### Kidneys Must Work Well-

For You To Feel Well  
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly. Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling. Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

### 4 YEAR OLD BOY WAS WASTING AWAY

My son Bobby Jean, 4, had been suffering from vomiting spells. Each attack sent him to bed with fever for 2 or 3 days. We tried all kinds of medicines but he continued to lose weight and grow pale and weak. We started giving him HADACOL and since the first dose he has never had a vomiting spell or fever. He gained 4 pounds in 2 weeks and is full of pep and energy. It is really remarkable how HADACOL has helped my child.

Mrs. Joseph Prejean 272 No. 1 Box 2118 Beaumont, Texas

### IS HADACOL A MIRACLE FORMULA?

No, there is nothing miraculous or mysterious about HADACOL. The potent health-giving benefits of HADACOL are based on a proven scientific fact: Lack of sufficient vitamins and minerals in most diets leaves the door WIDE OPEN to diseases and weaknesses of all kinds. HADACOL, the scientifically balanced dietary supplement, helps to CLOSE that door and KEEP it closed.

### BOBBY JEAN JUST ONE OF THOUSANDS!

Had it not been for HADACOL, the story of Mrs. Prejean's little boy, as told in her letter above, might have had a tragic ending. His system was run down to the danger point. Medicines and treatments didn't help. What he really needed was a supply of "building materials" for his poor, wasted body—and that he got from HADACOL. Like thousands of others, Bobby Jean is healthy again!

### WHY SHOULD I TAKE HADACOL?

HADACOL is not a medicine. It is a concentrated FOOD containing all the important vitamins in the B Complex as well as the minerals: iron, calcium, sodium and manganese. It's not getting a lot of attention because of the important components.

### Just Ask the People He Worked For

HOW ABOUT GIVING ME A JOB AS CHAUFFEUR

DRIVE IT YOURSELF US GOVT. MODEL

NO REFERENCES—HE JUST KNOWS HE'S WONDERFUL  
By DON HEROLD  
The seedy looking gent in the above picture has complete confidence in himself. He just loves to drive cars—other people's cars. If he wrecks the cars, his faith in himself is unshaken. It was the car's fault—not his, he says. He'll try anything—at your expense. And it's strange that a great many

Americans want to give this screwball a chance at our steering wheel, instead of depending on our own American kind of "do-it-yourself" driving which has got so far along the road of economic soundness. Some of us love Russian theories and English theories and French theories—when we wouldn't for a minute settle for Russian or English or French realities. Seems to me we ought to ask the "How pretty is the dream?" by "What do we get for our work?" Russia today you get a pair of

men's everyday England for \$12.09, \$C.95 For an hour you get 3/4 of England, three quarters of the of the like it.
