

The Hedley Informer

VOL. 37

HEDLEY, DONLEY COUNTY, TEXAS, FRIDAY, APR. 4, 1947

Swing of SOUTH/WEST FARM MARKETS

Numerous weak spots appeared at southwest livestock, fruit and vegetable markets last week, according to the Production and Marketing Administration, U. S. Department of Agriculture. Other farm products registered net increases for the period.

Cotton scored net gains of around \$1.00 per bale after early advances partly melted later in the week. Spot activity slackened, as normal offerings found only moderate demand. Cool nights hindered new crop growth in Lower Rio Grande Valley.

Grain markets ran the gamut of recent price ranges, as erratic trade first snapped up, later backed off from scanty offerings of very dear wheat, corn, and sorghums. Friday's close quoted mostly net inflations of 2 to 27 cents, but wheat lost 2 cents in the week's net.

Egg and poultry prices saw very little change last week. More hens and roosters moved to market to augment an adequate supply of fryers and broilers. Eggs came in freely too, but demand held up well for both eggs and poultry.

Weakness appeared in cows at most southwest markets and in other classes here and there. Bulk of medium and good slaughter steers and yearlings moved at \$17 to \$23.50 at Fort Worth. Common to medium kinds brought \$13 to \$17.50 at Houston; and medium light yearlings \$18.50 to \$21.50 at San Antonio.

Hogs slipped down mostly \$1.00 to \$1.25 last week. Closing bulk of good and choice butchers brought \$24.50 at Fort Worth. Week's top at San Antonio was \$26.

Yard Contest

The Woman's Culture Club is sponsoring a yard contest, offering \$5 for the best yard and \$5 for the best back yard. Anyone can enter. Entry fee will be \$1 for front \$1 for back yard, which can be paid to any member of the club. Entry fee must be paid by May 1st. The yards will be judged in September.

Lions Club News

Quentin Williams, state soil conservation expert, will be at next week's meeting and will show a film entitled "This Land of Ours," said to be an excellent soil conservation film.

All Lions are urged to come out and bring a guest.

Enlistments Needed For Medical Corps

Prior to 1914 tetanus (lockjaw) killed between 80 and 90 percent of all its victims. In World War I Army Medical Doctors and American techniques reduced this mortality to less than 10 percent, while in World War II tetanus inoculations practically ended this danger for American soldiers.

Today the New Regular Army Medical Corps is experimenting with cancer and a definite cure for this dreaded disease. The Medical Department pioneered the use of sulfa, penicillin, streptomycin and the treatment of burns and skin diseases often fatal in years past. The medical corps is open to all men between the ages 17 to 35 who enlist in New Regular Army for three years.

For additional information about the Medical Department of the New Regular Army, contact M-Sgt. G. W. Parrott Legion Hall, Clarendon, Texas.

Notice

Let C. E. Johnson, manager of the Hedley Telephone Co., write our fire and hail insurance.

Mister X

Well, I am glad to see all of you are still alive and kicking. Did you all hear the bad news about Kilray? He died waiting for Richard to open the door.

Wanda J., who did I see you with Saturday night? Carter, what do you have to say about this?

Dorothy, it looks like you failed in your attempt to go skating Saturday night.

Sarah, was he really mad Saturday night or just pretending?

Betty Margaret, did he come to school just to see you?

Mildred, did you enjoy the trip to Groom and back Friday?

Redtop, did the light bother you Saturday night? The last thing I would have thought to hinder you.

Mary Sue, didn't the curtain idea work Saturday night. Maybe next time the light will burn out.

Juarita, did you have a good time skating Saturday night?

Where did four girls and four boys go after play practice Monday night? Does anyone know about this.

Farmers To Meet At McKnight

On Wednesday night, April 9th Texas Farmers Union will sponsor a meeting at the McKnight schoolhouse. All farm families are urged to attend.

Facts will be brought before the farmers as to why there is a great need for a truly farmers organization. The need for farmers organization; the need for farmers binding themselves together into an effective hard hitting group. There will be period discussion following the Farmers Union presentation and it is hoped there will be lots of questions from the floor.

The program begins promptly at 8 o'clock. There will be refreshments after adjournment.

Mr. and Mrs. Clarence Mendenhall announce the arrival of a fine baby girl born March 25 at Clarendon. She weighed 6 1/4 lbs. and has been named Clara Jane. She and her mother are doing fine.

