HEDLEY, DONLEY COUNTY, TEXAS, FRIDAY, MAY 7, 1948

NO. 2

Baseball News

Last Sunday was league opening date for St. Francis but it was managers day for the Hedley Lions as they rapped out 32 hits, including 9 home runs from 4 St. Francis pitchers. Hedley won 47 to 12. Manager Reid emptied the bench and all the payers hit well. Billy and Junior Hill did their usual good job of pitching.

Next Sunday the Lions go to Amarillo and play the Superior Manufacturing Team there. The game will be played at Thompson Park 2 miles north of Amarillo at 3 p. m. Since the Lions convention opens on that date several local fans plan to attend.

Notice

We want to thank the people of Hedley for stopping by when passing through Claude, and invite all of you to visit us again. Your trade is appreciated.

Lions Club News

The District Convention of Lions Clubs will be held at Amarillo starting Sunday afternoon. Sunday will be given to religious services, registration and meeting the other delegates. Monday will be the big day, Melvin Jones, founder of the Lions Clubs will head the program, Monday night will be Governor's ball and Tuesday morning will be the voting. All sessions will be held at the Herring Hotel.

Last week some 114 Lions and Ladies enjoyed a good program at the school house. This week the directors and officers meet at the bank to make plans for the convention and other matters. Lion L. D. Messer is convention chairman.

Mills Home Burns

The J. C. Mills home in Windy Valley was destroyed Sunday afternoon by fire believed to have been caused by an oil stove exploding. All the family was away from home except for the 16 year old daughter who was taking a nap. She awoke to find the house in flames and was slightly burned before she could escape through a window. We understand the house and contents were a total loss.

Let C. E. Johnson, manager of the Hedley Telephone Co., write your fire and hail insurance.

The Wise Old Owl

Charlie, looks like you did a very good job of picking a girl this time.

Pete, are you still waiting for that someone to come along? Better go to work or they won't see you.

Babe, did a worrying frown cross your brow Saturday night or does it make any difference one way or another?

Sarah, where were you Sunday night? Better be there or someone will get sort of peeved next time?

Bragg, how much longer is this going to last? Think it will break the limit of time?

Corky, what's up? Haven't seen you and that gal buzzin' around so much lately.

Tabby, how's that "case" of yours progressing, or have you given it up?

Joan Ray, looks as if I must congratulate you. The future looks pretty good, doesn't it?

And now my friends, as there will be only a few more editions of this gossip column for this season, I'll ask a question to a certain Romeo about a certain little nurse Adell, where has she been lately?

School News

The Senior Class play, "Here Comes Patricia," was presented Monday evening to a large audience including many out of town visitors from Clarendon. Bobbie Lee Hall played the leading role with a good supporting cast. Comedy was furnished by R. L. Stone as Tim Hopper and Edward Todd as Bud Flannagan. Music for the evening was furnished by the Clarendon band, resplendent in new uniforms. The play was directed by Mrs. E. Davenport. Tommy Said of Clarendon photographed the climactic scene in the play, using flash bulbs.

Faculty members, school board members and their wives were honored with a dinner at 8:00 p. m. Tuesday in the new banquet hall in the Junior High Building. Chicken and dressing, new potatoes, tomato and lettuce salad, buttered peas, ice cream and cake completed the menu.

The Eighth Grade Class is having their annual banquet Thursday May 6 in the new banquet hall. An entertaining program has been planned by their sponsor with a menu equally interesting.

Invitations to the Junior-Senior Banquet, the high light of the school social season, are out for the forthcoming Friday evening. The Hawaiian motif is being used. Among other items of interest guests will be presented with leis instead of corsages as they enter. Music will be in keeping with the general theme.

Baccalaureate services for the Senior Class will be held at the high school building Sunday evening at 8:00 p. m., May 9. Rev. B. L. Peacock, Presbyterian minister at Memphis, will deliver the sermon. Other local ministers have been invited to help with the program.

