Mr. and Mrs. O. C. Plunk

It is not too late to have a part in the Christian Rural Overseas Program (C. R. O. P.). This is a cooperative effort of many denominations to relieve suffering in the western countries. Texas A. & M. College extension service is handling the publicity and organizing the forces for the drive. The distribution will be made in the overseas areas by Church World Service, the Lutheran Overseas committee and Catholic Relief organizations. Each group will handle offerings designated by their groups.

Suffering over there is intense. It is estimated that 1,000,000 will starve to death this winter. What could we do to show the Spirit of Christ than to offer some grain or foodstuff in the name of Christ and His Churches to those who are both hungry and cold.

Please bring grain in sacks and food in tin cans. These will be collected here and sent to Clarendon for shipment to the needy peoples abroad. Please see Frank Story or Mr. Groves for information. A place will be provided in a convenient location to take care of your offerings.

Mr. and Mrs. W. A. Pierce have moved back to Hedley to make their home.

Mrs. T. A. Webb and daughter, Mrs. T. R. Adkins and small daughter of Amarillo visited in the S. G. Adamson home Monday.

E. P. Ford left this week for Amarillo where he plans to make his home.

Warning

Shooting fre crackers inside the fire zone in Hedley is a violation of a city ordinance. This ordinance will be enforced, with a fine of from \$1.00 to 10.00 for each offense.

By order of the City Council

Willie Johnson for flowers, phone 58.

The Wise Old Owl

Well, I'm back again this week ready to go with the latest gossip. Kay, do you plan on wedding bells soon? Sure is a pretty ring Joan Ray, you are kept busy here lately. Wish I had as many male admirers as you.

Anita, sorry to get you in trouble last week, but you should not tell people of your secret dates. Say, what were your plans last Friday night? Did they work the way you planned?

Wanda Lee, do you really think he is true to you in Amarillo? Time will tell.

Sara, have you found out about those Clarendon girls or does Johnie not trifle on you?

The question of the week: Will Brick find out who Rita rode with coming back from Lellis Lake? Jimmy, it's a shame the lights were on.

Donkey Basketball

Ralph Godfrey's Donkeys from Crescent, Oklahoma will perform in the Hedley Public School's gymnasium Saturday night, Dec. 4th at 7:30 o'clock. The Lions Club boys will play against the American Legion team. This program is sponsored by the Lions Club. Everyone is invited to attend and enjoy this program. Admission will be 30¢ and 60¢, tax included.

Study Club Honored

Of unusual beauty was the dinner party given last Thursday evening honoring the 1919 Study Club. The Woman's Culture Club was hostess for the occasion. In keeping with the Thanksgiving motif the dinner table was attractively decorated. The centerpiece was a cornucopia of fruits and nuts. Garlands of greenery intermingled with miniature turkeys and pumpkins were linked about the lighted candles of green and orange.

Guests were greeted by the Culture Club president Mrs. Frank Murray, who acted as toastmistress and very graciously introduced the guest artists of the evening.

Mrs. Frank Phelan Jr. sang three selections accompanied at the piano by Mrs. Raymond Smith. Mrs. Joe Ritter gave three readings in negro dialect. These ladies were from Clarendon as was Mrs. Carl Allmond, a guest.

Those visiting in the home of Mr. and Mrs. W. M. McBrayer Sunday were Mr. and Mrs. O. L. McBrayer and children Gene, Jerry Dale, Barbara Marlene and David, S-Sgt. James Reagan Clements and wife and children Joe Clide, Toni, Soni and Reagan Jr. of El Paso, and Mr. and Mrs. Wallace Todd of Amarillo. The Clements remained over night as they were moving to Shreveport, La.

Mrs. Loman Henry and children from Monitor, Washington are visiting this week in the home of her parents, Mr. and Mrs. Jess Mann.

Misses Jackie and Barbara Wells of Memphis spent the past week end visiting Miss Jo Ann Adamson.

Mrs. A. L. Simmons

Funeral services for Mrs. A. L. Simmons, who passed away Tuesday at her home in Hereford, will be held at the First Baptist church at Hereford Friday morning at 10 o'clock. Burial will be in Rowe cemetery here at 2:30 Friday afternoon. Brief graveside services will be held.

Maybelle Sanderlin was born near Nacogdoches, Texas, on May 1, 1883. She was married to A. L. Simmons Nov. 19, 1901, near Meridian. After making their home there for several years, they moved to Hedley, and later lived in Melrose and Portales before moving to Hereford about five years ago.

