## F. F. A. News

A group of Hedley F. F. A. boys attended the Texas State Fair at Dallas last week end. We all enjoyed the agricultural and scientific exhibits and livestock judging. We saw many interesting things which we had never seen before and all had a wonderful time. Among other things we enjoyed camping out two nights; one in Lakeside Park in Dallas and the other in Barwise Park in Wichita Falls. We wish to express our appreciation to the school board and everyone else who helped to make the trip possible.

Let C. E. Johnson, manager of the Hedley Telephone Co., write our fire and hail insurance.

I will pick up carcasses of horses and cows. W. P. Doherty, phone 32-4R 47ft

Now is the time to check your insurance needs. At present prices nearly everyone is under insured. Before you get busy with the fall see Clifford Johnson at the bank for all kinds of insurance.

## School News

A group of teachers and school patrons met Monday evening at 7:30 p. m. in the Hix School Building and organized a Home and School Club. By vote of the members present the old organization known as the PTA ceased to exist. The new club will take its place under direction and supervision of old PTA officials. The chief purpose of this change is to concentrate effort and matters pertaining to finance upon local problems. All dues paid in by members will be kept in the local treasury instead of sent to the state and district groups as formerly. The group will meet the first Monday evening in every school month.

Problems relating to various activities connected with the school and community were mentioned at this meeting, but nothing definite was decided upon. The members of the Home and School Club put themselves on record as sponsors of a movement to improve and decorate the school buildings and grounds. This improvement program is to be supervised and directed by the School Board and those directly concerned. All money for the year taken in by the club will be used exclusively to carry out this program.

After six weeks of school Supt. Smith may be quoted as saying: "As a general rule I believe Hedley Public Schools have one of the most cooperative and hard working faculties to be found anywhere. Their willingness to work over time or at anytime to promote the welfare of the school or the student body should be commended. The students themselves, too, are to be commended. Grades may not always be such as to justify place on the honor roll, but the spirit of cooperation, good sportsmanship, good citizenship and try-it-again-iveness is to be found everywhere."

Bobby Ray, just who did you have in the corner of the bus Tuesday night? Funny we could not find Gerry anywhere!

Corky, you and Shotgun seemed to be doing ok Tuesday night! Better watch Bud, Corky, these Wellington boys are pretty big.

Roberta, you seem to be doing ok with this tall dark and handsome Davis lad.

Skaggs, your souvenirs from the Fair look rather painful.

Redtop, you took our advice about respecting size but you still won't leave other boy's girls alone.

Bobbie, you seem to be having a pretty good time Sunday night. Maybe we will see that Pontiac more often.

Jack, someday Martha Jo isn't going to believe your date aren't pushed on affairs. So far so good.

Dorothy, what were you crying about half that night at Quail? That story about your foot is getting old.

Wanda Lee, you and Pete seem to be very well satisfied. I think your doing ok. Keep it up.

Wanda J., so good luck has finally turned up. Don't forget the Hedley boys.

## Juanell Tate Weds Billy Don Carson

In a beautiful and impressive candle light ceremony Sunday evening, October 5, at 6:00 o'clock at the Methodist Church in Hedley, Miss Juanell Tate and Billy Don Carson were united in marriage.

The bride, daughter of Mr. and Mrs. Tom Tate, was a 1945 graduate of Quail High School and after attending Amarillo Business College was employed as assistant secretary at Southwestern Investment Company in Amarillo.

The groom is the son of Mrs. Homer Amerson of Wellington, and Mr. R. P. Carson of Amarillo. He was also a 1945 graduate of Quail High School and is employed at McDonald Auto Supply Company in Borger.

The double ring ceremony was read before an altar of ferns and white gladioli by Rev. E. H. Coston. Mrs. L. P. Trimble played before and during the ceremony and accompanied Mrs. Hobart Moffitt and Mrs. Alva Simmons, who sang The Sweetest Story Ever Told and I Love You Truly.

Candles and tall candelabra which flanked the altar and outlined the aisles were lighted by Misses Carolyn Reeves and Sarah Rains dressed in pink and blue organdie floor length dresses.

Mrs. Lloyd Vandeventer, cousin of the bride, was matron of honor. She wore a pink slipper satin formal made with a basque waist and a bustle. Her short veil was attached to a halo of small flowers and she carried a nosegay.

The bridesmaids were Miss Jeannie Duggins of Amarillo and Miss Nelda Messer. They wore identical gowns of pink and blue net and tulle and also carried nosegays.

