## Saunders-Dodson

Saturday evening, August 13, at the Methodist parsonage in Wellington, Miss Barbara Joyce Dodson daughter of Mr. and Mrs. O. E. Dodson of Wellington, formerly of Quail, became the bride of Hubert Milton Saunders, son of Mr. and Mrs. A. M. Saunders of Hedley.

Rev. L. L. Hill, pastor of the Wellington Methodist Church read the single ring ceremony.

The bride was dressed in a light tan crepe with brown accessories and a corsage of yellow carnations. Her attendant, Mrs. Delbert White was dressed in blue crepe with white accessories and a corsage of pink carnations.

Delbert White served the groom as best man.

Mrs. Saunders is a senior in Quail High School. She has been active in all organizations and was chosen F. F. A. Sweetheart in 1948.

Mr. Saunders was a member of the 1949 graduating class.

After a wedding trip to New Mexico the couple will be at home in the McKnight community, where the groom is engaged in farming.

## FW&D To Adopt Forty Hour Week

The 40-hour week, which in effect becomes a 5-day work week, for non-operating railroad workers throughout the nation as a result of the report made December 17, 1948 by a Presidential Emergency Board, is to become effective at all Burlington Lines stations in Texas September 1st, according to an announcement issued from the Fort Worth and Denver City, and Wichita Valley Railways. Non-operating employees are all of those not directly involved in the movement of trains.

Representatives of the management of these railroads, who called the former office, explained that little change will be noticed insofar as passenger service is concerned. About the only difference, they said, is that travelers from some towns, such as Hedley, should anticipate the purchase of tickets, and the checking and packing of baggage and express, between Monday and Friday for trips beginning on Saturday or Sunday; however, this will not be necessary at the larger stations.

Customary service will be accorded to United States mail.

Beginning September 3rd all freight stations will be closed to forwarders and receivers of freight on Saturdays as well as on Sundays and holidays; however, at all of the stations where heavy freight movements occur the same arrangements will be made for carload handling and for emergencies on Saturdays that heretofore have been obtained on Sundays.

Demurrage and storage rules have been amended to meet this new situation.

Mr. and Mrs. Buford Hinds and Marjorie Ann came up last Wednesday from Abilene for a visit in the Frank Kendall home, returning home Saturday.

Bro. Roland E. Wylie and family of Ft. Worth have been visiting in the W. M. Biffle home.

## School Opening

The Hedley schools opened for their new session Monday with a general assembly in the auditorium. Mr. Willett led in singing "America the Beautiful," then gave the invocation. Talks were made by Rev. Frank Story, Rev. C. W. Lisenbee and Marvin Hillis, and Mr. Davis presented the staff of the school for the coming year, including teachers, bus drivers, cooks and janitor.

The students then went to their rooms, registered and were issued books for regular classes beginning Tuesday.

## Shower Honors Bobbie Lee Hall

Miss Bobbie Hall, bride-elect of Sam Owens was feted at a miscellaneous shower Friday evening in the home of Mrs. Ray Moreman with Miss Joan Ray Moreman, Miss Carolyn Reeves and Mrs. Hershel Swinney as hostesses. Seasonal flowers were used throughout the rooms. Miss Moreman pinned a lovely corsage of pink and blue asters on the honoree.

The guests were met at the door by Mrs. Swinney and Miss Reeves. Miss Moreman presided over the register.

Miss Anita Bain played as the guests gathered.

Misses Rita Johnson, Anita Bain, Letha Moss, Patsy Usrey and Mary Alice Hunsucker sang several numbers accompanied by Miss Sara Rains at the piano.

In a very gracious manner Miss Rita Johnson presented the gifts. Refreshments were served to 40 guests.

## Seniors Elect

The Senior class of 1949-50 met on Wednesday, August 24, and elected their officers for the coming year. They are as follows:

President, Jerrol Peters  
Vice President, Eldon Duckworth  
Secretary-Treas., Joan Moreman

Reporters, Anita Bain and Dolores Gunn  
Sponsor, W. L. Davis  
Assistant Sponsor, A. B. Truitt  
We are expecting big things for the school this year.

