foreign affairs, Republicans were expected to adhere to the current bi-partisan policy mapped by the administration with the help of Senator Vandenberg (Rep., Mich.) as representative of the GOP congressional bloc.  
Minority Leader Martin of Massachusetts was scheduled to take over speakership of the house, with Senator Vandenberg of Michigan becoming president pro tem of the upper house and Senator Taft of Ohio, majority leader.

**Seek Unity**  
As the Republican avalanche set up a Republican congress during a Democratic administration, liberal Democratic leaders called upon President Truman to resign in favor of a GOP nominee to assure harmony in the forthcoming session.  
Remembering the unhappy results of previous divisions of legislative and executive power between the two parties, when solution of pressing problems gave way to indecisive bickering and both sides maneuvered for political advantage, Senator Fulbright (Dem., Ark.) was the first to call upon Mr. Truman to

**LIVESTOCK:**  
During the fiscal year 1946, some 25,972 breeding animals of all classes were admitted to the United States from countries abroad, the department of agriculture reported. Horses admitted from foreign countries totaled 110; cattle, 21,482; sheep, 3,062; swine, 647; and dogs, 865. This was an increase of 3,000 animals over 1945, with cattle, mostly dairy breeds, increasing the greatest.

give way to a GOP nominee. He said he intended to introduce a constitutional amendment which would permit congress to authorize a presidential election if the two parties divided legislative and executive control.  
Marshall Field, crusading New Deal publisher, joined Fulbright in asking President Truman to step down. By turning the job over to the GOP, Field said, the Republicans would be charged with full responsibility for development of a national program, and the issues in the 1948 election would be clear cut.

**CANNED GOODS: Big Packs**  
Housewives can look to appreciable supplies of canned fruits and vegetables through the coming year as a result of heavy packs in 1946, trade spokesmen attending the ninth annual convention of the Super-market institute in Chicago declared.  
Over 190 million cases of canned vegetables will be produced this year compared with 163 million last year, it was predicted. The canned fruit pack will total 75 million cases compared with 40 million in 1945.  
Despite adequate supplies of frozen foods, distribution has been hampered by a lack of warehousing space, a large carryover from last year and a shortage of refrigerator cars equipped for low temperatures, it was said.

**Vote Labor Regulation**  
Four states, including a heavy industrial region, reflected popular sentiment for regulatory labor legislation in the face of the growing strength of unions in the economic pattern of the country.  
By heavy majority votes, Nebraska and South Dakota adopted constitutional amendments banning the closed shop, which requires all employees of a shop to join the prevailing union. Arizona passed the same law but by a closer vote.  
Despite the dominant position of labor in industrial Massachusetts, the electorate voted to require unions to make public their financial records, with 406,827 for and 227,307 against. In all cases, organized labor fought the amendments.

**FOREIGN TRADE: Near Peak**  
Spurred by U. S. loans, foreign countries, seeking material for reconstruction of war ravaged economies or fulfilling pent-up demand of war scarce goods, promise to buy more from Uncle Sam in 1946 than in the banner export years of 1919 and 1920.  
With practically all areas of the world sharing in our expanded overseas trade, commercial exports have been running two to three times above the volume of the late '30's. Of total exports of approximately 8 billion dollars, U. S. loans probably will finance 35 per cent or 2.8 billion dollars.  
Indicative of the heavy overseas business, Canada is buying almost 200 per cent more than before the war; Latin American countries 300 per cent more; continental European nations, 150 per cent more; and the United Kingdom, 50 per cent more.

**Find Real Shell Shock**  
Real "shell shock"—a relatively rare condition—has been found by army medical officers. It is a mental and physical condition due to the effect of blast on the brain.  
In World War I, practically every neuropsychiatric case resulting from combat was labeled "shell shock" until it was discovered that many such cases had never been within miles of an exploding shell.