The flower girls were Tula Jean Adamson and Susan Cox who were dressed in fur length pink and blue organdie dresses. David Moreman, dressed in a white satin blouse and navy blue suit, was the ring bearer.

John Wesley Carson of Fort Worth served his brother as best man. The ushers were Billy Lester, Gene Tate, Bennie Dennis and Alva Clay.

The bride, given in marriage by her father, wore a bridal gown of ivory slipper satin made with a basque waist and a sweetheart neckline. The sleeves were long tight fitting and came to a point at the wrist and the gathered skirt had a short train. Her double tiered finger tip veil of imported illusion fell from a halo of small flowers and she carried a white Bible topped with a white orchid and long white streamers. Her only ornament was a strand of pearls, a gift from the bridegroom.

Mrs. Amerson, mother of the groom, was dressed in black crepe and wore a corsage of red roses. Mrs. Tate, mother of the bride, was attired in a two piece grey crepe dress and also wore a corsage of red roses.

A reception was held in the church parlor immediately following the ceremony. Large bouquets of dahlias decorated the room.

The table was laid with a white Irish linen cloth with a center piece of pink dahlias. At one end of the table the punch bowl was placed on a reflector and the four tiered bridal cake, topped with a miniature bride and groom, adorned

## Watch Your Kidneys!

Help Them Cleanse the Blood  
of Harmful Body Waste

Your kidneys are constantly filtering  
waste matter from the blood stream. But  
kidneys sometimes lag in their work—  
do not act as Nature intended—fail to re-  
move impurities that, if retained, may  
poison the system and upset the whole  
body machinery.

Symptoms may be nagging backache,  
persistent headaches, attacks of dizziness,  
getting up night, swelling, puffiness  
under the eyes—a feeling of nervous  
anxiety and loss of pep and strength.

Other signs of kidney or bladder dis-  
order are sometimes burning, acidity or  
too frequent urination.

## WEEKLY NEWS ANALYSIS

# Truman Plans Food Conservation; U. N. Takes on Difficult Agenda; Taft Hits Labor Trouble in West

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

### FOOD PLANS: Conservation

It wasn't hard for President Tru-  
man to figure out: Europe is in des-  
perate need of food from the U. S.,  
but the U. S. will leave itself wide  
open for even greater price spiraling  
if it boosts its exports much  
higher.

The answer, he told a special press  
conference, is food conservation by  
all Americans. It is not a matter of  
eating any less, he said, but of  
wasting less.

In line with that, he announced  
the setting up of a citizens food con-  
servation program in the nation. Charles  
Luckman of Cambridge, Mass., pres-  
ident of Lever Brothers, was named  
president.

Regarding Europe, Mr. Truman  
said the food and fuel situation there  
is too critical to allow time for de-  
tailed study. Thus, apparently in an  
emergency frame of mind, the Presi-  
dent called together congressional  
leaders to discuss possible steps  
that could be taken immediately to  
aid the starving continent.

If possible, he said, he would not  
call a special session of congress  
if stop-gap aid for Europe could be  
pushed through without resorting  
to that step.

Americans could start preparing  
for a heavy barrage of food con-  
servation propaganda.

### ELEANOR: An Old Note

"Dear Sumner — This Eisler  
case seems a hard nut to crack.  
What do you suggest? Sincerely,  
E. R."

That, Sumner Welles, former un-  
dersecretary of state, told the house  
committee on un-American activi-  
ties, was a note he received from  
Mrs. Eleanor Roosevelt in 1939 when  
the then first lady was interested in  
obtaining an open hearing on the  
passport application of one Hanns  
Eisler, Austrian refugee from Hit-  
ler.

The note, an almost forgotten me-  
moro of the prewar era, was hailed  
resoundingly in newspapers across  
the land because Hanns Eisler was

Mrs. Roosevelt Hanns Eisler

accused of being a Communist. He  
is the brother of Gerhart Eisler, No.  
1 agent of the Kremlin in the U. S.

Eisler and his wife finally were  
issued visas in Mexico City to cover  
their entrance into this country. He  
has taken out naturalization papers  
and is a song writer in Hollywood.

In 1926, Eisler told the committee,  
he had applied for membership in  
the German Communist party, but  
had dropped out. A department of  
labor report made in 1938 said of  
him: "The evidence establishes pre-  
ponderantly that Hanns Eisler is a  
Communist."

Mrs. Roosevelt's attitude toward  
the affair was lackadaisical. The  
note to Welles on behalf of Eisler  
was strictly routine, she said, add-  
ing that she neither knew Eisler nor  
remembered the note.