## Boy Scout News

The troop will hold court of honor next Monday night at 8:00. All scouts must be present to receive their advancement cards. Boys 11 years old may become scouts after September 1st. The scouts will go to Memphis Friday afternoon at 4:30 p. m.

Mrs. W. B. Morgan has returned from a visit to Wichita Falls, Newcastle and Nocona. She attended the Jones-Hutton family reunion at Mineral Wells. Seven sisters and one brother were together for the first time in 39 years. 133 relatives attended the reunion this year. She reported a wonderful time and looks forward to all being together again.

Mrs. T. C. Johnson returned last Thursday from Roy, N. Mex. where she visited her sister, Mrs. O. L. Allen.

## Old Settlers Picnic

The Donley County Old Settlers met at Tate Grove on Aug. 18 for their annual picnic. The meeting was called to order by President J. T. Bain and the following program was given:

Welcome Address, Alva Simmons

Group Song

Song, "Old Time Religion," dedicated to Hugh Brown

Other musical selections by the group

Then a business session was called and officers elected were

Walter Moss, president, Milt Mosley, vice president and Mrs. Alva Simmons, secretary-treasurer

A poem, "Pioneers," was read by Mrs. T. J. Cherry.

"Lilly of the Valley," sung by Mrs. Ina Harris.

There was a large crowd attending, plenty of lunch for all and everyone seemed to enjoy the day

Past Sec.-Treas., Mrs. T. J. Cherry

## Proclamation

Whereas, Texas has again suffered a polio epidemic, and whereas, through the cooperation of the Sherwin-Williams Paint Co. and the Hedley Lumber Co., free DDT Powder is being made available to this community,

Therefore, I, as Mayor of the City of Hedley do proclaim Saturday, August 27, as Anti-Polio Day in Hedley, and urge every citizen to take part in this campaign to make our community safe for our children.

Alva T. Simmons, Mayor

## Free DDT Powder

Every family in the Hedley community is asked to go to the Hedley Lumber Company next Saturday and get their free can of D. D. T. Powder to kill disease carrying insects. An 8 oz. can with pump will be given away free to every home in the community. All you have to do is call for it.

The free distribution of something over 600 cans of powder at a cost of over \$300.00 is being sponsored by the Hedley Lions Club and made possible by the Sherwin-Williams Paint Company and their local dealers the Hedley Lumber Company.

## Revival Meeting

The revival meeting at the First Baptist church is in progress, with good crowds attending and much interest being shown in Bro Cox's messages. The song services are again under the direction of Marvin Hillis.

Everyone in the community is invited to attend the remaining services.

## School Tax

In the school tax election held Saturday, the rate increase to \$1.50 was voted, by a margin of 47 to 15.

## CJC To Run School Bus

The Clarendon Junior College Bus will make its regular schedule through Hedley for the 1949-50 school term starting August 29. Any student desiring to attend Clarendon Junior College contact the driver of this bus. 423c

Mr. and Mrs. S. C. Richerson and Loyd attended the graduation exercises of West Texas State at Canyon Monday, at which time Miss Ruth Richerson received her MA degree, and Dorothy Jean Richerson received her BS degree.

Thanks to Jim Vaughn for a nice mess of black eyed peas.

Mr. and Mrs. Ray Moreman attended the Moreman family reunion in Abilene Sunday.

Mr. and Mrs. Gene Hoggard and baby visited Mr. and Mrs. H. Hoggard Sunday from Big Spring. Gene is in the newspaper business at Big Spring.

Mrs. W. C. Evans of Albuquerque is visiting in the T. O. McFarland home on her way to Florida, New York and other points.

Mrs. Virgil Threet of Roswell spent last week here.

Hobart Matt is visiting in San Antonio and Austin.

## Lions Roar

Lions Club projects are:

An Anti-Polio day to be held Saturday, August 27th. Just call at the Hedley Lumber Company on that day and you will be given free of charge a can of powder, D. D. T. This project was made possible by the Hedley Lumber Company and the Sherwin-Williams Paint Company.

Giving highway 203 a United States Highway number. The number asked for is 366 which will run from Ft. Smith, Ark. to Hedley and connect with highway 287 at Hedley. The application will go before the Highway Commission at Oklahoma City September 4th.