Mrs. Simmons was a member of the Baptist church and was active in church work as long as her health permitted.

Survivors include her husband, three sons, Lon of Portales, Claude of San Diego, Calif., and Frank of Dallas, a daughter, Mrs. J. A. Patman of Hame, Mo., and two grandchildren.

She was an aunt of Alva Simmons of Hedley.

Mrs. W. O. Bonch and two small children of Lebanon, Mo., has been visiting her mother, Mrs. Ellen Douthit, and sister, Mrs. S. G. Adamson.

Uncle Sam Says

The years fly by quickly and before you know it the little "toddlers" are ready for the big decision. Should he, can he go to college? Tomorrow's problems will be so much easier to face if you get the habit of regular savings today. The safe, sure and convenient way to save is to buy U. S. Savings Bonds on the automatic Payroll Savings Plan where you work. Or, if self-employed, use the Bond-a-Month Plan at your bank. Every \$3 put into U. S. Savings Bonds today will return you \$4 in ten years.

U. S. Treasury Department

Ad Rates Raised

For a good many years now, the Informer has been struggling with inflation costs and charging only depression prices. This sort of thing has to come to an end sometime, so beginning December 1st all advertising rates will be raised. Next week's issue will be dated Dec. 3, so this increase will be in effect next week.

See us for information about the new rates.

For Sale—one ironing board \$1.25, one set quilting frames \$1.50, 2 mattresses \$8.00 and \$6.00 See Roy Bevers.

E. P. Ford

For Sale—baby carriage and bassinet. Mrs. L. T. Baker 33p

Rev. M. E. Wells of White Deer underwent an operation Monday in Baylor Hospital at Dallas. He is now 251. Fred Wells came in from North Carolina to be with his mother.

Notice of Hearing to Appropriate Public Waters of the State of Texas

Notice is hereby given, to whom concerned, that J. R. Porter Company the postoffice address of which is Clarendon, Texas on the 27th day of October, A. D. 1948 filed its application in the office of the Board of Water Engineers for the State of Texas, in which it applies for a permit to appropriate of the unappropriated waters of the State of Texas, from Carroll Creek, a tributary of the Salt Fork of Red River, in Donley County, Texas, not to exceed 200 acre-feet of water per annum for the irrigation of not to exceed 100 acres of land out of a tract containing 240 acres out of the G. C. & S. F. Railway Company Survey, Donley County, Texas, by means of a pumping plant. The pump is to be located at a point which bears 3115 feet South and 3365 feet West from the Northeast corner of Section #7, Block C-3, G. C. & S. F. Railway Company Survey on the South bank of Carroll Creek, in Donley County, Texas, and is distant in a northerly direction from Clarendon, Donley County, Texas, nine (9) miles.

A hearing on the application of the said J. R. Porter Company will be held by the Board of Water Engineers for the State of Texas in the office of the Board at Austin, Texas on Monday, December 13, A. D. 1948 beginning at 10 o'clock A. M. at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this 27th day of October, 1948.

E. V. Spence
John W. Pritchett
H. A. Beckwith
Board of Water Engineers
(Seal)
Attest:
A. M. McDonald, Secretary.

Rambling Cowboy Show

Zeke Williams and the Rambling Cowboy Show will appear at the High School auditorium next Wednesday, Dec. 1 under the sponsorship of the Lions Club. This group of entertainers from Station KFDX, Wichita Falls, include Jerry Fronck, king of the accordion, Jo Ann Williams and Hank the Cowhand. Come out and enjoy an evening of good clean fun.

Hedley School News

The Hedley Public Schools will dismiss for the Thanksgiving holidays November 24th and will resume classes Monday, November 29th.

The Hedley High School boys and girls will play at Lakeview Tuesday night, November 30th at 7:30 o'clock and will play at Escondido Friday night, December 3rd at 7:30 o'clock.

The Hedley School will dismiss for the Christmas holiday's Thursday afternoon, December 23rd and will resume classes Monday morning January 3rd.

Basketball News

The Lions will have another good basketball team here next Monday night when they play the Clarendon Jr. College team at the high school gym at 8 p. m.

The Lions lost their first game of the season last Friday night when the strong Modern Mark team from Wellington defeated them by the score of 55 to 5. However, it was a close game throughout and anybody's game until the last whistle blew.