### TOUGH AGENDA: No Dodging

United Nations general assembly  
proved at least one thing in the first  
week of its current session—it isn't  
going to dodge any issues.

After riotous preliminary sessions  
in which they heard the U. S. and  
Russia flay each other verbally and  
U. N. Secretary General Trygve Lie  
called for an end to feuding, the de-  
legates voted doggedly to take on the  
entire list of tough, almost insoluble  
problems standing as a barrier to  
world accord.

Among the items admitted to the  
agenda were the partition of Pales-  
tine, peace in the Balkans, independ-  
ence of Korea and Marshall's pro-  
posal to reorganize U. N. machinery  
to hold a tighter rein on the tur-  
bulent peace.

Soviet delegate Andrei Vishinsky's  
resolution calling on member na-  
tions to take criminal action against  
warmongering propagandists was,  
wholeheartedly admitted to debate,  
probably because it will provide a  
chance to mull over the concept of  
freedom of the press.

### ATOMIC CROP: Above Normal

In Japan, much to the wonder-  
ment of practically everyone, the  
radioactive soil around atom-bombed  
Nagasaki has been reported to be  
giving out with huge crop yields  
50 to 300 per cent above normal.

A Japanese agricultural expert  
estimated the wheat crop to be about  
twice normal and the cotton crop  
three times average. Pumpkins,  
beets, tomatoes and similar  
had a 50 per cent increase.

### Fasts for Funds

The Rev. G. A. Gaines of Con-  
yers, Ga., vowed to go on a fast  
until he obtained the \$9,000 neces-  
sary to finance the haven for  
homeless children that he is de-  
termined to establish.

### HARD TIME: Taft's Tour

Way out west, where pickets are  
pickets and carry insinuating signs  
to prove it, Sen. Robert Taft of labor  
law fame was finding the going a  
little rugged on his political junket.

But in Seattle, labor stronghold of  
the Pacific Northwest, he was treat-  
ed to new heights of heckling. Physi-  
cal pain was the senator's lot, too,  
when a jittery chauffeur, unerved by  
milling demonstrators, slammed a  
car door on his hand.

The labor element was, in short,  
downright inhospitable. Massed  
pickets booed Taft enthusiastically  
as he entered Seattle's Eagle audi-  
torium to deliver his address. Inside  
the auditorium there were more  
boos, mingled with Republican  
cheers.

"Eat less," cried some of his vocifer-  
ous critics in the audience.

Undaunted, Taft made his speech:  
"We are proud of our Republican  
record in congress," he said, to a  
motley accompaniment of more  
boos and cheers. He characterized  
the Taft-Hartley law as a "bill of  
rights" for union members, and  
called upon voters to render "grate-  
itude" to congressional backers of  
the act.

Wilbur Zundell, president of the  
Young Men's Republican club of  
Seattle, had a word for the senator's  
tormentors: "Communists," he  
said, adding that a Communist dem-  
onstration was expected when Taft  
took the rostrum.

### WARNING: Consequences?

That the aggravated situation in  
Trieste rapidly is becoming intoler-  
able to the United States was em-  
phasized in a state department note  
to Yugoslavia that her "exceeding-  
ly dangerous" activities at Trieste  
may produce "most serious conse-  
quences."

The U. S. protest deplored the "ir-  
responsible Yugoslav actions" in de-  
manding changes in the Trieste-  
Yugoslav boundary, and asked the  
government "to issue immediate  
instructions to end this practice."

Yugoslav troops had been forcing  
a number of "incidents" all along  
the border in attempts to bluff  
American troops into letting them en-  
croach on Trieste and Italian terri-  
tory.

Not easing the situation at all was  
the fact that Yugoslav authorities  
were holding to their refusal to re-  
lease an American officer and two  
enlisted men they had seized.

It was a tense, bitter situation,  
and it was straining to the danger  
point the all too tenuous threads of  
physical peace in the Balkans.

### Secret of Acoustics

A secret of acoustics that died  
with the ancients is embodied in  
a 2,400-year-old amphitheater that  
still stands in excellent condition  
in Epidaurus, Greece. A whisper  
spoken on the stage is heard dis-

seats, although it is open and un-

**Swing of Southwest Farm Markets**

Southwest farm markets paid mostly firm to higher prices for livestock, grains, and many other products last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Hogs scored gains of mainly 50 cents to \$1. San Antonio and Fort Worth established new all time high prices of \$28.25 and \$29.50 respectively. Week's top at Oklahoma City was \$29.75, Wichita \$29.60, and Denver \$30.50.