Getting a stop light for the intersection of our two highways and also one for highway 203 where it enters the business district.

There will be a directors meeting at the Lions Den at 7:15 next Thursday night on account of the meeting in progress at the Baptist Church.

## To Give Frozen Food Demonstration Aug. 31

A demonstration on the preparation and freezing of fruits and vegetables will be held at the Hedley High School home economics department, Wednesday afternoon, August 31 at 1:30. Each adult attending the demonstration will register to be eligible for the prizes that will be given away at the close of the meeting. Miss Gladys Wright, home economist with the Greenbelt Electric Cooperative, Inc., of Wellington, will be in charge of the program. The following firms are cooperating in the production of the event: Moffitt Hardware and Furniture, Hedley Lumber Company and Moreman Grocery and Locker. Mrs. Edna Lee Brown, teacher of home economics, and the students in her department are hostesses for the occasion.

This demonstration is for the purpose of assisting R. E. A. members and freezer locker owners and consumers to select, prepare and freeze better food products. Fruits and vegetables will be prepared and placed in freezer during the demonstration. The public is cordially invited to attend this meeting. Bulletins from Texas A. and M. College on freezing fruits and vegetables will be available. A general discussion of problems on freezing other foods will also be included on the program.

Valuable prizes will be given away by the sponsoring merchants

Mrs. Bruce Stuart of Ft. Worth and two grandsons, Gary and Gail Garltz, visited in the S. G. Adamson home and attended the old settlers picnic.

**WEEKLY NEWS ANALYSIS**

**Congress Beats Off ERP Fund Cut; Russia Winning Cold War in East; Personal Incomes Rise in Nation**

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

**SALUTE TO ISTANBUL . . .** The U. S. sixth task fleet arrived in Istanbul recently for a five-day visit. One of the ships, the USS Fargo, a cruiser and flagship of the group, is shown firing a salute to Istanbul city. In middle background can be seen the aircraft carrier Coral Sea.

**ERP FUND: 5.75 Billions More**

The European recovery program appeared set for another year. The senate, by a vote of 63 to 7, voted a \$7.5 billion dollar appropriation to take care of European recovery needs and pay U. S. occupation costs abroad. Final action came after two weeks of debate.

THE SENATE voted a full 12-month program, with no authority of the spending agency to expend the money in a shorter period. At the same time, it approved an outlay of \$344,000 for a congressional watchdog committee to keep a check on foreign spending.

The upper chamber of congress gave tacit approval to nationalization of industries—in England, that is—by knocking down an amendment which would have withheld recovery funds from any nation which in the future nationalized an industry. This was aimed directly at Great Britain.

The bill provided: One hundred and fifty million dollars for ECA loans to Europe. A billion, 740 million dollars for ECA's May-June operations. NINE HUNDRED MILLION for army occupation costs in Germany, Austria, Japan and the Ryuku islands.

Forty-five billion for Greece and Turkey. In its struggle with the bill, the senate beat off efforts to earmark 500 million dollars for a loan to Spain and to require the ECA and the army to earmark two billion dollars for surplus U. S. farm products.

**CHINA: Lost Cause**

Accusations, name-calling, recrimination did nothing to distort the picture—if the United States was winning the cold war in the West, she was losing it in the East. The United States' "white paper" on what had happened in China and why charged vigorously that Communist victory over the Chinese and the disintegration of the Nationalist government were all the fault of Nationalist Generalissimo Chiang Kai-Shek.

SAID DEAN ACHESON, U. S. secretary of state: "Full blame for the ominous result of the Chinese civil war accrues to Chiang Kai-shek and other Nationalist leaders because they lost no battle as the result of a lack of American aid."

In obvious contrast to the firm policy in dealing with Russia on problems affecting the West, Acheson said of China's future and U. S. aims in that direction: "Future U. S. policy must concentrate on relieving China of the Moscow-inspired foreign yoke of Communism."

That appeared easier said than done, however. There was no pact and no arms program to warn off the Reds, and, anyway, the Communists were on the ground and in control. Even the most optimistic among the diplomats in Washington would realize that throwing the Communists out of China would be a long, hard fight.

