Lions Club News

The Hedley Lions will play the Carendon Independent Basketball team at the High School Auditorium Thursday night at 8:30 p. m. The team from Clarendon has some mighty big boys and should give the Lions a tough struggle.

This week is regular meeting night and next week is directors meeting. Several of the Lions have ordered the Lions Club convention jackets. Anyone interested in a jacket see Lion Clifford Johnson.

American Legion

District Commander Charley Gibson of Amarillo installed the officers of the local American Legion Post last Tuesday night. Other out of town guests were Roy Beard, State Service Officer and District Adjutant of Amarillo Cotton Johnson of the Claude American Legion Post, L. E. Pitt, Commander of the Amarillo Legion Post and Ray Smith of Amarillo, who is Service Officer for Potter County.

The Post is trying to get in half its quota of 1949 members by the District Convention which will be held at Dalhart November 13th and 14th. Another important Legion meeting will be the membership meeting at Amarillo Sunday October 24th.

Rev. Frank Story, Kelley Neighbours and W. H. Jones attended a Masonic Lodge meeting at Mangum, Okla. Monday night.

Mr. and Mrs. R. W. Alewine returned Sunday from a ten day visit with Rev. T. E. Caldwell and family at Thornton.

Miss Myrtle Reeves spent last week end in Amarillo and heard singer James Melton.

Mr. and Mrs. Joe Green of Bethany, Okla., visited in the R. W. Alewine home Tuesday night.

J. P. Devine

J. P. Devine, Hedley's earliest settler, passed away last Wednesday in a Memphis hospital. He was 74 years of age. Funeral services were held Friday from the First Methodist church by Rev. B. L. Peacock, assisted by Rev. Frank Story. Burial was in Rowe cemetery under direction of Womack Funeral Home. The Hedley Masonic Lodge was in charge.

Joseph Patrick Devine was born July 18, 1874, in Rockford, Ill. He came to this section at the age of 16 from Longmont, Colo., in 1890, and worked on the RO Ranch for 10 years, the JA Ranch for 2 years, and spent 10 years drilling wells in this vicinity. He was among the cowboys who helped pay for the first school building at Giles by attending the benefit balls given by the ladies of the community. He was connected with the Hedley waterworks for 19 years.

He was a member of the Presbyterian church here, uniting with the Methodist church after the Presbyterians disbanded.

He is survived by three sisters, Mrs. Lillie (Crawford) Baylor of Amarillo, Mrs. Jennie Orr of Tujunga, Calif., and Mrs. Margaret Brown of Naco, Ariz.

Resolution of Respect

It is with deep sorrow the members of Hedley Lodge No. 991 A.F.&A. M. record the death of our beloved brother, J. P. Devine, who departed this life at Memphis, Texas October 6th 1948.

He was a member of the Presbyterian Church, has been a Master Mason forty-six years and was a charter member of Hedley Lodge which received its charter Dec. 9th 1909. He exemplified the principles of masonry and of Christianity in his daily living.

Mindful of their association with Brother Devine and his faithfulness the Lodge records its appreciation of him by adopting the following:

Be it resolved, That we attest to the inspiration and support which Brother Devine gave to the order of Free Masons which he so faithfully served.

Be it further resolved, That a copy of this resolution be spread on the minutes of the Hedley Lodge No. 991 A.F.&A.M., that a copy be sent to his sisters and a copy be furnished the Hedley Informer for publication.

Mrs. S. F. Johnson

Mrs. S. F. Johnson, a resident of Hedley for 22 years, passed away last Thursday at the home of her son, A. P. Johnson, after a lengthy illness. Funeral services were held Friday from the Church of Christ by M. F. Manchener, assisted by Minister Litton of Wheeler. Interment was in Rowe cemetery with Womack Funeral Home in charge.

Pallbearers included John Dickson, Bert Usrey, Lee Usrey, Raymond Everett, Leonard Baggett and Jess Mann.

Hettie Ann White was born July 20, 1883, at Rising Star. She was married to S. F. Johnson at Emmett, Okla., on July 22, 1900. They moved to Hedley in 1926 from Pauls Valley, Okla., and had lived here since that time. She was converted in 1912 and united with the Church of Christ.

She is survived by her husband, S. F. Johnson, five sons, A. P., W. C. and C. A. of Hedley, Louis of Amarillo, and C. C. of Wheeler; three daughters, Mrs. Troy Seby of Hedley, Mrs. E. O. Mays of Amarillo and Mrs. Al Babish of Lancaster, Calif., her mother, Mrs. T. E. White of Atoka, Okla., three sisters, Mrs. Minnie Watson and Mrs. Abbie Blakely of Atoka and Mrs. Oscar Webb of Lamont, Calif.; one brother, H. A. White of Sand Springs, Okla., sixteen grandchildren and eight great-grandchildren.