Cattle closed the week generally strong to 50 cents higher, although Houston and San Antonio netted losses on steers and yearlings. Houston paid a top of \$22 for medium and good caked grass steers. San Antonio bought low to average medium steers at \$20. Fort Worth took good fed steers and yearlings at \$23 to \$27.50. Oklahoma City paid \$27 to \$29 for good choice steers, and Wichita gave \$20 to \$25 for medium light steers and yearlings. Denver set a new all time high of \$33 for choice steers, while other medium choice kinds brought \$25 to \$31.

Eggs and poultry sold firm to a title higher in the southwest last week. Seasonally best white graded eggs brought around 55 to 58 cents per dozen at most places, and mixed colors 50 to 56. Most markets paid 37 to 40 cent per pound for good quality full sized fryers, 24 to 28 for heavy hens, and 10 to 15 for roosters.

Slight ups and downs during the week left cotton \$1.25 to \$2.50 lower Friday; Growers in all sections called for more pickers as harvesting condition were ideal.

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.

From where I sit... by Joe Marsh

**How to Tell You're Getting Old**

Doc Walters gave me this formula: It's a sure-fire sign you're getting old when you resent other people having a good time.  
And the Doc means it hasn't much to do with age. There are old folks in our town who get a big kick out of seeing other people enjoy themselves—seems to keep them young in spirit, with a twinkle in their eyes!  
And there are some others who resent the young folks going fishing; who feel that community games and dances are just a waste

of time; or who criticize temperate people for enjoying a mellow glass of beer with friends.  
They're often well-intentioned folks, too. But from where I sit, the minute we criticize our neighbors for enjoying wholesome pleasures—like a game of horseshoes, a glass of beer, or an afternoon's fishing—it's a sure sign we're growing old (in spirit anyway) no matter what our age is.

## Economical Cuts Of Meat Are Tasty If Prepared Right

Leftover meats are easily creamed and served in patty shells on a platter generously heaped with vegetables—an economy note for your budget.

Budget-wise homemakers are taking a second look at their budgets this season, and most of them are keeping one eye on their purse strings, while the other eye is glued to prices. One item that is getting extra consideration is meat.

There's hardly such a thing as a budget cut of meat anymore, but naturally there are some that are less expensive than others. Breast of lamb is among those as well as some of the beef cuts including tongue; if you like pork, you'll have to be satisfied with a suggestion of the flavor.

A roast is good economy if it is beef or lamb because you can count on two or three meals as well as sliced meat for sandwiches. If you plan on one roast per week—carefully cooked so as to avoid expensive shrinkage—then it's easy to use the economy items I've already mentioned to fill up the other days nicely.

**Liver-Rice Cakes.**  
 (Makes 10 cakes)  
 1 pound sliced pork liver  
 1/2 cup shortening  
 1/2 small onion  
 1 1/2 cups cooked rice  
 1 teaspoon salt  
 1/4 teaspoon pepper  
 1 egg  
 1 1/2 tablespoons milk  
 1/4 cup milk

Fry the liver in the 1/2 cup of shortening until nicely browned and let cool. Put the liver and onion through the food chopper. Add the rice, salt, pepper, egg, milk and mix well. Shape into small cakes and brown in 1/4 cup of shortening until brown on both sides.

**Barbecued Lamb Breast.**  
 (Serves 4)  
 2 pounds breast of lamb  
 1 medium onion  
 1/2 cup chili sauce  
 1 teaspoon salt  
 Pepper  
 1/4 teaspoon red pepper  
 1 tablespoon vinegar  
 1 cup water

Cut lamb into 5 pieces. Season with salt and pepper. Place in a hot skillet with the fatty sides of the meat on the bottom so they will brown easily. Mix chili sauce, red pepper, vinegar and water and pour over lamb. Slice onion and place over meat. Cover. Simmer for 1 1/2 hours, then remove lid and cook for about 20 minutes or until most of the barbecue sauce is absorbed.

A pot roast is very nice to have as the roast of the week, and then it's easy to use as sliced meat for supper, or ground and used for meat pies, stuffing for peppers, pinwheels with biscuit dough, etc. If you make it creole style, it will have plenty of flavor for other uses.

**Creole Pot Roast.**  
 5 pounds chuck of beef  
 1/4 cup salad oil  
 Juice of 1 lemon  
 2 bay leaves  
 1 onion, minced  
 2 teaspoons allspice  
 5 teaspoons salt  
 Pepper  
 2 tablespoons flour  
 2 tablespoons lard or drippings  
 2 cups tomatoes

**LYNN SAYS:**  
 Add 'Beauty Touches' To Vegetables

Curl your raw carrots by slicing them with a potato peeler and curling them around the finger. Slip off the curls and place them close together in a dish of very icy water. Let stand for one half an hour and the curl will stay.