A FORMER AMBASSADOR to China, Major Pat Hurley, was quick to charge that the state department's "white paper" was nothing but an alibi for U. S. failure to stem the Communist tide in China.

**'JOHN BULL' IRKED**

**British Resent Policy Criticism in U.S.**

Word from London was to the effect that the British are no little perturbed at the mounting criticism in the United States of England's recovery efforts. Official British sources said they believed many of the complaints are based on lack of knowledge of Britain's problems and achievements since the end of World War II.

The British were rather per-

**Radio Jam**

According to reliable reports, Moscow's jamming of radio programs has tuned down the "Voice of America" to a mere whisper of its former self.

THESE REPORTS declare that Russian interference with programs beamed to the Soviet has been so effective as to cut to 10 per cent the American broadcasts which now permeate the region around Moscow.

Two official American protests against these jamming tactics were made last year, but in each case Moscow disclaimed any knowledge of such interference.

The Kremlin aim is obvious. Russian leaders are making every effort to isolate the Soviet people more completely from the west. Reception of American-originated broadcasts would have no place in that objective.

**U.S. INCOMES: Higher Than Ever**

The status of consumer buying power in the nation was good. In fact, personal incomes, which are the mainspring of such buying, increased in June, according to reports of the federal department of commerce.

THE RISE helped push incomes for the first six months of 1949 to a level 2.6 per cent higher than the first half of boom-time 1948.

The report estimated that the flow of personal income from all sources reached an annual rate of 213.5 billion dollars in June. The commerce department's study showed the upturn had been continuing for three months. April through June, and that the gain accelerated as it continued.

An increase in farm income was cited by the department as the main cause of the June increase in personal income, as compared with that of May.

THE DEPARTMENT regarded as more significant, however, the fact that factory payrolls were credited with a slight increase in June after having declined steadily since last September.

**COMIC BOOKS: New Approach**

The impact of so-called "comic books" on juvenile minds and their influence for good or evil has recently been a subject of widespread controversy in these United States. Some municipalities banned sale of the more objectionable books, others contented themselves with talking; but San Diego, it appears, has come up with a most sensible approach.

That southern California city has started what it calls a "comic book of the month club." Its purpose is to "put the fun back into funny books," from whence it has been conspicuously absent all these years.

The movement was launched after many San Diego families became disturbed about the subject matter of many of the comic books.

THE project depends upon cooperation of the comic-book publishers. If that can be obtained, publishers would submit the books to a board of review in advance of publication. Books that were approved would be mailed to club subscribers, who would be divided into different age groups.

**POLITICS: GOP Seeks Unity**

The one thing it did not have in 1948 and the one thing it seeks most in 1952 is the one thing the Republican party seems most unlikely to find—and that is unity.

IT is characteristic of the American voter that when things are going fairly smooth at home, there is little disposition to change administrations. The long tenure of the Republicans and the even longer tenure of the Democrats with Roosevelt and Truman point up that fact.

Therefore, if the GOP failed to attain unity in the 1952 presidential race, how could the party ever hope to win? There was an outside chance that, under a unified campaign, the party might win in '52. That chance, lies in the fact that a lot of Republicans have been voting with the Democrats simply because they were at odds with their own party's candidate and fed up with the "me, too" policies of twice-contender Thomas E. Dewey.

BUT the chance for any real harmony within the party was slim. This was indicated by the bitter split in factions when Guy George Gabrielson of New Jersey was selected to replace Hugh D. Scott, Jr., of Pennsylvania, as the party's national chairman.

The changeover served merely to stir up new party turmoil and to pose the more immediate problem of unity in the congressional races now just 15 months away. Whether Gabrielson can bring this about is, of course, wholly conjectural; but it should be remembered that if the GOP would not run hitched together when the White House was the desired destination, there is little reason to expect them to hold tight in congressional contests.

**GHOST STORY: Boy Is 'Haunted'**

Because of the myriad uncertainties which beset his existence, man always has been fascinated by the macabre, the supernatural, the weird beliefs and stories concerning ghosts and spiritual manifestations.

