Rola Yandell Dies

Rola Yandell, about 24 years of age, was found dead around 6:00 o'clock Wednesday afternoon. He lived on the Clyde Grimsley place with his mother and brother, who found his body when they came in from working in the field.

Funeral services are incomplete as we go to press.

Polio

Polio insurance can be carried but it does not prevent polio. It merely pays part of the bills if a member of your family contracts the disease.

The best insurance against polio is cleanliness. The City has started a clean up campaign beginning now. The Lions Club voted to give their aid. Individuals and other organizations should join in.

Don't wait until your neighbor cleans up. Clean up your premises first and maybe he will fall in line. We'll bet he does.

Clean-up Week

The State Health Officer urges that every town declare a clean-up week in order that polio may be prevented as much as possible. Pools of water should be drained or covered with kerosene, weeds and grass cut and burned, garbage covered and destroyed, and all other potential breeding places of disease carriers eradicated.

If you have an outdoor toilet, please put lime in same and keep the door closed. Be sure to keep all weeds cut on vacant lots.

Mayor and City Health Officer

Vacation Bible School City To Be Sprayed

The Daily Vacation Bible School at the Methodist Church closes Friday evening with an exhibition of work at 8:00 p. m. in the Basement and a program at 8:30 in the Auditorium. All are invited to attend.

Methodist Church

The Revival at the Methodist Church will begin Sunday July 17th and run through Sunday, July 31st. Rev. R. H. Campbell from Refors will have charge of the music and adult groups. The local pastor will have charge of the young people's group and Mrs. Frank Story and others will work with the children. Let's make this a time of refreshing in the Lord as Rev. J. E. Coehran from Shawnee, Okla. leads in the services. The morning services will be a serious study of the Bible, the Rev. Mr. Coehran states.

Birthday Party

Hugh Michael Davenport was entertained by his grandmother, Mrs. Elvia Davenport, with a party Tuesday July 5 from 4:30 to 6:30, the occasion being his sixth birthday. Decorations of red and blue balloons and flowers adorned the living and dining rooms.

In the dining room the big birthday cake, artistically decorated by Mrs. Roy Jewell with spun sugar roses, sat in the center of the table. Red streamers from the cake ran to each place set for the little guests. At the end of each was a little red or blue car or flower pot.

After playing games for about an hour the gifts were opened and admired. Then the little guests assembled about the table singing "Happy birthday to Mikey," the candles were blown out, and ice cream, cake and fruit juice were served. Then there were more games in the yard and on the long cool porch.

Those enjoying the party with Mikey were: Patricia Davenport, David Moreman, Jimmy Boliver, Pat and Jon Leggett, Sharyl Pickett, Susan Cox, Sandra and Judy Saunders, Rusty and Jane Mosley, Ronald Bain, Kathy McPherson, Mesdames Boliver, Leggett, Bain, Pickett and Saunders. Helping Mrs. Davenport entertain were Misses Joan Ray Moreman and Anita Bain and Mrs. Edna Brown Mrs. Lyman Davenport and Margaret Kent.

Lake and Paul Dishman of Hereford were Hedley visitors last Thursday.

Mrs. J. L. Chesser and children Pat and Mike of Springer, N. Mex. visited Mrs. J. A. Lemmon part of last week.

Leon Reeves visited in Hot Springs, N. Mex., several days this week.

Let C. E. Johnson, manager of the Hedley Telephone Co., write our fire and hail insurance.

City To Be Sprayed

The City of Hedley will be sprayed with DDT in the next few days in order to eliminate flies and mosquitoes and other insects. This will be done by plane. It is hoped that all people in Hedley will be ready to spray their houses, barns, and out houses that day or during the time that the plane is spraying as the flies, etc. will get away from the spray of the plane. This will be necessary to insure a 100% kill of all insects.

Have your spray guns ready and let's give them "fits" from the inside as well as from above. The City Council

Boy Scout News

The local Scout Troop will hold court of honor next Monday night, July 11th at the American Legion Hall beginning at 8 p. m. Parents of the scouts and members of the Troop Committee are invited to attend.

The 12 scouts who will receive their second class badges at this meeting are Jack Moreman, Wilbur Leeper, Jimmy Lynn, Billy Meador, Loyd Hightower, Bart Harris, Jack Leeper, Tom Adanson, Jimmie Beach, Billy Baker, Kenneth Painter, and Jimmie Doyle Painter.