Mrs. L. P. Trimble suffered a broken bone in her foot Saturday when she slipped and fell at the Cooper Hotel.

Guy Duncan will tune and repair your piano. See or phone Mrs. S. G. Adamson for an appointment. Phone 48. 202p

Trustees To Be Elected

The school board and others have agreed that the following names be submitted to the patrons of the Hedley District to be voted upon as school trustees next Saturday. Four trustees are to be elected out of the eight names which will appear on the official ballot.

Henry Moore
Ray A. Moreman
Leonard Chesshir
L. E. Blankenship
Bert Usrey (H. B.)
L. M. Harris
Charles Rains
Sam Owens

Occupation Team To Visit Amarillo

A six man team recently returned from occupational duty in Korea and Japan will arrive in Amarillo April 7th, on a two day visit. These men represent the six U. S. Army Divisions which are currently performing our occupational commitments in the Far East. The purpose of their visit is to bring to public view the duties and living conditions of our soldiers stationed in the Orient. A well rounded program has been planned by the local Recruiting Office for their brief stay here.

Follow the official welcome by Mayor Joe Jenkins at 9 a. m., April 7, the team will be in the local Recruiting Office, Room 12 Post Office Building, to talk to former buddies of their respective organizations and other men interested in these Divisions. During the afternoon members of the team will present two radio programs. The first at 3:00 p. m. over Station KFDA, and the second at 5 p. m. over KGNC.

The local American Legion Post is sponsoring an "Open House" for the team in Room 202, Herring Hotel, from 2 p. m. until 5 p. m. on April 8th. The "Open House" will afford an opportunity for anyone interested to talk to the soldiers personally. A special invitation is extended to anyone having a member of their family stationed in the Far East or to anyone planning on joining a member of their family there.

Uncle Sam Says

Have you stopped to think that you are a Minute Man, 1947 model, when you invest in United States Savings Bonds? The first shots in defense of your security were fired on April 19, 1775, on Concord bridge in Massachusetts. Today you stand guard over your security not with bullets but with your Savings Bonds which in the years to come will make your home the fortress it should be against financial distress. Equally important to you is the fact that your growing stack of Savings Bonds is available for attainment of personal or family goals such as a new home or education for your children. Every dollar you invest in Savings Bonds is backed by the United States Government. Savings Bonds are safe, sure, profitable—\$4 for every \$3 invested 10 years hence. U. S. Treasury Department

Notice To Veterans

This is to notify you that there is to be a Distribute Education Class starting in the near future, provided we have at least twenty boys interested. If you have not filled out your 1950 form, please come to the County Superintendent's office and have this done. This is a class that will concern the study of book-keeping, business English, salesmanship, marketing, window display, auditing, business law, and many other subjects pertaining to the operation and management of a business.

The instructor who has been approved by the State Board to teach this class, is Max Rampy.

Entertained

The T. E. L. Sunday School Class of the First Baptist Church met Mar. 28 in the home of Mrs. Claude Bain. The program consisted of the following numbers on the subject, "Hands"

Opening hymn by the class, The Nail-scarred hand
Devotional, Mrs. Clyde Bridges
Scriptures: 24th Psalm, Gen. 5, Luke 10 and Mark 3:31
Opening prayer, Mrs. Moore
"If ye then be risen with Christ"

Mrs. John Blankenship
"Ye call me Master," Mrs. Moore

A living sacrifice, Mrs. Alewine
A large number enjoyed a social hour, a delicious plate served by the hostess. We invite all absentees to be with us in next month's meeting.

Window and door frames. John Watters Shop Clarendon, Texas 184p

Brooder house for sale, 6 x 8. See W. R. Banister. 193c

The Wise Old Owl

There seems to have been a lot happening lately, so I should be able to tell you some of the latest gossip.

What is this I hear about some of the Juniors having a good time after play practice every night?

Joyce, who did I see you with at the ball game Sunday afternoon Hayden, what do you have to say for yourself?

Pete, don't give up yet while maybe things will be okay before too long. How about that telephone conversation the other day?

Margaret, why were you so interested in a certain boy who was playing ball Sunday. Could it have been your boy-friend?

Babe, what's this I hear about last Friday at Groom? You seem to have had plenty of girl friends.

So Jack, you thought the room girl who was playing second base was cute and you just had to talk to her. You should be proud that Elsie has a mild temper!