The Hedley Owls defeated the Lions Club baseball team Friday 8 to 2.

The Hedley Baseball team stands winner of District 3 B. Tuesday afternoon they beat Sam Norwood in a tough bout over the championship to the tune of 9 to 4. This finishes the season with a record of two exhibition games with Lakeview and Clarendon, dates to be announced later.

As we go to press we regret to learn of the death of Carl Boston of Pampa, who passed away early Thursday morning. Funeral arrangements are incomplete.

Lieut. Jerry Hunt Has Narrow Escape

Tokyo, May 3—The Far East Air Force today released the names of airmen who were in accidents April 27 involving A-26 attack bombers based at Yokota Airfield.

The bodies of three airmen who died in a mid air collision between two of the planes were recovered. The dead men are Pilot Capt. Stanley R. Thomas, San Francisco; Staff Sgt. Ralph H. Cauthen, Route 2, Whitebluff, Tenn.; and Cpl. Allyn L. Pundy, Baldwin, Wis.

Both occupants of the bomber colliding with the Thomas plane parachuted to safety. They were First Lt. Jerry J. Hunt, Hedley, Tex., and Staff Sgt. Charles E. King, Route 1, Walders, Wis.

Byron Reese Writes

Hillsboro, Tex.
April 27

I want to tell you how much we appreciated the floral offerings from the "Hedley Friends," and when I received your letter this morning naming those who had a share in the offering I was very deeply touched. I know that Hedley is not a large place and that in the allotted time not even all those could have been contacted, as I know that Papa must have had quite a few friends there.

His passing was quite a shock to all of us, even the attending physician who had prepared a prescription to commence on Monday. He had been up and about on Friday and had made plans for us to visit on Saturday.

Please convey to the one who made it possible for many kind people to offer their expression of sympathy, our grateful thanks. I shall always think more kindly of the people of Hedley for this thoughtful act.

Sincerely,
Byron Reese

Boys State Winners

The Dairy Products Judging Team from Hedley went to Texas A&M at College Station last Friday and competed with area winners in the state contest. The team was made up of Wendel Penick, Hurschel Ellis and Leonard Carnes. Wendel Penick made the highest individual score of anyone in the entire contest. The boys were awarded a banner which will be displayed as soon as it is received.

As state winners these boys will receive an all expense party trip to the National Contest which will be held in Waterloo, Iowa October 5 and 6.

F.F.A. Teams Attend Area Contest

On April 24 the following teams from Hedley competed in the Area FFA contest held at Lubbock: Dairy Cattle Judging Team: Duane Naylor, Corky Hunsucker and Jerald Proctor

Livestock Judging Team: Jimmie Owens, R. L. Stone, Joe Neal, Bevers

Cotton Classing Team: Leonard Carnes, Billy Harris and Bobby Baker

Poultry Judging Team: Keith Wynn, Bobby Hemelstrand and Kenneth Crawford

Crops Judging Team: Jerrol Peters, Adrian Youngblood and Eldon Duckworth

Dairy Products Team: Leonard Carnes, Hurschel Ellis and Wendel Penick

Of the entire contest among 89 schools Hedley was third place sweepstake winner. The dairy products team was the winner in its contest. The crops judging team placed seventh and the cotton classing team also placed seventh. The placings of the other teams from Hedley were not known, but they were not eliminated among the top 10.

Rita Johnson, beautiful in colored swiss, with ruffled pants and curls, singing "Wilt Thou Be Gone, Love?" in a balcony scene with Corky Hunsucker.

Joan Ray Moreman, dark haired and magnolia complexioned, thrilling over a new folio of music or swinging down the hall with a freshman in tow and a new song that needs practicing.

Duane Naylor, dignified deep-voiced, trying to soften his tones in a love scene with the leading lady in the class play, dominating the situation as the Solemn Ole Judge in "The Grand Old Opry."