There will also be a board of review held for other scouts ready for advancement. Scouts are to be in uniform for this meeting.

W. S. C. S.

The W. S. C. S. pledge service will be held at the Methodist church Monday afternoon at 3:00 p. m.

Therol Dunn and family of Salem, Oregon, were greeting old friends here this week. Therol reports that his mother and three brothers are all living at Salem.

Lee Stewart and family of Portales visited in the J. F. Stiles home Sunday.

Mr. and Mrs. T. R. Easterling of Vernon and Mr. and Mrs. Billy C. Johnson and son Tony of Midland spent last week end in the C. L. Johnson home.

Uncle Sam Says

There are six revered Presidents ready to help send your son or daughter to college. Put it in their likenesses which appear on six U. S. Savings Bonds. They are President Abraham Lincoln on the \$1,000 Bond; Woodrow Wilson on the \$500 Bond; Franklin D. Roosevelt on the \$200 Bond; George Washington on the \$100 Bond; Thomas Jefferson on the \$50 Bond; and George Washington on the \$25 Bond. School Consolidation

The County School Board met Saturday, July 2, for the purpose of Consolidating the schools under the Gilmer-Aiken program established by the present legislature.

At this meeting the following schools were consolidated with the Hedley Independent School District: Giles, Smith, one half of Naylor, nine sections in Windy Valley District and twelve sections in Watkins District No. 12. Through this consolidation the district more than doubled in area.

The Hedley School will have approximately four hundred students the coming school term with the possible increase in teachers.

Legion Auxiliary

The Legion Auxiliary will meet Tuesday night, July 19 at 8:30. This will be a social meeting, and all member are urged to attend.

Visitors in the C. H. Reid home over the holidays included Mr. and Mrs. Cecil Hunnicutt and James Reid and family of Amarillo, Mr. and Mrs. A. S. Ewing Jr. of Fort Worth and Mr. and Mrs. Oren Black of Mount Vernon.

Mrs. Windoal Spier and children Kathy and Davey of Plainview are visiting in the home of Mr. and Mrs. Roy Blanks this week.

Mr. and Mrs. Buster Nance of Carlsbad announce the arrival on July 2 of Bobby Ray, weight 7 lbs 5 oz. Mrs. Nance is the former Miss Ann Crawford, and Mrs. R. F. Crawford is visiting her at present.

Don Reeves came in Saturday from a visit to Hot Springs, N. Mex.

WTU Ads Win

Abilene, July 1—The Hedley Informer was advised today that a series of advertisements which appeared in this paper had been awarded first place in a national advertising contest.

A series of West Texas Utilities Company advertisements promoting the use of electric service was selected the best in Class A competition in "The Annual Better Copy Contest" sponsored by the Public Utilities Advertising Association, a Department of the Advertising Federation of America.

The Better Copy Contest" is conducted for the purpose of stimulating finer advertising and to recognize work well done. This year more than 1,500 entries in twenty classifications were judged by nationally recognized authorities.

A certificate of award "for the best public utility advertising during the preceding year" was presented to the West Texas Utilities Company at the Annual P. U. A. Convention in Cincinnati, Ohio last week. Robert E. Kennedy, WTU Co. advertising manager, accepted the award for the company.

All copy and layouts for the winning series of advertisements were written and prepared by the WTU advertising department.

Baseball News

League leading Washburn will play the Hedley Lions here next Sunday. Washburn is leading the locals by one game and a win for our boys will put them in a tie for first place. Washburn has only lost one game, a 3 to 1 loss to Hedley at Washburn. Mgr. Reid hopes to have all his boys back for next Sunday's game.

Sunday and Monday the locals took two games from Clarendon-Goldston by the score of 8 to 4 and 21 to 15. No league games were played over the 4th.

Truman Wants Welfare Department; Veterans Will Get NSLI Dividends; Big Four Agree on Austrian Pact

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)

ROOSEVELT CHATS WITH TRUMAN... Another Roosevelt, Franklin D. Jr., chats in the White House with President Truman. The meeting occurred shortly after young Roosevelt was sworn in as congressman from the 20th New York district, replacing the late Sol Bloom. F. D. R. Jr., made it plain he is a Democrat and a member of Mr. Truman's "team."