Brick, you and a Sophomore girl seemed to have had lots of fun last Friday. Right, Mildred?

Dorothy M., you seem to have taken a great interest in certain someone who works at the bank. I guess you won't turn him down again.

City Election

In the city election Tuesday T. Simmons was elected for the coming year. Also elected included C. L. Taylor, H. Cox, B. H. Kirkpatrick, Grimsley and Floyd Murray, who tied Frank Murray, who tied Mathis for the fifth place council, withdrew in Mathis favor.

Baseball

Friday afternoon the J. Simmons team will play the Lakeview School team here at 3 p. m. boys don't know for sure who will play Sunday afternoon are trying to get a game with Henderson or Quail.

Last Sunday Hedley lost Memphis 3 to 0 and Tuesday won from Lakeview High School 13 to 9.

American Legion

Next Tuesday night is the Legion meeting night. Then evening is called for 7 p. m. so that will not conflict with the agricultural class being held at the Legion Hall. Several items of importance are to come.

The post now has 10 members for 1947. This will entitle us to six delegates to the District convention at Childress, April 12 and 13.

Farmland tractor for sale. J. P. Gill

WEEKLY NEWS ANALYSIS

Georgia Gets New Governor; Swollen British Rivers Bring Misery, Destruction

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

Political satire turned up unexpectedly in a Swiss Lenten parade. The drum major, called "the big guy from the East," bears an unmistakable resemblance to Stalin. The drummers are supposed to depict the Soviet commissars and generals marching roughshod over small states. Switzerland is probably the only southern European country free enough for a public lampooning of Russian leaders. The parade attracted much attention as it wound through the ancient streets of Basle.

GEORGIA: Talmadge Ousted

Melvin E. Thompson, elected lieutenant governor, is rightful governor of Georgia, the state supreme court has ruled, 5 to 2. Herman Talmadge, son of Eugene Talmadge, who has been acting as governor since his appointment by the legislature, was declared a usurper. Atty. Gen. Eugene Cook has invalidated all bills signed by Talmadge during his brief and troubled term. The most important of this legislation is the white primary bill, but 150 other measures also were declared void by Cook.

The 33-year-old son of the famous "Old Gene" accepted the verdict of the state's highest tribunal and immediately made preparations to leave the executive mansion. "We'll be back," he told well-wishers. "The court of last resort is the people of Georgia. This case will be taken to the court of last resort." This was interpreted as indicating that Talmadge intends to run again in 1948, when a special election will be held. Under the law a lieutenant governor can serve only two years as governor.

The supreme court's majority decision took the view that the legislature erred when it appointed Herman Talmadge governor on January 14. The legislature, after a canvass of votes cast, acted on the theory that since Eugene Talmadge had died before inauguration, that there was no one elected to the office. Herman Talmadge was chosen on the basis of a few write-in votes. Thompson, duly elected lieutenant governor, was ignored.

FARM MACHINERY: Prices Trimmed

Although demand is expected to exceed supply "for months to come," International Harvester company has reduced prices on 163 items of farm equipment. More than half the company's customers will benefit, a spokesman said. Reductions range from 1 to 23.8 per cent, or in dollars from \$2.50 to \$300. Lower prices have been announced for 123 farm machines, 16 models of industrial tractors, 12 models of motor trucks and 12 other miscellaneous articles. The program will cost the company about 20 million dollars this year, it was stated. New prices became effective March 10. Typical of reductions are new prices of the Farmall-H tractor, down \$125, or 10.6 per cent; the automatic pickup hay baler, down \$75, or 4.1 per cent, and the self-propelled combine, now \$122.50, or 3.4 per cent lower. Trucks were trimmed \$50 to \$300 in price, depending on size. Estimated overall reduction on industrial products amounted to about 3.5 per cent, officials stated.

"Paris of 1947" is Miss. [Name obscured]

BRITAIN: Floods New Peril

Melting of the thick blanket of snow that brought great hardship to Britain has swollen streams to flood stage. Many thousands of people in southern England are being forced out of their homes by rising waters. Some rivers already have passed the record high marks of 1894. Community kitchens are being set up to feed refugees. Troops, German war prisoners and volunteers are struggling to save water purifying stations, gas and electric plants, and other essential services. Others are sandbagging dikes and river walls.