Jimmie Owens, likable and friendly, singing "Camp Town Races" as black-face comedian in the operetta, "In an Old Kentucky Garden."

Bobbie Lee Hall as leading lady in the class play, "Here Comes Patricia," a petite and demure five feet four to the hero's five feet five.

DAILY NEWS ANALYSIS

Anti-Communist Coalition Crushes Red Opponents in Italian Election; Lewis, Miners Fined for Contempt

By Bill Schoentgen, WNU Staff Writer

EDITOR'S NOTE: When opinions are expressed in these columns, they are those of the Western Newspaper Union's news analysis and not necessarily of this newspaper.

EAST, WEST: In Italy. By the time officials finished counting the first vote returns from Italy's national election there was no longer any element of surprise...

Unusual thing was that the anti-Communist coalition, comprising the Christian Democrats, Republicans and Social Unity party had scored such a top-heavy victory. They led everywhere, even in the so-called "Red North" where Communists had amassed considerable strength in the industrial cities.

Victory of the anti-Communists in the election was, in a manner of speaking, a clear-cut victory of inviolent capitalism over militant communism. As such it could exert tremendous influence on the course of European history.

The Red army was not a factor in the Italian elections. It was a factor, either through its immediate presence or its threatening proximity, in the coups of Czechoslovakia, Poland, Romania, Bulgaria and eastern Germany.

After having pushed the partition plan through the U. N. by the sheer weight of its apparent conviction, the U. S. suddenly abandoned its support of partition in order to dabble in power politics with Middle East oil as the stakes.

It was almost a verbatim re-enactment of the Lewis-Goldsborough drama of 1946 when the judge fined Lewis \$10,000 and the union 3.5 million dollars for contempt.

Dr. Hugh Hencken, director of the American School of Prehistoric Research, returned from the expedition with...

Gen. Omar Bradley, army chief of staff, told the house armed services committee that in the event of another war, the U. S. must occupy Greenland, Iceland, Spitzbergen and the Azores or expose its industrial and population centers to air attacks.

HOLY LAND: What Now? In its first positive action since the U. S. backed away from its stand favoring partition, the United Nations security council issued a call to both Jews and Arabs to stop fighting in Palestine.

Russia, continuing to favor the partition plan, refused to support the truce proposal but at the same time Andrei Gromyko, Soviet delegate, refrained from applying Russia's big-power veto and thus permitted the agreement to be concluded.

There was no assurance that either Jewish or Arab forces would agree to a United Nations truce and lay down their arms.

While the American U. N. delegation was playing hard-to-get, other delegates were asking "What are we here for?"

Another batch of atoms has been exploded on the sea-girt wastes of Eniwetok atoll in the far western Pacific.

In the words of the U. S. atomic energy commission, the event marked the successful completion of an "atomic weapon."

NEBRASKA: Stassen Again

Harold E. Stassen had husked his political corn well in Nebraska. Voters in the state's preferential primary—typed this year as a "popularity poll"—showed their favors on the wayfaring campaigner from Minnesota in a field of seven Republican presidential aspirants.

Results of the Nebraska balloting gave Stassen 18 national convention delegates for at least the first ballot. Legally, Nebraska's delegates go to the national convention unpledged.

Ohio's Sen. Robert Taft, who had the support of Sen. Hugh Butler's state political organization, took third place, although he had been expected to show considerable strength in Nebraska.

Stassen had generated a lot of horsepower because of his Wisconsin and Nebraska victories. Conceivably, he could sweep the GOP convention, although that contingency was by no means certain yet.

Epidio Quirino, vice-president of the Republic of the Philippines, succeeded to the presidency upon the death of President Manuel Roxas. Roxas died in a Clark field hospital, only a short time after uttering a pledge of "indestructible faith" between the American and Philippine peoples.

They found that business activity had been growing stronger in recent weeks and concluded that this increasing strength must be interpreted in the light of the economic impact of lowered taxes, the foreign aid program and stepped-up military spending.