About 35 out of town relatives attended the funeral.

Hedley Boys Win

Coach L. E. Groves and three members of the F.F.A. class attended the national F.F.A. dairy cattle, dairy products and poultry judging at Waterloo, Iowa, October 5, 6 and 7. The Hedley boys were the dairy products judging team, consisting of Wendel Penick, Leonard Carnes and Hurshe Ellis.

Penick won a gold emblem award in the judging, and Carnes won a silver award.

Birthday Party

Luanne Davis, daughter of Mr. and Mrs. A. L. Davis, celebrated her tenth birthday with a party at her home recently. Games and contests were enjoyed. Balloons, candy and gum were served as favors.

Refreshments of ice cream and cookies were served to fifteen guests.

WEEKLY NEWS ANALYSIS Western Allies Place Berlin Issue Before U.N. as Negotiations Fail; Two Unions Barred From A-Plants

By Bill Schoentgen, WNU Staff Writer

EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspapers, unless otherwise stated and not necessarily of this newspaper.

'BLACK FURY': Peace Threat

There was no war in sight, yet the East-West situation was starkly dangerous. It was dangerous for the United States, Great Britain, France and Russia—and for the United Nations which now had to thrust its hands into the tangled skein of diplomatic threads and try to straighten out the snarls.

PRACTICALLY no optimism existed among U. N. delegations in Paris. There was no reason for any. The United States, Britain and France had broken off negotiations with Russia over blockaded Berlin and referred the issue to the U. N. security council as a threat to peace.

No hint of appeasement appeared in the western nations' attitude. They said they would reserve to themselves the full right to take whatever measures were necessary to maintain their position in Berlin while referring the case to the U. N.

BRITISH FOREIGN Secretary Ernest Bevin told the U. N. general assembly that Russia would be to blame if a "black fury," the incalculable disaster of atomic war, strikes the world.

Immediate cause of this inflamed condition in Europe was the blatant bad faith exercised by the Soviets during the 58-day series of talks in Moscow between the three western ambassadors and Stalin and Molotov.

After the three ambassadors, Smith of the U. S., Roberts of England and Chataigneau of France, had left the Soviet capital the western allies made public a 24,000-word "white paper" charging the Russians with wenching on a secret agreement by Stalin to lift the Berlin blockade.

WHEN THE western nations discovered the disillusioning fact that Russia was literally trying to pull a fast one in order to gain control of Berlin, further direct negotiation was patently useless. Thus, the issue was turned over to the security council.

Not that anyone hoped the security council would be able to take any effective action. The Russian veto probably would nullify any efforts it might make.

MOTIVES: Russian. Washington believes the crisis centering in Berlin will continue at fever pitch at least until next spring—provided it does not explode into total war before then.

It is a bad outlook, of course, from the U. S. viewpoint. But for the Russians the coming six months loom as a golden opportunity to expand their power in Europe and throughout the world.

THEY WILL be able to do this, they believe, because American efforts and sentiment will be divided and weakened by the election campaign.

Official Soviet attitude is that American leaders will be so immersed in domestic affairs that they will be able to give only a fraction

Futility Unlimited

NO ATOMS: Two Unions. Morally afraid of skulduggery at the atomic crossroads, the government has acted to bar unions whose officers refuse to take the non-Communist oath from its atom bomb plants.

SPECIFICALLY, the atomic energy commission issued an order telling two CIO unions to keep out of atomic installations—the CIO United Electric Workers and the CIO United Public Workers.

The action came on the heels of congressional charges that a network of Soviet spy rings tried during the war to dig up atomic secrets.

Also, the atomic energy commission said, other unions from now on will be recognized officially as qualified to work in atom plants only if they can qualify for certification by the national labor relations board.

Said David E. Lilienthal, chairman of the commission, all atomic energy facilities must be operated "in a manner best calculated to assure that those who participate in the program are loyal to the United States."

ACTUALLY, UNION activity in all atomic plants, with the exception of the one at Oak Ridge, has been curtailed sharply since the atomic bomb project was launched. Nevertheless a number of unions have tried to keep active in the hope that the curbs on union organizational work would be eased in the future.

A congressional committee had heard testimony from a self-described former Communist that the United Electrical Workers was "the great Communist-dominated organization."

Russia, the only nation that has not closed its lend-lease account with the U. S., has been asked to pay up pronto.

The state department, in a new note, called upon the Soviets to resume negotiations for settling its long overdue lend-lease account of 11 billion dollars.