"It is our worst disaster in 300 years," declares Miss Phoebe Custer, mayor of the Thames river town of Caversham. Snow still is hampering transportation in five counties of northern England. These regions will have to cope with floods later.

Agricultural losses are already immense, and prospects are for even more staggering damage. Tens of thousands of sheep and cattle are drowning in the Midlands regions. It is estimated that three million farm animals died over the winter, killed by snow and cold. Most of the spring wheat crop is ruined. The potato crop in the fenslands is considered destroyed. Planting of early crops is far behind schedule. In a country that has been on short rations for seven years, this further blow is extremely serious.

Well, \$25,000 Ain't Hay
 For many years Miss Mary B. Powers of New York City has been refusing dividends earned by her stock in the Glen Alden Coal Co. She has been living in a New York hotel as a recluse for the last 15 years. Something has changed her mind recently, however, and she has decided to accept her dividends after all. She has \$25,000 coming.

DRAFT EVADERS: FBI Hunts 9,178

Ending of selective service has forced a change in the department of justice's handling of draft evaders. Heretofore the department's policy was to turn such men over to the army for induction. Since the armed forces no longer want them, they will have to face conviction and sentence in federal courts, says J. Edgar Hoover, director of the department's Federal Bureau of Investigation.

FBI agents everywhere have been furnished with descriptions of 9,178 men who are wanted for draft evasion. Many of these failed to register, or employed one of the many dodges with which the FBI is familiar.

ELECTRIFICATION: Loans Reach Billion

With the granting of \$145,000 to Illinois, Rural Electrification administration loans have reached the billion dollar mark. Every state excepting Connecticut and Massachusetts now have cooperatives financed by REA funds. On January 1, REA loans totaled \$958,009,090, more than 1,000 borrowers have repaid \$126,098,000 in principal and interest.

Railroads Rent Autos

Railroads will resume their auto-renting service by June 1 in 300 cities, announces H. W. Siddall, chairman of the Railroad Passenger Interterritorial committee. In this arrangement a railroad passenger can obtain the use of a car through the railroad's agents. The acute shortage of new cars has delayed resumption of this service, Siddall said. Autos obtained from the...

PARAGUAY: Civil War

So serious is the rebellion in Paraguay that President Moringo has issued a war decree to mobilize the full powers of the government. Rebels now are holding large sections of the little South American country. Government officials state that the revolt is Communist-inspired. They further charge that Communists in neighboring Uruguay and Bolivia are giving every assistance to the rebels.

The war act gives the government power to draft men, property and money, and to suspend any laws. The preamble declares that it was issued in accordance with "international agreement signed by this country for defense of the continent against subversive movements of a totalitarian character."

According to news from Brazil, the insurgents have won control of all the Paraguayan side of the Paraguayan-Brazil border by capturing the towns of Bela Vista, Pedro Juan Caballero and Capitan Bado.

Paraguayan government reports say that some of the rebel forces have deserted and surrendered to government troops. There were other stories, denied by the government, that some infantry, artillery and naval units had refused orders to fight the rebels.

ATOMIC ORE: Rigid Regulations

In a move to safeguard the nation's supply of uranium and thorium ores, the Atomic Energy commission has issued a new and very strict code. Death is the penalty for major violations of the rigid regulations, which affect everyone handling the radio-active ores.

The code sets up a licensing system specifying that no one, unless licensed by the commission, can "transfer or export from the United States" any material that contains as much as 1-20th of one per cent of uranium or thorium.

After April 1, anyone not licensed who obtains 10 pounds or more of raw uranium or thorium must report it to the commission within 30 days. Use of uranium in ceramics, photography supplies and other industrial products is practically forbidden, since no further supply of the metal will be allowed after April 1.

Overcomes Handicap

Sgt. Harold Russell, who lost both hands in service, is on tour in connection with his first movie venture, "The Best Years of Our Lives." He received an Academy award for his part in the picture, in which he played a disabled veteran. The film is being shown at army hospitals as part of the rehabilitation program for handicapped men. Russell does not intend to act again; his ambition is to be a specialist in movie advertising. He is shown here demonstrating how well he can perform such delicate tasks as operating a camera with his hooks.

U. S. FARM REPORT: Five-Year Rise

Value of farms in the United States increased by one-third, on the average, and value of produce doubled between 1940 and 1945, the census bureau reports. Number of farms declined, and size of farms increased during the five-year period, as was generally known.