WELFARE: More for Less

Signing into law a bill to reorganize the federal government, President Truman offered a major proposal. He wants a new department of welfare created with its chief officer given full cabinet rank. THE IDEA is not a completely new one. It was heard frequently during the early days of the Roosevelt era, much oftener during the latter years of F. D. R.'s regime. While this proposition commanded chief attention of the nation's press, the President offered six other streamlining plans aimed at giving the taxpayers better service for less money. These included:

Transfer of the U.S. employment and unemployment compensation offices to the labor department.

PLACING of the two key defense agencies — national security council and national security and resources board—directly in the President's office.

Tightening up administration of the post office department, maritime commission and civil service commission.

Transfer of the public roads administration to the commerce department.

The President said the plans, which followed closely several major recommendations of the Hoover commission on government reorganization, will not "automatically" produce efficiency and cut spending.

BUT HE SAID they open the door to improvements that will make the government "more vigorous" and operate more smoothly at a lower cost "over a period of time."

No one expected any reduction in federal spending, and the President's conclusions might be construed as a preliminary defense setup for continued federal outlay at the present, or an increased level, despite the Hoover commission recommendations and the President's own seven-point manifesto.

VETERANS: Get Good News

Veterans of World War II were all set for a surprise bonanza.

The Veterans' administration announced in Washington that cash refunds totaling 2.8 billion dollars will begin for them about next January—that is, for all GI's who took out national service life insurance during the war. These were estimated to number some 16 million.

Under the new payments, announced by the VA, each ex-serviceman or his heirs would receive an average of \$175 from life insurance dividends. Described as a "dividend" the money is to be repaid from two sources:

1. An eight billion dollar surplus which developed from the fact that G.I. insurance premiums were based by law on a standard mortality (death) rate table which turned out to be higher than needed.

2. Earnings from the surplus. In general, it was explained, every veteran who took out national service insurance and kept it in force at least three months will be eligible—provided the policies were not issued after January 1, 1948. No refunds are to be made on policies issued after that date.

MEANWHILE, government officials saw in the insurance dividend payments a timely "shot in the arm" for business in 1950 which

White House Repairs Still a Question

It appeared that all the commotion about repairs to the White House wasn't quite over, although congress approved and sent to the President a money bill carrying funds for work on the White House. The money was included in a measure calling for expenditure of 671 million dollars for various government obligations.

THE HOUSE, which had passed the bill earlier, accepted a one-word amendment approved by the senate. The change would put it up to a special six-man commission whether a separate residence should be built for the first family, in addition to the job on the White House itself.

GERMANY: Partial Accord

The four-week conference of the council of foreign ministers of the four major powers had ended with partial accord having been reached. The western powers and Russia cleared away obstacles to an Austrian independence treaty and agreed to try to get along a little better in Germany.

THE RUSSIANS, however, were in there pitching right up to the final moments of the parley. The conference ended in a flurry of excitement as Russia sought unsuccessfully to make a last minute change in the announcement of the meeting's results.

The Reds had promised not to reimpose a blockade on Berlin in return for efforts to revive east-west trade in Germany. This was contained in a six-point statement of principle by the Big Four to guide negotiations in Germany.

The Russians were supported in their 150 million dollar claim on Austria for German assets, and swung an uppercut at Yugoslavia's Marshal Tito by dropping their support of Yugoslavian claims on Austria. These were the points which cleared the way for an Austrian treaty which has been ordered for presentation by September 1.

DESPITE the improvement in east-west relations growing out of the conference, American spokesmen were not optimistic in evaluating results. U.S. Secretary of State Dean Acheson had no immediate comment.

Work on the Austrian treaty, however, was termed a "substantial step" forward and of no little importance because it would free Austria and push Soviet troops farther back into eastern Europe.

It was felt that ground had been neither gained nor lost in Germany.

should serve to stimulate sales. They recalled that the terminal-leave payoff of some two billion dollars in 1947 provided a sizeable such stimulus for the nation's business.

The plan to start the checks rolling in January brought vigorous criticism on Capitol Hill as Representative Keating (R., N. Y.) demanded that congress set October 15 as the deadline. He introduced a bill to hurry the dividend payments to that date. He declared that the government had "overcharged" veterans on their life insurance, and that the money should be refunded "immediately, not a year from now."

LONG SEARCH SEEN ENDED

Chlorophyll in Toothpaste Fights Decay

A new toothpaste containing chlorophyll may be the answer to the long-time search for a preventive for tooth decay. Use of chlorophyll in the new product was announced by Dr. Gustav W. Rapp, professor and research biochemist of Loyola university's dental school, and his assistant, B. F. Gurney.