IN SCRANTON... Mrs. Mamie Francione pointed out that drinking is bad for the liver, dancing is hard on the heart, singing weakens the lungs, cited her abstinence from all three activities as the reason she has lived to be 100.

ABOUT OUR PRESIDENTS. PRESIDENT TRUMAN has the unique distinction of having approved several bills which he had signed as presiding officer of the senate. He vetoed a private bill as President of the United States which he had signed as president of the senate when he was vice president.

Lumber Firms Note Year of Prosperity. Continued High Demand and Price Drop Foreseen.

From where I sit... by Joe Marsh

"What's Your Opinion, Mister?"

Fellow from one of those public opinion polls was in Andy's Garden Tavern, querying Andy's patrons on everything from that "new look" to the next election. And it occurred to me that there's nothing more typically American than collecting other folks' opinions, as well as giving out with one's own. And from where I sit, it's a mighty healthy habit. So long as people can discuss both sides of a question that comes up—whether it concerns short skirts versus long, beer compared with cider, or the larger issues of party versus party—we're sure of the individual liberty that has made this country great. For it isn't differences of opinion that matter. The important thing is tolerance for differences of opinion—whether they affect the right of an individual to vote, to speak his mind, or enjoy a glass of beer. They're all parts of the freedom that we cherish!

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—the risk of exposure and infection—shows heavy strain on the kidneys. They are apt to become fatigued and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. *Doan's* is a registered trademark.

LITTLE ILLS

BIG BILLS!

True, that "little illness" we've been mentioning in an offhand way, may not amount to much—just a few faint symptoms, but neglected, those "little ills" can lead to big bills for doctors, medicines, etc; not to mention needless suffering and loss of precious time. Consult a Doctor now—we'll save by it in the end. And, of course, we hope you'll bring his prescription to us for careful compounding.

DURHAM PHARMACY

Look who gets squeezed!

Union leaders representing less than one-tenth of railroad employees reject recommendations of President's Emergency board—refuse to negotiate except on their own terms—threaten to paralyze nation by strike!

THE LEADERS of three railroad unions, representing less than one-tenth of all railroad employees, have called a railroad strike that would paralyze the nation.

These leaders refuse to accept a 15% cents an hour wage increase retroactive to November 1, 1947. This increase was recommended by an impartial Emergency Board appointed by President Truman.

This increase of 15 1/2 cents already had been accepted by the 19 other railroad unions. But the Brotherhood of Locomotive Engineers, and the Brotherhood of Locomotive Firemen and Engineers, and the Switchmen's Union of North America won't accept what most other 90% of all railroad employees have accepted. They have called a strike to get more!

Unions refuse rules discussion. Certain rules changes demanded by these union leaders—which would increase wages still further—were recommended by the Board. But the union leaders want more—they demand that the railroads put into effect ALL the changes they asked for, including those the Board felt should be denied.

On top of this, they insist that certain rules changes proposed by the railroads be withdrawn—in spite of the fact that the Board recommended them! These union leaders have refused to negotiate except upon these arbitrary terms.

Greater wage increase not justified. Engineers and firemen are among the highest paid of all employes in America, as figures in the box show. This strike threat doesn't justify giving a greater increase than other railroad workers received.

Emergency Boards are a means provided by the Railway Labor Act in the public interest to avoid strikes. The President's board,

after hearing evidence for 33 days, made recommendations based on all the facts in the case. The railroads have accepted these recommendations.

Who's to blame?

Although they deplored so large an extra cost burden, the railroads accepted the report of the Board because they felt it was in the public interest to uphold the spirit and intent of the Railway Labor Act.

In contrast, this small group of railroad union leaders are attempting to flout the intent and spirit of the Railway Labor Act, and dictate their own terms. They have dictated a paralyzing railroad strike.

You will be the victim!