THIS is evidenced by the fact that the prominent part played by spirits of the dead in the lives of the living has been recounted and extolled since the days of the most ancient tribal existence.

And through most of the scoffing which greets such tales in this enlightened century there runs — if the truth were ascertainable — a tiny thread of credulity. It's rather like the old classic remark of the man who said that while he didn't believe in ghosts, he certainly had no desire to encounter one.

So the story of the Washington, D. C. boy "haunted" by "midnight manifestations" would bring the same scoffing, elicit the same secret thought, however fleeting, the same hidden wonder: "Could it be so?"

A local clergyman said it was so. This pastor told the Society for Parapsychology that he had the boy spend a night at his home. The minister said that during the night the bed on which the boy slept shook so violently he could not sleep. The boy moved to a heavy chair. The pastor said that while he stood over the chair it fell over, throwing the lad on the floor. The minister then put some bedding on the floor, told the boy to lie on it. Soon after the boy fell asleep, the minister saw the bedding and the boy slide slowly across the floor and under the bed.

Shakespeare said there are more things 'twixt heaven and earth than are dreamed of in our philosophy.

**Beauty Abroad**

Bebe Shopp, American's 18-year old first lady of beauty, is shown leaving the Savoy hotel in London for a tour of the British capital. A tour of London, Paris and Rome was a part of her prizes as winner in the "Miss America" contest of 1948.

**BABIES: May Sleep More**

Parents who pace the floor with their infants during the night hours can now look with hope to a new research project at the University of Chicago. Scientists there are engaged in a study of the sleeping habits of babies.

These gentlemen will seek to learn what part diet plays in the slumber habits of babies through feedings of proteins and especially prepared meats.

**For You To Feel Well**

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly filter waste matter that cannot stay in the blood without injury to health, they would be better understanding why the whole system is upset when the kidneys fail to function properly.

Burning, smarting, or too frequent urination sometimes warns that something is wrong. You may suffer from backache, headache, dizziness, rheumatic pains, getting up at night to urinate.

Why not try Doan's? You will be using a medicine recommended by the country over. Doan's stimulates the function of the kidneys and helps them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

**That Nagging Backache**

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strains on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination. Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

FIRESIDE CHAT: "Selfish Interests"

President Truman charged in a "fireside chat" to the nation that "selfish interests" are making budget-cut requests which threaten to "blunder" the nation into depression.

In his economic report, Truman assured the nation that it is not in a depression, despite business decline. "Political reasons" lead some people to want depression, he said. He added that depression can be avoided.

He blamed "selfish interests" for the tax cut that congress passed over his veto and for the denial of anti-inflation curbs he requested. HE FEARED a third great blunder and warned that "to slash government expenditures now would add to the downward trend."

He defended his \$42,000,000,000 budget for government spending the next 12 months.

He said, "If we follow the wrong budget policy at this time and slash our expenditures, we will decrease employment, cut down investment, weaken our defenses, and injure our efforts for peace."

His speech was seen as a movement to line up popular support for a showdown fight with the economy bloc in congress which is demanding that government spending be cut to income.

He criticized those who say he is in a depression.

"Many of these persons for political reasons would like to have a depression," he said. "Others are saying that there is nothing to worry about and an increase of the number looking for work is a good thing. This attitude ignores the human suffering..."

"ONEY ISLAND: "Trivialization"

Dr. Robert M. Hutchins, chancellor of the University of Chicago, demanded that mankind's expanding knowledge be turned toward achievement instead of "trivialization" and formation of a huge "Coney Island."

He spoke at the Goethe Bicentennial Convocation at Aspen, Colo. He said that world catastrophe is inevitable if the "tribal self-adoration, which goes under the name of patriotism continues unchecked."

He asked for a world union of "men of good will," and said that world government is a step in the right direction to avert global suicide. He argued that "communication" with Russia is possible if other nations were sincerely willing to try.

A "moral, intellectual and spiritual revolution is the only thing that will turn the world from a downward course, he argued.

He attacked the "purposelessness" of contemporary living, made more so by technology, and declared that new-gained leisure has been used for meaningless recreations.