Total worth of the nation's farms rose steadily to \$46,388,925,565 in the five years covered. Present values are considerably higher. The average farm in 1945 was 194.8 acres, compared with 174 acres five years earlier.

Market value of produce increased from \$7,813,644,000 to \$13,106,152,000. Number of people on farms decreased sharply but the bureau says it has no figure for 1940 exactly comparable to the 1945 total, when there were 23,588,488 listed as farm dwellers. Tenant farmers dropped from 2,361,271 to 1,858,421 in the five year term.

Other changes, as summarized in the report, were these: "Farmers are using more machinery. More farms are operated by farmers and fewer by tenants. Fewer farmers engage in off-farm work."

CANCER: Italian Treatment

A new drug that is effective in the treatment of cancer has been reported by an Italian researcher. The chemical has been named FA2 by its discoverer, Dr. Francisco Guarnieri of Rome. He is cautious about claiming that he has found a true cure for the dread malady but stated that "only patient and arduous experiments in the coming months will be able to prove its...

HOUSEHOLD HINTS

When hanging clothes in the yard, borrow your son's express wagon. Put the clothes-basket in wagon and pull it along as you hang clothes. Save unnecessary steps and strenuous lifting this way.

The next time you want your small son or daughter to remember something, paint a dot of red nail polish on a thumbnail. This is better than the time-tested method of "tying a string."

At 12 months, the average child may be expected to have a vocabulary of three words. At 18 months, the child should know 22 words and at 24 months will have a vocabulary of about 270 words. But don't try to push him. This may give rise to serious disorders later.

Choose colored thread slightly darker than the fabric on which it will be used. Then, when stitched in place, it will appear to match the fabric.

It takes a lot of paint to cover bricks because they are porous and soak up the linseed oil. The first coat should be permitted to dry for a week or ten days before the second one is applied.

Wallpaper, to take a water base paint, must be completely dry, so it is best not to tackle the job in damp weather. Wait for a warm day. Apply with wide brush or roller for the very best results.

A rip-saw should be held at an angle of 60 degrees for best results.

Brass is meant to be shiny. Keep yours bright by cleaning with a mixture of equal parts of flour and salt and enough vinegar to make a smooth paste.

"OFF TO A GOOD START"

You are off to a good start when you measure the required amount of Clabber Girl into your flour... you are sure to get just the right rise in your mixing bowl, followed by that final rise to light and fluffy flavor in the oven... that's the story of Clabber Girl's balanced double action.

For better baking use the baking powder with the BALANCED double action.

CLABBER GIRL
 Baking Powder

Fresh Apple in Bran Muffins! Wonderful!

MAKE THEM UP IN NO TIME!
 Crunchy, toasted Kellogg's All-Bran and fresh apple taste just dreamy!
 2 tablespoons shortening
 1/4 cup sugar
 1 egg
 1/2 cup grated raw apple
 1/2 teaspoon salt
 Blend shortening and sugar. Add egg; beat well. Stir in apple, Kellogg's All-Bran, and milk. Let soak until most of moisture is taken up. Add sifted dry ingredients to first mixture. Stir until flour disappears. Fill greased muffin pan two-thirds full. Bake in moderate oven (400° F.) about 20 minutes. Makes 12 muffins. You'll want to make them often.

Seed Nutritives: Top All-Bran, made from the VITAL GUTS LAYERS of finest wheat—serve daily as a cereal.

Kellogg's ALL-BRAN

COLD SUFFERERS!

666 STARTS RELIEF IN JUST 6 SECONDS

Get famous, prescription-type 666, the super-quick relief for colds, coughs, and sore throats. Try 666 Cold Tablets, or 666 Liquid Cough Preparation today. Use only as directed.

"My Pop knows when everybody gets up!"

No, Tommy's Dad is not a snooper. It's part of his job to know what time you and your neighbors start turning on lights, ranges, shavers, percolators and toasters in the morning. For these all call for more electricity, and he's the man who tells the power-plants when to send more current through the wires.

TRAFFIC COP OF THE ELECTRIC LINES
If a bad storm breaks, Tommy's father detours your electricity, so storm damage won't black out your community. If tomorrow will be colder, or cloudy, you'll need more current... he'll have it ready. Whenever you and your neighbors and the factories in your town are using a lot for lights and heat and appliances, he sends more into the wires. When the town sleeps, he orders less. As a *Load Dispatcher*, he holds one of the most important jobs in your electric company.