How long will the American public stand for the undemocratic, arbitrary, and abusive use of the right to strike and the disregard of the obligation to provide transportation? How long can the American people permit a few dictatorial union leaders to defy the processes provided for peaceful settlement of disputes?

Force seldom produces settlements that are either fair or lasting. Moreover, a point is often reached when personal interests must be held subordinate to the greater public welfare. That is why the railroads have accepted the Emergency Board recommendations. That is also why the leaders of these three unions should reconsider their decision to call a paralyzing strike.

Compare these wages with what you make!

WHY TAKE HARSH LAXATIVES?
Try Healthful Lemon in Water

The juice of a lemon in a glass of water, when taken first thing on arising, is all that most people need to insure prompt, normal elimination. No more harsh laxatives that irritate the digestive tract and impair nutrition! Lemon in water is good for you! Generations of Americans have taken lemons for health—and generations of doctors have recommended them. They are rich in vitamin C; supply valuable amounts of B₁ and P. They alkalize; aid digestion.

Not too sharp or sour, lemon in water has a refreshing tang—clears the mouth, wakes you up. It's not a purgative—simply helps your system regulate itself. Try it 10 days. USE CALIFORNIA SUNKIST LEMONS

Watch Your Kidneys!
Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and speed the whole body machinery.
Symptoms may be nagging headache, persistent back pain, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Patrick Henry's Old Home

To Become National Shrine
For a long time the home where Patrick Henry lived and is buried was forgotten. Now it has become an American shrine.

The Henry home—Red Hill, in Charlotte county, Virginia—which was burned in 1919, is to be restored as it was in Patrick Henry's time, and furnished with the furniture and decorations that Patrick Henry had.

This great patriot won his first fame by demanding for colonial Virginians the rights of Englishmen. He won his greatest fame by demanding for all Americans complete freedom forever from England.

Although a slave-holder, Patrick Henry considered slave-holding an economic curse as well as a social evil. He was a lawyer by profession, and also a very successful politician.

By 1775 war was imminent. On March 23 Patrick Henry offered a resolution to organize the Virginia militia and put the colony in a state of defense. In supporting it he made his most famous speech, which closes with the declaration: "Give me liberty or give me death!"

Canning Rules Insist On Perfect Ripeness, Freshness of Produce

There never was a canning rule better devised than the one about putting up your fruit and vegetables at their peak of freshness and while they are perfectly ripened. If you have your own garden of strawberries, peas and asparagus, you can check them every day and decide when perfection has been reached.

Then whisk the produce into your kitchen where jars and canning equipment wait in readiness. Following directions, you may be certain you have caught the produce at its best, thus assuring perfect eating enjoyment later.

The early canning we want to get out of way includes strawberries, rhubarb, peas and asparagus, par-

Berries used for jams and jellies should be fresh and ripe. Wash in plenty of water just before using. It's best to wash and then pick off the hulls.

Particularly. It may seem early, but right now is the time when these delicacies are coming to their best form.

*Strawberry Jam (Makes about 5 six-ounce glasses)
2 1/8 cups prepared fruit
3 1/2 cups sugar
1/4 cup bottled fruit pectin

To prepare the fruit. Crush thoroughly about one quart full ripe strawberries. Measure 2 1/8 cups into a large saucepan.

To make the jam. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard one minute, stirring constantly.

Remove from heat and stir in bottled fruit pectin. (Scrape all bottled fruit pectin from measuring cup.) Then stir and skim by turns for three minutes to cool slightly, to prevent floating fruit. Pour quickly into glasses. Paraffin at once.

Strawberry Rhubarb Jam (Makes 8 glasses)
1 cup prepared strawberries
1 1/2 cups prepared rhubarb
2 1/2 cups extra sweet corn syrup
1 cup sugar

Wash, stem and crush strawberries. Wash and slice rhubarb, add corn syrup and sugar. Boil until thickened or jam is 220 degrees. Skim and cool five minutes to prevent fruit from floating. Pour into clean hot jelly glasses. Cover with melted paraffin.