Of atomic energy in peace and war he said, "If we have war, we shall be blown to bits; if we have peace we shall be bored to death."

Hutchins compared today's civilization with the fears and hopes expressed by the 18th century humanist, Goethe. The theme of his speech was "Goethe and world unity."

Injured

Among the injured in the crash of the New York-California airliner that came to grief in the Santa Susana mountains near Chatsworth, Calif., was movie actress Caren Marsh. Latest estimates place the death toll of the crash at 25 with 18 injured. The plane crashed shortly after the pilot radioed that a violent fight was going on in the plane among the passengers.

SCIENCE: Turbine Aircraft

Research on gas-turbine engines at McGill University, Montreal, may bring about improved flying. A turbine engine is a scientific version of the mill wheel. It has many small blades instead of a few big ones, and instead of water, hot gas is used to push the blades.

THE HOT GAS is produced by a blowtorch in which fuel is burned with the aid of air scooped up since the atmosphere of Washington, British were rat perc

Serve Frosty Cool Food During Sweltering Heat To Tempt All Appetites

WHEN the sweltering days hit us, there's nothing more pleasing than to have plenty of frosty cool foods to tempt heat-ridden appetites.

Mothers, too, can keep a lot cooler and comfortable while they prepare chilled rather than hot foods, and the former can be just as nourishing. However, if a hot food is desired, it might easily be a cup of hot soup or a toasted sandwich to serve with the salad, for neither of these takes long enough cooking to heat the kitchen or the cook!

Salads as main dishes should be nourishing, so plan to build them with meat, fish, fowl or cheese, one of the good protein foods which are needed daily. Fill them brimming with vitamins and minerals to keep their energy-giving qualities high.

PREPARE salad ingredients in the cool hours of morning so they will chill thoroughly and need just mixing at lunch or dinner time. This cuts down preparation time when energies are low and the heat is at its highest.

Tomato Crabmeat Salad (Serves 6)

- 6 large ripe tomatoes
1 can crabmeat
1/4 cup lemon juice
1 tablespoon chili sauce
2 cups finely chopped celery
1 cup diced green pepper
1/2 cup chopped pecans
1 teaspoon salt
1/2 cup mayonnaise
4 hard-cooked eggs, sliced

Scald tomatoes one minute in boiling water or turn over heat on a long fork to loosen the skins. Peel and scoop out center. Sprinkle the tomato cavity with salt and turn upside down to chill. Mix all remaining ingredients, except eggs. Fill tomato cups and serve on a bed of greens, garnished with egg slices.

Frozen Chicken Salad (Serves 4)

- 1 teaspoon gelatin
2 tablespoons cold water
1/2 cup mayonnaise
1/2 cup heavy cream, whipped
1 1/2 cups minced cooked or canned chicken
1/4 cup blanched chopped almonds, toasted
1/2 cup malaga grapes, halved and seeded
1/4 teaspoon salt

Dissolve gelatin in cold water for five minutes. Dissolve over boiling water. Cool, then combine with mayonnaise. Add remaining ingredients, folding in the whipped cream last. Freeze in tray of automatic refrigerator until firm. Slice and serve on lettuce or watercress.

\*Hearty Salad Bowl (Serves 6)

- 1 cup cooked ham, cut in thin strips
1 cup Swiss cheese, cut in thin strips
1 cup raw carrot strips

A luscious red ripe tomato makes the base for this salad and may be filled with cole slaw or shredded carrot salad for a nourishing luncheon when combined with crusted rolls and a beverage. If you need a more filling meal, start off with a chilled or hot soup.

LYNN SAYS: Keep Cool While Serving Summer Meals. Make tomato aspic in a ring mold during the cool of morning, and serve with a chilled seafood salad in the center; garnish outside of the ring with stuffed devilled eggs and crisp cucumber slices.

Cottage cheese makes a refreshing luncheon for Republicans and others who seek to pile up political capital in a... ally-p weather luncheon

One of the most delightful salads ever devised is a frozen fruit salad with whipped cream, banana, pineapple and marachino cherries. Use this salad when the rest of the meal has been on the light side, or as a salad dessert with cookies or small cakes. It's perfect, too, for entertaining.