NEXT-DOOR NEIGHBORS TO EVERYBODY
are these helpful men who see that you get all the low-cost electricity you want, when you want it. They have to know the hour-by-hour needs of every neighborhood... and that's where they draw on the intimate knowledge of the community that the electric company has gained over many years. It's the skill and experience of electric company people like Tommy's Dad—and the common sense business methods they use—that have built up for Americans the most and the best electric service in the world.

Kidneys Must Work Well

For You To Feel Well... 24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

DOAN'S PILLS

"TAPPAN... that's for me!" "me too!"

So Dutiful:

Famous TAPPAN Divided Top enables you to use all 4 burners at once and still have plenty of serving space. Visualite Oven lets you see entire baking process without opening oven door. Handy within the range itself: Pot and Pan Storage, Cutlery Drawer, Condiment Set, Warming Oven, Towel Dryer!

So Beautiful:

Streamlined and sparkling, a modern TAPPAN Gas Range gives your kitchen new glamour... and you new interest in it. Lovely to look at, and it's so easy to keep TAPPAN new looking for years!

If you should have to wait a little while for yours—remember TAPPAN'S the range well worth waiting for!

TAPPAN Gas Ranges

THOMPSON BROS. CO.

It stands against a whirlwind's wrath...and OIL-PLATES your engine!

AGAINST THE COMBINED, MIGHTY FORCES of wind and electricity, even the world's tallest building seems frail. Yet, though it may sway, it will not fall, for in its slender columns and girders, particles of steel are bonded together by a still mightier elemental force... the tremendous force of molecular attraction!

WHEN YOU CHANGE FOR SPRING to Conoco Nth motor oil, the same elemental force of molecular attraction bonds molecules of a special lubricating ingredient to molecules of engine metal! So close is this bond of molecule to molecule,

that cylinder walls and other engine parts are actually OIL-PLATED! BECAUSE OIL-PLATING STAYS UP on cylinder walls... doesn't all drain down even overnight... a change to Conoco Nth gives you EXTRA protection when you first start your engine "dry"... EXTRA protection from corrosive acid action when your engine is idle... EXTRA protection from sludge and carbon caused by wear... EXTRA smooth, cool, silent miles.

STOP WHERE YOU SEE THE RED of Your Conoco Mileage Merchant. Continental Oil Company

Make a date to OIL-PLATE...NOW!

Have Crusts Flaky, Fillings Delicious For Good Pie

LYNN CHAMBERS' MENU
 Cheese Fondue
 Baked Tomatoes
 Slivered Green Beans
 Molded Pear in Lime Gelatin
 Melba Toast Honey
 *Lemon Chiffon Pie Beverage
 *Recipe given.

4 eggs, separated
3 tablespoons lemon juice
1 tablespoon lemon rind, finely grated
1/2 teaspoon salt
1 pint cream for whipping

Sift together 1 cup of sugar and the cream of tartar. Beat the egg whites until stiff but not dry. Gradually add the sugar mixture, continuing to beat until thoroughly blended. Use the meringue to line the bottom and sides of a 9 or 10-inch well-greased pie plate, hollowing out the center and being careful not to spread the meringue too close to the sides. Bake in a slow (275-degree) oven for one hour. Cool. Beat egg yolks slightly, then stir in remaining 1/2 cup of sugar and lemon juice, rind and salt. Cook over boiling water until very thick, 8 to 10 minutes. Remove from fire and cool. Whip cream and combine half of it with lemon-egg mixture. Fill meringue shell and cover with remaining whipped cream. Chill in refrigerator for 24 hours before serving.

***Lemon Chiffon Pie.**
1 baked 8-inch shell
1 tablespoon gelatin
1/4 cup cold water
4 egg yolks
1/2 cup sugar
1/2 cup lemon juice
1/2 teaspoon salt
1 teaspoon grated lemon rind
4 egg whites

Add gelatin to cold water and let stand 5 minutes. Separate eggs and beat yolks in top part of double boiler. Add sugar, lemon juice, salt and grated rind. Mix well. Cook over hot water until mixture coats the spoon. Add gelatin and stir in well. Cool.

Beat egg whites until stiff but not dry, and add 1/2 cup more of sugar. Fold mixture into beaten egg whites and turn into a baked pie shell. Chill thoroughly. Coat with meringue or whipped cream.