WEEKLY NEWS ANALYSIS
New Crisis Appears in Germany As Russ Threaten Berlin Airlift; Rent Control Extension Proposed

By Bill Schoentgen, WNU Staff Writer

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

AIRLIFT: New Crisis

Morally defeated in their efforts to make good the blockade of Berlin, the Soviets were brewing up a new batch of trouble to keep American planes out of the skies over the German capital. The Russian military administration in Berlin charged that foreign planes had flown illegally over the Soviet zone of Germany and threatened to force such planes down if it ever happened again. IT HAD all the earmarks of a desperate, last-ditch attempt to keep the U. S. airlift from succeeding in its mission of supplying food and fuel to Germans inside the blockaded zones. But American officials weren't having any of it. In a brittle reply to the Soviet letter, Brig. Gen. C. K. Gailey stated that if any Americans were injured as a result of a plane's being forced down the full responsibility would rest on Soviet shoulders. THE RUSSIAN letter, received from Lt. Gen. G. S. Lukyanchenko, chief of Soviet military aviation, asserted that "foreign aircraft not bearing identification marks of nationality" had flown over Soviet territory both within and without the international air corridors. His missive concluded with a flat, two-point threat of Red intentions in the future: 1. SOVIET air patrols would force down any aircraft over one Soviet zone. 2. SOVIET air patrols would force down all foreign aircraft appearing over the Soviet zone outside the limits of the air corridors and greater Berlin. The incident was tabbed as "the latest crisis in the Berlin situation, but in comparison to the other crises that have come and gone this one appeared to be little more than a tempest in a teapot. It seemed to convey the impression that the Russians were losing their grip—that they couldn't even foist a real, hot crisis any more. Not that the affair was to be taken lightly. In an atmosphere charged with hostility it wouldn't take much more than the intentional destruction of one American plane to touch off a serious conflict.

CONTROL: On Rents

One of the promises that President Truman made to the people during his campaign tour was that he would secure an extension of rent controls. And scarcely had the startling election day passed before a concerted rent control effort was being brought under way by the Democrats. Rent Director Tighe E. Woods announced that he would extend the new congress not only to extend but to strengthen the present rent control law. HE SAID he would ask congress to extend the rent law for 12 months past its present expiration date, March 31, and to close what he considers three big loopholes in the present act. "The shortage of rental housing is more serious today, especially in the smaller communities, than it was a year ago," he declared. In addition to extending and buttressing the present law, Woods indicated that he probably would propose that congress give him new authority to restore controls, or impose them for the first time, in areas that may be boomed by new defense activity. These are the changes he will ask:

1. EVICTION CONTROLS — Restore federal control over evictions. New evictions are left to local courts. The result, Woods said, is a serious black market in rents.

2. TREBLE DAMAGES — Give the rent director power to sue rent violators for three times their overcharge. Now only the tenant can bring such suits. This means that landlords usually get off with simple repayment of the overcharge.

3. CRIMINAL SANCTIONS — Provide jail terms and fines for convicted violators. This would give the rent director a weapon to back up his orders. Woods was confident that the new Democratic congress would receive his proposals cordially, and most sources on Capitol Hill confirmed that belief.

ROLLING THE VOTES

Strides Made in Production of Electricity

While the output of electricity has more than doubled in the past eight years and has been rising to new record heights for each successive month, the unit cost to consumers is less than before the war. In a recapitulation of strides made by the industry, an article in November's Business

Strides Made in Production of Electricity

production during the first nine months of 1948 was about 11 per cent above the corresponding period in 1947. Output in 1947 was 15 per cent above 1946. The electric power industry now serves more than 40 million customers, contrasted with 29.1 million customers as of December 31, 1939, an increase of...

Kicked Back

Miss Helen Campbell, ex-secretary to Rep. J. Parnell Thomas (R., N. J.), is involved with the congressman in a federal grand jury indictment on charges that he "indeed" her and another employee to "kick back" their salaries to him.

Woman of the Year

For "eminent achievement" in the field of commerce and industry, 70-year-old Dr. Lillian M. Gilbreth (right) was honored by the American Woman's association as the nation's "Woman of the Year." Mrs. Fanny S. Sweeney presents the award. Dr. Gilbreth is the mother of 12 children and grandmother of 18.