LYNN CHAMBERS' MENU

- Cream of Tomato Soup
\*Hearty Salad Bowl
Bread and Butter Sandwiches
Beverage
Chilled Melon
\*Recipe Given

- 1 cup celery sticks
1/4 cup French dressing
1 head lettuce
2 hard-cooked eggs, cut in wedges
1/2 cup salad dressing
1 teaspoon mustard
1 teaspoon horseradish
Marinate and chill green beans, carrots and celery in the French dressing for at least one hour. Break lettuce into bite-sized pieces in a salad bowl. Arrange meat, vegetables and eggs over the top. Serve with salad dressing mixed with mustard and horse radish.

Frozen Fruit Salad (Serves 6)

- 2 teaspoons unflavored gelatin
6 tablespoons water or fruit juice
2 tablespoons powdered sugar
2 tablespoons lemon juice
2 tablespoons maraschino cherry syrup
1/2 cup real mayonnaise
1 cup heavy cream, stiffly beaten
1 large banana, cut in cubes
1 1/2 cups diced pineapple
1 cup sliced maraschino cherries

Soften gelatin in water or fruit juice. Dissolve over hot water and add sugar, lemon juice and syrup. Fold mayonnaise into stiffly beaten cream. Fold in gelatin mixture and prepared fruits. Turn into refrigerator trays and freeze, stirring once before the mixture becomes firm. Freeze from four to five hours. Slice and serve on chichory with real mayonnaise, if desired.

American Cheese Ring (Serves 8)

- 1 No. 1 can sliced pineapple
Juice of 2 lemons
2 tablespoons gelatin
1 cup sugar
1/2 pint whipping cream, beaten stiff
1 cup processed American cheese, finely diced
1 cup white grapes
Melon balls (cantaloupe, watermelon and honeydew)

Drain the pineapple. Reserve juice and add to the lemon juice and water enough to make two cups. Soften gelatin in one-half cup of this liquid. To the remaining one and one-half cups of liquid, add sugar and bring mixture to a boil. Pour over gelatin and stir until dissolved. Chill until partially congealed, then fold in all remaining ingredients except melon balls. Pour into an oiled ring mold and chill until firm. Unmold on lettuce and garnish center and outside of mold with the three kinds of melon balls to give a rainbow effect. Serve with dressing made as follows:

- 1/2 cup salad oil
1/4 cup vinegar
1 teaspoon salt
1 teaspoon paprika
1 cup chili sauce
1 cup chopped watercress

Stir together all ingredients until thoroughly mixed. Serve well chilled.

Wash and prepare all fruits and vegetables as soon as they come in from the garden, orchard or market. Then they'll be ready for meals while you have other things to do.

Make ham or meat loaf and plan to serve it hot or cold depending upon the temperature. These may be baked along with other foods, then chilled. They require little heating if you want them hot.

Several jars of sandwich fillings refrigerated will save a daily prepared luncheon.

30,000 Swedish Women Flex Muscles in Gyms

STOCKHOLM.—Thirty thousand Swedish housewives, from girls of 20 to energetic grannies of 70, now belong to gymnastic groups and look forward to the weekly physical training hour as a relaxation from household work and worries.

They pay special attention to exercises for strengthening the back and feet, conditioning the washing-up muscles. Next summer 5,000 of these muscular mothers will give a giant demonstration of physical exercises at Stockholm as part of the great gymnastic display known as the Lingiad.

The Swedes are pioneers of physical training. It was Pehr Henrik Ling who, at the start of the last century, invented physical exercises without apparatus, known to our grandfathers as "Swedish drill."

Sturdy Wall Shelf Is Simple to Build

NO OTHER type of interior furnishings helps make a house into a home than do these interesting wall cabinets. They can be used as effectively in the dining room as in kitchen or living room. Wherever used they provide just so much storage space you'll wonder how you ever got along without them.

The full size pattern offered below simplifies building this wall cabinet. The pattern is traced on the wood. Each part is then sawed out and assembled in exact position indicated on pattern. No special tools or skill are required. All materials needed can be purchased at small cost from your local lumber yard.