It's not always necessary to bake a pie in order to serve pastry. There's a banana puff dessert that can be very popular if you enjoy this fruit, and it's topped off with a meltingly delicious sauce.

Banana Puff.
 Allow one banana for each serving. Roll peeled banana in sugar and cinnamon and roll in rich pie crust. Bake in a very hot (450-degree) oven for 15 minutes. Serve with the following sauce:

Lemon Sauce.
1/2 cup sugar
1 tablespoon flour
1/2 teaspoon salt
1 cup boiling water or pineapple juice
 Juice and grated rind of 1/2 lemon
1 tablespoon butter
2 tablespoons raisins, if desired
 Cook sugar, flour, salt and liquid over hot water for 10 minutes. Add lemon, butter and raisins. Serve hot.

This sauce is also delicious served over baked and steamed puddings.
 Released by Western Newspaper Union.

To prevent brown sugar from lumping, store it in a damp place such as the bread box. Powdered sugar may be stored in tightly covered tin or glass containers.

Door pockets or closet doors are excellent for keeping such small articles as wash brooms and dust cloths in a handy place.

Avoid hard-frozen pieces of fruits and berries in ice cream by allowing them to thaw slightly before using.

NEEDLECRAFT PATTERNS Simple Stitchery for Kitchen.

cross-stitch looks like pique.

ASK ME ANOTHER?
 A General Quiz
The Questions
 1. What causes a glacier to move?
 2. Who painted the Mona Lisa?
 3. What fish usually provides genuine caviar for epicureans?
 4. Is the Kaola bear a good-natured animal?
 5. The Golden Horn is part of the harbor of what city?
 6. What is the dish known as lamb's quarters?

The Answers
 1. Its own weight. The glacier is so heavy it slides down hill.
 2. Da Vinci.
 3. Sturgeon.
 4. Yes, generally speaking. However, it is known to have violent fits of temper when crossed in love.
 5. The Golden Horn is part of the harbor of Istanbul.
 6. Lamb's quarters is a vegetable sometimes known as white pigweed.

WHY TAKE HARSH LAXATIVES?

Healthful Fresh Fruit Drink Makes Purgatives Unnecessary for Most People

Here's a way to overcome constipation without harsh laxatives. Juice of 1 Sunkist Lemon in a glass of water first thing on arising.

Most people find this all they need—stimulates normal bowel action after day!
 Lemon and water is good for you. Lemons are among the richest sources of vitamin C, which combats fatigue, helps resist colds and infections. They supply valuable amounts of vitamins B1 and P. They pep up appetite, alkalize, aid digestion. Lemon water has a fresh tang too—clears the mouth, wakes you up, starts you going.

Try this grand wake-up drink 10 mornings. See if it doesn't help you! Use California Sunkist Lemons.

STRONG HUSKY YOUNGSTERS
 thanks to this **HIGH ENERGY TONIC**
 Many doctors recommend good-tasting Scott's Emulsion because it's rich in natural A-D-E vitamins and energy-building oil children need for growth, sturdy bodies, and resistance to colds and A&D deficient B today! All druggists.
SCOTT'S EMULSION YEAR-ROUND TONIC

For Pipe or Rolling—THE BIG SWING TODAY IS TO P.A.

It's the great tobacco that pleases both kinds of smokers... it's Prince Albert... the world's largest-selling tobacco!

PRINCE ALBERT IS A REAL TONGUE-FRIENDLY SMOKE! FOR FINE, RICH TASTE—THERE'S NO OTHER TOBACCO LIKE P.A.
CRIMP CUT PRINCE ALBERT SURE MAKES A DANDY CIGARETTE. P.A. ROLLS UP QUICK AND FIRM—LOTS OF FINE FLAVOR!
"PRINCE ALBERT has been my brand for 26 years," says John L. Hardie. "P.A. is a good-tasting tobacco—so mild and cool smoking. And that crimp cut feature makes it pack better in my pipe, burn better in my case, P.A. is a real joy smoke!"
HARRY MILLER says, "P.A. is the brand for mildness, all right. And Prince Albert makes a mighty tasty cigarette. Full of fine flavor—the kind that's a joy to smoke. P.A. spins up fast and neat every time. It's a great cigarette tobacco!"
John L. Hardie Harry Miller