CHINA WAR: Panic

In Nanking, Peiping, Shanghai and other terrorized cities along the China coast the words on the lips of all foreigners was "when will the Communists come?" And the Chinese themselves, torn with indecision, doubts and mob violence, were wondering the same thing. FOOD RIOTS and strikes flared in Hankow, Shanghai and Nanking. Undisciplined throngs roamed the streets. People were trampled to death or injured. Police fired on the rioters. The evacuation of Americans from China was being carried out hastily but efficiently. In north central China the position of the Nationalist forces was growing worse hourly. Suchow and Pengpu were reported virtually isolated by Communists. The Yangtze river was feared open to a Red crossing that would expose Nanking. THE WHOLE economic structure of the Chiang Kai-shek government appeared to be crumbling and sliding into a Red ruin in the wild melee along coastal China. Value of the gold yuan plummeted downward. "The question was not only, 'when are the Communists coming?'" but "how long will the central Chinese government last?" This appeared to be the great, all-consuming crisis in Chiang Kai-shek's decade-long struggle to maintain a spark of life in the Chinese republic. But the cold, smothering wind of Communism was blowing strong. RED TROOPS had taken control of Manchukuo, former National stronghold in the North, and that victory appeared to be the key which the Communists could use to sweep down into the vital areas of China itself. For Chiang and his woefully weak Nationalist government the past 11 years had been nothing but an agonizing battle against imperialism—from the Japanese Fascist brand beginning in 1937 to the Communist type which presents the current peril. REBUILT: By Stassen? In the clear, bitter post-election light the Republican party turned upon itself in a fury of self-examination and didn't like what it saw. MOST OF the top-level influential party members wanted to see some changes made, and most of them seemed to think that Harold E. Stassen was the man to make them. As a result, the former governor of Minnesota, now president of the University of Pennsylvania, may be assigned the job of rebuilding the GOP for the 1952 presidential campaign. STILL licking their wounds, GOP leaders were urging the youthful Stassen to lead a movement to shape the party along more liberal lines. Those party liberals were planning to meet with Stassen for a "brass tacks" discussion of a party reconstruction. Stassen was refusing to comment on the reports that he might step in as general contractor for the reconstruction job, but it was a known fact that he was being swamped with requests, many of them from Republican bigwigs, to undertake the task. "I THINK the situation calls for some reflection," was the only comment the man who had been defeated by Governor Dewey for the GOP presidential nomination would make. One of Stassen's promises when he dropped out of the presidential nomination fight at Philadelphia last June was to work toward strengthening "the liberal viewpoint within the party."

MILLIONS DEAD: Legally Now

The United Nations has made public a projected world convention for declaring dead the millions of refugees, soldiers and other persons who disappeared between 1939 and 1945 under circumstances suggesting "death as a consequence of events of war, of racial, religious, political or national persecution." It is aimed to solve such problems of inheritances, adoption of children and remarriages.

NEEDLEWORK PATTERNS
Gay Apron Has Circular Skirt Crocheted Motif Prize Winner

Kitchen Apron
A WONDERFUL idea for a kitchen shower or for your own apron wardrobe! This handsome circular skirt apron is so easy to make and does a good job of protecting pretty dresses. Gay colorful tulips are embroidered in simple cross stitch. To obtain hot iron transfer for embroidery design, tissue pattern for medium size, step-by-step instructions for embroidering and sewing apron (Pattern No. 5798) send 20 cents in coin. YOUR NAME, ADDRESS and PATTERN NUMBER.

Child's Wheelbarrow Is Constructive Toy

CHILDREN love equipment that looks like the real thing. This wheelbarrow is an exact duplicate, measuring 46 inches overall. Since the sides are removable, the youngster can help with many gardening tasks. Be sure to permit the child to help build this wheelbarrow: It will provide many constructive hours and tend to make him more careful when using it. The full size pattern offered below takes all the mystery out of building. Meticulously cut each piece of wood according to the pattern, then assemble it exactly as step-by-step directions indicate. No special tools or skills are required. Anyone who knows the difference between a hammer and a saw should be able to build this wheelbarrow in a minimum of time. Send 25c for Wheelbarrow Pattern No. 5864 to East-Build Pattern Company, Dept. W, Pleasantville, N. Y.