News of the action was kept secret for two weeks for fear of upsetting the delicate Berlin discussions.

How to Celebrate Your Wedding Anniversary

The "Dutch" Millers celebrated their Tin Wedding Anniversary Saturday. Everything had to be tin. Folks even ate off tin plates, and drank coffee out of tin cups.

When it was time to drink a toast to the "bride and groom," out came the final touch: ice cold beer in cans. And come the Millers' 15th anniversary (Gians) I expect we'll be toasting them with sparkling beer in bottles!

And I couldn't help thinking that there was a lesson for married folks in the way Dutch and his

missus have got along together—in their policy of live-and-let-live, with never a criticism of each other's differences in taste.

From where I sit, it's due to two things: Temperance—as that moderate preference for beer suggests—and Tolerance—for their own differences of opinion—and for the tastes of others, whether apt to beer, to politics, or how to brate an anniversary.

Leading a tank car with liquefied petroleum gas.

NATURAL Gasoline RECOVERED FROM NATURAL GAS...

The gasoline in your car may once have been natural gas. Yes, modern methods of processing raw gas as it comes from the well provide a cleaner, better gas for your use, and, from some gas, recover valuable liquid hydrocarbons which might otherwise be wasted. Some of these products of the gas well are kerosene, motor fuel and bottled gas for the farm and home. Recovery of liquid hydrocarbons from natural gas helps to meet the growing demand for petroleum products, and provides increased income for land and royalty owners.

Processing of gas is one of many functions of the United Gas organization... all of which have the ultimate purpose of assuring a continued dependable supply of natural gas for our customers.

UNITED GAS ...
Serving the Gulf South

"Wet" gas from the well is passed through a separator, which removes condensate liquids and foreign materials.

In a series of processes, the condensate is broken down into motor fuel base, kerosene and residual oils.

The gas passes through absorbers, fractionators, stills and distillation equipment which recover natural gasoline, normal butane, isobutane and propane.

The denuded gas then moves through a dehydrator to eliminate water vapors and is placed in pipe lines for movement to market. Natural gasoline is blended with the base motor fuel to produce "premium" and "regular" grades of gasoline.

When Your Back Hurts

And Your Strength and Energy Is Below Par
 It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
 You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up at night, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

LITTLE ILLS MAKE BIG BILLS!

True, that "little ill-ness" you've been mentioning in an offhand way, may not seem to amount to much—just a few faint symptoms. But, neglected, these "little ill-ness" can lead to big bills for doctors, medicines, etc; not to mention needless suffering and loss of precious time. Consult a Doctor now—you'll save by it in the end. And, of course, we hope you'll bring his prescription to us for careful compounding.

Uncle Sam Says

Farming is a combination of a business and a home. And you farmers realize that a well-managed business must maintain a financial reserve as security against future needs and emergencies. This reserve is built up during the good years, like this one, when many crops are the biggest in history. It must be in the safest possible form and always available. Nothing meets these requirements so well as U. S. Savings Bonds. You know that Savings Bonds provide more security than cash because they will be replaced if lost or stolen and they also bear interest, paying \$4 for every \$3 invested, in ten years. U. S. HOUSEHOLD MEMOS... by Lynn Chambers

Families Enjoy Variety in Desserts!
(See Recipes Below)

Dessert Patterns
"MY FAMILY CAN enjoy the same meat and vegetable dishes," says a homemaker, "but they really want variety in their desserts. It's hard to keep enough good, easy to make things on hand to satisfy them."
Well, our hunger patterns are usually satisfied by the time we get to the "frosting" of the meal, and we all like something special. We may want to savor the main course, but we like surprises for desserts.

The woman who is busy with many household duties might like to skip dessert just because she can't think of something new, or because desserts are a bit too complicated to prepare, or so she thinks. How about some easy but sure to be good desserts for family or company dinners?

YOU'LL WANT to choose a light, fluffy gelatin or fruit dessert when the meal's been substantial. If, on the other hand, the meal has been a hurry-up affair then give the folks a nice, rich, baked dessert which will really stick to the ribs. Above all, make them picture pretty, gay, colorful and breath-takingly good like those in the column today.

Cranberry Log
1/2 cup sifted cake flour
1/2 teaspoon baking powder
1/4 teaspoon salt
3 egg yolks
3 egg whites
1/4 teaspoon cream of tartar
1/2 cup sugar

Beat egg whites until frothy. Add cream of tartar and beat stiff. Add 1/4 cup sugar and beat until points are formed. Add remaining sugar to egg yolks and beat until thick and light colored. Fold carefully into egg white mixture. Then fold in sifted dry ingredients. Pour into a shallow pan, 9 by 12 inches, which has been greased and lined with waxed paper. Bake 20-25 minutes at 350 degrees. Have ready a strip of waxed paper cut about 15 inches longer than the cake. Sprinkle thickly with powdered sugar the section on which the cake will be turned. Roll up 15 inches of paper to form a thin roller which will make center for the rolled cake.