The new paste acts to do away with all of the conditions generally

thought by dental authorities to be causes of dental decay, according to Dr. Rapp and Mr. Gurney, and owes its unusual powers to the use of the water-soluble derivatives of chlorophyll, which is the magic green substance that gives grass and all other green plants their color. Long known as essential to all life, chlorophyll previously has been used with excellent results.

MIRROR Of Your MIND

Pity Never

Akin to Love

By Lawrence Gould

Is pity really sometimes "akin to love?"

Answer: Far from it. We get the idea that it is from the fact that when we are little, our mothers appear to give us more affection when we are sick or unhappy, but to try to win someone's love after you have grown up by making him sorry for you is a serious mistake. If he feels you're blaming him, he'll hate you for it, and if he does not, you'll ultimately bore him. The English psychiatrist, Dr. Laura Hutton, truly says that "In the long run most of us are attracted by happiness in others, not by unhappiness"—or "hard luck."

staying single than a cripple should be blamed because he "won't walk." There is no worse marriage than the sort in which a girl has forced herself to take a husband she does not love "so as not to be an old maid." Single life is infinitely better.

Can dull parents have bright children?

Answer: As a rule they have quite normal children, and what level of intelligence these children attain depends upon the conditions under which they are brought up. In the Journal of Genetic Psychology, Dr. Harold M. Skeels and Miss Irene Harms report the continuing success of the "Iowa Experiment," in which children with "inferior social histories" were given for adoption to superior foster parents. Though in many cases one or both of the children's parents were rated as "morons," the children have average intelligence or better.

Is being an "old maid a disgrace?"

Answer: Certainly not, though the notion seems to "die hard." It's each person's business to adjust to life on a basis that accepts his or her limitations, and a girl who has been so conditioned that she is afraid of marriage or cannot accept the role of wife and mother should no more be blamed for

KEEPING HEALTHY

Preventing Deaths from Appendicitis

By Dr. James W. Barton

SOME YEARS AGO the physicians and surgeons of Philadelphia made a determined effort to cut down the death rate in appendicitis. Within one year they reduced it to less than half of what it had been.

How was the death rate reduced by more than one-half in this short time?

These physicians had learned from their own experiences three definite truths. First, that the sooner the operation was performed the better; second, that no food should be given; and third, that no pain-killing drug should be used until the cause of the pain was found not to be appendicitis, as this drug masked or hid the symptoms.

When a pain occurs in the abdomen, even as high up as the stomach, many think that a dose of castor oil or of Epsom salts is the best treatment, as it clears away poisons or wastes. This would be good treatment in most cases but for the fact that appendicitis is such a common cause of pain in the abdomen.

HEALTH NOTES

When the ankle or any other joint is sprained (not just strained), the injured part should be placed in hot water and kept hot for an hour at a time until swelling disappears. The joint then should be bandaged and placed on a chair if the patient is sitting or on a pillow if lying down. After a few days' rest, the joint is gently moved (without weight on it), and massaged toward the heart.

Some years ago I tried to count up the number of causes of headache. When it ran over 100, I stopped. Some researchers report over 200 causes.

Myalgia in the back of the neck and in the chest muscles (sometimes mistaken for pleurisy) can be caused by an infection in the nose and throat, with a resultant rise in temperature and pulse rate.

Fatigue Causes Depression

Continued depression without apparent reason often is due to fatigue. Persistent efforts to secure sufficient sleep on good quality bedding every night usually will result in better spirits. If the depression continues, however, a doctor should be consulted.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste. Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery. Symptoms may be nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eye—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination. There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

JUST ASK

Teacher—"So you want to be older than that you can do many things that your brothers and sisters can't do?" Smaller boy—"Yes, ma'am." Teacher—"Well, who is the oldest in your family?" Smaller boy—"Daddy is, but he got a head start."

"You should be ashamed of yourself," reprimanded the father as he gave his son a dressing down on the errand-boy stage at his place of business. "Why, when George Washington was your age he was hard at work as a surveyor, earning good money." "Sure," replied the youth in a swift counter-attack, "and when he was your age he was President of the United States."

"I can't agree with your theory of parental influence," said the young lady as she sipped her tea. "Take my case for example," she said. "My mother was accidentally hit with a phonograph record just before I was born, but it hasn't done me any harm, any harm at all."