ASK ME ANOTHER?
A General Quiz
1. What fabulous lost body of land will soon be searched for by radar?
2. How many descendants of the Mayflower colonists are there in this country?
3. Which ball game has the highest forfeit score?
4. Was Abfaham Lincoln the only President of the U. S. born in a log cabin?
5. What is a bird's temperature?

The Answers
1. The legendary continent of Atlantis.
2. About 61 million.
3. Baseball. The score of a forfeited baseball game is 9-0.
4. No, there were six others: Jackson, Polk, Buchanan, Garfield, Arthur and Harding.
5. From 104 to 110 degrees Fahrenheit.

DOGS, TOO, HAVE CALORY PROBLEMS

Dogs, no less than their owners, have to watch their calories, writes Dr. M. L. Morris in The Journal of the American Veterinary Medical Association. To fill their energy requirements, they need an average daily intake of between 30 to 60 calories for each pound of body weight, depending on the composition and quality of the food and the breed. Growing dogs and dogs of active, nervous type require the highest volume of calories. To figure a dog's requirements, it should be borne in mind that the average dry dog food sold contains about 1,100 calories per pound, while one pound of canned dog food usually furnishes slightly less than 500 calories.—Gaines Dog Research Progress.

Overcoats For UNITED GAS Pipe Lines ...

A heavy protective coating is normally applied to every foot of new pipe line laid by United Gas. That's because pipe is of steel and must be protected against rust. A typical coating consists of primer, enamel and spiral-wrapped covering, although certain conditions make it necessary to supplement the covering with other types of protection. More than 6,000 miles of main United Gas transmission lines, providing natural gas to 354 cities and towns in the Gulf South, are thus guarded against leaks caused by the ravages of rust.

This is one of many functions of the United Gas organization ... all of which have the ultimate purpose of assuring a more dependable supply of natural gas to our customers.

A mechanical cleaning machine brushes dirt from the outside of the pipe line, then applies a coat of primer.

A second machine applies a thick coat of enamel—the principal insulator—and one or more wrappings of material to protect the enamel. When cool, the enamel provides a hard surface resistant to acids, moisture or electrolytic action of the soil.

An electronic detector finds the thickest of flaws in the covering, and these spots are coated by hand.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fall to their knees and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

From where I sit... by Joe Marsh

Television on the Farm

Buck Childs' home has become mighty popular ever since he got that television set—one of the few sets in our town, outside of Andy's Garden Tavern.

Not only do the kids stay home nights, but the neighbors drop in to see whatever's being telecast. And Buck and the missus always make them welcome, with a mellow glass of beer or ale (with cider and cookies for the youngsters).

While I guess everyone admits that television still has far to go, it's not hard to see that it will some

day be as much a part of American home and farm life as the temperate glass of beer that Buck serves, and the hospitality that goes with it.

And from where I sit, anything that adds to gracious living in America—brings folks together for temperate, quiet entertainment—is a boon to this home-loving land of ours. (We're thinking of buying a television set ourselves!)

Let 'er blow...

The one thing that won't help you through the winter is a lot of talk. So we'll make it brief:

Change now to winter-grade Conoco N# Motor Oil for faster starts, peak winter engine performance and the full-time protection of OIL-PLATING.

Faster starts: Winter-grade N# is specially refined to lubricate your engine even when the temperature plunges. It's free-flowing.

Peak winter performance: When you drain out that thick, dirty summer oil, you say goodbye to balky engine response. Winter-grade N# puts June under the hood!

Full-time protection: A special added ingredient fastens an extra protective film of lubricant to metal surfaces... OIL-PLATES every working part... cuts down "dry" friction starts and general engine wear.

Let winter blow...

Oil-Plate and go!

Pay Heed To Highway Signs And 'Stick Around' Awhile

Signs and signals are among the biggest aids to safe driving, the National Safety Council says. "They give drivers warning of the dangers that lie ahead. But they are worthless unless seen and obeyed. The safe driver will follow these signposts:

1. Give signs, signals and markings the same respect you would a traffic officer. Here's one place you may lose if you cheat.
2. Reduce speed and be on guard when you see a diamond-shaped sign (this shape carries a warning) or a round sign (this signifies a railroad crossing ahead).
3. Come to a complete stop at an eight-sided or octagonal sign. This shape means only one thing—stop!
4. Know what an oblong sign says. This shape carries regulatory messages such as speed limits.
5. Heed the cross-buck sign at railroad crossings. If there is a flasher or wig-wag, wait until it stops operating before crossing. There may be another train you can't see.
6. Watch for the signs of life even on familiar roads. Three-fourths of the drivers in fatal accidents lived within 25 miles of where the accident took place.