Raspberry Jelly (5 or 6 glasses)
2 cups raspberry juice
2 cups extra-sweet corn syrup
1 1/2 cups sugar
1/2 cup liquid pectin
1 tablespoon lemon juice

To prepare juice: Sort and wash slightly underripe raspberries, drain. Crush berries. Simmer 10 minutes. Strain through jelly rag. Measure juice and mix with corn syrup, sugar and liquid pectin. Boil until jelly stage is reached (221 degrees) or mixture threads from a spoon. Add lemon juice. Remove from heat. Skim. Pour into clean hot jelly glasses. Cover with melted paraffin.

Strawberry Sunshine Preserves
2 quarts strawberries
3 cups sugar

Wash and hull berries. Leave whole. Add sugar and stir just enough to mix. Heat in a flat pan over a low burner. Stir occasionally to prevent sticking. When the boiling point has been reached remove from heat and pour into flat pans. Cover with panes of window glass and let stand in the sunshine about two days, or until the syrup is thick. Seal in clean jars.

Tutti Frutti Jam
4 cups strawberries or raspberries
2 cups gooseberries
2 cups currants
2 cups diced rhubarb or pitted cherries
Sugar (3/4 as much as fruit pulp)

Mash fruits and heat gently until juicy and well mixed. Measure and add three-fourths as much sugar as fruit. Cook rapidly and stir the mixture until thickened, about 20 minutes. Pour into clean, hot jars and seal.

Asparagus
Remove scales from stalk. Wash thoroughly to remove all soil. Cut in jar lengths. Tie in bundles, place tips up in boiling water to cover lower tough portions. Cover vessel tightly. Pre-cook three minutes. Drain, pack into clean pint jars, tips up. Add 1/2 teaspoon salt to each jar if desired, fill jar to within 1/2 inch of top with water in which vegetable was pre-cooked or boiling water. Put on cap, screwing the band tight. Process 40 minutes at 10 pounds in pressure cooker.

Peas
Use only young tender, freshly gathered peas. Shell, wash and sort according to size. Pre-cook three to seven minutes, depending on the age and size of the peas. Pack loosely to within one inch of top into clean jars. Fill to within 1/2 inch of top with water in which vegetable was pre-cooked or boiling water. Add one teaspoon of salt and sugar mixture to each pint jar if desired. Put on cap, screwing the band tight. Process 60 minutes at 10 pounds in pressure cooker.

If you want to put up strawberries and rhubarb, the methods are really very simple. I am giving two that will work well, one for strawberries that will not float, and an easy oven baked rhubarb that needs to be processed for only five minutes in the water bath.

Baked Rhubarb
Wash and cut rhubarb into one-inch lengths without removing the skin. Place in a baking dish and add one cup sugar to each quart of rhubarb. Cover dish and bake until

rhubarb is tender. Place rhubarb and syrup which has formed, into clean jars to within 1/2 inch of the top. Put on cap and adjust according to manufacturers' instructions. Process in water bath five minutes.

Strawberries (Will Not Float)
1 cup sugar
2 pounds strawberries
1/2 cup strawberry juice

Boil together the sugar and strawberry juice. This juice may be obtained by crushing and heating some of the hulls or overripe berries. Cool and add the whole berries, then boil for three minutes. Cover the vessel, then set aside for four hours or overnight. Pack into clean jars to within one-half inch of the top. Adjust cap. Process in water bath for 15 minutes.

A Real Thirst Quencher

A refreshing fruit drink always is welcome as the warm days of spring and summer approach. Try the following for the evening's refreshments: For four glasses, combine two cups orange juice, one-half cup lemon or lime juice, one-half cup diced or shredded fresh pineapple. Chill thoroughly. Pour into glasses with chipped ice or ice cubes, fill with gingerale.