When cake has baked, turn out on powdered sugar. Remove paper from cake. Then, starting with roller, roll up cake like a jelly roll. Cool. Unroll cake when cool and spread with softened cream cheese and reroll tightly.

Cherry Cream Pudding
(Serves 6-8)
6 eggs, separated
1 1/4 cups sugar
1/2 cup boiling water
1 cup sifted cake flour
1 teaspoon cream of tartar
1/2 teaspoon vanilla
1/2 teaspoon almond extract

Slowly boil sugar and water until it threads when dropped from the end of a spoon. Beat the whites stiff. Pour hot syrup over whites slowly, and beat until cool. Beat egg yolks until thick and lemon-colored and blend in egg white mixture. Add

flavorings, then sifted dry ingredients. Bake in an ungreased tube pan in a moderate (350 degrees) oven until golden and done, about one hour. Cool and fill center with one can (No. 1) of black, pitted cherries which have been folded in two cups sweetened whipped cream.

Molded Rice Pudding
(Serves 6-8)
2 cups cooked rice
1 No. 2 1/2 size can apricots
2 tablespoons gelatin
1/4 cup cold water
2 slices pineapple, cut up
1 cup whipping cream
2 tablespoons sugar
1 teaspoon vanilla

Add the juice from the can of apricots to the cooked rice. Stir over a low flame until rice has absorbed the juice. Soak gelatin in cold water. Stir into hot rice. Add all except a few apricots (saved for garnish) which have been rubbed through a sieve. Mix in pineapple. Mix lightly so as not to mash the rice. When mixture begins to set, add whipped cream which has been mixed with sugar and vanilla. Pour into a cold rinsed mold and allow to chill. Turn out onto platter and garnish with apricot halves and additional whipped cream, if desired.

HERE ARE EASY variations of an unflavored gelatin and orange juice dessert. You also may use any other fruit juice you prefer to unlock even more possibilities for you.

Basic Clear Orange Gelatine
(Serves 4)
1 envelope unflavored gelatin
1/2 cup cold orange juice
1 1/4 cups hot orange juice
1/2 cup sugar
1/2 teaspoon salt

Soften gelatine in cold orange juice. Add hot orange juice, sugar and salt; stir until dissolved. Pour into molds and chill until firm.

ORANGE WHIP: Use basic recipe with following change. Chill gelatin mixture until slightly thicker than unbeaten egg whites; beat with rotary beater until light and fluffy. Turn into molds and chill until firm.

***ORANGE SPANISH CREAM:** Use basic recipe with following changes. Soften gelatin in one cup cold milk in top of double boiler. Place over boiling water. Add sugar and salt and stir until gelatin and sugar are dissolved. Beat two egg yolks slightly. Pour a small amount of the hot mixture over egg yolks. Return to double boiler and cook over hot, not boiling, water, stirring constantly until mixture coats the spoon. Remove from heat; cool. Stir in three-quarter cup cold orange juice; chill until thickened. Beat two egg whites until stiff. Fold in gelatin mixture and chill until firm in mold.

Serve hot breads with plenty of sweetened spreads such as jam, jelly, marmalade or fruit butters to add calories to otherwise slender meals.
Ham, broccoli and cheese baked in ramekins provide a tasty and nourishing cold weather main dish. Use a cream sauce to bind all ingredients together.
The addition of chopped eggs to salad dressings for vegetable or main dish salads is an excellent way of getting your daily quota of this fine protein...

You Build It Handy Rack for Family Clothes

If you will spend an evening's time making this rack you can help eliminate many family arguments. With this handy rack available, stockings, lingerie and other personals will not have to be hung up in the bathroom. While small, this rack provides ample space for drying everything from the children's clothes to whatever else you've got to wash in a hurry. Place it next to a radiator when not in use.

The pattern offered below provides the quickest method of building the rack illustrated. The pattern is traced on wood which the pattern specifies. Each part is then sawed and assembled exactly as step by step directions indicate. No special tools or skill are required. The small pieces of lumber and dowels which pattern specifies can be purchased at small cost from your local lumber dealer.

So for peace in the family, a convenient drying rack and the relaxation you'll get making it, send 25 cents for Pattern No. 29 to East-Bild Pattern Co., Dept. W, Pleasantville, N. Y.