If you—like millions of others—are pondering the Christmas present problem, a local dealer has a handy answer. He will have Christmas gift cartons of cool, mild Camel cigarettes and pound tins of flavorful Prince Albert Smoking Tobacco. Both these items come festively dressed for the holiday season and make ideal gifts for your smoking friends. The Camel carton contains 200 mild, flavorful Camels, while the Prince Albert container is chock-full of mellow smoking joy that has made Prince Albert the country's largest-selling tobacco. Both gifts require a minimum of fuss, due to the unique space provided for your personal Christmas greetings. (Adv.)

CHANGE of LIFE?

Are you going through the functional "middle age" period peculiar to women (30 to 50 yrs.)? Does this make you suffer from hot flashes, feel so nervous, highstrung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what doctors call a stomachic tonic effect.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Kidneys Must Work Well—
For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headache, dizziness, rheumatic pains, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

DOAN'S PILLS

HOUSEHOLD MEMOS... by Lynn Chambers

Soup Makes an Easy Supper!
(See Recipes Below.)

Menu Short-Cuts

THERE'S shopping, cleaning, baking, decorating, wrapping Christmas presents and a hundred other things to do these days before Christmas. Where does one find time to plan and make meals?

Now is an excellent time to put menu short-cuts into operation. Plan to serve soups often, not as a first course, but as a main dish. Serve those casseroles, too, that whip together in no time and bake in half an hour or so without any watching or further attention.

Have foods that are hearty, and make certain there's enough for seconds or thirds because the family will be hungry now that appetites have been sharpened by cold weather.

HERE ARE some excellent soups which can easily take the place of a main dish at dinner.

Navy Bean Soup (Serves 6)

- 1 1/4 cups dried pea beans
- 2 quarts cold water
- Lamb bones
- 2 tablespoons salt
- 1 clove of garlic, peeled
- 8 to 10 peppercorns
- 1 bay leaf
- 4 sprigs parsley
- 1/2 cup minced onion
- 1/4 teaspoon pepper
- 1/4 teaspoon marjoram
- 2 cups canned tomatoes

Pick over beans, then wash and soak in cold water overnight. Drain; measure liquid from beans and add enough to make two quarts. Add to beans with lamb bones and salt. Tie next six ingredients in a cloth bag and add to water and bones. Cover, bring to a boil, then simmer for four hours until beans are tender. Remove bones and spice bag, then strain soup. Mash beans. Add any pieces of meat which cling to bones and the tomatoes. Reheat and serve hot.

SOUPS take long to cook, but, of course, need little watching, and thus they are such time-savers to have for meals. Here's another delicious, hearty soup:

Oxtail Soup (Serves 12)

- 1 1/2 pounds lean beef
- 2 oxtails, split
- 5 quarts cold water
- 1 tablespoon salt
- 1 large onion, diced
- 1/4 cup celery root, diced
- 1 tablespoon chopped parsley
- 2 tablespoons fat
- 1 tablespoon flour
- 3 carrots, diced

Cut oxtail into small pieces and fry lightly in fat. Cube the beef and add with oxtail to water and salt. Place in large kettle, cover and let cook slowly for a bout four hours. Add vegetables and cook for one hour longer, or until stock is reduced by half. Strain. Heat fat in skillet, add flour and brown slowly. Add one cup of the soup and then stir into remaining stock.

LYNN SAYS: Now's the Time to Get Ready for the Holidays

If you're buying fresh flowers, lengthen their life by spraying liquid wax on them. Be sure the leaves and petals are free from water before waxing.

Broken bits of cookies, rolled fine, should be kept in jars so they will be ready at a moment's notice to be rolled into a crust for pie. Use one of the ready-mix puddings for the filling and top with whipped cream or meringue.

LYNN CHAMBERS' MENU

- *Corn Chowder
 - Toasted Muffins Butter Jelly
 - Grapefruit-Pineapple Salad Beverage
 - *Fig Pudding Cream
- *Recipe given

***Corn Chowder (Serves 6)**

- 4 cups diced potatoes
- 2 cups boiling water
- 1 2" square fat salt pork
- 1 large onion, sliced
- 1 No. 2 can kernel corn
- 1 quart milk
- 2 teaspoons salt
- 1/2 teaspoon pepper

Cut salt pork into cubes and brown in a large saucepan. Add onion and cook until tender. Add diced potatoes and water; cover and cook until potatoes are tender. Add corn, milk and seasonings. Heat and serve garnished with a sprinkling of paprika.