Clipping Trickster

The single clipping sharks are a hardy breed and are reported busier than ever. Before the war these cheap tricksters bought up hundreds of small town newspapers, mailed penny postal cards to everyone mentioned in the social news columns that they had a "clipping of interest to you re-mentioning you by name" which could be secured for 25 or 35 cents. The cards were mailed in New York or Washington naturally leading to the inference that the news item had appeared in some great metropolitan daily. The clipping on arrival proved to be nothing more than some trivial social item in the local hometown paper which the victim himself had probably sent to the paper weeks before.

From where I sit... by Joe Marsh

**Why Bert Won First Prize**

Folks weren't surprised when Bert Childers won first prize for his corn at the county fair.

Yet the judges admit it wasn't just because Bert had the finest ears of corn. He knew how to display them: neatly arranged, with the husks cleanly trimmed, and the booth white and spotless.

"Trimnings" sure make a difference no matter what you're offering—as Andy Hotkin, keeper of the Garden Tavern, well knows. Andy doesn't just sell good beer. He sells in a place that's clean and attractive surroundings that

belong with the enjoyment of a wholesome beverage of moderation.

And Andy, of course, is a wholehearted supporter of "Self Regulation." That's the system by which the Brewers and tavern keepers themselves make sure that taverns selling beer are clean and orderly.

From where I sit, people like Andy also rate a "First prize." Not just for the quality of the product—but for the "trimnings" too.

24 hours every day, 7 days every week, never stopping, the kidneys waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus acid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

HOUSEHOLD MEMOS... by Lynn Chambers

Turkey and Trimmings Should Be Prepared, Served Simply

Let the turkey take the spotlight on Thanksgiving Day by using simple garnishes for the platter. Parsley and spiced fruit adorn this luscious golden brown bird.

If we are really to keep the Thanksgiving tradition as we understand it, the table should be heaped bountifully with good, wholesome food, well prepared and served family style. This is truly one of the big occasions in our country, and the table should have tasty, well-cooked food in keeping with the idea of harvest.

It's true that cooking during Thanksgiving time means plenty of fussing, but it's not the kind of food that looks fussy after it gets on the table, if you can understand what I mean, and I'm sure those of you who have participated in big Thanksgiving reunions in the past do know just what I'm talking about.

Perhaps the menu doesn't change much from year to year, but that's one of the beauties of the day. We don't have food like this at any other time, so it never becomes tiresome.

Since the dinner involves so much preparation, I'd suggest that you try to make it as easy as possible by taking some shortcuts. By that I mean don't leave everything to be done for Thanksgiving Day, or you'll be too tired to enjoy yourself.

Have son or daughter help in making the mince and pumpkin pies and picking the pin feathers out of the turkey. They'll really enjoy it, and they're a wonderful help.

There are other things which may be done on the day before Thanksgiving, and these include making the cranberry sauce or jelly, preparing the vegetables, the turkey stuffing, etc.

On the day of the big event, you have but to pop the big bird in the oven, probably about breakfast time if it's a large one, so as to be ready for mid-afternoon. Rolls can be shaped from refrigerator dough made the day before and allowed to rise, and last minute things such as vegetables and salad can be taken care of while the dinner is on its way.

If you feel rushed making beds and giving the house a once-over, set up a breakfast table buffet style in the kitchen or breakfast nook and let everyone help themselves. This will leave you free for setting the table, etc.

**Turkey Tips.**

Turkeys usually weigh from 7 to 20 pounds. Allow 3/4 pound of turkey to each person. Clean thoroughly. Stuff the cavity after salting it thoroughly. Compute the roasting time from this chart:

Size	300 degrees
7-10 lbs. ....	30 min. per lb.
10-15 lbs. ....	20 min. per lb.
15-18 lbs. ....	18 min. per lb.
18-20 lbs. ....	15 min. per lb.

**Savory Bread Stuffing**  
(For 8-pound bird)

- 1 1/2 cups boiling water
- 1/2 cup melted fat
- 1/2 cup minced onion
- 1/2 teaspoon pepper
- 1 tablespoon poultry seasoning
- 1 1/2 teaspoons salt
- 2 tablespoons dry mustard
- 2 tablespoons diced celery
- 3 quarts lightly packed day-old bread crumbs
- 2 tablespoons minced parsley

Combine boiling water, fat, onion; simmer 5 minutes. Add remaining ingredients and mix thoroughly.