Hubb—"You look tired, dear. Why don't you go to the mountains for a nice rest?" Wife—"Oh, I don't know. I don't think the mountain air would agree with me." Hubb—"Well, it would be the first thing that didn't."

When Your Back Hurts—

And Your Strength and Energy is Below Par
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

HOUSEHOLD HINTS

Consider the mop. Floor mops, as a rule, are somewhat neglected when it comes to washing. Give your mop a good bath in boiling soapuds every week or so. Soda added to the water will loosen the dirt wonderfully.

Dry in no time. A quick way of drying stockings is to squeeze them as dry as possible, then roll tightly in a turkish towel for five minutes. Hang in an airy place and they will dry in a jiffy.

Deposit rubbers here. A wooden box or carton placed inside the kitchen door to be used as a receptacle for rubbers and galoshes on rainy days will save the home-maker much linoleum cleaning.

On the bias. Try cutting the thread on a slant when threading a needle. It will point the thread and make it much easier to thrust through the eye of the needle.

Experience taught her. One mother who sends a boy and girl away to college makes a list of the things packed in each trunk and secures it to the lid of the trunk on the inside with thumb-tacks. This way she gets back at least a percentage of the things originally sent.

'UNIVERSAL MAN':

Johann von Goethe
From every state in the union and from many foreign lands, distinguished visitors are pouring into the historic little frontier town of Aspen, Colo., to pay honor to a man born 200 years ago.

The Goethe Bicentennial Convocation and Music Festival (June 27-July 16) is presenting an imposing roster of thinkers, writers, statesmen, philosophers, educators and musicians who will seek to re-examine and re-interpret the works and philosophy of Johann Wolfgang von Goethe, the Universal Man, as it pertains to the atomic age.

HEADING the impressive list of lecturers is Albert Schweitzer, of French Equatorial Africa—philosopher, doctor, musician, theologian — acknowledged throughout the civilized world as the foremost modern disciple of Goethe.

The music festival, running in conjunction with the convocation, will feature compositions based on Goethe's works, monumental music of equal stature to Goethe, and music contemporary to him and known to have been inspirational to him.

LABOR:
Bad Timing?

Was the postwar buggy tide of consumer demand and increasingly higher wages really over?

The Ford motor company thought so and said so.

CONFRONTED with a list of demands by the united automobile workers union, the company made a significant counter-proposal.

Instead of pay raises and pension, health and welfare plans as drafted by the union, the company proposed to peg wages where they are for another 18 months.

Such action, said the company, would "set a stabilization pattern for the entire (national) economy at this critical time."

THE UNION, among other things, has demanded that wages be pegged to the cost of living.

Pointing out that the cost of living is down and that the market for cars might drop up to 32 per cent after this year, the company declared flatly that it would reject any change in the work contract which would mean higher labor costs—whether in the form of wage increases or pension or welfare funds.

THUS the issue was hastening to a showdown. Could industry stand firm against another round of wage increases, or would labor with its organized power so stifle industry that capitulation would be inevitable?

Indicted

There was much of mystery and charge and counter-charge in the events out of which grew the federal indictment of Preston Tucker (above). Tucker and five others were indicted by the government on charges of mail fraud, conspiracy in violations of the securities and exchange act. Tucker has retaliated with charges that the securities and exchange commission has made it impossible to continue production of the Tucker car, which was to be powered with a motor in the rear.

RED HUNT:
Harvard Cool

Harvard, the nation's oldest university, was having nothing to do with any Communist-hunting.

There was a reason, officials said. They felt that to do so might be a danger to the university's freedom and to its academic integrity.

AND, Harvard held, American freedom is the school's "true glory," as it once told a man who tried to "buy" it for 10 million dollars.

The Harvard policy statement in connection with Communist-hunting activities was put this way:

"There will be no harassment of professors for engaging in open and legal meetings. There will be no apparatus of inquiry and 'closer watch.'

"The harm done by the effort necessary to discover even a single clandestine party (Communist) member would outweigh any possible benefit."

PROMISES:
Made for Housing

House Republicans indicated they were tired of the federal housing wrangle. So, they promised, they'd introduce a housing bill to substitute for the administration's program.

It was said to include a plan for privately-owned homes and some low-rent property. In fact, the substitute measure would embody most of the administration's slum-clearance ideas.

Follow Rules for Fruit and Berry Canning
(See Directions Below)

Can Fruits Well

SUCCESSFUL fruit and berry canning is comparatively simple, but good results depend upon your being well-informed of the proper methods as well as accuracy in carrying out certain given directions.