Leftover meats are put to good use in these casseroles which will make easy work for you on these busy days before the holidays.

Noodles Neapolitan (Serves 6)

- 1/2 pound noodles, cooked
- 2 1/2 cups sliced chicken or ham
- 1 cup milk or cream
- 2 eggs
- 1 cup buttered bread or cracker crumbs

After noodles are cooked in boiling, salted water, rinse and drain them. Into a well-greased dish, place layers of noodles, then meat and repeat until all are used. Beat eggs, add milk, and pour over noodles and meat. Top with crumbs. Bake in a moderate (350-degree) oven for 25-30 minutes or until browned on top.

THE FRUIT puddings mentioned earlier need take no longer to make than the main dishes for the meal. Both of these recipes for desserts are nourishing and will be well received.

***Fig Pudding (Serves 6)**

- 2 eggs, beaten
- 1 cup sugar
- 3 tablespoons flour
- 1 teaspoon baking powder
- 1 cup walnuts, chopped
- 1 cup figs, chopped

Beat eggs until light, then add sugar, sifted flour and remaining ingredients. Stir well and bake in a buttered casserole dish in a slow (325-degree) oven for 25 minutes.

Apricot Whip (Serves 6)

- 1/2 pound dried apricots
- 1/2 cup sugar
- Whites of 5 eggs
- 1/2 teaspoon lemon juice

Pick over and wash fruit. Cook in water, just enough to cover, until soft. Remove stones and put through strainer. Add sugar and cook five minutes. Beat egg whites until stiff and fold in fruit. Heap lightly in a buttered baking dish and bake in a slow (325-degree) oven 35 minutes. Serve with custard sauce or cream.

Released by WNU Features.

If you're making several different kinds of cookies, label their tins and jars so you can find each kind when you want them.

Crisp cookies should not be stored with soft ones or they will become soggy.

Jars of cheese kept on hand will be put to work easily, satisfying a horde of hungry guests who just drop in for a visit.

One fruit gelatin salad and one molded vegetable salad are good to have on hand for holiday week-ends for unexpected guests.

Development of Bicycles

Traced to 1816 'Celerpede'

Joseph B. Niepce, French physicist best known as one of the inventors of photography, was active in other fields as well. In 1816 he invented the "celerpede," or "hobby-horse"—two wheels and a gasbar upon which the rider sat while he propelled himself with his feet against the ground. It was the forerunner of the modern bicycle.

There were a few minor improvements during the next two or three years. But the price was high and the machine was not within the reach of ordinary folk; thus it became known as the "dandy horse." It even reached America, but the natural crudities of the device finally ended the craze.

The idea of propelling oneself on wheels, however, had taken root. The velocipede, or "bonesetter," was the first crank-driven bicycle, developed in 1865. It was well named. With heavy wooden wheels, thick iron tires and a massive iron backbone, these machines were extremely heavy and they vibrated in a terrifying manner over the rough roads.

Then came the tall "ordinary," with front wheels sometimes over five feet in height. But it was not until 1876—a little over 70 years ago—when H. J. Lawson invented the first rear-driven bicycle. Then followed many patented improvements and in 1877 Col. Albert A. Pope of Boston organized the "Pope Manufacturing Company, launching the bicycle-making industry in the United States.

Pneumatic rubber tires followed in 1889. Free wheels, which enabled the bicycle to coast, were introduced in 1894. By the turn of the century the tandem, or "bicycle built for two," had become exceedingly popular. The bicycle industry, spurred by invention, soared to new heights.

Today it is estimated that more than 80,900,000 bicycles are in use throughout the world, 12,000,000 of them in the United States.

Make the 30-Day Test—

PROVE CAMEL MILDNESS!

Smoke Camels and only Camels for 30 days see for yourself how mild a cigarette can be. This same test was made by hundreds of women under the eyes of noted throat specialists. The smokers in this test averaged 1 to 2 p.p.m. Camels every day for 30 days. Their throats were carefully examined each week. After a total of 2470 examinations, these doctors reported

NO THROAT IRRITATION due to smoke of CAMELS.