When you broil ham for dinner, place corn or green beans in the dripping pan and let the vegetables catch the delicious juices.

- \*Cream Swiss Steak
  - Browned Potatoes
  - Lyonnise Carrots
  - Pineapple Cole Slaw

  - Floating Island Beverage
- \*Recipe given.

Mix oil, lemon juice and seasonings; rub well into meat. Dredge meat with flour and brown slowly in fat. Add the tomatoes. Cover closely and cook in a slow oven for about 4 hours or until meat is fork tender.

Swiss steak is cheaper than some cuts of meat, and the leftovers may be used as the meat from pot roast.

- \*Cream Swiss Steak
- 1 1/2 pounds round or arm steak
- 1 1/2 teaspoons salt
- 1/4 teaspoon pepper
- 1/4 cup flour
- 2 tablespoons lard
- 1/2 cup sliced onion
- 1/2 cup water
- 1/2 cup sour cream

Have steak cut 1 1/2 to 2 inches thick. Season with salt and pepper and pound flour well into steak. Brown steak on both sides, in lard or drippings. Add remaining ingredients. Cover closely and simmer for about 3 hours, or until tender.

- Rice-Beef Balls.**
- 1 1/2 pounds ground beef
- 1/2 cup uncooked rice
- 1 teaspoon salt
- 1 tablespoon grated onion
- 1 can tomato soup
- 1/2 cup water
- 2 tablespoons chopped onion
- 2 tablespoons chopped green pepper

Mix meat, rice and seasonings. Shape into small balls and drop them into tomato soup to which the water, onion and green pepper have been added. Cook very slowly for 40 minutes. Serve with tomato sauce poured over them.

A few slivers of leftover meat are easily used in an attractive salad served in shells to make a substantial luncheon dish. Add eggs, cottage cheese and vegetables if you are somewhat shy of meat itself.

Here are two real economy dishes which you'll like for the cooler weather:

- Breaded Oxtails.**  
 (Serves 4)  
 2 oxtails  
 3 sprigs parsley, chopped  
 3 sprigs thyme  
 1 bay leaf  
 Salt and pepper  
 Dash of cayenne  
 1 egg, beaten  
 1 cup sifted dry bread crumbs

Wash oxtails and cut into 4-inch lengths. Cover with boiling water. Add parsley, thyme, bay leaves, salt, pepper and cayenne. Simmer tails until tender, about 2 to 3 hours. Let cool in stock. Drain meat, dip in egg and roll in crumbs. Fry in deep, hot fat (370 degrees) until brown.

- Ham-Sweet Potato Puffs.**  
 (Serves 5)  
 1 cup ground, cooked ham  
 2 cups mashed sweet potatoes  
 1 egg, beaten  
 3/4 cup sifted flour  
 1 teaspoon baking powder  
 1/2 teaspoon salt

Combine ham, sweet potatoes and egg. Sift flour, baking powder and salt together. Add to ham mixture. Drop by spoonfuls onto a hot greased griddle. Brown on each side.

Released by Western Newspaper Union.

For cooked carrots, fleck them with chopped chives or parsley by adding the latter to the melted fat you use for seasoning.

Season chopped, freshly cooked spinach with crumbled bacon and a dash of nutmeg. Top with hard-cooked egg white and yolk, separated and put through a sieve.

Scalloped or stewed tomatoes take on added color and flavor if you add a dash of herbs to them and also a suggestion of finely minced onion and chopped green pepper.

In 1492 Columbus gave us a new land. He did his job well.

What we do with the land since then is our job. We can do our job well if we try. Rotation of crops, contour farming, planting of legumes and cover crops, all help to hold the land he discovered for us.

Observing Columbus Day this bank will not be open for business, Monday October 13th.

When the tread on your tire begins wearing smooth, just consider this:

The last 3 or 4 thousand miles in that tire can be awfully expensive miles. Suppose the tire is bruised and damaged—or suppose it just gets worn so thin it cannot be recapped. Then it is only junk and brings you only a junk price.

**Let Us Buy It!**

Right now if you have a tire that is wearing smooth and is still undamaged we can pay you several dollars for it in trade-in on a new tire. Why risk losing these dollars? Come in and let us bid on your worn tires—TODAY!