If you canned fruits and berries last year and had some spoilage then check over the tips. I'm giving and see where you slipped. True economy depends upon having success with every jar you've put up.

Lack of success in putting up fruit and berries may not have been due to any canning procedure. Your first essential job is to select sound fruit and berries. Fruit or berries must be firm and ripe. Over-ripe material may be used for jams and jellies but should never be canned whole.

Discard bruised berries or fruit as well as those which are speckled. The fresher the fruit or berry, the better is your chance of canning successfully. If you have your own orchard or garden, then you can go right out and pick the produce and rush it into the kitchen for canning. This is the ideal way to can.

Blanching Means Removing Skins

IT'S sometimes desirable to blanch fruit, or peel it. This process means dipping the fruit, such as apricots, peaches, etc., in hot water for a minute or so, then in cold water. The skin will slip off easily with just a slight pressure of the fingers or palm.

If you're blanching a bushel of fruit, do it in small doses. Letting the fruit stand in either the hot or cold water for more than the required minute will make it too watery.

Hot Water Bath Best for Fruit Canning

FRUITS and berries, generally hold their shape better when packed hot or cold into the jars and are then processed by the hot water bath.

The open kettle method, whereby the fruit is cooked in a large kettle on top of the range and packed while boiling hot into sterilized jars, is preferred by some people.

After packing in the jars, the

LYNN SAYS:
These Canning Tips Will Help You

To make one quart of canned fruit, you'll need two and one-half pounds of fresh apricots. The same weight of peaches and pears will also give a quart of canned fruit.

Two medium sized pineapples are needed to yield a quart of the canned product.

When packing fruit into jars in its raw state (cold pack), add syrup to within one and one-half inches of the top of the jar.

LYNN CHAMBERS' MENU

pressure cooker may also be used for processing. The pressure cooker, however, is not as essential to canning fruits and berries, as it is in canning vegetables.

Precooking is recommended on the chart above for such fruit and berries as are watery. This method gives a better pack.

Wash Fruit Thoroughly, But Avoid Soaking

BACTERIA lurk in soil, and for this reason, it's necessary to wash fruit and berries thoroughly. However, this does not mean that you allow the fruit or berries to soak in water. They may become waterlogged and give you a very watery pack once the fruit is in the jar.

Whole fruits should be washed under gently running water and placed in a colander to drain as soon as washing is over. Berries may be dipped in and out of fresh, clean water in a basin and then placed in a colander to drain. Running water may break the berries apart.

How to Choose The Best Syrup

IN THE CHART, it is suggested that you add syrup to the fruit or berries after it has been packed in jars. In some cases, it is advisable to pre-cook the material in syrup before packing in the jar.

For the small soft fruit such as sweet cherries and berries, use a No. 1 or a thin syrup made as follows:

Use three cups of water to one cup of sugar and bring to a boil.

The medium, or No. 2 syrup is used for peaches, sour berries, rhubarb, cherries or gooseberries. It is made by using two cups of water to one cup of sugar and bringing to a boil.

The heavy, or No. 3 syrup is generally used on large sour fruits that have to be made extra sweet.

Scum should be removed from the syrup after cooking, before pouring the syrup on fruit.

Corn syrup and honey may be substituted in whole or in part in making the syrup. All honey, and no sugar, will change the flavor of the fruits as well as make it slightly darker.

From three to three and one-half pounds of strawberries are needed for a quart of canned material since they have a high percentage of liquid.

One and one-half to two pounds of cherries or plums will yield a quart of the canned product.

To sterilize jars for canned foods, wash them first in warm, soapy water. Rinse thoroughly. Cover jars with warm water and allow to come to a boil. Boil for 15 minutes. Let stand in water until ready to use.

Uncovered Relics Yield Story of Primitive Man

LONDON. — Archaeologists thought they had caught a glimpse of the lives of Britain's pagan Saxon ancestors through relics dug up recently from an ancient burial ground on Farthing Down near Coulsdon.

Beside the skeleton of a child of about 2, probably a boy, had been placed his well-loved toy iron spear. A child in another grave was thought to be a girl.

Beneath her chin were found the colored beads she used to wear and someone, more than 13 centuries ago, had placed a large decorated bead in her mouth when she was laid to rest.

Leg and ankle bones of an old man were found to be bent, probably because he had squatted on his heels in a primitive home which boasted no chair.