**LYNN SAYS:**

**Make Your Stuffings Savory**

Stuffing may add new richness to the bird, or it may counteract the fatness of the bird simply by what you put in it. If you like a moist dressing, use liquid with the bread crumbs, but if you prefer the dressing just barely moist, use only fat for moisture.

A one-pound loaf of bread yields about 8 cups of crumbs. Use one cup of stuffing for each pound of bird.

Stuff cavity of a bird weighing 8 pounds. Double recipe for 16-pound bird. This makes a moist stuffing.

**Ten-Minute Cranberry Sauce.**

- 1 cup corn syrup, dark or light
- 1 cup sugar
- 1 1/2 cups water
- 4 cups fresh cranberries

Boil corn syrup, sugar and water together for 5 minutes. Add cranberries and boil, without stirring, until all of the skins pop, about 5 minutes. Remove from heat and allow sauce to remain in saucepan until cool. This makes 1 quart.

**\*Molded Cranberry Sauce.**  
(Serves 6 to 8)

- 2 1/2 cups cranberries
- 1 1/2 cups water
- 1/2 cup sugar
- Dash of salt
- 1 package orange or lemon-flavored gelatin

Wash cranberries and place in saucepan with water, sugar and salt. Cook slowly until skins pop and berries are soft. Drain, measure juice and add enough water to make two cups. Dissolve gelatin in hot juice; add cranberries. When slightly thickened distribute berries and pour into a mold. Chill until firm.

**\*Pumpkin Pie.**  
(Makes 9-inch pie)

- 1 1/2 cups cooked pumpkin
- 3/4 cup brown sugar
- 3 eggs
- 1/4 teaspoon nutmeg
- 1/4 teaspoon cinnamon
- 1/4 teaspoon ginger
- 1/4 teaspoon salt
- 1 1/2 cups milk
- 1/2 cup melted butter

Line pie plate with pastry. Beat eggs, add remaining ingredients, and pour mixture into pie shell. Bake in a hot (425-degree) oven for 10 minutes, then in a moderate (350-degree) oven for 30 minutes or until firm.

This pie may be served with whipped cream or just plain. If desired, a meringue may be used, this latter being especially good if flavored with a dash of nutmeg. Or, if you prefer, it may be sprinkled with 1/2 cup sliced nuts 10 minutes before it has finished baking.

Cranberries are part of the trimming for the holiday table. Make the mold a day ahead of time and serve it simply as pictured.

If you want a dessert that is not so filling as pie, you will like this cake:

**Honey Spice Cake.**

- 2 cups sifted cake flour
- 2 teaspoons baking powder
- 1/4 teaspoon salt
- 1 1/2 teaspoons allspice
- 1/2 cup shortening
- 1 teaspoon grated lemon rind
- 1/2 cup honey
- 2 egg yolks, unbeaten
- 1/2 cup milk
- 1/2 cup chopped raisins
- 1 teaspoon vanilla
- 2 egg whites
- 1/2 cup chopped nut meats

Sift flour, measure, add baking powder, salt and allspice and sift together three times. Cream shortening with lemon rind; add honey gradually, beating well after each addition.

Beat egg whites until stiff, but not dry. Stir quickly into batter. Turn into greased eight-inch square pan and sprinkle with nut meats. Bake in moderate oven (350 degrees) 55 minutes, or until done.

Released by Western Newspaper Union.

Rice, bread and nut stuffings are rich; fruit stuffings are tart, so choose whichever you prefer.

**Chestnut Stuffing:** Boil and peel 1 1/2 pounds of chestnuts, then chop coarsely. Decrease bread cubes 2 1/2 to 3 1/2 quarts and add the chestnuts.

**Fruit Stuffing:** Omit onion in recipe, decrease bread cubes by 1 1/2 cups and add 1 cup coarsely chopped apples, prunes or apricots.

**Mushroom Stuffing:** Cook 1 cup sliced mushroom with the fat and add to the bread cubes.
